

Amativo is a stunning and sophisticated marble from Southern Italy with a rich brown coloring. Within a complex brecciated pattern are many subtly represented colors including cream, rust, yellow, burgundy, pink and crystal white. The mosaic is offered in a polished and brushed finish that beautifully refracts the light. Field and trim are offered in a delicately brushed finish that gives this complexly patterned marble a soft and elegant character.

Product Usage Recommendations

- Suitable for all indoor wall and medium duty flooring applications.
- Outdoor use subject to climate and method of installation.
- This material is affected by freeze/thaw.
- Please see Ann Sacks slip resistance and wet flooring application statement to determine usage in a wet area

Installation & Maintenance Guidelines

- Install per industry standards for natural stone.
- Inspect material prior to installation; installed material cannot be accepted for return or credit.
- Lay out material prior to installation to properly blend and balance color.
- Natural stone should be sealed with a penetrating sealer.
- Periodic cleaning and resealing with products formulated for natural stone is recommended.
