Hon. Herbert H. Lehman,
Lieutenant Governor,
Albany, N Y.

Dear Mr. Lehman:

Ferdinand Pecora, Chief Assistant District Attorney of New York County, will be the guest of honor at a testimonial dinner that is being sponsored by a group of public spirited citizens, without regard to political, racial or religious affiliation. This tribute is spontaneous, and is in recognition of the exceptional ability and scrupulous integrity displayed by Mr. Pecora in the many years that he has been in public service.

We would all deem it a great honor if you would join with us in paying tribute to Mr. Pecora. We enclose herewith guest ticket, and will appreciate it if you will accept it with the compliments of the Committee.

Won't you be kind enough to let us know as soon as it may be convenient whether we can count on your being with us on the night of April 11th?

Sincerely yours,

Secy.
