## The Only Constant is Change

Brothers of Kappa Psi,

As each of our Kappa Psi chapters begin a new year, we will all face new challenges. Many of these challenges are a result of changes in the complexion of our chapters. As we all begin this new fall semester, we must face those changes together. Many brothers graduated from our collegiate chapters last spring, and new leaders must take their place. Several chapters have newly elected officers who must take over the responsibilities previously handled by those who have moved on. Some chapters are even facing structural changes at their college or university that will have a lasting impact on how Kappa Psi will function in the near future. Handling these challenges can be difficult, but the task will be much less daunting if we remember the virtues of Kappa Psi. We are all in this together, and the far-reaching hands of Kappa Psi are all ready to help us.

The many hands of Kappa Psi present themselves in various ways. We have numerous support mechanisms for both our collegiate and graduate chapters and for our individual brothers. Local graduate members, Grand Council Deputies, Province Officers, National Officers, and The Central Office are all available to make the changes a little more palatable. And these brothers all have one thing in common: They love this Fraternity and want to make your experience in Kappa Psi as productive and memorable as possible. I urge you to take advantage of the resources you have available to you through Kappa Psi.

I am writing this letter about three weeks before the 50th Grand Council Convention in Ft. Lauderdale. In fact, I have the G.C.C. itinerary sitting beside me at my desk. I realize that G.C.C. will have come and gone by the time you read this, but there is one salient point regarding the Ft. Lauderdale meeting that pertains to the topic of "change." Almost every workshop, continuing education program, social function, and speaker will be focused on how to deal with change—changes in the profession, changes at our universities, changes in leadership, and even changes in how we function as a fraternity. There is no escaping it. Change is here to stay. The better we deal with change "head on," the more successful we will be in the future.

I would encourage all of you that were able to attend these activities to share what you learned with your brothers. Although a majority of chapters will be represented at G.C.C., there are several chapters that will not be attending. They will need your input at your next province meeting, and I hope many of these ideas spur similar activities at your provincial assemblies. Share the wealth. Be one of those many hands of Kappa Psi for your fellow brothers.

Speaking of changes, we will be electing a new set of National Officers for Kappa Psi at G.C.C. There is a great group of candidates running for these offices, and I know that the Fraternity will choose wisely. I have no fear for the future, because I know our future leadership comes from a pool of candidates who are not afraid of change. In fact, they embrace it and even use it judiciously as an opportunity for growth.

Take care, and I hope to see you during the 2001–2003 term at your local and provincial meetings.

Fraternally,

A handwritten signature in black ink that reads "Brian Reisetter". The signature is written in a cursive, flowing style.

Brian Reisetter  
Grand Regent

# Kappa Psi at the A.Ph.A.

**Anthony Palmieri, Grand Historian**

**ABOVE:** The women of Wisconsin, Lori Joas and Chrissy Brueckbauer. **BELOW:** Grand Historian Tony Palmieri and Executive Director Scott Long.

**Once again**, the highlight of the American Pharmaceutical Association annual meeting for Kappa Psi brothers was the Kappa Psi activities. More than 300 brothers visited the exhibit booth at the Moscone Convention Center in San Francisco.

Executive Director and brother Scott Long, and all of the Executive Committee, greeted the brothers. They renewed old acquaintances and made many new ones. A major theme of the booth was the Grand Council Convention in August in Ft. Lauderdale. At the booth, brothers had the opportunity to meet many legends of the Fraternity, including past Grand Regents and graduate brothers. There was ample opportunity to compare experiences within the fraternity and realize that our strength sometimes lies in our differences as well as mutual experiences as a brotherhood.

Another wonderful experience was the opportunity to attend the annual reception on Sunday afternoon where brothers met the Executive Committee and witnessed the presentation of the A. Richard Bliss Citation of Appreciation to one of the Kappa Psi legends, Norman A. Campbell. Brother Campbell's acceptance speech was indeed a highlight. He told us what Kappa Psi means to him and exhibited his deep and lasting appreciation and love for the opportunities that the Fraternity has offered him. In typical fashion, brother Campbell related how he thought he did not deserve the award. However, when one remembers the contributions of his career, it is apparent he is very deserving of this award. Brother Campbell was one of the founders of the Kappa Psi Foundation and a driving force behind the scenes in the growth of the Foundation. He is also a founding member of the American Society of Pharmacy Law. For many brothers, it was their chance to meet a living legend who was Grand Regent before many of the new initiates were even born. Although he has had a long career in the profession and the Fraternity, probably the highlight for brother Campbell and many of the brothers was the chance to meet his family, most of whom were there. Again, the reception was a wonderful opportunity to meet other Kappa Psi brothers.

As expected, the Kappa Psi presence at the A.Ph.A. meeting was felt throughout the meeting. There was clear and convincing evidence that Kappa Psi brothers are indeed leaders in the profession. The most commonly heard phrase was "See you in August at G.C.C."

**LEFT:** Bliss Award winner Norman Campbell (center) with previous award winner Lawrence Weaver (left) and George Griffenhagen (right).

# Alcohol and Hazing Policies

## Statement on Risk Management

*Risk management may be defined as taking appropriate measures to minimize risk to ensure the safety and well-being of members and nonmembers interacting with the chapters, province, or the Fraternity in any way.*

## Policy

The Risk Management Policy of the Kappa Psi Pharmaceutical Fraternity, Inc. involves an ongoing educational program that includes the provisions covered below as part of collegiate chapter, province and international leadership training sessions and publications. All alumni, especially those working with collegiate chapters, are encouraged to take training in risk management and be positive role models for collegiate members by demonstrating responsible behavior and supporting risk management policies.

## Chapters and Provinces Will:

1. Become cognizant of ways to reduce risk by working to identify any action which could result in injury or death.
2. Encourage members to plan all events with incorporated measures that will protect each member or non-member.
3. Analyze the risks involved in actions before they are taken and plan events so that exposure to liability is minimized.
4. Remove all risks associated with hazing and alcohol. The Kappa Psi Pharmaceutical Fraternity, Inc. has well-established policies on hazing and alcohol abuse. (This Fraternity does not condone and will not tolerate hazing by any member, chapter, or province). All members of the Fraternity, collegiate or alumni, are aware of these policies, and pledges are also instructed on these policies.
5. Prevent situations that facilitate illegal drinking, the abuse of alcohol, or substance abuse in any form.
6. Conduct an "Activity Risk Assessment" before hosting a function for the chapter, province, or Fraternity. A list of assessments to be considered shall be developed by each chapter, province, or Fraternity, and may include the following:
  - a. What liability does the chapter or province foresee in the upcoming event?
  - b. List the problems that could arise;
  - c. How would each of these problems be solved?
  - d. What safeguards are being implemented in case the event gets out of hand?
  - e. Will any city, county, or state ordinances be violated?
  - f. Have the chapter policies, university rules and college rules been checked so they are not violated?
  - g. Determine how the chapter officers will maintain control over this event;
  - h. Is the liability worth the benefits of the event?

**All alumni, especially those working with collegiate chapters, are encouraged to take training in risk management and be positive role models for collegiate members by demonstrating responsible behavior and supporting risk management policies.**

## **Hazing**

The Kappa Psi Hazing Policy defines hazing as any physical or mental harassment. Specifically, hazing includes, but is not limited to, the following: a. Any form of forced physical exercise; b. Any activity that might reasonably be expected to cause embarrassment or psychological harm to the individual; c. Any activity that might reasonably be expected to bring physical harm to the individual; d. Any activity that might reasonably be expected to degrade or otherwise compromise the dignity of the individual; e. Any activity that might reasonably be expected to require an unreasonable or inordinate amount of the individual's time, or in any manner impair the individual's academic efforts; f. Any activity that might reasonably be expected to make the individual an object of ridicule; g. The required consumption of any liquid or solid matter; or h. Any requirement which compels an individual to participate in any activity that is illegal or contrary to the individual's genuine moral and/or religious beliefs or contrary to the rules and regulations of the educational institution. All acts of hazing by a chapter or any of its members or alumni are specifically forbidden.

## **Alcohol and Substance Abuse**

The Kappa Psi Pharmaceutical Fraternity, Inc. is committed to providing members information on which to base attitudes toward the role of alcohol in their personal lives, in group settings and in the practice environment. The Fraternity seeks to be a positive influence in helping members avoid problems which can be directly linked to the unenlightened use of alcohol and substances in general. Substance abuse in any form, be it through the abuse of alcohol, the use of illegal substances, or the abuse of controlled substances is unconditionally condemned by the Kappa Psi Pharmaceutical Fraternity, Inc.

## **Chapters and Provinces Shall:**

1. Not have alcohol as the central focus of any event and will not advertise that alcohol might be present. Other activities are encouraged such as, dancing, sports, or other types of games.

2. Not sponsor any event not in compliance with any and all legal permits under the regulation of sale and use laws of the local jurisdiction, state, or province and university.

3. Make available at all social events sufficient food and non-alcoholic refreshments, which must be accessible to all guests.

4. Not spend chapter funds to purchase alcohol. There can be no chapter-sanctioned pooling of funds. This usually means that any alcohol present must be brought by the person intending to consume it (BYOB). Chapter funds can be used to buy non-alcoholic beverages and other refreshments.

5. Not permit mass containers (kegs, party balls, punch bowls, etc.) even if brought by individuals.

6. Not have open parties without a guest list. The guest list must be filed with the appropriate local authorities 24 hours in advance and must be limited to no more than two guests per member.

7. Check IDs of all guests and members. Individuals over 21 must be identified in some manner such as a bracelet, stamp on hand, etc.

8. Arrange for a nonmember to check IDs. Most commonly, this means campus or hired security officers.

9. Not co-sponsor an open event with an establishment that sells alcohol either at the establishment or otherwise. Same for alcohol distributors, etc.

10. Rent an establishment or banquet facility provided a licensed bartender is selling the alcohol or managing the alcohol brought by guests (BYOB). Guests lists, carding, etc. must still be in effect at these functions.

11. Conduct seminars on alcohol awareness/health education topics.

12. Not allow drinking, formally or informally, during rush or with prospective members. No alcohol may be involved, formally or informally, during member education with pledges.

13. Initiate ways, which must be in place, to prevent impaired driving.

14. Ensure that a certain number of members remain sober to act as party monitors during events, and these individuals must be readily identifiable (wearing jackets, hats, armbands, etc.).

## **Sexual Harassment**

Kappa Psi Pharmaceutical Fraternity, Inc. explicitly condemns and will not tolerate any form of sexually abusive behavior. It is the responsibility of each member to behave in such a manner that their words or actions cannot reasonably be perceived as sexually coercive, abusive or exploitative.

## **Education**

Each chapter will take the responsibility of annually instructing each member and pledge on the Kappa Psi Pharmaceutical Fraternity, Inc. Risk Management Policy. In addition, each chapter will notify The Central Office on a special form supplied in the Fall Packet once such instructions are performed. Each chapter and province will develop its own Risk Management Guidelines and send a copy to The Central Office. The provinces will also strive to educate annually the chapters in their province through scheduled workshops or seminars. The international leadership will educate the membership through mailings, the Kappa Psi publication (*The Mask*) and workshops at the biennial Grand Council Convention.

*Approved by the Executive Committee, November 15, 1995*

# Chapter News

## Epsilon

### University of Minnesota

Province VIII Fall Conclave 2001 here we come! It is an invigorating time for Epsilon chapter as we end an exciting year and prepare to host conclave in Minneapolis. Fund-raising became the most important goal in preparing for conclave. We started our fund-raising efforts by selling scrubs and jackets. Then, we kicked it into overdrive and worked at Twins baseball games for eight-hour shifts throughout the semester.

Knowing the importance of philanthropy, we rolled up our sleeves and prepared our annual pancake breakfast for residents at the Ronald McDonald House. We also gave STI talks (including scary photos) to young and impressionable teens at local high schools.

We also squeezed in a trip to the Breezy Point Resort for some fun, sun, and barbeque buns! In April, we hosted a formal dinner dedicated to our graduating fourth years and to commend all our hard-working brothers. After finals, we celebrated the end of a great year at our local hangout and reminisced about the wonderful memories we created.

We would like to congratulate the graduating fourth years for all of their hard work and dedication to Epsilon. We hope you will join us for conclave in Minneapolis on October 19 and 20. Come join us in celebrating brotherhood!

—Doan Ngo

## Eta

### Philadelphia College of Pharmacy

It has been a very productive spring semester for Eta chapter. We had one of our largest pledge classes in several years. We would like to welcome our five new brothers: **John Rubbo, Mike Lipcavage, Jeff Gasperi, Andy Gawlikowski** and **Jeff Digiovanni**.

Chris Turner (left) and Jorge Orlando Delgado-Flores.

Mu chapter's last three Regents: '99-'00, Ryan Boyle (left); '00-'01, Clark Faria (right); and '01-'02, Erick Sousa (center).

Our annual formal was held at the Sheraton Suites Hotel, which was a great time as usual and a hit among the new brothers. We also held our annual spaghetti dinner with Lambda Kappa Sigma on March 21.

We also helped in our community by breaking up sidewalks that were crumbling around our house in preparation for new concrete sidewalks. We are also in the process of developing a Web page with the school that will hopefully be up and running before fall semester. We hope that through this site, members of past and present will have access to upcoming events. In addition, our fourth annual golf tournament was held Thursday, August 23.

Since Eta chapter is the fraternity's oldest active chapter, we would like to announce that our centennial anniversary celebration will be held in the fall of 2002. The brothers of the Eta chapter extend an invitation to all of the brothers of Kappa Psi.

—Louis Weber

## Mu

### Massachusetts College of Pharmacy

With a strong pledge class of 17 fine young men, the words "Kappa Psi" have become everyday words around Massachusetts College of Pharmacy. We would like to congratulate: **Jeff Eric Hathaway, John Beno Thompson, Nolan Cook, Andrew Akladiss, Cory Fletcher, Sam Barbat, Omar Barryman, Thomas Larson, Chirag Patel, Saumil Patel, Kenny Leaman, Jonathan Kurkoski, Chris Turner, Tom Moniz, Solar Roshan, John Burge** and **Matt Moen**.

We also elected new officers with power-switching hands at our annual end-of-the-school-year party, the smoker. A lot of graduate brothers attended this party as well. Highlights of the evening included the announcement of the new Boston Grad chapter regent, Chris Hartman, and the induction of officers, including the new regent for 2001–2002, Erick Sousa.

Mu chapter is looking forward to making a strong presence in Ft. Lauderdale at the 50th annual G.C.C. We are also looking forward to meeting our brothers from all across the country and making the name Mu well known.

—Jonathan Kurkoski

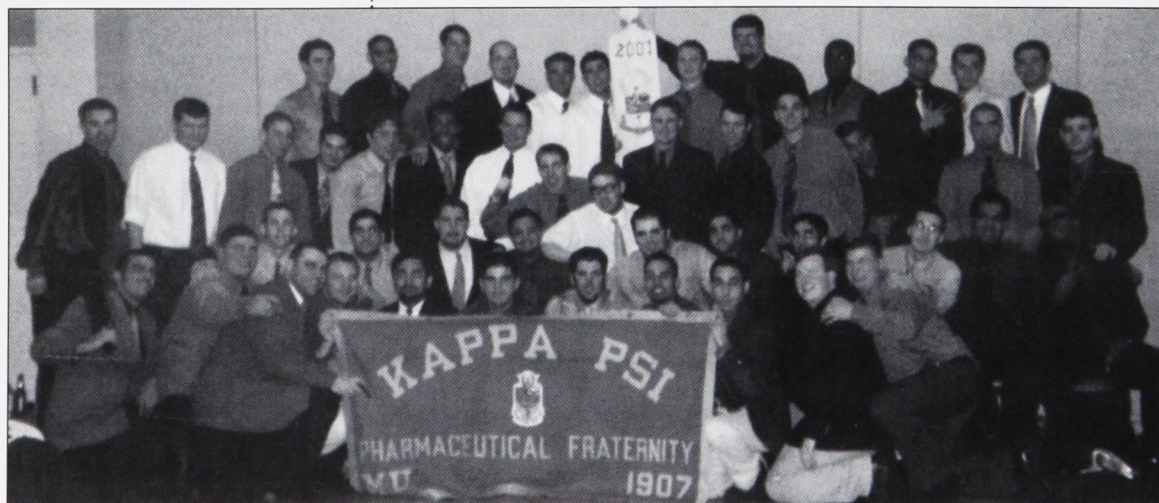

## Pi

### Purdue University

Pi chapter finished off its year with great success. The new officers came up with many ideas for the future of our chapter, and these ideas took flight under the assistance and guidance from older brothers as well as our new brothers on the faculty at Purdue.

During our food drive party, we collected several hundred cans of food and

The men of Mu.

Beta Kappa brothers and friends ready for the Pittsburgh Pirates opening series at the new PNC Park.

donated them to the needy families of the Greater Lafayette area. We also sold drug cards and will make a donation to other causes voted on by the chapter. Currently, we are selling Drugs Are My Life T-shirts. Brothers as well as pharmacy students can check them out at the Pi chapter Web page, <http://expert.cc.purdue.edu/~kappapsi/>.

The second annual Kappa Psi Golf Tournament and Enrichment Day will be held September 29 at Ackerman Fields in West Lafayette. Companies can sponsor a hole for \$750, which includes course fees, lunch and drinks for the day for four people, the sponsor's name on a pin at the hole and prizes that can be won throughout the day. If a company does not wish to sponsor a hole but would like to participate in the day's festivities, they should contact Pi chapter's athletic director, Jeff Schwartz, at [schwarzj@purdue.edu](mailto:schwarzj@purdue.edu). This event is free for pharmacy professors and their students, and everyone is encouraged to attend.

Pi chapter is looking forward to a great fall semester and, of course, the rushing of new pledges. We hope to increase the size of our chapter so that more of our pharmacy school will realize what being part of a true brotherhood is all about.

—Amanda Farberg

## Rho

### University of Kansas

Rho chapter finished the 2000–2001 school year with several social activities. In March, brothers enjoyed a Mexican potluck meal and an Italian progressive dinner. In April, brothers participated in cosmic bowling as well as getting together at a restaurant known for its sports and wings. At the end of the school year, the chapter participated in two fund-raisers. Brothers of Rho sold doughnuts and orange juice to fellow pharmacy students with early classes. A car wash was planned to collect donations for the Ronald McDonald House, but was rescheduled for next fall because of

inclement weather. In mid-March, several brothers participated in a 42-mile brew-to-brew relay run, benefiting cystic fibrosis.

Rho chapter received the Most Improved Chapter award at the Province VII meeting in Amarillo, Texas. This accomplishment was celebrated at the end-of-the-year dean's appreciation dinner and senior recognition luau held at a local park. The annual alumni golf tournament was held the next day. At the appreciation dinner, new officers for the 2001–2002 year were installed. They are as follows: regent, Joe Woehl; vice regent, Kevin McCullough; secretary, Kimberly Stade; treasurer, Angie Janasek; historian, Elizabeth Sebranek; sergeant-at-arms, Neha Patel; chaplain, Preston Fulton; and member-at-large, Kevin Hahn. As school adjourned, brothers looked forward to a relaxing summer filled with work, experience, internships or, in

Angie Janasek's case, her wedding in August.

—Elizabeth Sebranek

## Psi

### University of Tennessee

The Psi brothers would like to congratulate the 39 new brothers initiated February 16: Soula Angelopoulos, Phil Baker, Sabrina Baxter, Justin Bise, Aaron Brown, Rob Bullington, Allen Campbell, Whitney Cates, Paige Clement, Bhavana Desai, Billy Dizol, Joe Evans, Rhannon Fitzsimmons, Ryan Flatt, Amy Gamlin, Toie Harris, Michael Haynes, Dewitt Hill, Allison Hughes, Jennifer Jenkins, Jeremy Jones, Kara Keasler, Emily Kee, Vanh Luangphakdy, Whitney Lutz, Krissy McCulloch, Kim Madewell, Shane Marshall, Susan Myrick, Jennifer Powell, Leanne Reagan, Hayley Rector, Linsay Sullivan, Erica Tidwell, Matt Underwood, Ellen Vanderford, Chris Webb and Kelly Williford.

Spring semester 2001 in Memphis flew by, but not without the Psi chapter having a few memorable events. Kappa Psi partied in the Highpoint Pinch in downtown Memphis following initiation to celebrate and to give the brothers a chance to present their little brothers with their Kappa Psi jersey and nickname. In February, we elected 2001–2002 officers. The Psi chapter will be led by: Rob Bullington, regent; Paige Clement and Susan Myrick, vice regents; Whitney Cates and Kim Madewell, social/rush chairs; Soula Angelopoulos, recording secretary; Amy Gamlin, corresponding secretary; Emily Kee, treasurer; Sabrina Baxter, historian; Allen Campbell, chaplain; Billy Dizol, sergeant-at-arms; Jennifer Jenkins, service chair; Allison Hughes and Krissy McCulloch, fundraising chairs; and Teresa Sawyers, alumni liaison. To celebrate the transition, we had an officer cookout in

Beta Kappa GCDs Dr. Ertel and Dave enjoying an evening at the ballpark for the Pirate's opening series.

Psi chapter's 2001–2002 officers celebrated with the current officers in April to ensure a smooth transition.

*Beta Kappa brothers at the spring 2001 Conclave Banquet. Back row (l to r): Rob Gebbards, Jason Enders, Brian Ford, Chris Holewinski and Tracy Ebert (graduate). Middle row (l to r): Stephanie Stephenson, Andrea Tines, Lisa Dutton and Fred Wong. Front row (l to r): Mike Arora and Erika Klus.*

April in honor of the previous officers and to congratulate the new officers.

The spring semester ended with Psi chapter's first annual spring fling weekend April 27 and 28. We celebrated the end of the school year as well as the 75 years of Kappa Psi at the University of Tennessee, Memphis School of Pharmacy. The weekend began with a Kappa Psi house party featuring Dystonia, a band comprised of four Kappa Psi brothers. It was open to everyone who wanted to relax and have fun before finals. On Saturday, we had our traditional spring cocktail party. This year it was at The Magnolia Room. It was a night filled with great food, a great band, Bump City, and great friends, thanks to Eckerd. For the third consecutive year, Eckerd sponsored this event, and the brothers of Psi chapter would like to thank Tracee Hill, and the other Eckerd representatives for their continued support and generosity to our chapter.

This summer, Psi chapter is concentrating on raising money needed for the chapter, planning rush 2001 and improving the Kappa Psi house. Plus, several

brothers are planning to attend the 50th annual Kappa Psi convention in Ft. Lauderdale.

—Teresa Sawyers

## **Beta Kappa** *University of Pittsburgh*

Beta Kappa finished the year with a bang. Our spring formal was held at the Holiday Inn. Along with dinner and dancing, chapter awards were presented. Several brothers received scholarship awards for their hard work. Kevin Hennessy, Province II satrap, also attended our spring formal.

The brothers of Beta Kappa also enjoyed an evening at the ballpark to cheer on the Pittsburgh Pirates in their new PNC Park. More than 30 brothers attended the second game of the opening series, which was played against the Cincinnati Reds.

Our annual end-of-the-year party was held on the last day of finals. It started out with a barbecue in the afternoon and continued throughout the evening with brothers stopping by to say goodbye before leaving for the summer.

During the summer, the brothers of Beta Kappa went to Raystown Lake the weekend of July 14 and enjoyed camping, boating and jet skiing.

—Kendra Beck

## **Beta Nu** *Creighton University*

Beta Nu would like to introduce the new officers for the 2001–2002 year: Shawn Hegner, regent; Jenny Bean, first vice regent; Jeff Wigfield, second vice regent; Amy Adams, secretary; Joslyn Uden, treasurer; May Hoang, historian; Jamie Haynes, sergeant-at-arms; Kathy Wohlers, assistant sergeant-at-arms; and Jason Enders, parliamentarian.

During spring semester, we raised more than \$1,000 for the Child Saving Institute (CSI) at our charity golf tournament. To show their appreciation, three of the brothers attended the CSI annual banquet and were recognized. The brothers heard several moving stories about families that were reunited with the help of CSI. Beta Nu also served the community by giving poison prevention programs at local elementary schools and cooking dinner for families at the Ronald McDonald House.

Of course, we did take a break to get together for a few social activities, including laser tag and bumper cars.

The new officers were installed at our annual spring banquet. Fourth-year brother Rob Gebbards was recognized for his outstanding attendance at rushing and pledging events, as well as chapter meetings and socials, by being awarded the Asklepios Key. The year ended when Beta Nu and Beta Chi brothers met in Anita, Iowa, for the halfway party.

—Stephanie Stephenson

## **Beta Xi** *University of North Carolina*

Beta Xi brought the spring semester to a close with the initiation of two brothers,

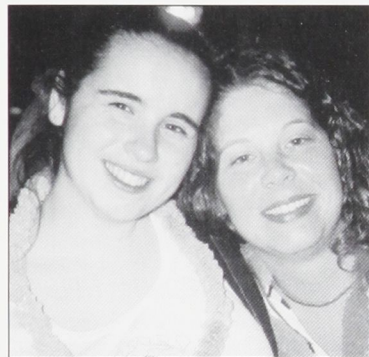

*Some new Beta Kappa brothers enjoying their first Spring Formal.*

the marriage of brother Megan Oakley and Randy Rose, and the graduation of nine brothers. Our new brothers are **Will Austin** and **Linda Huynh**, and the graduates are Chris Boulter, Genny Brewer, Bart DeBruyne, Jonathan Gaddy, Wil Gorrell, Alison Lyke, Danielle Milliman, Megan Oakley and Craig Parker.

With the school year over, many brothers ventured home while others remained at school to further their education; some even went on summer rotations.

In June, brothers met at the chapter house for our annual summer party, a weekend-long event that featured a cook-out, bowling, golf and a chance for everyone to socialize. Aside from the summer party, brothers of Beta Xi have met to work on our summer fund-raising. We took inventory at UNC Hospital's pharmacies and Duke Hospital's pharmacy. These fund-raisers will help pay for the repairs that we hope to make on our chapter house during the coming year. Plans are underway for many renovations

*A big/little pose with Beta Phi members Maria and Shannon.*

to the house. By the end of summer we hope to replace the roof, paint, put in a faster Internet connection and finish the external part of the sprinkler system, as well as some other improvements. The chapter house is our home away from home, so we want to do everything possible to take care of it. We would like to thank the many people who have helped us through donations and also the current brothers for their tremendous fund-raising contributions. During the spring semester, we raised approximately \$4,000. Great work, brothers.

Upcoming plans for the Beta Xi chapter include preparing for rush and the fall semester. We hope to have another successful rush and pledge semester, and we look forward to returning to the chapter house and our Kappa Psi family in August.

—Tosha Keiger

## Beta Phi University of Cincinnati

We started our winter break with a weekend trip to Snow Shoe, West Virginia. Our group of 25 enjoyed skiing, relaxing in the hot tubs and a pizza party. Everyone had a great time. We escaped with a few minor injuries and only one trip to the emergency room.

We had a slow winter quarter. To relieve our mid-term exam anxieties, we went downtown to Fountain Square to eat at the Rock Bottom Brewery. Our Kappa Psi brothers, their family members and friends had lots of food and fun.

During spring quarter, we held a Hoxworth blood drive and car wash fund-raiser. We ended the quarter with our second annual end-of-the-year luau, sponsored by ASP. Some of our professors and graduate members joined us for the party.

We also said goodbye to three of our graduating brothers: Rachel Hill, Missy Blomer and Troy Joecken. We are looking forward to the fall and our annual festivities.

—Shannon Grosnickle

## Beta Sigma North Dakota State University

The brothers of Beta Sigma would like to congratulate our new brother, **Dana Sundby**.

Last March, six brothers from our chapter went to San Francisco and met with other pharmacy students and Kappa Psi brothers from across the country. Not only did we see Alcatraz and Fisherman's Wharf, we also got to share in the festivities with other Kappa Psi brothers on St. Patrick's Day.

We remodeled the bathroom and kitchen in our house last year, and thanks to continued alumni support, this summer's construction on our basement should eliminate future flooding problems. A special thank you to alumni brother Steve Shipley (1975) for his time and dedication in making this possible.

This summer we assisted the NDSU College of Pharmacy in the registration of incoming students. It gave us the opportunity to inform them of organizations on campus as well as the annual Kappa Psi golf tournament held at the beginning of the school year.

We are currently working on improving communication between our chapter and other chapters, alumni and prospective members by developing a Web site. You can visit our Web site at [www.kappapsi.org](http://www.kappapsi.org). If you have any comments or suggestions, please feel free to contact us via information provided on the site. We are looking forward to hearing from all of our brothers.

—Bryan Hedlund

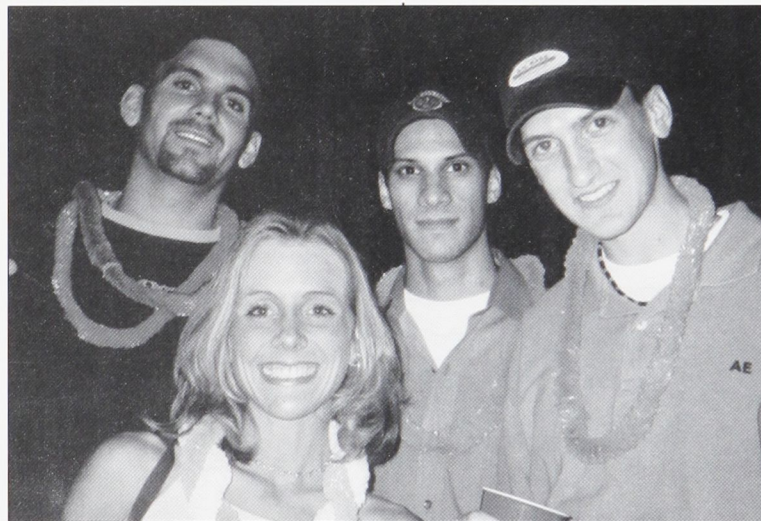

## Beta Chi Drake University

We started the fall semester with our annual rush events, including a barbecue and putt-putt golf. With new pledges in tow, we headed to South Dakota to the Province VIII Conclave, hosted by Gamma Kappa. Beta Chi received a scholarship tray for outstanding academic achievement by the chapter. We also enjoyed our second annual fall formal held at the Iowa Cubs Club. In addition, we held an alumni event at a Des Moines Buccaneers game. We caroled at the Kappa Psi professors'

houses and brought them some holiday cheer before finals. Just before the end of the semester, we elected a new EC who would like to thank the previous EC for doing such a wonderful job.

We activated 14 new members, the most in recent years. Our new members are: **Tracy Comito, Ted Cory, Marc Dzradosi, Eric Gorman, Tricia Kadrlik, Amy Kropf, Jodi Lilley, Kanani Nagahama, April Oxendale, Jeanine Porter, Amy Reis, Colleen**

*Beta Phi pizza party at the Snow Shoe Ski Resort.*

*Scherer, Jenny VanderSchoor and Keshia Williamson.*

During spring semester, we cleaned and cooked for the Ronald McDonald House to fulfill the province philanthropy project.

—Elsbeth Deselle

*Beta Phi pharmacy students have a good time at our second annual end-of-the-year luau.*

## Gamma Sigma University of Florida

April was very busy for Kappa Psi brothers. We started the month with the annual golf tournament and 70s party on the same day. Brothers and alumni enjoyed both events. After the golf tournament, the annual awards were presented: Brother of the Year, Jason Ransom, past regent and pledge master; Scholastic Brother of the Year, Keith Schissler; and Alumni Brother of the Year, Bob Vandervoort. The alumni award is voted on by current brothers and is based on attendance at

special events, promotion of the chapter, and contributions of both time and money in the past year. Several other alumni were nominated and received votes, including Rick Miller, Wil Aquí, Bill Harbilas, Jim Lewis, Jim Curran and Clay Duncan. These decisions are difficult, and we appreciate everyone's time and support. The brothers are looking forward to attending G.C.C. this summer and have already started planning rush week.

—Scott Wink

Gamma Eta's Gudren, Kelly and Jolie enjoy the A.Ph.A. reception in San Francisco.

## Gamma Epsilon University of Nebraska

Our big event of the semester was hosting the spring Province VIII Assembly March 2–4 at Ameristar Hotel and Casino. Brothers devoted a lot of time and energy to make Conclave a tremendous success. Some of the festivities included socials with Las Vegas and superhero themes, a career fair, assembly meetings, an awards banquet, a CE seminar given by UNMC's Dr. Sam Augustine and fun on the riverboat casino.

We have continued our philanthropy efforts this semester as well. Our members raised money by walking for MS, and we hit the road to pick up trash and make our stretch of Nebraska highway beautiful. The Ronald McDonald House was also a part of our spring agenda. We provided taco night for the families at the house and were also treated to a tour of the newly expanded house. UNMC is definitely lucky to have such a wonderful facility for families and their children.

We ended the year with an awards potluck and recognized many members, including outstanding pledge, Ann Augustine, and outstanding active, Megan Fries. With the year wrapped up, we now look forward to next fall and a new pledge class.

—Tiffany Grueber

## Gamma Eta University of Montana

The Marshall Mountain ski party hosted by Kappa Psi for the School of Pharmacy and Allied Health Sciences was very successful as about 70 pharmacy and physical therapy students, staff and faculty took to the mountain for some night skiing, fellowship and pizza.

The Christmas party was a great success with many Gamma Eta members demonstrating their culinary, dancing and decorating skills. A visit from Santa (Grand Vice Regent Johnston) with some gag gifts and poems embarrassed those who received the presents. More than 100 pharmacy students, faculty and staff attended the semiformal dinner and dance.

Also in December, brother Johnston's wife conducted two CPR certification classes for brothers at a nominal rate. Just another benefit of becoming a brother in Kappa Psi. Thanks, Sharon!

We had a busy spring semester. After attending the Province X Assembly at Lake Couer D'Alene Resort in Idaho, cohosted by Gamma Eta and Beta Pi, the bond between the Beta Pi and Gamma Eta brothers grew even closer. A midnight polar bear festivity in the frozen lake marked a climax to an evening of hard-to-forget remembrances. We also had a great time at the A.Ph.A. Convention in San Francisco.

Next year's Province X meeting will be held President's Day weekend in Missoula, Montana, hosted by Gamma Eta and the Grizzly Graduate chapter. The weekend will include a ski party dance and a bowling party, as well as a job fair at the beautiful Doubletree Edgewater Hotel on the Clark Fork River.

During spring semester, Gamma Eta was busy with several service projects. We participated in the pharmacy phon-a-thon fund-raiser, our Adopt-a-Highway commitment and organized a drug education program for elementary school kids, which will start next year. We also had two successful softball teams. The men's team finished fourth overall and the co-ed team finished second overall at the university level. Finally, we were busy planning our "big thaw" pharmacy and pre-pharmacy luau party, which was held at Mustang Sally's with a pig roast and all of the fixings. What a great way to finish off the year!

Spring semester was also busy with elections and installation of the new Gamma Eta officers for 2001–2002: regent, Brady Smith; vice regent, Chris

Rio; secretary, Ellyn Grant; corresponding secretary, Beth Lyons; treasurer, Molly Billstein; chaplain, Steve Thorvilson; sergeant-at-arms, Matt Dickson; co-historians, Stephanie Janson and Teri Ogg; co-social chairs, Henry Griffith and Julie Kind; DSAC representative, Marcie Bough; Web master, Scott Williams; philanthropy chair, Heidi Kuiper; Province X delegates, Eric Nickisch and Steve Thorvilson; G.C.C. delegates, Scott Williams and Dave Mountain; and rush chairs, Heidi Kuiper and Ken Walker.

Congratulations to the new officers of Gamma Eta and thanks to those who have served so well in the past to help us maintain excellence in our endeavors!

Finally, we met at our GCD's house, Dr. Craig Johnston, for a barbecue and scholarship banquet at the end of the year. Forty-eight scholarship certificates, several brother of the year awards, three Montana legislative recognition certificates and more than \$1,500 in scholarships were handed out as well as a regent's plaque to brother Dave Mountain. What a great way to have some fellowship and end the year.

We hope everyone had an excellent summer and hope to see you at the 50th Grand Council Convention. At least 10 Gamma Eta brothers, including both of our historians, will be with you.

—Stephanie Janson and Teri Ogg

## Gamma Theta University of Missouri—Kansas City

There have been some busy brothers in Kansas City, Missouri, this spring and summer. We're rebuilding and doing it from the ground up! In rebuilding, we have tried to maintain as many of our traditional activities as possible, including those during rush and pledge seasons, while extending the number and magnitude of our brotherhood nights and community service projects. These activities range from building a house with Habitat For Humanity to singing karaoke at local bars to giving plasma to partying at our semiformal.

A key to our chapter's progress has been, and will continue to be, active

Gamma Epsilon members (l to r): Jami Bartak, Julia Huebner and Sara Wilken help to keep Nebraska beautiful.

Gamma Kappa brothers working their odd during Vegas night at Province VIII Conclave. (l to r): Jason Ernster, Andrew Gillen, Briana Marcotte, Amanda Peterson and Scott Bergman.

involvement by the brothers. Suggestions for improvements are always welcome. We have tried to host more fun, exciting and rewarding events as well as offer partial reimbursement for travel to regional and national meetings.

Gamma Theta returned from the Province VII Conclave this spring in Amarillo, Texas, carrying back not only the Man-Miles award—thanks to the nine Gamma Theta brothers who racked up more miles of travel than any other chapter—but also a seat on the executive committee with the election of our new Province VII historian, Lyndon Throm. While on the subject of province, kudos to the brothers of Delta Pi for hosting a wonderful convention.

Several of the Gamma Theta men also attended the 50th G.C.C. in Ft Lauderdale. I'm sure sunburns have healed and many fond memories have come from the event.

We look forward to a successful year in continuing our growth, so please feel free to drop us any words of wisdom at [GammaThetaChapter@hotmail.com](mailto:GammaThetaChapter@hotmail.com) or stop by our Web site at [www.umkc.edu/studo/gammatbetaky](http://www.umkc.edu/studo/gammatbetaky).

—Lyndon G. Throm

## Gamma Kappa

### South Dakota State University

We would like to thank all of the outgoing officers for a job well done this past school year. All of your hard work and dedication has been greatly appreciated. We would especially like to recognize our past Regent, Jeremy Fejfar, for all of the time and effort he put into his position.

Our incoming officers elected in April for the 2001–2002 school year are: Scott Bergman, regent; Heather Hodges, vice regent; Amy Olson, treasurer; Tiffani Wenande, secretary; Briana Marcotte and Amanda Peterson, co-pledge masters; Jessica Laintz, historian/Web master; Jessi Webb, sergeant-at-arms; Yusuf Dawoodbhai, chaplain; Neil Matthieson, social chair; Melissa Langland, professional meetings chair; and Gary Van Riper, grand council deputy.

We wish to congratulate all brothers receiving scholarships for the upcoming school year. Gamma Kappa brothers who were honored at the 2001 pharmacy banquet include: Scott Bergman, Jeremy Fejfar, Peter Horn, Jerri Ann Knipping, Jenny Lewis, Sara Murray, Casey Musick, Amy Paradis, Stacy Peters, Amanda Peterson, Matt Smith, Joe Strain, Shawna Sweeter, Jamie Swoboda, Melissa Trittin, Joseph Volk, Heidi Vreugdenhil, Jessie Warwick, Jessi Webb and Josh Wilson.

Our membership continues to rise after our decision in 2000 to allow women into Gamma Kappa chapter. Kappa Psi has certainly been revived here at South Dakota State University with the addition of female brothers. Over the past year, 40% of the P1 class has made the choice to join Kappa Psi, which is a far cry from the 9% who joined two years ago when we were an all-male chapter. For the sec-

ond straight year, we have had enough interest in brotherhood to have a spring pledge class. We wish to welcome our five new brothers: **Tony Casanova, Joni Dufek, Matt Peterson, Jamie Swoboda** and the winner of the Outstanding Pledge award, **Jessi Webb**.

This spring, we took part in many activities as a chapter. In March, we sent 13 brothers to the Province VIII Conclave in Council Bluffs, Iowa. We were honored to receive the coveted Golden Peanut, which is awarded by the alumni peanut gallery for presentation of the best chapter report. One of the most exciting spring events for us was the formal dinner for Gamma Kappa brothers on April 20. Barry Bruss, one of our alumni, spoke about issues affecting the profession of pharmacy from the point of view of an "insider." On April 21, we hosted our second annual Glory Days where we invite our alumni to the house to reminisce and to try to get some spring cleaning done.

At the end of the school year, we held a graduation picnic at our house to honor brothers who were receiving degrees. We also invited pharmacy students who were recently accepted into the professional program for them to see what Kappa Psi is all about. Other activities included setting up tables for the Eastern SD science fair and cleaning up litter along our Adopt-a-Highway area.

Currently, we are organizing and fund-raising for our first annual Kappa Psi/College of Pharmacy Golf Tournament to be held September 22. All proceeds will benefit student scholarships. If anyone has any recommendations or ideas for fund-raising, please contact us at [kygammakappa@yahoo.com](mailto:kygammakappa@yahoo.com).

—Scott Bergman

## Gamma Nu

### University of the Pacific

Gamma Nu chapter would like to congratulate the 22 new brothers of the Theta pledge class: "Ain't nothing but a Theta-thing baby!" The strength and brotherhood of Kappa Psi shine bright through these wonderful new brothers. Many thanks to brother Rane Shoji for all of his hard work in making the rush program as successful as it was.

The brothers were also hard at work this year with various professional events coordinated by Carey Fang and Mitchell Nagao. The MS walk in April was the most noteworthy. Gamma Nu has been assisting with this event for the past couple of years, and this year's news coverage helped to confirm our professional principles. Jeffrey Nehira deserves credit for his help in organizing the event.

In addition to our Red Rager IV and Halloween Havoc III parties, the Theta class proved they have what it takes to be a Kappa Psi when they planned the toga party late in the winter semester. All partygoers came clad in togas that would make the Romans proud. Needless to say, the party was a success, and we look forward to making it a Gamma Nu tradition.

The summer semester set the stage for our biggest party of the year, a luau. With alumni, friends and brothers, the luau turned out to be one of the most memorable ever. For those who expected not to swim that day, there was no escaping the swarm of bodies eager to throw attendees into the pool. Who can forget the moment Dr. Floriddia was thrown in by an army of 14 brothers? Aaron Yup, Rick Mann and Derek Kadoya deserve recognition for their efforts in planning and organizing the luau. Equally noteworthy was brother Kenneth Yun, a.k.a. the "chef," for his tasty Korean barbecue, which was a hit with everyone.

We recently held our elections for next year's officers. There is no doubt that the former officers all did their jobs well, and their dedication and devotion will be missed.

Finally, we would like to congratulate the brothers who graduated with the class of 2001. Graduating brother Derrick Egi deserves special recognition in honor of being named the Brother of the Year.

—Tola Seng

## Gamma Omicron

### University of Oklahoma

Our chapter initiated 22 brothers this past year. As always, new brothers bring new ideas and perspectives to the group.

Throughout the year, we had many successful burger sales and clothing drives, and made plans for next year's province meeting which we will be hosting. Aside from the work, we managed to throw in a couple of broomball games and a few other outings that helped us to get to know each other better and, relieve stress.

Our rush, golf tournament and fund-raising committees are in full swing, making sure that next year will be just as successful.

We would like to congratulate all of our Kappa Psi brothers who recently graduated and wish you the best of luck—you will be missed. Congratulations to David Bateshansky for receiving the Brother of the Year award. Even with his hectic schedule, he contributed his time and energy, and we appreciate all he has done for us. This award was well deserved.

In addition, we would like to extend our gratitude to our brothers third-year brothers (P-3s) for all of your help and support during this time of adjustment in pharmacy school, especially Todd Marcy, Julie Nguyen, David Bateshansky, Pete Ross, Tim Flores, Jessica Chanthavong, Lisa Rorick, Brian West, Grady Bivins and Simona Ouzounova. We apologize if we forgot to mention anyone. We appreciate all you have done for us and our chapter.

Gamma Chi brothers *Patty Skrodens, T.J. Wickstrom and Andrea Vettor* enjoying their senior banquet.

Delta Gamma "animals" at the *Montgomery Zoo*.

More Delta Gamma "animals" at the Montgomery Zoo.

To kick off the summer before everyone headed home, we held our annual end-of-the-world party. It was a perfect day for volleyball, pizza and cold drinks. And for the few of us who decided to stay in Big Rapids, we have been busy providing some TLC to the house—patching, painting and primping.

We also have a new addition to the Kappa Psi family: Okley, a boxer/labrador mix. He may have a mean bark, but he has been giving and receiving the most TLC around the house.

—Amy Theriault

## Delta Gamma Auburn University

Spring semester was a busy and exciting time for Kappa Psi brothers. The theme of this year's spring formal was Destination Unknown. Brothers boarded a bus and were surprised to arrive at Montgomery Zoo for the formal. They enjoyed a night free from stress, dancing among the animals.

Our spring fund-raiser was a yard sale. Brothers donated all of the items for the sale, and proceeds, along with unsold items, were given to local charities. Kappa Psi brothers worked with Wal-Mart pharmacy for a special service project, handing out Vials of Life. Vials of Life is a program sponsored by Wal-Mart to aid emergency medical personnel by providing them with a list of patients' medications and allergies.

Delta Gamma brothers also initiated new officers. The officers for the 2001–2002 school year are as follows: Julie Jespersion, regent; Sabrina Small, vice regent; Emily Doyle, secretary; Lori Land, historian; Laura Neeley, social chair; and Katrina Lanza, student council representative.

The Grand Council Deputy for Delta Gamma brothers for the school year will be Dr. Dave Brackett.

—Lori Land

You have shown us what true brotherhood is all about.

We look forward to meeting other Kappa Psi brothers at the upcoming province meeting that we will host here in Oklahoma City.

—Jennifer Hart and Liza Jimenez

## Gamma Chi Ferris State University

We worked on several community service projects throughout winter semester.

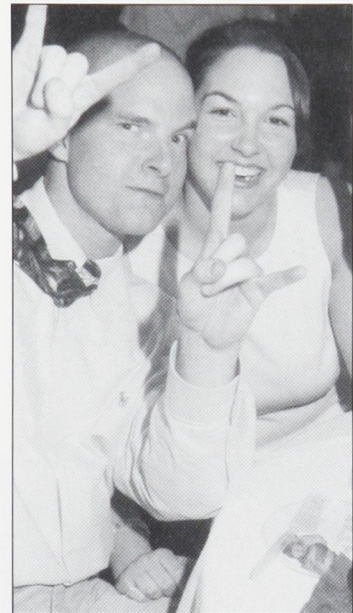

Last March, several brothers went to the Province V convention in Lexington, Kentucky. We won the travelling trophy again, but this time it was a three-way tie with Mu Omicron Pi and Gamma Iota. Everyone had a great time, and we thank Upsilon chapter for their hard work.

In April, we held our annual Easter party for Big Brothers/Big Sisters. The children and Kappa Psi brothers played

games, ate candy and had a great time. And, to help the elderly, we held a brown bag at a local church.

Before the end of the semester, we initiated our newest member, **Shanna Keller**. Congratulations Shanna. We are proud of you! In addition, we installed the new officers for the 2001–2002 school year: regent, Eric Halverson; administrative vice regent, Matt Smith; executive vice regent, Jon Coveyou; treasurer, Kathy Morin; recording secretary, Shawn Pride; corresponding secretary, Shanna Keller; chaplain, Patty Skrodenis; historian, Amanda Pletcher; sergeant-at-arms, Adam Dutkiewicz; pledge master, Bob Vigne; librarian, Amy Theriault; and house managers, Amanda Pletcher and Michelle Loftus.

We would also like to congratulate our new graduates, Michael Dark, Zoltan Koscondy and Kelly Ragle.

Delta Gamma's Destination Unknown, but fun times were known by these two.

Gamma Chi's new initiate, Shanna Keller, and her Big Brother, Shawn Pride.

Province VII attendees before the banquet.

Brothers of Delta Theta representing their chapter at the Province VII meeting.

## Delta Epsilon

### Duquesne University

In March, we took daffodils to the Little Sisters of the Poor during the American Cancer Society's Daffodil Days. The women love when we visit.

We also inducted eight new brothers in March: **Tricia Erano, Kelly Fee, Theresa Felentzer, Kristi Gross, Amy Jawdy, Kelly Murphy, Nicole Remaley** and faculty member **Dr. Shane Desselle**. Congratulations brothers. We know you are enthusiastic about keeping Kappa Psi traditions alive.

We also held our spring formal in March and wished our two graduating brothers, Trisha Jawdy and Jenny Kluchurosky, a fond farewell.

Our spring fund-raiser was successful. We sold 14k gold necklace charms with the Rx symbol on them to girls at the pharmacy school. Thanks to brother Danielle Nath for finding such a great product for us to sell.

—Melissa Perry

## Delta Zeta

### University of Iowa

Delta Zeta chapter participated in the University of Iowa Dance Marathon to benefit children with cancer and the local Relay for Life. We served food to patients and their families at the dance marathon and found it a very rewarding experience. Cosmic bowling was the highlight of our most recent social event.

The newly elected officers for our chapter are as follows: regent, Monica Fay; vice regent, Kelli Paulson; corresponding secretary, Katie Sigwarth; recording secretary, Brandy Miller; treasurer, Brandi Marquart; sergeant-at-arms, Jon Melcher; chaplain, Jenifer Hoy; and historian, Melissa Boerner.

Our brothers are currently planning for fall rush, the sponsorship of a dance marathon family, a Ronald McDonald House dinner and a windbreaker fund-

raiser. We are looking forward to another exciting year.

—Melissa Boerner

## Delta Theta

### Texas Southern University

The spring semester began with Interest Meeting 2001 to kick off spring initiation. At the meeting, Delta Theta brothers provided information to prospective new members. As a result, we welcomed 14 new members. In celebration of the chapter's growing membership, a reception was held, and brothers enjoyed food, music and fellowship.

At the end of the semester, our chapter wore Kappa Psi T-shirts and participated in Spring Fest 2001, held on the campus of Texas Southern University.

We would also like to congratulate the 2001–2002 chapter officers: Mouhamed Gueye, regent; ShaCarla Wakins, vice regent; Darego McClayton, secretary; Erika Jackson, historian; Chijoke Okafor, treasurer; and Delsholanda Ingram, sergeant-at-arms. Mouhamed Gueye will not only serve as regent of Delta Theta, but also as alternate delegate for Province VII at the Grand Council Convention.

—Erika Jackson

## Delta Kappa

### Howard University

In April, we celebrated the chapter's 15th anniversary with several events, including a schoolwide barbeque. On Founders' Day, Delta Kappa showed respect and recognition to the Founders by wearing black and carrying red carnations in the hallways and in front of the school.

We later sponsored several fund-raisers and donated clothes to a battered women's shelter. We also ventured to several new after-class hotspots for Kappa Psi brothers and friends to enjoy. The last Kappa Psi-sponsored event of the year was just in time for pre-final munchies—the spring Kappa Psi barbe-

cue. After finals, the Delta Kappa brothers, family members and friends enjoyed an Italian cuisine and awards ceremony to formally celebrate Delta Kappa's 15th anniversary.

Spring 2001 marked high achievement in Delta Kappa. Special congratulations to Rho Chi initiates Bryan Scott, Yolanne Hinds and Tiffany Goolsby, and Who's Who Among Students in American Colleges and Universities recipients Tory Taylor and Cheryl Gilbreath.

The year ended with the graduation of eight Delta Kappa brothers.

—Cheryl Gilbreath

## Delta Omicron

### Wilkes University

Delta Omicron was busy last semester both professionally and socially, even without a pledge class.

Professionally, we successfully completed the Open Airways project, a program sponsored by the American Lung Association to teach children about asthma management. This required a substantial amount of time and dedication from our brothers as we had to complete training and then travel to elementary schools once a week for six weeks to teach the children. We had more than 20 brothers trained as facilitators. The time invested was worth the reward of getting to make a difference in these children's lives.

For the year, we donated 347 hours to community service projects in and out of school. This represents 92% of the brothers in the chapter.

To honor our graduating brothers, we held a spring formal at the Ramada Inn in Wilkes-Barre on April 7. We honored them with small gifts and good memories of the time they spent in our chapter. We also held an awards luncheon on April 17 to initiate new officers and present various awards to brothers. Senior awards were presented to: Janine Masi, the F. Harvey Smith award; Ray Wascavage and Ann Wotring, the Fellowship award; Rick Seipp, the Industry award; Stacy Geiger and Kristy Kramer, the Sobriety award; and Shanna Henninger, Stephanie Haines and Amy Mazikewich, the High Ideals award. Jeremy Gerber received our Brother of the Year award, otherwise

Delta Kappa brother Cheryl Gulbreath receives Who's Who Award from the University President, H. P. Suygert.

Delta Theta Brothers Merykokeb, Ester, Lisa, Samira, Reni and Manju pose at an annual semiformal affair.

known as the Asklepios Key. Along with these awards, Dr. David Maize, GCD, presented 35 scholarship awards to the brothers and two F. Harvey Smith Grand Regent's Letters of Recognition to Jeremy Gerber and Ronald Davis. The chapter would like to congratulate all the winners of the awards.

During the awards luncheon, we installed our new officers. Our 2001–2002 officers are: regent, Andy Tomlinson; vice regent, Lisa Charneski; recording secretary, Katie Boyle; corresponding secretary, Jeff Kukel; treasurer, Michelle Macumber; ritualist, Nokomie Welsh; historian, Lindsay Shaffer; and sergeant-at-arms, Jon Ference. Good luck, officers!

We held a St. Patrick's Day party and an end-of-the-year party. We also had our annual graduate brother and family outing in the party box at Lackawanna Stadium to watch the Wilkes-Barre/Scranton Red Barons play baseball.

At the end of the semester, we played a softball game against the pharmacy school faculty. We let the faculty win, but next year we will not be so nice. Finally, we would like to wish our graduating brothers the best of luck in their new careers.

—Lindsay Shaffer

## Delta Pi Texas Tech University

Delta Pi chapter hosted the Province VII annual meeting April 6–8 in Amarillo, Texas. With 104 registrants and a full schedule of events, everyone was able to "Get Their Kicks on Route 66." One of the highlights of the weekend was when our new regent, Shawn Gautreaux, received the Kappa Psi recognition pin from Craig Johnston.

We hosted our third annual Kappa Psi luau the weekend of April 28. It was open to the entire pharmacy school, and we had a great turnout. Guests were able to

Delta Theta Brothers representing their chapter at Province VII.

enjoy a Hawaiian-style luau, including live music and a roasted pig on the spit with all the fixings.

We are also proud to announce the election of a fellow Kappa Psi brother, David Allen, Pharm.D., PhD, to the office of president-elect of the Texas Society of Health-System Pharmacists for the term of 2002–2003. He will serve as president during the 2003–2004 term.

We have many plans for the fall semester, including our first annual toga party and a slave auction fund-raiser. We are also hoping to reach our goal of having the largest pledge class this year.

—Amy Atwood

## Delta Rho Nova Southeastern University

Delta Rho chapter would like to thank our outgoing officers for their hard work and leadership during the 2000–2001 school year. Those officers are: regent,

Marjorie Showalter; vice regent, Yolanda Mendez; recording secretary, Suzanne Thompson; corresponding secretary, Linh Tran; treasurer, Hsiao Chi Lin; historian, Kim Mountjoy; chaplain, Mayella Castillo; sergeant-at-arms, Angela Hyde Parlato; pledge master, Dave Lacknauth; and assistant pledge master, Anay Arshad.

In March, brothers volunteered at the Diabetes Health Expo and a 5K walk-a-thon, sponsored by the Diabetes Research and Wellness Foundation. The expo was held at the Miami Beach Convention Center and helped thousands of people with diabetes.

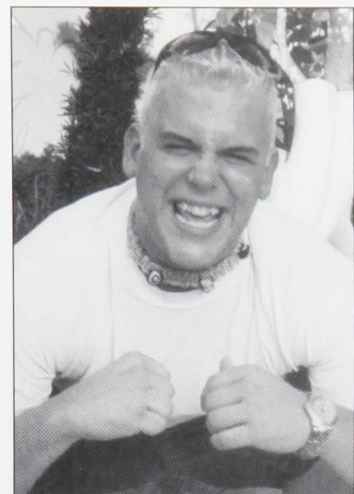

The brothers of Delta Rho would also like to congratulate its 2001 graduates: Michelle Bailey, Avi Cohen, Raymond Enderby, Melissa Holtzman, Leanne Muirhead, Neil Ragoonana, Michael Rodriguez, Chanel Salado, James Satterfield, Jason Sitowitz, Dorel Suboni, Esty Trimino, James White and Craig Woodruff. These brothers were responsible for founding Delta Rho chapter in 1998, and they have put a lot of hard work into making it successful.

The 2001–2002 elected and initiated officers are: Dave Lacknauth, regent; Anay Arshad, vice regent; Danielle Sprimont, recording secretary; Jennifer Mooney-Thompson, corresponding secretary; Kim Mountjoy, treasurer; Jenelle Olson, historian; Jennifer Garde, chaplain; Jennifer Aramburo, sergeant-at-arms; Aneesh Lakhani, pledge master; and Jason Melachrino and Ashley Gaskins, assistant pledge masters. Delta Rho hopes everyone enjoyed G.C.C. this summer in Ft. Lauderdale. We are looking forward to rush this fall and our upcoming events.

—Jenelle Olson

## Mu Omicron Pi Wayne State University

The brothers of Mu Omicron Pi are excited about hosting next year's Province V Conclave and have been working hard

Which came first, Beta Omega brother Dan Lyons or the egg?

to ensure that it will be a huge success. What makes it even more special is that we will also be celebrating our 75th anniversary.

Our fund-raising activities, especially CPR training, led by Nofal Cholag, Sam Khreizat, Mohamed Elsayed and George Nakhleh, have once again been very successful.

We also participated in Greek Week. It was an incredible experience that brought us all together and intensified our sense of pride, unity and brother-

Beta Kappa brothers enjoy the Kappa Psi reception in San Francisco.

## Montana Graduate

Life at Montana Graduate chapter goes on but needs some strong brothers to help plan more activities. Although four members attended the Province X meeting in Couer D'Alene, Idaho, three of them were national officers who went for other reasons as well. We hope to have two to three members at the 50th G.C.C. this summer, but distance, life changes and a need for direction have made the success of Montana Graduate chapter less than expected. We have started a listserv to send information about diabetes changes, CE programs and Pharmacy Times news to graduate brothers, and Gamma Eta has elected a corresponding secretary to communicate between graduate and collegiate chapters. We hope this will help. However, we would love to hear from larger and more productive graduate chapters to get ideas for helping to increase the number and participation of graduates in our area in all that Kappa Psi has to offer. We hope that the program at the 50th G.C.C., which is focusing

on Kappa Psi for Life, will help create a plan that works to establish and increase this participation.

—Craig A. Johnston

## Providence Graduate

Providence Graduate chapter celebrated Founders' Day and the 12th annual awards banquet on April 26 at the Radisson Hotel in Warwick, Rhode Island. The PGC was pleased to present five brothers with Golden Mortar awards in recognition of 50 years of membership and service to Kappa Psi. They are: Roland A. Allard, Herbert S. Carlin, Walter L. Carnelvale, Ernest A. Christensen and Roger E. Gagnon. Nineteen brothers were also honored with Silver Mortar awards for 25 years with our fraternity. Brother Herb Carlin also received the PGC Community Service award for his contributions to our community and profession, and Scott Jacobson earned the Graduate Brother of the Year award for his efforts in our chapter. The PGC also awarded three undergraduates, David Dorr, Fletcher

Delta Rho brothers.

hood. On cleanup day at the Kappa Psi house, all of our brothers pitched in to make our house more beautiful. At the end of the day, we celebrated with a traditional barbecue.

We would like to congratulate brother Mohamed Elsayed on being elected Province V parliamentarian, as well as brothers Emad Saleh and Robert Sharp on their engagements. In addition, we would like to thank graduate brother Paul Cypress for his enormous generosity to the Mu Omicron Pi chapter, and congratulations on being elected as Alternate Grand Council Deputy for Province V.

—Francesco Vella

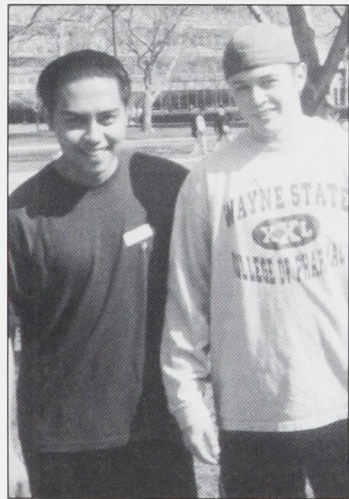

## Minnesota Graduate

Elections were held at our spring meeting and the results are as follows: regent, Chrisann Rauzi; vice regent, Dawn Erdman; secretary/treasurer, Tracy Anderson; historian, Helen Baker; social chair, Sandy Soukup; and scholarship, Mary Gustafson.

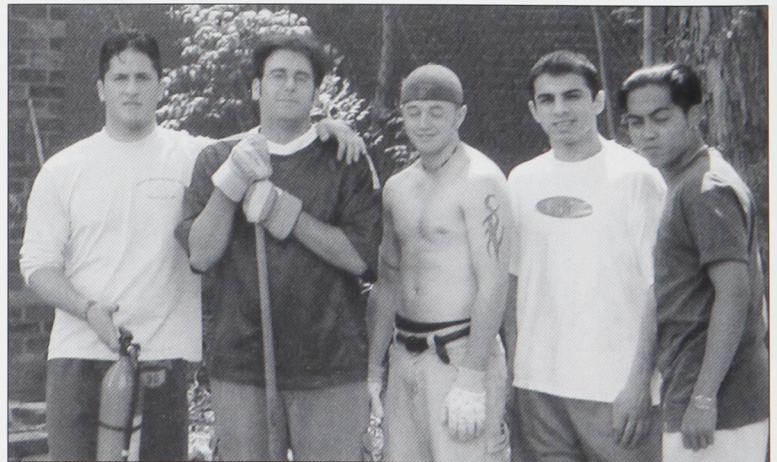

Activities this summer included a get-together in July, hosted by Tracy Anderson and Mike Haag. Jim Polucha coordinated the pharmacists' schedules at Camp Superkids, a camp for kids with asthma. We also tried our luck on the ponies at Canterbury Downs.

We would like to thank everyone who contributed to our scholarship fund. We were able to offer another award to the collegiates. Our fall meeting will be held at the Lido in Roseville on November 13.

—Helen A. Baker

Mu Omicron Pi's Keith Enerio and Eric Saunders compete against "the other fraternities" in a three-legged race at Wayne State University's annual Greek Week.

Mu Omicron Pi brothers George, Frank, Eric, Nofal, and Keith at our annual Kappa Psi house clean-up day.

*Brothers Frank, George, Hani, Mobamed and Eric showing support to our recent graduates Sam Badawi, Nabil Fakih and Anthony Garofali.*

Nehring and Gavin Gillespie, with the Dr. George E. Osborne Memorial, the Peter Feeney Memorial and the Dr. Norman A. Campbell scholarships, respectively.

Following the installation of officers, we welcomed two new graduate brothers to our ranks. Jim Gallagher, a pharmacist for CVS, and Shardul Patel, a pharmacist for Walgreens who is pursuing his Pharm D at MCP, were initiated. We also remembered brothers John Zannini, Robert Johnson, William J. Doonan and William Clarkin who passed away within the last year.

In May, PGC brothers once again met the undergraduates of Beta Epsilon on the softball diamond to defend our winning streak in our annual grad versus undergrad contest. The offensive power of the graduates once again generated many runs, but defensive errors in the field and a key injury to our clean-up hitter, John Grossomanides, cost us the game. We fell to the undergrads 43 to 33 in a genuine slugfest. We look forward to avenging our loss next spring.

—Karl Kehrle

## Province I

The brothers of Province I held their formal meeting in April at the University of Rhode Island. Brothers from Beta Epsilon (URI), Mu (Mass College of Pharmacy) and Nu (UConn) attended. Beta Epsilon hosted the event, which included entertainment, the business meeting and a formal banquet. We appreciated Brian Reisetter, David Maskiewicz and Cameron Van Dyke, Grand Officers, also attending the meeting.

Province I extends our gratitude to those brothers who served as officers for the 2000–2001 year. We would like to congratulate the newly elected officers: satrap, Mike Sherry (URI); vice satrap, Fletcher Nehring (URI); secretary, Angel Maldonado (UConn); treasurer, Gavin Gillespie (URI); historian, Garnett Page (MCP); and chaplain, David Dore (URI).

We would like to commend John Grossomanides for his outstanding ser-

vice to this province and our Fraternity as a whole. As you may know, he will be stepping down as our Province Supervisor and his replacement will be named in Ft. Lauderdale. Thank you, John, for all you have done.

—Garnett Page

## Province II

The brothers of Province II heard good things about Ft. Lauderdale and were excited to attend G.C.C.

We have three brothers on internships: Al Kinsky, Beta Omega; and Dan Lyons and Jeanna Miller, Beta Kappa.

Province II would like to ask our brothers to anticipate a fund-raiser for Beta Eta brother Russ White. He is a 24-year-old West Virginia University student going into his fourth year of pharmacy school. Brother White has idiopathic dilated cardiomyopathy and is waiting a heart transplant. The operation will cost more than \$300,000, and he does not know how much will be covered by insurance. However, he is not worried about the money because he knows it is something that cannot be avoided.

—Al Kinsky

## Province V

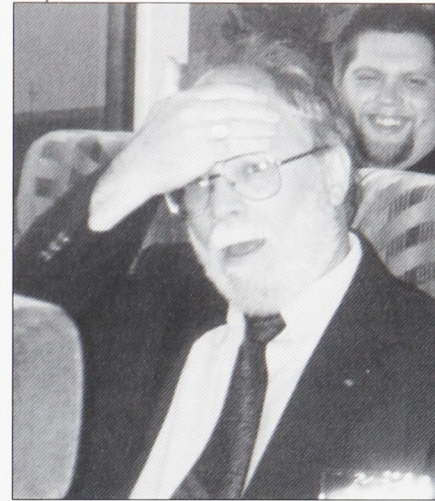

Province V held our annual conclave March 23–24 in Lexington, Kentucky. We had a strong showing of brothers with 11 of 13 undergraduate chapters, several graduate chapters and national representatives in attendance. We would like to thank the Upsilon chapter at the University of Kentucky, under the direction of our Conclave Coordinator, Brad Schmidt, for hosting the weekend's activities.

On Friday evening, brothers enjoyed a dinner and raffle, sponsored by Rite-Aid Corporation. During the dinner, Dr. Kenneth B. Roberts, former Grand Regent and dean of the University of Kentucky College of Pharmacy, shared a few words of welcome. Afterward, Rite-Aid representatives gave everyone a treat from the horse capital of the world. Brothers spent a nite at the races, placing bets on taped simulcast horse races. Top money winners were able to trade in their play money for cash prizes. These events were followed by a small get-together in the hospitality suite.

Saturday's general sessions were devoted to chapter reports, province committee reports and province officer elections. During lunch break, Dr. Frank Romanelli, assistant professor of pharmacy and physician assistant studies, gave an AIDS CE workshop. In addition, Cameron Van Dyke, Grand Ritualist, held a ritual workshop.

The newly elected Province V officers for 2001–2002 include: Tina Dell'Angelo, satrap; Mark Herriman, vice satrap; John Pietkiewicz, secretary/treasurer; Brad Schmidt, chaplain; Charlie Holloway, historian; Mohamed Elsayed, parliamentarian; Alan Slade, Web master; Tim Eley, supervisor; Peter Brody, G.C.C. delegate; and Paul Cyprus, alternate G.C.C. delegate.

After the banquet on Saturday evening, several awards were presented, some serious and some not so serious. The new officers were given their oaths of office. Brothers were then entertained by a DJ

*Province VII Satrap Ben Welch expresses his relief at finding the right bus.*

and enjoyed dancing. The party went on into the wee hours of the night. Thanks go out to the brothers of Mu Omicron Pi for their laptop and sound system.

—Charlie Holloway

## Province VII

E. Ben Welch, satrap, officially opened the Province VII Conclave on Friday, April 6, at 6:00 p.m., at the Radisson Inn in

Amarillo Texas. What a wonderful weekend it was to be!

After an informal meeting followed by a well-prepared Texan meal, many of our brothers spent the eve partying at the cowboys and bikers opening social.

Saturday morning opened at the Texas Tech Pharmacy School with breakfast and morning meetings, nominations and chapter reports. We had a barbecue lunch and were then free time to explore a museum in the school's basement, Palo Duro Canyon, golf courses or a variety of other stops, any of which brought enjoyment and extended the brotherhood to all.

In the last meeting, we addressed old and new business and elected new province officers. Congratulations to the following: satrap, E. Ben Welch; vice satrap, Matt Corley; secretary/treasurer, Troy Stillings; historian, Lyndon Thom; chaplain, Page Smith; Web master, Ben Calcaterra; and immediate past satrap, John O'Dwyer.

With elections completed and business wrapped up, brothers dressed up and headed downtown for our closing raffle and reception. Officers were inducted, and Shawn Gautreaux received a pin of recognition from Province VII Supervisor, Craig Johnston. Shawn and brothers of the Delta Pi chapter did a wonderful job organizing this convention. Even more exceptional is the fact that the Delta Pi chapter is one of the newest chapters in our fraternity already stepping up to host a province meeting. Keep up the excellent work!

But of course, the night was still young for most of us. It was off to "Get Our Kicks on Route 66" in one of the town's best watering holes, followed by classic Kappa Psi singing and even a late night dip in the pool. What a night.

We hope to see everyone at the next Province VII Assembly in Oklahoma during spring 2002. Don't forget to check out all the fun and exciting things going on throughout Province VII by visiting our Web page at [rx.stlcp.edu/kappapsi](http://rx.stlcp.edu/kappapsi).

—Lyndon G. Thom

## Province IX

The Province IX meeting was hosted by the Gamma Rho chapter in April. The new officers elected at the meeting are: satrap, Michael Cuellar (Gamma Nu); vice satrap, Rick Mann (Gamma Nu); secretary/treasurer, Alison Lum (Beta Gamma); chaplain, Bobby DeSilva (Gamma Rho); and historian, Mitchell Nagao (Gamma Nu). The Gamma Rho chapter extended their hospitality to the brothers who came to the meeting. One of the highlights, besides the evening festivities, was the tram ride to the highest peak in New Mexico—Sandia Peak. I am confident the new officers will continue the successful traditions of Kappa Psi.

—Mitchell Nagao

## Richard Morrison Doughty

**Richard Morrison Doughty (1921–2000) was the husband of Gloria Hartman Doughty and the son of the late James Clifford and Lilan Morrison Doughty of Sewickley, Pennsylvania. He was born in Sewickley in 1921 and graduated high school there in 1939. Dick earned a B.S. in secondary education in 1948 and a M. S. in botany in 1954 from the University of Pittsburgh. He pursued the Ph.D. in botany at Indiana University from 1958–1961.**

**During World War II, Dick served in the Army Medical Department in North Africa, Burma and India. He completed his college work upon discharge from the service. Dick was employed by the University of Pittsburgh School of Pharmacy as an instructor until 1951 when he joined the teaching staff at the University of Kentucky College of Pharmacy in Louisville. He moved to Lexington with the College of Pharmacy in 1957. Dick retired from the university as an associate professor in 1986.**

**His academic areas included pharmacognosy, the study of natural products and microbiology. During his tenure with the university, Dick was faculty advisor to the Upsilon chapter of Kappa Psi Pharmaceutical Fraternity and Grand Ritualist to the National Fraternity. He was later designated as the Grand Ritualist Emeritus of the Fraternity. He was a member, and the secretary and president of the University of Kentucky chapter of Sigma Psi, the research society of North America. He also served on that organization's national board of directors for three years. Dick was an active faculty member of Omicron Delta Kappa from 1980 until his retirement. He served as representative from the College of Pharmacy on the national board of directors of the University of Kentucky Alumni Association for six years. In 1968, Dick was appointed assistant to the dean for student/alumni affairs at the College of Pharmacy in which he supervised admissions to the college, student activities and alumni relations. In 1985, the College of Pharmacy presented Dick with the Distinguished Kentuckian in Pharmacy award.**

**Dick was an associate member and editor of the newsletter for the Blue Grass Pharmacists Association for several years. Dick was a member of and served as president and secretary (1989–1999 for the Burley Kiwanis Club. He served an unprecedented three terms as lieutenant governor, division 10 of the Kentucky/Tennessee district of Kiwanis (1987, 1989 and 1992). His greatest charitable interests were in the Head Start program during his tenure as lieutenant governor. He initiated the founding of the Kiwanis Head Start Center in Lexington. He was recognized as Volunteer of the Year by Community Action Lexington/Fayette County and the Southeast U.S. region of Head Start. He served on the "friends" committee of Head Start. Since 1990, Dick grew a beard each year so he could serve as Santa Claus to the Head Start centers, nursing homes and local hospitals.**

**Since retirement, Dick assisted his wife, Gloria, a consultant pharmacist in nursing home visitations. He is survived by his wife, four sisters, and 11 nieces and nephews in Florida, Louisiana and Pennsylvania.**

# Gamma Phi Celebrates

By **Beauman Dick**

## 50th Anniversary

Over the past 50 years, the Gamma Phi chapter became involved in almost every aspect of student life at the University of Georgia College of Pharmacy, from academics to philanthropy to social growth. It is only fitting, then, that the occasion of our anniversary be celebrated with a weekend equally as exciting and memorable.

The weekend began with a low-country boil at the Kappa Psi house. There we met with old friends and alumni and new brothers who had not yet had the opportunity to visit us on our home turf. Jeff Pettis, our very own Emeril, cooked up a good ole southern-style, low-country boil. For those of you not familiar with this, a low-country boil is where you boil shrimp, potatoes, corn and sausage in a seasoned boil in a large pot. After a lot of food and great socializing, we all headed to downtown Athens to enjoy the nightlife with Byron Brooks, our host for the evening.

Day two started with the Georgia Grad chapter and Province IV interim meetings at the University of Georgia College of Pharmacy. Among all of the business, Marjorie Showalter, Province IV satrap, presented to our supervisor, David Maszkiewicz, a gift for four years of superior service to our province. Indeed, many of the things that took place at our anniversary weekend activities could not have happened without his unending support. After the meetings, Don Piela and Patrick Ellis served a Wal-Mart-sponsored Sonny's BBQ lunch to fill our bellies with some of the best barbecue anywhere in

**Marjorie Showalter, Jeffrey Pettis, Stacey Mautner and Daniel Gorzyski have a good time at City Bar after the 50th Anniversary banquet.**

the county. Once again, we were afforded the opportunity to meet new brothers and learn about the evolution of our chapter from our alumni.

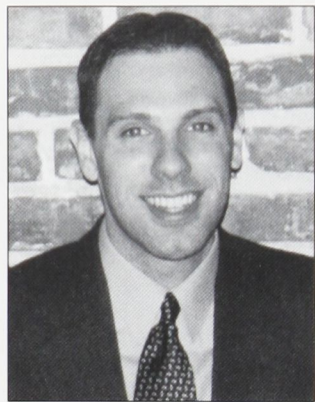

The weekend culminated with the golden anniversary banquet held at the Georgia Center for Continuing Education on UGA's campus. Dressed in our finest attire, we enjoyed a great feast and reacquainted ourselves with the people attending the anniversary. Our chapter and guests had the chance to hear from Marjorie Showalter, who presented the province and the attending national officers, David Maszkiewicz, Cameron Van Dyke and Tony Palmieri. We also enjoyed a spirited and humbling speech from brother Tony about the history of our chapter and the exciting future in store for us. In addition, he presented Beauman Dick with an old golden Kappa Psi lapel pin for his exemplification of brotherhood to the Fraternity, and he also presented to Shaun Blum, Gamma Phi Regent, the 50th anniversary plaque from the Alpha chapter. After pictures, we went to Athens to share one more night of fun before heading home the next day.

We would not only like to thank the brothers who helped make this possible, but to the many chapters of Province IV who supported us by helping celebrate this occasion. It is because of brothers like you that our chapter is as successful as it has been these past 50 years. We look forward to starting the second half of our centennial next fall with an outstanding pledge class, exciting social events (including Georgia Bulldog football) and fellowship with the rest of our province and Fraternity.

**Brothers Byron Brooks and Tim Stephens enjoy a harty low-country boil at the welcoming party Friday night.**

# Kappa Psi—Why Me, Why You?

**Kurt Wargo**

Kappa Psi Pharmaceutical Fraternity is a professional fraternity that demands many ideals to be upheld by its members. Among these are the four principles of Fellowship, Industry Sobriety, and High Ideals. By teaching these principles to its members, Kappa Psi helps professionalize pharmacy students so they can help advance the profession of pharmacy. Each one of these standards has contributed to molding me into the professional I am today, and will continue to have a strong presence within me as I make critical decisions as a health care professional.

The first principle, Fellowship, is an association of equal individuals with common interests. Spending three years as a Kappa Psi brother, I believe this to be the most important principle in holding the Fraternity together. I have seen our chapter come close to collapsing, yet bounce back remarkably. How could this happen? It is because this principle acts as the glue to hold the pieces together.

As regent of the Beta Nu chapter at Creighton University this past year, I incorporated fellowship into the everyday activities of Kappa Psi, because without it, there would be no brotherhood. I stressed to our members that we are all equals who have been selected to join this Fraternity to advance the profession of pharmacy. I did this both semesters of my regency by coming up with a list of goals for the semester. At the top of the list was to have fun. I feel that if one can relax, have fun and enjoy what they are doing, then everyone will benefit.

With the help of my brothers, I was able to do away with fining of members who failed to attend meetings or attend events and implement a more beneficial approach of rewarding those who did attend. We enacted a point system so that every event, community service activity and meeting had a predetermined point value. At the end of the semester, points were added up and rewards were dispersed. Prizes ranged from free dues for the semester to discounts on clothing items. This program was a great way to boost morale and promote fellowship. Thus, by

having a list of goals, everyone in the Fraternity can contribute to accomplishing them and, in the end, feel really good about their achievements for the semester. Therefore, through goal setting, we help to increase the morale and productivity of the fraternity.

This leads to the second principle of Kappa Psi: Industry. Industry involves the effort of a group of individuals

toward some useful purpose. As previously stated, the overall purpose of our Fraternity is to professionalize its members so they can contribute to the advancement of pharmacy practice. Throughout my three years, this principle has also proven to be one of utmost importance. Whether it is our community service activities, such as poison prevention, the Ronald McDonald House and highway cleanup, the annual golf tournament, or the pledging of new brothers, we have all contributed to the industriousness of the Fraternity. Having these tasks helps take our mind off the stresses of school and our personal lives, allowing us to contribute to society by giving back to the community. When we are health care professionals, having this experience will help us to not only care for individual patients or students of our own, but also for our community as a whole.

During my years as a Kappa Psi brother, I have been very industrious within the chapter. I have helped every year with poison prevention presentations and highway cleanups. I started a shadowing program for members who wanted to become officers in the future. In addition, through my leadership, I helped in doubling the size of our chapter this past year. Not only have I been industrious within the chapter, but I have also contributed a lot of time outside of Kappa Psi in hope of advancing pharmacy practice. I have assisted the Immanuel Drug Information Center in several studies to show the value of pharmacists. One of our studies showed that the hospital could save nearly half a million dollars annually through proper conversion of patients from intravenous drugs to their oral equivalents.

I was also a teaching assistant in Parenterals Lab, assisting students with the development of their aseptic technique, among other things. I have also assisted nurses by providing two separate in-service lectures on medications used to treat diabetes. And to continue my effort to advance the profession of pharmacy, I co-wrote a grant in an attempt to implement diabetes care centers in local pharmacies.

The third principle taught to all Kappa Psi brothers is Sobriety. This is a principle that is practiced daily by every one of our members, yet often gets overlooked because we may not know what it really means. In the context of our professional lives, the term sobriety refers to the ability to have temperance, moderation and seriousness. Kappa Psi teaches this principle because it is crucial to follow, in both our professional and personal lives, so as to avoid succumbing to burnout. The profession of pharmacy has a very high rate of burnout, where pharmacists simply begin to lose enjoyment in their every day activities. Kappa Psi acts as an outlet for its members, to have a place to go for help or relief when needed. We are taught to take our work seriously, yet have the proper temperament to know when to slow down.

Personally, I have found this to be a rather daunting task, one that is more of an acquired or learned principle. It can be difficult to maintain an equal balance between, school, work, my personal life, and Kappa Psi activities. I take my work, my career, and personal life very seriously. Each year, I feel that I have improved in moderating the amount of involvement I have in all. However, things constantly change in one's life, so it is key to try to find a happy medium between all the facets. For example, this past year I have been planning a wedding with my fiancée, which requires a lot of time. However, I have managed to find time for my brothers here at Creighton, but also the brothers in our region. I have attended the last four conclaves and have helped our chapter become linked to the other chapters through a list-server allowing for communication between all the schools of our region. Thus, I have been able to moderate time between my personal and professional lives, which is often difficult.

The fourth and final principle taught to all Kappa Psi members is High-Ideals. This is a principle that teaches us to always strive to be the best that we possibly can, in both our professional and personal lives. Kappa Psi teaches us to accomplish this through goal setting, and revising those goals once they have been achieved.

This is a very important principle that has been taught to me as a Kappa Psi brother. Not only have I set goals for our chapter, but I have also continued to set goals for myself, every semester, since coming to Creighton. Some goals I have set and accomplished here at Creighton have been to maintain an excellent GPA, to become class president, to win the student government leadership award, to be recognized by my peers as a leader by being inducted into the national leadership fraternity Phi Lambda Sigma, to become the leader of our great Fraternity, to give back to the community through various service activities, and most importantly, to earn the respect of my fellow students, brothers and faculty members.

It is believed that if we uphold each of the principles taught to us through becoming members of Kappa Psi, in both our professional and personal lives, we will have met the ideals of Kappa Psi and will have helped with the advancement of the profession of pharmacy. I believe that through the above examples, I have begun to do my part in advancing the profession and hope to continue to do so.

Our chapter is going through an exciting time. We are examining ways to change so as to incorporate the asynchronous students into the brotherhood. In addition, we will be hosting the Province VIII Conclave in spring 2002, which requires a lot of planning and involvement from all of the brothers. I am confident in the new leaders of the fraternity and I know I will be an integral part of these activities during my fourth year of school. I look forward to continuing to help our chapter's fund-raising and community service campaigns. I also look forward to continuing to be a leader in our Fraternity, both while I am on clerkships and beyond. Everyday, I thank the Lord for helping me make the decision to become a Kappa Psi brother. This choice has allowed me to grow both personally and professionally.

Kurt A. Wargo,  
Creighton University, Beta Nu chapter

Samuel J. Chiodo (Eta) published a book titled *Thirty Twice Tiny Tales of Terror*—check it out at [www.xlibris.com](http://www.xlibris.com).

Dominic A. Solimando (Eta) is the recipient of the A.Ph.A. Academy of Pharmacy Practice and Management Distinguished Achievement Award in Hospital and Institutional Practice.

A. Jeffrey Newell (Beta Epsilon) has been awarded the Wyeth-Ayerst Bowl of Hygeia Award.

Edmund Kietzer (Chi) recently retired after 50 years as a pharmacist.

Robert Lenhart (Delta Beta) is in charge of the Mercy Hospital outpatient pharmacy in Oklahoma City.

James Trovato (Nu) is an assistant professor at the School of Pharmacy at the University of Maryland.

John Oftebro (Beta Pi) is the president of Kelly-Ross Pharmacies.

Ralph V. Foster (Xi) retired from The Ohio State University School of Pharmacy.

Charles R. Brading (Gamma Delta) is a state representative in the Ohio legislature.

James Hatfield (Gamma Omicron) is the project director of KcKesson Med-Management.

Dennis Bieryla (Pocono Grad) is the director of pharmacy at the VA Medical Center in Wilkes-Barre, Pennsylvania.

Fred S. Brinkley (Gamma Gamma), vice president of Professional Affairs for Merck Medico, was named Texas Pharmacist of the Year for 2000.

Karl Kehrle (Beta Epsilon) is an executive sales representative for Eli Lilly and Company.

Kayla Kosel (Beta Omicron) is a pharmacy consultant in Seattle, Washington.

Scott C. Brower (Pi), BCNP, is a nuclear pharmacist in Columbia, Missouri.

Roger L. Wheat (Beta Kappa) is a pharmacy manager for Eckerd Drug.

Allen Feris (Seattle Grad) is C.O.O. of the Datsol Group, Inc.

R. Lee Evans (Gamma Phi) is the dean of the School of Pharmacy at Auburn University.

Rory Rimmel (Beta Omicron) is a professor of Medicinal Chemistry at the University of Minnesota.

James E. Wright (Iota) is a fellow in the Academy of General Dentistry.

Trevor D. Glenn (Beta Omega) is assistant dean for academic affairs and the University of California-San Francisco-Fresno Medical Education Program.

James W. Ferrel (Gamma Pi) was inducted into the 50-year Alumni Gold Club at the St. Louis College of Pharmacy.

Flynn Warren (Gamma Phi) is the second vice president of the Georgia Pharmacy Association.

Kenneth L. Meyer (Beta Psi) is a colonel in the U.S. Air Force.

Leo Blais (Beta Epsilon) is a state senator from Rhode Island.

Michael A. Jackson (Delta Iota) is the executive vice president of the Florida Pharmacy Association.

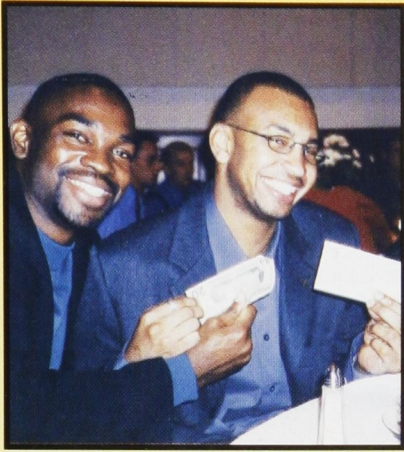

Michael J. Seifert (Beta Chi) is on the Iowa State Board of Pharmacy.

Maurice Goulet (Mu) is a state representative in the New Hampshire legislature.

Holly L. Mason (Beta Psi), associate dean at Purdue University School of Pharmacy, has been named as the 2001 Distinguished Pharmacy Educator by the American Association of Colleges of Pharmacy.

Reynaldo "Rey" P. Moreno (Gamma Gamma) has been elected president of the Texas Pharmacy Association for 2001.

Dave Mason (Gamma Omicron) has been recognized as a fellow of the International Academy of Compounding Pharmacists.
