## Hallo Laserdisc- und DVD-Fans, liebe Filmfreunde!

Herzlich willkommen zur ersten Frühlingsausgabe unseres Newsletters in diesem Jahr. Obwohl wir wissen, dass auch Filmfreaks gerne die ersten warmen Tage im Jahr lieber im Freien als im abgeschotteten Heimkino genießen, haben wir uns auf das Wagnis eingelassen, dem Umfang des Newsletters auf ganze 78 Seiten aufzublähen. Es gibt also reichlich Lesestoff – schönes Wetter hin oder her. Das hat natürlich seinen Grund. Denn das "Widescreen Weekend" in Bradford und die sich daran anschließenden "Fantasy Filmfest Nights" in Stuttgart hatten uns voll in Beschlag genommen, so dass wir mit dieser Ausgabe des Newsletters wieder einmal ein bisschen in Verzug geraten sind. Das wiederum bedeutet, dass sich während dieser Zeit weitaus mehr Daten in unsere Datenbank geschlichen haben als sonst

üblich. Da wir unseren Lesern selbstverständlich keine Daten vorenthalten wollen, haben wir diese komplett in diese Ausgabe gequetscht. Damit das Ganze nicht noch vollkommen aus dem Ruder läuft, haben wir auf eine grafische Ausgestaltung fast vollkommen verzichtet. Hierfür bitten wir um Ihr Verständnis.

Nicht verzichtet haben wir auf Wolfram Hannemanns Film-Blog, in dem Sie ab Seite 3 erfahren können, welche Filme es sich eventuell im Kino anzuschauen lohnt. Und damit nicht genug. Ab Seite 26 berichtet unser Film-Blogger über die während der "Fantasy Filmfest Nights" gezeigten Filme. Diese werden es in den meisten Fällen leider nicht in deutsche Lichtspielhäuser schaffen, sondern werden direkt auf DVD bzw. Blu-ray Disc veröffentlicht.

Einige von Ihnen werden sich nach

Lektüre des Newsletters vermutlich fragen, ob Anna nicht mehr mit Hollywood spricht. Klare Antwort: doch, unsere Kolumnistin wird demnächst wieder mit an Bord sein. Bei Fertigstellung der aktuellen Ausgabe des Newsletters befand sich Anna schon längst auf dem Weg ins tschechische Krnov, wo jedes Jahr alte Filme im grandiosen 70mm-Format gezeigt werden. Da wir mit der Veröffentlichung dieser Ausgabe nicht warten wollten, bis Anna wieder im Lande ist, haben wir ihr "schreibfrei" gegeben – natürlich in der Hoffnung, in der nächsten Kolumne Spannendes über das Festival in Krnov zu erfahren!

So, jetzt aber genug des "Vorspiels" – es warten ja schließlich noch weitere 76 Seiten auf Sie!

**Ihr Laser Hotline Team**

### Leben und Sterben auf der Rennstrecke

Meine prall gefüllte Filmwoche eröffnete eine imposante Dokumentation über einen charismatischen Rennfahrer.

**SENNA** (1:1.85, DD 5.1)

OT: Senna

Verleih: Universal

Land/Jahr: Großbritannien 2010

Regie: Asif Kapadia

Darsteller: Ayrton Senna, Alain Prost, Frank Williams

Kinostart: 12.05.2011

Helmut Zwickl, Formel-1-Journalist bei "Motorsport Aktuell", bezeichnete ihn als den "endgültigen Rennfahrer". Der Brasilianer Ayrton Senna erlebt in den achtziger Jahren einen kometenhaften Aufstieg als Formel-1-Pilot – und das mit gerade einmal 24 Jahren. Sein Motto war "Wenn Du etwas machst, dann richtig, denn sonst kannst Du es auch bleiben lassen!". Was ihn von allen anderen Formel-1-Fahrern unterscheidet, ist sein tief verwurzelter Glaube und sein Sportsgeist. Denn mit der ganzen Politik, die als Begleiterscheinung beim Motorsport auftaucht, will er nichts zu tun haben. Ihm geht es ausschließlich um den Sport als solchen. Seine Rivalität mit dem alteingesessenen Franzosen Alain Prost schreibt Geschichte. Senna gewinnt mehrfach den Grand Prix. Doch im Alter von 34 Jahren stirbt Senna, der für das überwiegend verarmte Brasilien inzwischen zu einem Symbol der Hoffnung wurde, bei einem tragischen Unfall auf der Rennstrecke. Asif Kapadias Dokumentarfilm porträtiert den außergewöhnlichen Fahrer vom Beginn seiner Karriere bis zu seinem viel zu frühen Tod. Verwendet wird dabei ausschließlich authentisches Archivmaterial. Sogar Privatvideos der Familie Senna, die den Film überhaupt erst möglich machte, werden integriert. Dass Kapadias Film trotzdem nicht eine sterile Dokumentation im herkömmlichen Sinn bleibt, liegt zum Einen am Sounddesign des Films, das recht spektakulär eingesetzt wird, zum Anderen an der Filmmusik von Antonio Pinto (**CITY OF GOD**), die die emotionale Ebene des Films hervorragend trifft. Auch wenn man sich nicht für Motorsport interessiert, so wird man sich der Persönlichkeit des Ayrton Senna bei diesem Film nicht entziehen können. Der Regisseur über seinen Film: "Wir wollten einen Film über das Rennfahren, über eine große Persönlichkeit, drehen. Also habe ich einen Spielfilm mit nicht professionellen Schauspielern inszeniert."

### Der Soldat in der Endlosschleife

Das herrliche Wetter außerhalb des Kinos entschädigte für die heute nicht so optimale Filmkost.

**SOURCE CODE** (1:1.85, DD 5.1)

OT: Source Code

Verleih: Kinowelt

Land/Jahr: USA 2011

Regie: Duncan Jones

Darsteller: Jake Gyllenhaal, Michelle Monaghan, Vera Farmiga

Kinostart: 02.06.2011

Ein Zug bewegt sich auf Chicago zu. Plötzlich gibt es eine riesige Explosion – ein Terroranschlag! Gerade in dem Moment, als alles explodiert, wird Elite-Soldat Colter Stevens aus seinem Traum gerissen. Oder war es gar kein Traum? Colter befindet sich in einer dunklen, abgeschotteten Kammer und empfängt Befehle via Bildschirm. Wo ist er? Wer erteilt ihm die Befehle? Erst nach und nach kommt Licht in das Dunkel und Colter beginnt zu verstehen. Dank modernster Technologie kann er immer wieder die letzten acht Minuten vor der Explosion an Bord des Zuges miterleben. Seine Aufgabe: er muss den Bombenleger finden, da dieser sonst ein noch größeres Attentat inszeniert... Die Idee ist nicht wirklich neu, haben sich doch längst schon andere Filme mit parallelen Welten, mit Reisen in die Vergangenheit oder mit der Beeinflussung der Zukunft beschäftigt. Es gibt daher auch kaum Überraschungen in diesem Sci-Fi-Thriller, der schon nach kur-

zer Zeit zu Wiederholungen greift. Hier läuft alles sozusagen in einer Endlosschleife – leichte Abweichungen inbegriffen. Nebst der sich allmählich einstellenden Langeweile spart der Film leider auch nicht mit einem typischen Hollywood-Ende, welches die entstandene Romanze, die zu scheitern drohte, in ein Happy End umwandelt. Nur bedingt empfehlenswerte Action-Kost.

**PASSIONE!** (1:1.85, DD 5.1)

OT: Passione!

Verleih: MFA (24 Bilder)

Land/Jahr: Italien 2010

Regie: John Turturro

Darsteller: Massimo Ranieri, Pietra Montecorvino, Lina Sastri

Kinostart: 07.04.2011

Eigentlich kennt man ihn nur als Schauspieler, der sich insbesondere in den Filmen der Coen-Brüder einen Namen gemacht hat: John Turturro. Doch in **PASSIONE**, der er selbst inszeniert hat, kehrt der gebürtige Italiener zu seinen Wurzeln zurück und lädt den Zuschauer auf eine musikalische Reise durch seine Heimatstadt Neapel ein. Turturro präsentiert ein Sammelsurium an lokalen Musikgrößen, die er meist in malerischen Hinterhöfen auftreten lässt. Manche lässt er sogar auch ein bisschen etwas über die reiche Musikgeschichte der Stadt erzählen. Für Liebhaber italienischer Folklore sicherlich lohnenswert, dürfte der Film allerdings für das breite Publikum nur schwer zugänglich sein – Turturros Liebe zu Neapel hin oder her. Zu allem Überfluss wurde uns der Film auch noch in schlechter DVD-Qualität präsentiert.

### Harte Girls und nerdige Nerds

Endlich mal wieder ein Double-Feature nach meinem Geschmack: zuerst satte Frauenpower, danach Filmzitate satt.

**ROLLER GIRL** (1:2.35, DD 5.1)

OT: Whip It

Verleih: Senator

Land/Jahr: USA 2009

Regie: Drew Barrymore

Darsteller: Ellen Page, Marcia Gay Harden, Eulala Scheel, Juliette Lewis

Kinostart: ohne Termin

Bliss ist gerade mal siebzehn Jahre alt, geht noch zur Schule und jobbt als Kellnerin in einem Fast Food Restaurant. Ihre Mutter will natürlich nur ihr Bestes. So schleppt sie das Mädchen von einem Schönheitswettbewerb zum nächsten, stets in der Hoffnung, dass es ihr Töchterchen einmal

# Wolfram Hannemanns

zu etwas bringen wird. Fehlanzeige. Bliss rasselt durch jeden Wettbewerb. Kein Wunder: sie macht den ganzen Blödsinn nur ihrer Mutter zuliebe mit. Als Bliss eines abends zusammen mit Freundin und Kollegin Pash heimlich einen Ausflug nach Austin macht, entdeckt sie ihre wahre Leidenschaft: das Rollerderby. Schon bald wird sie bei den "Hurl Scouts" aufgenommen, einer der lokalen Mädchencliquen, die sich dem harten Sport auf Rollschuhen verschrieben haben, und avanciert als "Babe Ruthless" zu deren neuem Star. Der Konflikt mit ihrer Mutter ist vorprogrammiert... In ihrem Regiedebüt widmet sich Schauspielerin Drew Barrymore der interessanten Frage nach dem Selbst. Ihre Coming-of-Age-Geschichte ähnelt darin sehr jenen Filmen, mit denen sich John Hughes in den achtziger Jahren den Problemen der Jugendlichen angenommen hat. Und Miss Barrymores Film steht diesen Filmen in nichts nach. So muss sich Bliss bei ihrer Suche nach sich selbst nicht nur mit ihrer alles bestimmenden Mutter auseinandersetzen und ihren alles hinunterschluckenden Vater aus der Reserve locken, sondern auch ihre erste Liebe überstehen. Ellen Page, seit **HARD CANDY** auf Teenager-Rollen gebucht, obwohl sie schon älter als 20 ist, brilliert ein weiteres Mal als ein Mädchen, das sich aus dem spießigen Leben befreien muss, in das sie ihre Eltern gesteckt haben. Der harte, sehr ruppige Rollersport, bei dem mit ganzem Körpereinsatz um Punkte gekämpft wird, ist das genaue Gegenteil zu ihrem spießigen Elternhaus. Hier sind Miniröcke, Hot Pants und Netzstrümpfe und neckische Tattoos Trumpf! Für Schauwerte ist in Barrymores Film wahrhaftig gesorgt – nicht nur der flippigen Outfits wegen. Denn auch die Fights in der Rollerarena sind fulminant inszeniert und machen großen Spaß. Neben Ellen Page überzeugen auch die anderen Darsteller, darunter Juliette Lewis als Bliss' große Konkurrentin Iron Maven und Marcia Gay Harden als Bliss' Mutter. Sehenwert.

### PAUL – EIN ALIEN AUF DER FLUCHT

(1:2.35, DD 5.1)

OT: Paul

Verleih: Universal

Land/Jahr: Großbritannien 2011

Regie: Greg Mottola

Darsteller: Nick Frost, Simon Pegg, Sigourney Weaver

Kinostart: 14.04.2011

Graeme und Clive sind Sci-Fi-Nerds wie sie im Buche stehen. Ihren Besuch auf einer Comic-Con in den USA nutzen die

beiden Briten zu einer "Alien"-Tour. Mit dem Wohnmobil wollen sie alle bekannten Alien-Punkte wie Area 51, Roswell usw. bereisen. Unterwegs haben die besten Freunde dann wahrhaftig eine Begegnung der dritten Art: sie gabeln einen echten Außerirdischen auf! Und der entpuppt sich als ein ziemlich aufgewecktes Kerlchen, das nicht nur ihre Sprache perfekt beherrscht, äußerlich aussieht wie E.T., tote Vögel wiederbeleben kann und sich Paul nennt, sondern das sich darüber hinaus auch noch auf der Flucht vor unliebsamen Häschern befindet. Nach einigem Hin und Her beschließen die Nerds, ihrem Paul zu helfen... Bereits in **SHAUN OF THE DEAD** und **HOT FUZZ** waren sie ein hervorragendes Team: Nick Frost und Simon Pegg zollen nach den Hommagen an Horror- und Action-Filmen jetzt mit **PAUL** den Science-Fiction-Filmen der siebziger und achtziger Jahren ihren Respekt. So lassen sich in ihrem neuesten Werk wieder einmal unzählige Filmzitate finden, die von **UNHEIMLICHE BEGEGNUNG DER DRITTEN ART** über **STAR WARS** bis hin zu E.T. reichen. Sogar Anspielungen auf die **X-FILES** sind vorhanden. Diese Insider-Gags sind natürlich nur von Kennern des Genres erkennbar, weshalb der Film natürlich auch genügend andere Gags präsentiert, damit auch nicht Eingeweihte (oder Nerds) etwas zum Lachen haben. Letztere Gags jedoch reichen an die Qualität der vielen Referenzen leider nicht heran und könnten dem normalen Publikum dadurch den Spaß etwas verderben. Ich für meinen Teil hatte

großen Spaß. Wenn Paul in einer Rückblende im Jahre 1980 in einer riesigen Lagerhalle voller verschlossener Kisten sitzt und mit Steven Spielberg telefoniert, der sehr an Pauls heilenden Kräften interessiert ist, dann dürfte jedem Filmfan ein ganz breites Schmunzeln in sein Gesicht gezaubert werden, während wohlige Schauer über seinen Rücken jagen.

### Cool und skurril

Ein Wechselbad der Gefühle – zwei Filme, zwei Welten.

### OHNE LIMIT (1:2.35, DD 5.1)

OT: Limitless

Verleih: Concorde

Land/Jahr: USA 2011

Regie: Neil Burger

Darsteller: Bradley Cooper, Abbie Cornish, Robert De Niro

Kinostart: 14.04.2011

Eddie Morra leidet an einer Schreibblockade. Schlecht für einen Autor, der bereits einen Vertrag für ein Buch in der Tasche hat. Aber auch sonst befindet sich Eddie nicht gerade auf der Überholspur. Seine Freundin Lindy trennt sich von ihm und mit seiner Ex ist es sowieso schon lange vorbei. Da läuft ihm zufällig sein Ex-Schwager über den Weg und macht ihm ein Angebot: Eddie soll für ihn eine neue Wunderpille verkaufen. Alles ganz legal – angeblich. Bevor Eddie sich auf das Angebot einlässt, unternimmt er einen Selbst-

versuch mit der kleinen schicken Tablette. Und siehe da: plötzlich ist Eddie ganz oben. Denn die Wunderpille bewirkt, dass nicht nur 20 Prozent des Gehirns genutzt werden, sondern jede kleinste Synapse, die unter der Schädeldecke existiert. Eddie schreibt sein Buch binnen kürzester Zeit und hat trotzdem noch jede Menge Energie übrig. Logisch dass er jetzt mehr davon will. Doch er findet seinen Ex-Schwager tot auf und kann sich schnell noch dessen heimlichen Vorrat an Pillen krallen... Einen derart schwindelerregenden Einstieg in einen Film hat man seit Jahren nicht mehr gesehen! Da zoomt die Kamera dank modernster Digitaltechnik von der Spitze des Hochhauses in irrwitzigem Tempo auf die Straße nach unten und dann immer weiter geradeaus. Diese schier unendlich lange und genauso schnelle Kamerafahrt symbolisiert besonders schön Eddies Leben auf der Überholspur, das aufregend und tödlich zugleich zu sein scheint. Die Bildgestaltung überzeugt auch in den jetzt folgenden 105 Minuten und gibt stets klar zu erkennen, ob Eddie unter Drogeneinfluss steht oder nicht. Um seinen Drogenkonsum herum entwickeln die Filmemacher eine spannende Story, die in ein genreübliches Blutbad mündet und immer nur eines sein möchte: cool. Wem actionreiches Kino mit technischer Raffinesse liegt und sich weniger um Authentizität schert, dem sei **OHNE LIT** grenzenlos empfohlen.

### **BIBLIOTHEQUE PASCAL** (1:1.85, DD 5.1)

OT: Bibliotheque Pascal  
Verleih: Camino  
Land/Jahr: Ungarn, Deutschland, Großbritannien 2010  
Regie: Szabolcs Hajdú  
Darsteller: Orsolya Török-Illyés, Andi Vasluianu, Shamgar Amram  
Kinostart: 12.05.2011

Die junge Mona möchte das Sorgerecht für ihre kleine Tochter wieder erlangen und muss deshalb beim Jugendamt vorsprechen. Dort erzählt sie ihre Geschichte, die genauso surreal wie skurril anmutet. Der Mann, der sie geschwängert hat, war ein gesuchter Ganove, der nach der gemeinsamen Liebesnacht von der Polizei erschossen wurde. Weil sie ihren kranken Vater nach Deutschland begleiten soll, gibt sie drei Jahre später ihre Tochter in die Obhut ihrer Tante, einer Wahrsagerin. Doch kaum am Wiener Bahnhof angekommen, muss Mona feststellen, dass ihr Vater sie an Mädchenhändler verkauft hat. Mona landet in einem Luxusbordell in Liverpool... Wenn es in diesem Film um Frauenhandel mit osteuro-

päischen Mädchen geht, dann fährt der Regisseur hier ziemlich schwere Geschütze auf, um sein Anliegen zu verschleiern. Ein Film, bei dem ich leider passen muss, da sich mir seine Botschaft – sofern vorhanden – nicht erschlossen hat. Ein klarer Fall von Kunstfilm, der zwar mit teils betörend schönen Bildern aufwarten kann, mir aber trotzdem keine Lust auf eine Zweitsichtung macht. Glücklicherweise, dem's gefällt.

### **Der Schöne wird zum Biest**

Das Wochenende naht. Zum Ausklang gab's noch zwei Filme, die eigentlich nicht weiter erwähnenswert sind. Aber ich möchte meinen Lesern ja nichts vorenthalten...

### **MITTEN IM STURM** (1:1.85, DD 5.1)

OT: Within The Whirlwind  
Verleih: NFP (Warner)  
Land/Jahr: Deutschland, Belgien, Frankreich, Polen 2009  
Regie: Marleen Gorris  
Darsteller: Emily Watson, Pam Ferris, Ben Miller  
Kinostart: 05.05.2011

Die Sowjetunion im Jahre 1937: der Universitätsprofessorin Eugenia Ginzburg werden staatsfeindliche Aktivitäten unterstellt und sie gerät in die erbarmungslosen Mühlen des Staatsapparates. Obgleich unschuldig wird sie vom Gericht schuldig gesprochen und wird fern von ihrem Ehemann und den beiden Kindern in ein sibirisches Straflager deportiert. Jahre der Demütigungen in eisiger Kälte beginnen für Eugenia. Erst durch die Begegnung mit dem deutschen Arzt Anton Walter gibt ihr wieder Hoffnung... Ich habe mich nach diesem Film so gefühlt, als ob ich die zehn Jahre Straflager hinter mich gebracht hätte! Damit soll nicht zum Ausdruck gebracht werden, dass der Film derart fesselnd und realistisch ist, dass man die Wirklichkeit vergisst. Ganz im Gegenteil: dieser Film ist verdammt zäh und lässt keine Gelegenheit, sich in Klischees zu baden. Auch wenn sich die Geschichte, auf der der Film basiert, tatsächlich so zugetragen hat, erscheint sie dem geübten Betrachter als eine Art "Doktor Schiwago" für arme Leute. Wobei letztgenannter Film wirklich Eindruck hinterlässt!

### **BEASTLY** (1:2.35, DD 5.1)

OT: Beastly  
Verleih: Concorde  
Land/Jahr: USA 2011  
Regie: Daniel Barnz  
Darsteller: Vanessa Anne Hudgens, Alex Pettyfer, Mary-Kate Olsen

Kinostart: 07.04.2011

Kyle Kingson, ein blonder Schnösel aus reichem Hause, ist der Star an seiner Highschool. Sein gutes Aussehen erlaubt es ihm, arrogant zu sein und auf andere herabzuschauen. So demütigt er das Gothgirl Kendra in aller Öffentlichkeit. Doch Kendra besitzt magische Kräfte und beschließt, dem schönen Kyle eine Lektion zu erteilen. Und siehe da: in Sekundenschnelle wird aus dem Schönling ein hässlicher Skinhead. Findet Kyle innerhalb eines Jahres Mädchen, das ihn um seiner selbst liebt, wird er sein gutes Aussehen wieder zurückbekommen. Andernfalls wird er für immer entstellt sein. Mit einem blinden Coach und einem Hausmädchen an der Seite verkriecht sich Kyle in einer Stadtwohnung. Schon bald wirft er ein Auge auf die hübsche Lindy. Doch wie kann er ihre Liebe gewinnen? Das altbekannte "Schöne und das Biest"-Motiv wird hier mit modernem Upgrade als Teeny-Romanze vermarktet. Alles läuft nach Schema ab und bleibt stets keusch. Höhepunkte oder Überraschungen gibt es nicht. Das Ende steht von Anfang an fest – leider. Denn wieder wurde die Chance vertan, dass der entstellte Held nach dem In-letzter-Minute-Liebesgeständnis seiner Freundin weiterhin entstellt bleibt und damit die wahre Liebe besiegelt wäre. So löst sich aber eben alles wieder in gutaussehendem Wohlgefallen auf und da sie nicht gestorben sind, gibt's vielleicht sogar noch eine Fortsetzung. Gott bewahre!

### **Im Inneren der Höhle**

Nicht jeder Film, bei dem Erfolgsgarant James Cameron als Produzent fungiert, muss auch gut sein. Den Beweis lieferte der heutige Film.

### **SANCTUM** (1:1.85, 3D, DD 5.1)

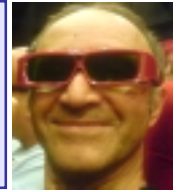

OT: Sanctum  
Verleih: Constantin  
Land/Jahr: USA 2011  
Regie: Alister Grierson  
Darsteller: Richard Roxburgh, Rhys Wakefield, Alice Parkinson  
Kinostart: 21.04.2011

An diesem Abenteuerfilm stört nicht nur

## Film-Blog

die Tatsache, dass sich die Höhlentaucher äußerst unprofessionell verhalten (eine Flasche Tequila wird mit nach unten genommen!), sondern auch die auf Klischees beruhende Geschichte. Hier geht es um den üblichen Vater-Sohn-Konflikt, den erst die unendlichen Weiten der Höhle werden lösen können. Hinzu kommen noch die genrebedingten "Bad Guys", die immer dann durchdrehen, wenn es die Situation am allerwenigsten gebrauchen kann. Auch wenn ein Titel zu Beginn des Films darauf hinweist, dass es sich um eine wahre Geschichte handelt, wird man den Eindruck nicht los, dass die Filmemacher versucht haben, ihre flache Geschichte mit der eingesetzten 3D-Technik mehr Tiefe zu verleihen. Dieser Versuch scheitert natürlich, denn wenn die Geschichte nicht stimmt, dann interessiert auch die Technik nicht. Wer einen richtig guten Film zum Thema Höhlenwanderung sehen möchte, dem sei einmal mehr Neil Marshalls **THE DESCENT** empfohlen. Denn trotz flacher 2D-Technik vermag es sein Film, Klaustrophobie wirklich spürbar zu machen.

### Familienbande

Am letzten Tag vor der Abreise nach Bradford gab es noch einmal französisches Autorenkino mit hervorragenden Darstellern.

### BARFUSS AUF NACKTSCHNECKEN

(1:1.85, DD 5.1)

OT: Pieds Nus Sur Les Limaces

Verleih: Alamode (Filmagentinnen)

Land/Jahr: Frankreich 2010

Regie: Fabienne Berthaud

Darsteller: Diane Kruger, Ludivine Sagnier, Denis Menochet

Kinostart: 05.05.2011

Außenstehende würden sie als verrückt bezeichnen. Denn die junge Lily lebt in ihrer ganz eigenen kleinen Welt. Zusammen mit ihrer Mutter bewohnt sie ein Landhaus irgendwo in Frankreich. Als ihre Mutter jedoch eines Tages ganz plötzlich stirbt, ist es an ihrer älteren Schwester Clara, sich um Lily zu kümmern. Das ist nicht so einfach, denn Clara lebt in der Stadt, ist mit einem Anwalt verheiratet und in derselben Kanzlei angestellt. Die immer skurriler werdenden Eskapaden ihrer Schwester jedoch zwingen Clara dazu, sich eine Auszeit zu nehmen und bei Lily zu wohnen. Im Laufe der Zeit merkt sie, dass Lily sie genauso sehr braucht wie sie Lily... Fabienne Berthaud kommentiert ihren Film so: "Sind die Zwänge unserer Erziehung, die Werte,

die man uns einbläut – Geld, materieller Wohlstand, Erfolg im Beruf, Vernunft in Herzensangelegenheiten usw. - nicht allzu oft Schuld an unserem Unglück?" Tatsächlich ist es die "verrückte" Lily, die ganz im Hier und Jetzt lebt, das Leben genießt, kein Blatt vor den Mund nimmt und im Einklang mit der Natur und den Tieren existiert. Ihre Andersartigkeit wird von der sie umgebenden Gesellschaft als Krankheit angesehen, weil sie nicht den von jener Gesellschaft selbst auferlegten Normen genügt.

Berthauds Film ist als ein Plädoyer zu verstehen, das allzu kurze Leben in vollen Zügen zu genießen. Mit Diane Kruger als Clara und Ludivine Sagnier als Lily hat Berthaud zwei wunderbare Darstellerinnen gefunden, die ihren Rollen in jeder Sekunde gerecht werden. War Frau Kruger dem deutschen Publikum bislang nur in minderwertigen Rollen wahrgenommen worden, so darf sie in diesem Film jetzt endlich einmal zeigen, was tatsächlich in ihr steckt.

Ludivine Sagnier meistert den Spagat zwischen entwaffnender Unschuld und kindlicher Naivität, ohne dabei jemals lächerlich zu wirken und es gelingt ihr sogar, dass man beginnt, sich als Zuschauer um ihr Wohlergehen Sorgen zu machen. Wenn ein Kritikpunkt bei diesem Film anzubringen wäre, dann seine Spielzeit. 20 Minuten weniger und das Werk wäre perfekt.

### Angst vorm Fliegen

Nach einem vollen Wochenendprogramm auf superbreiter Leinwand in britischen Bradford kam mir die heutige Leinwand verschwindend klein vor...

### RIO (1:2.35, 3D, DD 5.1)

OT: Rio

Verleih: Fox

Land/Jahr: USA 2011

Regie: Carlos Saldanha

Kinostart: 07.04.2011

Weil er im Kükenalter in Brasilien eingefangen wurde und im hohen Norden bei der Buchhändlerin Linda aufwächst, hat der blaue Ara Blu nie Fliegen gelernt. Als eines Tages der Ornithologe Tulio im Buchladen auftaucht und sagt, dass Blu und sein weibliches Pendant Jewel die Letzten ihrer Art sind, machen sich die drei gemeinsam auf die Reise nach Rio de Janeiro, um dort Blu mit Jewel zusammenzubringen. Doch bald schon geraten Blu und Jewel in die Hände von Papageiensmugglern. Zu dumm, dass Blu nicht fliegen kann... Der per Computer animierte 3D-Film von den Machern von **ICE AGE** bleibt leider relativ oberflächlich und vermag daher kaum mit

seinen Charakteren zu punkten. Gefühle bleiben dabei außen vor, wodurch der Film die emotionale Ebene fast komplett einbüßt. Die Ausstattung und Kameraarbeit indes sind sehr gelungen, speziell in der Eröffnungs- und Schlusssequenz, wenn der ganze brasilianische Dschungel singt und tanzt. Die Musik von John Powell erinnert stellenweise an seinen Oscar-nominierten Score zu **DRACHENZÄHMEN LEICHT GEMACHT**, erreicht jedoch nie dessen Wucht. Fazit: ein Trickfilm ohne besondere Note, den man nicht unbedingt gesehen haben muss.

### Tschernobyl 2.0

Manche Filme erhalten ungewollt brandaktuellen Bezug...

### AN EINEM SAMSTAG (1:2.35, DD 5.1)

OT: V Subbotu

Verleih: NFP (Warner)

Land/Jahr: Russland, Deutschland, Ukraine 2011

Regie: Alexander Mindadze

Darsteller: Anton Shagin, Svetlana

Smirnova-Martsinkievich, Stanislav

Rjadinskij

Kinostart: 21.04.2011

Es ist Samstag, der 26. April 1986. Ein kleiner Ort in unmittelbarer Nähe zum Atomkraftwerk Tschernobyl. Es gab eine Explosion. Der junge Parteifunktionär Valerij erfährt an Ort und Stelle, dass eine gewaltige Katastrophe in Gang ist – auch wenn die Parteiführung abwiegelt. Hastig versucht Valerij zusammen mit einer Freundin einen Zug zu erreichen, um das verseuchte Gebiet zu verlassen. Doch der Absatz ihres Schuhs bricht ab. Die Flucht aus dem Katastrophengebiet misslingt. Und Valerij ist zum Schweigen verurteilt – er darf die Anderen nicht warnen. Ein ansonsten ganz normaler Samstag nimmt skurrile und verzweifelte Züge an... Extreme Großaufnahmen und verwackelte Bilder dominieren Alexander Mindadzes Spielfilm zum 25. Jahrestag der größten Umweltkatastrophe der Menschheit und erhält durch die Vorfälle in Japan ungewollt aktuellen Bezug. Die Protagonisten sind hin und her gerissen zwischen Verzweiflung und vollkommener Ungläubigkeit im Angesicht des Reaktorunfalls. Es ist der Tag des jüngsten Gerichts. Schnell will man sich noch aussöhnen und eine möglichst schöne Restzeit verbringen – mit Saufen, Tanzen, Musik machen. Mehrfach versucht Valerij vom Ort des Schreckens zu entkommen, doch es will ihm nicht gelingen. Letztendlich hält ihn die Angst vor dem Alleinsein

# Wolfram Hannemanns Film-Blog

ab, seinen Plan in die Realität umzusetzen. Alexander Mindadzes Film macht zwar stellenweise betroffen, doch kann er bedingt durch seinen extremen Erzählstil den Zuschauer nicht bis zum Ende an sich fesseln.

## Noch nicht ganz ausgereift

Die heutige Vorführung warf wieder einmal die Frage auf, warum ein Filmverleih einen noch nicht vollendeten Film der Presse präsentiert...

### JOSCHKA UND HERR FISCHER

(1:1.85, DD 5.1)

Verleih: X Verleih (Warner)

Land/Jahr: Deutschland, Schweiz 2011

Regie: Pepe Danquart

Kinostart: 19.05.2011

In seinem fast zweinhalbstündigen Dokumentarfilm lässt Regisseur Pepe Danquart den Politiker Josef "Joschka" Fischer sein bisheriges Leben Revue passieren. Die biographische Zeitreise schildert Fischers ungewöhnlichen Weg vom Rebellen zum deutschen Außenminister und zeichnet dabei die politischen Verhältnisse im Deutschland der letzten 60 Jahre nach. Danquart lässt Fischer selbst erzählen und kommentiert seinen Film nicht. Er zeigt den Ex-Außenminister dabei in einem großen Raum mit integrierter Video-Installation, welche Zeitdokumente in etwas wirrer Form auf unterschiedlich große Videoleinwände projiziert. Ein für Zuschauer aus der beschriebenen Zeit sicherlich interessanter Film, wird er jedoch jüngere Zuschauer kaum ansprechen. Das liegt natürlich auch daran, dass kaum Joschka zu Wort kommt, sondern immer nur Herr Fischer. Denn sein Privatleben wird nur ganz am Rande gestreift. In der heutigen Pressevorführung wurde uns leider ein unfertiges Produkt vorgeführt, das in bild- und tontechnischer Hinsicht sehr zu wünschen übrig ließ.

## Wenn Eine träumt dass sie träumt

Heute Abend hiess es einmal wieder "nachsitzen!". Denn aufgrund meines Abstechers nach Bradford hatte ich die Pressevorführung von Zack Snyders neuestem Film verpasst. Doch ich wäre wohl besser zuhause geblieben...

### SUCKER PUNCH (1:2.35, DD 5.1)

OT: Sucker Punch

Verleih: Warner

Land/Jahr: USA 2011

Regie: Zack Snyder

Darsteller: Emily Browning, Abbie

Cornish, Jena Malone

Kinostart: 31.03.2011

Um an das Familienerbe zu kommen, arrangiert ihr Stiefvater die Einlieferung von Baby Doll in eine Irrenanstalt. Dort träumt sich die 20jährige in eine andere Welt. Die grausame Tristesse des Irrenhauses wird so zum Edelbordell, in dem Baby Doll und ihre Leidensgenossinnen der Kundschaft zu Willen sein müssen. In diesem Traum träumt Baby Doll einen weiteren Traum und erfährt dort von einem asiatischen Guru, dass sie fünf Dinge sammeln muss, um dem Bordell zu entkommen... Wie immer gibt es bei Zack Snyder eine visuelle Reizüberflutung zu bestaunen. Doch im Gegensatz zu dem optisch atemberaubenden **WATCHMEN** scheint der Regisseur hier nur vorhandene Vorbilder originalgetreu zu kopieren. Ob Fantasyfilme wie **HERR DER RINGE** oder Actionspektakel wie **TERMINATOR** – keine einzige seiner Ideen ist neu. Freilich präsentiert sich der Film in einem gefälligen Look, der mehr an Comicmagazine angelehnt ist denn an Spielfilme, doch kann man damit die extrem

dünne Handlung nicht kaschieren. Das können nicht einmal die stets leichtbekleideten Girlies, die mit Samurai-Schwert ebenso umgehen können wie mit Maschinengewehren. Leider findet der ganze optische Firlefanz keine adäquate Ergänzung im Soundbereich. Denn die Tonmischung klingt äußerst steril, fast so, als wäre das Werk bereits auf die Dynamik eines TV-Geräts angepasst worden. Was von diesem Film am Ende übrigbleibt ist die Erkenntnis, wertvolle Lebenszeit vergeudet zu haben.

### 13 ASSASSINS (1:2.35, DD 5.1)

OT: Jûsan-nin No Shikaku

Anbieter (Label): Ascot Elite Home Entertainment

Vertrieb: Ascot Elite Home

Entertainment

Land/Jahr: Japan, Großbritannien 2010

Regie: Takashi Miike

Darsteller: Kôji Yakusho, Tsuyoshi

Ihara, Yusuke Iseya

Im Japan des 18. Jahrhunderts regiert Fürst Naritsugu, eine Abkömmling des Shogun, das Land mit äußerster Härte. Was anderes kann man auch von einem Sadisten schon erwarten? Um den vielen Qualen ein Ende zu bereiten, rotten sich ein paar mutige Samurai zusammen. Ihr Plan: sie wollen Naritsugu während seiner Reise durch die Provinz umbringen. Doch der Übermacht von 200 Kriegern stehen sie nur zu dreizehn gegenüber... Takashi Miikes Filme sind eigentlich schon lange Pflicht auf dem "Fantasy Filmfest". Kaum ein anderer japanischer Regisseur bringt eine solche Flut von Filmen hervor wie dieses Enfant Terrible des asiatischen Kinos. In seinem Historienspektakel geht es dem Meister dabei weit weniger um die Darstellung der politischen Lage seines Landes in jener Zeit oder gar um präzise Charakterzeichnungen. Sein Hauptaugenmerk liegt hier auf ganz klar auf der Action. Wenn sich die 13 tapferen Samurai mit den Heerscharen des Fürsten duellieren, dann fliegen die Fetzen. Allerdings hat man derartige Martial Arts Märchen schon in besserer Variation erleben dürfen. Erinnert sei hier an **AZUMI**, in dem es eine junge Frau mit Hunderten von gestandenen Kriegeren lässige aufnimmt und damit echten Pep beweist.

### KIDNAPPED (1:2.35, DD 5.1)

OT: Secuestrados

Anbieter (Label): Universum Film

Vertrieb: Universum Film

Land/Jahr: Spanien 2010

Regie: Miguel Angel Vivas

Darsteller: Ana Wagener, Fernando

Cayo, Manuela Vellés

Kinostart: nicht vorhanden

Gerade erst sind Jaime, Marta und ihre Tochter in ihre neue Villa eingezogen, als sich am Abend plötzlich Maskierte auf brutale Weise Zugang zum Haus verschaffen. Die bösen Buben haben

es auf das Geld der Familie abgesehen. Vater Jaime wird dazu gezwungen, mit einem der Täter und sämtlichen Geldkarten zum nächstgelegenen Bankautomaten zu fahren, um die Konten leerräumen. Mutter und Tochter bleiben als Geiseln in den Händen der Komplizen. Ausgerechnet jetzt dreht einer der Typen durch und das Martyrium nimmt seinen Lauf... Fast ohne Schnitte lieferte Miguel Angel Vivas seinen Thriller ab. Die gibt es nur beim Wechsel der Filmrollen. Ansonsten bleibt die Kamera stets in Bewegung, folgt in langen Steadycam-Shots den Darstellern durch das riesige Haus oder fährt im Auto mit zum Bankomaten. Doch Vivas hält seinen eindrucksvollen Stil leider nicht ganz durch und unterbricht diesen durch den sehr willkürlich erscheinenden Einsatz der "Split Screen"-Technik, die dem Zuschauer zwei parallel ablaufende Handlungsstränge präsentiert. Was allerdings bei diesem äußerst brutalen Thriller am meisten stört, ist der Diletantismus, den die Gangster hier an den Tag legen. Das könnte vermutlich jeder Zuschauer besser! Nervtötend auch das ständige hysterische Geschrei der beiden Frauen, das unweigerlich dazu führt, dass man sich inbrünstig wünscht, dass die Bösen dieser akustischen Folter ein Ende bereiten. Miguel Angel Vivas' Film ist letztendlich eine Art Michael Haneke für Arme – ohne Nebenwirkungen.

### TROLL HUNTER (1:1.85, DD 5.1)

OT: Trolljegeren

Verleih: Universal

Land/Jahr: Norwegen 2010

Regie: André Øvredal

Darsteller: Otto Jespersen, Glenn Er-

land Tosterud, Johanna Mørck

Kinostart: 07.04.2011

Eigentlich will das dreiköpfige studentische Filmteam einem Wilderer auf die Spur kommen, der im norwegischen Bergland Braunbären tötet. Einen Verdächtigen haben die drei auch gleich parat: ein seltsamer Kauz, der in einem abgewrackten Wohnwagen haust und nachts mit seinem Land Rover durch die Landschaft düst. Die Studenten hängen sich an seine Fersen nur um festzustellen, dass ihr vermeintlicher Wilderer ganz anderes im Schilde führt. Denn der Herr mit "Indiana Jones"-Hut auf dem Kopf jagt Trolle! Das Filmteam ist davon überzeugt, dass Hans – so sein Name – ein Spinner ist. Nach an-

fänglicher Blockade willigt er ein, sich von den Studenten bei seiner Arbeit beobachten zu lassen. Deren Skepsis bezüglich Trollen wird jetzt ganz schnell aus dem Weg geräumt... "Mockumentaries" sind in. Ganz im Stil von Filmen wie **BLAIR WITCH PROJECT**, **CLOVERFIELD** oder **REC** tarnt sich der Film von André Øvredal als Videoband, das nach dem Verschwinden der Protagonisten irgendwo aufgefunden wurde und jetzt in nicht überarbeiteter Form dem Publikum präsentiert wird. Herausgekommen ist dabei eine höchst vergnügliche Geschichte, die sich hervorragend darauf versteht, eindrucksvolle visuelle Effekte nahtlos in die imposante norwegische Landschaft mit ihren vielen Seen, Bergen und Wäldern einzufügen. Der niemals lächelnde Hans entpuppt sich als ein wahrer Profi in Sachen Trolle und erklärt dem Filmteam die vielen unterschiedlichen Varianten, die sich in Norwegens Bergwelt verstecken. Doch sein Job macht ihm nicht mehr so viel Spaß wie früher, seit Überstunden nicht mehr bezahlt werden und es auch keine Nachtzuschläge mehr gibt! Wer jetzt allerdings glaubt, dass man hier nur lachen kann, dem demonstriert André Øvredal, dass es auch anders geht. Anhand eines bombastischen Sounddesigns, dem nur technisch ausgereifte Kinos Stand halten können, sorgt er bei der fröhlichen Trolljagd durchaus auch für Schreckmomente. **TROLL HUNTER** dürfte zweifelsohne das Sahnestückchen der "Fantasy Film-

fest Nights" gewesen sein. Ein Geheimplipp, den man sich nicht entgehen lassen sollte.

**ISPIT ON YOUR GRAVE** (1:2.35, DD 5.1)

OT: I Spit On Your Grave  
Anbieter (Label): Sunfilm Entertainment  
Vertrieb: Sunfilm Entertainment  
Land/Jahr: USA 2010  
Regie: Steven R. Monroe  
Darsteller: Sarah Butler, Chad Lindberg, Tracey Walter  
Kinostart: nicht vorhanden

Eine junge Frau mietet sich in einem vollkommen abgelegenen Waldhäuschen im amerikanischen Hinterland ein, um dort in Ruhe ihren Roman schreiben zu können. Es dauert nicht lange, bis plötzlich die vier Jungs von der nahe gelegenen Tankstelle in ihrem Haus stehen, sie bedrängen, foltern und schließlich brutal vergewaltigen. Selbst der Sheriff ist dabei mit von der Partie. Als die Männer die junge Frau umbringen wollen, kann sie sich in letzter Minute retten. Jetzt beginnt ihr kompromissloser Rachefeldzug... Das Remake eines bekannten "Rape & Revenge" Thrillers aus den siebziger Jahren vermeidet Spannung und zielt direkt auf die niedersten Instinkte des Publikums. Hier geht es nicht um Schuld und Sühne oder Rache und Gerechtigkeit, sondern nur darum, möglichst grausame Hinrichtungsmethoden anschaulich und in detail zu demonstrieren. **ISPIT ON YOUR GRAVE** gehört damit zweifelsfrei zur Gattung des "Torture Porns". Wer will so etwas tatsächlich sehen? Ich jedenfalls nicht.

**THE HOLE** (1:1.85, 3D, DD 5.1)

OT: The Hole  
Verleih: Ascot Elite  
Land/Jahr: USA 2010  
Regie: Joe Dante  
Darsteller: Teri Polo, Haley Bennett, Chris Massoglia, Bruce Dern  
Kinostart: nicht vorhanden

Zum wiederholten Male bereits muss Teenager Dane mit seinem jüngeren Bruder und seiner Mutter umziehen. Seit der Vater im Gefängnis ist, reist die kleine Familie von Ort zu Ort. Während sich seine Mutter auf einen nagelneuen Job freut, findet Dane das neue Domizil, ein kleines Vororthäuschen, einfach nur ätzend. Bis er die hübsche Nachbarin Julie kennenlernt. Eines Tages ent-

decken die Kids eine mit vielen Schlössern verriegelte Tür auf dem Kellerboden. Diese führt in ein unendlich tiefes Loch. Doch die Kids hätten diese Tür niemals öffnen sollen... Man kann es ganz gut verstehen, dass sich für diesen Film unter Regie von Joe Dante (**GREMLINS**) kein deutscher Filmverleiher gefunden hat. **THE HOLE** wird hierzulande direkt auf DVD und Blu-ray erscheinen und ist nur während der "Fantasy Filmfest Nights" im Kino zu sehen. Dantes Film ist schlicht und ergreifend einfach viel zu konventionell! Es ist, als ob Dantes eist nach wie vor in den achtziger Jahren verweilt. Die Story ist komplett vorhersehbar, bietet die üblichen Logikbrüche und vermag kaum Spannung aufzubauen. Überdies bedient sich der Regiealtmeister berühmter Vorbilder. So zitiert er nicht nur seinen eigenen Film **GREMLINS** (jetzt ist es eine Clownspuppe, die für Angst und Schrecken sorgt), sondern auch Bernard Roses alptraumhaften **PAPERHOUSE** (hier wie dort taucht ein böser Vater auf). Sogar die gängigen Szenen aus japanischen Horrorfilmen der Neuzeit sind enthalten (ein kleines, untotes Mädchen sowie andere Wesen, die ins Loch hineinkrabbeln). Viel zu kurz geraten ist der Auftritt von Dick Miller, den Dante in allen seinen Filmen auftauchen lässt. Dafür gibt es eine Performance von Bruce Dern, die Erinnerungen an Christopher Lloyds Darstellung des Professors aus **ZURÜCK IN DIE ZUKUNFT** wachrufen. Also alles kalter Kaffee, für den es schwer sein wird, zahlendes Publikum zu finden. Immerhin: eine nette Gute-Nacht-Geschichte zum Thema "Stelle Dich Deiner Angst, damit Du sie überwinden kannst".

**ESSENTIAL KILLING** (1:1.85, DD 5.1)

OT: Essential Killing  
Verleih: Ascot Elite  
Land/Jahr: Polen, Norwegen, Irland, Ungarn 2010  
Regie: Jerzy Skolimowski  
Darsteller: Vincent Gallo, Emmanuelle Seigner, Zach Cohen  
Kinostart: nicht vorhanden

In der zerklüfteten Felsenlandschaft Afghanistans fällt ein Taliban-Kämpfer in die Hände der Amerikaner. Nach einem Martyrium aus Verhör und Folter wird er schließlich zusammen mit anderen Gefangenen außer Landes geflo-

gen. Während eines Unfalls kann er seine Häschern entkommen und findet sich inmitten eines tief verschneiten Waldes wieder. Nichtsahnend wo er sich befindet, hat er nur ein Ziel: Überleben. Jerzy Skolimowskis im letzten Jahr bei den Filmfestspielen in Venedig mit dem Spezialpreis der Jury und dem Preis für den besten Hauptdarsteller ausgezeichnete Film kommt fast komplett ohne Dialoge aus. Wenn gesprochen wird, dann nur Unbedeutendes. Viel wichtiger erscheint hier der Überlebenskampf eines Menschen, der dafür notwendigerweise töten muss. Skolimowski zeigt zwar grausame Szenen, aber er lässt seine Kamera nie direkt daran teilhaben, wodurch sein Film noch viel intensiver wirkt. **ESSENTIAL KILLING** ist Arthaus-Kino, das eine innere Spannung erzeugt, die den Zuschauer weit mehr zu fesseln vermag als jeder konventionelle Actionfilm. Aufgrund der ausgezeichneten Ton- und Bildarbeit des Films wäre eine Kinoauswertung höchst wünschenswert. Die allerdings wird es in Deutschland nur während der "Fantasy Filmfest Nights" geben. Freilich gehört der Film dort eigentlich gar nicht hin, aber die Festivalmacher waren schon immer für ein paar Überraschungen gut. Danach wird der Film hierzulande leider nur auf DVD und Blu-ray vermarktet. Schade darum.

**BURKE & HARE** (1:2.35, DD 5.1)

OT: Burke & Hare  
Anbieter (Label): Ascot Elite Home Entertainment  
Vertrieb: Ascot Elite Home Entertainment  
Land/Jahr: Großbritannien 2010  
Regie: John Landis  
Darsteller: Simon Pegg, Andy Serkis, Isla Fisher  
Kinostart: nicht vorhanden

Im schottischen Edinburgh des 19. Jahrhunderts schlagen sich die beiden "Unternehmer" Burke und Hare mit halbseidenen Geschäften durch das Leben. Als die renommierten Mediziner der Stadt für ihre Forschungszwecke Leichen benötigen, die jedoch seit einer Gesetzesänderung nicht mehr ohne Weiteres zu beschaffen sind, springen die beiden Gauner mit ihrer neuen Geschäftsidee in die Presche. Für gutes Geld sollen sie mindestens zwei Leichen pro Woche beschaffen. Doch da leider keine Epidemie herrscht und auch sonst recht wenig gestorben wird,

greifen Burke und Hare zu drastischen Mitteln... Die Eröffnungscredits legen die Marschroute gleich von Anfang an fest: "Dieser Film beruht auf einer wahren Geschichte. Mit Ausnahme der Teile, die frei erfunden sind". Damit überlässt Regisseur John Landis seinem Publikum die Entscheidung über Dichtung und Wahrheit. Eine Aufgabe, die man bei dieser rabenschwarzen Komödie gerne wahrnimmt! Mit bestem britischen Witz und noch besserem schottischen Akzent präsentiert Landis ein handverlesenes Ensemble, das das ohnehin schon sehr gelungene Drehbuch mit Leben erfüllt. Der Film avanciert binnen Minuten bereits zu einem Geheimtipp für Gourmets schwarzen Humors! Wie immer bei Filmen von Landis gibt es bekannte Filmschaffende in Gastauftritten zu sehen (u.a. Special Effect Guru Ray Harryhausen und Kameramann Robert Paynter). Tolle Schauspieler, stimmiges Produktionsdesign, guter Score – in einem Wort: klasse Kino!

**MOTHER'S DAY** (1:2.35, DD 5.1)

OT: Mother's Day

Anbieter (Label): Kinowelt Home Entertainment

Vertrieb: Kinowelt Home Entertainment

Land/Jahr: USA 2010

Regie: Darren Lynn Bousman

Darsteller: Rebecca De Mornay, Jaime King, Deborah Ann Woll

Kinostart: nicht vorhanden

Während in dem kleinen Vorortshäuschen mehrere befreundete Paare im Keller eine Party feiern, dringen vier Bankräuber auf der Flucht in das Haus ein und terrorisieren die Anwesenden. Als schließlich auch noch die Mutter der Räuber mitsamt Töchterlein eintrifft, wird es richtig schlimm... Das Remake eines achtziger Jahre Kultschockers ähnelt in seinem Aufbau sehr dem spanischen KIDNAPPED, der am Vortag bei den "Fantasy Filmfest Nights" zu sehen war. Leider bietet der Film des SAW-Regisseurs Darren Lynn Bousman nicht gerade viel, um Konsumenten glücklich zu machen. Denn wie bereits in **ISPIT ON YOUR GRAVE**, so setzt auch dieses Werk mehr Wert auf Brutaloeinlagen denn auf Spannung. Und einmal mehr erweist sich das Drehbuch als etwas weltfremd im Hinblick auf die Handlungsweisen sowohl der Bösen als auch der Guten. Einzig und allein die von Rebecca De Mornay mit souveräner Lässigkeit gespielte Mutter

macht den Film erträglich. Hier hätte man sich allerdings weit mehr Sarkasmus und schwarzen Humor gewünscht. **MOTHER'S DAY** nimmt sich einfach viel zu ernst.

**I SAW THE DEVIL** (1:1.85, DD 5.1)

OT: Akmareul Boatda

Anbieter (Label): Splendid Film

Vertrieb: WVG Medien

Land/Jahr: Südkorea 2010

Regie: Kim Ji-Woon

Darsteller: Lee Byung-hun, Jeon Gook-hwan, Cheon Ho-jin

Kinostart: nicht vorhanden

Als seine junge Ehefrau von einem sadistischen Killer auf bestialische Weise abgeschlachtet wird, beginnt deren Mann, ein Geheimagent, seinen privaten Rachefeldzug gegen den Serienmörder. Dabei mutiert dieser selbst nach und nach zu einem extrem brutalen Monster, vor dem sich schließlich sogar der Serienkiller fürchten muss... Die mit Abstand brutalste Blutschlacht, die im Rahmen der "Fantasy Filmfest Nights" zu sehen war. Es ist schier unglaublich, was Koreaner alles an Schmerzen einstecken können! Doch bei all seinen extremen Grausamkeiten bietet **I SAW THE DEVIL** Adrenalinkino vom Feinsten. Hier stimmt das Drehbuch und die Darsteller können ihre Rollen glaubhaft vermitteln. Seine 140 Minuten Spielzeit vergehen wie im Flug. Und wenn man glaubt, dass der Film nach der ersten halben Stunde bereits sein Ende er-

reicht hat, so liegt man damit weit daneben und merkt ganz schnell, dass das nur das Vorspiel war. Das ausgefeilte und äußerst dynamische Sounddesign peitscht die effektvolle Filmmusik stets voran und sorgt dafür, dass man ab und zu das Atmen vergisst. Vor dem Konsum dieses Thrillers muss allerdings ein Warnung ausgesprochen werden: das ist alles andere als leichte Kost!

**WAKE WOOD** (1:2.35, DD 5.1)

OT: Wake Wood

Anbieter (Label): Atlas Film Home Entertainment

Vertrieb: Koch Media

Land/Jahr: Irland, Großbritannien 2010

Regie: David Keating

Darsteller: Ella Connolly, Eva Birthistle, Aidan Gillen

Kinostart: nicht vorhanden

Nachdem die beiden Eltern ihre kleine Tochter bei einem tragischen Unfall verloren haben, lassen sie sich in dem kleinen englischen Ort Wake Wood nieder. Bald schon erfahren sie, dass die Bewohner der Dorfes ihre kleine Tochter für drei Tage wieder zum Leben erwecken können. Sie lassen sich darauf ein, ohne die Konsequenzen zu bedenken... Britisches Kino der "Old School", das leider etwas darunter leidet, dass die Geschichte in die Gegenwart transportiert wurde. Denn eine verschworene, kleine Dorfgemeinschaft mit dunklen Geheimnissen und magischen Kräften will so ganz und gar nicht in die Jetzt-Zeit passen. Die wäre viel besser (und vor allem wirkungsvoller!) in einem Schwarzweiß-Film der fünfziger Jahre aufgehoben. Damit belibt **WAKE WOOD** nur mäßig spannend und bietet die genre-üblichen Bluteffekte, welche ganz und gar nicht notwendig gewesen wären. Gruselkino ohne Nebenwirkungen.

## Ingrid Bergman In Sweden

Ingrid Bergman

Today, *Ingrid Bergman's name is synonymous with Hollywood's golden age as a three-time Oscar winner and the star of such classics as Casablanca, Gaslight and Notorious. However, before she became a Hollywood legend, Bergman was the star of a series of Swedish films in the 1930s which are being rediscovered as a vital, if long-overlooked period in her singular career. In *Intermezzo*, Ingrid Bergman plays Anita Hoffman, an aspiring classical pianist who falls in love with a famed - but married - concert violinist. Their passionate affair has deep and unanticipated consequences for them both, and for Anita, it also stirs a crisis of conscience. *Intermezzo* brought the actress to the attention of producer David O. Selznick, who remade it in Hollywood, again starring Bergman. In one of the most challenging roles of her early career in Sweden, Bergman plays Anna Holm, whose bitterness over a facial disfigurement leads her to become a blackmailer. However, when one of her victims turns out to be married to a renowned plastic surgeon, Anna is given the opportunity to change her life. *A Woman's Face* is a dari Romance, Swedish, Actor / Actress Box Sets, Drama, Foreign 269min.

Nothing is more relaxing than a trip to cottage country with a group of friends. Enjoying the outdoors, beers by the lake, and a friendly orgy... Hoping to broaden their horizons and save their relationships, see the mayhem that ensues when three couples mix sex, drugs and alcohol in a crazy weekend getaway to Cummings Farm. In the dog park, Jeanne encounters Tom (Greg Germann, Ally McBeal, Friends With Money), an easygoing and accepting neighbor who sparks a romantic interest, but she finds juggling Mandy's care and her own career leaves little room for a new man. ## Raffaello Matarazzo's Runaway Melodramas: Eclipse From The Criterion Collection

*In the late 1940s and early 1950s, film critics, international festivalgoers, and other studious viewers were swept up by the tide of Italian neorealism. Meanwhile, mainstream Italian audiences were indulging in a different kind of cinema experience: the sensational, extravagant melodramas of superstar director Raffaello Matarazzo. These galvanic hits about splintered lovers and broken homes, all written by Aldo De Benedetti and starring mustachioed matinee idol Amedeo Nazzari and icon of feminine purity Yvonne Sanson, luxuriate in delirious plot twists and overheated religious symbolism. Four of them, each more unbridled and entertaining than the last, are collected here, chronicles of men and women on winding roads to redemption. After years of working mostly on comedies and literary adaptations, Raffaello Matarazzo turned to melodrama with this intense tale of a tight-knit working-class family shattered by temptation. There's a touch of noir in Chains (Catene), in which the virtuous yet earthy Yvonne Sanson, as the devoted wife of a mechanic (Amedeo Nazzari), finds herself unwillingly drawn back toward Romance, Boxed Sets, Crime, Criterion Collection, Director / Writer Box Sets, Drama, Film Noir, Foreign, Italian 388min.

## Once Upon a Time in the West (Blu-ray)

Henry Fonda, Claudia Cardinale, Gabriele

Ferzetti, Jason Robards, Charles Bronson

Now, for the first time, Sergio Leone's original uncut version of this monumental epic can be seen. The picture itself is as big as its Monument Valley locations, as grand as its fine, distinguished cast, as tough and bawdy as every kid imagines the Old West. Henry Fonda plays the blackest character of his long career, and he's utterly convincing as Frank, the ruthless murderous psychopath who suffers no conscience pangs after annihilating an entire family. Jason Robards is the half-breed falsely accused of the terrible slaughter. Charles Bronson plays *The Man*, who remembers how his brother was savagely tortured. Brilliantly directed by Sergio Leone, this glorious picture re-established the Western's significance to cinema art.

## Posse (Blu-ray)

Billy Zane, Mario Van Peebles, Pam Grier, Isaac Hayes, Tone Loc, Big Daddy Kane, Stephen Baldwin, Blair Underwood, Aaron Neville, Nipsey Russell

Mario Van Peebles, Billy Zane and Stephen Baldwin shake up the frontier in this „fast-paced, star-studded, big brawny Western“ (Janet Maslin, *The New York Times*)! Filled with gun-blazing, fist-pounding action and co-starring big Daddy Kane, Blair Underwood, Tone Loc, Pam Grier, Isaac Hayes, Nipsey Russell, Aaron Neville and more, *Posse* takes a page missing from the history books - and unfolds it with suspense, humor and awe-inspiring power! In 1982, a group of mostly black infantrymen, betrayed by their white commander, Colonel Graham (Zane), desert the Spanish-American War. With Graham hot on their trail, Jesse Lee (Van Peebles) leads the men to his hometown, Freemanville, only to find it's also besieged by war - a racist war! Lee's attempts to bring justice and freedom to his people make for a brilliant Western that's short on words and long on „killer entertainment“ (Los Angeles Times)!

## A Year In Provence (Repackage)

Lindsay Duncan, John Thaw  
*Peter and Annie Mayle fulfill their cherished dream when they quit the London rat race and move to rustic Provence to savor the French way of life- good food, fine wines, and seductive climate. Ah, but the Provençal way of life is something quite different- even the French find it peculiar. Based on Peter Mayle's international best seller by the same name, A Year In Provence is the hilarious first year account of the Mayles' adjusting to both the idiosyncrasies of the locals and the quaint traditions of this ancient and charming region. Vive la difference! The Mayles bid adieu to gloomy London and begin their new life in a cozy farmhouse in the Luberon Valley. Summer is slow and savory, marked by leisurely games of boules- French bowling -in town square. The year in Provence ends with crisp days and a cellar full of wine produced right on the Mayle grounds.*

## Zazie Dans Le Metro: The Criterion Collection

Catherine Demongeot, Philippe Noiret  
*A brash and precocious eleven-year-old (Catherine Demongeot) comes to Paris for a whirlwind weekend with her rakish uncle (La Pointe Courte's Philippe Noiret); he and the viewer get more than they bargained for in this anarchic comedy from Louis Malle (Murmur Of The Heart, My Dinner With Andre), which treats the City of Light as though it were a pleasure island just waiting to be destroyed. Based on a popular novel by Raymond Queneau that had been considered unadaptable, Malle's audacious hit Zazie dans le métro is a bit of stream-of-conscious slapstick, wall-to-wall with visual gags, editing tricks, and effects, and made with flair on the cusp of the French New Wave.*

### Extraordinary Minds: Jacques D'Amboise

*Recognized as one of the finest classical dancers of our time, Jacques d'Amboise now leads the field of arts education with the National Dance Institute, a model program that exposes thousands of school children to the magic and discipline of dance. In 1976, while still a principal dancer at the New York City Ballet, Mr. d'Amboise founded NDI in the belief that the arts have a unique power to engage and motivate individuals towards excellence. D'Amboise began his ballet training when very young, studying at the age of 8 with George Balanchine and other ballet greats, performing at age 12 with the Ballet Society, which later became the New York City Ballet, and joining the NYCB at age 15. As Balanchine's protégé, d'Amboise had more works choreographed specifically for him by Balanchine than any other dancer. D'Amboise is most remembered for his portrayal of what critics called „the definitive Apollo.“ As a choreographer, Mr. d'Amboise's credits include almost twenty works commissioned for New York City Ballet. Since 1976, NDI programs in New York City and its associate programs, both nationally and internationally.*

### John Eliot Gardiner In Rehearsal

*In 2000 the Monteverdi Choir and the English Baroque Soloists, under the baton of John Eliot Gardiner, set themselves the greatest challenge they had ever faced: under the title of „The Bach Cantata Pilgrimage“ they were to mark the 250th anniversary of the death of Johann Sebastian Bach by performing every church cantata the composer had ever written. They started their musical pilgrimage by giving three concerts in the Herderkirche in Weimar at Christmas 1999, in which they performed some of the cantatas Bach wrote for this occasion - including BWV 63 „Christen, ätzet diesen Tag“, a magnificent cantata celebrating the first day of Christmas.*

## Christoph Von Dohnanyi In Rehearsal

*This In Rehearsal program witnesses part of the process of development of a new relationship between an orchestra and its Music Director. Dohnanyi is seen working with the Philharmonia on Haydn's Symphony No. 88 in G for a concert in their 1998 Haydn/Bartók series at London's Royal Festival Hall. It was to be Dohnanyi's first Haydn performance with the orchestra and so the limited time available for preparation was of vital importance. The musicians' appreciation of his musically precise and exacting approach is evident in the concentrated atmosphere of rehearsals and also in comments they make about working with the maestro.*

## 1995 US Open Women's Final: Graf Vs. Seles

*The 1995 US Open was one of the most anticipated in years, with all eyes on the comeback of fan favorite Monica Seles. Powered by her double-handed ground strokes off both sides, Seles won the US Open in 1991 and 1992 and looked to be on her way to a long reign at the top of the women's game. But in April 1993, she was stabbed on-court during a match in Hamburg, Germany. Seles' absence from the tour stretched more than two years, and she returned to competitive play only one month before the 1995 US Open, winning the Canadian Open in her first tournament back. Seles' return meant that the winners of the previous three US Open women's singles titles - Seles (1992), Steffi Graf (1993) and Arantxa Sanchez-Vicario (1994) - would all be competing, as would 1990 US Open champion Gabriela Sabatini, 1994 Wimbledon champion Conchita Martinez and 1995 Australian Open champion Mary Pierce. In the end, it would come down to the two greatest players of their generation - Graf and Seles - meeting in the final. It would be the first time the two had faced each other since the final of the 1993 Australian Open - won by*

and the faith it persecuted, then later adopted. Theologians reveal how the New Testament was shaped, how pagan festivals were transformed into Christian holidays, and how modern discoveries shed new light on the dawn of Christianity. Drawing on ancient text, the Scriptures, and visits to sites like Istanbul's magnificent Hagia Sophia, this is a spellbinding journey through Christianity: The First Thousand Years. It began with a wandering Jewish preacher and a message of love. One thousand years later, Christianity reigned unchallenged as the dominant religion in Western Europe. But the struggles faced by the faith were far from over. A panoramic journey through ten centuries of belief and conflict.

Few people realize that honey bees pollinate one-third of our fruits and vegetables. In fact, these incredible insects play a vital role in producing our food and ensuring our survival. Although honey bees are some of the most resilient, efficient and industrious insects, entire colonies are dying off. Why? Colony investigates the circumstances and the impacts of „colony collapse disorder“ by focusing on beekeepers dealing with the crisis. As these families and individuals struggle to understand this lethal problem, they illuminate the devastating effects of bee extinction not just on bees, but on people. An eye-opening account of a little-known, yet essential, subculture in America. Colony brings to life the fascinating world of bees - and the frightening possibility of their disappearance.

## Cool It

Climate catastrophe? The end of civilization as we know it? Are the current staggeringly expensive actions now being considered really helping to save the world - or are we just burning money? In this „eye-opening“ (Los Angeles Times) documentary, author Bjorn Lomborg (The Skeptical Environmentalist) asks us to question the facts and the solutions. Why in the world are we spending so much money on „green“ initiatives...for such little gain? Are there better ways to solve the problems? How else could that money be spent? No matter what our opinions are on the environmental movement, Cool It is an „engrossing“ film (The New York Times) that asks us to rethink our polarized views. After all, nothing less than the planet is at stake.

## Cowboys & Outlaws

They were the quintessential American heroes: the embodiment of rugged individualism and independence. For 30 years, cowboys ruled the frontier, settling the American West and carving their way into American mythology forever. The Golden Era of the American Cowboy was a powder keg of history—a period of conquest, war and money. In these brief but tumultuous years following the Civil War, men and women endured astonishing hardship and danger, from battles with Indians and outlaws, to nature's own brutalities. Yet for a few extraordinary individuals, it was a time of incredible opportunity. Cowboys drove millions of steers from Texas along cattle trails to northern railroad heads. Their daring but solitary journeys established cowboys as heroes whose strength and character made them the ultimate icons of their time. But the hazardous frontier, where the law often amounted to little more than a man with a badge and a posse, also bred some of America's most infamous outlaws, whose reputations still inspire awe. Discover the legendary qualities of these amazing men in this visually stunning series from Hist Cowboy, Documentary, History Channel 282min.

## Dali Love at First Sight

In Dali, 5,000 years of Chinese culture and modern life-style blend into one of the most fascinating travel experiences in the world; a wonderland of fantasy, mystique, and ancient splendor. Situated on the crossroads of many bygone civilizations, on a fertile plateau in Southwest China's Yunnan Province, Dali was praised by Marco Polo, the famous Venetian explorer, as the „the magic land beyond the clouds, an idyllic hideaway where life approaches perfection.“ However, the remote beauty of Dali did not remain untouched. Genghis Khan and his Mongol Warriors swooped down the legendary Silk and Tea roads, passing through Dali. Centuries later it was a major base along the Burma Road to the heroic Flying Tigers who supported China in its fight against Imperial Japan during WWII. Today Dali offers the conveniences of the 21st Century and yet remains a treasure trove of tradition and history.

## Delphi: Center Of The World

Delphi was once regarded as the center of the world. It was one of the most important intellectual and cultural sites of antiquity. Anyone who could afford it sought the advice of the oracle of Delphi before making a decision in both personal and public affairs. Some of these oracle sayings have survived to the present day, over two thousand years later. The film describes the faith of the Ancient Greeks, whose ideas in fact often differ surprisingly from the conventional wisdom on this subject. ## ESPN Films 30 For 30: Guru Of Go

By the mid-1980s, Paul Westhead had worn out his welcome in the NBA. The best offer he could find came from an obscure small college with little history of basketball. In the same city where he had won an NBA championship with Magic & Kareem, Westhead was determined to perfect his non-stop run-and-gun offensive system at Loyola Marymount. His shoot-first offense was magic, if you had the right personnel. When Hank Gathers and Bo Kimble, two talented players from Westhead's hometown of Philadelphia, arrived gift-wrapped at his doorstep, Westhead got the talent he needed. With Gathers & Kimble leading a record-scoring charge, Westhead's system suddenly dazzled the world of college basketball and turned conventional thinking on its head. But then, early in the 1989-90 season, Gathers collapsed during a game and was diagnosed with an abnormal heartbeat. Determined to play, Gathers returned three games later, but in less than three months, he tragically died on the court. Working with both Westhead and Kimble, Oscar-winning director Bill Couturié tells a fast-paced and emotionally moving story of inn

## History Classics: Barbarians

History will never forget their reign of terror. For nearly a millennium, barbarian hordes rose up and swept across Asia, Europe, and Africa, pillaging towns and sacking empires. But who were these barbarians, seemingly devoted only to violence and destruction, their language the battle-axe and mighty sword? In Barbarians , History explores the origins of the Huns, Goths, Vikings, and Mongols. Shot on location, Emmy® Award-winning documentarian Robert Gardner (Islam: Empire of Faith) uses in-depth interviews, thrilling reenactments, and narration by Clancy Brown (The Shawshank Redemption) to bring to life the powerful leaders, military strength, and overwhelming drive that kept empires on three continents in terror for centuries. Then, in Barbarians II, History follows four of the most fearsome tribes: the Vandals, the Saxons, the Franks, and the Lombards, as they cut a swath of destruction through the heart of the Roman world. ## History Classics: Dinosaurs

For over a century, historians and scientists have been piecing together a history of the prehistoric world. History Classics: Dinosaurs examines the ultimate fighters of this unique period - gigantic beasts that stalked the earth millions of years ago. Some of these dinosaurs were larger than seven-story buildings, and hunted their prey with strategy and cunning, transforming the prehistoric world into a battlefield. The temperature, terrain, and innate sense of the opponent's weaknesses and strengths all played a role in how each dinosaur planned his attack. Today, paleontologists are uncovering these fighting grounds and are gaining startling new insight into how maneuverability, team coordination, and striking at the exact moment meant survival. Blow by blow, each episode will dissect these battles, revealing a predatory world far more calculated - and complex - than we originally thought. Dinosaurs. ## Holy Grail In America

Has the Holy Grail been in America all along? In 1898, a Minnesota farmer clearing trees from his field uprooted a large stone covered with mysterious runes that tell a story of land acquisition and murder. The stone allegedly dates back to 1362. Initially thought to be a hoax, new evidence suggests the find could be real, and a clue that the Knights Templar discovered America 100 years before Columbus, perhaps bringing with them history's greatest treasure...the Holy Grail. Follow the clues as experts use erosion studies on the rune stone and match symbols in Templar ruins all over Europe to support this theory. Stones with similar markings have been found on islands across the Atlantic Ocean, and in Massachusetts and Rhode Island. Is it possible the Knights Templar, long thought to have been massacred, escaped on an incredible journey and were leaving clues to the whereabouts of the stone? ## JFK: 3 Shots That Changed America

Just hours before his death, John F. Kennedy appeared before a crowd in Fort Worth, Texas to honor the freedoms of America in what would be his final speech. Though the Zapruder film, a silent, 8mm home movie of the presidential motorcade through Dealey Plaza, is the most complete visual recording of JFK's assassination, it is just part of a vast record of sights and sounds captured on camera that day. This three-hour special from History uses unique, rarely seen and heard footage to document the Kennedy assassination and the nearly 50 years of speculation and controversy that changed America. Home movies from eyewitnesses, Dallas police dispatch radio recordings, and raw news footage provide a shocking, unflinching look at the assassination of the president and the days that followed while examining the aftermath, and the enduring controversies, that emerged as succeeding generations of Americans struggled to comprehend the sudden murder of an unforgettable leader.

## Moscow And The Golden Ring

*Suzdal - it could be a city from a Russian fairy tale. In the Middle Ages it was one of the most important cities far and wide, larger than Paris or London - now it has been relegated to depths of a Russian backwater. Yet it is a typical Russian city with a Kremlin, churches, palaces and fortified cloisters, which defended the Orthodox faith at first against the Islamic Mongols, later against the Catholic Swedes. It is one of the places in the environs of Moscow which surrounds the 600-year-old Russian capital like a golden ring. It was in these cities, cloisters and churches of the „Golden Ring“ that the heart of Russia used to beat - until the October Revolution. Now, after over 70 years, the bells can be heard chiming regularly once again, and the remaining cloisters and churches radiate their former splendor.*

## John Muir In The New World

*The life and the career of John Muir come to life through this inspiring and beautiful documentary set against the magnificent landscapes of the American West. The Scottish-born naturalist was one of the first nature preservationists in American history, inspiring others through his writing and his advocacy to keep the wilderness wild. During his lifetime, the impact of his powerful voice could be seen in the preservation of the Yosemite and the sequoia groves of California, and the glacial landscapes of Alaska. His vision survived long after his death through the work of the Sierra Club, an organization he founded. Shot in high definition in the spectacular landscapes that shaped Muir - and were, in turn, shaped by his devotion. A diversity of images run through the program: the Wisconsin woods of his childhood, his incredible journey on foot through the American South, the Yosemite Valley, the California fruit ranch where he lived with his wife and daughters, the Alaskan wilderness that so attracted him, and the National Parks that he was so instrumental in creating.*

For many politicians and policy experts, 'peace' is a poorly defined word that has many meanings in different contexts. With this in mind, the *Perpetual Peace Project - perpetualpeaceproject.org* - brings various disciplines and communities together to explore 21st century international priorities and prospects for reducing geopolitical conflict. Organized around Immanuel Kant's foundational essay *Perpetual Peace: A Philosophical Sketch* (1795), the project finds it's public form in a series of initiatives including re-publications of Kant's treatise, a symposium at the United Nations, an installation at the New Museum, a feature film, workshops, and this DVD video release, featuring an array of philosophers statesmen in conversation about peace. Historically, Kant's text took the form of an international treaty that outline the conditions of permanent peace, inspiring contemporary democratic peace theory and anticipating the establishment of multilateral and supranational institutions such as the original League Of Nations, as well as today's United Nations and European Union - who are partners in this

## Square Grouper: The Godfathers Of Ganja

*In 1979, the U.S. Customs Service reported that 87% of all marijuana seizures in the U.S. were made in the South Florida area. Due to the region's 5,000 miles of coast and coastal waterways and close proximity to the Caribbean and Latin America, South Florida was a pot smuggler's paradise. In sharp contrast to the brazenly violent cocaine cowboys of the 1980's, Miami's marijuana smugglers were cooler, calmer, and for the most part, nonviolent. Square Grouper paints a vivid portrait of Miami's pot smuggling culture in the '70s and '80s and its major players: the smuggling Black Tuna Gang, the pot dealing Ethiopian Zion Coptic Church and the tiny fishing village Everglades City.*

*Mention the Queen and the world knows that you are referring to Queen Elizabeth II of Great Britain. She is the head of the most famous family in the world and has celebrated more than 55 years as British monarch. Royal Correspondent Jennie Bond, a reporter who over the years has been given unprecedented access behind palace walls, tells the incredible story of Elizabeth Windsor, the longest reigning monarch since Queen Victoria. As the eldest daughter of the Duke of York, later George VI, her life has been carefully documented on film from her earliest years. Her quiet childhood as part of a close-knit family was interrupted forever by the dramatic abdication of Edward VIII in 1936 which put her father, reluctantly on the throne. From that moment Elizabeth herself began her training to be queen. Using extraordinary archive footage, including very rare color material stretching back to the 1930s, all the most dramatic events in Elizabeth's life are here, including her marriage to the handsome but penniless Prince Philip of Greece, the birth of her son and heir Charles, her glorious Coronation, as well*

## Waiting For Hockney

Maryland artist Billy Pappas devoted eight years and five months of his life to a single drawing of Marilyn Monroe. Working on a microscopic level, he hoped to create an entirely new art form. When Billy finally completes his portrait, he believes only one person can determine whether

he has succeeded: Renowned contemporary artist David Hockney. Waiting For Hockney narrates the offbeat and poignant story of Billy and the eccentric people who believe in him as they conspire in the service of one grand concept. Through Billy's experiences with his art and with Hockney himself, the film explores the fine line between dreams and delusions, and between perseverance and obsession. A lively tribute to art, to dreams, and to life, Julie Checkoway's Waiting For Hockney illuminates both the perils and payoffs of one man single-mindedly pursuing his dream to its ultimate conclusion.
