Allen, J.	As a Man Thinketh	014	3.50
	AS A MAN THINKETH has long been read by millions of people seeking joy, success, and health through the power of thought and its effect on life. James Allen insists upon the power of the individual to form his own character and to create his own happiness. A Thought and character are one, he says, and as character can only manifest and discover itself through environment and circumstance, the outer conditions of a person's life will always be found to be harmoniously related to his inner state." And thus James Allen teaches two essential truths: today we are where our thoughts have taken us, and we are the architects - for better or worse - of our futures. Perhaps one of the greatest writers of this century, he portrays the Truth clearly, eloquently and with no misunderstanding. AS A MAN THINKETH is a timeless piece.		
Akehurst	Everyone's Guide to the Hereafter OP	074	11.95
	When the time comes for us to pass over, one of several things happen. You are either met by someone known to you, assuming your passing is normal, or, if not, then by someone who is appointed to do so. Do not worry about this for, whichever way it happens, it will seem perfectly all right a the time. Thus opens this simple, sincere and direct book given to G. M. Roberts		

through automatic writing from Ken Akehurst, the blind medium who passed to the Higher Life on 28 July 1978

	Inner Eye, Listening Ear (E)	313	17.50
	Paul Beard, though not a medium, has over many years been able to observe and closely study mediumship at work. He understands the essential roles played by the communicator, the recipient and the medium; in this volume the fruits of his careful observation are a testimony to his understanding. In recounting the limitations and pitfalls into which many fall, he is able to use his experience to stress the essential nature of the harmony so necessary between all three participants- a pre-requisite for sound results.

	Heaven and Earth (E)	264	15.72

In this third book of Borgia's communications with the Monsignor, he gives insights on spirit-world life conditions. Benson comments on other important topics such as beauty, service, religious unity and how to achieve world-wide peace.

**Life in the World Unseen** 046 12.00  
 In the pages of this book, you will learn many of the intricacies of spirit life and the joys that come to a person in that sphere of living. You will see just what the spirit world looks like, where it is, and how the forces of good and evil are interrelated. You will find out the rewards that are to be received in direct proportion to the life that is lived. You will find out the spiritual characteristics of such things as flowers, soil, buildings, people, water and even air. You will be amazed at the things of importance and the things that have no importance at all.

**More about Life in the World Unseen** 047 10.00  
 In this, second book, Robert continues his work in the Spirit World and gives a description of he and Ruth's work among the newly arrived in his realm. He gives a description of meeting the great composers and men who are extremely advanced in the parts of medicine and horticulture and explains how that work is related to those on the earth.

**Here and Hereafter** 045 10.00  
 This third book in the series is different from the other two. Here, Robert no longer takes you on a tour of the Spirit World, but now begins to lay out the laws of Spirit life and what makes things the way they are there. He expounds on the physical characteristics of spirits and their limitations as well as their great abilities.

**Bostwick** **The Conquering Soul OP** 477 14.95  
 This will show you how to align the personality with the soul to become a *Conquering Soul*. Showcased in 25 mental games the personality frequently plays in its attempts to reign supreme over the soul. Miriam Bostwick has over 25 years experience as a clairvoyant, trance medium, spiritual healer and teacher

**More On the Conquering Soul** 479 14.95  
 This is a continuation of the first *The Conquering Soul* and includes thirty-one different games. If you are seeking spiritual principles devoid of dogma, you will find this book invaluable.

**Bowen** **I Turn to the Light** 301 12.95  
 A book of healing affirmations

**Braude** **Radical Spirits** 288 19.95  
 Radical Spirits is a landmark in the history of women's political activism and in the history of women and religion in America. Ann Braude proposes that the engagement of women in the Spiritualist movement not only provided a religious alternative to male-dominated mainstream religions, but also gave women a social and political voice. For some women, Spiritualism and the early woman's rights movement went hand in hand.

**Brennan** **Hands of Light** 049 25.95

Newman	The Universe of Silver Birch (E) Newman has examined and analyzed the teachings of Silver Birch, and has measured them side by side with the deductions of modern science. Newman's career in electrical engineering has made him conversant with the discoveries of modern physics. With an open mind, he has applied his knowledge to analyzing the teachings of Silver Birch. We also gain some fascinating glimpses as to the real identity of the spirit guide himself. Whether we speak of <i>electromagnetic fields</i> or <i>auric fields</i> , there exists a vast network of energies that links all living things. Even more important, these frequencies or energies extend far beyond our physical world. <i>All life is one life with infinite gradations.</i> S.B.	231	17.00
Newton	Destiny of Souls <i>Destiny of Souls</i> by Michael Newton, Ph.D., contains interviews given by sixty-seven people under hypnosis discussing their experiences between lives on earth. The result is a book which proves, beyond any doubt, that who and what you are continues, grows, and evolves into something wonderful even after you pass on into the next world. Death, that amazing transition, will no longer be seen as an ending or something fearful. Rather, you will understand that it is merely a change, a beginning, a way-station for rest and recuperation before rebirth.	365	14.95

Ponder	Dynamic Laws of Prosperity Imagine sitting in the lap of your favorite grandparent and learning the secrets to a magnificent, abundant life. Catherine Ponder writes in such a loving gentle way. The secrets she reveals are not secrets at all but universal truths for health, love, success and peace. As she explores these dynamic laws of prosperity she shares actual success stories to help those of us who are uncertain. There is no flowery prose here. Just plenty of practical advice for using Divine power to overcome difficulties and achieve happiness. Everyone can benefit from this book. First published in 1962, and revised and updated by the author in 1984, THE DYNAMIC LAWS OF PROSPERITY presents basic laws of prosperity in clear language for the modern reader.	443	16.95
	Dynamic Laws of Healing Catherine Ponder shares the spiritual laws of healing and deals with the causes of emotional and physical problems. She shows one how to turn on the corrective thoughts in order to change the whole pattern of your life for the better. It is explained that everybody can use these ancient healing laws and there's nothing mysterious about them. In fact, healing constantly takes place in our lives in simple ways that seem miraculous. We all have the healing power, if we only realize it. This is a book that substantially expands one's consciousness. Should be on every healer's bookshelf. Catherine Ponder discloses one useful healing technique after another, making this a manual and reference work as well as fascinating reading for all interested in the vital work of healing.	274	14.95

The lessons are as follows: The Soul, Its Relation to God. The Dual Nature of the Soul. The Expression of the Soul in Human Embodiments and its Relation to Other Souls, The Re-United Soul; Including Perfected Souls, Parental Souls, and Angels, Archangels, and Life on Other Planets.		
	<b>Is Materialization True?</b>	494	14.94
	The facts are better than any hypothesis. The lack of a theory in science to explain them is not the fault of the facts. Materializations do occur; it is the business of science to find out the laws. These materializations take on every appearance of human beings; are created for a time, and are dispersed at the end of a given time; come out of seemingly nothing; disappear again into nothingness, except whereby special permission some piece of raiment or lock of hair is retained as a souvenir of the materialization. Smith, H.	Religions of Man (out of print) one copy left A clear and objective description of religions and their appeal to the spiritual aspirations of the different people of the world.	262	16.00
	The World's Religion Originally titled <i>The Religions of Man</i> , this completely revised and updated edition of Smith's masterpiece, now with an engaging new forward, explores the essential elements and teachings of the world's predominant faiths, including: Hinduism, Buddhism, Confucianism, Taoism, Islam, Judaism, Christianity, and the native traditions of Australia, Africa, Oceania and the Americas. Emphasizing the inner-rather than institutional-dimensions of these religions, Smith devotes special attention to Zen and Tibetan Buddhism, Sufism, and the teachings of Jesus. He convincingly conveys the unique appeal and gifts of each of the traditions and reveals their hold on the human heart and imagination.	491	16.00

	Conversations with God II	463	19.95
	<p>The dialogue continues in this anxiously-awaited follow-up to the fastest-selling book in the company's history. <i>Conversations with God, Book 2</i> resumes the dialogue where Book 1 left off, moving from personal issues to more global and political concerns. Included are questions about the nature of time and space and human sexuality, as well as geophysical and geopolitical considerations of worldwide implication. The dialogue in <i>Book 2</i> is, in Neale Donald Walsch's own words, "...captivating, disturbing, and challenging....In this book, God suggests nothing less than a social, sexual, political, and economic revolution that would help create the paradise on Earth we all seek." Just as fascinating and compelling as <i>Book 1, Conversations with God, Book 2</i> will take you to new and more expansive understandings, to greater and more universal truths--as The Dialogue Continues...</p>		
	Conversations with God III	464	22.95

	A dynamic and powerful collection of spiritual sayings from White Eagle. Open this book at any time and on any page, for deep and direct guidance and inspiration. A book with far-reaching effects, a catalyst for change and happiness! A best-seller, now published in over twelve different languages. For your pocket or bedside table.~~~~~This small pocket book is the threshold collection of sayings from White Eagle based on the theme of "following the Master within." Each saying gives helpful guidance on how to bring peace and harmony into one's life.		
	The Source of all our Strength	461	11.95
	A pocket-sized book of inspiration; reminding each person that they are spirit and that living as an expression of God energy releases our needs to experience lack of loss.		
	The Still Voice	257	9.95
	A carefully-chosen selection of readings from White Eagle's teaching, each reading in itself providing a theme for meditation. A short visualization follows, so that <i>The Still Voice</i> provides a perfect companion whenever peace of mind is sought.		
	The Way of the Sun	248	9.95
	Here, White Eagle's words have been collected around the model of a complete cycle of the sun, a year. It leads from the weak sunlight of winter, through the changing beauty of spring to summer's richness and peace; and on to harvest and the falling away of things in the autumn so that the rebirth of the sun can once again take place.		
	Walking With the Angels	456	13.95
	White Eagle's teaching gives us insights into whole angelic kingdom: from the guardian angels who trigger the miracles in our own lives to the beings who are masters of the rays of creation. He also speaks of the angels of creativity, with whom we may work, and the angels and other beings at work in the rhythms of nature with whom, too, we may find harmony. More than this, <i>Walking with the Angels</i> is a book about meditation and how our contact with the angels is also a path of healing for ourselves.		
	Wisdom from White Eagle	217	8.95
	Simple gentle authoritative words that draw aside the veil to reveal a world of infinite beauty.		
White	Across the Unknown	203	15.99
	An adventure into the unexplored regions of the inner dimensions and a formula for living.		
	The Betty Book	204	15.99
	Chronicles Betty's mediumship and the basic philosophy towards spiritual growth and living. It introduces us to the grandest adventure of all B the discovery of our own inner self.		
	The Unobstructed Universe	210	15.99
	Back in stock! An undisputed classic in the field of psychic exploration, <i>The Unobstructed Universe</i> is as important to human understanding as the tales of Marco Polo six hundred years ago. This book records the discoveries of Stewart White as he explored the terrain and topography of the inner dimensions of life.		
Whitwell	Sermonettes	218	2.00
	An interpretation of Spiritualism as a Science, Philosophy and Religion.		
Wickland	Gateway to Understanding	219	21.50
	Sequel to <i>30 Years Among the Dead</i> . Gives reports of actual seances etc.		
	Thirty Years Among the Dead	220	18.50
	A fascinating account of how mediumship was responsible for curing obsessions. The author was a highly respected American doctor. The medium was his wife. Their 30 years' collaboration succeeded in freeing scores of earth-bound entities, who were unaware of having taken possession of people in this world.		
Wilkinson	Autobiography of Emma Hardinge Britten (E)	079	20.51
	Founder and Editor of <i>ATwo Worlds@</i> journeyed throughout the world publicizing her own experience and the philosophy of Spiritualism. The power of the Spirit world did not only manifest itself in her life, but expressed itself positively, through her, bringing about the National Federation of Spiritualists, which later changed its name to the Spiritualists' National Union. A few words could describe this lady- >The Mother of Spiritualism'.		
Wilshire	You	221	8.95

Work	Awaken to the Healer Within	379	16.50
	In these writings we will offer you not only a very broad and through understanding of the healing process, but a complete healing at a very deep level of your Being, should you choose to accept it. The explanations are simple and the healing affirmations are in understandable language. It need not be made complicated; true healing never has been.		
	God This is a Good Book	378	16.50
	The writings contained in this book are a reflection of the authors experiences and conversations with his highest consciousness. On the leading edge of understanding the journey of the soul and taking the mystery out of mastery, He demonstrates to us the simplicity of healing and takes us on a beautiful gentle journey of understanding our relationship to the world and those around us.		
Worrall	The Gift of Healing	LY83	14.99
	Chronicle of their life's experience. A story of hope, healing powers and spiritual love.		
	Explore Your Psychic World	238	7.95
	Ambrose and Olga Worrall were two of the most gifted psychics of our modern times, as well as two of the most respected healers. Each had the clairvoyant ability to converse with discarnates, to see auras, to communicate telepathically, and to heal people hundreds of miles away. One of the things that made the Worralls so unique was their commitment to having their talents tested scientifically. As an expression of this commitment, they participated in a remarkable series of six seminars with scientists, medical doctors, and psychic investigators at Wainwrite House in Rye, New York. This book is based on the insights presented by the Worralls during the seminars. <i>Explore your Psychic World</i> is one of the most thorough overviews of the psychic aspects of life in print today. It examines auras, astral travel, communication with discarnates, clairvoyance, possession, psychic attack, and dreams.		
Worthington	Dimensions of Forgiveness	457	14.95
	The scientific study of forgiveness is a new approach to an age-old problem—a rapidly expanding field that can demonstrate, through scholarly research, the practical steps and benefits of the process of forgiveness in our homes, in our communities, and in our world.
