

# JWEB SETCIC Bulk Warrant Upload Process

# Process to upload SETCIC Warrants for External Agencies

Harris County Information Technology Center 406 Caroline Street Houston, Texas 77002 February 2019

#### Process Overview:

Following the new process, External Agencies will no longer be sending the warrants in an email to JIMS but will be uploading them securely via the JWEB CRIMINAL External Application (<u>https://criminalex.jweb.harriscountytx.gov/</u>)

This document will describe the entire process in detail. A brief overview of the process is shown below.

### Logging into JWEB CRIMINAL External website:

External agencies have to access the JWEB CRIMINAL EXTERNAL application and login with their Email credentials. The users should use their emails as usernames and their passwords associated with their email credentials created for the application.

**Note**: if you do not have your email credentials and you do not know how to login with the email credentials, please reach out to your agency liaison to create a request for you to obtain a username and password.

Below screenshots are for the login:

Step 1: Click on <u>https://criminalex.jweb.harriscountytx.gov/</u>, enter your email as username with the associated password in the password field and click Authenticate If you have issues logging in, call the helpdesk at 713-274-4444

#### Step 2: If you see the splash screen, click **Continue To JWEB** button at the bottom of the screen.

# **JWEB** Application Support Information For all application support request, please first contact your agency's security administrator or JIMS liaison.
