TOTAL MONGRELIZATION

The NAACP receives a gift of \$75,000 from the Philip Murray Memorial Foundation in New York ceremonies. Shown during the presentation, left to right, are Arthur Spingarn, NAACP president; Walter P. Reuther, CIO president, and Roy Wilkins, NAACP administrator.—Campbell Photo.

As the clipping at the left indicates, the C.I.O., under the leadership of the Russian-loving Walter Reuther, recently presented the National Association for the Advancement of Colored People (NAACP) with a \$75,000 donation to help with its "educational" fund ("education" for whites, that is, not for Negroes). The \$75,000 gift was accepted by NAACP president Arthur Spingarn, the Jew who has headed that trouble-making organization since 1939.

N.K. 4-11-56

— It isn't generally known, but the NAACP last year launched a ten-year, \$10,000,000 "educational" program under the slogan, "Free by Sixty-Three". Purpose of the campaign is to prepare public opinion for the total "integration" of Negroes into white society, and the deadline has been set for

1963. The "Free by Sixty-Three" campaign was officially launched at a Washington D.C. convention last March with the blessings of Ike Eisenhower, who appeared before the convention to assure NAACP delegates of White House support for the program.

To achieve its race-mixing goal the NAACP proposes to place Negroes into virtually every white community in America until there is no such thing as an all-white or all-Negro residential neighborhood. The reasoning behind this is simple. As the NAACP explains it, the present pattern of segregation is attributable mainly to segregated housing. Because of segregated housing Negroes and whites tend to keep to themselves, with the result that Negroes and whites have their own schools, churches, stores, sports and social organizations. Only when whites and Negroes have been placed in interracial neighborhoods, so the NAACP argues, will they mingle freely in school, at church, in social activities and, ultimately, in marriage. For this reason the NAACP will concentrate its attention upon interracial housing for the next ten years. Pressure will be exerted all along the line to move Negroes into white housing projects and into white neighborhoods. The purpose of the NAACP'S "Free by Sixty-Three" campaign is to beat down resistance to this program, and at the same time to "educate" white Americans into an acceptance of the situation. The time has obviously come for white Americans to take action if this Jew-inspired program for compulsory mongrelization is to be defeated... Let's fight back! - Let's put the NAACP out of business!

REPRINTS of this tract at the following rates: 20 for \$1.00; 100 for \$3.00 American Nationalist, Box 301, Inglewood, Calif.

MONGRELIZATION UNLIMITED!

Shown above is a preview of what the Jewish-led NAACP plans for all America under its "Free by Sixty Three" program. Scenes like these inevitably occur when the barriers of racial segre-

gation are lowered. Although pictures like these appear regularly in the Negro press, white publishers censor them, with the result that Negroes know what is happening, but whites do not.

BOYCOTT THEM!

Within the past year our alien-controlled TV industry has launched a vast and concerted propaganda campaign designed to encourage and glamorize wholesale race-mixing between whites and Negroes. At the moment they are concentrating on placing Negro "guest stars" on popular family programs as a means of getting them into your living room. By utilizing this device the alien masters of television have managed to work Negro actors and sports heroes into literally scores of family programs whose combined listening audience runs into the tens of millions.

The seriousness of this situation cannot be exaggerated, because television is not merely an advertising and entertainment medium; it is the greatest and most effective engine of propaganda ever conceived by the mind of man. Its influence upon the minds, morals and thinking habits of our people, and particularly our youth, is utterly incalculable. And when this vast potential is perverted into an instrument for brain-washing the American public into accepting

INTERRACIAL REHEARSAL

QUESTION....

compulsory mongrelization, then it is time for the people to take a hand in the matter. Something should be done, and must be done, to put a stop to the obscene and offensive racial propaganda on TV. You wouldn't invite a Negro crooner into your daughter's bedroom; why should you permit the TV industry to do it for you? The time has come for us to fight back!

Since all three of the major TV networks (CBS, NBC, ABC) are Jewish-owned, and since they are known to be working hand in glove with the American Jewish Committee (AJC) and similar groups in a deliberate campaign to mongrelize (i.e. "desegregate") every phase of American life, your protest to the networks will have little if any effect. But a protest, and a threat of boycott, to the sponsor is a different matter, because he is the one who pays the bill, and he is buying good will, not ill-will. It is true, of course, that a few advertisers have blatantly "pioneered" in the pushing of the interracial theme, but on the whole the sponsor is interested in good advertising -- not propaganda. In any event, the only practical way to voice your objection to offensive race-mixing propaganda is to boycott any and every advertiser who sponsors interracial entertainment on television. If enough people will do that, we can stop this thing in its tracks. If we fail to act, then someday that Negro in your living room won't be on-the-TV-screen; he'll be sitting on your sofa -- with your daughter... Let's fight back now! Let's BOYCOTT every product and every sponsor who features interracial entertainment!

JEW BEHIND NEGROES

Arthur Spingarn, the fanatical Jew at left, is president of the National Association for the Advancement of Colored People (N. A. A. C. P.). Spingarn has recently been condemned by the Un-American Activities Committee for his Communist activities. In 1955 the N. A. A. C. P. was exposed as a red front. Yearly the N. A. A. C. P. awards the Jewish Spingarn medal to negroes and Jews for race mixing and other Communist activities. The final goal of the N. A. A. C. P. is total mongrelization of the white race.

JEW FOUNDED COMMUNISM

Pictured at left is the father of Communism, the Jew Karl Marx (real name Mordecai). Marx founded Communism as a modern Jewish religion for domination of the gentile. Communism calls for immediate destruction of white nations. In a letter to Marx the Jew Baruch Levy stated the "The Jewish people as a whole will be it's own Messiah. It will attain world domination by mixing the races and abolition of nations." In writing the Communist Manifesto Marx's greatest helper was the Jew, Friedrich Engels.

JEW RUN COMMUNIST PARTY

The Jew, Gerhart Eisler, was long head of the Communist party in the United States before he fled this country after conviction. He is now propaganda chief of Russian occupied Eastern Germany. His right hand man and second ranking communist in America was J. Goldburger, also a Jew. Eisler's brother, Hans now works with fellow Jews in Hollywood who have turned Hollywood movies into a vast propaganda machine for the Communist Party.

At left is the Jew Israel Regenstein. He was editor of the notorious Communist Party paper The Daily Worker until convicted of trying to overthrow the government of the United States. He was one of the "Convicted Eleven" who comprised the American politburo. Regenstein served as an officer in the Communist revolution in Spain. The general manager of the Daily Worker is Philip Bart, a Polish Jew.

JEW COMMUNIST SPY RING

On the left are the Jews, Julius and Ethyl Rosenberg who were electrocuted for giving vital atomic data to Jewish controlled Soviet Russia. While employed at the Emerson Electric Company, Rosenberg stole the plans for the highly secret proximity fuse which was used against American planes in Korea. Thousands of Jewish Communists still remain in key positions in American defense plants and government posts. Few are ever elected most are appointed. In view of the shocking Jewishness of Communism, it is startling to find our Atomic Submarine project under the direction of the fanatical Jew, Rear Admiral Hyman Rickover, our Atomic Energy Commission under the direction of Louis L. Straus, also a Jew, and the far east (Asia) under the command of the Jew, Lyman Lemnitzer who sabotaged arms shipments to Korea.

The above are only a few of the Jewish Communists who are striving to communize America. Through inter-mixture of the races the Jews hope to lower the white race to a servile status so as to realize the longed worked for dream of Jewish world domination.

The civilization Americans enjoy today is a product of the creative genius and work of the white race, and none other. If the purity of our race becomes mixed with lower races civilization as we know it will cease to exist. The offspring of two different races is a mongrel, so jarred by his clashing heridity that he is quite worthless. These mongrels are unstable, non-creative and ugly. Should the Jew-Communists succeed with their plan for mixing white and black races, America will become a land of flat nosed, muddy skinned, kinky haired mongrels fit only to work in factories for their Jewish bosses. This is what the Jew-Communists have planned for the white race.

The preservation of the white race is one of the main objectives of the National Anti-Jewish Party. To stop Jewish Communism America must have a Third Party, a party devoted solely to the best interests of the white race. This party is the National Anti-Jewish Party.

Tom Reagan Ouster Urged

By PAUL THOMPSON
Staff Writer

City Personnel Director Frank Manuppelli said Monday he will move at once to force Patrolman Tom Reagan into "inactive status without pay."

"I don't believe Reagan can perform his duties as a police officer," said Manuppelli. "His public statements and his police duties conflict with each other."

Reagan continued over the weekend he will continue to further the aims of a group called "National Association for Advancement of the Majority of White People." As defined by the policeman, this group is composed of "gentlemen" opposing integration between Negroes and whites, on grounds the whites are superior.

Manuppelli said he will ask Police Chief George E. Bickel to put Reagan on the shelf because: "If he believes one race superior to another, he can't do his duty as a police officer."

Manuppelli continued: "This man is anti-Negro and apparently anti-Semitic. I think he should be permanently relieved of police duties because he persists in his organizing for white supremacy."

"The more he believes in one race's supremacy, the less efficient he becomes as a policeman."

A former FBI man, the personnel director has closely checked the record on Reagan since the tall, burly cop announced operation of a Texas NAAMWP branch last week.

However, he admits to being the Tom Reagan fired from the Alazan Creek project here in 1933 for working up a protest against "mistreatment" by foremen.

Manuppelli said he will ask authorities to make Reagan take the loyalty oath to the United States.

If he refuses the oath, Reagan can be kicked off the police force.

Patrolman Reagan lists immediate aim of his white supremacy group as that of abolishing the public school system if Negroes and whites are forced into the same classrooms.

Roman Catholic leaders in Bexar County have denounced the NAAMWP as "subversive."

But Reagan contends he and his cohorts figure to operate "through the vote and within the law."

Manuppelli said steps are under way to bring Reagan and his group to the attention of Atty. Gen. John Ben Sheppard.

Police Chief E. Bickel admittedly unhappy about Reagan's activities, has searched the city charter but has found no grounds on which to curb the strapping cop, known as "a pretty rough customer" in his handling of prisoners.

"A decent respect to the opinions" of the great majority of San Antonians prompts the assertion, here, that dismissal from the city police force—and not merely transfer or suspension—is, or was, the proper way to handle the Thomas H. Reagan incident.

That police officer vaunted his Texas State leadership of a malodorous organization—already notorious in other parts of the nation—of the Jew- and Negro-hating variety which has become a blotch on America's face. Out of his own mouth Reagan has condemned himself on the score of fitness to continue as a public servant legally and ethically bound to protect all the people. Could he be trusted to do that duty in any situation involving an element of the population which is the target of hate-peddling by his "National Association for the Advancement and Protection of the Majority of White People"?

The very name of that organization calls up recollections of the Ku Klux Klan which was flushed down the drain years ago. This Nation—this State and community—must not tolerate another such visitation.

The issue raised by the Reagan case is an issue of civic decency and elemental civil rights.

SAN ANTONIO NEWS 3/13/55

Officer Reagan Disqualified Himself for Police Service

When Thomas H. Reagan committed himself to the positive and active promotion of anti-democratic racial and religious discrimination, he rendered himself unfit for further service as a San Antonio police officer.

As the avowed anti-Semitic, anti-Negro state leader for a rabble-rousing, hate-peddling outfit called the "National Association for the Advancement and Protection of the Majority of White People, Inc.," he revealed himself incompetent to enforce the constitutional mandate of "equal protection of the laws" for all citizens. And that is the basic duty of any police officer.

By filing as a candidate for public office, Reagan further disqualified himself from continuing in the classified civil service of the city. And if state law is found to the contrary, it should be changed.

San Antonio public opinion and this community's civic and religious leadership spontaneously and overwhelmingly rejected all that this bigoted racist chose to stand for. To leave any measure of the great public trust of police power in his prejudiced hands would be intolerable.

Frank Manuppelli, municipal personnel director, has taken commendably determined and vigorous action in the Reagan case.

Certainly no legitimate concern for civil service rights in this case can outweigh the opposing civic rights of the minority groups involved and the general public's right to a just and trustworthy police force.

Every democratic principle supports Reagan's summary dismissal from public service. Suspension is not enough.

THE NATIONAL ASSOCIATION FOR THE ADVANCEMENT AND PROTECTION OF THE MAJORITY OF THE WHITE PEOPLE, INC.

TO THE WHITE PEOPLE

October 1958, a corporation was formed and chartered by the state of Georgia, THE NATIONAL ASSOCIATION FOR THE ABOLISHMENT AND PROTECTION OF THE RIGHTS OF THE WHITE PEOPLE, INC.

The organization was chartered as a non-profit sharing organization, to render aid to the white people of the United States. The sole purpose under this charter is to defend or prosecute any case in any court, which is necessary to protect any or all civil rights pertaining to segregation, and to defend the white race against the aggression of such minority groups as the NAACP.

The organization was chartered and dedicated to get the white people of America to unite in one common cause against any further aggression by the NAACP, or any other minority group, which are now attempting to destroy the white race. The white people of America know, that the NAACP has been inspired by other racial groups, and especially the Communist Party, which have arrayed themselves to break down every tradition of the white people of America, and to force upon us a mongrel amalgam of people, which of course, if allowed to continue with such aggressions against the white race, will cause us to be pushed back and become victims of the hands of this great monster the NAACP.

We have had thousands of letters, long distance telephonic calls and telegrams from all over the United States, as a result of the news items published in the newspapers of America which was released to them by the Associated Press from its branch office in Atlanta, Georgia. This demonstrates to us beyond a reasonable doubt, that the white people of America are now determined to join hands and put up a fight for our existence, and for which our fore-fathers dedicated their lives for, fought, bled and died to give the white people of America their freedom.

The organization has set the membership fee at \$7.00 per member, and \$7.00 per year per member thereafter. There are no other assessments or dues against any member other than the \$7.00 per year. In the charter granted to our organization it was provided, that the organization in addition to the membership fee, could receive contributions and donations to help carry on the great work of this organization. Upon receipt of any membership fee, it entitles the person to receive a membership card in which he or she becomes a part of the organization in helping in any way possible to carry on the work in getting new members.

The organization is further dedicated, to fight through our representatives in Congress to have the present nine members of the United States Supreme Court elected in the future by a majority of the voters of this nation. Therefore, they will be amenable to the people for any future acts of such political decisions as they are now rendering.

We shall fight Communism, Socialism, and Fascism, and uphold Americanism for the white people of this nation one hundred per cent.

The present officers of the organization, Mr. A. L. Berickson, President, Mr. Berickson is a business man who has been engaged in the mercantile business operated in the state of South Carolina and Georgia. Mr. Berickson now owns and operates the largest mercantile store in the state of Georgia.

R. L. Edington, Secretary-Treasurer, is a lawyer and has been in the practice of law for the past twenty years. He was appointed by the Georgia State Court, Griffin, Spalding County, Georgia, in the year 1948. Mr. Edington was appointed by Governor Herman E. Tamm to the Georgia State Court on November 12, 1948, as an Assistant Clerk of the Court. He has served in this capacity for the past five years. Mr. Edington was the organizer and obtained the charter for this organization.

For any reference as to the top management of this organization we refer you to the following: Honorable Marvin M. Griffin, State Capital, Atlanta, Georgia; Honorable Eugene C. Griffin, State Capital, Atlanta, Ga.; Honorable S. N. Fortson, Jr., Secretary of State, State Capital, Atlanta, Ga.; Honorable Chester W. Byers, Judge, State Court, Griffin, Judicial Circuit, Griffin, Ga. and Mr. D.R. Cumming, President of the State Court, Griffin, Georgia.

THE aims and purposes of this organization in addition to those stated above are to refrain from holding any private or public meetings, to be solely dedicated to the purposes above stated in respect to the civil rights of the white people, and to stop any further aggression by any group, which wishes to break down segregation between the white and colored people, us their way of thinking and life.

An Application for Membership
In The

CHRISTIAN ANTI-JEWISH PARTY

To J. B. Stoner, the Archleader of the CHRISTIAN ANTI-JEWISH PARTY, and to your Successors:

I, the undersigned, am a true and loyal White, Gentle, Anti-Jewish, Christian American. As such, I hereby renounce any and all political allegiance to any and all other political parties and persons and, henceforth, give my full political support to you until you die or resign; I will give the same support to your Successors, however you provide. I do so because I admire your Christian and patriotic efforts to Free Our America from the Jews. If I ever become unwilling to follow you, I will promptly Resign from the Party by sending you a written Resignation.

In so far as affairs of the Christian Anti-Jewish Party are concerned, I recognize your authority as being full and unlimited; you have the complete and unrestricted right to do and un-do and give orders and to rescind orders. In so far as you, as Archleader, think that such will benefit this Party, you may dispose of said Party's funds and resources however you choose, without any restrictions.

I assure you that I will never believe Jewish or Jewish inspired lies that are directed against you and the Party. Lying Jew-controlled newspapers will never deceive me; I will always believe you in preference to them.

I agree to vote for and support any and all candidates that the Christian Anti-Jewish Party sponsors or endorses for Public Office. I will vote in every election. At every election, I will ardently strive to get at least 50 non-members to go to the polls and vote for the candidates of this Party. I will also support this Party's position in all referendums. I will do more than my part.

I recognize the fact that CHRISTIANITY is the one and only true religion and that all other so-called religions are false. I, like you, believe in Anti-Jewism, American Independence, the White Race and its Preservation, Liberty, Private Property, Freedom, Trial by Jury, active Patriotism, Law and Order, Upholding the U. S. Constitution, Free Enterprise and High Wages, Tax Exemptions for Farms and Homes, low Federal Taxes, large Old Age Pensions, and the Party's other great principles.

I, like you, am against communism, socialism, high taxes, internationalism, the United Nations plot, the world government conspiracy, and racial mongrelization because all of those things are evil and Jewish. Communism is Jewish! Satanic communism must be destroyed so as to prevent the Jews from destroying us with it.

Americans should not suffer poverty in a rich land of plenty while the hoggish Jews wallow in luxury. And, we Americans should never go hungry while the greedy Jews hoard our dollars.

The U. S. Government must Expel the Jews to Palestine, or some place that is more isolated, and Confiscate their ill-gotten wealth for the benefit of the American People. The Jews have our money and we want it back. When we get it back, we will then enjoy a genuine and lasting prosperity, with plenty for all. Money, gold, businesses, and property that the Jews unrighteously possess must be legally taken by the Government and given to us loyal Americans. It is not right for the Jews to have a monopoly of our money and wealth. America rightfully belongs to us Americans, not to the Jews. When the Jews are gone, we Americans will have and enjoy our own rich Country. The Jews have too much money; but soon, it will be ours.

Therefore, please grant me membership in the Christian Anti-Jewish Party.

CHRISTIAN ANTI-JEWISH PARTY STAGES PICKET LINE BEFORE WHITE HOUSE

by Peter L. Xavier

"Bold defiance against the onruling Black Tide of Race Mixing was hurled in the face of the Jew dominated administration by the Christian Anti-Jewish Party which staged a bold picket line before the White House August 16th and 17th. Arch-leader J. B. Stoner threw his seasoned picketers into the fray, the huge posters expertly displaying the most outspoken sentiments against mongrelization and its Jew authors. Five of the ten posters used began "Mr. President and Congress," and identified the crusading organization—"Christian Anti-Jewish Party, P.O. Box 48 Atlanta, Georgia.

"Throw off the Jewish yoke and give Negroes a rich country in Africa. Make America 100% White Christian."

"Defy the Jews and Restore Racial Segregation. Give us a new Supreme Court that will rule for the White Race."

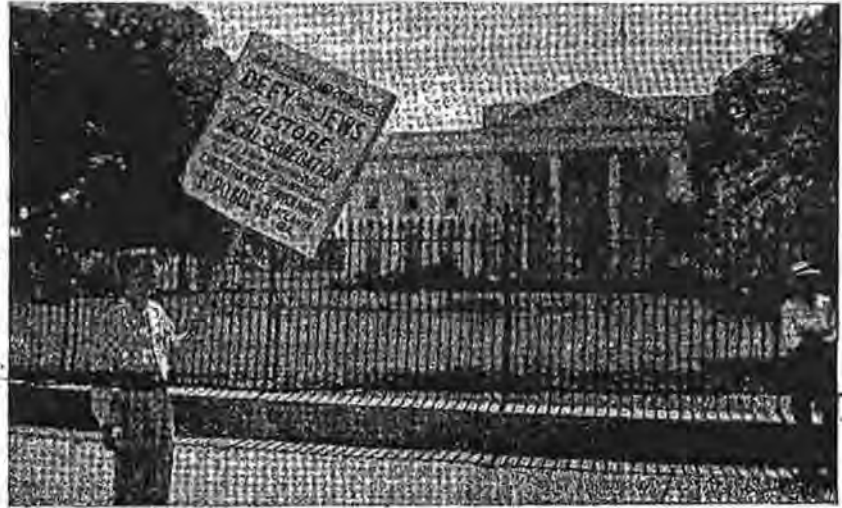

"Buck the Jewish Invisible Government; Revoke anti-White Supreme Court decision; Amend the Constitution, etc."

The sentiments and objectives of the picket line found a warm spot in the hearts of those who read such placards as, "White Schools for Whites, Black Schools for Blacks, Jew Schools for Jews, Save Racial Segregation", or

"Jew Spies gave Atomic Bomb Secrets to Red Russia; Save America by Expelling the Jews." Said one thoughtful man: "I sure wish you folks all the luck in the world."

Police Protection Excellent

For their calm, capable and fair action in guarding the pickets and maintaining order on the line the White House guards and the special police detail sent to handle this job deserve much credit. There was no

Washington Picket Line

disturbance as none was permitted to develop.

Under the sweltering, humid ninety-degree-plus weather, the marchers for America and their race walked hour after hour, never flinching.

A host of cameras played upon the crusading phalanx, many small everyday affairs, others large, expensive, purposeful and manned by polite but insistent operators. Motion picture cameras were also used by many on both days. News agencies covered the demonstration, but the Jewish silent treatment kept most White Americans from reading about the event in their local papers. Such proves that the Jews control the Public Press. However, the opponents of Christianity and Nationalism were able to read about the picket line in certain Jew periodicals. Therefore, placards reading: "Stop Race

Mixing; Jew-led NAACP and Jewish B'nai B'riths A.D.L. made Supreme Court Ban Segregation"; or "Communist Spies are Jews; Harry Gold, the two electrocuted Rosenbergs, Dexter White and others—Send the Jews Home"—these signs were read by hostile eyes other than the chance passerby.

Appeal to Support McCarthy

The Jews have manhandled and humiliated the great American Joe McCarthy at every turn. The Christian Anti-Jewish Party did not forget the Magnificent McCarthy, recognizing that the Jews are the fountainhead of Communism. "Don't let the Jews ruin Senator McCarthy." This bold challenge was supplemented with: "Jew Communists and Jew controlled Press are against Senator McCarthy. Please help him."

The marchers in Washington were experienced. The daily newspaper monopoly in Chattanooga, Tennessee refused to run the Christian Anti-Jewish Party's leaflet entitled "Defend The White Race" as a paid ad. So about two weeks before the Washington event, the Party ran a 2 day picket line in front of the Chattanooga newspapers telling the White People about the unfair refusal. The Jew controlled newspapers can't effectively silence courageous Americans that are determined to be heard. Here is a Party that dares to come out in the open in defense of Christianity, America and the White Race. It's members are like the Chairman of the Party's Fulton-DeKalb County Committee, James R. Venable, one of Atlanta's most prominent lawyers

White House Picket Line

He wants all to know he is a member.

So the cameras clicked, the people talked, the imperturbable picket line maintained its slow, deliberate pace before the White House. Its duty well done. at the close of its two demonstration the representatives of the Christian Anti-Jewish Party wore colorful armbands and drew their picket signs high with them the admiration and best wishes of every right thinking, patriotic American who witnessed their superb demonstration of Patriotism. Washington D.C., indeed the nation itself, can never be quite the same after the impact of this determined blow-struck for White Racial Purity and American Nationhood. Into the very heart of the Government, black with clouds of race mixing and mongrelization, had come a White ray of hope.

UNITED STATES DAY

Gov. Lee of Utah has not only refused to proclaim Oct. 23 as United Nations day in his state for the second straight year, but has issued a proclamation calling for observance of that day as United States day. The governor thinks things are out of balance when Americans are called upon to give homage to U.N. but nobody asks them to reverence their own country. We think the governor has done the right thing, altho he exposes himself to the condemnation of all America Lasters as a nasty patriot.

—From Chicago Tribute Oct. 10, '54

Oct. 9, 1954. UN report advises employees to avoid patriotism Unswerving loyalty to UN asked of 10,000 UN employees, of which

2,200 are Americans.

United States Congress put us in UN, they are keeping us in UN, they use our money to finance UN. WHO ARE THE TRAITORS? You and I, if we vote for any man who does not follow the example of Gov. KOL NIDRE

"JEWS' IMMORAL PRAYER"

The "KOL NIDRE" is named after the first two words of a traitorous, immoral and iniquitous "prayer", these two words are ALL VOWS, based on the declaration of the vile, bloodthirsty, blasphemous and anti-Christian "bible of the Jews" known as "The Teacher" meaning and known also as the TALMUD—a sealed book practically to non jews carefully camouflaged by the Jews issuing abbreviated and false copies purposely in European languages, specially to mislead and hide the contents of the Hebrew one (!):—

"HE WHO WISHES THAT HIS VOWS & OATHS SHALL HAVE NO VALUE, STAND UP AT THE BEGINNING OF THE YEAR & SAY. "All Vows which I shall make during the year shall be of" "No. Value" - (Kol Midrim)

HERE THEN IS THE "IMMORAL PRAYER", SAID ONCE A YEAR:— "All Vows, obligations, oaths, or anathemas, pledges of all names, which we have vowed, sworn, devoted, or bound ourselves to, from this day of Atonement, until the next day of Atonement (whose arrival we hope for in happiness) we repent, beforehand, of them all, they shall all be deemed absolved, forgiven, annulled, void and made of no effect; they shall not be binding, nor have any power; the vows shall not be reckoned vows, the obligations, shall not be obligations, nor the oaths considered as oaths."

It would be pleasant to declare that this traitorous and wicked prayer is merely one of the curiosities of the darkness that covers the Talmud, but the fact is that "KOL NIDRE" is not only an ancient curiosity; it IS a modern practice. It appears in the volume of revised "FESTIVAL PRAYERS", published in 1919 by HEBREW PUBLISHING CO., NEW YORK.

DEFEND THE WHITE RACE

The Great White Race Has a Right to Live

The Jews have destroyed Racial Segregation. The National Association for the Advancement of Colored People (NAACP) has spearheaded the fight to get the Supreme Court to outlaw Segregation. It has amazed some people to discover that the President of the NAACP is NOT a Negro BUT the JEW Arthur Spingarn. The NAACP was founded by his brother, the JEW Joel Spingarn. The national board of the NAACP has many Jew directors on it.

Jews Behind Race Mixing

All major Jew organizations are against Segregation. B'nai B'rith is the largest Jewish fraternal order in the world. The Jewish Anti-Defamation League of B'nai B'rith filed a brief with the Supreme Court in opposition to Segregation. It happily welcomed the decision against Segregation by saying, "the strongest victory yet" in the South in recent years. (P. 13, Chattanooga Times, May 18, 1954.)

The Jew-owned Chattanooga Daily Times welcomed and praised the Court ban against Segregation in its own subtle way. Also, it (P. 3, May 18, 1954) quoted a Jewish rabbi as saying, "When I heard this afternoon of the Supreme Court's decision I gave thanks to God."

The Jewish Rosenwald Fund spent \$30 million financing organizations and writers that promote racial mongrelization. A race once mongrelized is lost forever. The Negroes are victims of the Jews—in politics and finance. The Jew plan of mongrelization (intermixing) would end the African race as well as the White.

"JEWISH LIFE" magazine in its June, 1950, issue on page 8 states: "Our job as Jewish Communists is to take the lead in educating the Jewish masses on the meaning of white chauvinism (White Supremacy) and to enroll the Jewish community in an all-out fight against white chauvinism (Racial Segregation). This is paramount in our work in the struggle for Negro rights. This is vital to the struggle of the Jewish people for their own security and future."

Don't Let the White Race Die

Do you want your children to go to school with Negroes? If so, they will eat together with them in the school cafeterias and use the same rest rooms. Do you want your children to dance with Negroes at school dances? Do you want your grandchildren to be part Negro? Do you want Negro school-teachers to teach your children? Would you let your daughter date a Negro classmate? If you love the White Race and your own children, you will NEVER let such terrible things happen.

You can save Racial Segregation. You can Preserve the White Race. Join and elect the Christian Anti-Jewish Party to power and your children will NEVER have to go to school with Negroes. Our Party will solve America's racial problem in a strictly legal way—and in fairness to both races. Elect enough of our candidates to public office and we will enact a law or Constitutional Amendment that will give the Negroes a rich and prosperous country of their own in Africa.

Elect a New Supreme Court

We will also change the law so that the Supreme Court will be elected by the People or by Congress. We will then elect a court that will rule for Separation of the Races.

EASTLAND RIPS SUPREME COURT

Navy's Action In Landy Case Based On Good Evidence

WASHINGTON, D.C. — Another Jewish security risk made the news last month to the accompaniment of a great deal of weeping and wailing from organized Jewry, which as usual sought to depict the suspect as another victim of "witch hunting". He was Eugene Landy, a student at the United States Merchant Marine Academy who was denied a Naval Reserve commission after the Navy learned of his mother's Communist activities.

Indicative of the awful power which Jewish and left-wing elements in this country exert over the wire services, the press, and radio nets was the way the story was presented to the American public. Heart-tugging stories of Landy's patriotism and anti-Communist sentiments blossomed forth like magic on thousands of newspapers. The public was saturated with endless recitals of his brilliant record as a student, and of his successful struggle to persuade his mother to leave the Communist Party eight years ago.

GENEVA—"Out of about 600 scientists from all over the world who will gather at Geneva August 8 for the two-week International Conference on the Peaceful Uses of Atomic Energy, a total of 104 are Jews". So ran the opening paragraph in a news story in the "American Hebrew" last month (Aug. 5th). Similar stories boasting of the Jewish domination of the Geneva atom conference were carried in numerous other Jewish newspapers, including the west coast's "J'nai Brith Messenger", which gave a country by country breakdown of the Jewish scientists in attendance.

How Lyman Lemnitzer Sabotaged

"[Senator] Ferguson demanded to know how much of the \$10,230,000 provided for Korea in the MAP authorization of July, 1950, and the appropriation of the following October had been spent and how much material had been delivered. Looking as though he'd rather be facing a Russian tank with a can opener, Lemnitzer answered that only a small amount of signal equipment had actually been sent. How much? prodded Ferguson. Very little, Lemnitzer replied. How much? Ferguson insisted. Well, not more than several hundred dollars' worth, Lemnitzer said. Ferguson insisted and Lemnitzer finally put the sum at \$200."

—From NEWSWEEK, July 10, 1950.

U.S. Arms Shipments To Korea

You may find it hard to believe, but the four-star Ketcher general above is the successor of General MacArthur, Van Fleet, Ridgway and Masi Clark as Supreme Commander of our military forces in the Far East. His is Lyman L. Lemnitzer, and he is the individual responsible for blocking the flow of U.S. military supplies to South

Korea on the eve of the Korean War in 1950. Lemnitzer was called before a Senate Committee by Senator Ferguson, Knowland and others a few days after the outbreak of the Korean War to explain that little detail, and a portion of that proceeding, as described in NEWSWEEK magazine at the time, is quoted above (left).

Yiddish General Appointed U.S. Supreme Commander In Far East

SPECIAL—A few days after the outbreak of the Korean War in 1950 a Senate Committee conducted an investigation into the reasons behind our shocking failure to provide military assistance to South Korea prior to the outbreak of hostilities. Specifically the Committee sought to learn how much of the \$10,230,000 appropriated by Congress the previous year for military aid to Korea had actually been sent there. To find the answers to these questions the Committee called in the head of the Military Assistance Program (MAP), Major General Lyman Lemnitzer. The paragraph above left (see cut) taken from the July 10, 1950 issue of NEWSWEEK, describes a portion of

Under close questioning by Senators Ferguson and Knowland, Lemnitzer reluctantly admitted that only about \$200 worth of military equipment had actually been shipped to South Korea, and this despite the frantic appeals of the Korean Republic for planes, tanks and other vital war material. Although much of Lemnitzer's testimony was suppressed, enough was revealed to demonstrate beyond question that our aid program to Korea had been deliberately and systematically sabotaged. The plain fact is that Lemnitzer, like every other Jew in the U.S. Government, was fanatically opposed

to the anti-Communist South Korean Republic, and used his key position as head of MAP to see that none of the money appropriated for Korean military aid ever reached Syngman Rhee's government.

Last month the American public had good reason to reflect upon all this, because both Lemnitzer and South Korea were again in the news. The headlines were occasioned by a series of bitter demonstrations in South Korea in protest against the continued presence of Communist "truce teams" operating on Korean soil under protection of United Nations (meaning American) troops. The South Koreans, (Cont. Page 4 Col. 1)

Gives Red Record Of "Experts" Cited In Court Decision

WASHINGTON, D.C. — On May 26th of this year one of the South's most distinguished statesmen arose in the U.S. Senate to deliver what was probably the most significant speech of his entire career. He was the honorable James O. Eastland of Mississippi, and his subject was the Supreme Court and its infamous school desegregation decision of last year.

Senator Eastland assailed the decision on two counts: first because it had been admittedly rendered on the basis of "psychological, sociological and anthropological" authority rather than upon the Constitution itself, and; secondly, because most of the scientific authorities thus cited by the Court have long and well-documented Communist front records.

Although Senator Eastland's (Cont. Page 2 Col. 1)

Sobeloff Appointment Blocked In U.S. Senate

WASHINGTON, D.C. — The United States Senate, in a move which surprised most observers, has at least temporarily blocked the appointment of the Russian Jew, Simon Sobeloff, as a Judge of the Fourth U.S. Circuit Court of Appeals. Sobeloff, who as U.S. Solicitor-General currently occupies the second highest legal office in the land, is being quietly booted out of the Justice Department as a result of his disgraceful performance in the John Peters case several months ago. Eisenhower's scheme to ease him into a cushy federal judgeship backfired, however, when a group of Senators led by Strom Thurmond of South Carolina held up the appointment until Congress meets next year. LANDY CASE

ago. Pictures of cadet Landy and his "widowed mother" appeared in hundreds of newspapers, magazines and newsreels. Editorials by the scores were written on the bitter injustice of the Navy's refusal to commission Landy. From all the public could learn, Landy had indeed gotten a raw deal.

But what the public was not told were the facts concerning Landy's mother, whom the Navy described as being very "close" to her son. To begin with, she was not merely a Communist Party member, but was a recruiter for the Party. And although she claims to have resigned from the Party eight years ago, she has continued her subscription to the DAILY WORKER right up to the present moment—hardly the act of a repentant who has rejected Communism. And finally, when the Un-American Activities Committee sent an investigator to question her after the Landy case made the headlines, she refused to give any information, but instead lobbed a blast at the Un-American Activities Committee—a fact, incidentally, not reported by most papers.

Later she did reluctantly appear in closed session before the Committee, but the transcript of her testimony was not made public, although it is known that the Committee questioned her extensively about her activities as a recruiter for the Party from 1937 to 1940. These were just a few of the reasons behind the Navy's decision not to commission Landy—reasons which our controlled

SOBELOFF

Cont. from Page 1)

Simon Sobeloff is no stranger to readers of the American Nationalist. As a matter of fact he was featured in a headline story in our Feb. '54 issue on the occasion of his appointment as Solicitor-General. At that time we denounced the appointment as an incredible blunder, and accurately predicted the eventual outcome: "To appreciate the significance of the Sobeloff appointment," we wrote at the time, "it must be remembered that the function of the Solicitor-General is to represent the Justice Department in its important cases before the Supreme Court. This means that when important civil rights issues are brought before the Court, Mr. Sobeloff will occupy a key position, since he can in large measure determine the outcome of a given case by the way it is presented. And as a vice-president of the American Jewish Congress (he is also an official in the race-mixing Urban League), Sobeloff can be expected to present such cases in the interest of organized minority groups, rather than in the interest of the United States."

Thus did we analyze the situation just 18 months ago. Now let us check Mr. Sobeloff's record since then to see whether he has in fact acted in the best interests of the United States, or whether,

I'LL CRY TOMORROW, based on the autobiography of the Jewess, Lillian Roth, is slated for release soon by MGM. The BENNY GOODMAN STORY will also appear in the theatres shortly. This makes at least a dozen "biographical" pictures featuring Jewish personalities to come out of Hollywood within the past few years, although non-Jews are almost never selected as subjects.

THE \$64,000.00 QUESTION is, as you would expect, a 100% Jewish production. Producer of the show is Louis Cowan. Quizmaster is Hal March. Both Irishmen.

YOU CAN EXPECT an increasing number of Negro "guest stars" to appear on leading TV shows this coming year. This is no indication Negro performers are in greater demand, but is a reflection of network policy. The networks produce many of the popular shows and they are working Negroes into guest spots wherever possible as a propaganda dodge. Idea is to promote a greater public "acceptance" of coloreds.

TWO OF THE MAJOR TV-RADIO NETS, incidentally, have attempted to camouflage their Jewish ownership by taking on Gentile presidents. Thus the president of NBC (actually controlled by the Russian-Jew, David Sarnoff), is Sylvester Weaver, while an Arthur Hayes has been made president and front man for the CBS radio net—although the firm is controlled by the Jew, W. Paley.

LYNN BARI, who is Jewish, recently married a Yiddish psychiatrist in a Beverly Hills ceremony. She is the former wife of Sid Luft, now married to the Jewess, Judy Garland.

THE COLGATE VARIETY HOUR, following in the footsteps of Ed Sullivan's TOAST OF THE TOWN, is pushing the interracial theme hard. Other programs which featured Negro performers during the summer months include: MONITOR (Count Basie, Roy Hamilton, Buddy Johnson); HORACE HEIDT SHOW (Lionel Hampton); FRANKIE LAINE TIME (Duke Ellington); GARY MOORE SHOW (Rosetta Tharpe); YOU ARE THERE (Jay Sneezy); VOICE OF FIRESTONE (Price & Warfield); WOOLWORTH HOUR (Ella Fitzgerald); ARTHUR MURRAY PARTY (Sarah Vaughan and Pearl Bailey). And this, it should be noted, is only a fragmentary listing. It does show, however, how the multi-billion dollar entertainment industry is being used to popularize interracial "culture".

as predicted, he used his office to advance the interests of the NAACP, the American Jewish Congress and other organized minority groups. Two vitally significant cases will suffice to illustrate the point.

The first was the school segregation case, brought before the Supreme Court by the National Association for the Advancement of Colored People. Mr. Sobeloff threw the full weight of the Solicitor-General's office behind the NAACP, and appeared personally before the Court to support the NAACP's stand. In view of his background such conduct was not surprising, but it did serve as an interesting contrast for another civil rights case in which he also became involved. This was the controversial John Peters case.

JOHN PETERS CASE
Peters, a Yale professor, had been dismissed from a government position as a security risk following an adverse ruling by a Loyalty Review Board. With some 18 charges of Communist collaboration against him, there seemed little doubt as to his security status, but Peters took the matter to the Supreme Court on the contention that he had a

right to "face his accusers"—meaning the right to delve into the government's confidential files and sources of information.

The Justice Department, attached especial significance to the case because a ruling in favor of Peters would have in effect destroyed the government's entire security program. For that reason the Justice Department took great pains to prepare its case against Peters. It was at this point that Sobeloff figured in the picture, because as Solicitor-General it was his duty to argue the government's case before the Supreme Court. Sobeloff flatly refused. Not only that, but he refused to sign the Justice Department's brief in the case—an unheard of action. As a result of this unprecedented situation, Attorney-General Brownell was forced to send an assistant to argue the government's case before the Court. Fortunately, the case was decided on a technicality (in Peters favor) rather than on the basic issue, so that our security program remained intact despite Sobeloff's fanatical attempt to hamstring it.

As a consequence of Sobeloff's attempted sabotage of the gov-

Editor's Report

For many years a veritable censorship has been imposed upon the activities of the so-called "anti-Semites" and other "right-wing extremists", so that no person critical of organized Jewry is ever given publicity of any kind by the press. Now, from all appearances, this technique is being employed in milder form against conservative leaders of both parties who express opinions offensive to the liberal-internationalist set.

FRANK L. BRITTON

Senator Eastland's great speech exposing the Supreme Court, for instance, was completely blacked out. Senators Knowland, McCarthy, Jenner and others are getting similar treatment, while the floodgates of publicity are opened wide for turncoats like Senators George and Kefauver.

ernment's loyalty program, Attorney-General Herbert Brownell has since made a determined effort to remove him from his key position without too much embarrassment to the Eisenhower administration—which, of course, is responsible for him being there in the first place. The nomination of Sobeloff to a judgeship in the Fourth Circuit Court of Appeals was the apparent solution—until Congress blocked the move by refusing to confirm the appointment. It remains to be seen whether it will be approved when Congress convenes again next year. Meanwhile, Sobeloff remains as Solicitor-General—the second highest legal officer in the United States today.

SIGNIFICANCE: Although the bitter feud between Sobeloff and Herbert Brownell over the handling of the loyalty program has largely been suppressed by the wire services, Sobeloff's appointment to the key position of Solicitor-General is now commonly recognized in Washington as an Eisenhower blunder. But if that original appointment was a blunder, the present attempt to place him in another government position takes on the color of stupidity, for there is no question now as to Sobeloff's unfitness. The fact that Eisenhower would again appoint this Russian-Jew to a high government position for a second time, and over the heads of literally hundreds of better qualified men, makes it all the more apparent that he is incapable of exercising competent judgment in these matters. It will remain for Congress to exercise it for him by again blocking Sobeloff's appointment when it comes before next session. Sobeloff should not only be removed not only from the Solicitor-General's office, but from the government of the United States in any capacity.

dynamic speech was completely suppressed by the nation's wire services, its effect was not lost upon the South, where tens of thousands of copies have been distributed to local officials, legislators and others concerned with preserving racial self-respect in their respective states. Senator Eastland's great speech, despite wire service censorship, is destined to become the chief rallying point for Southern resistance to the Supreme Court's near-criminal school segregation decree of May 17, 1954.

To appreciate why this is so, it is necessary to have some knowledge of the background to the Supreme Court's de-segregation decision, for it must be remembered that the Court did not merely hand down a decision in this case, but at the same time reversed a previous Supreme Court ruling which had been in effect as the law of the land for generations. This was the famed "separate though equal" doctrine first enunciated in the case of "Plessy vs. Ferguson" in 1896, and sustained by numerous Supreme Court rulings since then.

PLESSY vs. FERGUSON
In the "Plessy vs. Ferguson" case, the Supreme Court affirmed the right of Negro school children to equal educational facilities with whites, but ruled that nothing in the Constitution required they be educated in the same schools. "Legislation is powerless," decreed the Supreme Court in 1896, "to eradicate racial instincts or to abolish distinctions based upon physical differences, and the attempt to do so can only result in accentuating the difficulties of the present situation. If the civil and political rights be equal one cannot be inferior to the other, civilly or politically. If one race be inferior to the other socially the Constitution of the United States cannot put them upon the same plane". Thus spoke the Supreme Court in 1896, and thus was the time-honored "separate though equal" doctrine born. Until May of 1954, when Earl Warren, Felix Frankfurter and their left-wing cohorts reversed it, the "separate though equal" concept was universally recognized as the law of the land.

ENTER THE "EXPERTS"
In outlawing the "separate though equal" doctrine Mr. Warren's Supreme Court did not rely upon the Constitution itself for authority, nor did it seek to imply that the authors of the 14th Amendment intended that the races should be forcibly mixed when they wrote the Amendment. As a matter of fact the Supreme Court did not go to the U.S. Constitution at all for its authority, but relied rather on a number of psychological and sociological "experts" to justify its decision. As the outraged Senator Eastland put it: "The Supreme Court could not find the authority for its decisions in the wording of the 14th Amendment, in the history

THEODORE BRAMELO: Ten Red Affiliations

ISIDORE CHELN: of the American Jewish Committee

In handing down its infamous de-segregation decision of May 17, 1954, the Supreme Court did not go to the U.S. Constitution for its authority, but instead relied upon the "expert" opinion of a number of psychologists and sociologists to justify its decision. An analysis of the "medical authorities" cited by the Supreme Court

of the Amendment, or in the decision of any court. Instead, the Court was forced to resort to the unprecedented, unsound, and irrelevant authority of a group of recent partisan books on sociology and psychology. If this is the judicial calibre of the Court, what can the Nation expect from it in the future? What is to prevent the Court from citing as an authority in some future decision the works of Karl Marx?

Although Senator Eastland's remarks might at first appear to be a bit far-fetched and exaggerated, an analysis of the so-called psychological and sociological "authorities" cited by

Whatever may have been the extent of psychological knowledge at the time of Plessy vs. Ferguson, this feeling is simply supported by modern authority. Any language to justify segregation contrary to this feeling is unjustified.

It is indicated that in the field of public education the doctrine of "separate but equal" has no place. Separate educational facilities are not only unjust, but also unworkable.

As indicated above, the Court reversed the Plessy vs. Ferguson decision of 1896, and thus outlawed segregated schools, not because the U.S. Constitution reads differently than formerly, but because psychological knowledge is allegedly more advanced now. But the Court is supposed to interpret the Constitution, not Freud.

the Supreme Court in justification of its decision fully warrants concern. Because the startling and almost unbelievable fact is that more than half of these "scientific authorities" have Communist affiliations, while most of the others were closely identified with the same minority pressure groups which brought the school segregation case before the Court to begin with. Given below is the incredible record of some of the "scientific authorities" cited by the Supreme Court in its school segregation decision of last year:

Theodore Bramelo, whose book, "Educational Costs in Discrimination and National Welfare"

was cited in the Supreme Court decision, has at least ten Communist-front organizations to his credit (see cut, above). His record as a fellow-traveler and as a pro-Communist agitator can be traced in House Un-American Activities Reports from 1938 right down to the present. His name has also frequently appeared in the DAILY WORKER as a supporter of Communist causes.

E. Franklin Frazier's book, "The Negro in America" is likewise named as an authority by the Supreme Court. Mr. Frazier is listed 18 times by the Un-American Activities Committee as a Communist collaborator. As long ago as 1937 he was named in the DAILY WORKER as a speaker at a Communist-sponsored meeting, and as recently as 1949 he served as vice chairman of a Communist-front organization. And his book, "The Negro in America", was widely advertised in Communist bookstores and publications (including the DAILY WORKER) in 1950—the same book, mind you, which the Supreme Court listed as a reference in its school segregation decision!

Gunnar Myrdal's book, "An American Dilemma", is also listed as an authority by the Supreme Court. Myrdal is a European sociologist brought to this country by the leftist-aided Carnegie Foundation to conduct a survey of the Negro problem. Myrdal, who knows nothing about the subject, was furnished with a staff of "social experts" by the Carnegie Foundation, who compiled and wrote "An American Dilemma". How many had Communist records? Sixteen of them. A few had only one or two Communist affiliations; others, like Frank Boas and W. E. B. DuBois,

had eight or more citations each. "The Psychological Effects of Enforced Segregation", by Deutscher and Cheln, is likewise offered as a reference by the Court. Both are Jews, and their report on "enforced segregation" was sponsored by the American Jewish Congress, of which Isidore Cheln (see cut) is an official. The latter fact is especially noteworthy for the fact that the American Jewish Congress entered a brief in the school segregation case as a "friend of the court".

K. B. Clark's report on "Effects of Prejudice and Discrimination on Personality Development" was similarly listed as a reference by the Court. And K. B. Clark, please note, is an employee of the NAACP—the chief litigant in the case!

And so here are the psychological and social "experts" cited as references by the Supreme Court in substantiation of its de-segregation decree of last year. Of the eight individuals named, two (Wilmer and Kotinsky) are virtually unknown in the field of social science. Two others have flagrant Communist records—one having 10 Communist affiliations, the other 18.

One other, Gunnar Myrdal, was aided by numerous "social experts" in compiling "An American Dilemma", 16 of whom had Communist front records.

Another, K. B. Clark, was an employee of the chief litigant in the case (the NAACP) while two others (Deutscher and Cheln) were connected with the American Jewish Congress—likewise a participant in the case as a "friend of the court".

It was upon the authority of these "experts" that the Supreme Court rendered its decision against segregated schools last year.

LEMNITZER

Cont. from Page 3

increased over the flagrant abuse of the armistice terms by the Communists, and embittered over what they fear is an impending sell-out by the Eisenhower administration, rioted against the truce teams and against the American troops called out by Lemnitzer to protect them. At the same time Lemnitzer delivered what was generally regarded as an ultimatum to Syngman Rhee against any further demonstration, or use of force, against the Red truce teams.

Thus by an ironic twist of circumstances the U.S. Army found itself last month under the command of a four-star Kosher general—and under strict orders to protect the lives of the very same Communists who shortly before had callously butchered some 8,000 G. I. war prisoners during the course of the Korean "police action". Meanwhile our loyal Korean allies in that struggle were stoning U.S. troops, and in turn being tear-gassed and shot at by the Americans—all because the Eisenhower administration insists upon acting as the special guardians of the Communist spy teams masquerading as "truce inspectors" in Korea. And adding to the irony of the situation was the fact that the United Nations supreme commander in Korea and the Far East—and the man entrusted with implementing U. S. policy there—was none other than the Jewish general who had an adroitly blocked the shipment of military supplies to Korea in 1949—Lynn Lemnitzer.

SIGNIFICANCE: To properly evaluate the significance of Lemnitzer's appointment as Supreme Commander in the Far East—a position formerly held by such men as MacArthur, Van Fleet, Ridgeway and Mark Clark—it must be remembered that the Dulles-Eisenhower policy there is merely an extension of the old Acheson-Truman policy. Ultimately this calls for the recognition of Red China, the "neutralization" (i.e. emancipation) of Formosa, the pacification of South Korea, and the admission of Red China to the U.N.

Needless to say, the implementation of such a policy calls for the abject betrayal of the only two effective anti-Communist leaders in the Orient, Chiang Kai-Shek and Syngman Rhee—even to the point of using American military forces against them. As a matter of fact U.S. units are even now being employed to restrain Rhee, just as they were used in the Formosa Strait under Truman's orders to restrain Chiang from attacking the Communist-held mainland during the Korean War.

In the past this policy has inspired the bitter opposition of our military commanders in the field. One after another they have returned to the U.S. to denounce the deliberate betrayal of our allies in the Far East, and one after another they have indignantly protested against fighting battles they were not allowed to win.

Press Report

WASHINGTON, D.C.—The failure of the Eisenhower administration to prosecute a single new Smith Act case since the Army-McCarthy hearings of a year ago is arousing considerable comment. More than 100 Smith Act indictments were handed down previous to that.

NEW YORK—Although the press as usual played the matter down, a large number of the New York stage people brought before the Un-American Activities Committee last month were Jewish. One allegedly Gentile witness, Sarah Cunningham Randolph, loudly announced to the press that . . . "my folks signed the Declaration of Independence"—which may or may not be true. But she is married to John Randolph (also a bawky wit) whose real name is Mortimer Lippman.

FBI, AIV—The recent outbreak of hostilities between Israel and Egypt is an inevitable outcome of the recent Israeli elections. The new Ben Gurion government is regarded as a war party, and strongly in favor of aggressive military action against the Arab states. Israel, because of its parasitic nature, is dependent upon foreign money for its continued existence. Fear that this outside income will not always be forthcoming is driving Israel into a war of conquest against the neighboring Arab nations, none of whom can match Israel's military strength.

SPECIAL—In the deep South the NAACP's plan to use Federal courts to force non-segregated schools down the throats of Southerners was running into trouble last month. In Mississippi the state's NAACP president was placed under a 21-hour police guard after two other Negro agitators were found shot. In Hoxie, Arkansas more than 400 irate parents were positioning the local school board to reverse its decision to mix Negroes and whites. (Only a month before LIFE magazine had hailed the Hoxie board for making what it called "a morally right decision" by integrating its schools.) Meanwhile state officials in South Carolina, Arkansas, Virginia, North Carolina, Alabama, Louisiana, Florida and elsewhere in the South were quietly but determinedly preparing for all-out resistance to the NAACP and the Supreme Court on every front. In Georgia, Attorney-General Eugene Cook hired 10 prominent lawyers as deputies to combat the NAACP on a county-by-county basis. And in South Carolina the schools are preparing to close down one by one as the Courts order them to de-segregate. The school segregation question was a long way from being settled in the South, from the looks of things.

WASHINGTON, D.C.—No mention of it has been made in the press, but Daniel A. Ruse, chairman of the Civil Rights Committee of the Anti-Defamation League of B'nai B'rith (ADL) last month appeared before a subcommittee of the House Judiciary Committee to propose enactment of a law to prevent Southern officials from taking any action to circumvent the Supreme Court's school segregation decision. Appearing with Ruse was Roy Wilkins of the NAACP.

General MacArthur was the first to protest; he was followed by Van Fleet, Matt Ridgeway and Mark Clark. And together they blew the lid off the mess in Asia. This, of course, is where Lynn Lemnitzer came in; for it is clear that the betrayal of our allies in the Orient, and the appeasement of Red China, could never be engineered so long as men like Van Fleet et al were in command there. The situation obviously called for the appointment of a four-star general willing, and free enough, to go along with such a policy. And who is better qualified for the job than the little Yiddish general who so readily betrayed South Korea in 1949? Who so thoroughly sabotaged our military aid program to Korea that not even a single rifle or round

of ammunition ever reached its destination? Lemnitzer, on the strength of his shameful record as head of our Military Assistance Program in 1949-50, is unquestionably the man for the job. . . . With his appointment the way is paved for the "massive appeasement" of Red China and the final betrayal of our only friends in the Orient, Chiang Kai-Shek and Syngman Rhee. That's why he was appointed. . . .

ATOM PARLEY

were L. L. Strauss, chairman of the Atomic Energy Commission (AEC) and Dr. I. I. Rabi of Columbia University. The second largest contingent of Jews turned

up in the Soviet delegation, which contained 14, including one each from Poland and the Ukraine.

The atomic conference, first of its kind ever held, was officially sponsored by the United Nations. In reality it was the brainchild of the Eisenhower, who first advanced his "Atoms for Peace" proposal in December of 1953—of which the recent conference was the outcome.

The avowed purpose of the Geneva atom conference was to explore the peaceful uses of atomic energy and to provide for a mutual interchange of atomic information. As it turned out, however, the Soviets brought very little information with them, but came fully prepared to learn all they could about the U.S. program. What little information they did divulge, however, showed they had copied their methods and techniques from the U.S., even to the point of using American scientific jargon. They had not even developed scientific terminology of their own.

It was abundantly clear from all this that Mr. Eisenhower's so-called "Atoms for Peace" was destined to be a one-way street, with Soviet Russia the only beneficiary. Actually, with the conference agreeing with ubiquitous Seneca from both sides of the Iron Curtain, it would have been unreasonable to expect any other outcome, anyway.

SIGNIFICANCE: It should be noted that with the exception of a 30 month interval between 1930-53, our atomic energy program has been under constant Jewish control ever since work on the atom bomb first began in 1945. With one exception, all the atom spies convicted since then have been Jewish, too. (Rosenberg, Gold, Sobell, Altskuler, Greenglass, Brothman, etc.)

press and wire services have either soft-pedaled, distorted or suppressed altogether.

SIGNIFICANCE: Not only have many of the facts concerning Mrs. Landy's Communist activities been kept from the public, but her racial identity has been suppressed also. And although this at first may seem like an innocent omission, it is nothing of the sort. For it should be noted that with only an occasional exception, practically all the celebrated security cases since World War II have been Jewish. From Harry Dexter White to Wolf Lubjansky; from Kobil Oppenheimer to Corporal Belsky; from Abraham Chausson to Irving Peretz—all have been Jews and all have been defamed by organized Jewry.

With these facts at hand the racial identity of the Landys becomes extremely significant, because it provides the key to the situation. And whether Landy is eventually given a commission or not is beside the point; the important fact is that whenever security cases are revealed, the chances are ten to one a Jew will be involved. That's because Communism is, and has always been, a Jewish-led movement.

IF THE RED TERROR SHOULD STRIKE

LETTER FIFTY: - IMMIGRATION; AMERICA'S TROJAN HORSE, PART FOUR

"But while men slept, his enemy came and sowed tares among the wheat." - Jesus' Parable of the Sower, St. Matthew 13, 25.

"Is the real menace to U.S.A. today possible Soviet use of the cobalt-jacketed H-bomb? Is it rather constant Hyphenate propaganda to destroy Immigration Control? Let us call them Eskimo-Americans, Patagonian-Americans, Zanzibar-Americans. Granted admission, citizenship, they organize to open the gates to 'cousins' overseas. These Hyphenates almost prevented passage of Immigration Quotas Acts of 1921-22-24. They blocked registration of aliens until coming World War II forced enactment. Now they advocate scrapping McCarran-Walters Immigration Code."

Thus, tersely, did C.M.Goethe sum up America's Trojan Horse Problem in his illustrated pamphlet "Asia's Rice Bowl."

There exists—and has existed since at least 1776—a world-wide conspiracy to destroy, mongrelize or subject the White Race to the dictates of alien overlords. To accomplish this vast purpose the White Man's government system must be altered and made subject in all important matters to a supra-national world government; the White Man's Christian Religion must be reduced to nothing more than a philosophy of humanism; and mass migrations of populations must be accomplished so that nowhere in all the world can the White Man call himself dominant or possess clear title to a spot which he can call his own.

The United States was a Nation of White Men; its laws, customs and traditions Anglo-Saxon; its population came, for the most part, from Northern and Western Europe; it had been legally declared a Christian Nation and private ownership of property was a keystone in its constitutional structure. But—since its government leaders were largely elective and therefore named by the people to positions of leadership—this entire American structure could be changed by means of a mass movement of a controlled people into America; thus changing the national character of the country while resident Americans looked on helplessly.

This is the conspiracy behind immigration.

And, to understand the conspiracy, first we must know the importance of the phrase "national origin" and the date 1920.

After 1900, and especially after the unsuccessful Yid-inspired Russian revolution of 1905, the character of American immigration began changing noticeably. Up to the turn of the century, most new Americans had

come from Ireland, Germany, England, Scotland and the Scandanavian countries. Their national origin corresponded with the national origin of the men and women who had made America. But after 1900, the vast majority of immigrants came from Eastern and Southern Europe. They poured in at the rate of almost a million a year, threatened to (and did) change the entire character of the body politic, particularly on the Eastern and Western coasts.

By 1920, an aroused native citizenry determined that something must be done to stop this flood of immigration of undesirables.

Every ten years a national census is taken. And, in conjunction with the 1920 census a special commission of experts was named to ascertain the national origin of all people then residing in the United States. These experts studied the background of each of the many segments of our population. They reported to Congress that—discounting the small proportions of Orientals and other minorities—five out of every six Americans traced their national origin to Northern and Western Europe. Because of the flood after 1900, one out of each six people in America in 1920, traced his national origin to Southern and Eastern Europe.

So, when the Immigration Act of 1924 was written, the five-to-one-ratio was used as the yardstick for computing all future quota immigrants. From that time on, quotas would be based on this formula—which is continued in the present McCarran-Walters Immigration Act. Now, before continuing,

LET'S STUDY SOME ARITHMETIC—

The census of 1930 showed population at 122,773,046 and, since quota immigration had been held strictly to the National Origins system, the Khazar invasion had been halted. But then came New Deal and World War II. By 1948, because of actions, events and conditions described in previous Letters in this Series, Americans again had reason to worry about undesirable immigration. The officially estimated census of 1948 showed a population of 145,340,000. This meant the net gain for the 18-year period which had included the New Deal recognition of Soviet Russia, a World War, and the post-war "refugee and displaced persons" hoax, was 22,566,954 persons.

Population can be increased by an excess of births over deaths, and by immigration—lawful or unlawful. Population can be increased in no other way.

Statistics based on reports of the Bureau of the Census and the Public Health Service, showed an excess of births over deaths of 19,936,516. The immigration service showed an excess of arrivals over departures of only 768,378.

Adding these figures, we find a *legal* population gain of 20,704,894 persons; yet the Bureau of Census had reported a *tabulated* gain of 22,566,954 persons—a discrepancy of 1,862,060 persons. Which could mean but one thing: *known illegal entries* into the country accounted for the discrepancy.

To put it another way: for every ten aliens who had entered the United States *legally*, twenty-three persons were *known to have entered illegally*.

Since most persons entering the country illegally would have been careful *not to report the fact* to the Government (despite B'nai B'rith's appeal recorded in our last Letter) the total of illegal entries into the United States was estimated to be several millions.

The Immigration Service estimated that in the first five months of 1946, 60,000 illegal entries had been made. In 1947, Representative A.L. Miller charged that planes from overseas were making regular flights to special fields in the United States, discharging their loads of illegal immigrants and returning for more such cargoes. Regular flights had been noted at a field between Key West and Miami, Florida. Paul Griffith, then National Commander of the American Legion, charged on May 22, 1947, that illegal immigration had become "a lawless torrent," in which such entries outnumbered legal entries by "ten to one."

If true, this would have meant two million illegal alien persons were entering the United States every year!

AN EYEWITNESS REPORT

"Too much quantity and too little quality" was the complaint of patriotic nationalists who sought to stem the tide of immigration. Economic Council Letter 189, of April 15, 1948 (published by National Economic Council, Inc.) reported:

"An American citizen . . . who has had first-hand opportunity for observation, tells us . . . 'One has only to go down to a pier to meet any incoming ship from Bremen to see for himself the type of people that are being admitted. I would say that 75 to 90% of the immigrants are undesirable. At the same time prospective immigrants are subject to endless 'screenings' on the other side by officials of the IRO, Army Intelligence and the United States Consuls, which should assure that the right people are selected, but, unfortunately, the results are the opposite. This can only be explained by the fact that the personnel of IRO (see last Letter—Ed) and even of the State Department are honeycombed with Communists and fellow-travellers. The Army Intelligence Officers are mostly young men with practically no knowledge or experience. Whole groups of Soviet agents, *mostly of Jewish origin*, are being smuggled into the United States Zone of Germany from Russia where, with the help of communist sympathizers

in IRO and the Consulates, they are declared 'victims of the nazis' and as such given priority visas to the United States.'"

After citing some of the tricks and hoaxes employed by individuals and organizations encouraging such undesirable and illegal immigration, the Economic Council Letter declared:

"It is of the utmost importance that the Congress investigate this whole situation. We believe it to be rotten with communist influence and shot through with the selfish, if not unlawful, activities of left-wing and 'liberal' Jews, to foist upon this country huge numbers of their race and their religion. Too many of them have little interest in America but are wholeheartedly interested in building up their power at the expense of Americans as a whole."

Congress agreed; and a special Committee was named, with the late Senator Pat McCarran as Chairman, to investigate the situation and recommend a remedy.

THE MCCARRAN-WALTER ACT

What happened is best described in a special tribute issued by the American Legion (Congressional Record of May 14, 1953, page A2767) from which we quote:

"We recognize, and pay tribute for, the tremendous task undertaken by Congress in drafting a complete code embodying all of our immigration and naturalization laws, a task never before accomplished in the history of this country. This herculean task was accomplished by experts in the field of immigration and naturalization with the constant aid and advice of special task forces from the Immigration and Naturalization Service, the Visa and Passport Division of the Department of State, the Central Intelligence Agency, and interested nongovernmental agencies and individuals. Work was commenced . . . back in 1947 under a congressional mandate. . . The American Legion is for the McCarran-Walter Act because we finally have a law which provides effective weapons in our fight against subversives. . . because it now makes possible the supervision and deportation of literally thousands of aliens against whom final warrants of deportation have been issued but who, for one reason or another, were undeportable. . . because it retains the national origins quota system. . . because all racial discrimination has been removed from our immigration laws in a very realistic manner (Orientals had been excluded by old laws and the new Act allowed them quota areas—Ed.)"

At first it seemed that everyone was well pleased with the new Immigration Bill—except the Stalinists, that is. At the hearings, only serious opposition to the bill had been voiced by the American Committee for the Protection of the Foreign Born and the National Lawyers' Guild; and opposition by those two organizations would only point up the need for quick passage to most Americans — for these organizations had been cited as Communist Fronts by competent Federal authority.

As was expected, the McCarran-Walter Bill was approved by overwhelming majorities. It was sent to the

White House for signature into law; and then came the surprise: President Truman vetoed the bill!

Undaunted, Congress overrode the Presidential veto and the bill became Public Law 414, effective December 24, 1952. In the House, 107 Democrats and 170 Republicans overrode the veto; in the Senate, 25 Democrats and 32 Republicans followed suit.

Why the Jewish Agency had allowed the Stalinists to fight alone against the legislation in its formative stages, can only be surmised. Previously, in 1909, the American Jewish Committee had defeated through the Presidential veto, legislation which would have required census enumerators to list the race of all persons in the United States. This agency also had prevented passage of legislation which would prevent all naturalization privileges to Asiatics "because it was likely that Jews from Asia might be subjected to difficulties under the law." In both previous cases, the demanding of a Presidential veto had been sufficient to kill the proposed legislation. Perhaps the Jewish Agency felt that once again, this time in the case of the McCarran-Walter Act, the veto would be sufficient. It wasn't.

THE FIGHT BEGINS

Immediately after Congress overrode the veto and made the McCarran-Walter Act Public Law 414, the Octopus called on every weapon at its command to "kill" the new Immigration and Nationality Act. Simultaneously, campaigns against the legislation were launched by the Communist Daily Worker, the New York Times, the New York Herald Tribune, and other dailies ranging from deepest red to camouflaged pink. Collier's Editorial of February 28, 1953, called for the 83rd Congress to "reconsider the decision of its predecessor, clear away the litter of bias and prejudice, make some emergency repairs and eventually enact a new immigration law which is as fair as it is necessary." The "liberal" magazine Commentary, issue of July 1952, launched a vitriolic smear campaign against the ailing Senator Pat McCarran; attacking the Act because it was "anti-Catholic" and attacking its author because he was "pro-Catholic"; all this and more emotional drive under the title: "The Immigration Fight Has Only Begun." Modernist-Protestant Ministers signed letters calling for less bias against Catholics and Jews and a new immigration law which did not discriminate against folks of other faiths. Reducators signed petitions and appeals, calling for amendment or repeal of the new law. During the heat of the election campaign while President Truman and Candidate Stevenson were attacking Candidate Eisenhower, he joined them in attacking the McCarran-Walter Act. Said General Ike at Newark, New Jersey:

"Ladies and gentlemen, the McCarran-Walter act must be rewritten. A better law must be written that will strike an intelligent, unbigoted balance between the welfare of America and the prayerful hopes of the unhappy and the oppressed."

But, at government level, things were happening even

faster. President Truman appointed a Commission - after a Congressional Committee had spent five years investigating and studying to bring out a law approved by every interested agency and department of Truman's administration (and therefore, bearing Truman's approval before the Octopus changed his mind); suddenly, Truman, on September 4, 1952, appointed a "Special Commission on Immigration and Naturalization to Study and Evaluate the Immigration Policies of the United States."

Editorially, we wish to stress this as a near perfect example of our Octopus at work -

Before its passage, the McCarran-Walter Act was publicly opposed only by known and officially identified Communist Front organizations and individuals. After its passage, however, every instrument, agency and weapon of the Octopus has been employed to destroy the law; including the Presidential veto, and open declarations against it by all Presidential Candidates of all Parties.

At the beginning, everybody but the known Stalinist was for the law. Now, only the people and a majority of the Congress are for it.

And to the Octopus, they don't count!

President Truman's "Special Commission" held public hearings in eleven cities, submitted its "evaluation" on January 1, 1953, reporting against the McCarran-Walter Act (the Act had been in operation only five days, obviously there had been no time to "evaluate" it.) The "Special Commission" recommended instead a measure very similar to the Lehman-Humphrey Bill which had been killed earlier by Congress. The reason for the Special Commission's sponsorship of the Lehman bill seems brazenly obvious:

Executive Director of the Special Commission was one Harry N. Rosenfeld, whose brother-in-law was Felix Cohen, who had drafted the Lehman-Humphrey Bill!

Rosenfeld had been head of the *Displaced Persons Commission* previously, and as such had sponsored a "calculated risk" plan whereby "displaced persons" were allowed to enter the United States without receiving security clearance from Intelligence Agents!

Another member of Truman's Special Commission was Earl G. Harrison, who had been U.S. Commissioner of immigration at the time when perhaps as many as two million aliens annually were entering the United States unlawfully. In 1943 he had been given the annual award from the American Committee for the Protection of the Foreign Born; a *Communist Front*.

Still another member of Truman's Special Committee was Clarence Pickett, who had been a director of the American Committee for the Protection of the Foreign Born. Pickett had particularly distinguished himself by protesting the conviction of the 11 top Communist leaders in America.

Truman's Special Commission, Yid-directed and Red-

Frontier staffed, smelled so strongly that its report may have been a factor in the 83rd Congress' refusal to revise the McCarran-Walter Act. But the Lehman Bill comes up again next session!

EISENHOWER CARRIES ON

Unable—as yet—to destroy the McCarran-Walter Act, the White House Camarilla which formed around President Eisenhower took the back-door approach to immigration by promoting a special "Refugee Relief Act." In its final form, this Act—which ignored the McCarran-Walter Act—provided for the granting of visas to some 214,000 "refugees" and "escapees" among which the following classifications stand out:

1. 55,000 German expellees from Albania, Bulgaria, Czechoslovakia, Estonia, Hungary, Latvia, Lithuania, Poland, Rumania, the U.S.S.R., or Yugoslavia.
2. 35,000 refugees of unidentified ethnic origin then residing in Western Germany.
3. 10,000 escapees of unidentified ethnic origin then residing in NATO countries.

But the "Refugee Relief Act of 1953" was, at best, a stop-gap measure; and the fight to destroy Public Law 414 continues.

With the American Committee for the Protection of Foreign Born thoroughly exposed and Truman's special commission report thoroughly discredited; a brand new (?) Front was created to fight Public Law 414. Called the National Committee to Repeal the McCarran Acts, (NCRMA) its parentage can best be established by evidence presented before the Senate Sub-Committee on Internal Security on June 22, 1954. The witness was Abner Green, executive secretary of the exposed American Committee for the Protection of Foreign Born. Questioning him was Richard Arens, probably the country's leading authority on immigration. The following exchange took place:

Mr. Arens. Do you know of that organization, the National Committee to Repeal the McCarran Acts?

Mr. Green. In response to that I claim my privilege (the Fifth Amendment).

Mr. Arens. You and other Communists formed the National Committee to Repeal the McCarran Acts as a front for dupes and do-gooders in the country to come along with the Communist Party line to destroy these acts; isn't that true?

Mr. Green. In response to that, sir, I would claim my privilege.

Mr. Arens. In other words, if you, while you are under oath; told this Internal Security Subcommittee of the Senate the number of people who are initiators of the National Committee to Repeal the McCarran Acts, whom you know personally, it might furnish information that could be used against you in a criminal prosecution; is that correct?

Mr. Green. It might, sir.

Dr. J.B. Matthews checked a list of the 30 "initiators" of the NCRMA, found that not one of them could be proved a Communist in the legal sense, but that they have a combined total of more than one thousand affiliations with the Communist-front apparatus. Some of the "initiators" of NCRMA are:

Rabbi Abraham Cronbach (former president of Hebrew Union College); Rabbi Leo Jung (executive, Rabbinical Council of America); Professor Robert Morss Lovett; Bishop Francis J. McConnell; Carey McWilliams; Frank Rosenblum (general secretary-treasurer, Amalgamated Clothing Workers of America).

Cooperating with or sponsoring the projects of NCRMA are such individuals as:

Edward Corsi (central figure in the recent immigration department controversy); Will Maslow (general counsel, American Jewish Congress); Rabbi Abba Hillel Silver (veteran frontier who, according to the Communist Party paper "Morning Freiheit," declared, "The Soviet Union fights for the cause of liberation of humanity"). (For most important information concerning the coming fight to destroy the Immigration and Nationality Act, write to American Coalition, 1025 Connecticut Avenue, Washington 6, D.C.)

THE REAL ISSUE

Now, let's go back to the beginning:

The Octopus is determined to destroy the present Immigration and Nationality Act; make no mistake about that. But not for the reasons most talked about in the controlled communications media. There is one reason and one reason only: the National Origins Quota System, based on the 1920 census findings, defeats the Plan of the Octopus to transplant Khazars of Asiatic origin and revolutionary background from Eastern Europe to the United States. Hence the Lehman Bill's provision that national origin quotas be based on the 1950 census, rather than the 1920 count. The change in the national character of America effected in that 30-year span was phenomenal. We were changed from a Representative-Republic to a Socialized-Democracy. States Rights all but disappeared. Our Federal Constitution was all but traded in for a World Government Charter. Our Christian Churches were transformed into gathering places for Sunday Social Action Lectures.

Given just a few more years of "open door" immigration, the Octopus could have accomplished from within what it could never have accomplished from without.

The Immigration question is simple, really; either this is to remain the Land of our Fathers, or it is to become the Land of our Alien Masters.

OPEN LETTER TO

Secretary of Defense Charles Wilson
Copies to D. D. Eisenhower; President
Herbert Hoover, Jr.; Assistant Secretary of State
Editors; Life Magazine

Dear Sir:

Arms must never be sent to Israel. Such an act would only drive the Arabs into the Communist orbit.

The Jews have no rightful claim to Palestine. The Arabs & Christians lived there for centuries before the Jews arrived. The Jews have desecrated and destroyed the Christian shrines in the area. They have driven the Arabs from their homes into the desert to starve.

Israel is just as Communist as Russia. No Gentile can vote or hold public office. They have Socialized their Government, even down to the Collective farm.

Sir, Communism is a Jewish instrument for World Domination. The Jew Karl Marx (son of a rabbi) founded Communism, Jews have always controlled the Communist Movement. Today the Jewish Banker, Ashberg heads the Soviet bank. Koganovich, (also of the Jewish tribe), heads all industry in Russia.

No wonder Socialism-Communism seeks to destroy Christianity. Now we can see and understand why all Communist spy cells are controlled by the likes of the electrocuted Rosenberg cult.

The plot of the Jews is to arm millions of Arabs. Then get America to back a few thousand armed Israelies. The Jews will provoke an Arab attack, and America will then go in and fight for the Jews. Russia will then sit back and laugh as they did when we lost 30,000 men fighting the Chinese in Korea. In the end we would lose 1,000,000 men and the Jews from both Russia & Israel would have all Arabia.

No gentlemen, we servicemen of the Navy, Army & Air Force, will never, NEVER, fight for the Jews again as we did in World War II.

From now on we will fight our true enemy - THE JEWS!

I call on the American Government to arm the Arabs, and help them drive the Jews and Jewish parasites into the sea.

The Department of Defense says that in the Korean Conflict (June 25, 1950 to July 27, 1953) the United States casualties were as follows: Battle dead, 33,629; wounded, not mortally, 92,134. California lost the most men, with 2,550 battle dead and 6,963 wounded not mortally. These figures are from a tentative final report based on all information available as of September 30, 1955, and by state of pre-service residence.

"STRAIGHT FROM THE JEW'S MOUTH"—A. J. C.—The American Jewish Committee, Budget, 1953-1954.

In my hand is a copy of the 281 page document of utmost value to Aryan or White Americans. It exposes UNSUSPECTED facts of a certain war. It reveals enough to convince you there actually IS an undercover set of so-called Americans working ceaselessly to destroy America. But you, Aryan Christian Reader, were never supposed to so much as hear of such a document, let alone scan it with your own eyes. For it is a conspirator's private memorandum, a revelatory dossier designed and printed only for fellow traveling conspirators. It is an outline and blueprint and summary of the activities, past and proposed, of a group of persons thereby UNMASKED as the worst and the deadliest enemies ever tolerated under the American flag.

This is NOT the Communist Party. It is NOT the Mafia. It is NOT The Syndicate, although its foul ramifications extend into all these criminal groups, AS YET it is NOT even recognized as a criminal organization engaged upon the most illegal of all UNLAWFUL purposes, namely, the subversion, overthrow and destruction of the American Government.

Beyond this top secret document's detailed self-exposure of its evil designs against Aryan America, one of its most important disclosures IS THE RECORD, page upon page, for 281 of the MONEY IT SPENDS for anti-American purposes.

In history's long record of propaganda, intrigues, assassinations and revolts, THIS SECRET DOCUMENT'S self-exposure are something new. Never before has there been revealed to your eyes such a consummate and diabolically SYSTEMATIC conspiracy by so few against so many. Never has there been acknowledged such inexhaustible SUMS OF MONEY collected for such evil ends. Never until now was UNCOVERED a personnel so maliciously, persistently and wickedly sworn to carry to

catastrophic ends the total destruction of a culture upon which rests the ethical value and future of Planet Earth. Finally, never before such METHOD, an analysis, practical application, cooperation of parts and breadth of action, as revealed in this top secret document's exposure of its UNDERGROUND was upon the Aryan Christian religion, hence upon the U. S. Government.

From its powerful headquarters in the UNITED NATIONS CITY (New York), THE A. J. C. directs its great WASHINGTON organization. Like a government, it has its subordinate stations in all parts of the country. The branch offices afford a set-up for pressure, propaganda, the collection of intelligence, and other openly admitted activities. IT IS TO BE ESPECIALLY NOTED that the A. J. C. relies to a very large extent on an intelligence set-up which includes secret investigations.

Here is eleven of the major fields in which the A. J. C. operates:

1. CHURCHES OF CHRISTIAN DENOMINATIONS.
2. EDUCATION.
3. VETERAN'S ORGANIZATIONS.
4. TAX EXEMPT FOUNDATIONS AND OTHER CHARITABLE ORGANIZATIONS.
5. NEWSPAPERS.
6. MAGAZINES.
7. BOOKS.
8. MOTION PICTURES.
9. RADIO AND TELEVISION.
10. LABOR.
11. GOVERNMENT.

HERE THEN, in the A. J. C.'s own words, IS AN ACCOUNT OF THEIR PLANS AND PURPOSES. The quotations are intended as samples and DO NOT INCLUDE EVERYTHING ON A GIVEN TOPIC. All page references are to THE AMERICAN JEWISH COMMITTEE, BUDGET, 1953.

"We work with Sloan and Ford Foundations in the development of their broadcasting and telecasting plans; also participated actively and directly in the foundations' programs allied to our interests." (P. 57).

"Our material generally goes to a selected list of 1700 daily newspaper throughout the country. Since editors of the smaller papers are most receptive to CANNED editorials, feature articles, cartoons, and the like, we confine the distribution of such material to those less than 100,000 circulations. Editors of the 300 large dailies receive occasional factual memoranda which they use as background material for their own editorials." (P. 42).

MAGAZINES. "The most telling evidence of success IS the responsiveness and voluntary repeat performance of editors. Among the publications that have developed considerable receptivity are READER'S DIGEST, COLLIER'S, LOOK, THIS WEEK, LIFE, TIME, AND NEWSWEEK." (P. 79).

THE UNOFFICIAL GOVERNMENT OF THE UNITED STATES

On 14 February 1955, Senator William E. Jenner stated that the government of the United States is a TWO-HEADED MONSTER, that our country has a DUAL GOVERNMENT.

Even more significant, however, the HIDDEN GOVERNMENT—revealed by Senator Jenner—has established controls over PRESS, RADIO, TELEVISION, THE THEATER, CHARITIES, FOUNDATIONS, MANY SCHOOLS AND EDUCATIONAL ASSOCIATIONS, and other media of influencing the public, including many churches.

Since censorship IS a principal arm of HIDDEN GOVERNMENT, a problem of considerable difficulty confronts the average citizen who wishes to know the truth about extra-official controls and influences to which he IS subjected.

FORTUNATELY, HOWEVER, THE METHOD OF OPERATION OF THE INVISIBLE GOVERNMENT CAN NOW BE SHOWN FROM ITS OWN DOCUMENTS, The A. J. C., Budget, 1953. The document does, however, contain enough facts in sufficient detail to give beyond any question or doubt a picture of many of the significant ways in which the A. J. C. works to achieve its purposes, which include the shaping of the policy of the Government of the United States.

Here is a part of the story: The "Legal and Fact-finding department" (P. 6) of the A. J. C. meets not only with "Publishers, Newspaper people, Church and Labor Officials, etc.," "BUT WITH

lished with the major Radio & Television networks:

1. THE COLUMBIA BROADCASTING SYSTEM.
2. THE NATIONAL BROADCASTING COMPANY.
3. THE MUTUAL BROADCASTING SYSTEM.
4. THE AMERICAN BROADCASTING COMPANY.
5. DUMONT TELEVISION NETWORK.

In putting over objective the A. J. C. enjoys close relationships with key individuals in the networks, advertising agencies, program package offices, program producers, directors and writers. (P. 53).

1. "Mr. Davidson Taylor, vice-president of the N. B. C. in charge of public affairs television programs.
2. "Mr. Edward Stanley, manager N. B. C. public affairs radio programs.
3. "Mr. Robert Saudek, director of the Ford Foundation radio and television department.
4. "Dr. George Crothers, C. B. S.'s public affairs radio department.
5. "Mr. George Rosen, radio & television editor of Variety." (P. 43).

LABOR. There are less than 300,000 Jewish workers in America, most of whom live in large cities. The majority belong to trade unions. The unions are named; the small proportion of Jews in them is noted. YET THE KOSHER LEADERS OF THESE UNIONS, LIVING HIGH ON YOUR MONEY, OUTSIDE THE TEXTILE, ARE IN THE MAIN JEWISH. THIS SITUATION HAS CREATED A PROBLEM (PP. 84-85).

It would thus appear that in trying to dominate U. S. LABOR the A. J. C. members are sitting on a volcano—and know it, for the time might well come when the 20 million organized U. S. workers of Christian background will resent being guided, if not actually ruled, by a tiny fraction—THE NON-ARYAN FRACTION—of their membership. And this applies to VETERANS also.

SECRET ACTIVITIES. "The investigative division derives its information as to Anti-Semitic activities in large part through the medium of confidential investigations and operations, and contacts with confidential sources." (P. 29, 157).

I also indicated to you that Stoner had been friendly with [Redacted] the Marist college graduate who has been writing to a number of anti-semites throughout the country, and [Redacted] who was quite friendly with [Redacted] of the Columbians when that organization was in its heyday.

During a recent trip, [Redacted] visited Atlanta and my friend writes as follows:

[Redacted] said that in Atlanta he was offered a job (laboring) in company with [Redacted] but did not take it. That he met [Redacted] of Gordon Street, Atlanta, the present head of the KKK, who said that they didn't worry about the Jews in Atlanta; that the real danger was the Catholic Church and that was what they concentrated upon. [Redacted] said he phoned a friend (also a Klansman or a Columbian) named [Redacted] from [Redacted] office, and that [Redacted] asked him why he bothered with [Redacted], adding, 'The Klan in Atlanta is Jewish-controlled now and we don't trust it; we think this [Redacted] works for ADL'...He said he met [Redacted] in Atlanta and was greatly impressed with him; also that he met [Redacted]

On Sept. 1, 1950, JESSIE BEN STONER voluntarily appeared at the office of the Chattanooga Resident Agency and furnished the following information voluntarily to Special Agents 

STONER stated that his address was P. O. Box 384, Chattanooga, Tenn., and that he was temporarily residing c/o the YMCA, Atlanta, Ga. He advised that his permanent address is Rt. 3, Chattanooga, Tenn. STONER stated he was an American citizen, white, single, 26 years of age, and that he joined the KKK in 1942 with approximately 140 other individuals residing in Chattanooga. He stated this was a reorganized Klavern, and he was elected Exalted Cyclops. He was active as Exalted Cyclops from 1942 through 1945, at which time he and Dr. SAMUEL GREEN had a misunderstanding and he resigned from the Klan. STONER said he knew nothing regarding the Klan activities from 1945 until he rejoined the Chattanooga Klavern during Dec. of 1949. He displayed a membership card of the Chattanooga Klavern at that time. The membership card bore No. 15282-B11604R, and expiration date was shown as July 1, 1950. STONER advised that he is the former editor of the Klan publication, "Free America," but stated that the last edition of this paper was published during May of 1950. STONER on this occasion furnished additional information pertaining to the meeting places, etc., of the KKK.

Anti-Jewish Card Is Hit By Clergy

Prejudice Attacked In Unit Campaign

President J. McDowell Richards of Columbia Theological Seminary declared Tuesday that an anti-Jewish card being distributed here with Governor Talmadge's racial pamphlet on the County Unit Amendment "shows how one prejudicial appeal leads to another."

Dr. Richards denounced the card as he and a number of other church leaders called for an end to the use of religious and racial prejudice in the campaign on Amendment No. 1.

Simultaneously, the Anti-Defamation League of B'nai B'rith, which has been investigating the card, made public its findings on the "Christian Anti-Jewish Party."

Dr. Richards said "I consider the anti-Semitic card the work of Hitlerism at its worst. I didn't believe it possible in America, and it cannot be too vigorously opposed from the very beginning. Two preacher friends of mine received the card stapled to a racial pamphlet which was signed by Governor Talmadge. I do not say the governor had anything to do with the card appealing to religious prejudice, but the fact that anyone thinks Georgia is ripe for such an appeal is evidence that one prejudicial campaign leads to another."

Other clergymen hitting at religious and racial prejudice included Dr. Louie D. Newton, pastor of Druid Hills Baptist Church; Methodist Bishop Marvin Franklin; Episcopal Bishop John Walthour; Dr. Leonard Cochran, pastor of St. Luke Methodist Church, who said the Governor's use of the race issue is "almost criminal;" Dr. Robert Burns, pastor of Peachtree Christian Church; Dr. Nat Long, pastor of Peachtree Road Methodist Church; Dr. Harrison McMains, pastor of the First Christian Church, and Dr. Rembert Sisson, Methodist district superintendent.

SAYS IT'S NAZI-LIKE

The Anti-Defamation League said the anti-Semitic literature, which it said is stealing a free ride aboard the anti-Negro propaganda machines of Amendment No. 1 proponents, is the brainchild of a Bible-quoting, Nazi-like organization calling itself the "Christian Anti-Jewish Party." Its members are few, but its virulently anti-Semitic messages have stunned and angered many Georgians who received the cards, the ADL said.

"Free America from the Jews," the postcard-sized propaganda says. "Our party is against Communism . . . Revolutions, wars, internationalism, economic chaos, inflations, starvations, unemployment and depressions are deliberately designed by the Jews to promote their communistic conspiracy."

Adherents to this doctrine are invited to pay "the customary initiation fee" of \$15—a voluntary contribution, according to the outfit's membership application blank. Initiation is only \$5 for those under 21.

TENNESSEE EFFORT

The "party" placed a candidate in a Tennessee congressional race in 1948, showed little strength and dropped from notice until last summer when its Jew-hating literature appeared in Georgia in a new dress, the ADL said. The new dress was its attempt to identify Judaism with Communism, the ADL said.

Along with its Jewish-Communist cries and instruction to read I Thessalonians 2:14-16 and St. John 8:44-48, the "party" literature said its adherents must believe in "anti-Jewism, American Independence, the White Race and its Preservation, Liberty, Private Property, Freedom, Trial by Jury, active Patriotism, Law and Order, Upholding Free Enterprise and High Wages, Tax Exemptions for Farms and Homes, Low Federal Taxes, Large Old Age Pensions and the Party's other great principles."

It is against "high taxes, internationalism, the United Nations plot, the world government conspiracy, and racial mongrelization because all of those things are evil and Jewish."

The ADL said the organization's sponsors first sought the company of remnants of the old "Columbian" organization in Georgia last summer, but snubbed the Ku Klux Klan because they heard "the Klan in Atlanta is Jewish-controlled now and we don't trust it."

Governor Talmadge, leader of the Amendment No. 1 county unit supporters, immediately denounced the literature and its perpetrators when reporters informed him that the anti-Jewish cards were being stapled to the pronuit literature.

The Anti-Defamation League commented: "An interesting outcome is the wrath it has aroused among all segments of the population throughout the state. We have been deluged by calls of indignation from every nook and cranny of the state." 7

Atlanta Confidential Informant T-1, who has furnished both reliable and unreliable information [redacted]

[redacted] advised that various members of the Klan had received the above propaganda concerning the Christian Anti-Jewish Party. T-1 advised that P. O. Box 2401, Birmingham, is that of HUGH MORRIS, Grand Dragon of the Federated Ku Klux Klan, and J. B. STONER, the owner of P. O. Box 48, is the originator and Head of the Christian Anti-Jewish Party, which the Informant advised was first formed in 1945.

AT 100-4976

The Informant stated that STONER ran for Congress in 1946 on the ticket of this Party in the State of Tennessee. He identified STONER as being a former member of Chattanooga Klavern No. 317, of the Associated Klans of America, stated that he was at one time a Leader and Organizer in this Klavern and was banished from same in 1944. He was subsequently reinstated in the Klan in December, 1949, and was again expelled in January, 1950, for making a motion at a Klan meeting to throw all the Jews out of Chattanooga, Tennessee.

The Ku Klux Klan has been cited by the Attorney General as an organization coming within the purview of Executive Order 9835.

On October 10, 1952, an anonymous telephone call was received, advising that [redacted] of Decatur, Georgia, had been overheard discussing arrangements for meeting of several allegedly subversive groups. The party calling advised this meeting was to be at the home of [redacted] the night of October 11, 1952, and that [redacted] of the Christian Anti-Jewish Party, were believed to be attending this meeting.

Atlanta Confidential Informant T-3, of known reliability, advised on the night of October 11, 1952, at 8:45 P. M., an unidentified man came out of the front door of the residence of [redacted]

About five minutes later five or six men left the front door of this residence in a body with the first man and got into a car parked in the driveway. This automobile bore 1952 Georgia license D-98, which were issued March 28, 1952, to [redacted] for a 1949 Ford Sedan.

The Atlanta Journal on October 29, 1952, carried an article entitled "Anti-Jewish Card is Hit by Clergy," portions of which are quoted as follows:

"The Anti-Defamation League said the anti-Semitic literature, which it said is stealing a free ride aboard the anti-Negro propaganda machines of Amendment No. 1 proponents, is the brainchild of a Bible-quoting, Nazi-like organization calling itself the 'Christian Anti-Jewish Party.' Its members are few, but its virulently anti-Semitic messages have stunned and angered many Georgians who received the cards, the ADL said."

"The 'party' placed a candidate in a Tennessee congressional race in 1948, showed little strength and dropped from notice until last summer when its Jew-

On September 1, 1950, JESSIE BEN STONER voluntarily furnished the following information concerning himself.

He stated that his address was Post Office Box 384, Chattanooga, Tennessee, and that he was temporarily residing in care of YMCA,

AT 100-4976

Atlanta, Georgia. He advised that his permanent address is Route 3, Chattanooga, Tennessee. STONER stated that he was an American citizen, white, single, twenty-six years of age and that he joined the Ku Klux Klan in 1942 when approximately 140 other individuals residing in Chattanooga also joined. He stated this was an re-organized Klavern and he was elected Exalted Cyclops. He was active as Exalted Cyclops from 1942 through 1945, at which time he and Deeter SAMUEL GREEN, then Imperial Wizard, had a misunderstanding and he, STONER, resigned from the Klan. STONER said he knew nothing regarding Klan activities from 1944 until he re-joined the Chattanooga Klavern during December, 1949. He displayed a membership card of the Chattanooga Klavern at that time, which bore No. 15282-B1104R. An expiration date was shown as July 1, 1950. STONER advised that he is the former editor of the Klan publication "Free America" but stated that the last edition of this paper was published during May, 1950.

In June, 1949, T-2 advised that there was no indication that the Black Front organization was being formed in Atlanta.

On December 9, 1949, T-2 advised the following letter appeared in the November 28, 1949, issue of "Broom," a publication edited by LEON DE ARYAN:

"SMYTHE IN ATLANTA, GA. JAIL

"My dear Mr. de Aryan:

"Three weeks ago Edward James Smythe was arrested and thrown

AT 100-4976

into 'Fulton Tower' here in Atlanta. I noticed a small article in an Atlanta paper telling of his arrest. So I and a few of my friends who are followers of Emory Burk, went to see Smythe. We found him in a small dungeon-like cell all alone. We were amazed to learn there was no warrant for his arrest but he had been locked up for a week. Five times he demanded a lawyer and five times he was denied a lawyer. They had refused him his right to make a phone call, they even refused him the right of mailing letters. He is being denied all his rights provided by the constitution and is being held a political prisoner here in Atlanta by the Anti-Defamation League.

"We immediately called Emory Burk's lawyer, a Mr. Venable, he had defended Burk against a frame-up by the same Jewish groups who control this county of Fulton, with an iron hand.

"Mr. VENABLE immediately demanded action from the Federal Court. The Judge announced that he was holding Smythe for the Government, who would soon come and take him to Washington. We tried to get him out on a writ of habeas corpus since there was no warrant for his arrest. Then the judge placed him under \$10,000 bond. He has been sitting there for three and a half weeks now. The Government has not come for him or said anything about his case. Smythe is a sick man of 74 with heart trouble. They are leaving him to rot and die in that cell--they did not intend to try him.

"If anyone is interested in this case, they can get in touch with me by writing to P. O. Box 676, Atlanta, Ga.

"Mr. de Aryan, could you continue sending me 'The Broom' till the end of next month. At that time I'll have some extra money to renew my subscription.

"Very sincerely yours,

"Edward Fields."

JEW'S BEHIND RACE MIXING

"JEWISH LIFE", official organ of the Jewish section of the Communist party, in its June, 1950 issue on page 8, states:

"Our job as Jewish Communists is to take the lead in educating the Jewish masses on the meaning of white supremacy and to enroll the Jewish community in an all-out fight against it. This is paramount in our work in the struggle for negro rights. This is vital to the struggle of the Jewish people for their own security and future."

It has surprised some people to find out that the president of the National Association for the Advancement of Colored People [NAACP] is NOT a Negro BUT the JEW ARTHUR SPINGARN. It is the Jews who are leading the fight to destroy segregation in Atlanta schools.

The NAACP is sponsoring suits all over the country and in the U. S. Supreme Court to break down Racial Segregation and open up our White schools, restaurants, busses and hotels to negroes. All important Jewish organizations are against Segregation and have petitioned Congress for an anti-White FEPC law.

A Jew, Julius Rosenwald, spent \$30 million financing organizations and writers that promote mongrelization. A race once mongrelized is mongrelized forever.

America must awaken to the Jew attack against White People!

Editorial

Into this area in recent days has come a distribution of scurrilous anti-Semitic material which has its origin in one of the Southern States. It is put out by a former leader of the Ku Klux Klan, who calls his organization the "Christian Anti-Jewish Party."

The devilish mind of the ex-Klansman has worked out a piece of propaganda which insidiously ties up anti-communism with anti-Semitism, seeking to give the impression that there is an affinity between Jews and communists.

He is trying to plant in the minds of businessmen and professional people, to whom most of his hate propaganda is directed, the idea that if it weren't for Jews there would be no communism.

Why is he doing it? For a front, and for no other reason. He charges a fee for membership in his organization, which prompts the query, "How low can a man get?"

This type of campaign breeds on ignorance. If anything is obvious, it is that Jews hate communism; for they are the targets of communism. Jews, Catholics, Protestants, all religions are targets of communism.

It would be well for the Postoffice Department to go after this malefactor and place him and his crowd where they belong, which is behind bars.

P. O. Box 1772

U.S. Senator William Langer

Washington, D.C.

Dear Senator Langer:

J. Edgar Hoover, the Jew-stooge, and his F.B.I. are persecuting the Christian Anti-Jewish Party and me. No law has been violated by me or me, and the F.B.I. knows it. They are using intimidation, pure and simple. Even though I can't absolutely prove it, I have some reason to believe that Hoover personally ordered the persecution; the editor of the Atlanta Constitution, Ralph McGill - a Jew-worshipping Jew - visited Hoover just recently.

I live in an apartment house. The F.B.I. called on all other tenants who happened to be home on Friday, January 23, 1953. The F.B.I. agents questioned them about me; I was naturally told about it. There was no excuse for such questioning - the object was intimidation. Also, they are trying to destroy my reputation with such subversive, un-American tactics.

I have ample reason to believe that the F.B.I. will follow through with more persecution. A couple of years ago - before the Christian Anti-Jewish Party was launched - Edward Fields, our Party's Chief Secretary, was persecuted by the F.B.I. for publishing a leaflet similar to the one enclosed. The F.B.I. did its best to intimidate him into silence. Two F.B.I. agents even tried to get him to promise that he would stop fighting against the communist menace. They not only questioned the friends of Edward Fields, they slandered him while doing so. That is how the "great" F.B.I. operate. Therefore, you can easily see why I expect them to persecute me and my Party.

The F.B.I. is a major step toward a communist police state. It even now claims the right to police our thoughts and political activities. It needs to be investigated and stopped now before it completely destroys our American Freedom.

Will you please help me? Will you use your influence to stop the F.B.I. from persecuting me and other patriotic Americans for exercising our legal and Constitutional rights? The Senate Judiciary Committee, of which you are Chairman, has jurisdiction over the Justice Department and the F.B.I. I respectfully request that your Committee investigate the F.B.I. to determine to what extent it is being used by the Jew-communists. The Jews can only do control it - the Jewish A.D.L. determines its policies.

Please let me hear from you. I can visit you in Washington at your convenience and give you more information. If you wish, I can give you some references.

Your admirer,

J. B. Stoner

Our Party demands that the American Government expel the Jews to Palestine and confiscate their ill-gotten wealth for the benefit of the American People. When the Jews are gone, we Americans will own rich America.

HUGH MORRIS. T-1 advised that the Christian Anti-Jewish Party was first formed by J. B. STONER in 1945 in the State of Tennessee, and in 1946 STONER ran for Congress on the ticket of this party in the State of Tennessee. T-1 identified J. B. STONER as being a former member of Chattanooga Klavern 317 of the Associated Klans of America, stating that he was at one time a leader and organizer in this Klavern but was banished in 1944. He was subsequently reinstated in the Klan in December, 1949 and was again expelled from the Klan in January, 1950, for making a motion at a Klan meeting to throw all the Jews out of Chattanooga, Tennessee.

T-1 advised that the Christian Anti-Jewish Party has no political meetings or rallies to his knowledge, but merely sends out venomous propaganda against the Jewish race and solicits \$15.00 contribution.

An article appeared in the Atlanta Constitution on August 27, 1946, entitled "Preserve White South, Columbian Leader Shouts." The contents of said article reflects some 300 residents of East Point, "who gathered in their city auditorium last night for the 'truth' the newspapers will not print, heard a 31 year old railroad draftsman introduce racial prejudice in the name of preserving 'the traditions and ideals of a white South.' The speaker was small, slender Emory Burke, President of the recently chartered Columbians, Inc., 'the long awaited white man's movement to save first the South and then the nation.'"

PROPAGANDA

Numerous complaints have been received from individuals who have received the following propaganda from the Christian Anti-Jewish Party, on a three by five card, which is set forth as follows:

"

DESTROY COMMUNISM

"This is a patriotic political Party which believes that our America will be freed from the Jews. Our Freedom will be won in a legal and political way. When our candidates are elected to Public Office, Anti-Jewish Laws

AT 100-4976

and Constitutional Amendments will be enacted that will Free our Country from the Jews forever.

"Our Party stands for:

"CHRISTIANITY	The White Race
"American Independence	No Foreign Immigration, Except Pure White
"American Nationalism	Removal of Jew Control of the Press, etc.
"A Free America	Upholding the U. S. Constitution
"NO world government	Free Enterprise and High Wages
"NO United Nations	Large Old Age Pensions
"NO More Foreign Aid	Lower Federal Taxes Lower Income Taxes

"Nations that receive American Military Protection must pay for it and supply us with troops—then our Taxes can be greatly reduced and many American lives saved. Racial Segregation in preparation for giving all Africans in America a rich Country of their own in Africa.

"

DEPORT THE COMMUNISTS

"Our Party is against Communism. Communism is Jewish! Communism is a Jew plot to destroy us and conquer the world. Revolutions, wars, internationalism, economic chaos, inflations, starvations, unemployment and depressions are deliberately designed by the Jews to promote their communistic conspiracy. In every communist Country, the Jews are the ruling race. Our Party proposes for the Government to deport all communists to Palestine. Without the Jews there would be NO communism.

"

CHRISTIANITY IS ANTI-JEWISH

"The HOLY BIBLE says we Christians are GOD's Chosen People, not the Jews. The Jews are the children of the devil. All Christians are due to be against the Jew-devils because they are GOD's worst enemies in this world. The BIBLE is True. Also, open the BIBLE and see what verses 14-16 of Chapter 2 of I Thessalonians and verses 44-48 of Chapter 8 of St. John say against the Jews.

"

FREE AMERICA FROM THE JEWS

"Anti-Jewism is a leading Christian virtue and an essential American virtue. Our Party believes in Anti-Jewism. Anti-Jewism says that America rightfully belongs to us Americans, not to the Jews; Jew-devils have NO place in a Christian Country. Since the Jews now have a Country of their own—Palestine—let them go to it. When the Jews are gone, we Americans will own rich America.

"

WE WANT OUR MONEY BACK

"The Jews have our money and we want it back. When we get it back, we will then enjoy a genuine and lasting prosperity, with plenty for all. Why should Americans suffer poverty in a rich land of plenty while the hoggish Jews wallow in luxury? And why should we Americans go hungry while the greedy Jews hoard our dollars? All fair-minded people know it is not right for the Jews to have a monopoly of our money and wealth. Our Party demands that the American Government expel the Jews to Palestine and confiscate their illgotten wealth for the benefit of the American people. Money, gold, businesses and property that the Jews unrighteously possess will be legally taken by the United States Government and given to us. The Jews have too much money; but soon, it will be ours!

"

ARE YOU A REAL AMERICAN?

"If you are a White Christian American and desire to serve CHRISTIANITY and America by joining our patriotic Party, sign, enclose and mail to the CHRISTIAN ANTI-JEWISH PARTY, P. O. Box 48, Atlanta, Ga. or P. O. Box 2401, Birmingham, Alabama. Headquarters in Atlanta. Information will then be sent telling how to apply for membership. NO cowards wanted!

"Name _____ Phone _____
"Address _____ County _____
"City _____ State _____

"VOTE ANTI--JEWISH"

The above card was accompanied by a throw away, as follows:

"

JEW'S BEHIND RACE MIXING

"'JEWISH LIFE', official organ of the Jewish section of the Communist Party, in its June, 1950 issue on page 8, states:

"'Our job as Jewish Communists is to take the lead in educating the Jewish masses on the meaning of white supremacy and to enroll the Jewish community in an all-out fight against it. This is paramount in our work in the struggle for negro rights. This is vital to the struggle of the Jewish people for their own security and future.'

AT 100-4976

"It has surprised some people to find out that the president of the National Association for the Advancement of Colored People (NAACP) is NOT a Negro BUT the JEW ARTHUR SPINGARN. It is the Jews who are leading the fight to destroy segregation in Atlanta schools.

"The NAACP is sponsoring suits all over the country and in the U. S. Supreme Court to break down Racial Segregation and open up our White schools, restaurants, busses and hotels to negroes. All important Jewish organizations are against Segregation and have petitioned Congress for an anti-White FEPC law.

"A Jew, Julius Rosenwald, spent \$30 million financing organizations and writers that promote mongrelization. A race once mongrelized is mongrelized forever.

"America must awaken to the Jew attack against White People!

"For more information on the Jew menace to the White Race write:

Rebulet to Atlanta dated January 19, 1953, of which Cleveland received a copy requesting pertinent background information on the above-captioned organization. The following investigation was conducted in the Cleveland Division.

According to ~~_____~~ O. T. M. KELLER was one of the organizers and contributors to the Central Public Information Services of Toledo. KELLER was described as being a rabid anti-Communist and at times outspoken in his denunciation of anything or anyone leaning to the "left." KELLER was said to have been active in various civic affairs for the past ten or fifteen years.

Records of the Toledo Credit Bureau reflected that KELLER is now about sixty-six years of age and president of Masco Mills, Incorporated. He resides with his wife,

ADFLIA C. KELLER, at 211 Riverside Drive, Eagle Point Colony, Rossford, Ohio. The Kasco Feed Mills, Incorporated, 500 Richardson Building, Toledo, Ohio, is a feed manufacturing firm.

The library of the "Toledo Blade," a local daily newspaper, revealed that G. E. M. KELLER acquired an interest in Kasco Mills, Incorporated, Toledo, Ohio, in July, 1931. He became its vice-president and general manager. He came to Toledo as a milling expert from Chicago, Illinois. In 1942 KELLER founded the Small Businessmen's Association of Toledo and served as its president for ten years. In September, 1949, he tried in vain to form a Conference of Civic Organizations, having for its purpose the consorship of text books in school in order to eliminate any reference to Russia and Communism. KELLER was quite active in the Republican Party in Toledo, Ohio. He was deemed anti-democratic in describing the New Deal as "collectivism" and not "national socialism." In 1947 he served as chairman of the Rotary Club in Toledo, Ohio. At the present time, KELLER is head of the Toledo Board of Trade.

It is noted that by letter dated July 31, 1951, captioned "JAMES W. NEWMAN, Director, Central Public Information Services of Toledo, Ohio, Incorporated; Miscellaneous, Information Concerning," the Cleveland Office furnished the Bureau with background information regarding the matter.

For the information of the Atlanta Office, there are attached a copy of a letter written by JAMES W. NEWMAN to the Director dated February 28, 1951, and a copy of memorandum to the SAC of SA [redacted] dated June 30, 1951, at Cleveland which supplies further information regarding the subject. Please note attached from the Congressional Record. Communist-Ant-Semitism BAH, such Jew rot. You are just one more hellfired Jew liar. You Jews see the the dirty bloody work of the last thirty years against the white Gentiles is coming to the surface, and you are now trying to hedge, but you are not going to get away with this one. The day of retribution is on the way. You Jews stand today with the blood of fifty million Gentiles dripping from your hands. You are the scourge of the earth. There would be peace on earth were it not for you Jews. We all know that the entire government of Russia is Jew, who ever heard of Jew against Jew. With The chief of Russia a Jew, do you think we are going to believe this big lie that Russia is anti-Jew? Not much. Is old Jew versinsky, and Irishman, is molotoff and Irishman, is litvenoff an Irishman was Jacob Schiff and Irishman, is the Russian Gestapo, the most ~~XXXXXX~~ brutal organization in the history of the world, which is all Jew. Is it against the Jew or has it been killing Gentiles. Is the United Nations Jew or Gentile? No we are beginning to wake up to what the Jew has done to us, and we are getting our eyes open. Every Jew in the country, supports every Communist in the country and is against every white Gentile that is against Communism. Communism is of the Jew, and not the Gentiles. You cannot now fool us about the condition in Russia, we know what you are doing. Look how you do McCarthy, McArthur, Bricker, and the Southern people in general with your nigger equality business. Look at this circular I am attaching from Georgia. You Jews are liars

Re mylet March 31, 1953.

It will be noted that referenced letter sets out information concerning a fire on March 30, 1953, at 125 Currier Street, N. E., Atlanta, Georgia, in the apartment occupied by J. B. STONER and EMMETT O. MORRIS who are affiliated with captioned organization.

[redacted] Atlanta, Georgia, advised that members of the Atlanta Fire Department removed considerable debris from the burned apartment and that the next day she noticed a roll of film in this debris. She stated that the film was recovered and after keeping it for a considerable period of time the thought occurred to her that it might be of interest to this office. She stated that she knew nothing of the activities of STONER or MORRIS, nor did she know their present whereabouts.

The roll of film, which is being forwarded to the Bureau under separate cover, appears to be a mailing list possibly published by a magazine company. It will be appreciated if the Bureau will examine the film in an effort to identify it. It will not be necessary to return the film unless an identification is made.

On April 23, 1953, EDWARD REED FIELDS who represented himself to ASAC J. A. LEHMAN to be the Secretary of the Anti-Jewish Party, telephonically advised that during a fire at his apartment about a month previously, the firemen had thrown out a considerable quantity of material which included a microfilm list of party members which he said he believed was turned over to the FBI by [redacted]. During the conversation, FIELDS said this list was not actually a list of the members of his organization, but was a list that they had obtained several years previously, of the subscribers to "The American Commentator", which FIELDS described as an anti-Communist publication which went out of existence about 1940. He said that the people on this list were persons who had subscribed to this publication and that they felt that they would be interested in this new organization of his, of which he is secretary. He said that he had found that this list was no longer of much use inasmuch as it had been compiled prior to 1940 and a great many of the people on the list had moved from the addresses indicated on this list.

Atlanta T-5, of known reliability, advised on July 28, 1953, that Post Office Box 48 continues to be listed as the Christian Anti-Jewish Party, J. B. STONER.

Atlanta T-6, of known reliability, advised on June 28, and October 30, 1953, he had heard nothing concerning J. B. STONER and the Christian Anti-Jewish Party since the fire at 125 Currier Street, N. E., in March, 1953, and he felt that the organization was inactive.

Atlanta T-7, of unknown reliability, advised on July 28, 1953, that on the day the Georgia Anti-Communist Bill was passed, he was telephonically threatened and told to leave town and that he was of the opinion the call

AT 100-4976

was from [redacted] contact was maintained with this informant and on October 30, 1953, January 22, 1954 and February 18, 1954, he advised that letters and literature being mailed in Atlanta, in his opinion, was the work of the Christian Anti-Jewish Party.

On November 14, 1953, [redacted] furnished SA [redacted] a card which appeared to be an application for membership in the Christian Anti-Jewish Party, Post Office Box 48, Atlanta, Georgia, or Post Office Box 2410, Birmingham, Alabama; the envelope bearing Chattanooga, Tennessee postmark, 3:30 P.M. [redacted] furnished this material unsolicited. He advised that he did not know the identity of the sender, nor did he have any interest in captioned organization.

[redacted] Georgia, telephonically advised SA [redacted] on November 15, 1953, that both he and his father, [redacted] had received applications to the Christian Anti-Jewish Party, postmarked 3:30 P.M., November 12, 1953, at Chattanooga, Tennessee. [redacted] stated he had no interest in any such organization, nor did he know how they obtained his name.

b6

[redacted] Atlanta, Georgia, b7C unsolicited, furnished this office with a card application for the Christian Anti-Jewish Party, addressed to [redacted] had no idea as to the sender and stated that she and her husband had no interest in this organization.

On December 4, 1953, [redacted] telephonically advised ASAC AUBREY S. BRENT that he had purchased a used desk from [redacted] and in the drawer of this desk he found a post card from the Christian Anti-Jewish Party requesting contributions. He said he had no interest in this organization and unsolicited, furnished the card to this office.

On December 31, 1953, [redacted] Atlanta Police Department furnished a handbill which [redacted] believed to have been sent by the Christian Anti-Jewish Party and which had been mailed to the Atlanta Police Department in an envelope postmarked Charlotte, North Carolina. This handbill was forwarded to the Charlotte Office.

On August 26, 1953, [redacted] Georgia a student of the Georgia Institute of Technology, unsolicited, furnished

AT 100-4976

This office with pamphlet "The American Nationalist", and a booklet entitled, "Know Your Enemy" by ROBERT H. WILLIAMS. [redacted] advised that he had no interest in this literature and that it was sent to him unsolicited. This literature is being maintained in the files of the Atlanta Division.

On January 22, 1954, [redacted] Waverly Way, Marietta, Georgia, unsolicited, furnished this office with the following letter:

"Christian "Grapevine"...More about Segregation... Fluoridation... etc... Did we do this? The Atlanta (Ga.) Journal recently carried information that voters of Cincinnati Ohio, together with "the informed voters of other cities defeated fluoridation..." This seems to be the first time any large newspaper has did such a thing... print adverse information about the scheme...Recently, U.S.Pres. said: "public education policy is a state and local responsibility." Sure, there are other forces helping, but you and "grapevine" are doing your part...and more (with the cooperative efforts of all of us, we're building a mightypowerful force that will soon smash the evil forces now running our governments...Atlanta Ga: has nearly reached bottom...If goes much deeper, it will go into pernament vice like New York City where Jews rules Negroes and half-breeds by promise after promise which makes that city sink deeper and deeper into communism (political Zionism)...Large segments of old city limits of Atlanta (prior to 1951) has now been and is being invaded by incited Negroes. Who believe they are improving racial relations by forcing themselves upon White Gentiles...There is one simple effective way to awaken the Negroes... the old Knights of the KuKlux Klan, which has recently been re-organized and will soon be riding again! Then there shall be no more house burnings, bombings, no incited Negroes living next door to our wives and daughters, no half-breeds, constantly in our neighborhoods and running fear into our hearts that they are there "looking for something to seek out on their trip at night." All this must end... We were fooled by Jew controlled Newspapers, news outlets, etc., into almost destroying the one organization that could unite white Gentiles and at the same time hold at bay scum Zionist Jews and incited Negroes and even help win a war at the same time...There is no wonder Jew A. D. L.(Jew secret police) and NAACP (Negro outfit run by Jews to "push" Negroes into the mouth of a sleeping lion...white Gentiles! used millions of dollars in vain (but almost successful) effort to destroy...No, they were so sure that they could destroy our organizations (once KKK was gone) that they did not want us to have any type of organization that could unite and protect white Christians.. GOD, HOW WERE WE FOOLED INTO SUCH A TRAP? No more pussy-footing around with political Zionist (communist, incited Negroes, half-breeds world over... Our race comes first and always...We earn our way... Others must do same... or get off pot!

AT 100-4976

"Attention, Georgians: Register your haband, wife, sons, daughters, to vote...Jew gang in Atlanta are tyring to destroy your counties and local police power...Watch "Hartsfield (Hartzfeld?)" crowd...His little negro children vote more than 90% for Jew interest everytime! Do not pledge your votes yet... A christian man must yet step forward...investigations are being made...an elderly (but not too old) gentlemen (no young turks at this time) with Christian interest at heart is being asked to consider job...don't name him yet...Hold your horses....if you know this men... more pressure must be built up, also it is not quite proper time...if we get Christians in Georgia to vote, he's your next Governor.

"Is this the "red terror" governemtn...planned? The right hand of Zionist Jews (the communist party) openly advocates a bla ck negro state in the south...no white people...which means that white Gentiles will be killed and property taken (similar to Russia)...On other hand, Zionist Jews (represented in NEGRO NAACP by U. S. Sen. Herbert Lehman from N.Y., director, and Arthur Spingarn, president of this outfit that incites negroes to rape & crime upon white Christian women) are building pressure for negroes to continue to push upon Christians, thus forcing a riot, or many...then U.N. (Jewish Un-United Nations) will give order for U.S. Army to declare martial law in the south...which means that soldiers will actually ge given orders to murder white Christians who object to "red terror" gov't....Those not killed will be sent to concentration camps...Don't laugh...happened similar over half the world right in this 20th century...and we still don't believe our eyes....WHAT IS WRONG WITH US?

"How to protect yourself, family, friends...If negro should attack white woman in your community (papers no longer headline those crimes...and most don't even mention them...don't want Gentiles to know what is really happening), and you had a "deer gun" (30-30 cal. rifle) and a hundred rounds of ammunition, then you would have something to stop the rapist, or attempted rapist...Or police might call upon you to help in searching nearby woods...or if red terror strikes (let's pray it doesn't ever!) then your rifle with others in community might save the lives of family, etc.. PLEASE ...These guns are not playthings...deadly...keep out of hands of youngsters are ill-mannered people...if you must learn yourself, then remember to never fire unless you can see "hill" or earth into which the bullet will hit at not over quarter mile away...dangerous up to several miles...BE CAREFUL...(Get names of communist and left-wing sympathiz'rs... learn all you can about them)...

AT 100-4976

"Pray...Yes...They did in Russia in 1916, but could not prepare...Millions of Christians have been killed in communist countries because they will not accept material Zionism (communism).

"If you wish to investigate further: A book, "Behind Communism" (price \$1) may be had from Frank Britton, Box 301, Inglewood, Calif; monthly magazine, "The Cross and the Flag," at 27895, Los Angeles, Calif. (price 25¢); Common Sense Magazine (5¢) at 530 Chestnut St., Union, New Jersey and book, "The Iron Curtain Over America" by Col. John Beaty, at bookstore...others including KKK...

"Think of this: The SIZE of an Army means NOTHING if all or even the majority of units contain deep seeds of hatred...The trick of putting White Christian Gentile boys with Negroes in armed forces and then PURPOSELY discriminating against Gentiles by dozens of Zionist tricks... Well, deep hatred "boils and boils" (as bad as we dislike it!)...When army gets into serious trouble...LOOK OUT...HELL WILL BREAK LOOSE AND WE MAY NOT HAVE AN ARMY WHEN WE NEED IT MOST...Will divide and fight amongst themselves...When red terror or possible invasion comes (why did Ike pull two divisions out of Korea at a time when nothing had been settled... Was there trouble brewing in certain units of those divisions?)... Northern and Southern Christians...We are no longer in a mood for traitor tricks... If our country is to go on as a Christian land, then we must clean house... Now or forever hold our peace...Could it be that they are planning another 1860??? Where white Northern Christians will be forced to bleed themselves and southern Christians to death here at home??? Christians, why do you continue to kill your brothers? Let's stop this now for all time! Soldiers of the cross, GO INTO ACTION...Write your congressmen, and KEEP writing...Don't ever stop until we have won the day...Get these "Grapevines" into every home in North and south where White Christians reside...Don't be a coward...If we persist, a bloodless victory will be ours...If we keep sitting around and doing nothing, we will awaken one morning and have a bloody civil war...Let's remove the causes now...

"Don't change wording of this or future "Grapevines"...Here is why? While you and I are making copies of this grapevine, other Christians everywhere are doing the same thing...Which means that all of us are speaking the SAME THING AT THE SAME TIME...This builds power...type that politicians respect...When we speak alone...well, what can the the outcome be? Let's speak UNITED, and get action...We must learn this or learn to accept the

AT 100-4976

crumbs cast aside for the dogs...

"Christians time and money has "paid"the cost of sending you this copy... Be so kind as to remail or hand to White Christian friend...If you will, and wish to help us build up a great pressure against evil forces, then make 3 or more copies of this "Grapevine" as often as you can and mail everywhere to "White Gentiles...Do this and we'll soon see the sons and daughters of our Christian land gain the respect that our race has earned over the years..."

She stated that the film was recovered and after keeping it for a considerable period of time, she thought occurred to her that it might be of interest to this office. This film has been sent to the FBI Laboratory for examination, it appearing that the film was a mailing list of possibly a magazine company.

Reurlet April 21, 1954, wherein you advised the Bureau regarding a letter your office received from Edward Reed Fields alleging that members of the Christian Anti-Jewish Party are being intimidated by the FBI.

You are requested to advise the Bureau of the identities of the two Agents of your office who conducted the interview which caused Fields to write his letter dated April 13, 1954, as well as the circumstances surrounding this interview. You should comment specifically on whether the Agents' actions during the interview might have constituted intimidation as alleged by Fields.

Reference is made to Bulet dated 5-3-54 concerning a letter recently addressed to this office by EDWARD REED FIELDS alleging that members of the Christian Anti-Jewish Party were being intimidated by the FBI.

For the Bureau's information, I find no record of any investigation conducted by this office concerning [redacted] and there is no indication that he has been interviewed or any inquiries made at his residence in Atlanta.

As pointed out in Atlanta letter of April 21, 1954, investigation was conducted concerning [redacted]

b7C

It is obvious that FIELDS' allegation concerning two Agents calling at the home of [redacted] in Atlanta, Georgia is false.

For the Bureau's information the Christian Anti-Jewish Party, during the month of April were reported to have pasted Anti-Semitic stickers on fronts of various businesses in Atlanta. This action could have possibly resulted in investigation by the Atlanta Police Department and inquiries by Jewish Anti-Defamation League. It is therefore, possible that representatives of these organizations could have made inquiries at the residence of [redacted]

He stated that this pamphlet purported to be an expose' of the Jewish race and its religion and was very derogatory. b6 b7C

CE 105-217

On October 1, 1953, [redacted]

[redacted] advised that he had acquired one of the aforementioned pamphlets which was being distributed in the greater Charlotte area. He stated that one of these had been mailed to [redacted] of Charlotte, another to the Anti-Defamation League, Atlanta, Georgia, and a third to [redacted] of Charlotte. [redacted] stated that the Anti-Defamation League throughout the country had been polled and there had been no other distribution of these leaflets. He stated that the leaflets were being mailed from Belmont and Charlotte, North Carolina, and Lancaster, South Carolina.

b6

b7C

He further related that about a week previous [redacted] an employee of Pound and Moore in Charlotte, had picked up a handful of these pamphlets entitled "Jews and You" from the streets in Charlotte. Also [redacted] stated that some of the automobiles parked in the vicinity of the Myers Park School in Charlotte had had these pamphlets placed in them.

b7D

Confidential Informant T-1, of known reliability, advised that he became acquainted with [redacted] in the late Summer of 1953. He furnished the following information:

[redacted]

[redacted] is very strongly opposed to the Jewish race and he believes that "the Zionists, a Jewish hierarchy of world control, have caused all the trouble in the world today."

[redacted] carries on a correspondence with ELIZABETH DILLING, widely known during World War II for her pro-Nazi sympathies, and gets some of his ideas and literature from her.

CE 105-217

During the Fall of 1953 [redacted] was distributing the pamphlet "Jews and You" to various individuals in the Charlotte area. It was not known if he had printed this batch of pamphlets himself or not; however, since then he has been making preparations to print his own pamphlets and has been attending a printing school. This school was being held at the Printing Equipment and Supply Company, P. O. Box 5204, Concord Road, Charlotte 2, North Carolina, and his instructor was a [redacted] (phonetic). [redacted] has in his possession printing plans for the pamphlet "Jews and You" which were made by this printing company.

During March 1954, [redacted] reportedly had printed several hundred copies of this pamphlet and planned to distribute them in North and South Carolina.

According to Confidential Informant T-1, [redacted] has been attempting to recruit individuals who have similar anti-semitic views, but he has been unsuccessful and has never yet been able to create this organization. His only known follower is [redacted] Charlotte, North Carolina, [redacted]

b6
b7C

[redacted] aids [redacted] in distribution of his literature. It has been [redacted] desire to get members of the Ku-Klux Klan to join with him in forming an "Anti-Jewish organization," and has made one or two trips to South Carolina, believed to be in the vicinity of Charleston, in an effort to create such an organization. The identities of the individuals he supposedly visited in South Carolina are not known.

About the latter part of March 1954, [redacted] was expecting an unknown individual from Dayton, Ohio, to visit him for a few days, and he planned to invite some acquaintances from South Carolina to come to Charlotte to meet this visitor from Dayton. However, the meeting did not materialize as the individual from Dayton did not arrive.

The Ku-Klux Klan has been designated by the United States Attorney General as an organization coming within the purview of Executive Order No. 10450.

On March 20, 1954, [redacted] [redacted] Charlotte, North Carolina, voluntarily appeared at the Charlotte Office to complain that one SALEM BADER, an Arabian lecturer on international affairs in the Middle East, had been in Charlotte recently and had stolen about \$240.00 out of [redacted] panel delivery truck while it was parked at his home.

[redacted] stated he had been closely associated with BADER in Los Angeles, California, during 1949-51, and had studied under BADER. [redacted] stated that during that time he had been working for a dry cleaning company in Huntington Park, California, and that he had contributed much of his salary to BADER because he believed in the things that BADER believed in. He stated that BADER was fighting the "Zionists" and the B'nai Brith. [redacted] termed the "Zionists" as "a Jewish hierarchy of world control," and he stated that the Anti-Defamation League of B'nai Brith is "a Jewish gestapo organization."

b6
b7C

He admitted that he is angry with BADER because "BADER could ruin the Jews with what he knows, but has not done it." [redacted] stated that BADER does not seem to be fighting the "Zionists" as strongly as he once did.

During this interview [redacted] expressed an intense hatred of the Jewish race and he stated that "the organized Southerner is the last hope of white nobility on the earth."

Confidential Informant T-1 advised that [redacted] had been a follower of SALEM BADER in Los Angeles a few years ago and had contributed a great deal of money to BADER then. He stated that recently [redacted] had become angry with BADER, probably because BADER had been in Charlotte for two or three days in March 1954, and had not contacted [redacted]. He said that [redacted] then wrote BADER, accusing him of stealing some money out of [redacted] truck while BADER was in town. BADER replied by letter to [redacted] denying any knowledge whatever of this alleged theft. He acknowledged that [redacted] had "donated money for the cause which we have been fighting for, and certainly you, like other patriots, were happy to do so to support these men who were leading the fight."

CE 105-217

BADER wrote that the "fight" cost him a small fortune, "as you know what control the Jews have on the press, radio and other economic fields in this country." BADER concluded with "The country is getting ready for a blow-up as the Communistic activities of ROOSEVELT and his gang have brought this country to the brink of disaster. Maybe if we clean up good, we can discover the new America that was founded on the Christian teachings and principles."

The March 10, 1954, issue of the Charlotte Observer, page 14B, carried an article by Staff Writer GRANBERRY DICKSON entitled "Arab World Seen as Key to Peace." This article stated that SALEM BADER, author, lecturer and international political analyst, had been spending a couple of days in Charlotte. He was reportedly born in Jerusalem fifty years ago, of British parentage.

In an interview BADER stated he had long been intimately familiar with "Arab aspirations versus British and American inspired Zionist aims for possession of Palestine." He predicted that unless the United States could reestablish the friendship that the Arabs once had for America and create a harmonious working atmosphere between Israel and her Arab neighbors, the Near East would be lost to the Russians.

b6
b7C
b7D

On April 19, 1954, [redacted]

[redacted] Charlotte, advised that [redacted]

[redacted] was distributing pamphlets containing anti-semitic statements. [redacted] did not have the pamphlet on hand and did not know if it was being sponsored by any organization. He stated he would obtain the pamphlet and forward it to the Charlotte Office.

[redacted] went on to relate that [redacted] was always "trying to expose the Jews." He received literature from California, all of which had to do with the Jewish race. She stated that [redacted] would visit in her home, at which time he was always criticizing the Jewish race in front of her children and this was the reason she was volunteering this information.

She stated that [redacted] approved of the actions of the Ku-Klux Klan but she did not believe he was a member. [redacted] related that all of his talk was propoganda regarding the Jewish race to the effect that they were taking over this country and were dominating everything. She further stated that [redacted] was of the opinion there would be a revolution between the white and the colored people in this country.

[redacted] related that [redacted] had studied very hard and had a keen desire to become a top actor. He had formerly lived in New York City and was employed as an actor, but came South shortly thereafter and had a nervous breakdown and was placed in the State Hospital for the Insane at [redacted]. Since that time he has never been the same, and she stated she believed that his criticism and resentful attitude toward the Jewish race was due to the fact that he thought they were responsible for his not becoming an actor, as they had controlled most of the theatrical companies in New York City.

She advised that [redacted] had just recently printed some pamphlet to expose the Jewish race and its religion and she stated that in the event she received any of this literature, she would forward it to the Charlotte Office.

Confidential Informant T-1 advised on May 5, 1954, that there had been no activity on the part of [redacted] in recent weeks. Informant stated [redacted] had been unable to recruit any followers other than [redacted] and that he had not been able to set up any type of organization.

Confidential Informants T-2 and T-3, of known reliability, who are familiar with activities of the Ku-Klux Klan in North Carolina, were exhibited the leaflet entitled "Jews and You" and they advised that they had not seen this leaflet before and knew that it was not issued under the auspices of the defunct klan organization. They stated that no effort has been made to re-activate the klan, to their knowledge, since it ceased operation resulting from the arrest of klansmen by federal and state authorities in North Carolina. These informants also stated that they had not heard of the organization called the "Christian Anti-Jewish Party" and had no knowledge of its existence in North Carolina.

DETAILS: PARTY ACTIVITY

Atlanta Confidential Informant T-1, of unknown reliability, advised on March 29 1954 that he had recently had conversations with [redacted]

[redacted]

Christian Anti-Jewish Party was now large enough to take action. According to the informant, [redacted] stated that it was anticipated that this action would be, in part, the picketing of theaters which showed pictures with white and Negro actors. [redacted] explained, according to the informant, that the Christian Anti-Jewish Party would thereby seek publicity in an effort to bring their aims and purposes of the organization before the people. b6 b7C b7D

Atlanta informant T-1 subsequently advised on April 10 1954 that on the night of April 9 1954 he had observed [redacted]

[redacted]
the Lawrence Freeman Service Station, Chamblee, Georgia. According to the informant these three individuals were wearing green arm bands containing a white circle enclosing a red cross. Informant said that some person who was present, whose identity he did not know, asked [redacted]

[redacted] the meaning of the emblem. Informant stated that the crippled boy who was with them replied that it was the emblem of the Christian Anti-Jewish Party. The informant said that [redacted] then stated that they expected to wear the arm bands on the streets of Atlanta.

On May 3, 1954 Atlanta informant T-1 advised that he had noticed that [redacted] had been going around Atlanta wearing the afore described arm band and putting stickers on the front of Jewish operated stores.

[redacted] Atlanta, Georgia, advised on June 3, 1954 that on the night of June 2, 1954 while returning from Chamblee to Atlanta, he stopped at the W. R. Myers Texaco Service Station, 2239 Buford Highway, Atlanta, Georgia.

[redacted] stated that he stopped at the station about 1:00 A.M. on June 3. While at the service station he met three individuals, including the night manager of the station, and two young white men. [redacted] said that he got into a general discussion with these individuals which lasted from about 1:00 A.M. to 5:00 A.M. on June 3, 1954. He said that all three of these persons appeared to be extremely anti-Negro and anti-Semitic. He said that the two young men, both about age nineteen, had numerous newspaper clippings and magazine articles relating to the racial question. [redacted] said that he recalled one or two of these articles described ADOLPH HITLER as a "great man" and described President EISENHOWER and ADLAI STEVENSON as "disguised Jews".

b6

b7C

b7D

[redacted] recalled that all three of these individuals, including the night manager of the service station, admitted to him that they belonged to the Christian Anti-Jewish Party and described this party as a "fast growing political party which would soon outnumber the Republican and Democratic Parties".

[redacted] said that they told him that the Christian Anti-Jewish Party was only two years old and already had 10,000 members. [redacted] said that these three individuals had some stickers which they wanted [redacted] to help them distribute. [redacted] said he refused. [redacted] said that he recalled that the stickers said something like "Don't Buy Here - This Store Run by Jews".

[redacted] said that these individuals gave him a booklet entitled "Behind Communism", published by FRANK L. BRITTON, P. O. Box 15745 Crenshaw Station, Los Angeles, California, which [redacted] he considered to be strongly anti-Semitic. [redacted] also recalled that one of the younger men, about nineteen years of age, had another book which was entitled "The Iron Curtain Over America", by JOHN BEATY, published by Wilkinson Publishing Company, 1717 Wood Street, Dallas, Texas, with the selling price noted as \$3.00. This individual told [redacted] that [redacted] should send for this book and "learn what the Jews are doing to America".

[redacted] advised that he never did learn the names of any of the three above described individuals, but he did recall that the individual who referred him to the book by JOHN BEATY mentioned that "his car" had been towed in by the Atlanta Police Department recently. This individual further advised [redacted] that the police had confiscated a large number of Party papers which were in his car and did not return the papers to him when he went to the Atlanta Police Department to reclaim his car.

[redacted] Detective Division, Atlanta Police Department, advised that a 1947 Ford tudor was observed by a patrol car illegally parked on Northside Drive at Fourteenth Street on April 29, 1954. [redacted] advised that he had had the car impounded.

b6
b7C
b7D

Subsequently on April 30, 1954 [redacted] came to the Atlanta Police Department to claim this car. [redacted] advised that [redacted] were very outspoken in their anti-Jewish feelings and when questioned concerning literature found on the rear seat of the car at the time it was impounded they advised [redacted] that they intended to hand out the pamphlets found in the car, but had not had an opportunity to do so up until the car was impounded.

[redacted] advised [redacted] that the literature found in the car belonged to the Christian Anti-Jewish Party. They further advised [redacted] that the literature was printed by the Women's Voice, which they described as a Chicago, Illinois newspaper. [redacted] asked [redacted] to return the literature after they paid the illegal parking fine. [redacted] advised [redacted]

that if the literature belonged to the Party "the Party" would have to call for this printed matter. [redacted] advised [redacted] that he owned the car which was impounded and further that he had bought and paid for the literature. [redacted] further advised that the literature referred to consisted of about 200 pamphlets entitled "Jews Behind Race Mixing" and across the bottom of each pamphlet was set forth the notation "Christian Anti-Jewish Party, P. O. Box 48, Atlanta, Georgia, EDWARD REED FIELDS, Chief Secretary."

[redacted] furnished the Atlanta Office copies of the literature and photographs of [redacted] from the files of the Atlanta Police Department. [redacted] also observed at the time he interviewed [redacted] that they both had green arm bands on which were sewed a white circle around a red cross.

b6
b7C
b7D

[redacted] Atlanta, advised on April 7, 1954 that unknown persons had placed anti-Jewish stickers on the front show windows of their places of business during the night. Neither [redacted] had any idea as to the identity of the persons responsible.

[redacted] Atlanta, Georgia, advised the Atlanta Office that he had found a handbill on his front porch captioned "Jews Behind Race Mixing". This handbill indicated that it had been distributed by the Christian Anti-Jewish Party, P. O. Box 48, Atlanta, Georgia and that EDWARD REED FIELDS was Chief Secretary of that organization. The handbill carried a notation that reprints could be obtained at a cost of \$1.00 per hundred.

Atlanta T-5, another Government agency, advised that one EDWARD REED FIELDS, 617 Crest Hill Avenue, N. E., Atlanta, Georgia, in submitting an application to that agency, listed IRA C. JETT, 834 Bankhead Avenue, N. W. as a reference.

The Atlanta Journal on December 21, 1946 carried an article "IRA C. JETT, who last week was indicted with Columbians' president EMORY C. BURKE and security organizer HOMER L. LOOMIS, JR. for unlawful possession of dynamite, was indicted again by the Fulton County Grand Jury on a perjury charge". The records of the Fulton County Superior Court, Atlanta, Georgia reflect that IRA C. JETT, HOMER LOOMIS, JR. and EMORY BURKE received a sentence of three years on February 26, 1947 on a charge of riot and possession of dynamite.

√ The Columbians have been cited by the Attorney General as coming within the purview of Executive Order 10450.

By undated letter addressed to the Atlanta Office, received by the Atlanta Office on April 16, 1954, bearing return address of EDWARD FIELDS, care of Palmer School of Chiropractic, P. O. Box 1130, Davenport, Iowa, and signed "In Disgust, ED FIELDS", FIELDS protested about any investigation of the Christian Anti-Jewish Party. Following his signature is "Down with the Communist Jews and their traitorous stooges".

Atlanta Confidential Informant T-3, of known reliability, advised that the following individuals and organizations had been in contact with the Christian Anti-Jewish Party, EDWARD REED FIELDS, or J. B. STONER:

b6

b7C

"We the Mothers Mobilize for America", 537 S. Dearborn Street, Chicago, Illinois, contacted the Christian Anti-Jewish Party, P. O. Box 48, Atlanta, Ga., date unknown.

TITLE NATIONAL CITIZENS PROTECTIVE ASSOCIATION aka Citizens Protective Association		CHARACTER OF CASE INTERNAL SECURITY - X	

SYNOPSIS OF FACTS:

Business section of Rock Island and Moline, Illinois plastered with anti-Jewish "stickers" sometime during night of 2/20/54. These "stickers," approximately 4" x 8", bore printed statement in dark blue ink, "This Place Is Owned By Jews." Superimposed in red letters on one corner of "sticker" were the additional words (apparently impressed by use of a rubber stamp) "Anti-Jewish Week, Feb. 21-28." Other anti-Jewish and anti-Negro literature received through the mail by the editor of a daily local union newspaper at Rock Island, Illinois, which bore postmark 2/20/54 at Rock Island. Envelope bearing this material, as well as some of the material contained therein, also bore the stamped words, "Anti-Jewish Week, Feb. 21-28." Some of the printed literature contained in the envelope bore the address of "Citizens Protective Association, St. Louis, Missouri," and other material bore the address of "Patriotic Tract Society, St. Louis, Missouri." T-1, of known reliability, produced information indicating that EDWARD FIELDS and

and who are originally from Atlanta, Georgia, may have been responsible for the anti-Jewish stickers and may be laying groundwork for an attempt at establishing a local chapter of the NCPA in the Quad-City area (Rock Island, Moline and East Moline, Illinois, and Davenport, Iowa).

individuals had gone through the business districts of Rock Island and Moline, Illinois and plastered "stickers" on the store windows and entrances of business establishments, which "stickers" were anti-Semitic in nature. The Sheriff advised that his deputies and members of the Rock Island Police Department had scraped most of these stickers off the windows in the Rock Island business section, but that the Rock Island Police Department had been able to preserve a couple of the stickers fairly in tact.

b6

Accordingly, reporting agent made a tour of the Rock Island business district where evidence of these stickers was still apparent. It was noted that in most instances the business establishments where these stickers were placed were actually operated by Jewish persons, but in several instances the stickers were also placed on the windows of stores which were known by the writer to be not operated by Jewish persons. It appeared, therefore, that whoever placed the stickers on the windows and store entrances, was probably rather well acquainted with the business district of Rock Island but not sufficiently informed as to the background of the operators of all the stores concerned.

b7C

At the Rock Island Police Department a sample of the sticker used in the business section of Rock Island was obtained by Recording Agent [redacted] and this sample is being retained as an exhibit in the file in this case. It is noted that the approximate dimensions of this sticker is 4" x 8" and that the printing on it is in dark blue ink. It bears the statement "This Place Is Owned By Jews" on the front side, and the reverse side is covered by a mucilaginous substance of some sort. In the upper left hand corner of the sticker are the words, "Anti-Jewish Week, Feb. 21-28," which are superimposed on the sticker in red ink, apparently by use of a rubber stamp.

On February 23, 1954, [redacted] (NA) was contacted regarding this incident, at which time he advised that his department had done some investigation in an effort to determine the identity of the individuals responsible for this reprehensible act. He said that a suspect was developed on the night of February 21, 1954 by the name of [redacted] Illinois, who was registered at the Como Hotel on Saturday night, February 20, 1954. This individual had been seen driving around the Rock Island business district by squad car officers in a rather suspicious manner, and as a result, the officers had jotted down his license number. However, [redacted] was later questioned in his room at the hotel and permitted officers to search the room and nothing pertinent to this investigation was found. The officers were also permitted to examine [redacted] 1948 sedan without finding material that would connect [redacted] with the anti-Jewish stickers. [redacted] stated also that [redacted] maintained his innocence in this regard throughout the questioning of him, and that he was, therefore, eliminating [redacted] as a suspect. b6 b7C b7D

On the same date [redacted] and Detective [redacted] turned over to reporting agent several pieces of anti-Jewish and anti-Negro literature, which was received through the mail, according to [redacted] by the editor of the "Quad-City Laborers Daily," a newspaper published daily at Rock Island, Illinois by the International Typographers Union.

[redacted] had the envelope in his possession in which this material was mailed, and it was noted that the front side of the envelope bore the typewritten address "To the Editor, Laborers Daily, 1417 1/2 2nd Avenue, Rock Island, Ill." It was postmarked at 8:00 P.M., February 20, 1954, at Rock Island. On the reverse side of the envelope were the typewritten words, "R. I. Section, C. A. - J. P. Truck Packet." Over the flap of the envelope was the imprinted impression in red letters "Anti-Jewish Week, Feb. 21-28." From all appearances, these latter words were imprinted on this envelope by the same rubber stamp that was used on the anti-Jewish stickers, previously described.

[redacted] said that he would hold the envelope itself for the postal authorities at Rock Island, since he had been informed by one of the postal inspectors that there was a possibility that an envelope going through the mails with such a prejudicial stamp might be a violation of United States postal laws.

The literature turned over by [redacted] to reporting agent is being retained in the 1-A serial of this file and is briefly described as follows: b7D b7C

A series of five cartoons appearing on a yellow background, which bears the caption underneath these cartoons "History of the United States." It is noted this leaflet bears the same rubber stamp impression, "Anti-Jewish Week, Feb. 21-28," on the reverse side of it.

A series of 13 caricatures captioned "Familiar Faces, drawn by the Christian Nationalist and Reproduced without comment." On the bottom portion of this leaflet is the printed notation "This tract may be had in quantities as follows: 25 copies, \$1, 100 copies, \$2, 1,000 copies, \$10. Address all orders to the Patriotic Tract Society, Post Office Box 1031, St. Louis 1, Missouri. For large packet of literature containing 9 pieces enclose \$1 extra. Included in the 9 pieces will be a copy of 'The Protocols of the Learned Elders of Zion.' This 80 page book is the much discussed outline of the secret plan of the Jews to capture world power."

A leaflet captioned "The Kiss of Death, Remember India." Over this caption is a drawing showing a Negro about to kiss a white woman. Practically the entire space on this leaflet is devoted to "proving" that "Negro blood destroyed the civilization of Egypt, India, Phoenicia, Carthage, Greece and Rome. It will destroy America!" Another pertinent portion states "We look frantically around for Russian spies, believing that Russia will attack us with armies. To us everything is material. In the meantime Russia is laughing. She has a more deadly weapon than the atomic bomb. She knows our strength is in our white stock and that when she has mixed our blood with Negro that we are licked forever." At the bottom of this leaflet there is the printed address "Citizens Protective Association, P. O. Box 156, St. Louis 3, Mo."

SI 105-260

A card approximately 5½" x 3½", which on one side has a drawing of a head of a white man on which is superimposed the head of a Negro. At the top of this drawing is the word "Communist" and at the bottom "Equality?". The reverse side of the card bears a printed message captioned "Equality?". Pertinent portions of the message on the card are quoted below:

"'All men are created equal,' is a Communist statement. No two objects in nature are alike, The more alike the lower the form. Likeness is a sign of abasement. Negroes and Asiatics are very similar. All lower races are. They consequently have very little culture. Negroes and Asiatics are catalytic. You cannot raise them -- but they will lower you. They have destroyed many white civilizations by breeding into them. Do you protect your white child from the Communist lie that all races are equal?"

This card also bears the printed address at the bottom, "Citizens Protective Association, P.O. BOX 156, St. Louis 3, Mo."

[redacted] mentioned the fact that T-1, of known reliability, was very much interested in this anti-Jewish and anti-Negro literature and was using his influence to obtain information as to the origin of such material. b7D

Accordingly, T-1 was directly interviewed at which time he exhibited information which in his opinion, tended to implicate one EDWARD FIELDS and [redacted] in the distribution of the anti-Jewish stickers and other anti-Jewish and anti-Negro leaflets, which had been placed in the mails.

T-1 had in his possession a photostatic copy of a "News Letter," dated February 15, 1954, which bore the caption "National Citizens Protective Association, Inc., National Office, 3154A S. Grand, St. Louis 18, Missouri." This "News Letter" began "Dear Members and Friends: The

SI 105-260

"February meeting of the National Chapter will be held on Thursday, February 18, at Albrechts Hall, 3549 Arsenal Street, beginning at 7:30 P.M. It will be our regular monthly business meeting."

The "News Letter" then goes on to recite some of the activities of the committee and ends with the following paragraph:

"We were pleased to have EDWARD FIELDS and Mr. ROBERT MILNER from Atlanta, Georgia visit us last weekend. These young men had heard of our work and decided to come and see us. Both are attending school in Davenport, Iowa at present and we plan to arrange a meeting for them this spring. We wish to thank Miss ZULAUF, who provided accommodations for them during their stay here."

The "News Letter" concluded with the statement, "Yours for a free white America, HELEN M. WOLF, Sec. Treas., NCPA."

T-1 also had a photostatic copy of a page from the "Women's Voice" of April 30, 1953, which T-1 advised was a "hate-sheet" published in Chicago, Illinois. This appears to be an advertisement of the "Christian Anti-Jewish Party, Post Office Box 48, Atlanta, Georgia" and is captioned "Jews Behind Race Mixing." The substance of the material on this page is characterized by the opening paragraph which states, "The African race in America is a victim of the Jews. The Jews hate the Africans as well as us whites; they want to destroy both races through mongrelization. However, they are naturally willing to use the Negroes for their own purposes." At the bottom of the page are the words "EDWARD REED FIELDS, First Secretary." b7D

T-1 called attention to the fact that the initials C.A. - J.P., which appeared on the reverse side of the envelope received by the Laborers Daily at Rock Island, Illinois, could very easily be interpreted as standing for the "Christian Anti-Jewish Party."

T-1 also had a photostatic copy of a report that he said he had been able to obtain from [redacted]

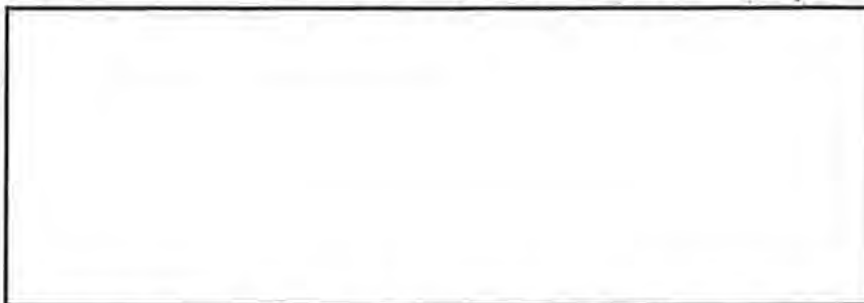

SI 105-260

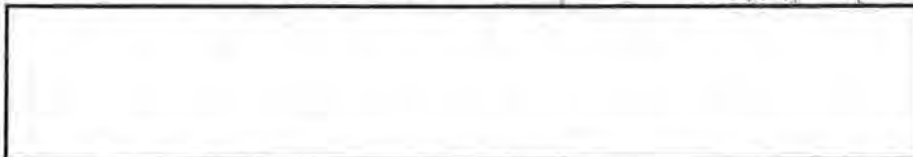

T-1 had an additional copy of a report from the same organization dated January, 1952, relating to the "Citizens Protective Association." A review of this information indicates that according to this report the Citizens Protective Association is headed by GERALD L. K. SMITH's "long-time henchman," [redacted] [redacted] This group, with headquarters in St. Louis, had attracted some of SMITH's former National Christian followers.

T-1 permitted reporting agent to read a letter dated March 4, 1954, which he had received from T-2, in which T-2 states:

T-1 theorized that the stickers placed on the windows of business establishments of Rock Island and Moline, Illinois were a "trial balloon" on the part of the NCPA to determine what public reaction would be, with the possible idea in mind of attempting to establish a local chapter of the NCPA in the Quad-City area. He stated that from the material at hand there was no doubt in his mind that the organization responsible for the stickers was the NCPA and that the individuals directly responsible for placing the stickers were undoubtedly [REDACTED]

On February 21, 1954, one [redacted] Street, made a complaint to [redacted] of that Department, that printed signs about four inches by eight inches reading " This place is owned by Jews" and bearing a rubber stamp "Anti-Jewish Week, February 21 to February 28" were placed on numerous downtown business establishments sometime after 9:30 PM, February 20, 1954, by persons unknown.

Investigation by the Davenport Police Department reflected that the places where these had been fixed were as follows:

The Waldman Cutlery Company; Glick's Jewelry; Rashid Rug Company; The Davenport Bank and Trust Company; Modern Finance Company; Ziffren's Pawn Shop; House of Farber; The First Federal Bank; Scharff's Clothing Store; Samuel's Jewelry; Harry's Army Store; Abraham's Ready to Wear Store; and the State Furniture Company. b6 b7C

[redacted]

[redacted] further stated that on the morning of March 17, 1954 Police Magistrate EDMUND H. It was later ascertained that [redacted] had rendered the apologies. No charges were made against [redacted] because of lack of evidence.

[redacted] T-2 is unable to state with certainty but believes that the "Christian Anti-Jewish Party" may be the same identical organization as the National Citizens Protective Association, Inc.

[redacted] FIELDS goes out of his way to attempt to create interest in this party on the part of various students with whom he comes into contact. FIELDS has been known to invite some of the students to join membership and in

the opinion of T-2, this could be done by merely signing some sort of an anti-Semitic pledge following which the "Party" will make a background investigation to make certain that the applicant is not of Jewish extraction.

FIELDS states that it is the aim of his party to deport all Jews and to send all the Negroes back to Africa and that it is the desire of the party to ultimately have a "pure white race" in the United States. [REDACTED] anti-Communist and T-2 is definitely of the opinion that their group is also strongly anti-Communist.

FIELDS continuously boasts about having read Mein Kampf many times and he is extremely pro-Hitler because of Hitler's handling of the Jews in pre-war Germany.

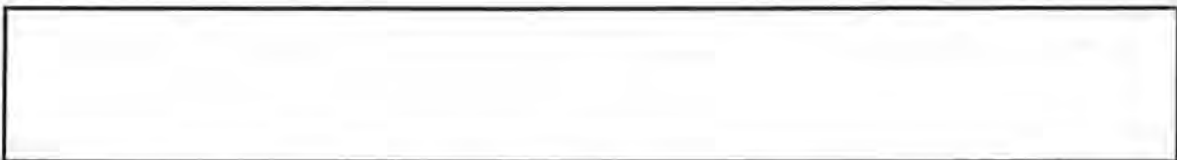

According to T-2, FIELDS claims that he has been a student of anti-Semitism and an avowed enemy of the Jews since he was twelve years old. He often speaks of one J. B. STONER of Atlanta, Georgia, and from what FIELDS has indicated, STONER may be a lawyer who is devoting a great deal of his time and attention to the "party affairs"

b6
b7C
b7D

FIELDS has indicated that STONER is more or less head of the "Party" but T-2 does not know by this whether FIELDS means head of the party in Atlanta, Georgia, or head of the party on a national basis.

FIELDS often states that the "Party" is waiting for a depression when the people will lose confidence and will either then turn to communism, or, they hope, to their "Party." From what FIELDS has said the "Party" apparently intends to attempt to capitalize upon the next depression should one occur, by attributing same to Jews.

Mr. [REDACTED] Atlanta, Ga., telephone CR 2853, a student at Southern Technical Institute, Chamblee, Ga., made the following complaint in person at the Atlanta Office on June 3, 1954.

[REDACTED] advised he had been at instant school until a late hour the night of June 2, 1954. Enroute back to Atlanta he stopped at a Texaco Filling Station on the Buford Highway, across from the Franklin Super Market; possibly the W. B. MYERS SERVICE STATION, 2239 Buford Highway. He said he stopped there about 1 AM, 6/3/54.

In this station he met the night manager (described as w-m-59 yrs-5'8"-190lbs-grey hair); a second individual described as w-m-19 yrs-light brown hair-noticeably irregular teeth-6'-165 lbs; and a third party, described as w-m-19 yrs.-6'-155 lbs-blonde hair, curly-crooked, irregular teeth.

[REDACTED] said he got into a "bull session" with these persons which lasted from about 1 am until about 5:30 AM, 6/3/54. He said that this discussion started off as a discussion of the segregation question and he found all three of these above described persons as extremely anti-negro and anti-semitic. He said that the last two above described persons had numerous newspaper clippings and magazine articles relating to the racial question; described HITLER as a "great man"; described EISENHOWER AND STEVENSON as "disguised Jews"; said that they all belonged, including the night manager of the station, to the CHRISTIAN ANTI-JEWISH PARTY, a "fast growing political party which would soon outnumber both the Republican and Democratic Parties". They said that the CHRISTIAN ANTI-JEWISH PARTY was only 2 years old and already had 10,000 members.

They told [REDACTED] they had some stickers and wanted [REDACTED] to help them distribute them [REDACTED] said he refused but that the stickers said something like, "Don't Buy Here-This Store Run by Jews". They gave [REDACTED] a book entitled, "BEHIND COMMUNISM", published by FRANK L. BRITTON, PO P-x 15745, Crenshaw Sta., Los Angeles, Calif. which is strongly anti-Semitic. [REDACTED] said he had no use for this book; identified it with his initials and turned it over to the writer for whatever use the FBI might wish to make of it.

[redacted] said that the second individual described above had another book, entitled, "THE IRON CURTAIN OVER AMERICA" by JOHN BEATY, published by WILKINSON PUBLISHING CO, 1717 Wood St, Dallas, Tex., with selling price noted as \$3.00. This person told [redacted] he should send for this book and "learn what the Jews are doing to America."

[redacted] said that this latter individual mentioned that recently his car had been towed in by the Atlanta Police Department and that the police had ~~confiscated~~ confiscated a large number of papers which were in the car and did not return the papers to him when he reclaimed the car. [redacted] thought this individual might therefore possibly be identified through the PD records.

The above was discussed orally with SA [redacted] who stated he thought he might possibly be able to identify the persons referred to by [redacted]

Above submitted for record purposes only.
