Click to expand or collapse the navigation menu.

MY LINKS	
Navigation Menu	**Description**
CaneLink Home	Access the CaneLink springboard at canelink.miami.edu
Dashboard	The new Dashboard is your CaneLink landing page, with instant access to holds, to dos, shopping cart, wait list, and message inbox.
My Profile	View and update contact information including: Address, Preferred Name, Phones and Emergency Contacts. Additionally, view access to campus and student ID.
Schedule	Displays the student's class schedule in list view and calendar view. View multiple time period displays (day, week, month), provides the ability to print the schedule, or export it to an email system such as Outlook.
Class Information	Displays the University's course catalog and allows student to create custom filters to find classes more easily. Students can add courses to their schedule builder, planner, shopping cart, and even enroll from the course catalog.
Enrollment	Provides students with the ability to enroll in courses. Enrollment is integrated throughout the new CaneLink system, by utilizing class search, course catalog, schedule builder, planner, shopping cart. Other functionalities within the Enrollment menu include drop classes, swap classes, view wait list, and buy textbooks.
Academics	Students can generate a what if advisement report based on alternate programs of study. The what if report is a theoretical draft that projects path options to achieving desired degree. Degree progress allows the student to see progress towards degree and to drill down to requirements and see which ones are completed, pending, or not satisfied. Additionally, a degree planning tool allows for students to plan out future courses. Finally, students can view past and final class grades, career/major, course history, and standardized test scores.
Transcripts	View unofficial transcript or order an official transcript.
Graduation	Apply for graduation and submit details for the ceremony like cap and gown size.
Financials	View account balances and pay tuition via Flywire, review financial aid information, set up direct deposits, and opt into optional fees as well as view the required ones.
Admissions	Accept admissions once admitted and pay admission deposit, if applicable.
Housing and Dining	Look for housing on campus as well as purchase different meal plan options.
Cane Card	Access Cane Card drop-down menu including Cane Express balance, make a Cane Express deposit, and lost or stolen Cane Card.
Proxy Delegation	Give a third-party access to your account to make payments, and view financial aid information and course history with grades.
Important Links (Resources)	Provide access links to multiple student resources.
