

RECENT SALINAS CENTER TRANSFERS LIKE S.A.C.

"It's better here," remarked Dr. George Sasaki, the newly transferred doctor from Salinas, when asked what he thought of the Stockton Assembly Center, "because the grounds are roomier."

Dr. Sasaki and Nurses Mary Hashimoto and Chitose Aihara arrived here Wednesday from Parker Relocation Center in order to take up duties in the hospital. All were formerly stationed at the Salinas Center Hospital, but they accompanied the sick to Arizona when the Salinas Center was moved to Parker.

Genial and friendly, all three agreed that everything was all right, while Dr. Sasaki said that the personnel here pleased him. Nurses Hashimoto and Aihara smiled as they said, "Tho' our stay here will be temporary, we are glad to be here."

Q.M. Roll call.

Roll call will be taken tomorrow (Sunday only) morning at 6 a.m., so that the wrestling tournament may take place from 8 to 10:45 p.m. Residents are asked to remain in their barracks.

'FINANCES NOT PRIMARY POINT,' SAYS BALDERSTON, REP. OF NAT'L S.R.C.

"The chance to go to school back east offers enviable opportunities," said Dr. Balderston of the National Student Relocation Council to eighty young people last Wednesday evening at Edex Hall.

He stated that the basis of selection will depend upon (1) scholarship, (2) personality and (3) ability to adjust oneself to a new life.

"The matter of financing yourself is not a primary point," stressed Balderston.

He declared that the Council was seeking to aid the students by (1) offering tuition and scholarship, (2) by working with church and educational groups, (3) by getting part-time work for the relocated student and (4) by arranging social contacts for the student.

Professor Tyler, also of the National Student Relocation Council, accompanied Balderston. He urged all interested college-age students to fill out the questionnaires in triplicate, in spite of the decreasing opportunities of relocation. (cont. on p. 3)

VOL. II, NO. 1 STOCKTON ASSEMBLY CENTER JULY 11, 1942

STORE CUTS PRICES REDUCTION EFFECTIVE SUN.

Effective SUNDAY MORNING, JULY 12, (that's tomorrow!) the prices of approximately 145 articles on sale at the Center Store will be reduced on the average of 20% was the announcement made yesterday by Mr. Ralph I. Millet, Supervisor of Finance and Records, and Mr. A. Nicholson, Assistant Center Manager.

OLD AGE BENEFITS FOR CENTER-ITES!

Center residents are entitled to the benefits of the Old Age and Survivors' Insurance provisions of the Social Security Act but are not eligible for the unemployment insurance.

Many are not receiving payments because their whereabouts are unknown. They are urged to come to the Information Booth to determine the status of their cases and to change their addresses.

Aliens, as well as citizens, are entitled to these provisions as long as they were employed in an industry governed by the Social Security Act.

No Dance Tonight!

The greatest and the most welcome reduction will be in the prices of cigarettes (15¢-14¢); tobacco, chewing and pipe, (10¢-9¢); book matches (2 for 1¢-10¢ per box); razor blades (25¢-18¢); soda water (5¢-4¢); candies (5¢-4¢); deodorants (39¢-25¢); talcum (25¢-18¢); cleansing and cold cream (28¢-23¢); thread (5¢-3¢); combs (10¢-8¢); tooth powder (45¢-37¢); tooth brushes (25¢-18¢); sanitary napkins (25¢-18¢) and Kleenex (13¢-10¢).

There are some articles (peanut bars) that will not be reduced and some (oranges) that will even be slightly raised. Most of the toilet articles will be reduced as much as 33%.

Under the so-called px system the new prices will be identical with those prevailing at army camps.

VOLUNTEERS TO CLEAN GRANDSTAND ON SUNDAY

The members and their families of the Buddhist Church have volunteered to clean up the grandstand every Sunday morning.

Block No. 1 cleaned it up last Sunday. Block No. 2 will be in charge tomorrow. They are asked to meet at 7:30 a.m.

JACOBS WITH SUPER ADJECTIVES PLUS

"Perfect." With a mischievous grin, "Beautiful, glamorous, exotic," commented Mr. Bert Jacobs, Superintendent of the Post Office Station, and "pharmacist-postmaster" when asked what he thought of his job.

A thumbnail sketch of Mr. Jacobs includes; (1) born in Stockton, January 4, 1909; (2) graduated Stockton Hi in '26; (3) at present a killer-diller!

On Tuesday, Mr. Harold Mundell, our Center Manager, is due to leave for his former post in New Mexico as the State Director of Employment for the W.P.A.

Cautious and deliberative in his policies, he has been instrumental in easing whatever repercussions which may have fallen on us. His earnest efforts and active work in behalf of the residents cannot be overlooked or minimized.

We feel that we are voicing the opinion of the Center in saying that we respectfully appreciate his sincerity in the matter of the proper management of the Center.

Lastly, we wish him the best of good fortunes in all of his future endeavors.

'WHAT FOODS THESE MORSELS BE!'

Dear Editor:

Will you kindly write an editorial on the waste of food in the warehouse department? Quite often spoiled vegetables and fruits are being thrown away. This is our food so that we, the people in this center, should ask them to be more careful; then there is no need to run out of foods like some mess has been doing. Why should perishable food spoil in the warehouse when we need all the fresh vegetable and fruit we can get? Also by a fair distribution of all foods persons in the last mess call will not be deprived of their allowance.

(signed) bt

Replying to the proposed editorial, I find that the author is not acquainted with the problem of supplying 4,100 people with perishable foods.

It is almost impossible to obtain fresh fruits and vegetables in quantities and qualities desired. Our orders are placed 12 days in advance of our needs, but we cannot often obtain some items. Consequently, we must accept perishables which are not in accordance with our specifications. Either that, or do without. For example, cantaloupes recently received were already 10% spoiled. In order to insure a constant supply of perishables we must maintain a supply above our daily needs. This, in turn, results in a certain percentage of spoilage. So, the spoilage of fruit and vegetables to which the writer refers, is an unavoidable spoilage, and not the result of carelessness or mismanagement.

As to the shortage of food at the last mess, we must depend upon the kitchen personnel to advise us when such shortages occur. We are endeavoring in every way possible to abolish any shortages. To our knowledge no shortages have been reported within the last ten days. We want everyone to have an adequate supply of food, for upon our ability to care for our evacuees, rests the record we will establish. And we wish to establish a good one.

Then a dance will be held Saturday evening (July 18) from 9 p.m. to 11 p.m. on the Platform.

An all-talkie feature will be shown two weeks from today!

Tyler emphasized that those "who can best sell themselves," would be desired, as the relocated student may do much in alleviating much of the misunderstanding and mistaken impressions prevailing in many communities where Nisei are unknown.

14 FIRST AID INSTRUCTORS CLASSES TO BE OPEN TO CENTER-ITES

"First Aid courses are now open for anyone interested," announced Mr. Bill Buettner, head of Boy Scout activities in the Center.

Any Boy Scout who wishes to take any of the courses is requested to put in his name at the Information Booth. Paul Shimada is scheduled to teach this group at the Boy Scout Room.

"These qualified instructors are really first class," praised Mr. Herman Smith, instructor from the National Representative of National Red Cross.

COOPERATIVES

Since the introductory talk on Consumers' Cooperatives by Mr. Karl Hansen in the latter part of June, a six-man committee has been collecting, assorting and studying material pertaining to cooperatives in order to present to the EL JOAQUIN readers a series of articles explaining this co-op movement.

Readers are asked to pay special attention to these articles presented semi-weekly, because the cooperative form of organization will be established in the Relocation Centers. It is important that as many Center-ites as possible are informed of the principles and procedure of the co-op to insure its success.

POOP-OUTS WIN 19-1 DRUB KIBEI FOR 10th STRT. TED SHIRONAKA CONNECTS FOR 4 HITS.

The unbeaten All-Center Poop-outs stretched their loop victory to ten straight when they slaughtered the Kibei 19 - 1 behind the masterful pitching of Jim Okino, who limited them to four hits. Ted Shironaka kept up his terrific bat performance by coming through with four more bingles.

Making a desperate attempt to try to keep up with the Poop-outs the Cards drubbed the Shangri-las 18 - 11 in a free scoring tilt, which was featured by third sacker Johnny Hiramoto's 4 for 5.

The Blk. 5 Flames following the athletic footstep of the champion Flames of Lodi High, captured the first half pentant of the Center's Junior League softball race. Headed by smooth shortstop Freddie Hiromoto the squad is composed of H. Oga, T. Hayashi, T. Horita, G. Tanimoto, Iwamiya Bros., G. Sugimoto, J. Mikami and H. Kamita.

Paced by the sensational bat wielding of All-Star Mas Okuhara, who tore the horsehide for a spectacular 8 for 10, the loop-leading Reds added two more lop-sided wins to their column, a 16-0 shutout over the Yanks and a 17-2 triumph over the Trojans. The whitewashing of the Yanks was the first shutout in the American League.

The surprising Blk. 3 Senators came to life by mowing down two opponents, the helpless Kiwanis 17-9 and by upsetting the second place Bums 12-6 to escape from the cellar. Leftfielder Mauch Yamashita crushed any hopes of the Bums winning by coming through time after time with magnificent catches.

COUPON BOOKS MONDAY

2ND PAYROLL SOON

The payroll for the month of June 10 to July 9 of approximately 1159 Center workers in the three classes, the unskilled, the skilled and professional, was assembled, tabulated and sent to the main headquarters in San Francisco Monday night.

"The pay checks should be here in a week or ten days," announced Mr. R. Frost, Chief of Personal Accounts.

Midsummer Mixup!

A starry sky, a soft breeze and scintillating melodies--it's the "Midsummer Mix-up" for the dance lovers this Saturday evening, 9 to 11 p.m., on the outdoor Pavilion.

Everybody, come out and be part of a merry, merry mix-up.

STARS GALORE

TALENT REVUE SATURDAY

An all-star studded (to borrow a favorite expression of the Sports Dept.) Talent Revue will be featured this Saturday at 2 p.m. on the Platform, according to Mr. M. Nakamura and John Kono, co-chairmen.

The best of the Center have been recruited to offer their abilities to entertain the Center-ites with both English and Japanese selections.

The Ouchida sisters will again share the spotlight with other performers--vocalists, semi-sen artist, hula dancer, harmonica soloist, monologist, and actors. A complete program will be printed in the EL JOAQUIN in Saturday's edition.

Masao Wakai will be in charge of the P.A. system. Residents are asked to bring their chairs.

O-BON FESTIVITIES TONIGHT!

8:00 TO 11:00 FOLK DANCE

The shimmering hues of brightly colored kimonos will be lacking, but Center residents are expected to turn out en masse to witness over 500 dancers participate in tonight's colorful O-Bon Festival dance in front of the grandstand.

The dance is scheduled to start at 8 p.m. and will end at 11.

Red buckets are a temptation to the Center-ites. Maybe, if they were painted purple, the buckets would be left in their proper places. Those brilliant scarlet buckets are for fire emergencies only. DO NOT USE THEM FOR OTHER PURPOSES.

Strict measures will be taken by the Police Dept. if the Center-ites refuse to heed this warning.

EDITORIAL

ON EDUCATION

Education plays a dominant role in the life of every growing child. It is as valuable to their mental development as recreation is to their physical health.

Thus, some weeks ago, the Center organized an educational system whereby classes for children, high school students, and adults were started. Handicapped to some extent by the lack of supplies and facilities as well as trained teachers, the work in this department, however, has shown a marked degree of progress.

Attendance to all classes, especially the primary grades where cookie, fruit, and milk are given to the youngsters daily, has been excellent, but there is a small number of juveniles who are not enrolled.

If the parties responsible for these children would undertake to see that these youths are listed in any of the various classes, the youngsters would benefit from their efforts.

COOPERATIVES

WHAT AND WHEN

A Cooperative is a business enterprise owned and controlled by the producers or consumers, the control of which rests EQUALLY with all the members, and the gains of which are distributed directly or indirectly to its members.

In a consumers' cooperative the ownership and operation of the marketing organization are in the hands of the consumers; and in the producers' cooperative the ownership and operation of the manufacturing plants and other productive enterprises are in the hands of the workers. All cooperatives are based on the idea that the consumers or producers are to benefit by any gain from the enterprise.

Of historical importance is the achievement of the 28 weavers in Rochdale, England, who in 1844 started out with a capital of only \$140. This is the beginning of the consumers' cooperative movement. This Rochdale cooperative was successful from the very start. In ten years it had a membership of 900 and a capital of \$35,000. From this humble beginning the cooperative movement grew until we have 75,000 societies throughout the world, membership of 70,000,000 and a business of over \$16,000,000,000.

The successful cooperatives have followed the Rochdale plan. The principles of the Rochdale plan will be discussed in the following issues.

TULE LAKE.....

What a mess!.....Forty mess halls are now in operation.

Shake a leg, you loafers.....A levy of \$20 per month is to be charged against any person eligible for the W.R.A. Work Corps who refuses to work..... What's more, \$20 for every dependent of the slacker.

More proof that there is no lake in Tule Lake... Colonists are asked to use as little water as possible. MERCED.....

He signs himself Mr. Waiting.....Excerpts from letter in "Gripe Column".. "I am a patient man....I'm really getting mad, tired of just waiting for the things which others are getting and me--just waiting".....So stated Mr. W. in his unusual request for benches and tables..... "They (carpenters) are putting in partitions in toilets and showers. We are all He-Men and not mice... the partitions don't seem to be needed--but being he-men we must write to our girl friends once in a blue moon, and one table is worth a dozen toilet partitions....."

PINEDALE.....

Exodus.....4000 to the lake of no water--750 to the land of sun and sand.. Now "we're going to Tule Lake" rumor mongers, here's the statistics for the "lake".....Approximate to date is 11,000; Pinedale will make it 15,000....But ---Pancho and Tamale would like to know where they're going.

NORTH PORTLAND.....

Cakes weighing 50 lbs. each were baked for the 4th40 lbs. of flour and 30 lbs. of sugar were used for each cake.....That's a lot of dough.....and my, oh my, what we couldn't do to our lemonade with all that sugar.

GOOD-BYE, Mr. Mundell

Bidding farewell to a gathering of well-wishers, Center Manager Harold Mundell left the Stockton Assembly Center at 11 o'clock yesterday morning to take the 11:20 train for Santa Fe, New Mexico.

"I'm sorry to leave," stated Mr. Mundell, "and I'm wishing the Center-ites the best of luck."

WHAT A MESS

**CLEANLINESS - MESS #3
WINNER OF FIRST CONTEST**

"Judging was difficult, but Mess #3 won due to its consistent cleanliness day after day. Those conscientiously trying for first place should pay #3 a visit and get some pointers," stated Mr. L. C. Shaffer, referring to the first mess contest held in the Center. "Messses #4 and #5 were close seconds."

The winning crew was awarded a "flock" of luscious Honey Dew melons. In addition, they were given the privilege of having a big "blow-out" last nite at the Edex Hall.

Afternoon chef, Robert Okimoto, commented, "I am grateful to the mess boys and to the Block 3 residents--especially the Block Supervisors, Ted Oseto and Al Kawasaki--for it is because of them that our mess has won. We will try to keep up our record." Frank Egawa is the morning chef.

"Block 4 janitors won the janitors' contest, which was also a difficult one to judge," said Shaffer.

The broken dish contest was called off because four mess halls had no broken dishes.

The second contest has already begun and will end on July 20.

PRESENTING MR. W. H. HANLON, JR.

William H. Hanlon, Jr., the Center Store executive, is a 50-year old Sacramento-born Californian.

Graduating from Santa Clara College in 1914, his vocational interests later resulted in his employment in the U.S. Dept. of Agriculture. His marriage has been honored by three children, one of whom is now in the Air Corps.

He enjoys playing golf but stated, "I couldn't catch a fish even if they tied it on to my line."

Mr. Hanlon remarked, "I think the people here have

been helpful to me, and I have a fine group of boys and girls helping me."

**FINGER-SPLICED MEAT CHOPPERS
PRESENT AMAZING STATISTICS**

The "Local Union Five" of the butcher shop have put out these amazing facts.

During the last two days (Sun. and Mon.) 28 finger-spliced meat choppers have butchered 4,000 pounds of beef, 2,000 of veal and 600 of mutton. They also sliced 800 pounds of bacon and 1,500 of ham.

The union (baloney boys) is headed by Frank Watkins, supervisor, and T. Ijuin, the boss, with the assistance of Joe Ohara, Joe Kabuki, Ren Tomura, Haruo Shironaka, Sugar Takahashi, Gerry Shiota, Jogi Kenmotsu, Johnny Akaba, S. Ogata, T. Kanada, M. Fujimoto, T. Yonemoto, S. Ogasawara, G. Yasunaga, S. Hattori, K. Kubota, T. Isui, Y. Kihara, T. Nishimori, G. Sato, L. Sato, R. Sato, W. Sakasegawa and Tomita.

(Continued from page 1) further announcement is expected soon.

In order to obtain the free scrips for the two months, the applicant has only to sign the coupon books. The necessary details will be worked out beforehand by Gordon and the block representatives.

Who dood it?

This Center is not sponsoring a rubber drive as yet, so the residents (the children maybe?) are asked to stop collecting rubber fixtures from the latrines. These fixtures are difficult to replace.

STATISTICS DEPT.

A new department has been formed under Kiyoshi Shimasaki in the Division of Finance and Records was the announcement made by Supervisor R. Millet.

This new department will handle all statistical work --graphs and charts---connected with the Center Store, shoe shop, clothing issued by the Social Welfare Department, coupon books and mess hall reports.

FIRST AID

HISAKA ALMOST PASSED OUT ^{by My}

A worried, haggard, white and shaken person came dashing into the Press Office, last Saturday. It was Art Hisaka. "Who wrote that article about First Aid instructors?" he demanded.

The poor fellow didn't see his name on the list of those who passed the Instructor's Course. In fact, he was the only one omitted! What if his name hadn't been

sent into Nat'l headquarters to be credited for the course! Omigosh!

It seems that the reporter who received the list of names did not get that of one Art Hisaka. Therefore, he didn't put it out in the EL JOAQUIN. But all the time his name was heading the list!

By the way, the one who blundered--was me.

FIRST AID CLASSES SWELL; TEACHERS, WARDENS ENROLL

Great interest in the First Aid Standard course has swelled the number of classes and persons, according to Mr. Jack McFarland.

Chief Dan Murphy is working out the details to give the course to over 100 Air Raid Wardens.

The two junior classes for Boy Scouts (18 and under), which are no longer open for signup, are supervised by Paul Shimada and George Uyeda.

A signup for girls, who are over 18 and who are working, will be held at the Recreation Office. The class will be in the evening with Grace Hagio instructing.

Issei classes will be organized later.

The time and place for each class will be arranged to avoid interfering with other activities. So all those interested are asked to sign up.

SCOUTS SLATE MANY ACTIVITIES - FINGERPRINTING DEMONSTRATION

Mr. Chris Nichols will present a demonstration and lecture on fingerprinting to all Center Boy Scouts this Sunday at 9 a.m. in the Visitors' Booth.

oOo

An everyday activity for the Scout is passing various merit-badge tests which were made possible through Mr. B. T. Parsons of the Works Division.

There are over 120 subjects, the most popular here being First Aid, cement work, personal health, firemanship, carpentry and handicraft.

There is a councilor for each badge. All scouts passing the merit badge tests are required to present to the councilor handbooks and certificates signed by their scoutmasters.

oOo

Troop 91 has exceeded its membership quota of 57 boys. Others wishing to join must be on the waiting list.

oOo

A Board of Review will be held on July 23; a Court of Honor, on August 5.

BEAVERS AT WORK

Thirty-eight woodcarvers in the Jr. class (under 18) will meet today at 3 p.m. at Block 10; the same number in the Sr. class (over 18), on Saturday at 2 p.m. at Block 10.

Q. How many newspapers an hour can the fastest press print?

A. The fastest newspaper press can produce 60,000 complete newspapers an hour. (EL JOAQUIN--300 per hour)

The Recreation Dept. is contemplating another All-Center track and field meet which has been tentatively set for Saturday, August 1.

As far as the Independence Day cinder meet is concerned, it can be described as a total flop. Short notice, which turned the entries into a skeleton crew because of lack of time to get into condition and improper supervision of each event proved to be the difference between a successful and a dry affair.

If competently arranged and conducted with officials for each event, the coming trackfest should prove to be one of the Center's biggest sports attractions.

There is a host of present and former college and prep stars in here who have made a name in the track world, so with them as a nucleus and along with the rest of the scanty-pantsed athletes if given ample time, the events should go off in championship style.

Competition should include Senior and Junior Divisions and possibly a girls' event, too.

Baseball addicts remember Shot Iwamura, the former diamond star of the State champion Lodi YMBA Templars.

Well, he is now training down at Fort Bliss, Texas. The former Northern Calif. Japanese Baseball League batting king who incidentally still holds the record with a high .500 average and who has been rated in 1940 along with San Pedro Skippers' Tee Okura and Ich Hashimoto as the classiest outfielders in the State says "life in the Army is okay and that also includes the Lone Star State's Nisei-Spanish beauties, too."

SPORTALITIES:
KARL KAWASAKI, Terminus Judo Instructor, 8-157-A

One of the topflight judoists on the Pacific Coast and is the holder of the very high fourth rank. Was a star first sacker for the once famed Stockton Yamato nine of the roaring twenties.

POOPOUTS WHITE-WASH GIANTS 6-0 FOR 11th STRAIGHT CARDS POUND KIBEI 18-4

The All-Center Poop-outs' drive towards the National League pennant became closer and surer as they batted out their 11th straight victory by white-washing the Giants 6-0. The superb hurling of Jim Okino, who limited the Giants to a mere 3 hits, kept the "Old-timers" in the undefeated column.

Pounding out 17 hits, the Cardinals lambasted the Kibei 18-4 to stay right behind the Poop-outs. Jim Hiromoto and Sat Oune led the damaging attack with 4 and 3 hits apiece.

In a closely fought tilt the Grapepickers eked out a 4-3 win over the Hell-divers to move out of the cellar.

The Spartans behind the beautiful two-hit chucking performance of Kenmotsu trimmed the Kibei 6-5.

EDITORIAL

'AH, SWEET MYSTERY OF LIFE'

Mystery envelops the activities of certain individuals in this Center. Peculiar happenings bordering on bizarreness are being carried on by erstwhile queer hobbyists who are prone to collect inconspicuous but essential things.

With almost a mystic touch, such items as faucet handles, rubber on latrine seats, laundry soap have been disappearing into thin air. The faucet handles and rubber cushions are irreplaceable, so that any continuation on the part of the residents in persisting in this collecting would be detrimental to the welfare of the community.

Parents should caution their children. Others should keep their eyes open.

Then, perhaps, the strange case of the "Mysterious Hobbyists of Stockton Assembly Center" can be solved.

POPULAR CENTER COUPLE WEDS

At a beautiful candle-light ceremony Miss Teruko Tsunekawa exchanged vows with Mr. Kay Yamaguchi last Sunday evening at the Edex Hall. The Reverend S. Hata officiated.

The bride, well-known and active in the YWBA cir-

cle prior to evacuation, wore a white marquisette gown with a finger-tip veil. She was attended by Miss Meri Okamoto.

The groom's brother, Fred, served as best man.

The newlyweds are now living at 1-11-D.

The above-mentioned head waiter, Kajita, has the following competent helpers: waitresses--F. Kataoka, C. Murano, K. Sato, S. Sato, S. Tanaka, A. Terashita; waiters--S. Fujihara, D. Fujii, S. Hattori, E. Oshima, H. Oshita, and M. Saiki.

G. and M. Kawaguchi are the stock clerks.

The vegetable men are: K. Fujita, J. Matsuo, C. Mori, G. Naito, T. Sato, S. Togo.

Letters filled with superlative praise for Montana have come from workers who left recently to work in the beet fields. Thus fortified, the American Crystal Sugar Company has come again to recruit 35 more workers from the Stockton Assembly Center.

Mr. Al Kawasaki, who will lead the next contingent of workers, has already recruited 18 workers, but he is still searching for more individuals and two or three families.

Anyone interested in going may contact Kawasaki at 3-39-D or 3-42-A by next week. A representative of the A.S.C.C. will be at the Center from 11 a.m. today.

FIRE BUCKETS

RETURN, OR ELSE!

"Unless fire buckets are returned to the barrels within a week, the interior police will be forced to search each barrack," announced Center Manager A. S. Nicholson.

It was pointed out that many fire buckets at Block 10 were being taken with the mistaken belief that they were not needed there. But buckets are needed at Block 10 as well as anywhere else. Nicholson stressed that the absence of fire buckets creates a fire hazard that endangers the lives and property of everyone in the Center.

"We do not want to search every barrack and inconvenience everyone just to weed out the few who have failed to comply with our regulations, but the danger of fires will necessitate such a move unless the buckets are returned," stated Nicholson.

MR. HAROLD, KEEPER OF TIME.

"As timekeeper, I appreciate the help I'm getting from all the boys and everybody in here--just like one big family," smilingly declared Mr. William A. Harold.

Timekeeper Harrold has a very interesting background. He greeted the world in San Francisco in November, 1894. The first school he attended was destroyed by the famous 1906 earthquake. Mr. Harrold is a graduate of the Western School of Commerce--now known as Heald's Business College.

When asked about his hobbies, the Center timekeeper replied that he was formerly interested in marathon running. He revealed that in 1915 he won the 10-mile marathon run and was awarded a silver cup as Pacific Coast Champion. At present his favorite past-time is to grow many dif-

ferent kinds of flowers.

Missing his meals is his pet peeve.

Mr. Harrold is married and has 2 children--Clotilda and Bill, "Chip-off-the-old-block." "He's taken up where I left off. He's a fancy skater, too," the proud father stated.

ELIGIBLE VOTERS

REGISTER THURSDAY; PRIMARY, AUG. 25

Prospective eligible voters of the Stockton Assembly Center registered on Thursday with the special registrar sent to the Center on the request of Manager A. S. Nicholson for the primary election to be held on August 25.

Most of the registrants were persons who had reached their 21st birthday or who had not previously registered, but there were a few applicants who re-registered because of change of addresses.

All eligible voters who had previously registered or who had voted in the last election were not required to re-register, but they, along with the new applicants, must apply to the County Clerk for absentee ballots not before August 5 or later than August 20 in order to be eligible for the primary.

500 DANCE IN O-BON FEST

Gyrating gaily to rhythmic Oriental melodies, 500 dancers participated last Wednesday in the O-Bon festival, consisting of a one-hour service from 7 p.m. followed by the dance which lasted until 11 p.m.

Watching the lively boys and girls were approximately 3500 Center-ites.

The festival was made colorful by some with kimonos of bright hues.

S.F. VS. SAC'TO

In a crucial Pacific Coast League game the San Francisco Seals will cross bats against the Sacramento Solons this morning.

Both tens will go into the fracas without a defeat so the victor will take undisputed leadership.

POOPOUTS ADD 12 IN ROW - SHELLACK SHANGRI-LAS 20-6 CARDS TRIUMPH OVER KIBEI 16-6

The high riding Poop-outs continued their winning streak by shellacking the Shangri-las 20 - 6 to make it 12 straight without a setback. Rogan Miyaniishi paced the attack with a perfect 3 for 3.

Although the chance is very slim of their ever catching up with the Poop-outs, the Cardinals nevertheless kept up their business of drubbing the rest of the opponents. The latest victims of the Cards were again the Kibei, who were smeared 16 - 6.

Although both tens only received four hits apiece the Hell-Divers came out one step ahead as they whipped the Giants 6 - 3.

REDS CINCH A.L. FLAG

ARISTOCRATS MOVE INTO 2ND POSITION. TROJANS WIN PAIR

Explosive hitting combined with airtight fielding cinched the American League flag for the powerful Blk. 5 Reds as they annihilated the Blk. 4 Bums 20 - 3 on a fifteen hit attack, which was led by Ted Kamibayashi and rampaging Mas Okuhara with 4 and 3 hits, respectively. The climaxing victory was a sweet revenge for the Champions since it was the Bums who set them back early in the season in a stunning upset.

The revamped Aristocrats moved into undisputed second position as they clubbed the fading Yankees 7 - 1 behind

JUNE PAYCHECKS ARRIVE!

Curfew!

At your barracks at 10 p.m. and lights out at 10:30. That's the curfew regulation according to Mr. A. S. Nicholson, Center Manager.

The new ruling put out by the Western Defense Command, 4th Army, will change the 9 p.m. roll call to correspond with the latest orders. Exemptions will be made only by special permits to those working nights.

Notice as to the date when this order will go into effect will be placed on the bulletin board.

CASHIER TO DISTRIBUTE \$10,650 TOMORROW, FRIDAY P.M.

Paychecks for the month of June 10 to July 9, totaling \$10,650, will be distributed tomorrow and Friday to approximately 1,157 Center workers from 1 to 4 p.m. and 7 to 8:30 p.m. in front of the cashier's window by Center Cashier John Gordon and his staff.

In order to avoid confusion and congestion two lines will be formed, one for workers with U ratings and the

other for those with S and P ratings. For a full month's work the U workers will receive \$8, S workers \$12 and P workers \$16.

Procedure similar to the last distribution of paychecks will be employed. Workers may call in any order, but they must present their orange-colored work order in applying for the paychecks. In cases where the work slip is lost, the work button must be presented.

ART STUDENTS' EXHIBIT!

Pastel and pencil sketches of students under Louie Shima and Hiroki Mizushima of the Adult Education Art Dept. will be exhibited at the Edex Hall for three days, Friday, beginning at 7:30 p.m., all day Saturday and on Sunday when the hall is not in use.

Because of the fine work the students have done, there is a possibility of having the same exhibit in the Haggin Memorial Museum in Stockton sometime in August.

Shima is a graduate of the California School of Fine Arts, while Mizushima attended Oakland School of Art and Craft.

23 LEAVE FOR MONT. SUGAR BEET FIELDS

The second contingent of 23 sugar beet workers under Mr. Al Kawasaki left the Stockton Assembly Center for Ronan (Lake County) Mont. at 6 p.m. yesterday.

Included in the second group of workers was one family group, Mr. and Mrs. Yasunaga.

REPATRIATION

From the W.C.C.A. headquarters comes instructions to Japanese, aliens and citizens alike, seeking repatriation. Forms for application may be obtained at the Information Booth.

A request for repatriation will be accepted from any person 18 years or over, who was born in Japan, or who was born in the U.S. and has dual citizenship.

But those who are American citizens WILL FORFEIT their citizenship by applying for repatriation.

An acceptance of a request for repatriation by the W.C.C.A. does not mean the U.S. government will grant repatriation.

Other instructions are posted on the bulletin boards.

GET FREE COUPON BOOKS TODAY ADVISES GORDON, CASHIER.

All persons who have not as yet received their free coupon books, regardless of ID number, were advised by Center Cashier John Gordon to apply for them at 1 p.m. today in front of the cashier's window. The arrival of pay checks and the speedy disposition

of coupon books has necessitated a complete change in the schedule for distribution of the free scrips.

Unless the coupon books are called for today, it was announced that other arrangements will have to be made with the Center Cashier.

EDITORIAL

THE RIGHT TO VOTE - A PRIVILEGE

Last Thursday witnessed the registration of many residents for the privilege of being eligible to vote in the August primary election.

In this Center, the number of voters approximates the total of 700. To us, these votes represent our means of expressing our opinions on various political matters.

The right to vote is a great privilege granted to us as American citizens.

The right to vote entails a responsibility. It calls for a study of issues.

The right to vote should be exercised wisely and fully, after carefully looking over the candidates and their platforms.

Never has it meant more to us than now. So let's make use of this franchise, and vote.

REC. DEPARTMENT
NOTES

Dear Editor...

Through some misunderstanding, an item was published in the EL JOAQUIN giving full credit of Mess #3's victory in the first mess contest to the Block supervisors.

However, I had meant to emphasize the point that the cooperation of the entire mess crew had been the reason for our winning and it is to them that most honors should be given.

...Robert Okimoto

Thank you for calling our attention to the item. Its wording may have caused this misinterpretation. Happy to see Mess #3 keep up its fine record.

BEET WORKERS RETURN

Mr. Tetsuo Suzuki and Mr. Tom Iwasaki returned last Saturday night by way of Tule Lake from the Idaho sugar beet fields.

Today is the last day for girls 17 and over to sign up for the First Aid class.

The Sr. Handicraft class, which has 40 members, meets on Tuesday, Thursday and Saturday at 5 and 7 p.m. The Rec. Dept. furnishes as much material as possible with the exception of knives.

There are also wood burners for sale at the Block 8 office.

The fancy posters which frequently make their appearance on bulletin boards are the work of Louise Baba, Agnes Uyesugi and Koichi Inouye.

Mr. Frank Thornton Smith will again be guest director of the Center choir next Tuesday evening.

Saturday's talent Revue was fair-to-middling.

TULE LAKE.....

The fact that it is published is proof.....The first surgical operation was declared a success by the hospital.....Victim--excuse, patient--was a woman.....Incidentally, did you hear about excellent cooperation and harmony among our hospital staff?.. TULARE.....

Wish someone here would lose one.....Four-year-old Miyoko Kamon received \$75 for returning a wallet containing \$695 lost by a Mrs. T. Yoshinaga.

It must be a pretty sad place.....Headings from TULARE NEWS....."Nicholson Quits Center"....."Parkinson Resigns"..... MERCED.....

Not definite--only tentative.....is the date and destination of Mercedians.....They are scheduled to leave August 31 - September 8 for Granada, Colorado... Approximately 2000 evacuees are to leave at the same time from "some other center".....Could they be we?

Here's today's human interest story....."Little 3-year-old Jimmy Wakayama was gazing beyond the fence at an irrigation ditch.... Somehow he knew that little

minnows were swimming in the water and wished he could get one.....A small American boy, who was watching his father work, knew what the boy wanted..... Little Jimmy's heart jumped when he was handed a fish. ..Today the fish is Jimmy's dearest treasure."....Pancho and Tamale think a lot of that little American boy.....representative of the true spirit of a little American.

TANFORAN.....

Hope they don't get an idea like this here...Barber shop patrons are asked to wash their hair before going for a haircut..... Reason given was "to prevent grit and dust from ruining the instruments"..

NEW ASST. MGR.

MR. W^m. DOUGHERTY, ESQ.

The S.A.C.'s new Assistant Center Manager from the Marysville Assembly Center, robust, ruddy-complexioned, bespectacled William Dougherty was born in Minnesota 45 years ago; is married and has 3 boys and a girl. He fishes in his spare moments.

"The physical set-up of your Center is much better than at Marysville. Your butcher, Center Store, recreation, and hospital facilities are the best. It was hot and dusty in Marysville. There wasn't a single tree in the whole Center," he said.

"No," he added, as an afterthought, "There was one tree."

SOUND MOVIE

'TUNDRA' AN ALASKAN EPIC!

In spite of the curfew regulations, the anticipated sound movie, "Tundra", (first one for the Center-ites since evacuation) will be shown on the Platform tomorrow and Friday beginning at 8:40 p.m. sharp. The movie will end at 9:50.

"Tundra" is a graphic record of the life of "heroic riders of the sky"--specifically, of a young physician known as the "Flying Doctor", who, in an effort to save the town from a plague, crashes his plane in the wilderness.

Showing the grandeur of Alaska with its thundering avalanches and crashing icebergs, "Tundra" is expected to provide grand entertainment for the Center-ites.

Residents of Blocks 1, 2, 3, 4 and 5 should attend tomorrow; Blocks 6, 7, 8 and 9 on Friday.

EVERYONE BRING HIS OWN CHAIR!

The sound projector will be furnished by the Krieger Motor Company of Lodi.

WELL-BABY CLINIC HELD TRI-WEEKLY

The Well Baby Clinic under the supervision of Dr. Bertha Akimoto and Dr. George Sasaki is held every Monday, Wednesday and Friday from 9 to 11 a.m. at the Center Hospital.

Each baby is weighed, measured and examined every other week with records kept of their gain and development.

Children up to the age of 3 years old are expected to come.

FORMATION OF GIRL SCOUT TROOPS URGED

"Although we realize that the Japanese evacuees will be in your assembly center only temporarily, we are very much interested in letting them have the opportunity of forming Girl Scout troops, if they are interested. The training in citizenship and the wholesome recreation offered in our program should be of value to them."

This is an excerpt from the letter which came from the National Girl Scout Headquarters in New York.

The Executive Secretary, Sibyl Gordon Newell, also sent Girl Scout literature to assist the organization of troops. Such plans are now being formulated for this Center.

This is no bull! A new record! The canteen sold \$259.20 worth of Bull Durham yesterday in 4 hours.

Eighteen Scouts attended the six-hour course in fingerprinting, instructed by Mr. John Alexander of the Interior Police Dept. last Sunday at the Visitors' Booth. Fingerprinting slides were shown by Mr. Iven Hitt of Commercial Photography.

Scouts were fortunate

"We don't know how they do it; nobody ever seems to be doing any work. Yet, they consistently have an immaculate building, inside and out, from end to end. Maybe it's the old system of having a place for everything, and everything in its place," exclaimed Mr. L. C. Shaffer as Mess #3 walked off with top honors in the second mess hall contest.

Block 6 janitors copped the prize this time for cleanliness and will share in the prize with Block 3.

"Mess #2 and #5 both were close seconds to #3, with #2 coming fast in the stretch," added Shaffer.

With the Center's major league season coming to a fast close this weekend, a new and a more powerful loop will be planned out tonight in the Press room lounge after roll call.

There is talk of combining two blocks into one powerful squad. The championship Reds, with the exception of two or three players, will stay intact while the Aristocrats will probably import four horse-hiders to strengthen their ten.

Also the National League champion Poop-outs will most likely join this new league.

This action should prove profitable because it will make competition tougher and closer and at the same time should prove more interesting to the softball fans, who always crave for scintillating and stellar performance instead of loose and long drawn out lopsided contests.

The above movement does not mean that the players who cannot make the grade for this new circuit will be left out in the cold.

Two new leagues of the National caliber is expected to be formed at the same time to keep every horse-hider in competition.

Down at Santa Anita Assembly Center, the national pastime, class "A" hardball league was officially ushered in last Sunday. One of the features of the opening day was the tilt between San Pedro and San Jose, one of the better nines in Northern California.

The above game is reminiscent of the 1940-41 era when the kingpins of Northern California baseball, the Lodi YMBA Templars and Stockton Yamatos used to clash with the powerful San Pedro Skippers in the West Coast Nisei athletic classic of the year.

Something unique and unprecedented in sports annals was created for the

TERANISHI STOPS REDS & SENATORS 12-6 AND 5-3 RAINBOWS EDGE ARISTOCRATS IN NINTH INNING 13-12. BUMS SPLIT.

The resurgent Blk. 7 Bombers paced by the classy hurling of Sanji Teranishi skyrocketed to glory by upsetting the American League champion Blk. 5 Reds 12-6 Friday. Teranishi bounced right back Sunday again to handcuff the lowly Senators 5-3 on a magnificent one-hit job.

The unpredictable Rainbows threw the fight for the undisputed second position into a three way tie by dropping the Aristocrats 13-12 in the ninth inning. A screaming double by Manini Sakuda into the rightfield barracks chased home Manager Jimmy Hamasaki with the winning tally. The defeat by the Rainbows sees the Aristocrats sharing the second spot with the Bums and the Yankees.

HORSESHOE

Opportunity is knocking at the doors for the talented pitchers of the tempered steel half loop.

The first open doubles horseshoe tournament of the Stockton Assembly Center will be held this coming Saturday and Sunday in front of the Block 10 Recreation Office, under the supervision of Kosuke Ijichi.

Deadline for signups has been set at Thursday, 8 p.m., and bracket for the tournament will be posted at the Main Rec. Office at Block 8 Friday morning.

coming All-Center Track and Field Meet. The athletic-minded Kagawa Brothers will be ineligible for the football throw, for the simple reason of just being a little too classy for the rest of the field.

This move was necessitated because otherwise there wouldn't have been any entries in this interesting event.

Southpaw George Kagawa is ranked as one of the State's better prep pigskin throwers and has a mark of over 210 feet while Will has flirted around the 180 feet mark.

EDITORIAL

AN EMPHASIS ON ELECTION

On Thursday afternoon, residents interested in the creation of election plans were requested to attend a meeting called for this purpose.

The total turnout proved to be exactly six. The time and the warm weather may have contributed slightly to the lack of attendance, but the most plausible explanation for this miserable showing must be attributed to the lethargy and the phlegmaticness on the part of the Center-ites.

This response is not a proud one to point out and if it is indicative of the attitude of the Center people, their choice of leaders at the polls will not be a popular one nor will the number of votes be very large.

The election committee is still open for suggestions from any of the people as to the alteration of election plans.

Center residents must realize that popular election would merely be a gesture unless they cooperate fully.

COOPERATIVES

FIRST PRINCIPLE--VOTING

A member must own a share or shares in a cooperative in order to vote on any of its measures. Regardless of how many shares a member owns, he is allowed but one vote. In this way, men control money instead of money controlling men.

Coupled with this and the fact that voting by proxy is not tolerated, a democratic control is maintained. Each individual thinks for himself and he casts his vote according to his own thoughts. He should vote wisely because a cooperative is only as strong as its weakest links - the individual members.

CURFEW EFFECTIVE NOW LIGHTS, RADIOS OFF AT 10:30 P.M.

A Western Defense Command and Fourth Army head-quarter's latest order went into effect last night at the Stockton Assembly Center with a curfew at 10 p.m. and lights and radios out at 10:30 p.m.

It was announced by Center Manager A. S. Nicholson that roll call will henceforth be held at 10 p.m. and all residents of the Center should be at their barracks at that time and until 6 a.m.

Sick persons or persons with babies were exempted from the lights out order, but were cautioned to shade their lights or use colored globes.

Residents were assured that the curfew order would not prevent their taking showers, drinks, or going to the lavatory after 10 p.m.

Special permits were issued to all night workers on duty to allow them to remain at work during the curfew hours.

In another announcement from the W.D.C. Hdqts. all persons were required to stay at least 10 feet from all outside and special military police area fences.

"All first class letters must be kept out of fourth class parcel posts or the parcel posts will go as first class mail," warned Bert Jacobs, Postmaster of S.A.C.

CENTER-ITES ENJOY 'TUNDRA' - LAST PART FIRST

Something unprecedented happened in the cinema world Thursday evening as Center-ites were treated to the much publicized sound movie, "Tundra",-- that is, just the last and most exciting part, of course.

Due to an error, the first part of the film failed to come.

But unquelled by the reversal of the usual procedure, the SAC-ites enthusiastically turned out for the first half of the movie last nite.

STORE CASH SALES DROP

Since the distribution of free coupon books on Monday, the cash sales of the Center Store have decreased compared to the preceding week before books were issued.

On July 20, 21, 22 and 23, the days on which the coupon books were issued, the cash sales slumped to \$271.63, \$178.96, \$102.07, \$72.13, respectively.

On the other hand, the store was rushed as never before by the sales of issued coupons which on July 20, 21, 22, 23 jumped up to \$1,210.86, \$1,611.68, \$1,696.87 and \$1,042.08.

Softball speculators of the tomorrow evening's "World Series", try to top this betting performance!!

Recreation Supervisor Jack "Eskimo" McFarland made a square deal with Clint "Kooler" Bramum that the Block 5 Reds will sink the All-Center Poop-outs.

The winner of the bet will be allowed to devour all the frozen popsicles he can from the end of the series until 12:00 noon Saturday at the expense of the loser.

As for our peerless pick, we'll definitely ride with the Reds' bandwagon on five ice cold Bireleys to three that the Reds will walk off with the series.

The Poop-outs will go into the "World Series" with an enviable record of fifteen straight victories without a setback.

They have compiled a grand total of 247 runs for fifteen tilts for an unbelievable average of 17 runs per game. Their brilliant team average of .396 is really something to crow about and certainly the dream of every major league manager.

The Reds have manufactured 237 runs in eighteen tilts for an average of thirteen per game.

Although it doesn't even get close to the "Oldtimers" mark, the Reds nevertheless boast a good average of .333. No doubt the Junior circuit champions would have built up a better average if they were also able to face the Nats' pitching.

The junking of major league batting king Ted Shironaka into the Center's Hospital due to mumps was a tough blow for the Poop-outs and it'll lower their chance for the crown.

His terrific slugging was one of the prime factors in the Poop-outs' drive for the National League pennant.

In the Center's mythical "World Series" classic, the American League champion Block 5 Reds will match run for run against the All-Center Poop-outs, the National League's undefeated kingpins, tomorrow night on Diamond #3.

The star-studded Reds who waltzed away with the American League pennant will step into the series as a favorite to wrap up the championship honor over the celebrated Poop-outs.

Manager George Horita will rely heavily on his graceful and error-proof defense which definitely has superiority over the Poop-outs. Their smooth starting infield combination of Horita and Kamibayashi Brothers and Butch Hayashi should be enough to turn the tide. If Baba pitches, chucker Mike Takeuchi will go into short center which will move back Fred Masai into second base. In Masai and shortstop Frank Kamibaya-

'WORLD SERIES' REDS FAVORED

(Continued from page 5)
shi, the Reds possess the classiest keystone twins in the major league "a la Joe Gordon-Phil Rizuto combination".

Their outfield quartet of Ted Kamibayashi, Okuhara Brothers, Mas and fleet-footed Keizo and either Masai or Takeuchi is the best that ever was assembled on one diamond.

However, on the other side, Jim Okino's creaking "Old-timers" cannot be taken too lightly. Where they lack in speed and stamina, they make it up in experience and smart head-up ball playing and that should be enough to spur them on to a supreme performance.

Slugging Ted Shironaka, Poop-outs' ace offensive star, is confined to the Center Hospital with the mumps and will not see action in the series, according to Manager Jim Okino.

Aside from the brilliant hurling of crafty Fred Ito the team is expected to rely heavily on their offensive power to pull them through. A team that can sock the apple at a .396 clip is certainly something to watch out for regardless of what kind of competition.

Five Poop-outs' sluggers are in the exclusive .400 bracket, namely Ted Shironaka, .725; Matsuo Okazaki, .575; Rogan Miyanishi, .474; Nobu Matsumoto, .439 and Sam Funamura, .409.

SPECIAL SPORT STORY

BLK. 5 REDS TAKE CHAMPIONSHIP!

Wreaking with vengeance the star-studded Blk. 5 Reds swept the Center's "World Series" classic by completely annihilating the helpless and pitcherless Poop-outs in two straight games 12 - 1 and 31 - 12 before a record two-day crowd of 5000 fans.

Paced by the brilliant pitching of half-pint Mike Takeuchi and the perfect bat performance of 17-year old sensation, Sammie "Sam-

bo" Kamibayashi, who connected 6 for 6, the Poop-outs proved to be easy prey as doped out for the peerless Reds.

In one of the wildest affairs ever witnessed on the softball diamond, the clinching game was a thriller until the fatal sixth, the inning which the glorified "Oldtimers" will never forget.

Taking the defense in that frame with only a

mere run separating them from the Reds, 10-11, the confident Poop-outs weren't even set in their respective positions when the bottom dropped out completely.

After the smoke had cleared away, twenty Reds had trickled across the home plate on twelve hits which included a round tripper, four doubles, seven walking tickets and

CENTER-ITES TURN IN 1500 RECORDS

According to latest reports released by the Center Police Department, approximately 1500 phonograph records in the Japanese language have been turned in by the residents of the Center.

The Police Department reassured the owners that records were not classified as contrabands and that as soon as their contents were inspected they would be returned.

CENTER STORE TO SELL CAKES!

"The Center Store has made arrangements with Langendorf Bakery to carry full-sized cakes. Each week we will have Angel cakes along with a special and they will sell for 49 cents each," announced Mr. W. J. Hanlon, Store Executive.

"Ever since the Center Store opened there has been a great request for good cakes, and we are happy that this arrangement has been made," concluded Mr. Hanlon with a smile.

He also assured Centerites that the usual cup cakes, jelly rolls, banana flips and cookies will ride in on the Langendorf delivery truck.

The long-awaited cakes will be available Thursday.

ELECTION BOARD TO BE CHOSEN BY BLOCK SUPERVISORS SOON

With the completion of election plans last Thursday, activities and interests in the coming election showed a definite upswing this week.

Present indications point to a hotly contested race in some of the blocks and nominations are expected to mount perceptibly before the Sunday deadline.

CLAIM PAYCHECKS

All persons who have not as yet called for their paychecks for June 10 to July 9 are requested to do so at the cashier's window within the next few days or the checks will be returned to San Francisco.

2 INTERNEES JOIN FAMILIES

Two internees from Bismarck, North Dakota, returned to their families in the Center last Sunday.

They are Tosaburo Masui, who is now residing at 5-93-D and Shokichi Morino, who is staying at 9-170-C.

SEWING CLASSES FORMED

Three drafting and sewing classes are now in full swing under the supervision of the Adult Education Program.

Instructors, Mrs. F. Yoshioka and Mrs. K. Yamashita are both situated in 1-11, while Mrs. K. Yamanoichi is located in Block

10; Mrs. H. Unno at 1-11.

Altogether, approximately 100 interested women have signed up for the course.

The general plan of the teachers is to emphasize the instructing of fundamentals instead of following straight courses.

SANTA ANITA.....

Get a load of this, you "superior" females....Says Census Taker S. Eejima, "I always thought that girls were the neat ones, but I've changed my mind completely. When I go into units wholly occupied by women, I see shoes, stocking and blouses strewn all over the place. Then when I go into bachelors' quarters, I notice the whole room spick and span."..... To quote Bierco--"Female, n. One of the opposing, or unfair, sex."

FRESNO.....

"For better acoustics and efficiency a complete new stage is being constructed in the Center Bowl.....Boys' and girls' dressing rooms will be built in the wings"..... unquote, GRAPEVINE.....And here we are with but one sound picture thus far.

TANFORAN.....

War!!!.....An all out campaign to exterminate rats has been declared.... A bait of corn meal and chocolate will be used, also poisoned barley. Residents were asked to warn their children..... If they're like some of the kids here, Tamale wouldn't bother.....Tamale also hopes that they can get the bigger rats.

SHELLY, IDAHO.....

Says the Manager of the Shelley Farm Labor Camp... "Due to scarcity of rubber, I suggest all the farm laborers put in a good full work while in the field to avoid any unnecessary trips made by the farmers who are furnishing your transportation.".....That's the best "rubber line" yet.

HARMONY IN THE CENTER

Center activities have increased in tempo since May 10 when the first volunteers entered the grounds, and at the same time this growth has been coordinated into a well-organized system.

Visible signs of improvement are seen in the results of the mess contests posted early in July by Mr. L. C. Shaffer, Director of Mess and Lodging.

Mr. B. T. Parsons of the Works Division is overly pleased with the accomplishments of the Hog Barn crews of skilled workers.

And the ever-busy Service Division under Supervisor Ed Levy has made wonderful progress in every department. Jack McFarland has set the wheels of 20 recreational activities rolling to keep everyone physically fit.

These, then, point out conclusively the well-knit organization that we now enjoy--thanks to wise counsel, careful planning, individual initiative and hard work.

COOPERATIVES

2ND PRINCIPLE OF COOPERATIVES--OPEN MEMBERSHIP

No persons shall be denied membership in a cooperative unless it be known that they wish to join for purposes of doing harm to the organization. Religious beliefs, political affiliation, occupation or nationality should exclude no one. There are always those who feel membership should be limited, but this is contrary to the principles of cooperatives.

"The more who share with us, the greater the benefit's for all to share."

PANCHO'S POLL

WHAT'S YOUR FAVORITE?

Tomorrow is the final day for polling the Center's favorite melodies. Center-ites are urged to submit their choices in the El Joaquin Letter Box today.

Number One song now is "Who Wouldn't Love You", one of the favorites of the ether waves.

Tied for second place are the following: Glenn Miller's "Moonlight Serenade", Tommy Dorsey's rendition of "I'm Getting Sentimental Over You" and "He Wears a Pair of Silver Wings," one of the newer numbers.

Forty-six pieces are listed thus far including many old favorites, such as "My Buddy", "Indian Summer", "Deep Purple", "Sunrise Serenade" and "Tuxedo Junction".

The three songs polling the most votes will be featured at this Saturday's dance.

MR. M. TAYLOR...

"Very well, indeed. Quite interesting work. My association has been quite pleasant here," responded good-natured Millard Taylor, Supt. of the Food Warehouse, who possesses a ruddy complexion and a soft Southern drawl.

He was born on May 28, 1889, at Lebanon, Tenn.

Of interest to sport lovers is the fact that Taylor was a former diamond performer in the Texas hardball league.

Transportation being his life work, he has traveled extensively in the U.S., Canada, Mexico and Cuba.

"The most beautiful women -- in Salt Lake City and Chickasha, Okla.," concluded Taylor. No, he isn't married.

SENIOR GIRLS' FIRST AID MEETS TRI-WEEKLY

He was ushered to a table with his plate piled high with food; he noted that the entire east wall was plastered with cereal packages spelling out "Mess #9" in orange against a background of white.

"Curfew" Ogata, head waiter, and his gang, "Duke" Tokunaga, "Nob" Kiyotake, "Chink" Higashiyama, "Stud" Sakata, "Sal Rand" Takahashi, "Juke" Takahashi, "Blk. 10" T. WORLD SERIES HIGHLIGHTS

THE WORLD SERIES HEROES
....Hurler Mike Takeuchi, who chucked a 3-hit masterpiece in the opener and then came back in the final game to rescue the Reds again, and 17-year old Sam Kamibayashi, who hit the classic's jack-pot by smashing out 6 for 6 for a 1000 pct. batting.

THE WORLD SERIES GOAT..
...From orchids to onions. That is the distinction held by hurler Fred Ito.

The hero of the Major League All-Star game became the goat of the Series by blowing skyhigh in the wild 6th of the final tilt.

Smiling Ted Kamibayashi had the honor of hitting the first home run. Of the four that were hit in the Series, Archie Miyamoto's four-ply clout into deep center was the longest blow and easily sailed over 300 feet.

The Major League's "Big 4", Fred Masai, Mas Okuhara, Frank Horita and Frank Kamibayashi, were slightly off in their famed offensive role for which they are well noted.

Playing together for the last time in this Center, the "World Series" champion Blk. 5 Reds will engage a picked American League All-Stars in an exhibition tilt on Diamond No. 3, tonight at 6:50 p.m.

Fresh from their one-sided triumph over the Poop-outs the star-studded Reds will be out to hang the scalp of the All-Stars to their list but are expected to encounter stiff competition from the powerful opponents.

three errors.

Unable to solve the blinding speedball hurling of Takeuchi, who horse-collared the Poop-outs to only three blows, the Sunday night classic saw the wholesale rout of the National kingpins. The losers held a temporary single-run lead until the second inning, but never saw it again after that. Sam Funamura slaved out a free pass, stole second and then came home on Rogan Miyanishi's double to rightfield for their only tally of the contest.

Classiness told the tale in the Series. The Poop-outs lacked the essential speed which the youthful American League champion abundantly pos-

MIKAMI AND TAKEUCHI CROWNED

WORLD SERIES

sessed. Plenty of Reds' hits could have been captured if the "Oldtimers" legs wouldn't have buckled down on the run.

The Reds' murderous offensive drive practically drove leftfielders Sam Funamura and Elmer Tsunekawa into a coma, by sending seventeen assorted hits down their throats. How they ever stood up against the steady barrage is a miracle.

The acrobatic fielding of Reds' super infield of Frank and Sam Kamibayashi, Tak and Frank "Mazzra" Horita and Kiichi Hiramoto was spectacular, and it was a beauty to watch them execute their precision-like fielding. The quintets were charged with only three miscues for the two games.

The losers, however, gained some consolation

HORSESHOE CHAMPIONS

The smooth slingin' horseshoe pitching duo composed of "Chungo" Mikami and Mike Takeuchi was crowned All-Center Double Horseshoe Champions Sunday afternoon, when they defeated the team of George Shima and Stan Takehiro by the score of 50-19. In the semi-final events, the George Horita-Geo, Kagawa combination bowed to Shima and Takehiro, while Mikami and Takeuchi defeated S. Mikami and E. Kamita.

when they pulled the fielding gem of the Series, a split second triple play.

Kiichi Hiramoto's hot liner was nailed by right-fielder "Tiger" Ogawa, who then promptly threw out Sam Kamibayashi at first, and from where Frank Mirikitani relayed to second to nab Ted Kamibayashi for the final out.

MAJOR LEAGUERS AND HOW THEY LOOK AND COMPARE

Editor's note: This is the first part of the article on the drafted Major League players. The other part will appear in the next issue.

With the stars of the Senators, Bears and the Center Champion Reds' stars all shipped down the river to the various other tens, the question arises now as to who'll be the top contender for the new Major League pennant.

The lowly Kiwanis probably cashed in on the best deal when they acquired the services of All-Star Mas Okuhara and Frank and Sam Kamibayashi. Player-pilot Will Kagawa can certainly make use of the contribution because with the Kamibayashi Brothers forming the keystone combination their infield will be one of the classiest in the circuit.

However, pulling the prize individual star was the Trojans who got Frank Horita, the celebrated king of swat, along with Butch Hayashi and George Baba. With the above trio bolstering the squad, the once mediocre Trojans should be up there in the thick of the title chase.

With hustling Kiichi Hiramoto, fleet-footed Keizo Okuhara and Ted Kamibayashi bolstering their squad Manager "Wimpy" Uyeda's Aristocrats should become one of the serious contenders for the flag. The addition of Hiramoto at second base is just what the doctor ordered because this position and the backstop has been the weak spot of an otherwise strong Aristocrats. He and shortstop Monte Urakami should form one of the most dangerous double play combinations in the loop.

The hottest team in the homestretch of the recently concluded American League was the rampaging Bombers and with the transfer of Reds' Freddie Masai and Tak Horita and Bears' Sanji Fukuyama and Kiyo Shimasaki, they should be able to continue at the same hot pace.

McFARLAND d. BRANUM

"It's a good thing I didn't win. I'd run him out of business!" exclaimed Clint "Kooler" Branum, who lost a super bet on the "World Series" to Jack McFarland, when the favored Reds crushed the Poop-outs. "I'll take him down there (Center Store) and MAKE him eat some."

The winner of the bet was entitled to eat all the popsicles he could from Tuesday till noon today.

As yet Jack has only collected half the winnings --that is, a sucker. Since he hasn't been feeling up to par, he'll "make it up some other time."

CENTER-ITES SEE SILENT MOVIES

Charlie Chaplin and Harold Lloyd silent movies entertained the Center-ites Thursday and last nite.

According to Mr. Jack McFarland, the total cost of movies up to date has been \$90. A fairly good sound movie costs \$35-\$45 to \$17.50 for the film itself and \$7.50 a night for the sound projector.

The Krieger Motor Comp. of Lodi through the efforts of Paul Shimada loaned the projector free of charge for the showing of "Tundra."

NEW FIRST AID CLASSES

Another class for a Standard First Aid course will begin next Thursday at the Visitors' Barrack, 9 to 11 a.m. All who are interested are asked to sign up at 1-6-A. Paul Shimada is instructor.

Ten more persons are

needed to fill George Uyeda's class. Signup will be held at 1-1-E or at the Rec. Office.

Anyone who is 16 years or older, or who has passed his sophomore year in high school is eligible for the course.

PANCHO'S PEERLESS PICKS

Harry James' popular "Strictly Instrumental", chosen top song of the Center, will be featured at tonite's dance from 8 to 9:45 p.m. on the outdoor pavilion.

Tommy Dorsey's version of "I'm Getting Sentimental Over You" and Glen Gray's "Moon Glow" placed second and third.

"Indian Summer" and "Moonlight Serenade" -- were tied for 4th place.

RAMBLING REPORTER

'IS ELECTION DESIRABLE?'

"Do you consider election desirable at this time?" and "Why?" were the questions that the Rambling Reporter wanted to have answered and this is what he got.

SAM FUNAMURA: "I think so. It will remove much complaint about block supervisors and will give people a chance to put in their own choice."

JUN AGARI: "Yes! There won't be much criticism if popular election is held. People will be freer to go to their representatives and discuss problems."

RUTH ISODA: "No, I'm perfectly satisfied."

KEN HASEGAWA: "Haven't formed any opinion."

ART IWATA: "Very desirable. Arbitrary appointing of Supervisors wasn't very fair. This will get more cooperation."

TAK WAKIMOTO: "Yes, sure! Give everybody a break. Fair election will result in qualified leaders."

CHRISTINA KUBOTA: "Why not! This time is just as good as another!"

WALT OKAWA: "We should have it. I agree with Jun. It's better now than never and the supervisors will command more respect from the blocks."

SAMMIE CHIKARAISHI: "Election is necessary to get well-organized block supervision."

TAD AKABA: "Well, we still have some time to go so we should have election and get the right people in there."

EDITORIAL

PLUG FOR THE COÖP

Of immediate interest to the Center-ites at this particular time is the coming election of the block supervisors. It is important enough to warrant the full attention of all residents of voting age, and the success of the election will depend upon the response accorded to it on Wednesday.

However, as important as the choice of our leaders is to us in the assembly center, we must not overlook the form of government that we are to have in the relocation center. A self-sufficient cooperative plan is to be instituted there, and there is a distinct need for our community members to know the principles of this system so that our eventual transfer to and settlement in the WRA Projects could be accomplished with the minimum of confusion and wasted efforts.

Our series of articles on cooperatives were started for this reason and may aid the Center people to gain some knowledge of this plan.

COOPERATIVES

PRINCIPLE #3

Money invested in a cooperative, if it received interest, shall be limited to a fixed percentage which shall not be more than the prevailing current rate.

Any business needs capital to start and those that invest in a cooperative should be rewarded, but only in the form of interest at the rate that prevails in the business world.

This principle may not apply to us in our relocation project but is an important principle for any cooperative started voluntarily.

FORTY STUDENTS DISPLAY WORKS AT ART EXHIBIT

For the Center's first art exhibit works of forty students, watercolors, pencil sketches, portraits and still life drawings are on display at the Edex Hall, which opened its doors to residents last night at 7:30 and which will be open all day today and tomorrow, whenever the hall is not in use.

TWO CLASSES

There are two two-hour art classes, morning and afternoon, under the instructorship of Louie Shima and Hiroki Mizushima.

The students have been doing pencil, color crayon sketches and finally, watercolors of landscapes and figures.

If materials are available, the students may work with charcoal, linoleum, block print and oil.

'CREAM OF THE CROP'

The class, which dwindled in number from the original 80 to 40, is composed of the "cream of the crop" according to Shima. He also said that individual styles are stressed to allow freedom of expression.

WORKS DIVISION

CENTER ELECTRICIANS BUSY; REPAIR BURNERS, REPLACE FUSES, ETC.

Who is the man wearing a tropical helmet, carrying a tool box and walking around in the noonday heat? Who is the man shinnying up the telephone pole to fix the flood lights for the dance?

Who is the man willing to repair any Center-ite's electrical equipment before or after working hours? Who is the man who is called out on the average of two times a night? Who is the man with the engaging smile and very beautiful wife?

Yep! None other than the Center's electrician, Tom Hata!

Installing wiring, maintenance work, such as, repairing burners in laundries and showers and replacing fuses keep Tom and his four assistants--John Tamura, Yone Uchiyama, Tetsuma Sakai and Henry

MESSES 3-5 TIE FOR FIRST

"Mess #3 wins the sanitation contest for the third successive time! However, Mess #5 really went to town and managed to pull even with Mess #3. The contest was too close to award either mess, No. 5 high-pointing on courtesy and neatness of waiters and Mess #3 winning, as usual, on just plain ordinary cleanliness, plus apparent good management on the part of both chefs," declared Mr. L. C. Shaffer, as the third contest came to a successful close.

NEED MEN'S VOICES FOR CHOIR

The All-Center Choir, which is under the baton of Toshio Kaneda, is held every Tuesday night at 7:30. The group is getting ready for a program. There is a need for men's voices to fill out the parts more fully. This group is open to anyone interested in participating in group singing and who enjoys music.

BUGLING CLASSES FOR SCOUTS

Bugling classes will be started for any Boy Scout interested. Scouts are requested to sign up with their respective Scoutmasters and also to bring instruments if possible. Stanley Takehiro is slated to be the instructor.

ELECTION, AUG. 5.

"Mess #2 and Mess #9 deserve honorable mention as runners-up. Mess 8 and 9 both are commended on their cereal display at the end of the dining halls. As a matter of fact, all kitchens have made wonderful progress during the last thirty day period. But all of them couldn't win," he continued.

Both Mess #3 and Mess #5 will be awarded an equal prize on next Tuesday night. It's ice cream this time.

The Block #5 janitors also took top honors for "wielding a mean scrub brush". They will partake of ice cream Tuesday night at Mess #5 with the #5 kitchen winners.

The two August contests will end on the 15th and 31st, respectively.

PRESENTING MR. H. CLIFFORD, CHIEF STEWARD

Busy at work preparing menus and orders for the next day, Chief Steward Harry N. Clifford, formerly director of WPA at Monterey, California, stopped long enough to reveal that he was born in Arkansas in 1891 and is a widower with one girl. As a former ball player, he is still a rabid baseball fan.

"I have found work here very pleasant," opined the Chief Steward.

11 WORKERS RETURN

Eleven men returned Thursday morning from the sugar beet fields of southeast Idaho. They are S. Hashimoto, M. Nakamura, S. Sakai, H. Teramoto, T. O-sake, S. Murakami, A. Kushino, S. Fujita, K. Yonesato and S. Nakamura.

SPEED DEMONS

SLOW DOWN!

"Traffic regulations for this Center are 10 miles per hour on the streets used by pedestrians and 20 miles per hour on other streets. All persons violating these limits will be subject to restrictive measures."

With amazement and incredulity the erudite Presscrew (balls) scrutinized the latest army regulation.

"10 miles per hour is the limit on the track," said a wise old member, his whiskers flapping in the breeze.

"Why," interposed another with a majestic flourish of his gnarled meat-hooks, "a man could run a hundred yards that fast. If it takes 13 seconds to run 100

yards, a man could run 7.7 yards in 1 second, 26,720 yards in 1 hour, or 15 miles per hour."

"But," doggedly insisted the bewhiskered sage, "that is breaking regulations."

"Yes," chorused the two, wagging their noggins in agreement.

"Mess!" shouted a disturbing element. "Roast pork and ice cream."

Onward roared the six hundred.

"We," declared the whiskerino, wistfully searching the horizon for some trace of the flying Press, "should form a track team. Regulations or no regulations." -- S.H.

BOARD OF REVIEW

100 SCOUTS ACCEPTED FOR AWARDS

Approximately 100 Boy Scouts' applications passed the Board of Review held last Thursday night.

Mr. Owen Locke, Field Executive of Boy Scout Headquarters, was in charge of the meeting. Jim Okino, Camp Commissioner, had all the committeemen there to pass the applications.

21 ENROLLED IN PIANO CLASS; KANEDA INSTRUCTS

Twenty-one students are now enrolled in the beginners' piano class, which is held Tuesday and Thursday mornings at the Edex Hall under the instruction of Miss Grayce Kaneda.

The pupils have already learned to read musical notes and play simple pieces. Artistic playing and technique are also emphasized.

There are seven students in the advanced class. In this class artistry is developed by stressing individual needs. Progress is slow since there is only one piano in the Center.

ANOTHER STORE RECORD

The Center Store witnessed a four-star sellout yesterday when 5 dozen cakes, including Angel Cakes and special cakes, 4 dozen jelly rolls and 14 dozen doughnuts literally vanished in exactly 29 minutes and 60 seconds after 9 a.m.

On Monday another similar shipment will arrive in the same quantity.

Attention! Center-ites! Candidacy forms must be signed only by those who are registered voters of their respective blocks.

SHUT-INS

Betty Fujisaki had an appendectomy at the County Hospital.

The latest measles victims are Jeanette Omi, Hitoshi Matsukuma, Henry Okazaki and Henry Wakabayashi.

New chicken-pox patients are Tommy Iwamiya and Phillip Nishikawa.

With the "World Series" and All-American - Reds! classic just an outdated headline, all eyes will now be focused upon the fast Double "A" League which will be inaugurated tomorrow afternoon.

This newer and stronger loop was realized only because of the dissolution of the championship Blk. 5 Reds, who like true sportsmen, gracefully consented to be drafted into other ball clubs.

It was a great sacrifice upon the part of Skipper George Horita's squad to disband at a time when they were carving softball history, but their regards for the best interests of the Center would allow them no other course.

The Reds will remain true champions in memory and we can only wish the following Reds the best of luck: George Baba, Mike Takeuchi, Butch Hayashi, Frank Horita, Tak Horita, Kiichi Hiramoto, Sam Kamibayashi, Mas Okuhara, Keizo Okuhara, Fred Masai, Ted Kamibayashi and Frank Kamibayashi.

That All-Americans vs. Reds battle was the best ever witnessed and we'd like more of that type of contest was the opinion of the Center's diamond addicts.

Because the star-studded Reds will all be separated, the possibility of another All-Star ten matching the "World Series" champions might be difficult, but after the conclusion of the Double "A" loop or before we are relocated, two picked All-Stars from the above league or a Lodi-Stockton affair would be a natural.

Sports, such as the recently concluded softball carnival, is the morale builder deluxe and the Center's Recreation Dept. under the directorship of Jack McFarland is doing an excellent job of it.

ALL-CENTER RELAY THIS AFTERNOON AT 2:00

TERUO HIROSE COMPETES AGAINST BERTRAM HARI. KAMITA MEETS NISHI

By Jun Kasa

With a record number of contestants expected the All-Center Relay will be held this afternoon in front of the Grandstand from 2:00 p.m.

The spotlight event of the afternoon is expected to be the duel between Rainbows' Bertram Hari and Teruo Hirose of the Trojans in the dashes, and Blk. 3-5's Hito Nishi and Blk. 7's Ed Kamita in the distance.

Officials for the meet are: Track Judges, Keiichi Ogasawara, Art Hisaka, J. Okinaga; Starter, Geo. Kagawa; Scorekeeper, Mitsuo Nakamura; Field Judge, Kosuke Ijichi, Archie Miyamoto, Ed Kamita, Will Kagawa; P.A. System, Kats Nagai.

BUMBOWS, YANKEES, TERRORS AND POOPOUTS DOPED

Editor's note: This is the last of the articles on the new Double "A" League.

With the Baishiki Brothers, Ted Ohashi, Joe Sakasegawa, Jack Maeshiro and Bertram Hari as the nucleus, the combined squad of the Bums and the rainbows, who have named themselves the Bumbows, should be able to put out a powerful ten.

The purchase of Senators' Kuni Kawamura, George and Reno Tomura will give Manager Shogo Muraoka's Yankees the necessary ball-

KAGAWA BESTS TAKEUCHI

REDS' RALLY FAILS BEFORE 3,000 FANS 3-2. F. KAMIBAYASHI BAT STAR

In a story book finish southpaw George Kagawa out-pitched Mike "The Kid" Takeuchi in a superb mound-duel to enable the powerful All-American ten to shade the champion Blk. 5 Reds 3 - 2 before a record crowd of 3000 fans, who were treated to the best played game of the season.

Going into the last frame with a dangerous single run lead the All-Americans, staved off a desperate Reds' rally that saw the bases populated when second sacker Frank Arata pulled down Frank Kamibayashi's high fly for the final out.

Unprognosticable Butch Hayashi started the futile attempt by sending a soaring double into the barrack after Kiichi Hiramoto and Sam Kamibayashi had flied out. Keizo and Mas Okuhara filled the bags by cashing a free pass, but Kagawa worked Frank Kamibayashi into flying out to Arata to nip the rally.

The victors' runs, all unearned, were scored in the first two innings when they took advantage of Takeuchi's brief wildness, which later proved to be disastrous for the losers.

Bespectacled Frank Kamibayashi grabbed batting honor by slugging out two doubles and also scored the Reds' two runs.

ance and speed to make them a strong contender for the Double "A" flag.

The youthful Blk. 5 Terrors, who will incidentally field the youngest team in the circuit, will be loaded with flashy, defensive stars and a strong-armed hurling corp, but may lack a trifle in the hitting department.

The All-Center Poop-outs, who ran away with the National League pennant, will step into faster competition this time. The "Old-timers", who played bridesmaid to the now legendary championship Reds in the "World Series", is stacked with former diamond stars and has the skill to adjust themselves into any type of competition.

W.C.C.A. PROPOSES NEW SETUP; ISSEI, NISEI OVER 16 TO VOTE

Latest orders from the Western Defense Command WCCA Headquarters in San Francisco to all assembly centers have resulted in the cancellation of the proposed Stockton Assembly Center election plans and in the substitution of a new setup, which if approved by the WCCA, will increase the number of voters participating.

The management and the present Advisory Council are smoothing out the details of the new plan, whereby a panel of 21 (the maximum allowed for centers with a population of 5000) will be elected by the residents, both Issei and Nisei, who are 16 years and older. The new draft calls for an Advisory Committee of seven members, who are to be appointed by Center Manager A. S. Nicholson from the panel.

The Advisory Committee will be composed of English speaking Issei and Nisei in proportion to the total numbers (without regard to age) of the two groups within this Center.

Upon approval of procedure from the WCCA, this plan which is, compared to the first, more democratic in that it permits the participation of a greater number of Center-ites, will

Three residents of the Stockton Assembly Center, Henry Teruo Nagao, Mrs. Tetsu Nagao and Toyosaburo Seikii, left for the Tule Lake Relocation Project at Newell, California, Saturday, August 1--the former to rejoin their family and the latter to enjoy a cooler climate.

New transfers from Pine-dale to this Center were Miss Yoshiko Konzo and Miss Hatsu Konzo. Miss Yoshiko Konzo is a dietician assigned to the Hospital.

Police Chief C. Nickols announced that with a few exceptions all Japanese phonograph records turned in to the Stockton Assembly Center's Police Department were returned on Saturday and Sunday to the Center-ites.

NEW ELECTION PLANS - MORE DEMOCRATIC

After a week of anticipation as well as mild campaigning, the election to be held today was suddenly called off in order to conform with the new rulings issued by the Western Defense Command.

To replace the previously outlined plan, a new form of organization known as the Advisory Committee is to be chosen from an elected panel of 21 members.

Though some time will be lost in bringing about this change, the new setup will probably prove of more value to the community than the other, since all residents, Issei and Nisei alike, and over 16, will be given the right to choose panel members.

It would also be more democratic in that English-speaking Issei and Nisei will be chosen on the Committee on a proportional basis.

COOPERATIVES

4TH PRINCIPLE OF COOPERATIVES

DISTRIBUTION OF PROFIT

Profit shall be returned to the consumers who patronize the cooperative on the basis of the amount of purchase. Cooperatives consider profit as an overcharge that should be returned in proportion to the amount of goods purchased.

Sometimes cooperatives modify this principle and give back the net profit in the form of social services such as recreation centers, libraries, nurseries and even hospitals for the use of their members. This second method of profit return will probably be used in our relocation centers.

A LETTER

SGT. HAYASHI LAUDS EL JOAQUIN

Dear Sir:

EDITOR'S NOTE

Received the copies of "EL JOAQUIN" and devoured every line. News from one's home town is very encouraging in these trying times.

Many of the home town boys here at camp always ask me whether the "EL JOAQUIN" came or not. It shows the popularity of the paper.

Sgt. Dick Hayashi.
Hq Army Intel School
Camp Savage, Minn.

Sgt. Dick Hayashi, a Stockton lad, has written to us on several occasions concerning army life. Stationed at Camp Savage with him are Tom Ishida of Lodi and two other Stocktonians, Frank Otsuka and Churo Sakata.

Sgt. Techns. Susumu Ito and Edward Endow are now located at Fort Sill, Oklahoma.

The EL JOAQUIN staff extends best wishes to them.

DANCE, THIS THURS.

Because of the Judo Tourney Saturday evening the weekly dance will be shifted to tomorrow evening, 8 to 9:45 p.m., on the Platform.

Clever bids for the program dances will be given to the first forty couples. Louise Baba, Koichi Inouye and Lily Kusama will be in charge of the bids.

CORRESPONDENCE COURSES LAUDED

A convenient method for would-be college students, students, and graduates to obtain credits toward college degrees loomed in the horizon with the announcement made today by Service Supervisor E. B. Levy.

Referring to the list of correspondence courses now

available for those interested in college work, he said, "It was not until recently that we were able to get a complete list of all universities in the United States, which offer correspondence courses for credit. We now have catalogues giving information on almost any type of course which students may like to pursue."

A number of universities allow as much as 50% credit toward graduation on correspondence courses and this may give some of the young people here an opportunity to keep up their study. Another point is that courses can be started here and finished at relocation centers.

Fees range from \$3.50 to \$10 per semester hour, with an average of about \$5.

Catalogues containing the lists as well as the tuition charge are posted in the library and in the education department located at 1-17-B.

Interested Center-ites should look into these matters.

2500 CENTER-ITES SEE FIRST ART EXHIBIT

The Center's first Art Exhibit drew approximately 2500 Center-ites to view the result of about 5 weeks' work under instructors, Louis Shima and Hiroki Mizushima.

Among those which called forth the most comments was

the oil painting of actress Lana Turner.

Pencil, watercolor, chalk and crayon work were also on display.

The exhibit was held at the Edex Hall Friday evening, all day Saturday and a part of Sunday.

CAEN COMMENTS

In Herb Caen's "It's News to Me" column the EL JOAQUIN staff often runs across shorts written about Japanese-Americans. Here is one article that came in one of his later columns. Quote:...Noguchi, the famed Japanese-American sculptor whose works can be seen in, among other places, N.Y.'s Rockefeller Center, moved here from the East last fall. Then came the war, and instead of returning to N.Y. and safety, he elected to stay here and set an ex-

ample for other Japanese by moving with great good grace into an assembly center. Also, heard of that Jeanne Teynal, fashionable Montgy St. artist, did succeed in arranging for a showing of Noguchi's works in a local museum..Unquote

CENTER HOSPITAL HAS A-1 STAFF

This is the first of the series of articles to be written about the Hospital staff.

Stockton Assembly Center Hospital, rated as one of the better center hospitals, boasts seven hard-working, genial doctors headed by portly Dr. Hajime Kanagawa who cautions, "Too many people are getting hurt around the baseball field, so we would like them to be more careful."

He is aided by efficient Junji "Jeep" Hasegawa, who recently passed his Medical Board Exam.; shiny-pated Masaki Yayoshi, chiropractor; dynamic Wilfred Gotanda, surgery; bespectacled Kensuke Uchida, general practitioner; single, short and willing George Sasaki, transfer from Salinas, and petite Bertha Akimoto, child specialist, who adds a feminine touch to the staff.

"Angels of Mercy" are the three registered nurses of the Center Hospital. "We are fortunate in having so many doctors who are cooperative. Everyone works together very nicely and tries to do as much for the people as possible," claims Dorothy Kato, head nurse.

Nurses Chitose Aihara and Mary Hashimoto arrived here with Dr. Sasaki from Salinas Assembly Center not long ago.

EUREKA! A GOLD MINE

South Africa has its diamond mines, Alaska its gold mines, Siberia its platinum mines, but, brother, the Stockton Assembly Center has its golf mines.

The 8th hole of the Stockton Municipal Golf Course runs parallel to the horse stalls at Block 10 and, as is the custom with golf players, balls are sliced by the dozens into the Stockton Assembly Center.

Several enterprising residents of the Center have been mining for golf balls and have found to date 180 to 190. They have sold 120 of them for an approximate sum of \$10 or 8 cents per ball.

To top this off, they also found a good No. 3 wood on "this side" which some "duffer" probably threw over in disgust.

It is also claimed that one of these shiny white

A LETTER FROM MONTANA

In a letter to Ted Ohashi, Mr. Al Kawasaki, formerly of this Center, wished to thank the Center-ites who displayed kindness and courtesy upon the departure of the sugar beet field workers headed by Kawasaki, who are now in St. Ignatius, Montana.

We also wrote that conditions in the camp were generally quite satisfactory.

With the national rubber shortage and the stoppage of the manufacture of golf balls, the miners are assured of extra cash as long as golfers play on the eighth hole.

And they probably will.

P.O. KEEPS UP HIGH RECORDS

Since its initial day of business on May 21, the Center Post Office has steadily piled up unbelievable figures in all departments.

\$1650 in stamps, \$1000 in bonds, \$50 in defense saving stamps, and \$26,000 in money orders have been issued by Postmaster Bertram Jacobs.

In addition, 19,500 packages have come in; 1,625 sent out. As for letters, the huge total of 32,500 has come and gone.

NEW CENTER-ITES

Former Stocktonians, a family of 6, arrived from Turlock yesterday, 4:45 p.m. to take up residence here.

They are Mrs. Tokiyo Hayashino and daughters Agnes, Peggy and Yoshiko, and sons Mitchell and Henry Okimoto. They are living at 4-63-D.

MESS #5 CELEBRATES

The Mess #5 crew held a big party last night as a reward for their hard work which resulted in Mess #5's winning the third kitchen contest.

SHOGI FANS

LET'S "GO"!!!

August 6th will mark the beginning of another Go and Shogi tournament under the supervision of M. Nakamura. Contestants are asked to come out to Block 10 from 1:00 p.m. on the above date.

SHUT-INS

Mr. Ted Ohashi is now convalescing at the County Hospital after a kidney injury.

Latest measles case is Shiro Oshima and chickenpox, Isamano Nakao.

NOTICE

Anybody with hospital linens, blankets or any hospital articles is requested to return them to the hospital. No questions will be asked.

Will someone come and claim his broken rimless glasses left at the Center Hospital about two weeks ago.

Mrs. Shizuko Okazaki gave birth to a baby boy at the San Joaquin General Hospital on August 2.

Football throw would have been a Stockton sweep, too, if the Kagawa Brothers were eligible to throw the pigskin instead of officiating the event.

The above Tule Lake track and field records, which were made at their meet on July 26, were obtained from the Tulean Dispatch whose Co-editor of Sports is Sacramento's Toko Fujii.

The times and marks posted at last Saturday's All-Center Relay are remarkable considering the conditions under which they had to compete--a slow track in 100-degree heat with no spikes and no starting gun.

The only thing marring the otherwise successful meet was the point distribution in the relay. A point system of 10 for 1st, 6 for 2nd, 3 for 3rd or something along that line should have been used instead of the 10 for 1st place only.

And we have also noted that the medley relay was run off just the opposite. The short fifty coming last instead of the 250 yds.

TERRORS SHADES BUMBOWS IN A LAST INNING RALLY KUWADA HITS HOMERUN

A successful last inning rally that netted two runs sent the youthful Terrors to a smashing start in the "Bigtime", as they defeated the fighting Bumbows 10-9 in the Major League opener.

It was Jimmie Hayashi's big double into the right field barracks with teammates Sammie Ichiba and Mike Takeuchi on bases that sank the Bumbows.

The losers held a momentary and only lead of the tilt in the first half of the seventh, when centerfielder Harry Kuwada lifted a liner down the left field line for the first homerun of the new season with Sadao Baishiki aboard.

Kuwada also grabbed hitting honor for the day with a 3 for 4.

Paced by the iron-man performance of fleet-footed Bertram Hari, the Block 4 cinder artists swept the All-Center Relay by amassing a total of 35 points.

COURT OF HONOR SPEAKER

'BE MODEST' SAYS GRAND OLD MAN

AMOS ALONZO STAGG! AMOS ALONZO STAGG! RAH! RAH! RAH!

Cheers such as these have poured through the throats of Betty Co-ed and Joe College for half a century. This was the way they showed their respect and admiration of beloved Coach Stagg.

And once again this eminent coach commanded reverence when approximately 2000 Center-ites were quieted and inspired by the voice and words of "THE GRAND OLD MAN" of C.O.P., as he addressed 100 khaki-attired Scouts at the Court of Honor Wednesday evening.

"I think it's wonderful.....this distinction you've achieved," he began. "One advantage of a man

who lives long is that he gets to know some people who lived long ago. I want to say that modesty in receiving honors is something that belongs to great people."

For examples, he cited esteemed and renown persons whom he knew well. One was the famous inven-

tor, Thomas Edison, "a man of great distinction and modesty." The other was the noted author, Samuel Clemens, Mark Twain, "who, too, was a modest man."

"So I say to you, young men," admonished Coach Stagg, "be modest. Don't

WORDS TO REMEMBER

"Plunge forward, onward and upward and achieve everything you can in scouting and in life....Be courageous;Never let depression get hold of you. Rise above it! Fight forward. Be everlastingly determined."

With these words, Coach Amos Alonzo Stagg, famed football mentor of College of the Pacific, poured out his philosophy of life to the assembled Center-ites at Wednesday evening's Court of Honor.

"Enthusiasm plus intelligence plus the ability to do hard work--those are the things that count. Don't forget it, young men, and you'll arrive" concluded the "Grand Old Man" who was once considered a failure, but who proved to the world that he had the courage, the determination, and the fight to come out on top.

The 'speaker in white' may well have been attempting to give us his sympathy, his encouragement, and his will to achieve a high goal.

Perhaps, he was trying to tell us that what we consider impossibilities are not as impossible as they seem. After all, Coach Stagg, himself, achieved what may have been to him impossible.

NEED TRAINED LEADERS

COOPERATIVES

MAJOR REASONS FOR SUCCESS OR FAILURE OF COOPERATIVES

A. ADMINISTRATION

A cooperative must have properly trained administrative officers in order to function efficiently.

The history of the cooperative movement persistently shows that success or failure was determined by the quality of the leaders. Although the members form the policies, the means of applying the policies rest entirely in the hands of the administration.

Thus, strong capable leaders, possessed with foresight and intelligence, are prime requisites of all successful cooperatives.

The lone scout to receive the Eagle Award was Scout Hideaki Arao.

For a treat, Mr. Amos Alonzo Stagg presented, as guest speaker, a very effective talk.

In conclusion, movies, "Scouting" and "Trail to Citizenship", were enjoyed. Both were in technicolor.

THE MAIL MUST GO THRU

Deliverers of glad tidings and perhaps at times, sad news, are the nine mail carriers of S.A.C., who can be identified by their long strides (not broken arches) their cheerful countenances (not frowns), and by the armful of letters and newspapers they carry as they distribute the mail twice daily, 10:30 a.m. and 5 p.m.

Assistant to Postmaster Bert Jacobs is friendly Mas "Sluggo" Sakai. The mailmen are Blk. 1-George "Sad Case" Yamashita, 2-Kinji "Angel" Matsuhiro, 3-Ted "Bull" Ikemoto, 4-Shig "Poker" Hayashi, 5-Tosh "Ole Faithful" Otsubo, 6-Tad "Wolf" Yanagi, 7-Roy "Jumbo" Oshima, 8-Hosen "Lover" Oshita and 9-Henry "Slim" Oga.

CHESS FINALS

Chess finals are to be played off Monday nite, 7:00-9:45 at Mess #10. Chairman Jiro Okinaga stated that there is an invitation open to all beginners and persons who would like to learn how to play chess. Those with chess sets are asked to bring them.

CENTER-ITES INSPIRED BY SPEAKER

"Plunge forward, onward and upward and achieve everything you can in Scouting and in life. There is much ahead of you," assured the speaker. "Let your ambition lead you to the most you can achieve."

He entreated the Scouts to be courageous, to be determined, to be full of fight. "Never let depression get hold of you. Rise above it. Fight forward. Be everlastingly determined!"

"I've known a lot of lads who have fallen on the wayside and I've known men who have succeeded." He told of two students who made good through sheer determination, fight, and

This duty is done by the Center Truck Union composed of M. Fujii, K. Ito, R. Kamidoi, Y. Moriwaki, T. Okamoto, M. Nagai, H. Niizawa and S. Nishikawa, each of whom alternates in driving the truck.

EL JOAQUIN

Page 5

Of the many sports that the active Recreation Dept. is promoting here in the Center, there is one which is conspicuously missing from the athletic field--the famous national pastime, Doubleddy's baseball.

This diamond game, which undoubtedly is the most popular among the sports-minded Issei as well as Nisei and Sansei, was abandoned because of the limited playing facilities here.

However, former hardball players are planning to initiate this sport upon arrival at the relocation area.

What a powerful nine this Center could develop out of this star-studded list:

Pitchers--

- Ted Kamibayashi
- Will Kagawa
- George Kagawa

Catchers--

- George Uyeda
- Butch Hayashi

Infielders--

- Frank Horita
- Frank Mirikitani
- Freddie Masai
- Frank Kamibayashi
- Archie Miyamoto
- Shago Muraoka
- Frank Arata
- George Oune

Outfielders--

- Sammie Ichiba
- Jim Hiromoto
- Matsuo Okazaki
- Hal Hirose
- Mas Okuhara
- Keizo Okuhara
- Shig Kaba

The above list is a coach's dream. One could just vision George Horita, Sam Funamura and Nobu Matsumoto all smiles.

We'll wager that these horsehidors could stand up with any semi-pro nines in this part of the state.

Maybe, if we're still located in some midwestern relocation area next year we'd like to see them take a crack at the National Semi-pro Baseball Tournament at Wichita, Kansas. Sounds fantastic but it is a possibility.

Remember when the Kenso Nushida's All-Stars competed in the annual Wichita classic in 1936.

GEO. KAGAWA VICTIM AGAIN BAISHIKI TRIPLES

Failure to pull through in the clutches cost the star-studded Dodgers their second straight setback of the current Major League campaign, this time to the hustling Bumbows 6 - 2.

Although they blasted ten hits off Jack Maeshiro, the Dodgers bungled all chances by leaving fifteen base runners stranded.

The Bumbows wrapped up the tilt in the fourth when they shoved across three runs on as many hits.

Isamu Nakamoto started the fireworks with a line drive to short-center and then crossed the plate on Sadao Baishiki's triple to deep center. TSK! TSK! SUCH TALK

Rumors -- rumors -- and more rumors have found circulation within the Center almost continuously since our entrance.

Sometimes unbelievable and fantastic, often plausible and logical, these rapidly moving undercurrents have caused no end of anxiety and uneasiness on the emotions of over 4000 Center-ites.

Today, innumerable conjectures about our eventual relocation are being tossed to the winds to make their way into the ears of the residents.

As yet, officially, the answer remains "destination unknown", but the community must come to realize that wherever we are sent, our cause for worry need not be felt; for, the final decision and our future dispensation will be adequately taken care of by our government.

COOPERATIVES

The two main causes of failure of cooperatives are poor management and lack of support by the members. Last week we emphasized the importance of good management and we wish to point out again how vital it is for the success of cooperatives to have capable personnel.

The other cause of failure is the lack of support by the members. It is generally true that the private businesses will become competitors and will do every possible thing to take the members from their cooperative enterprises and unless the members wholeheartedly and completely support the movement it will fail.

In our relocation cooperative, these points should be kept in mind constantly so that our project will be a success.

RAMBLING REPORTER

CO-OPS WORKABLE

EL JOAQUIN'S latest poll by the Rambling Reporter is connected with the co-op series being currently carried on its pages. This week's question was, "How do you think the co-op movement will work in the relocation centers?"

Mrs. Dorothy Tanaka: "Yes. We're all in the same boat now and will pitch in and work for the common good. The more we work, the more we will all benefit."

Roy Nakagawa (27): "I think it'll work. You have a distinct need for cooperation, of course."

Kay Kato (33): "If nothing interferes the setup, the people will cooperate fully."

N. Wakabayashi (40): "When the whole center goes to relocation center as a unit, then we can get along very well since we will have faith and interest in our leader."

Irene Baba: "It should work but then--people must be willing to give sacrifices. If there's a will there's a way."

Rev. Unno (39): "If qualified leaders, respected by Issei and Nisei alike, are elected and these men will expend their full energy toward policies which the majority wants, it will be a success. Nisei must show proper spirit in religion and politics as well as recreation."

Jack Sugimoto (24): "Most of the residents have worked that way and they'll fit in very nicely. The leaders must be considerate and understanding. Politics is definitely out."

Tamio Kenmotsu (22): "It'll be the best way. In the assembly center, the people have done their best and they're capable of doing the same at relocation."

K. Ohashi (61): "A general understanding of the cooperatives by the Issei and Nisei is essential. Councilmen and people should sympathetically move toward common aim, and problems that may arise will be insignificant. Honesty and sincerity are desirable assets of leaders."

VEGETABLE MEN BUSY!

Fifteen sacks of "spuds", 10 crates of lettuce, 350 dozens of corn, 30 boxes of apples, 4,500 pounds of watermelons and 10 crates of celery -- all this for just one meal, and the vegetable men clean and prepare them for the Center kitchens.

The vegetable department composed of five men from each mess is supervised by Kay Yamaguchi. The men are: Mess (1) Y. Tada, K. Matsumoto, K. Gondo, G. Sugimoto; (2) J. Kochi, K. Nakamoto, B. WITH PERFECT 4 FOR 4**

The overconfident Yankees riding on a crest of a two-game winning streak were tumbled from the unbeaten ranks by the hustling Bumbows 19-5 in a lopsided affair.

The Bumbows' wrecking crew chased Yankees' ace hurler Kuni Kawamura into the showers in the big third inning with a 12-run uprising on eleven hits.

They then jumped on young Johnny Muracka in the fifth and the sixth for seven more runs to turn the tilt into a rout.

Catcher Joe Sakasegawa burned up the willow by firing a perfect 4 for 4 to lead the surprising attack.

After being trounced by the Trojans 29-13 Sunday in an abbreviated game, the Aristocrats bounced back Tuesday to smear the Dodgers 12-4 to register their initial Major League victory of the season.

The Trojan affair proved to be the wildest of the current campaign with a total of 42 runs and 33 hits marked up.

The Hirose brothers, Teruo and Hal, went berserk at the plate to smash out nine blows between them, while George Sakamoto grabbed three hits for the losers.

In the Dodgers' game the Aristocrat sluggers worked on Will and George Kagawa for ten well-placed blows for a decisive triumph.

mer and farmerette and sailor and sailorette?

Or you can be a couple of Scouts, hobos, and a colonial gent and lady, or you can wear pajama tops, bathrobes, towels, etc.--there's a host of ways--to outdo your rivals. The use of painted signs should help the costumes.

So get in a huddle with your date and think of the most original "copy cat" costume you can!

All dances will be program dances.

GET APPLICATION BLANKS

Since there is very little time remaining, all registered voters of the San Joaquin County are urged to obtain and fill out application blanks for absentee ballots for the coming August primaries at the Information Booth or the EL JOAQUIN PRESS ROOM immediately.

The application blanks only require the former and present addresses of the voter and his signature and can easily be filled out at either the I.B. or the Press Room.

The application blanks will be sent in daily by the EL JOAQUIN to the Department of Registration in Stockton. As soon as all the eligible voters receive their absentee ballots, the Office of the County Clerk will send a representative to the Center to conduct the election.

All those who have their absentee ballots should wait for the representative instead of sending in their ballots.

joaquinettes.....
 ...are asked to undergo a "social operation"--if you get wot we mean..in the EL JOAQUIN it was announced that there'll be no more stag dances--reasons being obvious...but wait, yesterday Pancho and i sat in on a special Rec. meeting, and after an hour's heavy discussion, it was favorably decided that stags are to be permitted...(hurrah!!)

ooOoo

...the committee came to the conclusion that the main reason for the non-smoothness of stag dances was the lack of Emily Post's "ette-kett" in the Nisei, both girls and boys.....so Pancho and i were reminded to remind the wood-cutters of a few important points to always remember...

ooOoo

...here's the few pointers, joaquinettes..give heed!!!
 (1) only escorts to be presented programs. (2) no programs for girls. (3) only boys will program the dances for themselves and their partners. (4) if a gentleman(?) desires to dance with a specific lady(?), he must schedule such a dance with the lady's escort. (5) no dances may be given by the girl without the polite consent of the escort. (6) girls must be escorted back to their proper escorts after each dance. (7) number of each program dance will be announced before and after each dance. (8) escorts are definitely responsible for filling their partner's program before arranging their own. (9) and see that the young lady enjoys herself. (10) last but not least, courtesy and consideration are foremost on the dance floor by each individual..

ooOoo

...of course, there'll be no tag dances, but Pancho sez for you gentlemen to remember to say, "May I cut in?" when tagging...not an unusual sight to see boys jest giving the victim a

COOPERATIVES

MAJOR REASONS FOR SUCCESS OR FAILURE OF COOPERATIVES C. EDUCATION OF MEMBERS

Ignorance and loss of interest on the part of members can be the determinant factor on the outcome of cooperatives. Therefore it has been the policy of many successful cooperatives to carry on unceasing educational campaigns for its members.

In turn, the individuals themselves must take an active interest in furthering their knowledge of this movement. This can be done through these methods--group study and discussion as well as through individual effort.

PVT. VICTIM OF 'TRICK'

From Camp Wolters in Texas comes a letter via airmail.....the writer claiming he was a victim "of a dirty trick." What's this all about? The story goes, to wit:

Tamale of OUR NEIGHBORS in his August 5 column quoted the TULARE NEWS' article concerning some 110 lonely soldiers with a request for 110 eligible girls between 18 and 25 years of age. Thus began the most unusual mass proposal to any women--with one Pvt. Ken Shimatsu, supposedly in charge of the

unique transaction.

Upon discovering that he was a goat of his pals' idea of a joke, Shimatsu promptly wrote to the EL JOAQUIN editors, "If the article has been printed, I shall appreciate it if you will clarify this matter and my name as...I had nothing to do with it."

So burst the bubble of hope and anticipation of many (WO)MEN.

CHESS KING 'CHESS-GAME OF MISTAKES'

Combining skill and foresight with unbelievable luck, bespectacled Shizuo Yoshikawa, the terror of Beverly Court, defeated Stewart Nakano in the chess tournament finals to claim the dubious title of the "Cheesy Chess King" of the Stockton Assembly Center.

"Chess is a game of mistakes," expostulated the victor with a wild flourish of his arms. "I capitalized on my opponent's mistakes and he didn't on mine."

REC. NOTES

The Isseis' recording concert has been scheduled for next Tuesday afternoon from 2:30 at the East end of Block 10.

Those who have signed up for the Senior Division are Koichi Inouye, Barry Saiki and Jim Doi. Several others are planning to sign up before the deadline Tuesday.

Notary Service
Notary Service is available to S.A.C. residents, according to BEN TSUDAMA, the Notary Public, who will be at the Social Welfare Dept. 9 to 12 a.m. and 1 to 4 p.m.
To those who need assistance in such matters, Tsudama cautions, "Be sure to sign your name before ME, not before you come."

In the Junior Division are Yamata Umino, Kazumi Arata, Ken Saga and George Matsuoka. Tom Kiriu and Helen Muroski are also expected to sign up for this division.

Judges for the contest are Miss Ovena Larson, English and Speech Instructor of the Stockton High School, Miss Elizabeth Humbargar, also of the S.H.S., and Mr. E. B. Levy, Service Supervisor.

Prizes will be awarded.

EDUCATIONAL DAY SLATED

As a climax to a very successful Summer School Session before its termination on August 28, the Center Education Dept. will sponsor an Educational Day next Saturday, according to Superintendent of Adult Education, Stewart

Nakano.

Aside from the All-Center Speech contest, there will be exhibits put on by the art classes, the Grammar School, the Nursery, the Woodcarving classes under Roy Hattori and the Boy Scouts.

CENTER'S GARDEN SPOTS FLOURISH!

"Roses are red, violets are blue; they make barracks look good, too."

Yep, it's true. The bright spots of the Center are the flower gardens.

For example, there is Pacific Gardens, located at 6-114 and 115. Zinnias, larkspurs, sunflowers and oleanders make a colorful garden. That's not all. There is also a birdhouse, weathervane and handicraft work. One is a necklace made with a heart attached to it. The other is a series of ten balls each in its own cage and becoming smaller and smaller as the top is reached. Both were made of one piece of wood and took approximately two days each. The proud owner is Mr. F. Tominaga.

Mr. S. Matsumoto is head gardener of Pacific Gardens. He is responsible for planning and supervising it. At present he is making ducks. His plan is to have a mama duck with four baby

ducks trailing behind. Already two baby ducks are made; the mama duck is almost finished; and two more baby ducks are in the making.

Together with Mr. K. Sakakura, Mr. Matsumoto is busy making name plates to put beside the doors.

Then there is Victory Garden at 6-116 and 117.

Here geraniums, petunias, zinnias, cockscomb, azertums, Mexican fire bushes, cosmos, California privet shrubs and morning glories are creating a riot of color.

Following its theme is a V for victory in the center. Behind it is the vegetable part of this garden

GRAMMAR SCHOOL RELOCATION

STUDENTS SEE THREE MOVIES

Students from the second to the eighth grade were treated to movies last Wednesday from 9 to 11 a.m. at the Edex Hall.

The three movies shown were "Correct Care of Teeth", "How We See" and "How We Hear." They were obtained from the Stockton Junior College Cooperative Library through the efforts of Mr. E. B. Levy, Director of Service Division and Mr. Jack McFarland, Supervisor of Recreation.

Bob Kishita was in charge of the projector. More films are promised for next week.

CHOIR NOTES

The Center Choir will hold its weekly rehearsal Tuesday at 7:30 p.m. at the Edex Hall under the baton of Toshio Kaneda. The Choir, which is progressing rapidly, is planning a program to be presented to the Center. There is an urgent call for male voices to fill in the bass and tenor sections in order to have a complete chorus. All those who are interested are asked to attend the weekly rehearsal.

ATTENTION!

The fourth of the series of articles on the Hospital staff will be printed in the next issue.

MORE ON VICTORY GARDENS . . .

--lettuce and cucumbers. Mr. Agari, one of the residents, declared that they had a "Lettuce Party" with the first bumper crop.

The second Victory Garden is located at 6-102 and 103. To carry out its theme, there are V's at both ends. In the very center is a diamond with stars on both sides. All these figures are formed with rocks. For decoration are cosmos and California privets.

What might be called the third Victory Garden is at 4-71 and 72. Here a corn and cucumber patch domin-

ates the center. Canna, petunias, morning glory, geraniums, California privets and a single, solitary, scarlet rose bloom in front of the barracks. There are also pink bean plants and lettuce.

The renowned Beverly Court at 6-112 and 113 now boasts of lawns. Its flowers are geraniums and cannas. It also has California privets. Perhaps, its unique feature is the trellis with tiny gourds growing on it.

Tentative plans are in the making to combine an art and a garden exhibit, according to Louis Shima.

IF IT'S ARKANSAS, WE SAY

"I wonder where we're going?" has been the query of Center-ites ever since they moved into the Center. Since there are many probable places, this is the first of the series to give Center-ites an idea of what they will meet in the different states.

IF Arkansas is "it"----

Sam Funamura, who traveled through that state: "I imagine the soil is dark, delta.

"There will be sultry summers, cool falls, windy, rainy winters." When he went through there "last February, the weather corresponded to February weather in California. There was green grass at that time."

As for the type of country, Mr. Funamura declared, "level land -- not hilly. It's a plain that runs into the Mississippi Valley."

Then the "Lodi News Sentinel" reports: "Two government camps.....one near McGehee, in Desha County, and the other in Drew and Chico counties, which lie on the Louisiana-Arkansas boundary line.

"Water will be obtained from wells.

HOSPITAL

NOTICE

Two unclaimed pairs of glasses have been left at the Hospital for sometime.

Unless proper applications are made, these glasses cannot be sent out to be fixed.

21 FIREMEN PASS 1st AID

Twenty-one firemen and Fire Chief D. Murphy passed the Standard First Aid course with "flying colors" announced Kats Nagai, instructor of the course which began July 21.

The firemen are Hozumi Iwana, Kuni Kawamura, Kay Koizumi, Richard Komura, Frank Mirikitani, George Morino, Mana Nagata, Teruo Nakamura, Yutaka Nishikawa, Hajime Nishimori, Frank Nishimura, Tokito Okura, George Ouye, Nobie Sato, Frank Tanihara, Shiro Tanji, Tsutomu Tsukamoto, Tom Tsunekawa, Sweeney Tsurumoto, Frank Watanabe and Nobie Yamaguchi.

The biggest disappointment in the current Major League race is the disastrous flop of the star-studded Dodgers, who are now cooling off in the basement with three unexpected setbacks and only one victory and that at the expense of the also lowly Poop-outs.

Manager Hank Sato's squad, which boasts half a dozen all-star players, was rated as a good bet as any to land on the top of the heap, but have definitely failed to come through and are completely out of the first half picture now.

We can't see how they could be submerged in the bottom when their line-up includes pitcher George Kagawa, infielders Frank and Sam Kamibayashi, Jocko Matsuoaka and Will Kagawa, outfielders Mas Okuhara and Shig Kaba.

Whether they lack the four leaf clover or not we think they'll build up enough heat to pull in with the second half pennant.

Although basketball games are a trifle early for play at present, the Center's feminine casaba artists will nevertheless jump the gun by launching league competition next Wednesday night.

Nine crack sextettes representing their respective blocks will vie for the gonfalon.

Some of the classiest girl cage stars in America will be seen in action and among them are the famed Inamasu Sisters, Aya and Babs, Teri Yamaguchi, Yuki Kato and Grace Hagio of the National Champion Stockton Busy Bees, sharpshooting Okura Sisters, Pat and Sal, Miyo Enokida, and Yo Miyamoto and Aiko Ito (formerly Hattori Sisters), Monterey's casaba queens, and Stockton J.G.L.'s ace, "Acme" Terashita.

Convalescing at the San Joaquin General Hospital is Ted Ohashi, co-captain of the red hot Bumbows. A true sportsman if there ever was one, modest Ted injured his kidney in an

TERRORS GRAB UNDISPUTED MAJOR LEAGUE LEADERSHIP WITH 4TH STRAIGHT. SAM ICHIBA STARS AT PLATE.

Paced by centerfielder Sammie Ichiba, who poked out a pair of triples and a single and drove home six runs, the youthful Terrors walloped the Yankees to the tune of 20-8 to take undisputed leadership in the tough Major League race.

The Terrors' powerful offensive machine blasted Kuni Kawamura, Johnny Muraoka, and Hal Nitta for fifteen solid hits to turn the what was expected to be a close duel into a rout.

Johnny Hiramoto and Jim Hiromoto helped the cause by having a perfect bat performance with two apiece.

BUMBOWS STOP TROJANS 13-6 MAESHIRO WINS

The giant killing Bumbows derailed another pennant bound leader. This time the unexpected victims were the undefeated Trojans, who were wrecked 13-6 to fall from the unbeaten rank.

A rousing third inning rally by the Bumbows which saw them cross the plate eight times, combined with the steady six-hit twirling by Jack Maeshiro, was enough to turn the tide.

Isamu Nakamoto, with a perfect 2 for 2, led the offense for the winners.

POOPOUTS FINALLY WIN; STOP PIRATES

After being on the short end of the score for the first three games, the veteran Poop-outs finally pulled out of their nose-dive to smash the Pirates 14-12 in a free scoring affair.

The "Oldtimers" sewed up their initial Major League triumph in the last half of the sixth when they came from behind to shove across three runs.

Pitcher Sanji Teranishi contributed to his own downfall by handing out four bases on balls in the sixth.

Sam Funamura and Matsuo Okazaki had a perfect day at the plate with three for three and two for two, respectively.

CARDS & SPARTANS TRIUMPH BRONCOS STOPPED BY BUCCANEERS

By Jun Kasa--

Coming from behind in the last inning, the pennant bound Block 6 Spartans downed the Block 9 Giants 7-6. Taking advantage of the free passes offered them by the Giant's ace hurler George Kamidai and then following through with a hard-hit homer by Mas Tsudama into the left field garden with two men on, tied the score; and then an error by shortstop N. Arata put across the winning tally.

Sharing first place honors with the Spartans are the youthful Block 5 Cardinals,

Led by slugging third sacker H. Yamashita's impeccable 3 for 3 at the plate, which included two beautiful four-ply hits, the Typhoons nosed out the Rainboms 24-19 in a free-scoring tilt.

Sparked by Julius Nishimoto's four bagger in the first canto and taking advantage of 8 costly errors, the Block 3 Spitfires downed the Block 1 Dukes, 7-3.

"ELEPHANT BOY" COMING

"Elephant Boy" will be featured this Thursday and Friday nights from 8:20 p.m. Since the first half of the movie will be shown on the first night and the last half on Friday evening, all Center-ites will come out both nights.

A cooperative film, "A Day with Dr. Kagawa," will be shown on Thursday as an additional film. The second evening's addition will be "Famous Fights" with narration by Bill Stern. "The famous claimed foul in the Dempsey-Sharkey fight.....Joe Louis' one-round knockout of King Levinsky in Chicago, which started him on his way to fame and the championship."

"Elephant Boy" is based on "Toomai of the Elephants" by Rudyard Kipling. It tells about "the only mortal to see a giant herd of a thousand elephants dance.....starring Sabu."

70 PERCENT REGISTERED VOTERS CAST BALLOTS; BLK. 1, BEST RECORD

Last Monday, 1918 votes (70 per cent of the registered voters) were cast by the residents to elect 21 members of the Advisory Committee panel.

Block 1 with 183 registered voters missed the 100% mark by a hairbreadth as 172 valid votes were tabulated.

Blocks 9, 7 and 5 had the poorest turnout with those failing to vote numbering over 100.

Blocks 9, 6, 8 and 4, respectively, had the greatest number of registered voters --all over 300.

CASH PAYCHECKS THURS.

"Pay checks will be cashed for the residents tomorrow and Friday. This will be the last chance for the Center-ites to cash their pay checks," declared John Gordon, Center Cashier today.

"If active interest is not shown on Thursday, no checks will be cashed on Friday," he also added.

The three candidates in each block who received the highest number of votes were considered elected as members of the panel, but out of those 27, six, who had the least percentage vote, in proportion to the number of registered voters in their respective blocks, were automatically eliminated.

Because of this ruling and the small turnout of the voters, Block 3 has only one panel representation. (Continued on page 2)

6 IN SPEECH EXHIBITION

By completely doing away with judging, the Speech Committee has arranged to have an All-Center Speech Exhibition instead of a contest as originally announced. It will be held this Saturday at 8 p.m. on the grandstand, as part of the Educational Day program.

Speakers will be Miss Grayce Kaneda of the Educational Dept., who was a winner of many contests, including second places in the JACL National Oratorical '37, '39 meets. She is a graduate of the College of Pacific.

Jimmy Doi, also of the Ed. Dept., was the valedictorian of his senior class at Stockton High School. He was a student at C.O.P.

Barry Saiki, also of the Center faculty-ites, is a graduate of U.C.

Novice speakers are Helen Murosaki, Ken Saga and George Matsuoka.

Kats Nagai will be chairman.

Miss Elizabeth Humbarger will make some comments to terminate the exhibition.

'COPYCAT CAPERS' TONIGHT!

QUESTION: Who will be the King and Queen of tonight's "Copy-cat Capers"?

EDITORIAL

A RETROSPECTION

Already three months have slipped into oblivion since our entrance into this Center. It has been a quarter year of new experience and useful adventure for all of us.

Those three months have also been memorable in industriousness, in inward fortitude and spirited courage displayed by the Center-ites. The result of this is self-evident in our settled community.

Behind the industriousness that converted the barracks into livable quarters, the tolerance that overlooked the small inconveniences and the disregard that ignored many deterrent factors has been the Center spirit or will to get along as best as it can.

That spirit of determination, necessary in attaining goals of life that we continually seek, has been kept alive in the Center. Upon such spirit will depend what kind of an outlook we would have. It must be a wholesome attitude, properly nourished and increased in fervor with time, and it can make our life in the relocation center as well as here, a happy one.

COOPERATIVES 

For the efficient operation of a cooperative society several special committees are required. Among them are the committees on education, auditing, finance, management, complaints, and recreation.

Some of these committees may be combined; others will have several sub-committees for specialized work.

In our cooperative at relocation, the management should take special care in selecting qualified committee members. (Pamphlets on cooperatives are now obtainable at the library. If there are any questions or special information concerning cooperatives that the public might want, drop a letter to the EL JOAQUIN, and the cooperative committee will try to answer them.)

ELECTION

(Continued from Page 1) tive, Sy Mayeda.

Another interesting note is that in Blocks 1, 2 and 6, the two top candidates in each block tied for first place: (1) S. Funamura and N. Matsumoto with 143; (2) P. Sato and G. Hisaka with 208; and (6) H. Usui and T. Hata with 171 votes.

TROOP 30 TO EAT TOMORROW

Troop 30 Boy Scouts will have a weiner roast tomorrow evening at Block 10 Mess. Mr. Paul Sato is general chairman; others working on the arrangements are Messrs. Futamachi, Yada, Matsumoto and Bob Kishita.

A cooking test was held this a.m. for all troops.

EDUCATION DEPT. SPONSOR EXHIBIT FRI-SUN.

With the Summer Session rapidly drawing to a close, the Education Department will sponsor an All-Center Educational Program this Friday, Saturday and Sunday.

The spotlight will be focused mainly in the Edex Hall where the activities of numerous departments will be coordinated into one grand exhibit.

The art exhibit under supervision of Louis Shima and Hiroki Mizushima will display works of the Center's finest artists.

Mrs. K. Yamashita, Mrs. K. Yamanouchi and Mrs. Yoshioka, sewing instructors, will be in charge of the sewing class exhibit.

Another attraction will be the woodcarving display with Roy Hattori and Mas Hagio as chairmen. There will also be a flower arrangement exhibit.

The Edex Hall will be open Friday 7:30 till 10

MESS CONTEST

#5 EKES WIN OVER #3

By L. C. Shaffer

For the first time since inception of the sanitation contests, Mess No. 3 fails to take top honors. But that is no discredit to No. 3. Three FIRSTS and one SECOND in four tries is pretty good going in anybody's league.

No. 5, having tied with No. 3 for first place in the last contest, became so imbued with the pleasure of winning that they went "all out" in this contest and grabbed the top spot all for their own.

CUB-TIVITIES

The Cubs have been practicing songs to be presented at the Court of Honor on August 19. Troops 19 and 91 Cubs are holding the Court of Honor jointly. On that evening they plan to have an exhibit of their work as well as stunts for entertainment.

Besides this activity they have shown their work at the Art Exhibit and taken care of crowds at the last Court of Honor and Field Day.

For a reward the Cubs will be honored with a feed at Mess 10.

However, both #5 and #3 should be warned that a great big he-man outfit in the east end is definitely and tenaciously after the scalp, or scalps, of either or both, or any other mess which gets in their way. So, watch out for No. 9. They are boiling mad because of their failure to win this time. And, but for a couple of factors, they may have won.

No. 2 and No. 4 both deserve honorable mention. They did well, but, well, well wasn't well enough.

And now please permit us to present the proper plaudits pertaining to the proficient performance of the persevering and persistent purveyors of push-brooms

CLOTHING

NEW DEPT. READY

With the arrival of the first and part of the second clothing order, a new department, the Social Welfare Clothing Distribution Booth under Ben Tsudama, has been formed as a part of the Social Welfare Division.

It was announced by Kay Kato, head of the Social Welfare Division, that only persons who HAVE RECEIVED THEIR CLOTHING NOTICES should call for their orders. All others were asked to wait for THEIR NOTICES before calling at the new booth.

The booth is open from 8:30 to 11 a.m. and from 1:30 to 4 p.m. on week days and from 8:30 to 11 a.m. on Saturdays. It will be closed on Sundays.

The latest patients confined with chicken-pox are Haruo Kamidoi, Asaye Yaku-shiji, Hideko Kishida, Sei-ko Ito, Dick Iwamiya, Haruko Iwamiya and Yoko Iwahashi.

The lone measles patient is Emiko Nishimoto.

Allen Hagio, after a very successful arm operation performed Monday, is on his way to recovery at the County Hospital.

JULY PAYCHECKS DISTRIBUTED IN RECORD TIME; NEW SYSTEM

Breaking all previous records, the paychecks for the month of July 10 to August 9 sent in to S.F. on the 12th arrived on Monday, August 17, and were distributed to the Center's 1,273 workers on Tuesday.

The distribution of pay checks was facilitated by a new arrangement. Instead of the usual two lines the

Center Cashier employed four lines, the first for Mess 1,2,3,4,5 and 6 workers; the second for Mess Halls 7,8,9, yard crews and butcher shop; the third for the Service Division, Main Office, and Barber Shop; and the fourth for the Works Division, Hospital, Supply and Garage Warehouse and the Canteen.

MRS. GOLEMAN HEARD SUNDAY

"Should we get married in a time of crisis such as today?" was one of the questions Mrs. Fay Goleman, noted psychiatrist and social worker, discussed at the Christian Endeavor, Sunday evening.

She stated, "If you had planned to marry before the present situation, go ahead; but if you just met during this crisis and decide that there is no future and get married, just for the sake of marrying, you'll most likely have a chance of ending in a divorce court."

She stated the key word to a successful marriage is mutual "give and take".

In closing, she emphasized the need for emotional maturity and understanding to face the problems of marriage.

Other members of the kitchen staff who deserve much credit are the dish-

RELOCATION

MAYBE, IT'S IDAHO

This is the second of the series concerning relocation areas to which S.A.C.-ites may be sent.

Today, it's IF we are sent to Idaho.....

Two sisters who lived for about 20 years in southern Idaho are working in the office. One of them, Mrs. Fitzgerald, secretary to Mr. A. S. Nicholson said: "It gets as hot there in summer as in California. It gets quite cold in winter, but hardly any snow in Boise (from where she hails). A lot of rain.....Very mountainous country. Very near mountains in Boise."

Attention! Defers ABSENTEE BALLOTS

All voters should send in their applications for absentee ballots by tomorrow, Aug. 20. Blanks may be obtained at the Information Booth.

Because of a change in plans, there will be no representative from the County Registration Office. Persons with absentee ballots must have their votes notarized by Ben Tsudama, Notary Public, at the Social Welfare Clothing Distributing Booth before August 25. Ballots must be marked in the presence of the notary. All ballots marked prior to presentation to the notary are invalid.

Mrs. Bancroft, clerk-stenographer, voiced opinions similar to her sister's: "It's pretty warm in summer. A little snow in winter--about December or January."

From the circular, "The War Relocation Work Corps" from the War Relocation Authority concerning Minidoka in southern Idaho: "Consists of 17,000 acres. ...Construction of housing for 10,000 evacuees is now under way.

"A constructive public works project will be the lining of the main canal now serving the region. The canal now loses nearly half of its water through seepage."

in and around the private parlor portals of Block #4. So, you Block 4 janitors pick up your pedal extremities and pilot your proud persons to Block #5 on Thursday evening, next, to partake of your prize. Plates will be passed promptly at 8 p.m., Pacific War Time.

Personally, we are putting plenty of pressure on the PRESS to print this.

Ed. Note: The Press hardly needed coaxing to print the article above, though the distinguished gentleman from the Mess and Lodging (Lounging?) Dept. has those precious powers of persuasion.

For his originality and refreshing journalistic style, we make L. C. Shaffer an honorable member of the Press.

Now about that party, Mr. Shaffer _____.

The Recreation Dept. has announced that starting last night all softball games will end at 8:10 p.m. instead of the former time of 8:20 because the days are getting shorter.

It was getting to a point where lot of ball games were being finished in the dark and a player had to practically use his super sensitive nostrils to locate the horsehide.

Anyway, this action was necessitated to assure safety to both players and spectators alike.

The game will, however, start at the same time of 6:40 p.m. sharp.

But you softballers have nothing in hand considering the new ruling enforced last week down at Santa Anita Center's Rec. Dept.

Their Board of Arbitration has issued a statement that all twilight tilts will start 15 min. earlier at 5:45 p.m. with a 15-minute leeway.

And here many players thought 6:40 was plenty early. Maybe the sun sets faster in Los Angeles or they must have dinner at 5:00 p.m.

We also noticed in the "Pacemaker" that the Santa Anita's hardball game of the season pitted the L.A. Dodgers against the San Jose Azucars.

Big-time names in the Nisei diamond world that we noticed in the line-ups were: Dodger's Tak Kobayashi, U.C.L.A. Bruins' varsity lead-off man and center-fielder, Joe Suski, formerly of UCLA and L.A. Nips, and Dick Kunishima, star of State champion San Pedro Skippers.

Familiar names on the Azucar's roster are Tom Okagaki and Mori and Frank Shimada, former Asahi aces.

Also competing in the double "A" are the San Jose Asahis, which is paced by famed Hinaga Brothers, Russell, Chickie and George, Joe Jio and George Yamaoka.

Managing the veteran Asahis is none other than Clark Taketa, while Tom Sakamoto is handling the youthful Azucar.

TERRORS SHADE DODGERS 3-2 IN THE LAST HALF OF THE NINTH. RIGHT-FIELDER JIMMIE HAYASHI STARS MIKE TAKEUCHI BEATS GEORGE KAGAWA

Thanks to rambling Jimmie Hayashi's story-book catch in the crucial seventh, the undefeated Terrors kept their slate clean by squeezing out the punchless Dodgers in the extra ninth inning 3 - 2.

Rightfielder Hayashi uncorked the fielding gem of the season when he made an impossible circus catch off George Kagawa's barrack-busting wallop which sailed thirty feet between the narrow buildings with two Dodgers on bases to save a possible defeat.

The youthful Terrors scored their game winning marker in the last half of the ninth when Mike Takeuchi poked out a high bouncing grounder down the third base line to send home Mauch Yamashita. Yamashita reached first with a hit to short center and then was chased around to third on Ben Mikawa's praying double to the barracks.

The extra frame was necessitated as the desperate Dodgers tied up the tilt in the sixth when George Kagawa tallied on Joe Kishi's rightfield double.
