HEADLINES of the WEEK

As Compiled by the
Grosse Pointe News

Thursday, Nov. 7

REPUBLICAN LEADERS FAIL TO ENTHUSE over the proposal from Democratic sources that President Truman resign... confident of their victory in 1948, they want to keep him on the spot and tied to his responsibility for approving or vetoing measures they propose in the two year interim.

EUGENE MEYER, late head of the Federal Reserve Board and the Reconstruction Finance Corporation under Republican administrations, and present head of the World Bank says that strikes in the United States are threatening the entire world with economic starvation and endangering world peace.

DELEGATES OF THE U. S. at the UN General Assembly, made it clear yesterday that they would reserve sweeping rights, especially defensive military rights, in the Japanese mandated islands of the Pacific, which we had possessed by MacArthur's island hopping campaign in the war... President Truman offered Wednesday night to place them under United Nations trusteeship.

SIGNS OF A GRAND ROW AMONG REPUBLICANS IN SCRAMBLE for choice committee chairmanships... party leaders are confident however they will be ironed out when Congress organizes on Jan. 3.

PRESIDENT TRUMAN, confined to his living quarters in the White House because of a cold caught in his quick voting trip to Acheson, under secretary of state, and the Russian Ambassador Nikolai V. Novikov... his visit described as a "courtesy call."

CHAIRMANSHIP OF THE DEMOCRATIC NATIONAL Committee is sought by William C. McNeely, Illinois and Missouri publisher now in Manila, who has been conferring there with James A. Farley, former National Chairman.

THE POLISH MINISTER to Canada, Alfred Fiderkiewicz, says that 136 "priceless art treasures" have disappeared... the custodians, chiefly churches and monasteries in Canada, had unwittingly surrendered them to messengers who appeared with the agreed upon pass word... the Canadian Mounted police say they were not informed of the loss, which is understood to have been discovered six months ago. Treasures sent over from Poland for safe keeping during the war.

Friday, Nov. 8
PRESIDENT TRUMAN GIVES NO SERIOUS consideration to the suggestion that he should resign and give full power to the party successful in the late elections... Senator Fulbright of Arkansas proposes a constitutional amendment which would give us in effect the British or ministerial form of government with the executive as well as the legislative immediately responsible to the country.

SENATOR BREWSTER OF MAINE says that Republicans, now in majority in the Senate, should reopen investigation of several pre-war incidents, including the Pearl Harbor attack and certain diplomatic moves which had a direct bearing on the advent of war, such as the Russo-German non-aggression pact of August, 1939, which was the curtain raiser for the war which followed in two weeks.

DETROIT TIMES AND NEWS also run into difficulties with their printers and are held up in their early editions.

EDWIN A. LAHEY, staff correspondent of the Detroit Free Press, writing from London, says that the motif of the present labor Government in Britain is to combine the best of the present two dominant schemes of world government.

DETROIT POLICE Sergeant Ernest Beerbaum mistakenly shoots Glyndell Elliot, 24, of 5846 Frontenac, both investigating a reported burglary in another house... Beerbaum says they collided and his pistol went off accidentally... bystanders say he (Continued on Page 2)

Canary Hops Into Picture Contest

PATSY STANDART, daughter of Mr. and Mrs. David G. Standart of 304 Kerby road, thinks **JERRY**, pet canary of Patsy and her sister Judy, is much more fun than any dog or cat could be. Jerry has full freedom of the house, and during the summer was allowed to fly outdoors, where she made friends with the goldfinches. Jerry often steals food from the table at mealtime and loves to light on the children's heads. This picture will be judged with others entered in the NEWS contest which ends December 31. Savings Bonds will be awarded for the best pictures of Pointe and Grosse Pointe children and their pets. Send your entry in.

Youth Who Deliberately Set Fire to Farms Voting Booth Given Nice Break by Court

Referee Baxter Hands Out Sentence of Indefinite Probation After Finding Herbert Cook Guilty of Malicious Destruction

At a hearing before Referee Fred Baxter of Judge Healy's court, juvenile division of Probate, on November 6, Herbert Cook, of 11283 Wayburn, Detroit, was found guilty of malicious destruction. Young Cook had been charged with setting fire to the voting booth at Kerby and Beaupre in Grosse Pointe Farms on the night of August 14 last. He and some companions stole gasoline from a car owned by Jerome Remick and parked in front of the Remick house on Ridge road that night. They poured the stolen gasoline over the booth and set fire to it. Damage was estimated at \$800. After finding Cook guilty, Referee Baxter sentenced him to be placed on probation for an indefinite period.

Burglar Balked At Alger Home

An outer door on the rear of the residence of Mrs. Russell Alger at 242 Provenal road, was forced sometime between 10 and 10:30 p.m. on the night of November 10. The private watchman called Farms police to notify them of the attempted breaking and entering. Officers Seelow and Sylvester investigated. While the outer door had been forced, apparently no attempt had been made to go through a second, inner door.

Action Off Bougainville Wins Pointe Hero Medal

Ens. William James Mills, USNR, deceased, late husband of Mrs. Shirley S. Mills of 7 Woodland place, Grosse Pointe, Mich., has been awarded the Navy and Marine Corps Medal by Secretary of the Navy James Forrestal for fire prevention.

Mills received the award for saving a craft from certain grounding when he swiftly cut a tight cable with a fire axe to keep the vessel from going aground on rocks. Text of the citation is as follows: "For heroic conduct as Officer on board a Motor Torpedo Boat, stricken on a reef off the coast of Bougainville, in the Solomon Islands, Jan. 8, 1944. Observing the peril confronting a companion boat as it was swept down toward dangerous reefs while attempting to tow his vessel to safety, Ens. Mills dashed to the towline and courageously disregarding the known hazard of severing a tight cable, swiftly cut it through with a fire axe. By his alert recognition of the rescue boat's acute danger and his prompt, fearless action in preventing disaster, Ens. Mills saved the craft from certain grounding. His unflinching devotion to duty at the risk of his own life was in keeping with the highest traditions of the United States Naval Service." Before his death during a bombing of his base in the Solomons on May 27, 1944, Ensign Mills had been promoted to the rank of lieutenant (jg).

Woods Beach Park Subject Of Law Suit

Village and Mrs. Edsel Ford Named in Action Started by St. Clair Shores

The action taken by the Village of St. Clair Shores Tuesday, Nov. 12, in Circuit Judge Alton A. Noe's court in Macomb county, to restrain the Village of Grosse Pointe Woods from acquiring and using a 42 acre plot of the Edsel Ford estate located in the St. Clair Shores village for a public park or bathing beach, was no surprise to the Commissioners of the Woods village.

Before the Woods acquired the plot by a \$60,000 purchase from the Ford estate the attorney of the Woods, Jules Berns, notified the St. Clair authorities of the contemplated purchase. There was a numerous exchange of communications on the matter, the gist of which was a somewhat non-committal attitude on the part of the village authorities of St. Clair Shores, but a direct opposition on the part of the local school district, which frankly admitted it objected to losing the tax revenue which would result to the school district by the subtraction of this plot from its taxable real estate.

The Woods village, however, felt justified in going through with the purchase, both by reason of the opinion given it by its attorney and the several local precedents already existing bearing directly on the matter.

As late as the last Woods Council meeting on November 8 this matter was discussed again but no opinion was then expressed casting doubt on the course.

President A. A. Ghesquire, of Woods said when he learned of the action Tuesday night that he was neither surprised nor perturbed.

The contention of the St. Clair Shores attorney, Harold Petersen, that the Home Rule Act prevents one corporate municipality from owning property outside its own limits would, if sustained, make illegal the possession of the Alger Museum in the Village of Grosse Pointe Farms by the City of Detroit. Detroit has owned this property for seven or eight years and in all that time the Farms village has been unable to collect taxes on it from Detroit despite sustained efforts during all this period up to last year when the Farms dropped its fight.

Another instance largely comparable is where the Village of Grosse Pointe Shores has its limits extended into Macomb county and regularly collects taxes upon it the same as on all of its other real estate in the village.

The action in restraint is discontinued. (Continued on Page 10)

Big Fire Cracker Breaks Up Party

Giant fire crackers have been added to paraphernalia of the mischievous youngsters of the community. Mrs. W. C. Plasko, of 1155 Beaconsfield, reported to Park Police that as she was entertaining friends in her home on the evening of Thursday, Nov. 7, they were all startled by a heavy explosion in the rear of the property. She wanted the police to investigate at once.

They found someone, presumably not young ladies fresh from a finishing school, had deposited a giant fire cracker in a garbage can and then carefully replaced the lid on the can. The result was devastating for the can, which was literally blown into metal junk.

Residents Oppose Golf Club Fence

The plan of the Lochmoor Golf Club to enclose its golf course with a six foot fence parallel with Vernier road is meeting with strenuous objections from the public.

At the meeting of Council November 6 a petition carrying 60 names protesting against the fence was presented. When the Club's request was first presented some weeks ago it met with an instant objection on the part of the public. One of the arguments used against it was that it would shut off one of the most pleasant views in the village.

Mrs. R. J. Maas of 1152 Devonshire craved protection last Thursday, Nov. 17, from an overactive squirrel. She said he was destroying her property. A house wrecking looked like a big contract for one small squirrel, but police investigation told the story.

A pair of squirrels had made a nest at the top of a wisteria vine alongside the house and their repeated jumpings into their home and out again had caused the vine to collapse. But the squirrel squad couldn't catch the squirrels.

Vote Survey Shows Pointe Disapproves Servicemen's Bonus

Proposals 1 and 2 Only Ones on Ballot Favored by Electors Here; No. 1 Given Overwhelming Support

The people of Grosse Pointe exhibited a wide variation of opinion on the five constitutional amendments and special referenda which faced them on the ballot on November 5.

No. 1 which proposed to authorize the state to erect airports, harbors of refuge, etc., brought a verdict from the combined Grosse Pointe Township and City vote of: For 9286; Against 3351. This was by far the widest spread between Yes and No recorded in the Pointe on any of the five proposals. This amendment was approved by the State at large.

No. 2, which provided for the return of a third of the state's Sales Tax to local units of government and in which the school districts would have been the largest beneficiaries, was approved out here by a vote of: For 7205; Against 6095. This amendment also passed in the state at large.

No. 3, which was an amendment authorizing the payment of a bonus to former soldiers and sailors of the late war, was not so favorably treated locally. The vote here was: For 5994; Against 7138, but this measure was also adopted by the State.

No. 4, which was a Wayne County referendum proposing to authorize the county to issue \$5,000,000 of bonds for a county airport was barely rejected in Grosse Pointe by a vote of: For 4894; and Against 5219. This measure was rejected by the County.

No. 5, which was an authorization to raise the tax limit in the airport bond issue, if approved, would have raised the limit to 23 light coat and no hat; weight probably about 175 pounds.

Police Seeking Hit-Run Driver

Farms police are seeking a light colored car that side-swiped another on Lake Shore road early in the morning of November 9, then sped on.

John Peter Sellas of 2561 Seminole avenue, Detroit, told the police the offender hit his left rear fender, going so fast he was unable to obtain the license number.

Passengers Hurt As Cars Crash

A car driven by Donald W. Grant of 14376 Woodmont, Detroit, going west on Vernor at 2:30 o'clock Saturday morning, struck a car driven by Jack F. Willford of 1172 White street, Lincoln Park, which was going north on Wayburn and failed to stop for Vernor. Both cars were badly damaged.

Martha A. Schureman, aged 29, of 17143 Littlefield, received a severe injury to her right knee, and Warner Goetsch, aged 29, of 3358 Hendrick, Detroit, had his eye injured and glasses broken. Both of the injured persons were inmates of the Grant car.

Willford was given a ticket for failure to stop at a stop sign.

Detroit Youths Admit Theft Of Car from Parking Lot

Three Detroit boys have been charged with the theft of one car and the attempted theft of a second from the Punch and Judy parking lot on Kercheval avenue on the night of October 21. Two of the youths, Alden Shoemaker, 14, of 4650 Brandon, Detroit, and Albert Wethington, 15, of 4472 Brandon, admitted to Farms Police Sergeant Jack Paisley, they stole a car owned by Ralph Shorn of 651 Marlborough. They were arrested shortly after by Detroit police of the 4th precinct.

They said they also tried that same night to take a car owned by John Stephens of 237 Ridge road. They implicated Charles Vassallo, 16, of 4608 Brandon, in both cases. Because they were arrested by Detroit police, who are charging them with being responsible for a number of other auto thefts there, action here is being held in abeyance until the Detroit police are through with them.

Consul General's Son Arrives from Germany

Lt. D.J.F. Brickell, the son of British Consul General and Mrs. Brickell of 436 Lakeland Avenue, Grosse Pointe arrived Monday from Germany, where he has been serving in the British Army of Occupation. Lieutenant Brickell is a member of the King's Royal Rifle Corps (60th Regiment) which was originally raised in North America before the Revolution.

Area Falls 25 Percent Behind Quota

Disappointed Officials Compare Results with Birmingham's 105 Per Cent

The Community Chest collection in Grosse Pointe up to Tuesday night, November 12, which will be the complete figure for the Pointe with the exception of such additions as may accrue from a final collection in the High School, is \$193,012.45.

The quota fixed for Grosse Pointe by Detroit headquarters was \$254,230. The apparent contribution was 75.9 per cent of this figure, or, according to the most accurate computation that can be made, the Pointe fell under its allotment by 24.1 per cent.

Great effort was made by the local headquarters in the Neighborhood Club to obtain an accurate checkup on the many large contributions made by residents of the Pointe direct to the Detroit headquarters, although it is realized that a large contribution may have gone undiscovered. But this is the way the figures stand according to all information obtainable.

The breakdown of the figures from the Pointe area shows that the house by house solicitation, which is presumed to include all of the contributions which may have been made directly by residents to the Detroit headquarters, but which are credited by Grosse Pointe, totalled \$189,571, or 74.6 per cent of the quota. Headquarters in the Neighborhood Club assured the NEWS that this amount of contributions properly credited to the Pointe area.

The contribution from the schools is divided into two categories: those made by the staff of the Board of Education offices which amounted to \$2,026.06, and those received from the students in the schools which amounted to \$1,463.39, or a total from the school and pupils of \$3,489.45. Grand total from the Pointe \$193,012.45.

Headquarters expressed itself as greatly disappointed in the Pointe's contributions, comparing it with Birmingham, a comparable area, which they stated had subscribed 105 per cent of its quota several days ago.

Headquarters in Detroit stated on Wednesday noon that it was apparent that the campaign would fall of reaching its quota of \$5,800,000 by between \$306,000 and \$400,000.

This was ascribed chiefly to two main causes; first they had failed to obtain subscriptions from the usual large number of individual givers and, second, that many large corporations which had formerly been large contributors to the chest had cut their subscriptions this year, due to their being in the red in their past year's operation. The campaign will not be continued beyond the termination day previously set for Wednesday.

Armistice Eve Far from Quiet

Mrs. Oscar R. Carl, of 843 Lincoln road, reported to the police on Armistice Day that two small boys on a bicycle had thrown a milk bottle at the house, breaking a small window in the vestibule. Mr. Carl had tried to catch the boys in his automobile but they had disappeared. Mrs. Carl said the breaking had occurred the day before but she did not desire to report the matter on a Sunday.

INNOCENTS ABROAD

The Misses Brynaert, aged two and three respectively, got themselves lost the other day from their home at 87 Nottingham and caused an alarm to be sent out in their behalf over the police radio. Of Mrs. Hoyer and Kasteloot, in their car, were the first to contact the wandering young ladies and returned them to their anxious parents.

MORE FRANKS
Some prankster turned on the fire hydrants on Edgemore road and on Ridge between McMillan and Oak, on the night of November 9. They were turned off by Hank Allor of the fire department with the help of Police Officer Dhaveloose.

Hospital Care Available In Pointe for Veterans

Arrangements Being Completed Between Cottage Hospital and Veterans Administration in New Program

"Home town" hospital care for eligible veterans is now in operation in Grosse Pointe with final arrangements being completed by Cottage Hospital and the Veterans Administration through Michigan Hospital Service.

The new program for veterans' care, pioneered in Michigan by the Veterans Administration, was designed to help relieve the great demands upon the regular veterans' hospitals. It authorizes veterans to go to any registered hospital when care or treatment in a veterans' institution is not "feasibly available." A similar program, which entitles veterans with service disabilities to receive treatment and care from local doctors, is also in operation in Grosse Pointe through Michigan Medical Service.

Michigan Hospital Service and Michigan Medical Service are the non-profit Blue Cross Plans of Michigan. The procedure to be followed by veterans in obtaining hospital care is, briefly, as follows: The veteran who needs care will apply through his nearest Veterans Administration Contact Representative to the Veterans Administration. The V. A. will determine eligibility and subsequently issue authority for care to the Michigan Hospital Service, which will forward the authorization to the veteran. The veteran will present the authorization to the hospital at the time of his admission.

Cottage Hospital is one of the majority of Michigan hospitals which have joined with the medical profession in the program of providing "home town" medical and hospital care to veterans with service-connected disabilities.

Two Bond Issues Sold by Woods

One of the first steps the Woods Village took toward the preparation of the lakefront property for public use was to appropriate \$250 for bulldozer work on the rough terrain. Mrs. Edsel Ford, who has already been paid \$1,000 to bind the purchase agreement, has given her consent for the village to go ahead at once with any work it may wish to do in connection with the development of the park site. She will be paid the balance, totalling \$60,000, as soon as the money is received from the sale of the bonds. At the Woods council meeting Wednesday night, Nov. 6, the park improvement issue of \$72,000 and the Sewer Improvement Bond Issue \$90,000 were awarded to Braun, Bosworth & Co. and Paine, Webber, Jackson and Curtis, who submitted a joint bid for both issues.

Armistice Day Causes Meeting Postponement

The regular meeting of the Park Council scheduled for the second Monday of the month was postponed because of Armistice Day, but a special meeting is to be held on Thursday, Nov. 14, for the purpose of opening the bids for the sewer work and the back water gate. On the 18th another meeting will be held to award the contract for this same work.

Edison to Start Woods Project

It was decided at the Woods Council meeting Nov. 6 that the Detroit Edison could begin at once the work on the underground cables for the pumping stations, which is the village's share of the project planned for lighting protection.

This provides for placing underground cables from the main service lines on Mack avenue to both the Cook road and Marter road pumping stations.

In addition to this there will be installed a supplementary overhead line paralleling the underground work as a further guarantee against interruption of the pumping service.

Following this work the Detroit Edison will, before the end of 1947, complete the underground cable work for its lines on Mack avenue.

There is a top limit on the cost of the village's share of this project at \$25,600. If it costs less a corresponding return will be made to the village. If it runs beyond this figure it will be at the expense of the Detroit Edison.

John Orebough Receives Promotion to Captaincy

AFWESPAC HQ, MANILA — John Orebough, husband of Mrs. Sally Orebough, 1434 Bishop road, Grosse Pointe Park, Michigan, has been promoted to the rank of Captain while serving with the 248th General Hospital in the Philippines.

Prior to his entering the Army, Captain Orebough attended Wittenberg College, Springfield, O., and earned his Medical degree at the University of Michigan, Ann Arbor, Michigan.

Network Television Forecast For Michigan by Late 1948

The Michigan Bell Telephone Company visualizes network television for Michigan by late in 1948.

Thomas N. Lacy, president of the company, has announced that a Detroit-Toledo link, which will connect with both coasts, has been added to the Bell System's coaxial cable construction program. That program has been stepped up from 6,000 to 12,000 miles of completion by 1950.

The Detroit-Toledo link of this wide-band transmission facility will connect directly with others between Chicago and Cleveland

and between Cincinnati and Toledo. From Cleveland, the network will continue eastward to coastal points, which a Chicago-New Orleans link will connect with the West Coast via a Southern transcontinental route.

Coaxial cable contains two or more metal tubes, each a little larger in diameter than a lead pencil. A copper wire, inside each tube, extends along its axis and a lead sheath encases the group of tubes. A single tube can be used for television.

The new cable also will increase long distance facilities tremendously. Each pair of coaxial units in such a cable can transmit 480 simultaneous telephone conversations.

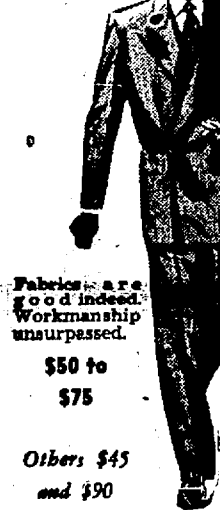

Another possible method for the practical transmission of television is radio relay. A radio relay system is under construction between New York and Boston. When completed, the Bell System will make extensive tests to determine the advantages or disadvantages of radio relay over coaxial cable.

Some 2,700 miles of the Bell System's coaxial cable network has been completed and construction is now moving along at the rate of nearly 3,000 miles a year.

Ill-Fated Wasp's Chaplain To Speak at Christ Church

The Rev. Merritt F. Williams, canon of Washington Cathedral in the Nation's Capital and chaplain of the war-lost aircraft carrier Wasp, will speak at Christ Church on Nov. 17 at 11 a.m.

Canon Williams, who is associate chairman of the Washington Cathedral national building fund, will describe plans now under way to erect the Patriots' Transept of the unfinished cathedral in honor of the men and women of the nation's armed forces in recent and past wars. The transept, when completed, will contain a war memorial chapel, dedicated to honored war dead.

resumed his duties there in November, 1945, simultaneously with his retirement as commander, chaplains' corps, U. S. Naval Reserve.

A World War I veteran, Canon Williams served aboard the Wasp in 1942 up to and during her last battle. For his meritorious service to seriously wounded crewmen during the Solomons campaign he was awarded the Bronze Star and a citation by Fleet Admiral Nimitz.

During his later naval service, Canon Williams shipped on the West Virginia, participating in the landings at Leyte, Mindoro, and Lingayen in the Philippines, the Battle of Surigao Straits, and the Iwo Jima and Okinawa campaigns. His battle service aboard the West Virginia won for him a citation and a Gold Star in lieu of a second Bronze Star.

He was wounded aboard the Wasp and painfully injured on the West Virginia, but has com-

pletely recovered. In addition to his Bronze Star and Gold Star, he is entitled to wear the Purple Heart, Victory Medals for both World Wars, and the Defense, American Theater, Asiatic-Pacific Theater, and the Philippines Liberation ribbons, with a total of nine battle stars.

A graduate of Washington University, St. Louis, and the General Theological Seminary, Canon Williams has had ministerial assignments at St. Stephen's Mission at Fort Yukon, Alaska, the University of Florida, and St. Philip's Church, Charleston, S. C.

The objective of the cathedral's national building fund is to raise a minimum of \$5,000,000 toward completion of the Patriots' Transept and the Nave of the edifice.

The current campaign is the cathedral's first intensive one since 1931, when more than \$6,400,000 was prescribed toward the North Transept, North Porch, Crossing, and other portions.

Speeders Face Loss of License

Detroit motorists who violate the speed laws may henceforth expect to lose the privilege of driving as the result of a stern policy adopted by Traffic Court judges and given meaning by daily revocations.

The court's determination to bear down on speeders was based on a report of Accident Prevention Bureau Inspector Louis M. O'Brien which listed 23 traffic deaths so far this year resulting from fast driving. O'Brien told the court he was apprehensive of the approaching holiday season and felt that a policy of "getting tough" would have a salutary effect.

For the present the revocation procedure is being employed only in aggravated cases but judges have indicated they will widen its use unless there is definite improvement before the holiday season arrives.

Speeds have increased steadily since the end of the war but are not yet up to 1941 levels on a state-wide basis, according to the State Highway Department. However, authorities say that the age and condition of today's motor vehicles makes the situation much more dangerous than it was in 1941.

Damage of \$350 Caused by Crash

Damage estimated at \$350 was caused when two cars crashed at Mack avenue and Moross road at 11:45 a. m. on November 11.

According to the Farms police report Willis Pulley of Lakeview, St. Clair Shores, was driving his Dodge east on Mack and had stopped for the light. He started up again when he collided with a Chevrolet owned by Harry R. Fruehauf of 728 Lekepointe, and driven by the Fruehauf chauffeur, Leon Dix.

Dix is said to have been driving west on Mack and was making a left turn into Moross when the accident occurred. Both were given tickets to appear in traffic court.

Police Officers Roland and Roberts, investigating, reported damage to the Chevrolet was \$200, and to the Dodge, \$150.

Mr. Kenn has issued an invitation to the interested public to attend the meeting.

and Nottingham. Mr. Mundt's topic will be "That Blue Sea with the Red Rim," a discussion of the Mediterranean area, the Balkans, Turkey, Greece and the world.

As a distinguished member of the Foreign Affairs and Un-American Activities Committees of the United States House of Representatives, the Congressman from South Dakota has earned the reputation of being one of the outstanding speakers of our time. In 1945-46 Mundt, as a member of a committee on Foreign Affairs, made an economic and political study of Russia and Russian dominated countries. This is the only committee to ever make an unsupervised study of the Soviet Union traveling from Leningrad to Baku on the Caspian. Previous to entering Congress, Mundt had been a Superintendent of Schools, Chairman of a college speech department and an instructor in social science.

Camera Club To Hear Uzzel

Robert Uzzel, nationally known for his dramatic lighting of photographic subjects, will lecture at the Grosse Pointe Camera Club at its club rooms at the Neighborhood Club, on Tuesday evening, November 19, on the subject of Artistic and Photographic Dramatic Lighting.

Living models will be used by Mr. Uzzel in demonstrating the use of theatrical lighting for the purpose of visually showing its various effectiveness. The speaker has gained much fame because of his successful posing of models and the lighting results.

Stanley Kenn, president of the club, has requested that the club members bring their cameras to the meeting as they will have an opportunity to shoot pictures of the subjects after the lecture.

In the continued effort of the Grosse Pointe Camera Club to aid its members in the betterment of their photographic efforts, an exchange of negatives will also be had at the meeting so that the maker of the pictures can learn the handling of his nega-

Quite Contrary

November being traditionally the Art Shows Month in town, we've dusted off the old Paris lognette of gold-and-mother-of-pearl to go big name hunting. For it is at the Little Shows that one comes upon the Picassos and Marie Laurencins of the next century. The young artist so often makes the prophet—if not the profit—of art of the future. So many of the artists whose work is shown at the Michigan Artists Exhibition at the Art Institute offer their pictures, commercially, at The Artist's Market that it was to this rendezvous we hied ourself, through Grand Circus Park to their Left Bankish hideaway at the corner of Madison and Witherell.

Sauntering through the Park, in the May-in-November weather, we were ankle deep in pigeons. It was so warm the birds were already coming BACK from the South. Probably planning to pigeon-hole here till they leave for California after Christmas. The incongruity of the pigeon population brought back Beatrice Lillie's droll voice to our ear, from that day when we were both ankle-deep in pigeons as we entered the City Hall. The lyrical Lillie blithely observed: "MY, but your mayor must get a lot of MUSSACES!" He still gets them via those carrier Pigeons; Lady Peel.

Still wishing that blase debunker of the Seven Lively Arts were at our elbow, we went hiking up to The Artist's Market. Our private theory is that one should approach all art shows with an open mind, an open heart—and an open purse. Toward talent, one should recall Picasso's exhortation to his pupils: "Paint as if no one had ever painted before!" And, carrying Picasso's premise to its logical conclusion, we also like to "Live as if no one had ever lived before!"

This attitude sometimes makes one about as popular as a flea at a dog show—but even Paris has its Flea Market for artists. In this freedom from fixations, you may walk right up to any painting and take it or leave it alone.

Bravos at the Artist's Market go to the exhibit of young Alex Minewski in his first One-Man Show. Before studying in New York, and later under Boardman Robinson, Alex Minewski attended classes at The Arts and Crafts here. He painted under the now celebrated John Carroll. We can recall the time when John was painting his friends for a song—and THEIR friends for an encore. (How often we've rued our refusal to sit with that damn calla lily!)

Young Alex Minewski, however, is no carbon copy of his masters. While there is a trace of Carroll's mysticism in his pale

preferred their rubies undecorated by his intaglio angels, carved in the facets of the gems. Whichever form of crystal gazing is your hobby, the Austin Wynne collection in your dream haven.

This little crystal gazer preferring her art in chaste and simple form, we confided this weakness to Mr. Wynne who rewarded us with this remark: "Simplicity is the apex of art. So, if you understand simplicity, you have achieved perfection."

So—from now on, pets—just send us Something Simple. One simple rose, one simple Steuben urn, one simple Cadillac town car, one simple villa at Santa Barbara—with one simple Pacific Ocean just a splashing and leaping to reach up and lick our crystal door!

ABOUT TOWN—AND ABOUT AT THE COUNTRY CLUB: "Sitters are getting so scarce, we can't even get one at our apartment for our wolfhound."

AT THE STATLER: "Pheasants? Quail? Deer? Lions? Don't ask ME what he's hunting. Because, confidentially, I think he's on a Big Dame Hunt."

AT THE DETROIT CLUB: "I always go for the best man in

any political party!" DO YOU EVER GET HIM, PET? .m. m.

Women Golfers Take to Alleys

Grosse Pointe's sportswomen, usually found on the golf links during the summer months, will be keeping active during the coming cold weather scoring up strikes in the bowling alley.

Nov. 5 was the opening day for the Women's District Bowling Association, composed paradoxically of women golfers! The association is made up of 20 teams representing district golf clubs that will compete for top bowling scores.

Representing the Country Club last Tuesday were Mrs. Robert Stoepel, Mrs. E. Olney Jones, Mrs. Merlin Cudlip, Mrs. William R. Hamilton, Mrs. Charles B. Kemp, Mrs. Sherwood Reekie, Mrs. Edward R. Macauley, Mrs. Clarence Boydell and Elizabeth Herdegan.

Anchoresses Perfect Plans To Help Hospitalized Vets

A number of Pointe women attended a meeting in the Hotel Statler on Wednesday afternoon, Nov. 13, called by the Detroit Navy Anchoresses for the purpose of forming a large committee to insure the boys in the Veterans Hospital of Dearborn of receiving necessary toilet articles and being remembered by people on the outside.

Some 300 signatures were attached to petitions sent to the

Anchoresses by the boys in the hospital, asking that they reestablish their previous hospital program.

Mrs. Fred T. Murphy of East Jefferson avenue is honorary chairman of the Anchoresses. Mrs. Colin Hungerford is chairman and Mrs. J. Dwyer is treasurer. Mrs. Frederick S. Ford and Mrs. Ward H. Peck are on the board of directors.

mium around MARY WATERFALL'S Lincoln road menage after the dance when she hosted a midnight snack for simply droves of her friends. Mary's date was Bob Campbell. The fact that his 17th birthday had almost slipped his mind!

Among Those invited were Marilyn Hirt with Tom Willson, Florence Erringer with Jack Wilson, Sue Rodgers with Bill Siebert, and Peggy Best with Bill Martner. Also dancing and sipping cokes down in the "rec" room were Pat Hammond and Tom VanAntwerp, Joanne Russell and Tom Dewey, Sara Stephenson and Clark Stevenson, Sally Grylls and Ed Schaub, Janice Skillman and John Garfield, and Phyllis McRae and Tom Anton.

Four hostesses were responsible for the success of the progressive dinner party Saturday. JOAN MCGINTY and Dave Drogey welcomed the group at the former's home where tomato juice and hors d'oeuvres were served. The salad course was enjoyed at BARBARA MOLYNEAUX'S whose date was Dick Phillips. Providing the main dish, EVIE OSBORN opened her home. Evie's date was Bob Despelder. The affair climaxed dramatically at GINNY MOULIN'S where a birthday cake ablaze with 19 candles was cut in honor of Ginny. There was ice cream, too, and a round of bridge. Dick Despelder, Rose Schroeder and Pinky Pingston completed the guest list.

Joyce Culehan, "Buckie" Buck, Ann Barker, Bonnie Lee, Carol Stewart, Sallie Hoyt, Gloria James, Marilyn Smith and Charlotte Simmons made tracks to JOYCE SCHREIBER'S home Saturday for a recreation room slumber party. Others who accepted the invitation and armed themselves with pillows and blankets were Joann Lyons, Marion Renne, Elaine Cabot, Gay Robinson, Pat Martin, Marilyn Wroblis, Pat Barnes, Carla Lipski, Barbara Smith, Susie Johnson and Nancy Byron.

JANET REID observed her birthday Sunday with a delightful tea at her Maumee road home. Dainty sandwiches, relishes, beverages and cakes were the refreshments. The invitees were Marilyn Smith, Doris Buser, Joanne Russell, Joan Heise, Marilyn Kaiser, Sue Campbell, Joanne

Morrison, Carolyn Orr, Jean Gardner, Joan Kirkland, Diane Faulk, Ellie Hewitt, Eleanor Shackelford, Annie Davis, Dorothy Meyer and Scottie Scott.

There was a scavenger hunt and midnight snack at BEULAH BELFRY'S home on Allard Saturday. Those enjoying themselves in comfortable blue-jeans and plaid skirts were Jack Bishop, Marilyn Smith, Bill Elder, Norma Wenzel, Chuck Handlon, Audrey Flachsman, Bill Tulip, Sandra Ramsey, Gordon Russell, Doris Wilson and Bob Burch. Others filling upon chili con carne were Joan Campbell and Don Barréns, Adela Mettice and Don Houst, Marguerite Clark and Fred Corey.

Home Grown Tomatoes On Thanksgiving

You can have tomatoes out of your own garden for Thanksgiving dinner. Jack Rose, Michigan State college extension home gardening specialist, admits that it takes a little care and effort—but he's certain that fresh tomatoes along with turkey and dressing will be a treat well worth the effort. Here's how:

When light frosts threaten this month, cover your tomato plants. Then, before it appears that Jack Frost is going to come out in full strength, pick some green tomatoes. Carefully grade them—selecting only those on which the dark green has taken on a white or pale cast. These must also be checked for disease or injury.

Place the choice green tomatoes in paper bags—six or eight to a sack. Hang the sacks in the basement. If the temperature remains at from 55 to 75 degrees, they will slowly ripen. Of course the nearer they are kept to the lowest temperature the slower they will ripen—the nearer the highest mark, the faster they will turn. If you watch them carefully and move them about to expose them to the desired temperature, you can control the ripening.

The green tomatoes may be placed on a shelf in a cool dry place, but the paper sack methods usually prove most successful, Rose advises.

Kid Bits

Because of inclement weather last Friday, the hay ride planned by BARBARA MOLYNEAUX and DICK PHILLIPS was replaced by a bridge party at Dick's home. However, the original plans were realized this week when Sara Stephenson, Clark Stevenson, Sally Grylls, Ed Schaub, Barb Bundy, Stan Ainsley, Joan McGinty, Bill Wild, Rose Schroeder, Pinky Pinkston, Joan Schmidt, Dave Drogey, Helene Himmelein, Bill Hooper, Jane Gehlert, Ray Schuman, Joyce Sadowski and Bob Hill met at the Lazy-J Ranch. Sally McBride, Ray Sawish, Barb Harte, Bob Buslepp, Marilee O'Brien, Bob Halbrook, Jane Zander, Joe Kennedy, Ruth Phillips, John McConagh, Fran Kretschmar and Paul Friese were a few more who were in on the frolicsome evening.

JOYCE SLACK did the entertaining for the Pierce crowd Friday with a shindig at her Bedford road home. Carol Krause, Howie Clark, Dave Donnelly, Russell Vofz, Larry Breden, Dick Smart, Ed Beaver, Mike Shaw, Bill Turrill, Doug Michelson, Jerry Fredel, Dwight Kern, Roger Ellis, Dolores Molnar, Carol Romer, Peggy Dickens, Sue Mair, Jackie Clemmie, Bev Martin, Jean Giles, Pat Goyette, Helen Reed, Madge Winters and Sue Essington were there eating chips, drinking beverages and dancing throughout the evening.

Whether Kilroy was to blame is not known, but the fact that 13 is an unlucky number was evident at the finish of Saturday's game. Among those present to see the Port Huron pigskin chasers defeat Grosse Pointe by the narrow margin of 13 to 12 were Harry Sorg, Jack Swan, Elton Bamford, Jack Fife, Art Diedrick, Meeky VanZanen, Nancy Byrum, Marilyn Smith, Jean Parfitt, Barbara Hunter, Pat Day, Miriam Ryan, Marilyn Shay, Marilyn Bower, Lois Buck, Ann Barker, Carol Stewart and Joyce Culehan.

The HEN'S HOP at G.P.H.S. brought forth a crowd of corsage-bedecked gallants and fair ladies dancing to the syncopating strains of Tommy Weldon's band. The Sadie Hawkins' theme was carried out in a unique way with super-sized caricatures "doing what comes naturally" for the survival of the female. The corsage contest almost stumped the three guests acting as judges who faced unlimited originality and humor in the innumerable creations. Tripping the light fantastic were Meeky VanZanen and Bob Bolo, Carla Lipski and Tucker Whitehead, Harriet Noble and Harry Sorg, Barbara Smith and Bill Richardson, Marge Stoerkel and Jim Brown, Joy Steinbach and Tom Alvarez, Barbara Harte and Dick Allen, Marilyn Wroblis and Joe Fromm, Crystal Helen and Dave Logan, Mary Lou Straith and Tom Bassett, Carroll Grylls and Hill Pierce, Peggy Maiden and Hank Bader, Evelyn Helin and Dudley Christianson, and Fay Pankow and Jerry Jordan.

That's What We Like About Grosse Pointe (with apologies to Phil Harris) . . .

A picture of Mrs. John S. Newberry on an early Spring morning . . . conferring with her gardener in the greenhouses on the Newberry estate . . .

And inspecting saucy, gay anemones . . . selecting some to arrange for the house . . .

We've always wanted to see the entire vase collection at the Newberry home . . . it must be one of the most extensive in the country . . .

The lady of the flowers . . . for years now . . . has been doing artistic arrangements . . . and we've never known her to use the same vase twice . . .

THE NEWPORT DEB

The fun Mrs. Edmund Anderson (Gwen Sayburn) . . . Mrs. Eddie McIlvain (Peggy Sayburn) . . . and Mrs. Michael Struff (Aerielle Frazer) . . . had as debutantes . . .

Mrs. Struff took over wherever she went . . . and with her amber, good looks . . . was always a favorite with newspaper cameramen . . .

Reporters called her the "Newport deb" . . . and counted on her always to wear top chic . . . and be pleasant about telling them the news she knew . . .

CIRCUSES AND ITALY

Gwen Anderson's circus debut . . . fired the imagination of reporters . . . and delighted them . . . when she appeared at the party . . . as a bareback riding queen . . .

She being well able to wear the brief pouf ballet skirt of the performer . . .

Peggy McIlvain . . . we always remember . . . as the deb who adored the time she spent in Italy . . . both she and Gwen schooled there if we remember rightly . . .

FOR SWEET CHARITY

Mrs. T. D. Buhl . . . makes us think of Junior League Sales . . . and we can close our eyes this minute and see her in a pastel crepe frock . . . Brooks sweater . . . a ribbon in her dark locks . . . holding up one of the fragile dainties made by the League of the Handicapped to a prospective customer . . .

Now she's a lady of typewriters . . . conferences . . . pool houses . . . tennis matches . . . an elegant sense of humor . . . AND Persian cats!

Mrs. J. Deane Rucker's name always brings thoughts of Metamora . . . and that happy hunting country it also closely associated in our mind with Dee Furey Bredin . . .

THE COCKTAIL SHAKER

The smooth and smart Dee . . . who brightened the local scene . . . before global reporting and Manhattan became First Love . . .

Dee's cocktail parties . . . (which must have been very costly considering all the uninvited guests who always turned up) . . . were a vogue . . .

And she was the first gal . . . outside of the m-o-v-i-e-s . . . we ever saw shake a cocktail shaker . . .

She took to Metamora naturally . . . and her hunting lodge was always filled with week-end guests . . .

We can still see the little Denise . . . (Mrs. Bredin Gillis) . . . in her riding togs . . . a miniature of her taffy-toned mama . . .

THE DILLMAN YACHT

First impressions also include: Mrs. Hugh Dillman . . . and the yacht Delphine . . . taking the Women's Association of the Detroit Symphony . . . for an all-day cruise on the lakes . . .

That was long before Rose Terrace made its handsome appearance on the Lake Shore . . .

And we will never forget how cold and forbidding the huge gates of her former home (next door) looked as we waited outside them with a cameraman . . .

Patricia Kleinschmit Bride of Californian

Weds Charles Raymond Salisbury, Jr. in Ceremony in Memorial Church; Couple Honey-mooning in Miami, Fla.

Delicate seed pearls accented the candlelight satin wedding gown of Patricia Kleinschmit when she became the bride of Charles Raymond Salisbury, Jr., the son of Mr. and Mrs. C. R. Salisbury, of Piedmont, Calif., last Saturday evening in Grosse Pointe Memorial Church.

The bride, who is the daughter of Mr. and Mrs. Arthur W. Kleinschmit, of Rivard boulevard, wore a lovely gown made with a boat neckline, outlined with seed pearls. The tiny pearls also were scattered down the three panels of the full skirt and formed a band around the peaked Dutch cap, from which a long veil of illusion fell. Pat carried a bouquet of bougainvillea and white orchids.

The maid of honor, Mary Margaret Wendell, wore an ice blue satin gown, fashioned along Grecian lines. Her large picture hat was made of matching material, and she carried a bouquet of blood red roses and egg shell leaves.

Dressed identically as the maid of honor were the six bridesmaids. They were Janice Salisbury, the groom's sister; Martha Metzler, of Decatur, Ill.; Mrs. Fred Post III, of Chicago; Muriel Collins, of Glencoe, Ill.; and Elaine Kleinschmit and Justine DePetris.

Pat's little niece, Susan Kleinschmit, dressed in an ice blue satin dress much like those of the other members of the bridal party, was the flower girl. Susan's brother, Arthur W. Kleinschmit III, was the ring bearer.

Mr. and Mrs. Kleinschmit, Jr., was the best man. The ushers were Clarence W. Kleinschmit, Herbert Mendelson, Jr., Herbert Bartlett, Jr., Robert Brown, Fred Post III, of Chicago, and Harold Havre, of Oakland, Calif.

Following the ceremony the reception was held at the Grosse Pointe Yacht Club. Mrs. Kleinschmit greeted the guests wearing a gown of powder blue crepe and lace. Her hat was of matching lace, and she wore white orchids.

The groom's mother, Mrs. Salisbury, was wearing a gown of peacock blue delicately accented with pink. The pale pink color was carried out in her small hat and in the orchids which she wore at her shoulder.

For traveling on her wedding trip to Miami, Fla., the young Mrs. Salisbury chose a crepe dress of gray and green with a gray hat and brown accessories. The white orchid from her bridal bouquet was pinned to her fur coat. Following their honeymoon, the couple will be living in Oakland, Calif.

Virginia Purdy To Wed Nov. 23

November 23 will be the day that Virginia Catherine Purdy will become the bride of Charles W. Weiler, Jr. Father Rodman will officiate at the morning ceremony in St. Catherine's Chapel. Virginia, the daughter of Mr. and Mrs. Raymond Joseph Purdy, of Three Mile Drive, has asked her sister, Mrs. Robert E. Coleman, to be her matron of honor. Bridesmaids will be Virginia's cousin, Marie Purdy, and Ruth Henkel. Little Carolyn Coleman will be the flower girl.

Charles Cole will come from Montclair, N. J., to be the best man. Seating the guests will be Jay Purdy, the bride-elect's brother; Robert E. Coleman, Hays Holmes, Harry Salsinger, Jr., and Dean Conway.

Miss Marie Purdy will be hostess for the spinster dinner at the DAC on Tuesday, Nov. 19. On Friday, Nov. 22, the bride-elect's parents will be hosts at the DAC for the rehearsal dinner. Following the ceremony the reception will be held at the Purdy's home.

After a 10-day visit in New York, Mrs. RALPH W. SIMMONDS and her daughter, BERNADINE, are back in their home on Lewiston road.

Deweys Honor Son's Fiance

In honor of their future daughter-in-law, Doris Wolfe, of Harrisburg, Pa., the Franklin H. Deweys entertained a group of friends at cocktails in their home on Cranford Lane last Sunday afternoon. Doris came to the Pointe to visit her fiance, Fred Dewey, and his family for the week-end. Their engagement was made known a few weeks ago. Honoring her house guest, Mrs. Dewey also gave a small dinner party on Saturday evening.

At Heil, Ann Seymour in Pre-Nuptial News

Former's Engagement Disclosed at Sunday Party; Ann and Joseph Terrien, Jr. to Be Married November 23

A miniature scroll bearing the names of Patricia Heil and Leslie Andrew Bechtel, Jr. told the news of the popular young couple's engagement to guests of Mr. and Mrs. J. Sidney Heil of Neff road last Sunday afternoon.

Guests who were invited to tea by the bride-elect's parents found the little scroll at the center of the tea table which was also decorated with lovely pink roses in a silver bowl.

Pat was graduated from the University of Michigan, and is a member of Kappa Kappa Gamma. Leslie, the son of the Rev. and Mrs. Leslie Andrew Bechtel, of Ashton road, served four years in the Navy after being graduated from Worcester College.

More pre-nuptial news about the Pointe's young couples concerns Ann Seymour and Joseph Terrien, Jr. They'll be married

on Nov. 23 at St. Paul's on the Lake Shore. Ann is the daughter of Mrs. William J. Seymour, of Grayton road, and the late Dr. Seymour. Joseph is the son of Mr. and Mrs. Joseph P. Terrien, of Calvert avenue.

Mary Jane Seymour will be her sister's maid of honor and bridesmaids will be Cecile Pelletier and Mrs. Robert Hough.

Jerome Terrien will be best man for his brother. The ushers will be Henry Lindeman, Edward Blackwell, Hoyt Seymour, who is Ann's cousin, and the groom-elect's two brothers, Burnham and Milton Terrien.

Ann began attending a round of pre-nuptial parties this week. Cecile Pelletier was hostess at the Women's City Club last Monday for a dinner and personal shower honoring Ann. On Wednesday Mrs. E. A. Seymour was hostess in her home on Edgemont Park, at a dinner and linen shower for the bride-elect.

Tomorrow Ann will be honored at a miscellaneous shower at which her two cousins, Pat Seymour and Eleanor Costella, will be co-hostesses. Next Tuesday, Margaret Hartner will be hostess for a kitchen shower.

Mr. and Mrs. W. J. Seymour, Jr., of Grayton road, will be hosts for the rehearsal dinner on Nov. 21.

DONNALYNN WARTENA, daughter of MR. and MRS. DON WARTENA of 894 Edgemont Park, celebrated her ninth birthday on Saturday, November 9, with a party for 33 of her friends, including classmates at Sacred Heart Convent. Movies and games were enjoyed. The birthday table was all in pink.

Michigan Alumni Gather at Party

University of Michigan alumni and their friends met last Friday evening at the Pierce School gymnasium for an evening of bridge. Mrs. Bruce Proctor was chairman for the party, assisted by Mrs. M. M. Sheaffer and Mrs. Hugh Dill.

Among Pointers attending were Mr. and Mrs. Louis B. Hyde, Mr. and Mrs. Sanborn Brown, Mr. and Mrs. Bernard Whitley, Mr. and Mrs. Martin Schiessler, Mr. and Mrs. George McBride, Col. and Mrs. Charles Buell, Mrs. Leonard B. Hewitt, Mrs. Frank Horn, Mr. and Mrs. Fred Schumann and Mr. and Mrs. Emil Leidick.

Miami Alumni At Supper Party

The Southeastern Michigan-Miami Alumni Association held a buffet supper at the home of Mrs. Mary S. Ambrose, 582 Neff road, Saturday, November 9. Mrs. George K. Malone of Ferndale was the social chairman. Mrs. Ernest L. Ray, 1251 York-shire, directed the games of the entertainment hour. The prizes were Miami ceramic ash trays by Mrs. Ambrose.

Among the guests present were Mr. and Mrs. Andrew Mikhailik, president, 447 McKinley; Dr. and Mrs. O. O. Fisher, treasurer, of Indian Village; Mr. and Mrs. Ernest L. Ray, 1251 York-shire; Mr. and Mrs. Lowell H. Orebaugh, 215 McKinley, Mr. and Mrs. John R. Harding, 682 University; Mr. and Mrs. Edwin S. Pratt, 582 Neff; Mr. and Mrs. J. W. Shields, 582 Neff.

Visiting Corps Needs Volunteers

Men, women and children from all over the world come to Detroit. They are being visited by a corps of Grosse Pointe women recruited by the AWWV and given special training by the International Institute.

The first four lessons in the training series were completed this week, with a lecture and discussion on "How to Visit," led by Professor Eleanor Crane of the School of Social Work of the University of Michigan.

The training course will continue on the second Tuesday of each month, beginning Dec. 10. Each volunteer will visit one afternoon a week, accompanying a foreign-speaking member of the professional staff from the International Institute. They will leave the Institute at 11:30 and return at 4:30. It is not necessary for the volunteer visitors to speak foreign languages but, since the Institute does not own a car, the use of the volunteer's car is an important part of her services. On the second Tuesday in the month all the visitors will have lunch together at the International Institute at 11:30, preceding an exchange of experiences and a lecture. They will call in the homes of new arrivals for the remainder of the afternoon. Visits will be scheduled on Tuesday, Wednesday and Thursday afternoons from 12:30 to 4:30.

Mrs. William Keese is serving as chairman for the corps, and Mrs. William Robert Bryant is the recorder. The initial group has been organized under the sponsorship of the Grosse Pointe AWWV, of which Mrs. Frederick C. Ford is chairman. Other women who are interested in serving as International Institute visitors may apply to Mrs. Keese or to Mrs. Siskels at the International Institute, 2431 E. Grand Blvd., Madison 7341.

St. Columba's Annual Bazaar Set for Nov. 21

Yacht Club Party Set for Nov. 23

The committee hard at work on the Annual Grosse Pointe Yacht Club Feather Party, on the calendar for Saturday, November 23, promises through its general chairman, Jules R. Surtman, that there will be a galaxy of "gorgeous gadgets," birds and gift baskets with all the holiday accompaniments.

Planning with Mr. Surtman are: Messrs. Elmer Benzin, Navarre Bennett, X. L. Kessler, Eugene T. O'Keefe, John Southworth, Harlow Stahl, M. G. Gaslin, G. Russell French, Carl Smith, Paul Marco, Harold W. Lightbody, Jesse Fleck, Mesdames Clifford Sorensen, E. C. Baumgarten and Victor Graf. Dinner at 6 o'clock will precede the games festivities which start promptly at 9 o'clock.

Rusts Entertain Gotham Visitor

Mrs. Lucky Kastner recently returned to New York City after visiting in the Pointe with Mr. and Mrs. David F. Rust, of Lincoln road, and her son-in-law and daughter, Mr. and Mrs. Wesley Graf, of the Alden Park Manor. Among the many parties honoring the interesting visitor was a dinner given by the Rusts and also by Mr. and Mrs. Harley J. Earl at the Country Club.

Mrs. Kastner will be leaving New York for Paris, her home before the war, as soon as transportation becomes available.

SIXTY YEARS OF LIGHT..

Just sixty years ago this week, electric lights winked on for a handful of Detroiters—eighty-nine, to be exact. Amid applause and excitement, four little generators in the Edison power plant at Washington Blvd. and State St. (which now houses Detroit Edison's downtown office) had begun to hum.

As overworked housewives cleaned the soot from kerosene lamp chimneys, they thought enviously of the new lamps. Off and on, they had been thinking of them ever since Thomas Edison invented the incandescent lamp seven years before. But, though some of these women might have foreseen a day when they could flood their homes with sunlight at the flip of a switch, they couldn't have dreamed of a time when lamps would purify the air they breathed or sterilize the food they cooked. And they would have been incredulous had they been told that electricity soon would be accomplishing a score of household chores.

Similarly, the husbands of these women, reading by flickering lamps about John L. Sullivan's latest battle, might have looked forward to a day of better lighting. It isn't likely, though, that many of them foresaw the growth of southeastern Michigan into a great industrial giant. How could they visualize vast factories lighted day and night by hundreds of thousands of fluorescent lamps?

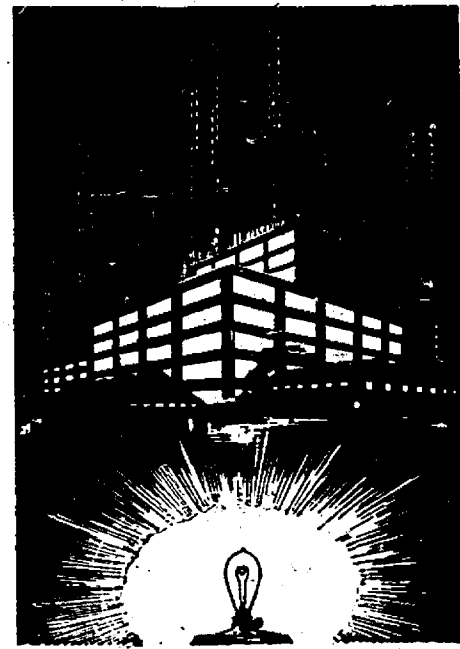

Yes, it was an historic event for Michigan. But the Edison Illuminating Company did not consider itself a public benefactor—bringing Edison's priceless gift of light to a darkened city. Far from it. It thought of itself as just another small business—it had little realization of its destiny.

The first bills were high. Many of those eighty-nine customers used their current recklessly, demonstrating their lamps to friends and playing with them as though they were toys. It was November, when the nights are long and the days are dark. And the rate was more than six times as much as you pay today.

As people saw the advantages that electricity had for them, they sought electric service. The business grew. With its growth, service improved and rates began to go down. They are still going down.

Today, more than 850,000 customers are served with light and power by Detroit Edison. Quite a contrast to the eighty-nine of sixty years ago.

(We had missed the boat!) ... COOPER WOOD, HOST

Every time we meet a member of the Grosse Pointe Club ... we ask about Cooper Wood ...

Because back in the days of our own early society reporting ... he figured in the news for the marvelous parties he gave the debs ... daughters of his friends ...

The parties at Grosse Pointe Yacht Club were super-colossal and marvelous for "copy" ... when Harve Lamont Smith was doing a masculine Elsa Maxwell for the club ...

Mrs. B. E. Hutchinson was the first Pointer we knew ... who was intensely interested in aviation ...

Her costumes were always worthy of mention ... and her presence at a party a sure sign that here was fun ...

BRIDES AND ROLLER SKATERS

Ruth DuCharme Schilling (Mrs. Don) ... impressed herself in our mind's pictures forever as a bride ... white satin and ermine ...

Mrs. Sandy Wiener ... will always be a roller skater to us ... for as a deb she did some mean Spring skating around the lanes of the Pointe ... usually accompanied by Mrs. Jonathan Latimer (Ellie Peabody) ... Mrs. Samuel H. Bell (Virginia Ford) ... Mrs. Arthur M. Buhl Jr. (Mary Gene Smith) ... etc. ...

And Mrs. Forman Johnston was first a Christmas Seal Girl to us ... for years she made sale history ... by the money her booth in the lobby of the Fort Shelby took in annually for the worthy cause ...

Grewe-Ruthven Wedding Sat.

Marilyn Ruth Grewe, daughter of Mr. and Mrs. Henry J. Grewe of East Outer drive, will become the bride of Dr. Robert N. Ruthven, son of Dr. and Mrs. Arthur Ruthven of Berkshire road, Grosse Pointe Park, on Saturday, November 16. The ceremony will be performed by the Rev. Enno C. Claus of Peace Church at 4 p.m.

Ruth Hooker will be the bride's only attendant and Hugh Ruthven will be his brother's best man. Robert Grewe and Dr. Anthony Szuba will be ushers.

Miss Grewe was graduated from the University of Michigan, where she was a Sigma Alpha Iota. The bridegroom-elect attended Alma College, the University of Michigan and the University of Detroit. He returned in June from two and half years in the Pacific with the Navy.

Following their wedding trip, the young couple will live on Barrington road.

... and what about those card fans? Did you know there is usually a crowd of pinochle fiends playing at the Club every night? Why not come over and meet the men or bring your crew over to start your own Pinochle Club?

Talking about cards—Would any of you women be interested in Bridge, either lessons or just the fun of playing? How about stopping in on calling Miss Pauline Masak at Niagara 4600 to make arrangements for the type of Card Activities you would like.

And please—if you have any suggestions or ideas for special classes or activities—we would like to know about them—please call the Club, Niagara 4600, and talk to Miss Masak about your ideas—!!!

FUN FOR THE GIRLS

We thought you girls, ages 6 and over, might be interested in some of the fun that is dished out at the Club. On Tuesday from 4 to 5 p.m., for girls from the ages of 6 to 12 years old, we have the "MYSTERY HOUR," and if you want to know about that you are invited to discover what the "MYSTERY" is from Week to Week!

On Tuesday evenings the Humorettes meet from 7:30 to 9 p.m. This is a Social Club for teen-age girls and you are invited to attend a few meetings and see how you like it. Their activities include jewelry making, handicraft, dances, and putting on plays.

On Wednesday afternoon from 4 to 5 p.m., the Junior Sports Club, made up of teen-age girls who like to participate in all seasonal sports. Sally Walker is their president.

On Thursday afternoon from 4 to 5 p.m. the Club offers Beginning and Intermediate Tap Dancing for girls who are 8 years old and over. Also the Camp Fire Girls are meeting on Thursday afternoon from 4 to 5 p.m. with Mrs. Higgins as their leader. This group is open to all girls 10 years old and over.

The G. P. A. C. of the Neighborhood Club is starting its Fall Season of Volley ball which will lead to Basketball. Any girls 17 years old or over who feel they would like to participate in the fun are invited to join the activities every Thursday night from 7:30 to 9 p.m.

Friday afternoons the Bluebirds, in other words the Junior Camp Fire Girls, meet from 4 p.m. to 5 p.m. with Mrs. Busch and Miss Marian Campbell as their leaders. This group is open to all girls 7 years old to 10 years old who would like to come.

Scout Auxiliary To Conduct Party

In order to raise funds to carry on the athletic and camping activities of Troop No. 147 of the Boy Scouts of America, the Ladies' Auxiliary will hold a card party in the George Defer gym on November 15.

Featured will be door prizes and a sales table for both scout handicraft and also the work of the ladies. Among the prizes will be crates of oranges shipped direct from the groves. The donor who will be in Florida agrees to ship at least two crates to two people and if more than 200 tickets are sold three crates will go to three people. There will be 12 other prizes of varied and interesting nature.

The sale will start at 7 p.m. Cards will start at 8 p.m. Tickets are available from ladies of the auxiliary who can be reached by phone, L.E. 8930 or T.U. 1-0428. Refreshments will be served.

The troop meets every Tuesday night in the George Defer gym and interested boys of Scout age are invited to attend and look the meetings over with a view of applying for membership in the troop. William Dumaux is the scout master and can be reached at the George Defer School during the day for any further information about the Troop work.

Louisa St. Clair Chapter Juniors Hold Meeting

A buffet luncheon will precede the first business meeting of the year of the Junior Department of the Louisa St. Clair Chapter, Daughters of the American Revolution on Monday, Nov. 11. Members gathered at noon at the home of Mrs. Robert O. Artner, 184 Kerby road, Grosse Pointe Farms.

Hostesses for the day included Mrs. Mary S. Ambrose, of Neff road; Mrs. Alex L. Waltenberger, of Cadieux road; Mrs. Allen P. Partlow, of Kensington road; Miss Ella R. Lyons, of East Jefferson avenue; Mrs. S. Wright Bellinger, of Grandville avenue and Mrs. David C. Miller, of Stratford road. Mrs. James W. Reid presided at the table centered with an arrangement of autumn chrysanthemums.

Mrs. Everett E. Ester collected Christmas gifts from the members for students of Crossnore School at Crossnore, N. C.

Dr. Crathern to Speak To New England Women

Dr. Alice T. Crathern, of the Wayne University Faculty, will be the guest speaker at the meeting of Detroit Colony, National Society of New England Women, Wednesday, November 20, at the Ingleside Club.

Her subject will be "New England's Contribution to Education for Women." She will be introduced by Mrs. Charles B. Warner, J., chairman for the day.

Mrs. Edward J. Savage, president, will conduct a board meeting at 11:30 o'clock, and the business session at 1:30 o'clock. Luncheon reservations must reach the chairman by Sunday.

Law Suit

rected towards the Village of Grosse Pointe Woods and Mrs. Edsel Ford, jointly.

Judge Noel has set next Tuesday, November 19, for a hearing on the restraining petition.

The purchase price of \$72,000 mentioned in some of the Detroit dailies is incorrect. The price was \$60,000, with the remaining \$12,000 of the bond issue of \$72,000 to be spent on the improvement of the property for park purposes, of which a large part is for the erection of a green barrier between it and the remaining Ford estate.

Visiting Housekeeper Tells Ways of Stretching Sugar

Aid for busy housewives is offered by the Visiting Housekeeper Association, a Red Feather service of the Community Chest. The Visiting Housekeeper's headquarters are at 51 W. Warren, but she'll call at your home to help solve your budgeting, cooking or other homemaking problems.

This week she offers readers of the Grosse Pointe News suggestions on making a little sugar go a long way. Such "saving ways" with sugar are particularly important these days, when you're hoarding those coupons in order to can vegetables and fruit for the coming winter.

The rule of four to one—at least four parts of canned fruit for each pound of sugar—used—will be followed again this year by thrifty home canners interested in putting up the most fruit of limited sugar supplies. Figuring by the jar, the rule provides an average of 1/4 cup of sugar to each quart jar. This makes a moderately thin sirup.

Use honey, if you wish, to replace as much as half the sugar called for in canning, and corn sirup can replace as much as one-third the sugar. Proportions suggested are: 2 cups fruit juice or water to 1 cup sugar, or 2/3 cup sugar and 1/2 cup corn sirup; or 1/2 cup sugar and 1/2 cup honey. Boil the ingredients together 5

Dominican High Alumnae Plan Reunion Breakfast

The Dominican High School Alumnae Association will hold its annual reunion breakfast after 10 o'clock Mass in the auditorium chapel, on November 17.

In charge of the arrangements are the newly-elected officers: Shirlee Stoll, Margaret Mary Lynch, Therese Davitt and Eleanor Shmid.

Ragan Lide Picks Committee Heads

Mrs. Archibald McKay, president of Ragan-Lide Auxiliary American Legion, has announced her appointments of committee chairman for the 1946-47 season.

Mrs. Fred Lindbloom will head the Child Welfare committee. Mrs. Frank Kunn is chairman of the Rehabilitation committee. Mrs. C. William Palmer heads the Americanism and National Defense groups.

Other committee chairmen include: Miss Dorothy Pudrith, Parliamentary and Legislative; Mrs. Ralph Roselle, Membership; Mrs. Ralph Boukmeier, War Activities; Mrs. Gordon MacEdward, Poppy; Mrs. Carl Stern, Community Service; Mrs. E. E. Wemp, Publication and National News; Mrs. Harold Aarons, Publicity; Mrs. Alfred Whittaker, Junior Activities; Mrs. C. William Palmer, Program; Mrs. Donald Melville, Social Activities; Mrs. Julius Huebner, Gold Star; Mrs. Heinrich Pickert, Fidac; Mrs. Alton T. Roberts, Finance and Ways and Means.

Nancy Joos to Model For College Magazine

Miss Nancy Joos, daughter of Mr. and Mrs. Herman Charles Joos, of 1148 Bishop road, has been chosen as a model for the collegiate magazine, Purple Parrot, at Northwestern University.

Nancy is a member of Alpha Phi sorority, and is a sophomore in the school of Journalism. She is a graduate of Sacred Heart Convent in Grosse Pointe, where she was captain of the hockey team and on the student governing board.

Southeastern Woman's Club to Meet Nov. 18

The Southeastern Woman's Club will meet in St. Mark's Methodist Church on November 18 at 11 o'clock for sewing under the direction of the social service committee. Mrs. Ray Williams, chairman, plans to continue the work of making cancer pads for the Cancer Society.

The regular business meeting will follow at 1:30 o'clock. Federation reports will be given. Hostesses will be Mrs. Edward Maio, Mrs. Janet Hubbard and Mrs. Leroy Sinclair.

Strength Proven at Polls, Veterans Plan Other Fights

Civic Improvement Association Will Battle for Housing, Traffic, Health, Recreation and Other Projects

Veterans of World War II are girding for battle again. This time it is a battle for better transportation and traffic conditions, for improved housing facilities, recreation and health centers, smoke and noise reduction, and many other worthwhile and needed civic projects.

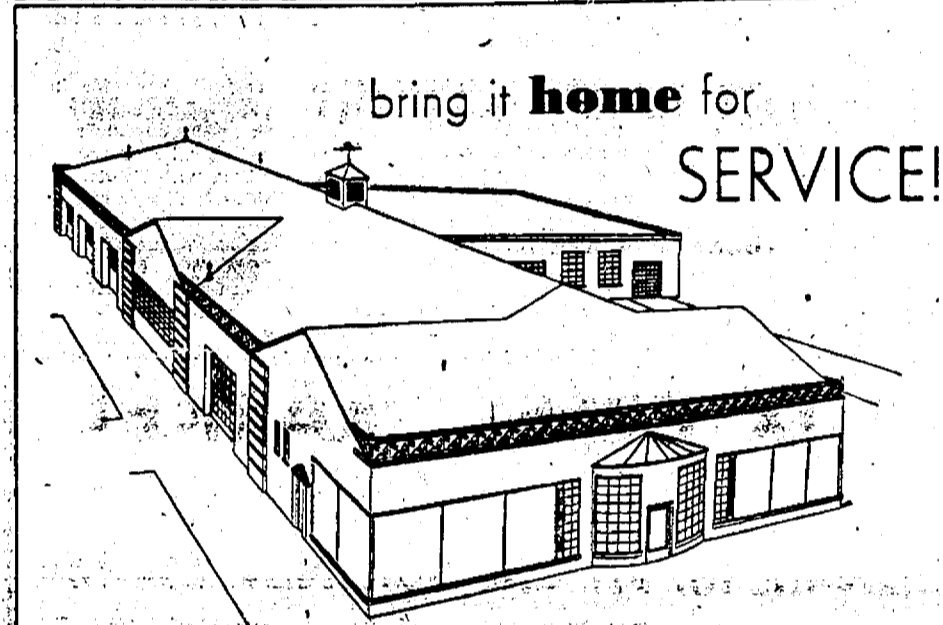

Having proved their strength at the polls on November 5, through election of many from their ranks, the war veterans are determined to continue their march against the foes of good government and community facilities throughout this area. They are rounding up both GI Joes and GI Janes to present a unified front.

The group will function as the Veterans Civic Improvement Association, with veterans of all ranks included. The association was instituted by George F. Trombley, Jr., member of two veterans organizations and active in numerous civic groups in the Detroit area. He has been particularly prominent in his militant fight for improvement in the public transportation system.

Garden Society Having Birthday

The Grosse Pointe and Eastern Michigan Horticultural Society will celebrate its 30th Anniversary with a Birthday Party and reunion of old and new members and friends of the society, on Thursday evening, November 14, at 7:30, in the Music Room at the Neighborhood Club, 17145 Waterloo at St. Clair, Grosse Pointe.

Each year since 1916 the society has staged its annual flower show and, in addition, done much for the betterment of horticulture through an extensive educational program.

The society was conceived on June 30, 1916 when a group of private estate gardeners met in the potting shed at the estate of Mrs. John S. Newberry, in Grosse Pointe Farms, for the purpose of forming an association.

Several other meetings followed and on November 21 a special meeting was called in the old Neighborhood Club on Oak street. The charter was received and by-laws adopted.

Tom Pearson is anniversary chairman. The committee includes Ben Nankervis, Walter T. Binning, Roy G. Berry, Stanley Davies, Frank Moulin and John Heslop.

Officers of the society this year are Kurt Werner, president; William T. Lutey, vice-president; William P. Thomas, secretary; David Maiden, treasurer.

Speakers for the evening include Ruth Mosher Place, George Elworthy, Vincent DePetris and Chairman Pearson.

Bracelet Lost By Mrs. Newberry

Loss of a valuable diamond bracelet was reported to Farms police on Wednesday by Mrs. Phelps Newberry of 110 Cloverly road.

Mrs. Newberry said the loss occurred on November 10. She had been working as a Nurse's Aid at Grace Hospital that day and lost the bracelet on her way home, sometime between 2:45 and 7 p.m.

The piece of jewelry could be used either as clips or a bracelet, but Mrs. Newberry was wearing it as a bracelet on the day she lost it. It contained 46 diamonds of various shapes and sizes and is valued at \$4,250.

Farms police have broadcast the loss on the teletype.

Michigan Apple Crop Best Ever

Michigan apple producers have prepared the Wolverine state for an entire winter of apple-eating pleasure.

Between seven and eight million bushels of the highest quality apples in history have been harvested, marketed and stored by Michigan producers this fall. Horticulture department officials at Michigan State College and M. E. Farley of the Michigan Apple Commission, say the quality of the crop has never been better.

High quality is credited to two things. First, the excellent control of worms and insects through the use of DDT. But of outstanding importance was the intense interest shown by the growers in spray and cultural programs that would produce a better product. Last year's short crop was also of inferior quality. So Michigan's apple producers were determined to do better for their consumers and a high quality crop is the result.

The International Apple Association has again set aside the week which includes Halloween as "Apple Week." Apples are rich in Vitamin A and Vitamin C, and are among the most healthful and economical fruits.

Michigan ordinarily ranks fifth or sixth among the high producing apple states in the United States. In the United States as a whole, the crop is about average this year and based on population will provide every person with three apples a week throughout the year.

While processors use many apples for canning purposes, there will be more fresh apples available to buyers in Michigan this year than in several years.

Mower to Give Talk On World Government

The address which Edgar Ansel Mower will give on "World Government" on Saturday, November 23, in Rackham Auditorium, is expected to attract many Pointers.

S. L. A. Marshall, Detroit News writer and colonel during the war, is to be chairman of the meeting, which will start at 8:30. The address is being sponsored by American United for World Government.

Library Friends To Meet Monday

On Monday evening, November 18, at 8:30 the Friends of the Grosse Pointe Public Library will have the fall meeting of the association. The speaker will be Dr. Alfred H. Whittaker, who will speak on the plans for the library.

There will be a reception following the meeting and all adults in the community are invited to attend.

Faculty Symphony To Give Concert

The Faculty Symphony Orchestra will present its first concert of the 1946-47 season on Wednesday, Nov. 20, at 8:30 o'clock at Music Hall.

The Faculty Symphony Orchestra is a non-profit organization, its personnel including 95 men and women. In addition to 55 teachers of instrumental music in the Detroit public schools, there are academic teachers and others of the school system, as well as 25 other outstanding professional and amateur musicians of the metropolitan area.

Among them is Sidney Rosen, of 1411 Bedford road, viola player. Walter Gleason, of 507 Bishop road, is chairman of the orchestra's associate membership committee.

Frank Sinatra Asks Help In Sister Kenny Fund Drive

Frank Sinatra has taken the leadership of the Youth Committee in the Third Annual Appeal for the Sister Kenny Foundation, opening Nov. 18, William G. Baxter, state administrator of the Michigan chapter of the Kenny Foundation, announced today.

Here is the invitation the famous "Voice" extends to the young people of Michigan to volunteer as active workers for the success of the campaign to raise \$2,000,000 and fight the dread scourge of infantile paralysis in the most effective way possible by making sure that ample funds are made available to train technicians in the Kenny methods at the foundation in Minneapolis as well as to have funds in the hands of local chapters to assist children who might not otherwise be able to receive the treatments.

"Hello, my young friends of Michigan. This is one program I do hope you stay tuned in on because it is one which I know will be of deep interest to all of you as it is to me.

"I am sure you will want to help in a program which will relieve suffering and bring joy into the lives of those thousands of youngsters who have become victims of this dread disease, polio, the thing you and I and millions of other Americans are going to

sock with all our might. "I want as many of you who possibly can, who enjoy swing music and dancing and doing all the things you and I like to do, to become active volunteers at once in this campaign. Register with your State chapter office at once, in charge of Billy Baxter, the Michigan administrator, and write to me in care of him, Post-office Box 2259, Detroit, Mich.

"Remember this: Sister Kenny's fight against infantile paralysis must succeed and we're the ones who can make it succeed. Get committees organized in your schools. The older folks are going to help us, but this is our fight, the fight of the younger generation of America to protect all kids everywhere in this grand country of ours.

"And also remember, I DO want to hear from you. I want

14 Pointe Students At Western Michigan

Fourteen students from Grosse Pointe are enrolled at Western Michigan College during the fall semester. Of this number, five are veterans.

PERSONAL APPEARANCES

No one would ever believe that ELLIE FORD is a grandmother when she wears that modern version of a Kate Greenway bonnet of black felt with the frou frou of small black plumes perched on the front. She wears it with a black dull crepe dress, trimmed with rosettes of grosgrain ribbon, and a double strand of pearls as a choker necklace adorns the plain round neckline.

ELIZABETH WHEAT wears a becoming blue costume composed of a teal blue woolen suit and a felt hat of the same shade, trimmed with quills of a lighter blue color.

Saw young EDNA SKELTON at a recent wedding togged out in a black taffeta short afternoon dress, wearing a black felt hat shaped something like a mushroom, but it didn't look like a mushroom on that cute face and that lovely hair. Everyone admires Edna's gallant spirit and she grows prettier every time I see her.

PILFERINGS

Did you ever hear the story of Urorbach, the Bulgarian-born Mayor of Marsailles? He fought with the French underground and when the Nazis came, he was arrested and condemned to death by the Gestapo. Two days before the execution a lady appeared at the Gestapo headquarters and asked for Urorbach. The Nazis told her that he was Jewish, had fought in the Resistance and would be shot. "Good, good," said the lady. "And I hope you tortured him." They assured her that he had been tortured. . . . She explained that Urorbach was the father of the child she was so obviously bearing, and asked only that he be further tortured by being forced to marry her. . . . The next day, she went off to be married, riding up front in the prison van bearing Urorbach. At a prearranged spot she shot and killed both Nazis riding with her, drove to the place where a British plane was waiting and flew with Urorbach, her husband, to London where, two hours later, their child was born.

Ruth Gordon, now writing and producing plays, was asked by Katherine Hepburn: "Is it true that you've retired from the stage?" Miss Gordon, who has been a stage star for many years, said that it was true. Miss Hepburn then told her: "I, too, am planning to retire." Miss Gordon asked: "Retire from what?"

Pointers of Interest

DOCTOR HUGH STALKER OF MIDDLESEX ROAD

By Olive H. Larned

Doctor Hugh Stalker began his collection of autographed letters, when he started in medicine in 1920. His interest in making such a collection was stimulated by his reading of the life of Edward Bok and his collection of autographed letters. Doctor Stalker decided to concentrate on the collecting of the letters of outstanding men in medicine.

He says that rarely can one buy an autographed letter as they are picked up by the medical schools and museums, so he decided to write to the men who have contributed the most to medicine during his life time, explaining his collection, and asking for an answer in longhand to a leading question. It is very rare when Doctor Stalker does not receive an answer. As a result he has about 400 letters and he has added newspaper clippings and photographs of the individuals to make a comprehensive collection, which is to be given to Harvard University.

The first letter that Doctor Stalker picked up was one of Pasteur's, and added to this good fortune, letters of Lister, Benjamin Rush, and James Putnam, who was considered the greatest medical doctor of that period. Doctor Stalker says that as far as medicine goes he probably did not know as much actual medicine as a third year student of today.

In addition he has a letter written in 1780, by John Hunter, who was the physician to King George the Third of England at the time of the Revolutionary War. There are letters signed with such famous names as Adams, Cabot, Bow-

made in the present day with psycho-somatic medicine.

In addition, Doctor Stalker has a most interesting collection of letters from writers, musicians and other artists. In fact he collects autographs of any one of note. Many of his books bear the author's signature and his musical scores the composer's autograph. Another story may be written on this subject at a later date as there is so much of interest in the Stalker home.

When Doctor Stalker was asked how he found time for all his interests in the midst of the busy life of a physician, he replied, "Curiously, it has been the layman's thought that a physician can have no interest other than medicine and still be a good physician, but if one studies the lives of the noted men in medicine one finds that their interests were many and varied. The secret of being able to do many things is to occupy every moment. There are so many, many moments wasted every day in the life of the average person and everyone could have a richer and better life if these moments were put to some use."

Doctor Stalker is a fine example of what can be done with those moments not spent in the actual pursuit of one's life work in that he is a musician, gardener, writer and collector, which not only gives him great pleasure but brings pleasure to others.

HI-LITES

By PAULA BEAUPRE

MARY FERRONE and DOLORIS BERGES shared the honors of hostess on Saturday when they gave a party for their friends at Mary's home. The cider "cocktails", pumpkin pie and ice cream appealed to all the hungry guests which included Pat Brown, Lenny Holinski, Cathie Burgess, Bob Schuns, Rosemary Auer, Jack Burgess, Mary Jane Schulte, Tom Brown, Mel Schoenherr, Kenny Van Wynberg, Helga Love, Bill Love, Betty Towel, Tom Ferner, and Jimmy Schoeherr.

A number of kids trekked over to Grosse Pointe High for the "HENS HOP" last Saturday night. Among the many, many merry-makers were Dolores Backman with Ray Evans, Nancy Stahl and Frank Burn, Marty Mauer and Bill Bybo, Joanne Athanson and Joe Mannino, Jo Mannino and Butch DeRoche.

JOAN OBEREM was in the spotlight this week-end when she was honored with two going-away parties. Before leaving for her new home in New York on Nov. 16, she was "guest of honor" at a gathering given by ANNE DUNGAN at her Rivard boulevard home on Saturday night.

Another get-together which came as a complete surprise to Joan was given by CLARA MEBUS on Friday night. The same groups of girls which included Judy Henneke, Gerry Kitchner, Mary Ann Burlingame, Carol Staub, Mary Lou Vernier and Nancy Downey were seen at both parties.

THE YOUTH CLUB DANCE summoned many more students this week. At the ping-pong tables we noticed Peggy Hyde, Eileen and Phyllis Moore, Johnny Clark, Mike Ferguson, Jack Auckland, Jim Iaw, Jane Lode-wyck, Chris West, Joan Schum-mer, Ralph Beaupre, Al Klem, Phil McGahey, George Heidt, Ray Allor, Bill and Bob Sharpe, Eleanor Allard, and Jack Boomer. Feasting on the potato chips and cokes at the refreshment counter were Bill Huettemann, Dodo Ardillo, Nancy Logue, Ted Vernier, Donna DuBeau, Rose-mary Wruble, Ronnie Reno, Bob Herman, Peggy Wortley, Josephine Camella, Chuck Tanner and Joyce Alet.

Another unique session was the one planned by JEANNE KULKA for some of her best friends on a Saturday night. A slumber party was the main event of the evening but before this took place, the girls were treated to dinner and then they took in a movie at the Punch. The guest list included Betty Ann Huettner, Mary Lou Thibodeau, Joanne Beaupre, and Alice Fauser who gossiped away until the wee hours of the morn.

The U. of D.-Villanova game attracted lots of football fans from S. P. H. Dolores, Mary Ann and Lonnie Backman, Fred Haley, Joan Mauer, Russ Holler, Pete Allard and Helen, Jean Schmidt were seen giving out with lusty cheers for U. of D.

The annual "ANNIVERSARY BALL" was held at Dominican High last Friday night. Some of the carefree couples who dated up for this big affair included Howie Meathe n' Carolyn Trapp, Mary Sparr and Al Campenhaut, Lee Schonith n' Marion DeSutter, Sally Curran with Bill McCarthy, Ralph DeCender n' Mary Smith, Sally Nacy with Tom Henry, Dolores Berges n' Bob Shuns, Bob McBride and Joanne Krein-brink, Don Simpson with Kay McDonald, Kenny Ames and Dodo Hollman.

G. P. H. S. was again the scene of the FLYERS' victory over the St. Bernard squad. The St. Paul "11" was cheered on to that final TD by Connie Curran, Tom Geist, Kay Sutherland, Theresa Lufty, Sally McKernan, Charles Boulk, Theresa Kerbrat, May Lou Backman, Barb Van Tiem, Joan Whyte, Joan LaBelle, Marilyn Otto, Rita Leithouser, Pat Trombley, Marilyn Mueller, and Nancy Bermann.

State officials and members of commissions and boards will use the plane to meet anywhere in the state with a minimum loss of time, Striffler said.

"It's really inexpensive to travel by air," he said. "We find that if a five or six-man commission decides to meet in the Upper Peninsula, it costs less if they travel by air."

The minimum cost of using the plane by state officials will be \$18, although a rate schedule has not yet been set up. Present state-owned planes cost department heads and other officials from six to 20 cents a mile for travel.

FENCE RIPPED APART Mrs. William J. Lynn, of 1404 Balfour, reported to the police that some time between 10:30 o'clock Friday night and 7 a.m. Saturday, some miscreants tore down a section of back fence and ripped off 12 pickets, two inches wide by four inches long, and scattered them in the middle of Charlevoix.

Questions and Answers Forum

By Barb Beranek and Mary Londes

Dear Barb: "What a week! Republicans, frizzy hair, and rain. That's too much for me to take in only one-fourth of a month. After all, I'm no genius and my capacity is limited."

As for the Republicans, I don't mind. If I did, there isn't much that could be done about it and besides, if it wasn't the Republicans it would be the Democrats and so, that's all there is to that. It's just a vicious circle, isn't it?

But, I'm a publicly spirited citizen and my solution to our political question is this: I'm all for the ants taking over. I pick the ants because this race is interested in our food problem. They are intelligent also, as I found out last spring on one of our picnics. The little devils knew just where to find the chocolate cake.

Frizzy hair is a state of being that I seldom (if ever) like to be in. For some reason, after washing one's hair, it (the hair) has a tendency to produce the appearance of a sprung spring. About all that can be done in such a situation is to lock one's self in the London Tower, or as alternate, one can always rent one's self out as an ad for the Fiji Islands.

"Rain, rain, go away. Come again some other day." That little saying suits me fine. Now, don't get me wrong. Actually, I like the rain. I think it's fine. I think it's nice! Nice on someone else's new hat, not mine. Why is it that whenever it rains, we always seem to have on the same pair of shoes that we had on the last time it drizzled? And, you wouldn't dare walk briskly because every strut in your stride means a counter-attack from the rear puddle.

A cloudburst is a darned good excuse for a ride in a taxicab, a gruesome murder, a day sleeping, and an excuse for not going to the dentist.

It invariably rains after the windows have had their monthly bath. More housewives have had conniptions after going through an experience such as that.

Then, we always have the man who forgets to water his lawn for several weeks, gets up one morning, decides he'll do it when he joyfully glances out of the window to see that nature has taken its course and so, he gleefully jumps back under the covers and waits for the next rain to make his decision to water his now by-gone grass.

Well, here's hoping next week's events won't be so stimulating as

to make my blood run, several temperatures.

As ever, Mary. P.S. By counting I just found out that we have only forty-one days 'til Christmas.

State Purchases Six-Place Plane

Officials who take over the state government on Jan. 1 will have modern means of transportation at their disposal.

The State Board of Aeronautics this week announced the purchase of a \$65,000 six-place Beechcraft aeroplane for \$28,000 from War Assets Administration.

The plane, now being reconditioned, will be delivered in 60 days, State Budget Director Fred C. Striffler said.

State officials and members of commissions and boards will use the plane to meet anywhere in the state with a minimum loss of time, Striffler said.

"It's really inexpensive to travel by air," he said. "We find that if a five or six-man commission decides to meet in the Upper Peninsula, it costs less if they travel by air."

The minimum cost of using the plane by state officials will be \$18, although a rate schedule has not yet been set up. Present state-owned planes cost department heads and other officials from six to 20 cents a mile for travel.

The FARMS MARKET wishes me to remind you that turkeys should be ordered now, so that you may be sure to have the size you wish, and that you may be sure of a turkey! To make sure that you have the aristocrats of cakes be sure that you get Charlotte Charles cakes. All of their delectable products are made from the original formulas used by the family of Count Drouot, the great General of Napoleon's army. Brandied fruit cakes, plum puddings and brandied sauces such as you've never tasted. The supply is limited so make sure that you have the perfect ending for your Thanksgiving dinner with a Charlotte Charles cake. There are many other Charlotte Charles delicacies and they come beautifully packaged and make big acceptable gifts. Be sure to look for the FARMS MARKET ad elsewhere in the paper if you're interested in getting some good buys; it's a sure thing!

For the unusual in gifts, go to HAYDON HOUSE—they don't have anything from soup to nuts, but they have everything to please you. If you don't like glass, don't read any further—if you do, you'll love the pyrex glass with bleached oak trim in the shape of coffee containers, which will hold from 6 to 20 cups—(Oscar Levant should have the 20 cup size and you should have it for a party), a tray holds a sugar and creamer to match and there are different sized pitchers for sauces; etc. For the what next department—a small table having a wrought iron base with a glass top, one side is flat for use as a table but the cute trick is that this may be turned over and it becomes an hors d'oeuvre platter. There are sea foam glass plates in all sizes, serving platters, sandwich trays etc. and even glass place mats, wouldn't do to pound on the table with these! There are many stunning lamps and one of these has a glass brick base with a duck design etched on it, and polished brass rolls out from each side to form book ends, it is topped with a white fabric shade. Imagine plate glass tables! Coffee tables, end tables, dining room tables, chairs and card tables. Don't imagine them, go and see them at HAYDON HOUSE.

YVONNE'S BEAUTY SALON takes justifiable pride in announcing that Mr. Don Pierno has been appointed a member of the Detroit Hair Design Council, in recognition of his outstanding artistic ability. This council is a unit of the National Hairdressers and Cosmetologists Association, Inc. He has been with YVONNE'S the past eight years and they tell me that this latest honor he has won has not changed the size of his hat! Congratulations to Mr. Pierno. Needless to say there are other excellent hair dressers in the shop (5) and two expert manicurists, who will be glad to hold your hands. For an appointment with beauty, call Tuxedo 2-9448 and go to the shop at 17028 Kercheval (across from York Jewelers).

Thanksgiving means so much in so many ways to all of us but we all share in the anticipation of the Thanksgiving meal. YORK JEWELERS (across from Yvonne's) have just what it takes to make a perfect setting for the festive board: Silver plated carving sets (the man of the house will enjoy using), composites for nuts and candies, smart salt and pepper sets (these will add spice to your life), platters and serving dishes of all sizes. There is a stunning silver plated platter, which would serve as a perfect background for the turkey for your family and it has covered vegetable dishes on each side. Someone had the smart idea of making a silver plated steam dish, with two covered vegetable dishes, and YORK JEWELERS had the smart idea of having it for you. When the dish is not needed as a steamer, it may be used as an extra vegetable dish. If you can have any of these beauties, you will have added cause for Thanksgiving.

TITUS DRUG STORE (located at the corner of Kercheval and Fisher; this information I give for the benefit of the newcomers to Grosse Pointe), but for the benefit of all Grosse Pointers, they have Parker 51 and Sheaffer lifetime pens—for \$12.50—\$15 and \$25. There are pencils to match from \$5 to \$15—these sets are very snappy looking with their gold caps and coats, and they make writing a pleasure. They make wonderful Christmas gifts for that person who "seems to have everything"—a man would like to keep one at home, and one at his office and a woman usually forgets to take her's from the desk, so she really needs an extra set for her purse. This applies to those who seem to have everything, but for those who seem not to, having such pens will go a long way towards everything, and you don't have to go under water to use them! but do go to TITUS DRUG STORE to get them.

THE KERCHEVAL-CADIEUX SERVICE STATION (located, guess where?) has invested in some new equipment which ought to interest you, as its use by you, would be a good investment. I do not pretend to understand the mechanics of the apparatus, but I do understand that it is used for lubrication—it makes the car ride as though it were on the road, so that every possible squeak or whistle will be heard and hence can be thoroughly oiled and heard no more. Even you and I can understand that this makes possible the best lubrication, so why not get it at the KERCHEVAL-CADIEUX SERVICE STATION?

Inspiring Armistice Day Address Given by Brucker

It was an inspiring and moving talk that former Governor Wilber M. Brucker gave as guest speaker at the Armistice Day meeting of the Grosse Pointe Rotary Club.

Mr. Brucker, who spoke from both the vantage point of large experience in public office, during which he served his state as Attorney General and as Governor, and also a young lieutenant in the armed forces abroad during World War I, developed as the main motif of his talk the individual responsibility which rests upon every American to do his individual and courageous part in helping his country face and solve the great problems which confront it now, and whose solution or neglect will have a determining influence on the future of America.

He said the boys who lie buried over in France would not wish an Armistice Day celebration to consist merely of the usual fulsome encomiums of their gallant part in that struggle, but rather as a day for rededication by those who survive them. That he believed should be the real underlying spirit of any Armistice Day observance.

He cited in detail what some of these responsibilities are. The organization of the Nation's finances so that a vast public debt may be handled in a just and honorable manner. That mutual respect shall be built up between capital and labor. That America shall be strong both physically and morally. All these were mentioned as objectives for the serious thinking American.

"And remember," he said, "you may be small and weak by yourself, but you become a mighty host when you are right."

"Truth is the beginning of wisdom," he quoted, "and it is with an armor of Truth that Americans must face the problem of today."

A resounding ovation was tendered the former Governor at the conclusion of his address, and the Star Spangled Banner, which terminates every Rotary meeting, was sung with a new zest.

Brown and Raisin Bread Recipes for Saturday Baking

By BETSY NEWMAN

SATURDAY is baking day, or used to be at our house. I don't know of anything that gives a feeling than food in the house for the weekend with some for leftovers, and baked goods in good supply, especially if she baked them with her own hands.

These times, it is hard to buy the materials with which to do a good day's baking, but we can at least turn out a pan, or so of rolls or loaves of bread. I'll give you some easy recipes for same.

Today's Menu
Baked Beans Tossed Green Salad Garden Spinach
Boston Brown Bread or Quick Bread
Fresh Berries Iced Tea

Boston Brown Bread
1 c. cornmeal ¼ tsp. baking soda
1 c. rye flour ¼ c. molasses
1 c. graham flour ¼ c. sour milk or flour
1 tsp. salt 1 ½ c. sweet milk
Mix and sift dry ingredients, except the graham flour; add that unsifted. Mix molasses and milk and add to the dry ingredients. Beat thoroughly and turn into well greased molds, filling each mold about two-thirds full. Cover and steam 3 hours. Remove the covers and bake the bread at medium heat (375 deg. F.) long enough to dry it off.

Quick Brown Bread
1 ½ c. flour 1/3 c. shortening
2 ½ tsp. soda 1 c. seedless raisins
1 ½ tsp. salt 2 well beaten eggs
1 c. fine dry bread crumbs or Anely 2 c. buttermilk
crushed graham or sour-milk ham crackers 1 c. molasses
Sift flour with baking soda and salt, mix in bread or cracker crumbs. Add shortening and blend it in as if for pastry; add raisins. Toss with dry ingredients. Beat eggs, add milk or buttermilk and molasses. Stir into dry ingredients, stirring until well blended. Turn into a greased oblong pan and six No. 2 cans, filling each one a little over half full.

Bake in a moderately hot oven, 400 deg. F., for about 20 minutes in oblong pan or bread pans, and about 5 minutes in cans. Use old bread as this is a good way to use every crumb.

Raisin Bread
2 c. cornmeal 1 ½ c. sour milk
1 c. graham flour 1 egg
1 tsp. salt ½ c. molasses
¼ tsp. soda 3 tbsp. baking powder
1 c. raisins

Mix and sift dry ingredients, except graham flour; add raisins and toss lightly together. Add other ingredients. Mix thoroughly and steam for 2 ½ hours.

Sports Underdog Port Huron Whips Devils Sports

Linesman's Decision Costs Pointers Winning Score

Serra Called Stopped on One-Inch Line When Official Blows Whistle Prematurely; Winners Gamble Wildly

By FRED RUNNELLS

The "we won't be beaten attitude" of the big red and white football team from Port Huron paid off big dividends last Saturday afternoon on the Grosse Pointe gridiron in the form of a 13 to 12 victory over the Blue Devils, who were favored to win by at least four touchdowns.

Trailing throughout the first three quarters, the Hurons threw caution to the four winds early in the fourth quarter and gambled on a fake kick on their own one inch line, where they had taken over on downs after the Blue Devils had failed in their bid for their third touchdown, and threw a long pass to midfield. McKay, Regional low hurdles champion, took the ball on the dead run at midfield, evaded one Blue Devil tackler, at the forty and picked up a blocker at the thirty-five; with a clear field ahead of him only Ed Isbey had an outside chance of catching him. Isbey successfully faked the blocker out of position and nailed McKay with a beautiful shoeing tackle on the Grosse Pointe twenty.

This bone-crushing tackle only temporarily halted the Hurons' touchdown drive. On the first play from scrimmage Washington, the only colored boy on the field and an exceptional competitor incidentally cracked over center and wiggled his way into the clear but again it was Isbey who stopped the Hurons' touchdown bid on the Blue Devils' one yard line.

The Hurons were not to be denied those tying six points and on the first down Washington flurried the center of the line to knot the score at 12 all.

Atkins' kick split the uprights for that all important extra point and what eventually proved to be the margin of victory.

Despite the fact the Blue Devils, with the exception of Ed Isbey, Earl Brabb and Nick Serra, fumed in their worst game and had their own followers tossing big RAZZBERRIES in their direction for their lackadaisical style of play, they were robbed of a touchdown late in the third period by the headlinesman, who after the game admitted he was a little hasty on the whistle when Serra attempted to score from the one yard line. He said Serra's forward motion was not completely stopped when he blew his whistle and he did cross the goal line but after the whistle was blown there was nothing he could do about it and put the ball in play on the one inch line.

It seemed like a comparatively easy task to push the ball into pay dirt as the Blue Devils still had two downs left. It was on the third down that Coach Wernet

Cabbies Cling To Loop Lead

Have Narrow Margin After Hat Cleaners Take Three Big Points Away

The Grosse Pointe Cabbies still hold on to first place in the East Side Post Office bowling league by the narrow margin of two points after being scalped for three points by the O.K. Hat Cleaners last week at the 20th Century alleys.

Bob Pollock and Don MacInnis, rolling 223 and 206, respectively, led the Jefferson Station up into second place in the standings as DeSantis dropped to third place after losing four points to Meyer Drug. Meyer Drug also moved into top honors for high three games with a 2719 count.

St. Clair Shores also captured four points from the Altes Lager team and took a firmer grip onto fifth place as Holzbaugh Ford remained in third place after defeating the Kercheval Clerks, 3 to 1.

Cleo Marceau spilled the maples to the tune of 224 for high single game of the night and helped the Wisler Studenbaker team annex three points from Welding Gas.

The Standings

Team	W	L
Grosse Pointe Cab.	28	12
Earl Jefferson Station	26	14
DeSantis Undertakers	24	16
Earl Holzbaugh Ford	23	17
St. Clair Shores	23	17
Meyer Drugs	22	18
O.K. Hat Cleaners	22	18

Fox Creek Meats	14	26
Kercheval Clerks	13	28

Independent Loop Still Scrambled

"Uneasy rests the head that wears the crown," as the old saying goes, and this is more truth than poetry as far as the members of the East Side Independent Bowling League are concerned. Each week since the beginning of the season the leaders have been rudely tumbled from the lead spot just when they figured they had a comfortable place in the spotlight.

Merle's became the victims of the first place "hot seat" when Jack's Service blanked them for four big points with Capt. Lester Bell scattering the "maples" for a nice 570 series to lead both teams.

Form-Rite snapped out of its slump long enough to trim Al Long Ford for three points with every man on the squad contributing a big share to the victory.

Only two teams in the league failed to win three points, Kercheval Machine and Abrasive & Supply splitting the four points between them.

Star Bar is gradually earning the name of "Giant Killers" after dumping the good teams for three points every time they meet one, its latest victim being Harper-Berkshire.

Jim's Bar won three from Hakim Bros., while Kubiak Jewelry, led by Jim Harrop's 590 series, took three from Kuryla Motors.

Whittier Cleaners won three from Town Pump Cafe and the S and M Bar defeated Springer Shoes, 3 to 1, while Dillon did the same to George's five.

Horn Fuel and Supply had trouble with the Falcon Recreation but finally won three out of the four points.

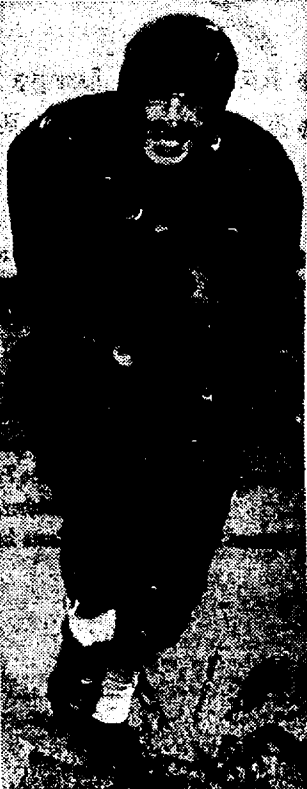

Twenty 200 or better games were rolled in this hot league, the highest being scored by Robert Doerfler and Don Seck, who tied for the honor with 225. Walter Skeich didn't have the highest game, but he did turn in games of 208 and 201 to become the most consistent kegler of the evening.

Whistle Stopped This Score

The above picture proves that FULLBACK NICK SERRA did cross Port Huron's goal line in the third quarter of the Port Huron-Grosse Pointe game last Saturday for the Pointers' third touchdown, which was nullified by the headlinesman's hasty whistle tootin' on the play. Player number 34 can be seen embracing Serra's foot, which is over the end zone turf, thus proving Blue Devil spectators' cries of "we wuz robbed" were well founded.

Scored One

FULLBACK NICK SERRA turned in his best game of the season for the Blue Devils when he scored two touchdowns. One was nullified by the head linesman's hasty whistle. He also reeled off some nice gains through the line until he was hurt late in the first half.

highest being scored by Robert Doerfler and Don Seck, who tied for the honor with 225. Walter Skeich didn't have the highest game, but he did turn in games of 208 and 201 to become the most consistent kegler of the evening.

Harmsworth Trophy Race Seems Certain for 1948

J. Lee Barrett, secretary of the Yachtsmen's Association of America, revealed last Saturday that Italy expects to make a challenge for the Harmsworth Trophy in 1948.

Prince Carlo Ruspolo, who was here with Count Theo. Rossi in 1939 for the Gold Cup races, visited with Barrett and said he was interested and said "we would hear from him."

It is also known that Douglas Van Patten is working on a hull for Ernie and Harold Wilson of Ingersoll, Ont., with his eye on the Harmsworth.

It was learned that Lorne Armstrong of Windsor expects to tune up his boat, Miss Windor, which he failed to get ready in time for this year's Gold Cup.

Robert Evans and Roy Fruehauff, Detroiters, have discussed quite seriously the possibility of readying boats for the Harmsworth if it is held here in 1948.

From England comes word that Sir Malcolm Campbell intends not only to try for the world's record for motor boats but intends to try and win the Harmsworth by the use of jet propulsion.

Barrett indicated that he "felt certain that the Royal Motor Yacht Club would not consider changing the rules in this regard."

Barrett said the question of jet propulsion was discussed at the international conference representing 26 nations in Brussels last month and it was agreed a special class should be created for the jet propelled boat and that did not include Harmsworth participation.

He pointed out that the rules are very simple.

"No limitation shall be placed on the form or description of the

motive power employed provided that the motive power is wholly mechanical and also provided that its propelling mechanism acts only in or against the water."

Dog's Foot Mangled By Spring Rat Trap

Residents on St. Clair between Maumee and St. Paul were disturbed by the distressed howlings of a dog in a vacant lot nearby. Investigation by the police disclosed a young male fox terrier who had got himself caught in a large sized spring rat trap that has been set in the lot.

They took the little fellow to the police station for treatment for his mangled foot and for care until reclaimed by his owner. He bore neither collar nor license.

No great statesmanship ever sprang from fear of public opinion.

Barrett said the question of jet propulsion was discussed at the international conference representing 26 nations in Brussels last month and it was agreed a special class should be created for the jet propelled boat and that did not include Harmsworth participation.

He pointed out that the rules are very simple.

Flyers Still Tie in Title Race in Parochial League

Boulevard Boys Whip St. Bernard Team, 12-6, to Stay in Battle for Class B East Side Division Honors

The St. Paul Flyers and St. Charles, current leaders tied for first place in the East Side Class B Division of the Parochial League, did little to clarify the situation when they both won their games last Sunday. St. Paul whipped St. Bernard 12 to 6, in an exciting game at the Grosse Pointe athletic field before a capacity crowd that stuck it out despite the weather.

Scoring once each in the second and fourth quarters the Flyers came off the victors in one of the best games to date. A pass from Bob Cucchi to Howie Meath netted the Flyers first touchdown on a beautiful run by Meath after snaring the pass. The pass and run covered 69 yards for the longest scoring play of the day.

St. Bernard came back strong in the third period to tie the score on a long sustained drive that carried it to the nine yard line where a fourth down pass connected in the end zone. St. Bernard tried a smash through the line for the extra point but the Flyers smothered the ball carrier for no gain to remain on even terms with their opponents.

The balance of the third period saw both teams battle into the other's territory but each was unable to score.

With less than a minute and a half remaining in the game the Flyers connected for their second

score of the day on Bob Cucchi's pass to Ray Huettelman near the goal line. Huettelman stepped off the remaining distance with little trouble to give his team the clincher. The extra point was missed but the Flyers knew there wasn't enough time for the boys in blue and white to pull that game out of the fire, so it didn't matter.

This brings the flashy St. Paul outfit down to the most crucial game of the season. St. Ambrise, the Flyers' arch rival, stands in the way of St. Paul grabbing at least a share of the East Side title. The Flyers must win this game to stay in the running. Of course there is a possibility that St. Charles may drop its last game and if this happens the Flyers can annex the title all alone.

If St. Charles also wins next Sunday this will necessitate a playoff game

Billiet's Team Captures Lead

Last week's results in the St. Paul's Men's Bowling League presented a "red hot" battle for first place with Billiet's team stealing the spotlight from the Furton team by one point to take over first place all alone.

Since the posting of last week's results the Billiet team margin over second place, which was annexed by the DeRiemacker team, this pushed Furton down to third place. Both the second and third place teams have won and lost the same number of games but DeRiemacker holds a one-point margin by virtue of total pins won on a previous night.

Although down in third place the Furton team still holds the

highest total pins for three games at 2684 and has the distinction of having rolled the high single game in the league with 998 pins.

School News

(Continued from Page 15)
been collected, one of the outdoor assemblies was held. A prize was awarded to each child who brought the most paper for his class. A grand prize was awarded to the building winner.

An Addition to Vernier School
There was a bit of excitement at Vernier School when several workmen appeared one day and began measuring and digging behind the school building.

After the first digging one boy said, "Hey kids, come here, we're going to have a tunnel!" Right he was, because plans have been made to build a 30 by 40 cinder block building and the tunnel will join it to the present building.

Now another question arises: Will it be finished by second semester? Nobody seems to be able to answer this question at present but everybody is hoping that it will be done.

The hustle and bustle continues and the children are checking each day to see how much progress has been made. "The part I really enjoyed," said one fourth grader, "was the day when all of us kids went out to watch the cement being made by the huge machine."

"Learning from another source besides books" is being put into practice at Vernier. The children will be allowed to go outside from time to time to watch this interesting project.

MASON SCHOOL
The children of Mason School have just completed their first Junior Red Cross activity under the sponsorship of V. Cleverdon. They filled their fall quota of Junior Red Cross Christmas gifts for children in devastated foreign countries.

There is a great need for educational and health supplies as well as clothing and food for children in all countries affected by World War II. Many gifts, such as toothbrushes, tooth paste, pocket combs, toilet soap, pads of paper, pencils, crayons, rubber balls, toy whistles, marbles, small trucks and tractors, hair ribbons, neck ties, socks, needles, thread, and many other small articles were brought to help fill the boxes.

These gifts will spread joy and understanding to many a small child on Christmas Day.

TROMBLY SCHOOL
"Opportunities To Be Friendly" was the theme of an assembly program presented by the 6B-1 class on October 11 in the Trombly School Auditorium.

To illustrate the theme, the 6B-1's staged four skits, each depicting an average school day incident and dramatizing both the negative and positive reactions of students in meeting opportunities to "help the other fellow."

"Gravity Calamity," a hallway scene, showed a girl losing her grip on her school supplies and desperately trying to reassemble them while school mates hurried past. Yes—a friendly neighbor stopped to help her.

"Come Out and Play With Me" illustrated several ways in which to invite other pupils to enjoy a game of pom-pom.

A third skit, "Turtle Love," portrayed a student loaded with books and his pet turtle trudging along to meet the morning bus. Several schoolmates by-passed him with words of cheer, but one finally volunteered to assist him. The final scene, "Barrel Dive," showed how four boys made certain that their class was properly

over-equipped to play baseball, having two bats and balls. Two of them had pangs of conscience and persuaded the others to share their ill-gotten equipment with the 5B class.

After a musical interlude the 6B-1 class unveiled their "Friendliness Charter." The charter was written as a code of friendly conduct and signed by all class members. Jean Kalivoda and Francis Furtaw explained how the class developed and wrote the charter

and asked the audience to be the judge at year's end "as to whether we (6B-1's) have grown to be friendlier boys and girls." The audience was also invited "to think and do about making Trombly a friendly school."

Margo Knoch, 5A-1, Merwyn Keys, 5B-3, Mary Hoover, 6B-2, and Ernest Nigg, 6A-1, pointed out ways in which their class would help in promoting a friendly school atmosphere. The entire 6B-1 class assisted

in writing and staging the program. The announcements and narratives were made by Sally Fisher and Patricia Sjoquist. Marilyn Maynard read the class charter after its unveiling. The program was an outcome of the

6B-1 study about "Friendliness" and was directed by F. J. Welchenbach, 6B-1 teacher.

The 2B and 2A children are learning many useful and helpful ideas from the red ant colony

they have in their room. The children brought in the queen ants and the workers. They feed them sugar and water. They are watching how ants all work together for the good of the group.

"More of Everything for Your Money!"
and here are a few of the reasons....

By bringing your Lincoln or Mercury home, where it really belongs, your car will receive the undivided attention of service specialists. These men know the answers to your service problems and take a personal interest in solving them. They know that their jobs and the reputation of this establishment—of which they are a part—depend on rendering you service that will satisfy you and bring you back again.

We recommend only such repairs as will relieve you of present day driving headaches and forestall any mechanical failures during the winter months. Only genuine Lincoln and Mercury parts are used. Right now we are specializing in winterizing, minor adjustments, major overhaul, bumping and painting. We also recommend our Porcelainizing service, which, if applied now, will save a paint job in the spring.

OPA PRICES STILL STAND

Classes of instruction, conducted by the service personnel of the Lincoln and Mercury service divisions, are being held regularly for the mechanics in our shop. These night classes cover every working unit of Lincolns and Mercurys.
