City Corporals Inspect Bikes

City Police Corporals George Brackx and Richard Clarke conducted a bicycle inspection at Maitre School on Thursday, May 30. With the assistance of principal Don Basset and the

teacher in charge of safety patrol boys, Dennis Hawhee, Corporals Brackx and Clarke were able to give approximately 400 bikes a once-over, checking for loose handlebars, broken pedals, licenses and inoperative brakes.

"Students whose bikes were found to be malfunctioning in any area were given a slip to take home to their parents, so the bike could be fixed," reported Corporal Brackx.

Two second graders won new bicycles, donated by the City of Grosse Pointe Police and Fire Association. The girls' bike went to Carol Higgins and the boys', to Judson Kotas.

Senior Citizen Programs in Woods

(Continued from Page 1) Mayor Pinkos participated at city hall.

At this session, a second development transpired. Irene Sutton, of Brys drive, was elected Commission chairman, while Andrew J. Campbell, of North Oxford road, and Catherine Brophy, of Vernier road, were elected vice-chairman and secretary, respectively.

Mrs. Sutton, a former organizer and director of the St. Clair Shores "Senior Cruisers" for 17 years, (where she planned and helped coordinate senior citizen activities and programs), discussed some immediate goals of the Commission.

Besides scheduling a Commission meeting for Thursday, June 20, at city hall, she hopes to have a general, organizational get-acquainted session for all Woods senior citizens Thursday, June 27. This will be held in the North High School cafeteria beginning at 1 p.m.

Mrs. Sutton hopes to have a specific calendar of events regarding programs and activities, e.g., a park picnic, over the next few months available at the meeting so residents will have a precise idea of future happenings. The mayor emphasized the city should do everything possible to increase senior citizen activities without interfering with the Commis-

sion, which, he noted, will supply the council with recommendations for the seniors' consideration from a program and legal standpoint.

Two main areas of consideration at this time center upon investigation of senior citizen housing possibilities and an exploration of various activities, the mayor said. A meeting place for the citizens on a regular basis also must be finalized.

For her part, Mrs. Sutton stated she would like to have a specific area set aside at the Lake Front Park where senior citizens would have comfortable seating and recreation equipment available. This is something she wants to discuss with Mayor Pinkos.

Mrs. Sutton commented she received a favorable response from those who read the May 30 article in the

NEWS which discussed new Commission appointments and her plans for various programs and activities, e.g., senior citizens contributing their talents and skills and providing a need for their services in the community, luncheons, cycling, arts and crafts projects, swim groups, et al. "People have told me this was long overdue," she added.

While certain plans are not yet finalized, the city and the Commission, which also includes R. E. Boyd, of Clairview court, Harold Lyndrup, of Roslyn road, Hedy Casel, of Hawthorne road, and Rose Blaskey, of Roslyn road, have laid a sound foundation. Thus, the promise of good things to come for Woods senior citizens, based upon the continued forthrightness and cooperation of everyone involved, appears brighter.

A shrewd financier extracts dividends from theories. Back community endeavors—make it a habit of pulling up on your end of the hitch.

Thwarts Bike Thieves

(Continued from Page 1) thieves had stolen the bikes at knife point.

The patrolman got out of the police car and ordered Carey and his friends to halt. The trio jumped off the bikes and began to run. Belanger gave chase on foot, and saw Carey toss the knife into the lake a short distance from the theft scene.

Belanger, a fast runner, while in pursuit, called on his portable walkie-talkie for assistance. He stopped Carey and the juveniles at Lakeshore and Kerby, and seconds later Patrolman John Kraiza arrived to help.

Belanger had stopped the three before they were able to get into a car, in which sat the girl and a 13-year-old boy. The vehicle was parked on Kerby. The stolen bikes were recovered in front of 361 Lakeshore. Carey and the four juveniles were placed under arrest and taken to the station.

The six white boys were requested to go to the station to give their report of the incident, and the three whose bikes had been taken signed complaints against the thieves.

The Farms authorities contacted Shores Police Chief

Joseph Vitale to ask his assistance by sending one of his trained scuba divers to the location where Carey had tossed the knife. The chief assigned Patrolman John Frasard to do the job and offered any other assistance needed.

At the scene, Frasard went into the water and recovered the knife 10 feet out into the lake from the breakwall. The knife had an eight-inch blade and a wooden handle, and three 3/4 inch blades folded in the handle. Chief Vitale and Frasard were extended the thanks of the Farms police for their cooperation.

The five blacks were released to Farms Det. Joseph Miller and Earl Field for questioning and further investigation. It was learned that Carey had been arrested by officers of Detroit's Fifteenth Precinct, Conner Station, for car theft, on a previous occasion.

The girl and the boy who were in the car, were released to their parents. The other juveniles were turned over to Youth Service Division Agents Wayne Baum and John Kendall, after Miller obtained commitment papers to have them placed in the Wayne County Youth Home, pending a hearing before Juvenile Court authorities.

Field said he obtained two robbery armed and two larceny warrants, approved by Assistant Wayne County Prosecutor John L. Quaine, against Carey. He said this was because two of the victims owned their bikes, and the third was using his sister's two wheeler. The owners signed formal complaints against Carey, hence, since they were the owners and the accused man had threatened them with a weapon, two separate warrants for robbery armed and two for larceny, were obtained.

"I wish to thank Chief Vitale and Officer Frasard for their cooperation in this matter," said Farms Police Chief Robert Ferber. "Their help in recovering the knife used in the robbery-larceny was a big factor in our case."

Pleads Guilty To B-E Charge

Woods police received information last week that a 28-year-old Detroit man pled guilty to the breaking and entering of a building other than an occupied dwelling in Wayne County Circuit Court.

Detective Everett Plumb reported that Stefan Chabrowski could receive a maximum of 10 years in prison on this charge. His scheduled sentencing date is Tuesday, July 23. Chabrowski was reportedly involved in the burglary of a Newcastle road residence on Friday, March 22.

(Continued from Page 1) name," Mr. MacArthur commented, "it was also difficult to read the writing."

Mr. Semmler also received a report that a call had been received at the Trombly precinct to place his name above the write-in slot. Mr. MacArthur interviewed the election volunteers and they said that no such call had been received.

The new trustee, John Bruce, will begin his four-year term on Monday, July 1.

Errant Youth Treated Nicely

A 16-year-old Woods juvenile pled guilty to a charge of breaking and entering of an occupied dwelling in Wayne County Juvenile Court Tuesday, June 4. This plea stemmed from his involvement in burglarizing a Putnam place home on March 13.

The court placed him on probation for this offense, reported Youth Service Division Detective Michael Ferrence.

However, the detective reported a burglary charge against the juvenile for his alleged involvement in a Crescent lane break-in in January was dismissed. And he added the court didn't act on a petition charging the youth with unlawfully driving away an automobile, stemming from an incident on April 21-22.

This same juvenile was warned and released on a charge of breaking and entering on Wednesday, May 8, in Juvenile Court. That stemmed from his involvement in several Woods burglaries last November.

Mr. Kingwell also received the "Sparkplug of the Year" award for his contributions to the organization, while Jim Pattee won the "Spoke of the Year" honor.

Waging War Against Bicycle Thieves

(Continued from Page 1)
by Youth Service Division officers.
Two Others Nabbed
City police arrested two other suspects, Samuel Douglas Edwards 17, of 14119 Chandler Park drive, Detroit, and James Russell Murray, 17, of 5912 Berkshire, Detroit, in connection with the theft of two bikes at Maire School on Friday, May 17.

They are scheduled to appear before Judge Denis on Tuesday, June 18.
According to a police report of that incident, Officers John Drummond and Dennis Van Dale received a radio call to proceed to Maire. Witnesses there had seen two young men remove a pair of bikes from the rack outside the school building.

The officers were unable to locate any suspects in the immediate area, but they then heard over police radio a report of two males loading a bike into the trunk of a car at Harvard and Charlevoix. Soon after, they received another dispatch informing them the pair they sought were in the parking lot opposite Kresge's in the Village, loading another bike into the car.

Check Car Ownership
By checking the license number of the car being used, a 1968 gold-green Pontiac, officers traced the vehicle to its owner and went to the Berkshire address of James Murray. While waiting for the pair to show up there, Officer Drummond entered the garage and found it contained numerous bicycles.

The suspects pulled into the driveway as Officer Drummond was still checking out the garage and Officer Van Dale drove in behind them.

Murray and Edwards did not have either of the bicycles with them but a pair of 24 inch bolt cutters were found under the front seat of

the car.
Get Other Suspect
Later the same day, according to the report, one of the youths said the bikes had been dropped off in the area of Mack and Coplin and he indicated a third party had been involved in the heist. At approximately 5 p.m., Officer Ed Miller apprehended the suspect who was subsequently turned over to juvenile authorities.

Chief Teetaert maintains that his men are keeping a sharp lookout for bike thieves and "officers have been catching them." City patrolmen will periodically stop a rider to request he show some sort of proof of ownership for the vehicle.

It's understandable that such steps are being taken. Since January 1, approximately 42 instances of bike theft have been reported to City police. Some of these cases involve the taking of

more than one bike, and, from time to time, police have received complaints of stolen bicycle parts.

City larceny figures point out the majority of these vehicles are stolen from residents' garages, though other popular spots include the Village, the Neighborhood Club and school grounds. As might be expected, the number of stolen bikes has increased with the approach of summer. The first complaint was registered on January 26, but statistics for April and May show most bike thefts so far have occurred during these months.

Obviously, there are precautions residents should heed if they want to hold onto their bikes. City police, though, are taking their own preventive measures. "I'm sick and tired of this," Chief Teetaert stated "and we're lowering the boom on bike thieves."

Lake St. Clair Mishap

(Continued from Page 1)
lines to the sunken car and it was pulled out of the lake.

Dr. Feller's body was removed from the car and taken to Cottage Hospital by Farms Fire Department personnel in their ambulance. The doctor was pronounced dead on arrival.

Farms Police Chief Robert Ferber expressed apprecia-

tion to all who participated in the rescue attempt and voiced his regret that the incident resulted in the death of an individual.

He extended his thanks to Shores Police Chief Joseph Vitale for his cooperation in dispatching his divers to the scene of the tragedy.

More Such Cases
Chief Vitale said his trained divers are available to assist any area law enforcement agency. He also had this to say:

"The training of divers was a timely thing. It seems that there is an increasing number of cars going into Lake St. Clair. The number has risen in the last few years.

"Since last November 2, there have been three such incidents occurring, two within our community, and now the latest tragedy in the Farms."

Suspect to Face Circuit Court

A Warren man, who's charged with assault with intent to rob, armed, has been bound over to Wayne County Circuit Court for trial.

This action was taken at the Wednesday, June 5, examination of Carl Jarson, 19, before Woods Municipal Judge J. Patrick Denis. Jarson's arraignment date in Circuit Court is scheduled for Thursday, June 20, police reported.

Two other Warren men, Buele Scott, 22, and Carlos Wayne Biggs, 18, who are charged with the same offense, will be arraigned in Circuit Court Thursday, June 13.

The trio are allegedly involved in picking up a 21-year-old Woods' man, who was hitch-hiking, holding a knife to his throat and striking him in an apparent robbery attempt. This incident occurred early Sunday morning, May 5, in The Woods.

Detroit police nabbed the suspects, who included another Warren man who's not being charged in The Woods, a short time later.

APPOINTED

The Michigan Savings and Loan Association has announced the appointment of Edward R. Padala, of Lincoln road, as its first president and chief executive officer. Prior to joining Michigan Savings and Loan, Mr. Padala was executive vice-president of Peoples Federal Savings and Loan Association of Detroit. He held positions on the mortgage underwriting, property appraisal, and investment committees, and was vice-president of the association's service corporation subsidiary.

Pharmacy Footnotes

THE PARK PHARMACY
Acne is a skin disorder which is common among young people. It's really an infection which involves glands and pores in the skin. The pores enlarge and collect secretions from the glands which then become infected. Emotional disturbances, greasy foods, poorly balanced diet, inadequate sleep, lack of exercise, fresh air and sunshine, cause more skin problems. Cases of acne should be treated by a dermatologist. Modern techniques often make it possible to control or eliminate these disorders.

ULS Hopes to Complete Rink Enclosure by Oct. 9

By Roger A. Waha

"We have received the authority of the Board of Trustees to proceed, (with enclosing the McCann Ice Rink), and have made contacts with the architect, (Rossetti Associates, Incorporated), the contractor and steel suppliers," said University Liggett Headmaster Raymond P. Robbins.

"We have received assurances that the project can be completed around October 9," he stated. The estimated cost of the project is \$300,000, including appropriate landscaping and brick facing. "We have raised \$200,000 from two donors who wish to remain anonymous and we will try to raise the other \$100,000 within the next two weeks."

The project will be financed by the school raising funds through donations.

The Woods Planning Commission in a 4-3 vote gave ULS its approval to enclose the rink located on school grounds after a public hearing at the regular meeting Tuesday evening, May 28.

In the motion of approval, it was stipulated that certain restrictions in a letter from Mr. Robbins be recorded in a chain of title, as part of the deed, and that the maximum seating capacity be limited to 200 persons.

Jewelry Taken In Woods B-E

A woman's gold ring with 13 diamonds and 13 sapphires and a woman's platinum solitaire diamond ring, both of unknown value, were taken during the burglary of a Roslyn road home sometime between 8:30 p.m. Saturday, June 1, and 1:30 a.m. Sunday, June 2.

The resident told Woods Officer Thomas Podewsk other items discovered missing include a General Electric AM-FM eight track tape unit with two extension speakers, two 13-inch Panasonic color television sets, a digital clock radio and a credit card.

Entry was gained via an open screened porch off the kitchen as the culprits pried open the screen of a kitchen window.

SEMTA Gets Grant for Buses

The Department of Transportation in Washington, D.C., announced last week the largest single capital grant application awarded to the Southeastern Michigan Transportation Authority, (SEMTA), region. The amount is \$7,981,040 which will be used to purchase 182 new buses and 40 bus shelters.

In a news release, SEMTA General Manager Thomas Lipscomb said he was very pleased by this action. "The receipt of these buses will make a significant improvement in the quality of bus travel throughout the region."

"Of the total number of buses," he continued, "the majority will go to the DSR to replace buses that are now over 15 years old. The remainder will be distributed in suburban areas as replacement buses."

"The 40 shelters will be distributed on a 50-50 basis between the suburbs and Detroit."

The NEWS contacted Daniel D. Morrill, assistant operations manager, to find out how many buses will join the Lake Shore division, which serves The Pointe area, and when.

Mr. Morrill stated it was hard to say, specifically, how many buses will go to the Lake Shore line. "We're basically replacing older equipment. We're thinking in the range of 12 buses in the combined Lake Shore-Roseville operation and hope to have them on the road in around 12 months," he said.

"We also have received funding for shelter facilities and are working with the Grosse Pointe communities and the SEMTA Advisory Board," continued Mr. Morrill.

The Authority, which wants to locate the shelters geographically, is working closely with local cities regarding the precise placement of shelters. "We want to locate them where the largest rider concentrations occur," he said, while citing an example of The Park-Detroit city limits on East Jefferson.

Mr. Morrill added plans for the shelters are being worked upon by the SEMTA staff and local city managers.

The Authority must now receive three bids from bus manufacturers. In accordance with federal regulations, the purchase contract will be awarded to the lowest bidder.

CFE Initiates School Awards

Grosse Pointe Citizens for Education has started an awards program to honor students for outstanding contributions to the school and the community.

Because the program is being introduced this year, the board of directors of Citizens for Education decided to present the awards in the elementary schools only, with plans to expand it to include all middle and high schools next spring.

Thomas Candler, chairman of the Awards Committee, contacted all 10 of the elementary schools. Adult advisors of the various activities and the school principal determined the recipients at each school.

There are two categories of awards: the Meritorious Award for outstanding service to school and community and the Certificate of Commendation for service to school and community.

The following schools presented the awards: Barnes School, 12 Meritorious Awards; Defer School, five Awards; Ferry School, 10 Awards and 30 Certificates; Mair School, 10 Awards and 25 Certificates; Mason School, 24 Awards and 24 Certificates; Richard School, 80 Awards and 15 Certificates; and Trombly School, 13 Awards and 44 Certificates.

The remaining three elementary schools, Kerby, Monteith and Poupart, had already made other arrangements to honor their outstanding students.

place winner among fourth year students and Ernest Motte as first place winner in the third year category.
All the world expects of a graduate student is that he has learned how to learn.

Carolyn DeLuca of the Grosse Pointe Swim Club placed in five events in the United States National AAU Masters Swimming Championships Friday - Saturday, May 17-18, in Fort Lauderdale, Fla.

Angie DeLuca was eighth in the 100-yard butterfly, while Tim Kennary was seventh in the 100 backstroke and eighth in the 200 back. Jack Shook, the fourth team member, didn't place in the two events he entered.

Bedroom Burns in Shores Fire

A fire which originated in a second story bedroom of a Shores home, caused heavy heat and smoke damage to the room Saturday morning, June 8. Firefighters reported there were no injuries.

An automatic alarm indicated the fire at the home of Robert Vlasic, 33 South Deeplands, and firefighters immediately sped to the scene. Heavy smoke was pouring

from numerous second story locations. A chair, engulfed in flames and which had been partially extinguished by the resident, was thrust from the window and doused with water.

An investigation revealed there was no further extension of the fire outside the bedroom. Firefighters said the blaze was apparently started by a misplaced lighted cigarette.

Mr. Vlasic told the officers his son William, 19, was awakened by the blaze and attempted to extinguish it when the dwelling's fire alarm system activated. Mr. Vlasic utilized a home fire extinguisher to contain it prior to the arrival of the firefighters.

Personnel at the scene included Sergeant Charles Wleureich, Fire Marshal, Officers Harry Hamilton, Gary Mitchell, Robert Bensinger, John Trevelan, along with Harry McColm, Stanley Verrier and Frank McWhirter.

Escapes Serious Injury In Carnival Accident

A 16-year-old Shores girl was struck in the head by a steel pin which toppled from the framework of a "Sky Diver" ride at the University Liggett Carnival Friday evening, June 7, Woods police reported.

Linda Milock was taken to Carnival police headquarters where an arriving ambulance rushed her to Saint John Hospital. The hospital reported Miss Milock was treated for lacerations of the scalp and released after receiving a few stitches.

Following the injury to the girl, police attempted to determine how the accident occurred. She was struck by the steel pin which is used to separate and secure the cars on the "Sky Diver" ride, officers said.

The pin is a retaining device which is held in place by the insertion of a safety pin through the hole in the end of the steel pin. Police felt the pin had loosened either by the shearing of the safety pin, the dislodgement of the safety pin or the failure to use the safety pin.

As soon as the steel pin fell out, it was immediately replaced by Chester Gombosi, ride foreman, with the "Sky Diver" being out of service only for a short time. Officers then made a visual inspection of the rest of the pins and all appeared to be properly placed.

Joseph Cobane, ULS representative, inquired about the safety of the ride and was told by Robert Reed, show owner, that he had personally inspected the ride after the accident and found it to be in a safe operating condition, police noted. Mr. Gombosi added the pins occasionally work loose.

Officers talked with Joseph Petri, who assisted Mr. Gombosi in the seating of passengers. Mr. Petri told police he saw the pin fall and hit the girl. He immediately ran to her aid and carried her to Carnival headquarters. Mr. Petri was assisted by Officer Paul Crook at that time.

Chief Beaupre Set to Retire

Farms Fire Chief Michael Beaupre announced his retirement effective on his birthday, July 9. He will be 55 years old and will have served 28 years with the department.

The chief, who is very popular with his firefighting colleagues and with the Farms city administration, was appointed a pipeman on July 15, 1946, two years after marrying the former Eileen Harris of the Pointe. The couple are the parents of four grown children.

Chief Beaupre was born in the Farms and is a 1937 graduate of St. Paul High School. He is a veteran of World War II, serving five years with the 210th Anti-Aircraft Artillery of the U. S. Army, of which 25 months were spent in the Aleutian Islands, Alaska. He was honorably discharged in 1945 with the rank of staff sergeant.

On December 1, 1958, he was promoted a lieutenant in the Fire Department; and on July 1, 1967, was made captain and second in command.

On December 16, 1969, he was appointed fire chief by City Manager Andrew Bremer, Jr., with the approval of the city council, succeeding the late M. William Mason, who had retired after more than 40 years of service to the community, the last 15 years as head of the department.

The chief and Mrs. Beaupre plan to move to Goetzville, Mich., where he will help manage an all-year-around resort, of which he is part owner. Goetzville is in the Upper Peninsula.

He considers the highlight of his career, the purchase of a 1972 pumper fire truck and a 1973 aerial ladder truck, the latest and, considered the best, in firefighting equipment today. The Farms, with these trucks, has the finest fire-fighting equipment of any community its size, the chief stressed.

Cyclists Plan Two Excursions

The Cadieux Easy Riders Touring Club has scheduled bicycle trips for Saturday, June 15, and Sunday, June 16.

On the 15th, cyclists will visit Stoney Creek and meet at 10 a.m. at the Oakgrove picnic area. "Buff" Linclau is road captain for this trip.

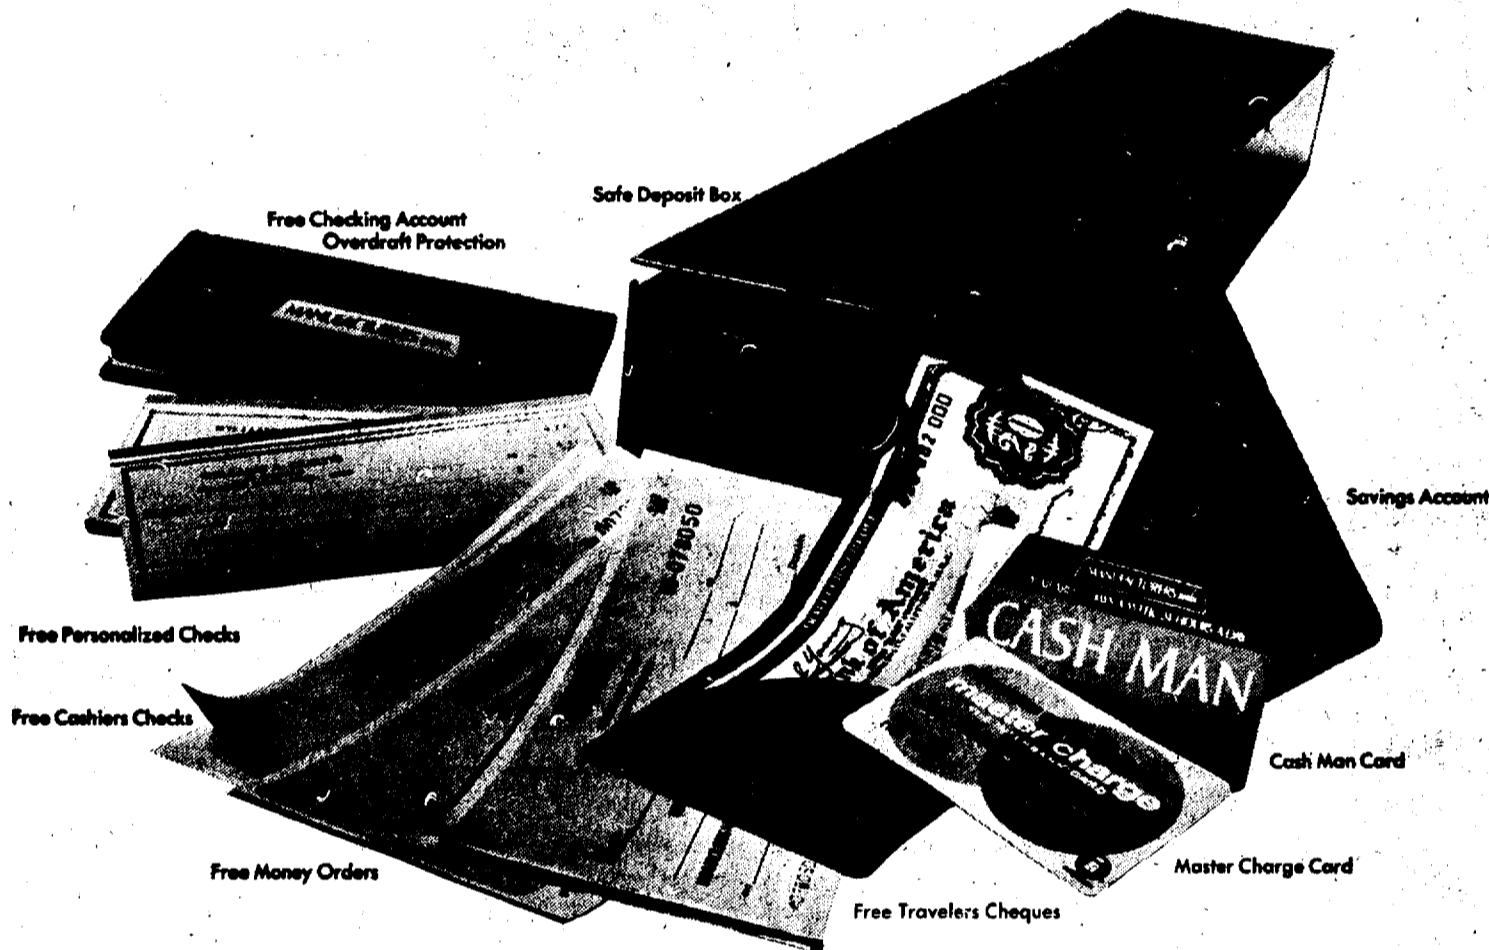

Then, it's an Old Glories Race on the 16th. Riders will meet at Chandler Park at 8 a.m. to view its members challenging other cyclists in a race. This race consists of the "pros" of yester-year who think they can still turn a "mean wheel."

Ford to Head Campaign Unit

John B. Ford, III, of Lakeshore road, will head the United Foundation's Advance Gifts campaign for the 1974 Torch Drive.

The Advance Gifts unit volunteers solicit contributions on a peer-to-peer basis and approach trusts and foundations for gifts, according to Mr. Ford. Last year the unit raised more than \$1 million.

Assisting Mr. Ford as group chairman are Mrs. Robert Hydon, of Washington road, and Carlton M. Hightle, Jr., of Kenwood road.

The Advance Gifts unit, as the name implies, gets underway weeks before the Torch Drive kicks off and completes its work in the latter part of October.

This year's Torch Drive campaign officially begins October 15 and ends November 7 to raise operating funds for nearly 140 health and community service agencies in the tri-county area.

Last year, more than \$35 million was raised for these causes.

Park Burglars Are Sentenced

Three Detroit teenagers, arrested on a charge of burglary, larceny and vandalism of a Park home last February 18, were sentenced to varied terms of probation and imprisonment by Circuit Judge Nathan Kaufman on Thursday, May 30.

Lt. Gordon Duncan said that information was received on Monday, June 3, that the trio had pled guilty to a lesser charge, that of dwelling with intent to commit larceny.

Donald Stasbets, 18, of 2526 Drexel, who faced charges in a Detroit burglary, received the stiffest sentence, 13 months to 10 years in Jackson Prison.

Judge Kaufman also sentenced Norman Lee Hogue, 20, of 2324 Drexel, to two years probation with the first 60 days to be served in The Detroit House of Correction (DeHoCo); and Michael Patrick Seeback, 17, of 2555 Drexel, to three years probation, with the first 75 days to be spent in DeHoCo.

A juvenile who was with the three Detroiters when arrested by Park police on the February date, was referred to Juvenile Court authorities for disposition in his case. The outcome regarding the juvenile was not disclosed.

The foursome were arrested following long hours of investigation and questioning of suspects by officers of the Detective Bureau, Lt. Duncan said.

Watercolors Depict Pointe

Watercolorist Davis Gray has been selected by Manufacturers National Bank of Detroit to do a series of paintings of Grosse Pointe and St. Clair Shores.

A limited edition of individually hand-colored prints of the paintings, created by the same technique used for Currier and Ives prints 100 years ago, will be given away and sold by the bank as part of the opening festivities for Manufacturers Bank's new Mack-Bry's Office in The Woods.

The series includes scenes of Grosse Pointe South High School, the marinas of St. Clair Shores, the Grosse Pointe War Memorial, Rose Terrace, and Lake St. Clair seen from water's edge with the Grosse Pointe Yacht Club in the distance.

Mr. Gray, a graduate of Dartmouth College, studied under Paul Sample. While at the Pennsylvania Academy of Fine Arts he was recognized for his work in many exhibits there. He has also exhibited in the Waverly Gallery, the Wickersham Gallery and the Juster Gallery.

Neil C. Otto is branch officer. The opening celebration will run two weeks beginning Monday, June 17, and will include special exhibits in the lobby.

Nab Foursome For Larceny

Woods and Shores officers combined to nab a 33-year-old Akron, O., man and three Detroit juveniles for larceny on Sunday afternoon, June 9.

While on patrol, Woods Officer Bruce Marone received information to be on the lookout for a Ford station wagon which was being chased by a citizen, who believed the occupants had stolen a bicycle.

After being told the car was stopped at Vernier road and Lakeshore by Shores Officers Harry Hamilton and Ronald Klotz, Officer Marone discovered a 10-speed Schwinn bike, which was registered to a Van K. drive citizen, inside the vehicle. The resident was then contacted and said the bicycle had been stolen.

The Ohioan, William Earl Confere, and juveniles, two 15-year-olds and one 16-year-old, were taken to the station. Confere was issued the larceny violation, posted a \$100 bond and is scheduled to appear in court Wednesday, July 17.

Police said the juveniles, who are scheduled to be contacted by the Youth Service Division, (YSD), were released to their parents.

Borrowing trouble is bad enough, but lending it to your neighbors is much worse.

GP Farms Police Bicycle Auction Sale Nets \$1,450

Farms police had 43 unclaimed bicycles to auction off to the highest bidder on Saturday, June 1, but one owner claimed his just before the sale began. The 42 remaining bikes netted the city treasury a total of \$1,450. The public auction sale of the unclaimed bikes was held in the police station garage, it was disclosed by Lt. Ignatious Backman, and bids ranged from 50 cents for a tricycle to \$156 for a nearly new 10-speed Schwinn racer. The lieutenant was the auctioneer.

He said that the bicycles had been accumulating for the past 14 months, and that every effort had been made to locate the owners. However, since none of the two wheelers had licenses, or recordings of their serial numbers, the owners could not be found. Every bicycle brought into the station is kept in the maintenance room of the garage, and tele-phones are sent over the Law Enforcement Information Network (LEIN), and to area law enforcement agencies to determine if they were reported stolen.

Lt. Backman said that none of the two-wheelers, or the tricycle, were on the stolen list, and during the months they were held, no one came to the station to claim them.

It reached a point, the lieutenant said, when the items had to be auctioned off to clear the maintenance room. Eager bidders came from all over the local area.

Before the bicycles were offered for sale, the lieutenant reminded the people that all cities have ordinances that require bicycles be licensed, and that the names of owners and bike serial numbers be registered.

SH Teachers Honor Retirees

Retirees included Jerry Gerich, principal; Richard Beach, business department; Dr. Stanley Cook, English department; Ester Porter, foreign language department; and Ottilia Schubert, social studies department. Over 200 teachers and former South High teachers attended the dinner which was presided over by Gene Walnick as master of ceremonies.

Co-chairmen of the affair were Lorraine Christy and Susan Reames, assisted by art department members and Grosse Pointe Education Association building representatives.

Thieves Take \$390 in B-E

Someone entered a Cook road home and took \$390 in cash on Tuesday, June 4, Woods police reported.

Officer Stuart Gerow was told that the culprits entered the residence sometime between 7 p.m. and 9:15 p.m., ransacked a bedroom bureau drawer and took the money. Police learned that entry was gained through an unlocked rear door leading into the family room.

This incident is currently under investigation by the Detective Bureau.

SELLING YOUR HOME?

There's a local firm called Grosse Pointe Real Estate Co. that has come up with a new idea in selling homes. If successful, it could change their industry in Grosse Pointe considerably. It's called GROUP LISTING, which means they will immediately purchase your home, at your asking price, once you have listed with them. The one circumstance, they say, is that they must have a group of five similar homes before their plan takes effect. Once achieved, they buy all five houses simultaneously. They say it's easier to sell five homes in a group because it's easier on the buyer and much easier to promote. For more information you can call Grosse Pointe Real Estate Co., 882-0087, direct.

Richmond and Buffalo did battle on Monday, May 20, with Richmond winning, 10-0. Peter Keane pitched his first no-hitter with Tommy Dow helping him out by doing an excellent job in the field.

On Tuesday, May 21, Rochester defeated Columbus, 12-9, with Frank Murphy pitching the first three innings and then getting some relief help from Billy Cunningham.

A real pitcher's duel followed the next day when John Pastoria of Syracuse won a squeaker over Jamie Burke of Miami, 1-0. Pastoria won his own game when his single drove in the winning run.

Albany, whose pitching has been outstanding this season, won a nine inning marathon Thursday, May 24, by a score of 1-0. Craig Hasse pitched the first six regulation innings and Kenny Fromm hurled the three extra innings. There were five hits by Albany in that game, three by Craig Hasse and two by Fromm.

Then, Miami defeated Rochester, 5-4, with Ross Kavanda going all the way for Miami. There were two home runs in that game, one by Billy Cunningham of Rochester and one by Jamie Burke of Miami.

That game completed the first half of the season, finding three teams deadlocked for first place with identical records of 6-1.

The standings show Albany, 6-1; Richmond, 6-1; Syracuse, 6-1; Miami, 3-4; Toledo, 3-4; Rochester, 2-5; Columbus, 1-6, and Buffalo, 1-6.

After a five day break for the Memorial holiday the second half of the season got

underway. On Wednesday, May 29, Miami evened their record to 4-4 by beating Toledo, 6-0, behind the pitching of Jamie Burke.

Mark Brooks pitched for Syracuse on Thursday, May 30, going the distance for a win over Columbus, 15-2. Syracuse had a season high of 16 hits in that game. Rochester won their third game of the season on Friday, May 31, by defeating Buffalo, 6-1. Billy Cunningham and Frank Murphy shared the pitching duties.

On Saturday, June 1, Syracuse narrowly won over Toledo, 6-5. John Kulka pitched for Syracuse getting some relief help from C. H. Crane. The highlight of the game was George Zinn hitting a grand slam home run to put Syracuse ahead 5-4 at that point. Paul Brown broke up the sixth inning tie by driving in Scott Crane from third to win the game.

Over at Brownell there was another grand slam home run, this one by Mike Connell to lead Richmond to a 13-5 win over Rochester. Mark Davey, Peter Keane and Todd Pierce were the pitchers for Richmond with Davey helping even further by hitting a home run.

With fine pitching from Sandy Davis, Columbus won its second game of the season over Miami, 5-3. In the final game of the day, Albany dumped Buffalo, 12-4. Albany scored all 12 runs in the second inning.

AAA LEAGUE

By Phil Frame

Portland, which fell from first place by losing two games in the first half-season's final week, regained the top spot Saturday, June 1, by defeating Hollywood, 9-3.

Hollywood had gained sole

possession of first place in the last game of the first round, May 24, with a 17-7 victory over Portland in seven innings.

In that game, Peter Fisher picked up his third victory without a loss and tied the score in the fourth inning with a home run that eventually sent the game into extra innings. Hollywood then tallied 10 times in the seventh for the victory.

Zan Stewart helped Portland get even last Saturday by pitching a four-hitter and collected two hits offensively. Jim Kinnaird provided Hollywood's scoring punch with two hits, one a double, and two RBI's.

Newark was the only other team to beat Portland, stopping their five game winning streak 6-3, on Monday, May 20. Steve Fisher picked up the win in relief, and Bill Grambo had three hits for the winners.

Troy Thomas laced a two-out, bases-loaded single in the bottom of the sixth inning, May 22, to give Hollywood a 13-12 victory over Phoenix.

In other action that week, Jim Rieth pitched a one-hitter and added a two-run homer on May 21 to lead Sacramento past Louisville, 5-4, and Denver took advantage of a six-run third inning to defeat Hawaii, 10-7, on May 23.

Portland started its second round with a 14-6 drubbing of Denver, on Wednesday, May 29, ending a two-game skid. Chuck Haring, Don Chamberlin and John Meier each hit a round-tripper for Portland, and Ace Dickson pitched five strong innings for his third victory of the season. Steve Green had three hits, including a triple, for Denver.

Louisville added its third victory of the season Thursday, May 30, by defeating Newark, 5-4. Steve Vihci went the distance for Louisville allowing only two hits and three walks. Bill Grambo had the only extra-base hit of the game, a four-bagger for Newark.

Jim Hogan pitched a five-hitter and gave up only one unearned run Saturday, June 1, as Phoenix polished off Sacramento, 10-1. Phoenix was aided by six Sacramento errors that led to six unearned runs.

In other action last Saturday, Newark, behind Pete Barrett's three-hitter sunk Hawaii, 15-2. This game was marked by some spectacular fielding plays, especially those of first baseman Bill Grambo and catcher Steve Fisher.

Danny Brown doubled and hit a home run in a losing cause, also on Saturday, as Louisville fell to Denver, 7-4.

The standings through Saturday, June 1, show Portland, 7-2; Hollywood, 6-2; Denver, 6-3; Newark, 6-3; Louisville, 3-6; Sacramento, 2-6; Hawaii, 2-6, and Phoenix, 2-6.

Braves twice, 8-3, and 14-2; the Dodgers, 10-1, and the Cardinals, 1-0, all in recent action. The latter game was a pitching duel between Chris Ellis and Tim Foley.

In other games, the second place Red Legs, zoomed past the Cardinals, 22-3, and rolled past the Giants, 5-1. Jeff Crowley and Dean Gramham homered for the Red Legs in the game with the Cardinals.

Tigers, Dodgers Win in Babe Ruth Loop

By Julian Thomas

The midway point of the Babe Ruth League Of Grosse Pointe, Inc., shows the Tigers of the American League with a 9-0 record, and the Fikany Dodgers of the National League with a 9-1 mark. Both clinched their respective

first half championships. On May 21, the Indians posted their first win of the season, 8-3, over the Yankees. It was highlighted by Chick Taylor's steady pitching, a good defense and a balanced hitting attack. Taylor and Cab Morris had two hits each.

The same day the Fikany Dodgers trimmed the Giants, 13-1. Drew Peterson pitched five scoreless innings and had two hits to lead the Dodgers to their sixth straight win. Bruce Kennedy, Jeff Benoit and Joe Fikany also had two hits apiece.

Rick Baker chalked up his first win for the Tigers as they scalped the Indians, 22-8, on May 24. A two-run homer by Chris Block and seven doubles sparked a 19 hit bombardment by Tiger batters. Jeff Oetting went three-for-three and Duncan MacEachern, Jim Heidt, Doug Skipp, John Beebe, Dave Lipo, Dean McPhail and Bob Baker accounted for the doubles.

On May 25, the East Side Key and Bike Cardinals downed the G. P. Park Police Officers Association Giants, 10-5. Bob Conlan's knuckle ball stopped the Giant batters as the Cardinal bats went wild. Tony Abrahams went four-for-four including a homer.

In a repeat performance, it was the Cardinals, 16, the Giants 6, on May 26. After a shaky start, the Cardinals came to life in the fifth with

On May 27, Tiger pitchers Dean McPhail and John Beebe teamed up to squeeze by the Phillies, 4-3. Dean slammed a single and a triple to help notch his third win of the season. Paul Geater pitched a fine game for the Phillies, striking out 11 Tigers.

Also the 27th, the Fikany Dodgers bounced back from an 8-2 deficit to edge the Indians, 9-3, on Joe Fikany's bases loaded double in the bottom of the sixth. Paul Gracey was three-for-four and Graves had a round-tripper for the Indians.

The same day the Cardinals took the White Sox, 9-2. Bob Gough won his third straight game added by four pick-off plays by Bob Conlan.

On May 29, Rick Baker picked up his second win as the Tigers downed the Yankees, 11-4. The Tigers slamming extra base hits were Tom Heidt, Dean McPhail and John Beebe. John Haase led the Yankees with three hits.

In a wild game for the First Half Championship, the Fikany Dodgers outlasted the Cardinals, 14-11, on May 30. Six errors combined with 11 walks led to the Cardinal defeat. Drew Peterson was the winning pitcher and a heavy hitter, going three-for-four.

On June 1, Tiger bats were booming as they ended the first half with a 16-9 win over the Burger Chef White Sox. Doug Skipp was the winning hurler and had two hits to aid his cause. John Beebe and Derek Simonds also had two hits for the Tigers. Dan Couvreur smashed a two run homer for the White Sox.

National League standings show the Dodgers, 9-1; Cards, 7-3; Phils, 5-5; Giants, 3-7, and Braves, 2-7.

bounded to grind past the Giants, 5-2, despite Drew Frakes great catch of a blazing line drive which was turned into a double play.

The race in the American League majors finds the Indians squeaking into the lead over the surprising Senators. After dropping a close one to the Senators, 4-2, the Indians shot down the White Sox, 5-3, the Athletics, 4-1, and the Yankees, 4-2.

In a tie breaker the Indians "scalped" the Senators, 12-6. Matt Reno for the Indians and Dennis Holder for the Senators had four baggers. The tie-breaker was set up when the Senators limped past the Orioles, 6-5, in an eight inning thriller. The Orioles Rich Green had two "fence toppers" and Mike Waller had one homer, while Jeff Delinaki had a round tripper for the Senators.

The Senators then zapped the Yankees, 4-1, giving up only a homer to Paul Deschene. Then, the Nats' Jim Stevens fired a one-hitter to defeat the White Sox, 17-0.

The Athletics fought off the White Sox, 11-10, but the determined Sox then ambushed the Orioles, 9-7, behind the outstanding play by Peter Stavali at shortstop. The Orioles came back on to hold the Athletics, 6-5 and saved one from the Yankees, 11-5.

The National League Minors race is still to be decided. Illinois outgunned Iowa, 7-6, behind the brothers' Yott, with Mike catching and Joe pitching. Mike Yott had a four bagger to win the game.

Purdue outlasted Minnesota, 22-17, in a game called in the fifth. Navy sunk Airforce, 17-6. Frontrunning Northwestern held on to set down Minnesota, 4-3. Jeff Lockrodge homered for Minnesota.

Iowa outfought Minnesota, 4-3, on a four-hitter by Mike Boy and a terrific homer by Greg Drals for Iowa. Airforce coasted by Illinois, 20-14. Illinois then surged back to rip Airforce, 11-9. Ken Hawk blasted a grand slammer for Airforce, but doubles and triples by Mike Yott, Mike Chase and Pete Zelezewski for Illinois were too much.

Purdue torpedoed Navy, 16-10, with a barrage of two homers and a triple by Brian Scoble and a triple by Dennis Cooper.

The American Minor League race is too close to call as we go to press. Army clamped the lid on Hawaii, 11-10, while Ohio State was blasting Michigan, 9-3. Chris Blunt had a grand slammer for Ohio State and Jeff Lain had a round tripper for Michigan.

The Marines dropped Alaska, 16-8, with a team effort and a grand slammer by Bill Tisdell. Tom Em-

merich, Kevin McCarthy and Don Emmerich homered for Alaska.

Michigan State smothered Army, 14-6 in a game called due to time. Hawaii pinched off Ohio State, 4-3, and Army rumbled by the Marines, 17-12. John Wyrembelaki and Chris Kohut had four baggers for Army. Jerry Heynes had a homer for the Marines and Brian Barlow tripled for Army.

Michigan's Tim Luzadre threw a two-hitter to contain Michigan State, 10-2. Meanwhile, Ohio State overcame Alaska, 15-12, in spite of two homers and a double by Don Emmerich and another homer by Kevin McCarthy for Alaska. Michigan State ease by the Marines, 18-11. Martin Osterfalt for Michigan State and Dave Lapish for the Marines had grand slam home runs. Then, Michigan State took a close one from Michigan, 6-5, on a great come from behind sixth inning.

The Army clobbered the Marines, 20-8. Brian Carvon, Brian Barlow and John Wyrembelaki homered to lead the scoring parade.

AUTO FACTS

The old-time oil filter was a sight to behold. They were primarily thought of as accessories. They were attached to the top of the engine with a mounting bracket, and to the lubrication system by means of metal or flexible lines. Vibration very often split both brackets and oil lines—the oil could be drained from the crankcase very quickly. Engines could burn out in minutes. Thank goodness for the continuing developments in car technology, which among many improvements, has given us the new oil filter.

Car designers are always improving and developing new systems and the '74 Dodges are no exception. See these new models at **POINTE DODGE, INC.**, 18001 Mack Ave., 884-7210. From Another Pointe of View

The Grosse Pointe Braille Club has written "finis" to a local group project which involved eight of its members as well as persons in New York, Illinois, New Mexico and Washington, D. C.

Using recently-acquired equipment, a committee reproduced and bound the first thermoform copy of "Making Music Your Own, Book Seven, Teacher's Edition."

The original or master copy was put into braille by Pointe Club-ers Mrs. Myron J. Dikeman, Mrs. John Huetteman, Jr., Mrs. W. A. Huegli and Mrs. Elaine L. Joseph. Music in the text ranged from simple folk melodies to full orchestral scores. Information ranged from basic composition to opera librettos in English and German.

The master copy has been forwarded to the Division for the Blind of the Library of Congress. From it, additional copies can be made.

Mrs. Joseph, of Neff road, coordinated transcription of the 10-volume work, requested by Daniel R. Stephens, formerly of the Detroit Public School

'Figaros' Reward MOT Volunteers

In the wake of the Metropolitan Opera's 1974 visit many Detroit area music lovers not only are "thinking opera" but doing something about it. Michigan's own opera company, Michigan Opera Theatre, launched its campaigns to sell season tickets and program ads for the 1974-75 season at a May 7 meeting in the Music Hall.

Team captains and members from 19 metropolitan Detroit communities were present to enjoy a continental breakfast hosted by Mrs. Wade H. McCree and Mrs. Carlos Montemayor.

Dr. David DiChiera, MOT's general director, opened the meeting with a welcoming address, commenting on the phenomenal growth of the young opera company, (from six performances in 1971 to a season of 20 performances in its home theatre, Music Hall, this year, in addition to touring and educational programs).

After detailing next season's offerings Dr. DiChiera introduced baritone Charles Roe and soprano Mary Wakefield, opera stars who began their careers as MOT regulars and who returned to the Music Hall stage to entertain committee members.

After a "pop-talk" from last year's Ticket committee chairman Mrs. Donald E. Young, committee members were addressed by Mrs. Lloyd H. Diehl and Mrs. Peter Cooper chairman of the ad and ticket campaigns, respectively.

The surprise awarding of a service medallion, The Figaro, delighted those present as well as those who received recognition.

The Figaro is a symbol of appreciation given to those who, like Figaro in the opera by Rossini, have become indispensable to those they serve.

In this case, MOT is the lucky recipient of the tireless efforts of six opera lovers who have lent their talents—from organizing mailing lists and volunteer groups to baking brownies for the cast during rehearsals — and helped make MOT the overall success it is.

Three Pointe residents were among those recognized via Figaros. They are Mrs. Scott H. McKean, of Berkshire road, and Mr. and Mrs. Neil Snow, of McKinley avenue.

Karen McKean was the winning team captain in the 1972-73 ticket drive, an accomplishment in any event, but especially so since Karen was new to the community

Josephine McCurry Wed To Mr. Burton

Les Brown and his Band of Renown Play at Country Club Reception Following Afternoon Rites in Memorial Church

Planning to make their home in Framingham, Mass., when they return from a Hawaiian vacation are Mr. and Mrs. Leland Wilson Burton, who exchanged marriage vows Saturday, June 8, at a double ring ceremony in Grosse Pointe Memorial Church.

Mrs. Burton is the former Josephine Davis McCurry, daughter of Mr. and Mrs. Robert B. McCurry, Jr. of Renaud road, and granddaughter of Mr. and Mrs. Robert B. McCurry, of Lewistown, Pa., and the late Mr. and Mrs. Hyland B. Lyman, of Wilmington, Dela.

Mr. Burton is the son of Mr. and Mrs. Stephen H. Burton, of Glendale, O., and grandson of the late Mr. and Mrs. Allan J. Wilson, of Boston, and the late Mr. and Mrs. Murdock T. Burton, of Glendale.

The 4:30 o'clock rites at which The Reverend Dr. Raymond Kleiy and The Reverend Dr. James Clarke, of Glendale, presided were followed by a reception at the Country Club of Detroit, with Les Brown and his Band of Renown providing the music.

The former Miss McCurry, given in marriage by her father, wore an ivory Princess gown fashioned with a high neck of English net and appliqued with pearls on re-

embroidered Alencon lace. Wide satin bands edged her bell sleeves and skirt.

She wore a mantilla of heirloom rosepoint lace, in the bridegroom's family for seven generations, over a long seed pearl-bordered imported net and illusion veil, and carried an arrangement of stephanotis, baby's-breath, yellow Sweetheart roses and trailing ivy.

Her maids of honor were her sister, Margaret McCurry, and JoEllen Zumberge, of Lincoln, Neb. Their yellow organdy frocks featured deep ruffle-edged front and back yokes, ruffled skirts and cap sleeves.

In similar green organdy gowns were bridesmaids Martha Burton, the bridegroom's sister, Valerie Maffel, of New York, Lynda Lochridge, of Palm Desert, Calif., and Kristin Thompson, of Torrington, Conn.

They carried bouquets of multi-colored spring flowers with trailing ivy.

Crompton Burton was his brother's best man. In the

Hold St. James Guild's Picnic

The Women's Guild of Saint James Lutheran Church held its annual picnic at 11:30 o'clock Wednesday morning, June 12, at Three Mile Park.

Newly-elected officers who greeted the ladies include Mrs. Elizabeth Wible, president, the Mesdames Arthur Bartz and Frank Mumford, vice-presidents, the Mesdames Franklin Quale, Carl Carlson and Kevin Kavanagh, secretaries, and Mrs. Francis Schulze, treasurer.

Guild members anticipate a busy summer preparing for their Christmas Fair, to be held December 8.

usher corps were Donald Massey of West Hartford, Conn., John Montano, of Tucson, Ariz., William Stevenson, of Titusville, Pa., William Skanador, of Temple, Ariz., and Richard Raymond, of Washington, D.C.

The bride's mother wore a floor length dress of pale blue chiffon styled with long sleeves and a tucked bodice. Her corsage was a pink-throated white cymbidium orchid.

The bridegroom's mother's silk gown, also floor length, was muted-printed in shades of aqua, green and yellow. Her corsage was a yellow cymbidium orchid.

Both the bride, a Grosse Pointe South High School alumna, and the bridegroom, an alumnus of the Loomis School, Windsor, Conn., are University of Arizona graduates.

Opera Theater Workers Honored

(Continued from Page 13) and had not previously met her team members.

Karen's most incredible contribution, however, is her almost single-handed preparation of costumes for each MOT production since MOT's 1972 season began with "Cosi Fan Tutte." During the production of "The Medium" that same season, director Sal Mineo's assistant said that Karen was one of the most professional and talented costumers with whom he had worked.

A realistic estimate is that nearly 400 costumes were

constructed, altered and cared for by Karen during MOT's past season alone.

Neil and Phyllis Snow do jobs of every sort for MOT, including a few which could be full-time responsibilities in themselves.

Neil has dedicated months of man-hours to compiling and continually updating MOT's mailing list. He has also built costumes and scenery and sold ads and tickets by the hundreds.

The Snows also provide chauffeur service for all stars visiting Michigan Opera Theatre, taking them to and

from the airport, to dinners, on tours of the town and on shopping trips.

Phyllis is, in effect, a full-time volunteer for Michigan Opera Theatre and its landlord, Music Hall. On any working day of the year she can be found in the office fielding miscellaneous questions and crises without flinching.

Phyllis was the individual winner in the ticket sale drive last year and, like Karen McKean, is again captaining a ticket team with sites on record sales for the 1974-75 season.

Ann Harding Bride Of Keith W. Pollok

Okemos Home Awaits Newlyweds; Bride to Pursue Graduate Studies at MSU; Bridgroom to Resume Work at Department of Resources

The Reverend Perry Thomas, of Grosse Pointe United Methodist Church, presided at the 1 o'clock ceremony in the Grosse Pointe War Memorial gardens Saturday, June 1, at which Ann Louise Harding spoke her marriage vows to Keith William Pollok.

After a reception in the War Memorial's Alger House the newlyweds left for a two-week vacation in the Hawaiian Islands.

They will return to make their home in Okemos, and the bride will enter Michigan State University's Graduate School, beginning work

toward her Masters degree in Education. The bridegroom will resume his position as a Systems Analyst with the Department of Natural Resources, Lansing.

For her marriage the daughter of Mr. and Mrs. Wilbur S. Harding, of Williston road, chose a white eyelet gown trimmed with yellow and white lace, fashioned with a square neckline, long, cuffed sleeves, a fitted bodice, raised waist and gored A-line skirt.

A small lace cap held her white tulle veil. She carried a nosegay of yellow Sweetheart roses, white daisies and baby's-breath, accented with white streamers.

In identical frocks of multi-print eyelet touched with white lace at their cap sleeves and raised waists were honor maid Debbie Neering, of East Lansing, and bridesmaid Mary Kuehn, of St. Germain, Wis., both MSU college roommates of the bride.

They carried arrangements of multi-colored spring garden flowers tied with pink streamers and wore pink daisies in their hair.

The bridegroom, son of Mr. and Mrs. Robert W. Pollok, of Royal Oak, asked his MSU roommate, Richard S. Borden, to act as best man. Ushering were Gary Vittoz, of Lansing, the bridegroom's brother-in-law, and John Harding, the bride's brother.

Ring bearer was Charles Collins, of Livonia, the bride's cousin.

The mother of the bride chose a long blue and pink print jersey gown and an orchid corsage. The bridegroom's mother selected a

 **A Lovelier YOU**

There are five kinds of lighting which affect the coloring of your make-up in different ways. The first is natural outdoor light, which calls for understated make-up. You can't hide anything from pure sunlight. Natural indoor lighting is much less bright, but calls for heightened make-up. Artificial incandescent light, fades out yellow reds, and gives a better effect to reds tinged with blue. The fluorescent light gives a cold blue-white light that is unflattering, and calls for restrained daytime make-up. Of course candlelight is the most becoming of all, and demands a softened and heightened effect.

Regardless of the type or price of make-up you wear, if your hair style doesn't suit you, you won't be at your best! The operators at Grosse Pointe Coiffures are trained to make your hair look its very best and most important because they really care about their customers! Best man was Walter Nell, of Waterford. David Gieseeking, the bride's brother, and Carl Hosner, the bridegroom's cousin, seated the guests. Groomsmen were Dan Rose and Terry White, both of Waterford.

The mother of the bride topped her floor length gown of aqua crepe styled with a

beaded collar and cuffs and chiffon sleeves with a sleeveless coat of matching material. She pinned white roses to her purse.

The bridegroom's mother chose a long gown of pink jersey accented with bands of waist beading. She pinned pink roses to her purse.

Audition Dates Set by DSYO for Young Metropolitan Musicians

Preliminary auditions for all sections of the Detroit Symphony Youth Orchestra were held Monday, June 10, and will be held Monday, June 17, from 1 to 5 o'clock in Ford Auditorium.

Any talented young musician living in the Detroit metropolitan area is eligible for membership in the Orchestra, provided that he or she not drop out of school band or orchestra activities in order to seek or maintain membership in the Detroit Symphony Youth Orchestra.

Applicants will be asked to perform a solo composition

of their own choosing and to sightread some representative orchestral excerpts.

In addition to regular DSYO rehearsals held Saturday afternoons from late September through April, sectional rehearsals are held under the guidance of members of the Detroit Symphony Orchestra, whose coaching and assistance has been an important contribution to the general development of the Youth Orchestra.

The DSYO has a limited number of scholarships available to provide deserving students the opportunity for

private study with Detroit Symphony players.

An activity of special interest this summer will be the DSYO camp, to be held at Oakland University July 9 through 22 in association with the Meadow Brook Music Festival. Information on the Camp may be obtained from Raymond Allvin, 337-2038.

Supported by the Detroit Symphony Orchestra and organized in May 1970, the Detroit Symphony Youth Orchestra serves as training ground for players interested in a career with a major or-

chestra.

Three DSYO musicians have taken positions with major United States orchestras so far. Timpanist Randall Hicks joined the New Jersey Symphony in 1971, bassoonist Phillip Austin joined the Detroit Symphony in 1972. The New Orleans Symphony engaged trumpeter Paul Randall in 1973.

Under the direction of Paul Freeman, conductor in residence of the Detroit Symphony Orchestra, the Detroit Symphony Youth Orchestra rehearses and performs a substantial portion of the

standard symphonic repertoire.

Three public concerts at Ford Auditorium have been planned this year. One will be a performance of Orff's "Carmina Burana," presented in collaboration with the Detroit Board of Education and featuring massed choruses from Detroit Public High Schools.

The highly successful series of chamber music programs using DSYO musicians will also be continued. Audition appointments may be made by calling the DSO, 961-0700.

SELLING YOUR HOME?

There's a local firm called Grosse Pointe Real Estate Co. that has come up with a new idea in selling homes. If successful, it could change their industry in Grosse Pointe considerably. It's called GROUP LISTING, which means they will immediately purchase your home, at your asking price, once you have listed with them. The one circumstance, they say, is that they must have a group of five similar homes before their plan takes effect. Once achieved, they buy all five houses simultaneously. They say it's easier to sell five homes in a group because it's easier on the buyer and much easier to promote. For more information you can call Grosse Pointe Real Estate Co., 882-0087, direct.

GP Symphony Trio Honored

Three local musicians were in the winner's circle when the Grosse Pointe Symphony Women's Committee held its annual meeting and luncheon last Thursday, June 6, at the Country Club of Detroit.

The trio, members of the orchestra, received Tribute Fund checks of \$200 to further their musical studies. Mrs. Floyd N. Secrest, Tribute Fund chairman presented the awards to Mrs. Adrian V. Wallace, violin, Sister Rose Mary Sam, viola, and Jan Thorwaldson, bass.

Mrs. Wallace told the 150 luncheon guests she plans to take further lessons from Joseph Stripling, violinist with the Detroit Symphony Orchestra.

Sister Rose Mary, Languages Department chairman at Bishop Gallagher High School, will use her gift to perform with a workshop string ensemble to cure what she refers to as her "current rusty musical condition."

SELLING YOUR HOME?

There's a local firm called Grosse Pointe Real Estate Co. that has come up with a new idea in selling homes. If successful, it could change their industry in Grosse Pointe considerably. It's called GROUP LISTING, which means they will immediately purchase your home, at your asking price, once you have listed with them. The one circumstance, they say, is that they must have a group of five similar homes before their plan takes effect. Once achieved, they buy all five houses simultaneously. They say it's easier to sell five homes in a group because it's easier on the buyer and much easier to promote. For more information you can call Grosse Pointe Real Estate Co., 882-0087, direct.

New Location for SS Office

The Social Security Office on Mack Avenue serving the Pointers, east side of Detroit and Harper Woods is being relocated at 17450 Mack Avenue, according to George C. Franzen, district manager.

The east side office, for many years a busy spot on East Warren at University, and more recently on Mack at Manistique, is now located in a completely renovated building on Mack at St. Clair.

It provides all social security services to residents of postal zones 5, 13, 15, 24, 30 and 36. The total area population served by the district office is estimated at a half million residents. At present, this area includes approximately 100,000 residents who are receiving regular monthly social security benefits.

Mr. Franzen stated the new office, in modern and enlarged space, will be better able to provide the full range of social security services to the retired, disabled and other beneficiaries.

Approximately 250 applications for retirement, survivors, or disability benefits are processed in the office each week, he reported.

The office also provides information on Medicare and assists individuals in completing claims for Medicare benefits and the new Supplemental Security Income program. Social security cards for new workers and replacements for lost or destroyed cards are issued to about 500 persons per week in the area.

The staff of the office includes approximately 50 people, specialists in the various social security subjects who are available to the public for personal consultation.

Home calls by traveling representatives operating out of the Mack Avenue office also can be arranged for those people who, because of infirmity or disability, are unable to travel.

Representatives are available as speakers and can provide literature for groups and organizations interested in learning more about the various aspects of social security.

Club Offers Many Classes

In two short weeks mothers everywhere will be trying to answer the perpetual question, "What's there to do?"

The Neighborhood Club is now offering classes programmed to interest, educate and occupy your offspring during the summer months. The Club still has a few openings in its golf clinic for students in seventh grade and above. Lessons include one hour of instruction, followed by nine holes of golf. The bus leaves the Teen Center at noon and returns at approximately 5 p.m.

Myra Halsigs' "Dance Exercises" is a new and interesting program designed to develop gracefulness for girls ages 7-14 years. Classes will be held at the Teen Center on Tuesday and Friday from 10:15-11:15 a.m., beginning Tuesday, June 18-July 26.

Mothers and daughters can be creative in a constructive manner by signing up for the Club's sewing class at Brownell on Mondays and Fridays from 9:30 to 11 a.m. The class starts Monday, June 17-July 26.

For the more energetic children tumbling and gymnastics classes will be held at Brownell on Mondays and Fridays, starting Monday, June 24-July 26. The times are tumbling, 9-10 a.m.; advanced tumbling, 10-11 a.m.; and gymnastics, 11-12 noon.

Information regarding any of the above classes may be obtained by calling 885-4600.

Pointers Attend Gets Revolver, Ammunition

A large crowd gathered at Stouffer's Eastland Thursday evening, May 30, at the "First Happening" of the east-side's newest tennis facility, the Eastpointe Racquet Club.

The audience approved of all they saw and heard from Project Manager Arthur A. Cerre and Builder Frank D. Wilberding. Slides were shown depicting the contemporary and colorful atmosphere that the club plans to create for the membership.

Youthful tennis enthusiasts mingled with the crowd in up-to-date tennis fashions projecting the importance of young people and the programs which will be offered for them when the club opens in late September.

Tennis wasn't the only topic of conversation. Handball and squash also received their share of the action, especially when it was announced that Mrs. Jerome J. Taylor, one of Detroit's dedicated players of racquet sports, would become the director of the Ladies' Squash Program at the club.

Among the participants were Pointers Dr. and Mrs. G. Richard Jones, Mr. and Mrs. Howard S. Suhl, Dr. and Mrs. James Danforth, Dr. and Mrs. John Lesame, the Howard F. Smiths, Jr., and the Thomas McCarthys.

Someone punched the trunk lock of an auto parked in the garage of a North Oxford road resident and took a revolver, assorted ammunition and a sleeping bag sometime between Tuesday, May 21, and the morning of Tuesday, May 28.

The citizen told Woods Officer William Lentz the gun was a six-shot Smith and Wesson revolver, valued at \$181. Three boxes of ammo were snatched with two being valued at \$3 and the other at \$3.90. The sleeping bag, valued at \$20, is green in color with game birds on the lining.

Police were told the larceny may have occurred Thursday, May 23, as the resident said he heard a noise outside. Upon investigation, he found a boy's 10-speed J. C. Penney bike, which he kept, in the driveway.

System, now at the University of Buffalo, N. Y. The Student Edition was partially brailled by a volunteer in Albuquerque, N. M., who was unable to complete it because of illness. Since one part of the two editions is the same, the section Mrs. Dikeman brailled will be incorporated into both editions by the Library of Congress.

Mrs. Joseph encountered an unusual problem in the section she transcribed. In the printed copy, instructions to the teacher were printed in red in the margins. Mrs. Joseph used a different margin alignment to indicate the brailled instruction portion.

Several times during the work, the transcribers conferred with the Music Specialist of the Mid-West Area, National Braille Association, who lives in Champaign, Ill., and with Library of Congress personnel.

Mrs. A. Lawson Potter, who teaches the braille transcription class sponsored by the Club, helped set up the format for the book in addition to brailled special charts for it.

Mrs. John Millett, Club assignment chairman, and Mrs. Huettman proofread the literary portion of the text. Mrs. Glyn Myers assisted with the music proofreading.

Thermoform chairman Mrs. Glenn Corbett, with Mrs. Millett, Mrs. Joseph and Mrs. Huegill, who serves as bindery chairman, spent a day-and-a-half reproducing and binding the book into its final form. And finally it was "finis" . . . and the ladies who had made it a reality, and all the Pointe Braille Club members who had worked on projects, large and small, during the year, gathered to celebrate the end of a successful, rewarding year at a pre-summer salad luncheon in the Van Antwerp road home of Mrs. W. A. McClellan last Tuesday.

The Club will start another braille transcription class at the Main Branch Grosse Pointe Public Library in October. Information on it may be obtained by calling 886-3226.
