POLICIES, PROCEDURES and PEOPLE

• Update on Bob Nellis

We have reported for the last couple of weeks that Bob was moved to a rehabilitation center in Cortland, NY, on March 25. We still don't have an address for him, but will report it as soon as we receive it.

People wishing to contribute to "The Bob Nellis Benefit Fund" may send donations in care of Chase-Lincoln First Bank, 5 Seneca Street, Geneva, NY 14456. Anyone with questions about the fund may contact Bonnie Nicastro at 781-2679 or 568-6977.

ASK AUNT JORDIE...

Personal to Les Handycapd: Thank you so much for the compliment. Cornell University is an accommodating employer.

UNITED WAY FUND DRIVE

The Station's 1992 United Way drive began on Wednesday. The Ontario Day Care Center (left) is one of the local agencies that the drive will support. Please get your pledge card back to your department coordinator by April 15. Remember, a little more every two weeks goes a long way!

Regular full-time employees are eligible for tuition aid after one full year of employment. Regular part-time employees are eligible for tuition aid after three years of employment. Contact Personnel, X203, for more information.

CORNELL FEDERAL CREDIT UNION

If you would like to use this service but do not have a PAL access code, please call any branch office for more information.

If you love PAL, you'll want to watch for a new bill-paying service, PayMate, available July 1. For a monthly service fee, PayMate will allow you to pay your bills directly through a touchtone phone, automatically and electronically. Watch for more news about this innovative and exciting service in upcoming CFCU newsletters or call (607)257-8500 for more information.

Following is a list of local vendors you will be able to pay by phone:
