## Christmas Bird Count

Highlights of the Christmas Bird Count in Neosho County will be presented by Andrew Burnet when Southeast Kansas Audubon meets for the January meeting. Andrew is Vice President of the chapter and Coordinator of the 2019 Christmas Bird Count. Audubon chapters across the nation conduct a comprehensive annual bird count to determine the numbers and status of our winter bird population. The meeting will be held on Tuesday, January 7 at 7:00 p.m. at the Parsons Arboretum, located at 2004 Briggs Ave, at the corner of 21st and Briggs in Glenwood Park in Parsons, Ks. The public is invited and refreshments will be served following the program. For more information call 620-778-1877, 620-331-6820, or 620-331-6847.

 Determine the code to reveal the answer!

Solve the code to discover words related to cold weather.  
 Each number corresponds to a letter.  
 (Hint: 9 = s)

**A. 6 13 16 9 14**

*Clue: Cold covering*

**B. 10 23 10 23 26 25 9**

*Clue: Cylindrical ice*

**C. 9 26 10 23 22**

*Clue: Slippery*

**D. 7 8 9 14 4**

*Clue: Windy*

Answers: A. frost B. icicles C. slick D. gusty

## WORD SCRAMBLE

Rearrange the letters to spell something pertaining to cold weather.

**F T R D I**

☐ ☐ ☐ ☐ ☐

*Answer: Drift*

## Guess Who?

I am an actor from stage and screen born on January 2, 1971, in New Jersey. I made my television debut in an episode of "New York Undercover." But I'm perhaps better known for a role in a popular Broadway show about eclectic NY apartment dwellers.

*Answer: Taye Diggs*

# How to Have An Awesome New Year

People who know me know that I don't use the word "awesome" very often. While so many others have made it a tired cliché, I use it very rarely to describe only exceptional situations. The other day, a message came up on my phone that said "The New Year is going to be awesome. Look at these movies that are coming out." This was followed by a list of the mostly forgettable movie titles scheduled to come out early in the New Year. Not only was that a perfect example of the over-use of the word "awesome", but the idea that a hand-full of movies could make a New Year awesome made me laugh.

We Have Control of the New Year

Every one of us has total control over whether the New Year will be awesome or not. The quality of the New Year, indeed, the quality of our lives is determined by the choices we make, the relationships we develop and the people we help along the way. There are examples all throughout history of people in every kind of situation who choose triumph over adversity. From minor inconveniences to major tragedies, it's our choices of how we respond, not our circumstances that control the outcome of our lives.

In the Entrepreneurial Mindset class, featuring the Ice House Entrepreneurship program, we learn that one of the traits common to successful entrepreneurs is this realization that we can choose to control our personal destiny through the choices we make. We talk about taking time to respond to situations rather than acting immediately in a knee-jerk reaction. Through all kinds of adversity, these entrepreneurs, not only the ones we study in the video interview content, but also the area entrepreneurs we bring in as guests, have chosen to control their outcomes through what we call an internal locus of control.

Positive Thinking Amid Negative Messaging

One of the choices we need to make is to think positively, expecting good things and not bad things to happen. I know several people who have actually told me they expect the worst things in life. They get what they expect. Our society teaches us to expect the worst, once you pay attention to the messages. The pharmaceutical companies bombard us with messages telling us how sick we are and that we need to go to the doctor to prescribe their medicine for us. The news media quotes so-called "experts" telling us there's a good chance we'll suffer one kind of calamity or another. A high school teacher told us, in driver's ed class, that statistically one out of two

people would die in an auto crash before the age of 50. He then said, "Look at the person next to you and decide which one of you it's going to be." Although he meant no harm, it was a terrible message to present to a class of 13 and 14 year-olds; an example of the subliminally negative messages still pervasive in our society.

Thinking positively doesn't mean we won't ever have a flat tire, but we can choose how we react to the flat tires of life and make decisions to minimize the number of flat tires we'll have. Maybe we also learn that maintenance and care of the things we use every day can minimize the number of flat tires and breakdowns we may have in life.

It will be an awesome New Year if we believe it will be and we make the choices and decisions to make it so.

Information about the next Entrepreneurial Mindset class, starting January 15, can be found at [www.fablabicc.org](http://www.fablabicc.org).

# Coffeyville Regional Medical Center announces Otrhopedic Satelite Clinic at Wilson Medical Center

Coffeyville Regional Medical Center (CRMC) is pleased to announce the addition of a satellite Orthopedic Services clinic located inside Wilson Medical Center Specialty Clinic, opening January 2020. CRMC CEO, Brian Lawrence states, "CRMC and Wilson Medical Center have a long history of working together for the health of our communities. This collaboration to provide Orthopedic Services is a great example of how "together" we can meet the need of our patients."

**RUSTY ALLISON, MD**

thopedic services to our neighboring communities. Our physicians and rehabilitation team had already established an incredible working relationship with Dr. Allison and John Line – so having a clinic here just makes sense."

Dr. Allison came to CRMC from Russellville, Arkansas. He received his medical degree from the University of Arkansas for Medical Sciences, Little Rock. He completed his residency with Allegheny University for the Health Sciences in Pennsylvania, Shriner's Hospital for Crippled Children in Tampa, Florida, and was Chief Resident of Orthopaedic Surgery at Allegheny University Hospital in Pittsburgh, Pennsylvania. He is excited to expand his clinic to Wilson Medical Center saying, "Having this clinic location will allow my patients from the Fredonia and Neodesha area to have easier access to me and my team. We look forward to being there beginning in January."

His specialties include hip, knee, and shoulder surgeries and replacements, hand surgeries, and sports medicine.

Rusty Allison, MD, Board Certified Orthopedic Surgeon, and John Line, PA will begin seeing patients at the Wilson Medical satellite clinic on January 10, 2020. The clinic is located at the Wilson Medical Center Specialty Clinic - 2600 Ottawa Road, in Neodesha, Kansas. To schedule an appointment, please call CRMC Medical Group Specialty Clinic at 620-252-1639.

Dennis Shelby, CEO of Wilson Medical Center said, "This partnership allows us to provide experienced or-

# LIEAP into the New Year

The Low Income Energy Assistance Program or LIEAP is a federally-funded program that helps eligible households pay a portion of their home energy costs. Households with qualifying incomes that pay their utility bills—either themselves or through a landlord—can apply starting Thursday, Jan. 2. Applications must be received prior to 5:00 PM, March 31, 2020.

Benefit levels vary according to a number of factors that include household income, type of dwelling, and type of heating fuel. Last year, several area residents were very pleased to receive substantial fuel bill credits, some well over \$500.

Print applications will be available at several LIEAP workshops in the area. On January 10, Energy will be at the Caney City Hall from 9:45 AM to 2 PM. For those less familiar with the LIEAP, feel free to come at

9:45 AM or 12:30 PM for an overview session. You can also drop in any time on that day. SKIL of Sedan will also be at the workshop to help with Weatherization and Homestead Tax Credit applications. Bringing your household utility bills and proof(s) of income will be helpful. Qualifications include:

1. An adult living at the address must be personally

responsible for paying the heating costs incurred at the current residence, payable either to the landlord or the fuel vendor.

2. Applicants must demonstrate a recent history of payments for primary heating energy.

3. The combined gross income of all persons living at the address may not exceed the guidelines listed below:

the Address	Maximum Gross Monthly Income
1	\$1,354.
2	\$1,832.
3	\$2,311.
4	\$2,790.
5	\$3,269.
6	\$3,748.
7	\$4,227.
8	\$4,705.
9	\$5,184.
10	\$5,663.
11	\$6,142.
12	\$6,621.

+1 \$479.00 for each additional person

# 4-H Members Attend the Northeast District Leadership Conference

Recently, 4-H members from 24 counties traveled to Fin and Feather Resort in Gore Oklahoma for the Northeast District Youth In Action Leadership Conference. There were over 300 4-H members from all over Northeastern Oklahoma in attendance.

This year's Youth In Action theme was "4-H: Through the Ages." Youth In Action delegates attended a wide variety of workshops that focused on different project areas, confidence building and healthy living. Besides attending workshops, Washington County 4-H members heard the "I Believe Guy" Mr. Brian Jackson deliver a powerful message about believing in yourself and accomplishing your goals.

Each year during Youth In Action, the delegates participate in a couple different Service Projects. This year, 4-H members made over 44,000 meals with Stamp Out Starvation that will be donated to Heart of God Ministries and taken to Mexico. They also collected hundreds of classroom supplies to be donated to Webber Falls Public School following the spring flooding. Our 4-H members also collected hundreds of household items and canned food that was donated to the Muskogee Police Department.

The 2019 Washington County Delegates: Brayden Adcock from the Beef Club, Alexis Evens from the Copan 4-H, Clayton Evens from Copan 4-H, Jack Graves from the Beef Club, Samantha Graves from the Beef Club, Kira Hatlestad from MUTUAL 4-H, Emma Lewis from Dewey 4-H, Izzy Lewis from Dewey 4-H, Kennedy Kramer from the Beef Club, Will Patton from Dewey 4-H, Hunter Perrier from the Beef Club, Kaylee Rolph from the Beef, Vanna Terrell from MUTUAL 4-H, Parent Volunteer and Beef Club Leader Shannon Adcock and Extension Educator Jenifer Harbour. After attending the three day conference, this group of teen leaders have set some high goals for themselves and Washington County 4-H.

For more information about Washington County 4-H Clubs and Programs, contact Jenifer Harbour

# A poem by Albert Mitchell

This Christmas is Life Aware  
 Taking a breath. A breath of release.  
 A son is humming to his father and mother  
 Glory be there still; he finds these days of  
 needless hustle.  
 Their eyes nod off to the center of a new  
 found peace.  
 They are in chairs carrying  
 a caring times light into a dream.  
 May mashed snow shares  
 A family Christmas homestyle  
 Splash

## This week at Parsons Public Library

## As we start a new year... We extend our most sincere thanks.

To the persons and families we have served, we are humbled by the trust and confidence you have placed in our organization. Your participation and involvement with us has made us better servants.

To all the staff, we are grateful for your dedication and commitment to serve. You have been asked to deliver service and care diligently & tenderly and you have. Your personal pursuit of our mission statement is to be commended.

To all the wonderful people we have met during the past year, we want to thank you for being a part of our work.

To the Montgomery County area, we appreciate all of the partnerships, large and small, we have had this past year.

So as we look back on 2019, we simply want to express our gratitude to everyone who has played a part in making our organization unique. We are eager to continue on our road of service to Coffeyville and Southeast Kansas.

Warm regards,

Monte Coffman

## 55 and Better Dance Friday

The Independence 55 and Better Dance will be Friday January 3, at ICC WestCampus, 2615 W. Main St. in Independence from 7 to 10 p.m. Joe Harris will provide music from the 1950s, 1960s, 1970s and today's country. Singles and groups are welcome. Participants are encouraged to bring finger foods to enjoy during the dance. The 55 and Better Dance is held every first and third Friday of the month.

## Altoona Days Association Dance Every Saturday

Altoona Days Association Dance at Altoona, KS. every Saturday at 7:00 pm until 10:00pm. Come enjoy some good old country music, and two-step, waltz, and polka. All ages are welcome, as are finger foods to be shared at break-time. Hope to see you soon!

Call Marvin Blackburn for information: 620-421-3504. We provide an evening of smoke-free, alcohol-free, family fun.

THIS NEWSPAPER WILL NOT KNOWINGLY ACCEPT ANY ADVERTISING FOR REAL ESTATE WHICH IS IN VIOLATION OF THE LAW. OUR READERS ARE HEREBY INFORMED THAT ALL DWELLINGS ADVERTISED IN THIS NEWSPAPER ARE AVAILABLE ON AN EQUAL OPPORTUNITY BASIS.

## Safety a vital component of DIY projects

The following are some safety guidelines all DIYers should heed when using power tools.

- Use tools that are the right size and right type for the job. If you are uncertain about which tools to use, watch online tutorials, contact tool manufacturers or seek advice at home supply stores.

- Always wear eye protection and the right safety equipment when manufacturers recommend doing so. Gloves, sturdy work boots, hearing protection, and hard hats can protect DIYers from injury.

- Keep cutting tools sharp and in good condition to

reduce kick back and potential injuries.

- Regularly inspect tools to make sure they are in working order.

- Never carry tools up a ladder by hand; use a bucket or bag to hoist tools.

- Never leave tools lying out in any area where they can present a hazard. Unplug power tools when not in use.

- Secure work with a clamp or vice grip when appropriate to keep things from slipping.

- Ensure that the handles of tools like hammers and axes fit tightly into the head of the tool.

- Keep work environments tidy to avoid clutter, as cluttered workspaces can contribute to accidents.

- Read the manual and operate the power tool as instructed.

- Do not force open a safety on a power tool or modify a tool to override safety features.
