By Authority... In order that there may be no delay in closing the accounts of the Hawaiian Treasury for the fiscal period ending March 31, 1886...

Hawaiian Gazette

737 NOVA STREET, TUESDAY, MARCH 16, 1886.

In Dr. Goro still employed by the Government or is he not? We have definite information that he is not...

It is almost true that the Census Statistics should be given to the public. We have been treated to a short review...

HAWAII HAS REASON TO BE PROUD. One of her sons has made a name in science which will last as long as scientific books last...

We are glad to see that some attention is being paid to the unfortunate condition of the Hawaiian Islands...

The police have arrested themselves and have not with some success in their efforts to suppress the crime...

Next April, 1886, we have not heard from the Minister of Foreign Affairs...

It may be well to explain to those who are unacquainted with the native language...

What warrant under this for receiving the title of King of Hawaii or President of Hawaii?

ing a steamer in Philadelphia. "Although the work could be done cheaper in Scotland, the great patriots, who were willing to pay the money to support their country..."

The treaty between this country and Japan is being prepared by the Japanese Government...

Article I shows that Japanese officials are to act on behalf of the Japanese Government...

Article II refers to contracts, the following extract showing the responsibility of the Hawaiian Government...

Article III provides for the passage of emigrants, and orders that the steam vessels employed be approved by the duly appointed medical officers...

Article IV gives the Hawaiian Government power to return to Japan all emigrants who are not registered...

Article V provides for the removal of the Japanese Government from the Hawaiian Islands...

Article VI and VII refer to the employment of Japanese Inspectors, Interpreters and Physicians...

Article VIII. The Hawaiian Majesty's Government further agrees that the Diplomat and Consul Agents of Japan to be appointed...

entirely. These cultivators, who formed upon a large scale, had effected many improvements in the mode of cultivating...

WHAT NEXT? The news from the volcano is not surprising to those who have made a study of our great natural phenomenon...

There have also been several fires in the ground, one on the road to Kilauea, and three on the Kilauea lake...
