

IFF India Frozen Foods Pvt.Ltd.

APEDA 108 & 151
阿佩达

IFF India frozen foods Pvt.Ltd. (Previously known as India Frozen Foods) was established in 2009 with a vision to be a part of the growing meat industry in India and acceptance of Indian meat abroad.

India frozen foods is one of the India's premier export oriented integrated food processing enterprises specializing in processing of frozen halal buffalo meats and edible offal products. The company owns and operates a most modern and hygienic slaughter house cum meat plant at Chinyawali Sambhal (U.P.) in the northern part of India.

Our plant has the latest ISO & HACCP accreditations and is operational since 2009. It has been approved by APEDA for export of chilled frozen meats and its capacity has been assessed by APEDA.

We are exporting to many countries like Egypt, Vietnam, Lebanon, Oman, Iraq, Jordan, Kuwait, Ghana, Georgia, Saudi Arabia, Comoros, Thailand, Bahrain, UAE, Qatar & etc.

We are committed to attain, deliver & maintain the highest standards of food safety, hygiene & production and best quality of the products we aim to achieve the goal so as to live up to the customer's expectations through constant improvements in all the processes & our internal systems.

This is done by effective implementation of the Quality Management Systems. It is our endeavour to provide efficient leadership to the entire team, encourage their creativity and train them to keep pace with the latest technological developments.

We are also committed to preserve the environment & ecological balance of surroundings and to ensure that we meet the desired & statutory environment standards.
