Erratum to: Pancreatic β -cell regeneration: advances in understanding the genes and signaling pathways involved

Solomon Afelik^{1*} and Meritxell Rovira^{2*}

Erratum

Following the publication of of this article [1], it was brought to our attention that unfortunately an error was introduced during copyediting:

Due to the error, the heading of the article's second main section incorrectly reads: " β cell regeneration from pancreatic acinar, ductal or β cell lineages requires *Ngn3* activation".

The correct heading should instead read: " β cell regeneration from pancreatic acinar, ductal or α cell lineages requires *Ngn3* activation".
