ATF ASSOCIATION OF RETIREES

ATFAR is the original association of ATF retirees. Founded in May 1975 (by former ASAC George Pettway, Florida District Office), the main goals of ATFAR are to promote fellowship, monitor the well-being of members, and foster continuing relationships. Additionally, ATFAR supports meaningful objectives and/or needs of the Bureau to perpetuate the honorable traditions of the organization we proudly served.

Fun and enjoyable fellowship are emphasized at our annual Conventions held each year in designated locations that are predetermined by majority vote of the members. Hawaii; Las Vegas; Oklahoma City; Caribbean cruises; and numerous locations in the southeastern states, are examples of the sites of previous Conventions. Indoor and outdoor activities surround each gathering and the Hospitality Room (stocked with beverages and food) is always open!!

Dues are \$20.00 per year and a quarterly Newsletter is distributed to all members. Much of the Newsletter is composed of informative correspondence received from the membership.

COME AND JOIN US. YOU WILL NOT BE DISAPPOINTED AS WE SHARE
