PRESIDENTS MESSAGE

Good evening and welcome to the Garfield Alumni Foundation's 58th Annual 5th Quarter Scholarship Fundraiser Dance. We are ecstatic to resume our biggest fundraiser of the year once again after last year's postponement due to the COVID 19 Pandemic. We sincerely hope you have an enjoyable evening of dining, dancing, and winning some of our fabulous auction and raffle items. Our Board of Directors and Associates have worked very hard to present to you the very best program possible. Our thanks and appreciation to our sponsors and donors for making this one of the best assembled collections of incredible prizes. We are also featuring two of the premier bands in Southern California, Chico and Cold Duck, for

your dancing and listening pleasure. Perhaps the most important aspect of this evening is our ability to once again be able to raise scholarship funds for our Garfield High School seniors. This could not be possible without your generosity and support. Thank you from all the GAF Board of Directors, Associates and Volunteers. We wish Coach Hernandez, and our Bulldog football squad, the best as they take on the Roughriders of Roosevelt High School in the East Los Angeles Classic, just a short distance from here. We reflect on the amazing life of your past GAF President Jacob Aguilar, who succumbed after a short illness on August 28, 2021. We remember his unselfish devotion to GAF and the community, especially Garfield High School. May he rest in peace. Enjoy, and remember your support will have an important impact to our future leaders of our community.

JACOB AGUILAR

June 27,1943 – August 15, 2021

The Garfield Alumni Foundation (GAF}, Garfield High School family as well as community mourns the passing of one of the most loyal Bulldogs ever. Jacob R. Aguilar succumbed on Sunday August 15, 2021 after a short illness .He was described by many as a kind, loyal, selfless, giving, person who if he believed in you he made sure you knew it. A long time Los Angeles County employee, he retired in 2014 as the Assistant Director of Public Services. So beloved and respected by friends, family and coworkers that 700 people attended his retirement Aguilar, served as President of the Garfield Alumni Foundation from 2017 – 2020. One of his biggest accomplishments was the establishment of the Garfield High School Veterans Hall of Fame, which recognizes the men and women alumni that serviced our country honorably in all the branches of the military. Aguilar, graduated in 1961 and was the Class President.

2021 - 2022 Garfield Alumni Foundation Scholarship Recipients

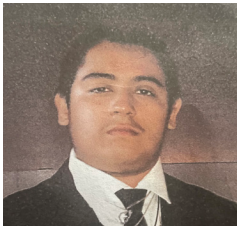

The COVID 19 pandemic caused havoc to the entire nation. One of those most affected was the educational system. With the closing of schools Garfield Alumni Foundation went from averaging 20-25 scholarships per year to zero. Now as schools reopen GAF will resume its 58 year tradition of recognizing seniors for their dedication and hard work.

It is with great pleasure that the Garfield Alumni Foundation announces six accomplished students who have been awarded a college scholarship for the 2021-2022 academic year. These students have overcome tremendous hurdles with COVID 19 and distancing learning. They are excellent role models for our Garfield community. We wish them all the continued success in the classroom and the future.

THE EAST LOS ANGELES FOOTBALL CLASSIC

It's that time again, no not Halloween... the ELA Classic!

The 86th time the Bulldogs of Garfield High will face the Roughriders of Roosevelt for the Eastern League Championship or better yet, the bragging rights of the Barrio. This annual football encounter between the two cross town rivals really brings out the fans. The student body, alumni, and the community make up the 20,00 plus fans that attend each year making it one of the top attended high school football games in the country. Because of the large size of the crowd the game is held at Weingart Stadium, on the campus of East Los Angeles College, Monterey Park California.

There is never a clear favorite when it comes to these to famed schools. Their win- loss record goes out the window for this special game. This year the Bulldogs are seeking their 11 straight victory over the Roughriders although the much-improved Roosevelt squad brings with them a respectable record and will be a formattable opponent for tonight show down. Lorenzo Hernandez, Head Football coach for the Bulldogs, offered these thoughts. "We are very excited to be participating in the 86th East Los Angeles Classic after a year of not being able to host it. The game will be fueled by the passionate students, alumni and community members that will fill the stadium seats. We as a team are honored and proud to be able to represent all the alumni, student body and the East Los Angeles community when we take the field for the Crimson and Blue"
