

In Fall 2016, the child care workforce began using the DCDEE Workforce Online Reporting and Knowledge System (WORKS) Applicant Portal to register as a child care worker, and maintain their workforce information to support education requirements, etc.

To use the Applicant Portal, an applicant must create and maintain an Individual NCID (at no charge). This is a secure username and password the applicant will use to access their account. After creating an NCID, the applicant can log in to the DCDEE WORKS Applicant Portal and register. Each applicant must have a unique NCID. This process ensures that an applicant's NCID and the account is linked correctly. An applicant will need to create their individual NCID before accessing DCDEE WORKS.

Note: An applicant may already have a business NCID, but he or she must use an individual NCID account when accessing the DCDEE WORKS Applicant Portal. If you are reading this, and you have not created an NCID username and password, please go to the North Carolina Identity Management (NCID) website at <http://myncid.nc.gov> and register for an individual NCID.
