The theme this year is to reflect on all our high school experiences as well as direct us into the possibilities of our futures. The future is wide open for all of us and the horizon is well within our reach. We have walked down many paths together and soon we will all choose a different path to follow. Let's remember what we have accomplished, the friendships we've made, and the memories we have created. Where do we go from here?

— It's up to you.

### *Saying Goodbye To A Dear Friend*

As the year is drawing closer to an end, it is hard to believe that we have to say goodbye. That goodbye is going to our dearly beloved librarian, Mrs. Ruebsamen.

Mrs. Ruebsamen, who came to Oxford schools in 1971, will retire after 21 years of faithful service with mixed emotions. "It's hard to think that I won't be here next year."

Being a librarian wasn't a childhood dream. Only since college, Geneseo to be exact, did she decide to be a librarian. She could have been a classroom teacher if she wanted to. She is certified in Elementary Education.

When asked why she decided to retire this year, she said, "I always said that when I turned 55, I would retire. It was the best thing for myself."

Memories, where to begin. Over her tenure, Mrs. Ruebsamen has had a lot of memories. Playing pranks on Mr. Lowe and watching the roof of the Baptist Church blow off are just a couple. On a more serious note, she really enjoys watching the children grow up from the middle school up through to high school. Even with all her great memories, she will miss all the people, staff, and students.

In her retirement, she might like to work for the Feds. She would also like to see the south in winter. Remembering a favorite quote, "I'd like to go as far south as when I see the last sign that says, 'Bridge Freezes Before Road'."

Over 21 years of service, she has had a great attitude and a wonderful spirit. We will all miss you Mrs. Ruebsamen!

# Students from here and far

I would like to say thank you to everybody in this school who made my staying here so enjoyable. You all helped me very much to feel at home. I had a great year here. I learned a lot and I made some great friends. I will never forget my experiences here in Oxford and I promise it will not be the last time I am here.

I wish everybody good luck in school, college and jobs. Thanks again.

Your Andy Albrecht

Hello,

First I want to say thank you very much to everyone. I'm so happy because I could stay in this town.

When I came to Oxford, I spoke almost no English. It was just yes or no. My first day of school my legs were shaking and I was so uneasy. I lost my smile.

In the first couple months, I did not laugh uproariously in school. I thought, "Am I becoming gloomy?" because I was so noisy and I laughed a lot in Japan. I always thought, "If I could speak English very well . . ." (It's still my big problem.)

But when I was getting friends little by little, my life got more and more happy.

One of my great memories is the basketball team. I did not play very well, but I enjoyed it very much. When I made my first score, my friends were so happy. More than I was, I think. Mr. Griffin is a great coach. I love them very much!

Now I don't want to leave from here. I've got great friends, teachers and families. I love you forever!!

Yuko Suzuki

Hi everybody!

It has been great being an Exchange Student in Oxford . . . a small friendly town between many beautiful hills. Oxford has been my home with my beautiful host families and all my new friends. Their friendliness, caring and understanding provided the base which allowed me to become part of your community.

During this year I've learned a lot about American people and their culture. It has been a lot of fun and interesting finding the differences between our cultures and learning to be an American.

This year was one of the best years in my life and my memories of Oxford will live forever! Thanks so much.

With all my love,

# *broaden their horizons and ours*

Hej Hej,

Being an Exchange Student isn't at all what I expected. When I first arrived in Sweden, my biggest shock was the openness of the Swedes. Anyone who has been there or met a Swede knows exactly what I mean.

The difficulty here for me is the language. The language barrier restricts me from completely expressing myself, watching the news and doing my homework. The culture is the easy part to adjust to. I can't even understand everything the Swedes try to tell me in English. All of my friends tell me I am learning fast.

All in all, I would say this year has been great. One important thing I have learned is that no matter how rough the road looks, keep going. If anyone is thinking of being an Exchange Student, or is going to be one, Don't Give Up!

Keep smiling and don't get fooled by one of those crazy Swedes (like I will be when I come home.)

Valsningar,  
Shari Golden

G'day Mates!

Being an Exchange Student to Australia has been the best decision that I've ever made. Life in Tassie is great.

Tasmania itself is quite similar to back home. The countryside and climate are almost the same as New York. The lifestyle, though, is very different. Everyone here seems to be laid back and do things when they want to. No one is ever in a rush to get things done. Everyday life is very relaxed, I would say.

I haven't had any trouble fitting in or anything at all. I suppose not having to learn another language helps. (Although Australian is different from American, in some ways.)

If you get a chance to be an Exchange Student, don't pass it up. You'll find it is the best time of your life.

Mike Waters

Salut!

Well, I'm living in the city of Rouen in the Normandy region of France. The weather and countryside are very similar to that of Oxford. Rouen is a very large and beautiful city with a lot of history. Many things in Rouen were built before Christopher Columbus even dreamed that the earth was round. I know, I couldn't believe it either.

I'm very busy here. Everyone always wants to take me somewhere and show me something. I'm playing field hockey here on the National II division team of Rouen. School is very different. I have to go on Saturdays! The students here are much more serious about school and the schoolwork is very difficult. Most of them speak fluent English and another language very well.

Well, I'm sure I'll have some great stories to tell when I get home.

A bientot  
Nicole Klemens

So gang, s'up?

I get to tell you all about the great things I've done and all the great people I've met. And you get to read this in sheer envy.

As for all of the great things I've done, I've been mountain climbing, horseback riding, and running my legs off. I've seen a lot of films. After you get interested in them, you don't notice their lips don't match up. I've made tons of new friends and met some old ones. I will be spending a week in the Mediterranean and learning to ski; I will have the benefit of the Alps.

Before you get involved with this program, ask yourself why? To meet chicks, party, or to see a new country, these just don't cut it. I will say that I am having a wonderful, exciting, terrific time and I wouldn't have it any other way!

### Senior Class History

As we made the transition from eighth-graders to freshmen, the Class of 1992 was spared the traditional booging as all preceding classes were awarded. From the very start this class was special.

As freshmen, Rebecca Monk reigned as president, the vice-president position was held by Katie Emerson, the secretary was James Perez and the treasury was maintained by Jessica Wiley. We had a very exciting freshman year. We sold beach towels as a way to raise money for prom and graduation. This sale was a huge success. We were well on our way to becoming the richest class in the school! The Class of 1992 also aided in the victorious win of Powder Puff, when the seniors and freshmen matched up against the juniors and sophomores.

As we grew into sophomores, our class' financial status flourished. We held a fund raiser and sold calendar towels. If there's one thing our class has proved, it's the fact that we hold wonderful salesmen potential! We also won Powder Puff again this year, teamed with the juniors. This year brought back Rebecca Monk as class president, vice-president still belonged to Katie Emerson, Jason Brean took over the secretary posi-

tion, and Jessica Wiley still balanced our treasury.

The junior year of the Class of 1992 was probably one of our most beneficial years. This became the first time in the history of Oxford High School that the juniors held the Student Government officer positions. As juniors, Jamie Bancroft became the president of our school, Mathew Mayhew became vice-president, Katie Emerson moved to secretary, and Jessica Wiley became treasurer. Therefore, we elected some new blood for class officers. Rebecca Monk still ruled as president, the vice-presidential position was assumed by Stefanie Behe, Staci Phillips was chosen as secretary, and Cindy Preston held the title of treasurer. As our junior year continued, we won another Powder Puff with the help of the sophomores.

As the prom grew nearer, we held a magazine sale to raise more money. We sold \$2500 worth of magazines and had a very exciting prom. Our theme and song was "Unchained Melody." We decorated the gym in colors of black, silver, and white. We had a huge chandelier made of streamers sparkling down from the ceiling. It was a fantastic night. Aside from all of our accomplishments, we are the only class who has lost Spirit Week three consecutive years. So close, yet so far away.

We have journeyed down so many memorable roads the past three years and at last we are seniors. As we prepare to make our last year the very best it can possibly be, we elected class officers to govern our activities. Rebecca Monk is back to finish her four-year term as president, Staci Phillips steps up to vice-president, Tyrone Burdick is elected secretary, and Cindy Preston stays on as treasurer.

Homecoming this year was held on November 8th. Crowning took place during half-time of the football game against Harpursville. Chosen as Queen was Kate Emerson, King was Kev Auwarter, First Princess was Jessica Wiley, First Prince was Kev Campbell, Second Princess was Stefanie Behe, and Second Prince was Adam Ryan. After the game was a dance in which we celebrated another memorable moment in the history of our class!

# LOOK WHO'S

## TALKING

*What Is Your Biggest Dream For The Future?*

“

“I want to marry a hunk of an Italian stallion with lots of money.” - Jay Warner

“To get out of this hole.” - Steph Rice

“To become more successful than Nathan will ever dream of being.” - Becky Monk

“After I have become so ultimately successful that even Becky can't touch me, I will buy a large harem of subservient Oriental girls.” - Nate Tompkins

“Go to California with Tim and Maegan, be rich, meet Jon Bon-Jovi, and then go to Paris to see Jim Morrison's grave.” - Stacy Atwell

”

*When You Go To Your Tenth Reunion, What Will You Discuss With Your Friends?*

“

“How much more money I'm making than them and how I still have my 'vette.” - Mike Markovich

“My new Porsche, my beautiful wife, and my 250 grand a year.” - Mat Mayhew

“Considering the odds against my making it to our tenth reunion, I would be content with discussing calculus with Mort (if he's still kickin').” - Kev Auwarter

“How much weight the guys have gained, how much hair they've lost, and how good the women still look!” - Jessica Wiley

“How much money I'm pulling in, how many women I have, how big my house is, how fast my cars are, and how I miss the 'good ol' days'.” - Kev Campbell

“I would remark on how my friends are bragging on how rich they are and what they drive. I would discuss with them how great it is just to live a simple life without being rich, having beautiful cars, or even having a hot chick.” - Ty Burdick

”

*What Do You Remember Most About The Class Of 1992?*

“

“The number of airheads.” - Mr. Lanning

“I remember what you were like in the fifth grade!” - Mrs. Ruebsamen

“As head advisor, there are many things I remember... the fundraisers, Spirit Week, and class meetings, but the way we came together for, and the great time we had at, our prom stands as a highlight to me.” - Mr. Godfrey

“The teamwork and success of our Homecoming float and the chaos of Spirit Week when we were sophomores.” - Mr. Carey

“A punctual and disciplined homeroom who strove for 100% attendance (NOT) and a group who refused to succumb to senioritis (NOT).” - Mr. Hicks

On March 7th and 8th 1992 the Oxford High School Drama Club performed the play *Our Town*. There was a lot more that went into this play than just the performances. There were many obstacles to overcome before opening night. To start out with we had very little money, we had no costumes, our cast was too small, the stage we rehearsed on wasn't the stage we performed on. Some of our cast members played winter sports, and play rehearsal and sports practice conflicted most of the time. We overcame all of these obstacles and rehearsed everyday after school (except Fridays) until the night of the performance. At the last minute we ran into a couple of minor problems, like Kyle Whitney spraining his ankle and Stephanie Bresee losing her voice, but needless to say, we did our two performances and by the response and applause of the crowd, we must have done well. But the only thing that really matters is that . . .

"We did it, guys!"  
-Stephanie Bresee

George tries to run out the door to see his bride to be, but his mother isn't so willing to let him go without a raincoat.

Mrs. Webb makes breakfast as usual unaware that her daughter is visiting from the dead.

The cast of *Our Town* takes a proud bow as the crowd applauds them.

Kevin Auwarter is crowned king and Bonnie Emerson accepts the crown for Katie.

Jason Golden watches the defense do its job, waiting for Oxford to take possession.

This year's Homecoming festivities began with a pep rally on the night before the Homecoming football game. This was the first pep rally ever to be indoors at night. The program consisted of the band, cheerleaders and a bonfire. There was also a Homecoming parade again this year. The parade was held after school on Friday November 8th. The sophomore class placed first, the freshman class placed second and the senior and junior classes tied for third place.

The Homecoming football game and Homecoming crowning were held on the evening of November 8th. It was the first time in Oxford history that the queen chosen was unable to attend. Katie Emerson, 1991 Homecoming Queen, was absent from crowning so her mother accepted the crown. The queen's court consisted of Kevin Campbell and Jessica Wiley as first prince and princess and Adam Ryan and Stefanie Behe as second prince and princess. Although it was a very cold evening, the Oxford Blackhawks defeated Harpursville and a dance was held after the football game. A wonderful time was had by all.

## Prom King and Queen

Shannonae Brown and Mat Mayhew

We the Class of 1992 had one spectacular prom. We had a lot of fun planning and putting it all together.

We went formal with our colors by selecting black, silver and white. The theme and song, "Unchained Melody", brought the then and now together, which, by the way, was our song for our float in the 1990 Homecoming Parade, which took first place for points toward Spirit Week.

# We sure had fun after the prom!

Most of the school went to the Y for the All-Night Party last May 11-12

This year we had our third annual all night After Prom Party at the Y. The event was attended by 197 students (61% of school) and chaperoned by 33 teachers and parents. The party was funded through a federal grant and \$1275 in local donations. Many students went home with valuable prizes.

Really Brett, that "A" just looked like an "F"

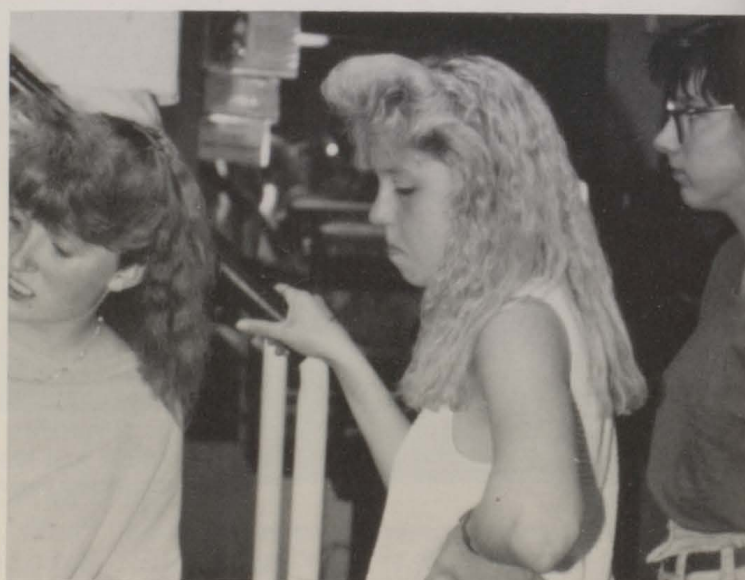

Tired, Jeff? . . . NEVER!

We liked the basketball, racketball, swimming, nautilus, weight room, dancing . . . and the aerobic class.

Show us how its done, Harv.

Come on Kristina, I'm not gonna wait all night.

# S.A.D.D. informs us of dangers of driving drunk

*Oxford SADD plans activities to promote awareness*

Our S.A.D.D. group is approaching a very successful year. With a busy schedule of activities, S.A.D.D. hopes to inform not only our school, but also our community about the dangers of drinking and driving.

S.A.D.D. began the '91-'92 school year with spirit. The group promoted awareness by setting up a display at the high school Open House. S.A.D.D. also spent time making buttons supporting the field hockey team during the state semi-finals. They also arranged to meet with the freshmen to encourage their involvement in the S.A.D.D. program.

A new program in association with S.A.D.D. is called Student Athletes Detest Drugs. S.A.D.D. encourages our school athletes to be drug-free. Other activities planned are to display a wrecked car in front of the school in the spring, support the After-Prom Party at the YMCA, and take part in National S.A.D.D. Awareness Week.

Every year S.A.D.D. also sponsors a spring assembly. Last year's assembly on May 6th was titled, "Celebrate Life, the Best is Yet to Be." During this assembly the entire school heard Officer O'Connell, of the New York State Police, tell about his responsibilities and experiences with drunk drivers. Then we watched a film called "Kevin's Story". It was about a teenager named Kevin who drank and drove and caused the death of another person. His sentence was to give lectures to groups about what he had done.

We returned to the gym to witness a simulation of what it would be like to drink and drive. Each grade level had a group of students volunteer for this activity, which had four phases. The task was to ride a handlebar scooter about fifteen yards, turn around, and return so the next person could go. During the first phase, they simulated non-drinking drivers by operating the scooters with no handicaps. The other three phases simulated drivers who were progressively drunk. Each driver put on lab safety goggles for the second phase, goggles smeared with vaseline for the third phase, and they were blindfolded for the fourth phase. Even though they didn't actually drink, the results showed what visual impairment could do to a driver. It was fun to laugh at how silly the impaired drivers looked, but the point was clear: drinking and driving don't mix.

This year S.A.D.D. hopes to invite a national S.A.D.D. speaker. They would like everyone to remember its slogans: "Don't booze and cruise" and "Friends don't let friends drive drunk."

*Periwinkle Players Present  
"Halfway There"*

In December our entire school population was transported to the middle school to see the production of "Halfway There" along with the seventh and eighth grades. The play was a powerful presentation about teenagers recovering from drug and alcohol abuse. The first scene was on the streets and then we saw the same teens interacting in a drug rehabilitation center. The presentation was put on again at night for the community.

## *Student Government promotes school spirit*

Student Government plays a very important part in the functioning of our school. We sponsor many other groups and organizations.

Student Government runs a concession stand at all home football and basketball games. It is primarily from the concession stand that we earn money to give back to other school organizations.

We sponsor many groups and activities. We contribute money to the All-Night Prom Party. In addition we give money to the agriculture program for many of their school improvement activities. Included in these are the greenhouse, the courtyard area, and the stone ring around the sign at the entrance of the driveway.

Student Government also organizes activities for you. We put on dances and plan and organize Spirit Week. Powder Puff is another activity put together by the Student Government.

Our days always start with the booming voices of our Student Government officers reading our daily announcements. On this day, Becky is standing in for Katie.

This year has been a busy one for the Oxford Chapter of the National Honor Society of Secondary Schools. Not only has it continued its many usual programs with the Christmas Baskets and Community Visitation, but it also inducted 24 new members. The number of new inductees added together with existing members made it impossible to carry out the ceremony on the cafetorium stage as in past years. This year the gym was used to induct 3 exchange students, 1 junior and 20 sophomores.

During the Honor Society's existence in Oxford, it has accomplished much good in the community. Hopefully it will continue providing its services for many more years. -Melissa Stagnaro

# The FFA grows a new greenhouse

This fall the agriculture students completed a 17' X 48'' greenhouse, which was built with student-raised funds. This new, larger facility will enable the department to raise plants which will be sold in the spring. This project was aided by generous donations of time and materials from Dubois Sand and Gravel, Marshman Farms and Blueox Corporation.

This beautiful flower bed at the entrance of our high school parking lot was one of the FFA chapter projects. They planted and maintained beds around all of the school district buildings.

Primary school students are petting a cow at the 58th annual school fair which took place in September. The FFA plans this fair each year to display and demonstrate local agricultural and home products and processes. Travis Marshman and Corey Simpson did a safety feature using farm equipment loaned by local farmers. Many community members donated time, skills and hobbies. Doris Graves and Audrey Johnson did a chair weaving demonstration. Steve Dempsey brought an antique car. Bill Stratton brought pigs for a pig-calling contest. Jerry Locke loaned us a cider press for fresh cider. Smokey Rifenberg and Robbie Ryan gave horse-drawn hayrides.

Shane Willcox, Darron Stanton, Brett Gray and Margo McGowan are putting the finishing touches on the greenhouse.

The FFA chapter designed and printed this logo in black on red shirts.

*Trip to Canada in spring of '91, initiates 32 new members in the fall of '91*

The French Club is an organization for kids who are in French 3 or higher. Every year there are induction ceremonies for the new members. This is always a fun time for the old members and an embarrassing time for the new ones.

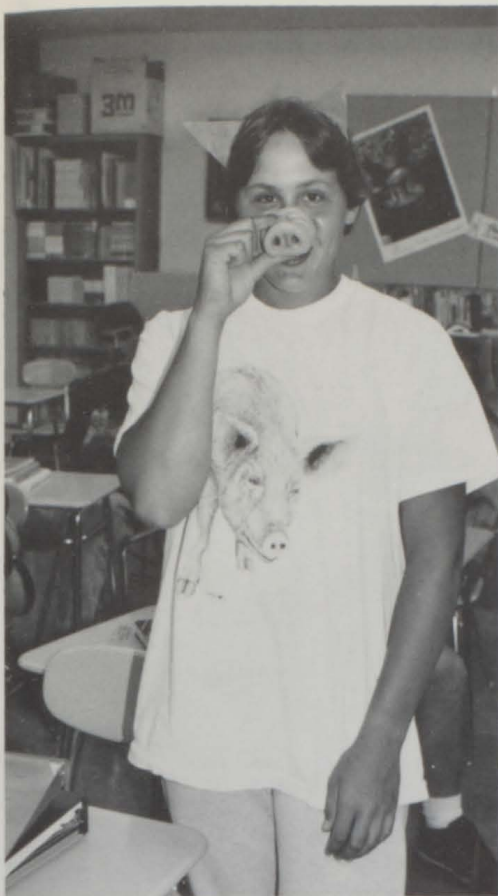

The French Club has many fundraisers throughout the year. We sponsor dances, sell candy, and sometimes we even wash cars. Most of the money goes towards the trip to France. The next trip is being planned for next year.

# band marches on

The jazz band rocks and rolls its way through the Halloween parade.

Despite the cold weather, the band marches in the Homecoming Parade.

With frozen hands and feet, the band entertained the Homecoming crowd with "Rockero".

The marching band had a very successful summer marching in four parades and playing a concert on the park for the Oxford community.

The marching band travelled to Springville this year for the Springville Pageant of Bands. They placed third for their concert band performances. The drum major, Neil Huntley, placed first overall.

They also travelled to the Afton Fair and placed first for their excellent performance marching. They went to Sidney and placed first also. They also travelled to Livingston Manor and took first place there. To end the Blackhawks' season, they went on a fun trip to Action Park in New Jersey.

Let's congratulate all those who participated and put so much time into their excellent season.

Each year the yearbook staff, for each and every part, spends countless hours putting a book together. We try to capture the best of our school. No matter how small the task, there is always someone to get it done. The successful completion of this yearbook is the result of a lot of hard work that we unfortunately never seem to have enough people to do. The effort that our staff has put into this book is greatly appreciated.

## Mock Trial

Mock Trial gives students an opportunity to view and experience the court system of America first hand. That is what Mock Trial is all about.

This year the Mock Trial Team was faced with portraying, defending and prosecuting a case dealing with the First Amendment and the protection thereof. We see that in this case a man is trying to obtain information on the whereabouts of his custodial son. A newspaper printed an article that matched the identification of his son and ex-wife, who is believed to have kidnapped him. The husband is seeking the location of his son by subpoenaing the newspaper to release to him their location. The paper has refused and is requesting the court to quash the subpoena.

The success of the 1992 team and the outcome of the case is not known due to the publication of this piece before competition.

Oxford's team in waiting for the real challenge.

The Challenge Team had a successful year as they took first place in the Tompkins-Cortland Invitational. By defeating Maine-Endwell, Cortland, and Watkins Glen the team qualified for the ASCN "Quiz Bowl Tournament of Champions" held Memorial Day Weekend at Lake Forest College, outside Chicago.

Besides competing against teams from all over the country, the team visited many famous attractions in Chicago including the Hard Rock Cafe, Wrigley Field, Shedd's Aquarium, and the Field Museum of Natural History. Congratulations on a fine year.

# Softball '91's smashing,

Our 1991 varsity softball team had another successful and eventful season with an overall record of 13-7.

On May 13th, we came into confrontation with the Harpursville Hornets. Katie Emerson, playing third base, and Margo McGowan, catching, both attempted to catch a pop fly between home and third. They ended up running into each other with Katie sustaining a broken nose and Margo sporting a beauty of a black eye!

We had a good shot at the Sus-East championship, but our hopes were dashed by the toss of a bat. We made it to sectionals, but lost our first game.

It was one terrific season and we'd like to thank everyone for their support.

This year, the 1991 boys' tennis team had its best season in the history of Oxford. They had a 6-2 league record (7-3 overall). The team finished the season in third place in their nine-team Susquehanna League. The team came in fourth place in the Class C-D East

Sectionals. This was the first time they defeated Greene.

The match of the year was in the second round of the Sectionals. Tom Sullivan came from behind 2-7 to win 10-9. He trailed 1-5 in the tie-breaker, but came back to win 7-5.

Oxford placed 4th out of 8 teams in the Section IV Regionals at Maple Hill Golf Club in Marathon.

Don Branham and Jason Bradley made First Team All-Stars in the league and Don won MVP of the league for the second year in a row. Don and Jason had the first and second best stroke averages in the league respectively, with Don averaging 37 and Jason averaging 39 per 9 holes.

Don and Jason also qualified individually for the Section IV Championships held at the Cornell University Golf Club. Don played well enough at the Section IV Tournament to play in the New York State Golf Championship as a member of the nine-man Section IV Team. The Section IV Team lost the state tournament by only two strokes, placing second out of eleven teams representing the sections of the state.

# The Blackhawks tackle another

Despite a 3-5 record, the Oxford Varsity Football Team was a force to be reckoned with. Two of the top teams stood among Division VII, a year Oxford would face to be a challenge. Oxford's name wasn't buried, due to the success of the quarterback and receiver combination of Ty Burdick and Jason Golden. Each led the section in passing or receiving yards at least once during the year.

We dare not forget the linebacker position that was held by three-year starter, Todd Tefft. This year Todd became Oxford's all-time single-season leading tackler with an astonishing 116. This year will be a season that will always be remembered.

Oxford looks to have a bright future down the road. Who knows, Division VII champs next year?

The team was young this year because there were no seniors, but there were veteran juniors, accomplished sophomores and ambitious freshmen.

With hard work, they presented a challenge for most of the teams they met. Each player was also faced with their own personal challenge. It was a year of ups and downs, but it was fun, especially on the way home.

For the first time in many years our school had a lot of spirit and support for our athletic teams.

Altogether there were twelve cheerleaders. Out of the twelve, six were inexperienced and new to cheerleading. Practices started on August 19th and continued every day after school until the end of the football season. We were always supportive of the team no matter if we won or lost; our spirit was always there.

Seniors and captains, Maegan Lewis and Jennifer Vigus, had their work cut out for them. It was hard trying to remember all the cheers to teach the new members, but they managed quite well.

This year we held two pep rallies, one for the field hockey players and one for the football players, to get them psyched for their games. The pep rally for the football players was different because for the first time it was held in the evening.

A special thanks to Cathy Dunckel for giving up her free time to be our coach; we appreciate it more than she will ever know.

Kristi, Jenny and Mary present Coach Smith with a thank-you gift.

The Oxford Field Hockey Teams had a very exciting season. The JV team went undefeated with a 12-0 record. They outscored their opponents 44 to 2. The JVs were unbelievable!

As for the varsity, this year was record-setting. We once again took second place in our tournament to Greene after penalty strokes. We finished in second place in our league behind Deposit. We moved into sectionals and played Moravia in the quarter finals. After beating them, we beat Deposit in the Semi-finals. That win moved us into the sectional finals, playing Marathon at Hartwick College on the astro-

turf. We beat Marathon, becoming Section 4 Class C-D champs. We became Section 4 Class C-D Western Regional champs after beating Akron, also at Hartwick. That game moved us to the state semi-finals against Carle Place. Everyone played a tough game although we lost 2-0.

The varsity team is the first Oxford team to have gone so far, reaching the semi-finals. We also had the longest season for an Oxford team - 82 days! We had outstanding fan and community support. Fire trucks led the team around town after winning the sectional title, the administration let the students get out of

school to go to Hartwick, Mr Orcutt had a fire drill to bring the whole school out to greet the team after winning the Western Regional title, and the parents worked together to set up a banquet for both teams. Our positive attitude took us a long way. Next year there will be eleven returning varsity players. Both JV and varsity look to be even better!

# The volleyball teams bumped, set and spiked through another season

This year the Oxford Varsity Volleyball Team had a late start even with its two returning seniors, two returning juniors, and four former JV starters (juniors). Medical problems with the team's starting setter, Jolene Thomas, caused the need for a sophomore to be moved up to help her with the position. Senior Robin Olmstead was a late addition to the team, moving into the district when the season was nearly half over. The tide of losses was turned when junior Dayle Sabin served in 22 points during the game at Harpursville. Two wins were all the team could come up with this season, but they're confident that next year will reap a more successful season. -Melissa Stagnaro

The 1991-92 JV volleyball team had a good season. Our record was 8-6 with a lot of rough games. The team started every game with a good attitude and tried to maintain that attitude even when they were down by two games. We finished third at the Sherburne-Earlville Tournament. We'd like to thank Mrs. Mackey and Mr. Mortensen for coaching us through a good season. -Cathy Smith

# 1991-92 wrestling . . . take a look at it!

Things didn't look any different than last year to the wrestling team, except for new coaches. They lost their opening match to Whitney Point with only two individual winners. After a second straight loss, to Oneonta, the grapplers decided to change things around. They went on an eight-match winning streak which included beating top teams such as Sidney, B-G-A, Greene and Walton. Unfortunately the streak ended with league match Harpursville then Deposit. Overall the wrestling team finished third in the SUS East, 9-4 overall, sixth in the Clyde Cole Tournament, fifth in the Cuncey-Doane (Walton) Tournament, third in Frankfort, eighth in the Class C, and eleventh in the Sectional Tournament.

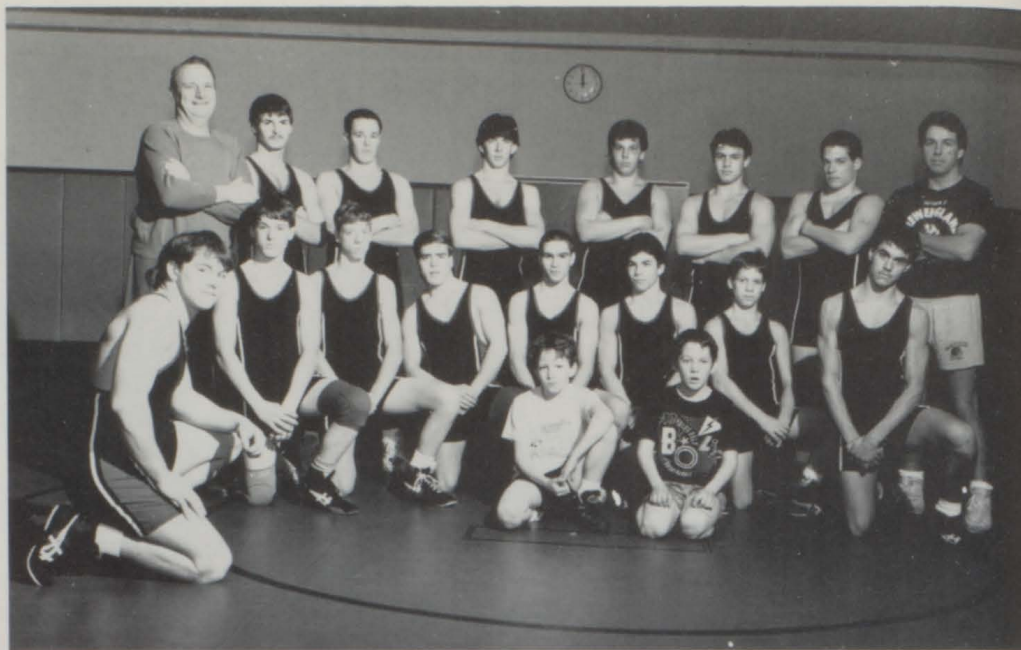

Todd Tefft and C.J. Hansen both had excellent seasons. Todd ended up first in Clyde Cole, second in Walton, first in Frankfort, second in SUS, first in the Class C, and second in the Sectionals. C.J. also was second in Sectionals. C.J. was one of two to go undefeated in all dual meets; he was also undefeated entering the Sectionals. He was first at Clyde Cole, Walton, Frankfort, and Class C. He was forced out of the SUS Tournament and a few dual matches because of his knee injury.

Rob Morley, Jamie SanSoucie, Kyle Cooper, and Michael Golden also finished fairly well. Rob placed in a tournament for the first time in his varsity career, placing third at Clyde Cole, third at Walton and fourth at Class C. Jamie looked good this season also, placing first at Frankfort, fourth at SUS, and fourth at Class C. Kyle was great. Even though he didn't place in a tournament, he was undefeated in all dual matches. Kyle was great at pulling off a win with under ten seconds left on the clock. He managed this several times. Michael was just adapting to an up and down season when bad luck struck. Michael dislocated his left elbow in practice the night before the Harpursville match. He finished second at Walton and fourth at Frankfort.

Aaron Locke and Travis Marshman both had good seasons, each pulling off valuable upsets in dual matches. Aaron won against Walton and had another upset in the SUS against Harpursville. Travis helped pull off the Greene match with his win. His Petersens and Crossface Cradles will always be remembered.

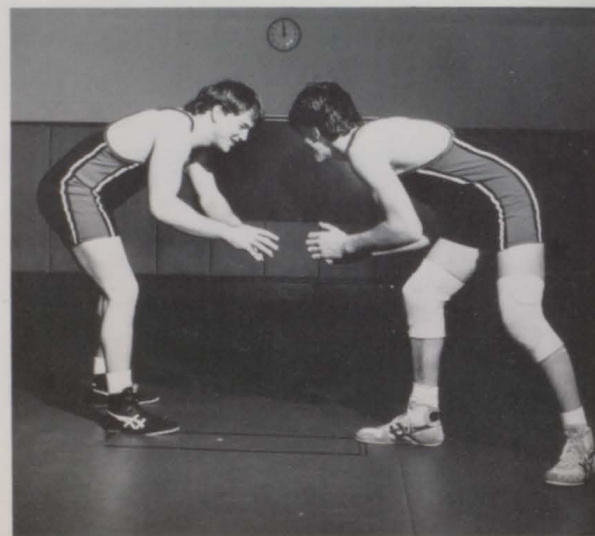

Fortunately for the team, experienced wrestlers will be only two short next season, since they will lose only two seniors. Look for a great team next year as we add some young talent to our great grapplers.

## HOBY

The Hugh O'Brian Youth Foundation Leadership Seminar is a three-day seminar for sophomores. Dina Drake attended the seminar as a sophomore. I went when I was a sophomore and last year as a junior counselor. This seminar is to initiate leadership ability and for the sophomores to recognize it in themselves. The seminar included topics such as leadership, education, and the incentive system. Being involved with HOBY for my third year now, I can honestly say that everyone that has attended the seminar loved it and has a lot of great memories of it. Outside of learning a lot, there are fun activities like a dance and skits for everyone. HOBY was one of the best experiences of my life and the friends I made there will last forever. Stefanie Behe

## RYLA

This past summer, Stefanie Behe and I attended the Rotary Youth Leadership Conference (RYLA). We spent a week at Hartwick College learning how to work effectively with others as well as obtaining leadership skills. Our mornings were filled with guest speakers who lectured about management, leadership, goal setting, and stress. In the afternoon, all 102 of us were broken into small groups and taught to work together as a team. We learned to trust each other which was very important on "Project Adventure" day.

Project Adventure was a day that our groups worked together to solve problems. There were obstacle courses set up in the woods that our groups had only a certain amount of time to solve.

RYLA was not all leadership and learning. We had a lot of fun as well. We had two dances and other activities that were fun. RYLA was a great learning experience and we made a lot of friends.

## Operation Enterprise (OE)

Wow! What an experience! I feel very fortunate that I was chosen to attend the ten-day seminar. I was able to come away from it with a better understanding of myself and other people. I heard from some of the most uplifting and innovative speakers, and I learned a lot about businesses and how they run.

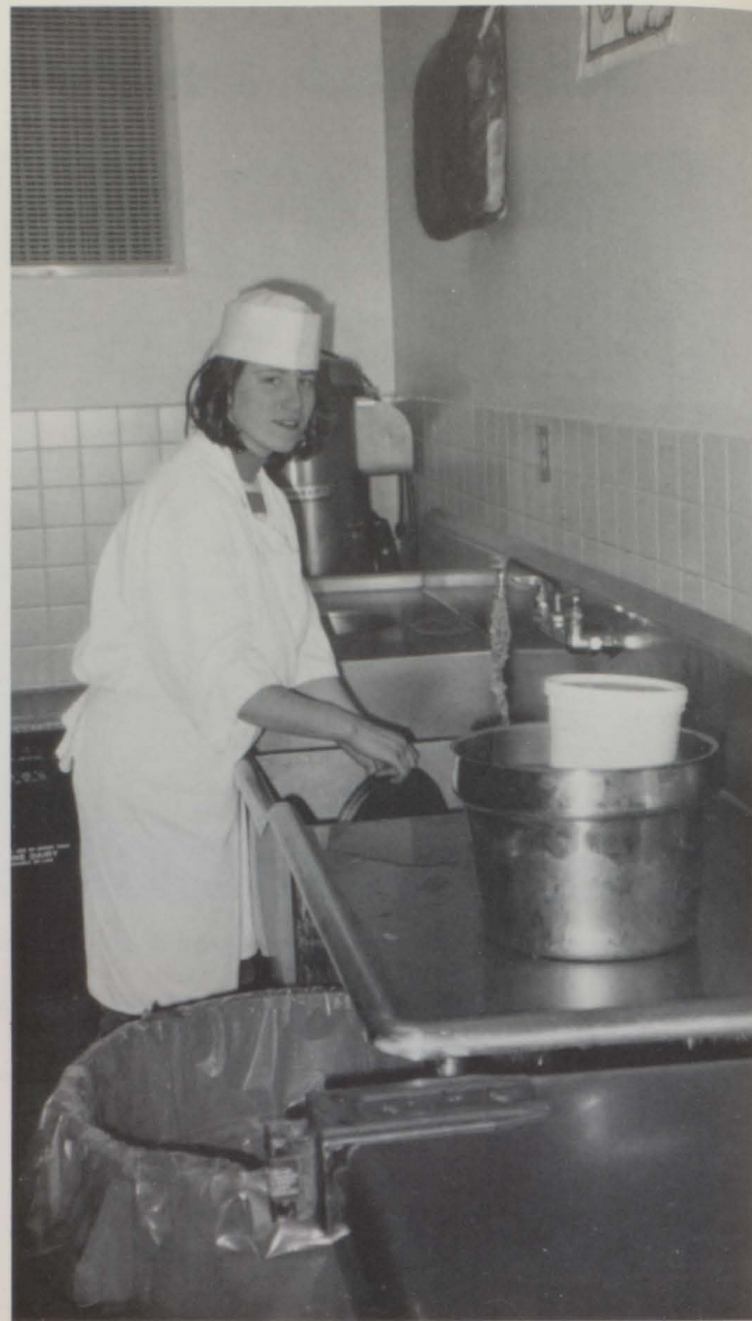

OE is also packed with a lot of fun. There is tennis, golfing, shopping, water skiing, and tons more. The best part of OE, though, was the friends that I made. The times I spent with these people were some of the best! I will never forget them.

"O" Award

Front to back: First row: S. Phillips, B. Monk, C. Kennedy, M. Mayhew, J. Perez, P. Kasmarcik, T. Bickford, D. Micha, R. Stark, N. Tompkins; Second row: S. Behe, S. Atwell, T. Burdick, C. Tanner, J. Beckwith, L. Williams, T. Nelsen, P. Vigus, T. Burdick; Third row: R. Simons, J. Thomas, K. Emerson, H. Horstman, K. Roberts, J. Duncel, K. Curtis, M. Lewis, J. VanLaar, J. Bancroft, J. Bucklin; Fourth row: B. Tracy, J. Cashman, B. Lounsbury, V. Lanning, N. Zur, M. Leonard, K. Lang, J. Amaral, K. Campbell, C. Cooper; Fifth row: M. McGowan, M. Jarvis, H. Amaral, M. Golden, H. Meringola, M. Stagnaro, T. Tompkins, B. Bleyle, K. Auwarter; Sixth row: M. Clendening, J. Whaley, M. Tiemo, C. Lewis, H. Collins, J. Markovich, K. Smith, C. Davenport, S. Cosen; Seventh row: N. Klemens, T. Bancroft

The qualification to get an Academic "O" is to get an 85 average for the year. You must take at least five subjects and you cannot fail even one of your classes or receive an incomplete. You cannot drop a course after the usual drop time.

The grades included in the figuring of the average usually count for the face value of the grade with a

few exceptions: gym, which is not counted; band counts 75% of the grade; and science with a lab, which counts 1.5 times the actual grade.

On the first day of school we have our first assembly during which the Academic "O" awards are given out.

# *Patriotism is alive at Oxford High School*

*Four students participate in the American Legion Oratorical Contest*

Jamie Bancroft, Jason Brean, Colby Cooper, and Tony Bancroft presented speeches on the Constitution.

The 1992 National American Legion Oratorical Contest began with local level competitions in the fall of 1991. The Fort Hill Legion Post #376 of Oxford sponsors our school's annual contest. Mr. Doug Bell was the Legion's local contest chairman, and Mr. Carey again served as faculty advisor and coach.

Defending champion Colby Cooper repeated his victory in a spirited four-way competition with his new speech "To Assure the Survival of Liberty". Second place went to Tony Bancroft with his speech "Voting: America's Obligations". Jamie Bancroft and 1990 champion Jason Brean were the other fine patriotic orators.

Colby was declared the Chenango County champion, and went on to deliver his call to action through informed citizen participation ably in the district contest.

*Two "Civil War Soldiers" visit Mr. Godfrey's class*

Mr. Humphrey of Oxford and Mr. Savage of Greene visited Mr. Godfrey's American Studies classes to show the authentic Civil War uniforms and weaponry to his students. They enlightened students on some of the realities of fighting the Civil War.

How tall is the tower? How wide is the base?  
 How many windows are there? How many doors?
