

2024 Ag Literacy Week Classroom Registration

Ag Literacy Week: March 18-22, 2024

Jolie LOVES strawberries - and she's on an unstoppable (and hilarious) mission to grow her own food from seedling to table in this colorful introduction to the joy of growing the popular perennial.

Through Jolie's comical scrapbook-style journal entries, young readers will learn how she convinces the "old people" (aka her parents) to let her grow her own strawberries. Growing strawberries is a lot of work and responsibility, but Jolie is ready with the help of her faithful rabbit Munchy! Together they find out just how delicious, rewarding, and sometimes complicated it can be to grow your own food.

Please register your classroom by the day before your school's Winter Break.
