- सृजनाविष्कारांचा आस्वाद आणि अभिरुची निर्माण होण्यास योग्य असे अभ्यासक्रम आहे.
- विद्यार्थ्यांमध्ये नीतीमूल्य व वैज्ञानिक जाणीवांचे संस्करण करण्यास यातून मदत होईल असे वाटते.
- राष्ट्रीय एकात्मता व बंधुभाव वाढीस लागण्यासाठी हा अभ्यासक्रम अतिशय मोलाचा ठरेल.
- मराठी भाषेच्या वैविध्याचा आणि साहित्याच्या विविध प्रवाहांचा परिचय होण्यासाठी देखील या अभ्यासक्रमाची मदतच होईल.
- या अभ्यास पत्रिकांच्या अभ्यासामुळे विद्यार्थ्यांमध्ये सृजन आणि सर्जनाच्या अनेक शक्यता निर्माण होतील असे वाटते.
- एकंदरीत सर्व समावेशक ( मध्ययुगीन, आधुनिक, गद्य, पद्य, उपयोजित, प्रकल्पाधारित कृतियुक्त असा ) अभ्यासक्रम आहे.

# पाठ्यक्रम मूल्यांकन

दि. 03 दिसंबर 2022

डॉ. बाबासाहेब आंबेडकर मराठवाडा विश्वविद्यालय औरंगाबाद के प्रथम वर्ष सामान्य हिंदी (द्वितीय भाषा) एवं प्रथमवर्ष कला (ऑप्शनल) सेमिस्टर 1 और 2 का पाठ्यक्रम अवलोकनार्थ प्राप्त हुआ।

- विवेच्य पाठ्यक्रम में कथा, काव्य तथा साहित्येतर पाठ्य सामग्री का चुनाव छात्रों की मानसिकता तथा व्यावहारिकता को दृष्टि में रखकर किया गया है।
- प्रस्तुत पाठ्यक्रम के उद्देश्य, अध्ययन-अध्यापन पद्धति उत्कृष्ट है।
- पाठ्यक्रम पढ़ाने के लिए कालावधि का विभाजन भी सटीक है।
- प्रश्नपत्र का प्रारूप तथा अंक विभाजन विषयानुकूल है।

प्रस्तुत पाठ्यक्रम छात्रों के ज्ञानार्जन में उपयोगी सिद्ध होगा।

Syllabi are a key feature of every academic course, documents that serve multiple purposes. Most often, syllabi are seen as contracts between students and the instructor and as records of what courses cover and how student outcomes and performance are evaluated for accountability purposes. Dr. Babasaheb Ambedkar Marathwada University prepared the syllabus by constituting a syllabus improvement committee for the syllabus in undergraduate (subject History). In this course it is necessary to include the following points:

- 1) Programme Outcomes (PO's)
- 2) Program Specific Outcomes (PSOs)
- 3) Learning Objective
- 4) Learning Outcomes

B. A. 1st sem. Paper First Named History of Marathas (1630AD to 1707AD.) in this Paper it is necessary to include the following points:

- Social Cultural & Economic Condition
- Architecture under Chhatrapati Shivaji Maharaj
- Konkan and Shivaji & Sambhaji Maharaj

B. A. IInd sem. Paper First Named History of Marathas (1707AD to 1818 AD.) in this Paper it is necessary to include the following points:

- ⊞ Peshwas Deccan Policy
- ⊞ Maratha Nizam Relations
- ⊞ Peshwa's and Maratha sardar Relations
- ⊞ Treaties of Marathas with other powers and its impact on Maratha Empire

Above mentioned point shall be elaborates nature of Maratha power and roll of Maratha empire in Indian History.

**BA Economics Syllabus Expert Feedback Review of Curriculum**

I have observed the syllabus of BA FY Micro Economics and Macro Economics view of student teacher the syllabus is good. It tries to include most theories of Micro and Macro Economics; However, I could see some limitations in this Syllabus.

These limitations are taken into account before introducing to the students.

- Following are the recommendations for B.A. FY. Economics syllabus to take into consideration while implementing revision of syllabus

1. Case studies must be included in the syllabus so that students will get acquainted with the practical knowledge and relevance of the topic in the present context.
2. In the paper Development Economics development theories of Indian Thinkers can be included.
3. Recent Policies can be included in papers like Public Economics.
4. Recent challenges in front of Indian Economic Development can be incorporated in the syllabus.

- Following are the recommendations for B.A.FY Economics syllabus to take into consideration while implementing revision of syllabus

1. Practical components can be included in the syllabus.
2. Paper on Banking and Finance can be included.
3. The syllabus of competitive examinations (like UPSC, MPSC, and IBPS etc.) can be included in some sub-points of units.
4. Papers like Cooperative Development, Industrial Relations, Foreign Trade, and Global Finance etc. can be included as optional papers.

**Respected Sir,**

With reference to the above stated subject, I would like to bring to your  
notice that we have collected Subject Expert's Feedback on Curriculum of UG in  
the subject of Electronics.

I am attaching herewith the detailed feedback for your kind perusal for  
further necessary action in this regard.

Thanking you.

**SUBJECT EXPERT'S FEEDBACK ON CURRICULUM**

Following is the feedback obtained on Curriculum in response to the sent syllabus of BSc Electronics of Dr. Babasaheb Ambedkar Marathwada University, Aurangabad.

I read First year Electronics Sem-I & II syllabus and Final year Electronics Sem-V & VI syllabus in detail. So I give feedback on this syllabus as follows:

1. This Curriculum provides ample opportunities to the students to implement and illustrate their learning in various contexts by focusing more on depth of understanding and breadth of content coverage.
2. This curriculum probably accomplishes the need of the industry.
3. The Prescribed book(s) are appropriate for this course.

**Suggestions:**

1. Paper pattern should be more flexible for students to secure more marks in the examinations
2. Credits for some subjects may be increased
3. Few latest topics/subjects can be added
4. Application of every chapter of each subject must be implemented through small projects
4. Practical and theoretical amalgamation of the course

**SUBJECT EXPERT'S FEEDBACK ON CURRICULUM**

Following is the feedback obtained on Curriculum in response to the sent syllabus of BSc Mathematics of Dr. Babasaheb Ambedkar Marathwada University, Aurangabad.

I've gone through the syllabus; I learned the same syllabus at my undergrad level. I would propose the following points for syllabus revision/modification:

**For First Year:**

Along with Solid Geometry (existing Geometry paper), Differential Geometry would be more suitable in place of Number Theory.

1. In the Differential Calculus paper, some Multivariable Calculus portions must be added before the Vector Calculus part (last unit).
2. In the Integral Calculus paper, the Improper Integrals would be more application-oriented if replaced with Unit-II Reduction Formulae.

**For Second Year:**

1. Number Theory could be a single paper in Semester III (from GCD and Diophantine equations to Fermat's theorem and its Eulerian form) for the first and second years.
2. Get rid of Mechanics papers and introduce some elementary-level Statistics theory papers or Python/SciLab/SageMath (or any other open-source mathematical software/ programming) lab.
3. Similar to Mechanics-II as well. The even semester paper (or if replaced with programming lab) would be the second part of which Mechanics-I in odd Semester replaced.
4. The numerical methods theory paper can now be better understood using prior knowledge of programming lab/ a statistics course in an even Semester of the second year.
5. Moreover, how can one justify the last unit of the Numerical Methods course without knowing analytical solution techniques of Differential Equations? So, before having the last team in the curriculum, it must be ensured that rigorous lectures on Differential Equations in the Earlier Semester.
6. Unit III of the course Partial Differential Equations must be at the end after completing Unit IV and Unit V. The content of the PDE course is vast. It will not allow the course instructor to dive deeply to give a natural flavour of PDEs from an application perspective.

**For Third Year**

1. Can have compulsorily Differential Equations course inclined towards Dynamical Systems, so that base for Mathematical Modelling would get prepared using previously learned programming languages.

  
**Principal**  
**Shivchhatrapati College,**  
**Aurangabad**

2. Abstract Algebra and Real Analysis are acceptable in the present form at the current level.

Overall, Statistics courses at the UG level are of utmost importance and should not be optional last year. Mechanics courses are entirely theoretical, inclined towards Physics, whereas Physics people don't do any real Physics in our country; they do material physics or chemical physics (polymers/plastics/energy-related research). The programming languages and exposure to some open-source Mathematical Tools/Platforms are equally important, which can be adjusted by removing both Mechanics papers and combining two Number Theory papers in One. The Differential Equations course can be taught in the first or second years before teaching numerical methods.

In the present form, without Statistics and Programming Skills, Mathematics graduates are incomplete 21st century. To make our graduates compete, I strongly recommend at least two programming labs (preferably in the Even Semesters of the 2nd or 3rd year). Two compulsory Statistics courses must be added (one in the 2nd and the other in the 3rd year) irrespectively. Lastly, some introductory linear algebra (matrices with some advanced topics) can also be considered a suitable place.

Respected Madam, in response to your mail I have the following views for the syllabus of B. Sc. sent by you.

1. All the titles of papers are very much **appropriate** and according to the content.
2. The splitting of units and their content **are also** proper.
3. Nearly all the aspects from classical **plant science** to advanced and applied are included in the syllabus.
4. The credits and number of lectures **are properly** correlated with the contents.
5. The practical examination scheme is properly exhibited.
6. The student participation activities like **field trips** will be helpful for better understanding and active participation of students.
7. The entire syllabus is well framed **with justified** contents and will be really helpful for all the students to learn the Botany syllabus in **synchronized** manner with clarity of concepts and applied features.
8. The syllabus is a very good platform to **clarify and enrich** the concept of Botany and will really help to students for their entry **and interest** in post graduation studies.

**Suggestion by,**

- Dr. Chandrakant Suryawanshi,  
Baburao Patil Arts & Science College  
Angar, Dist.Solapur.

The suggestions for the course titled " Bioinstrumentation and Research Methodology" M.Sc. Second Year syllabus according to Dr. Chandrakant Suryawanshi are as follows:

- 1.The syllabus is interminable within approx. 96 hours per semester.
2. The course has detailed topics in molecular biology which are not in regard with the present title of the course. ( viz. Bioinstrumentation and Research Methodology)
3. Additionally, equal focus should be on Research methodology.
4. Only main types of given techniques should be included in the syllabus to avoid overlong syllabus.
5. The demand of industry should be taken in consideration while designing syllabus to get placements for students.

**The above suggestions are as per my knowledge and expertise, please discuss with other experts as well before finalizing.**

**Suggestion by,**

- Pravin R. Puranik  
Professor,  
Dept. of Biotechnology,  
School of Life Sciences,  
Kavayitri Bahinabai Chaudhari North Maharashtra University,  
Jalgaon 425001,MS, India

The suggestions for the course titled "Advanced Immunology" B.Sc. Second Year syllabus according to Dr. Pravin R. Puranik are as follows:

- 1, The titles of units should be changed with regard to content.
2. In the first unit, transplantation of tissues and organs should be included.
3. The syllabus should be research oriented and supports industrial requirements.
4. Advances in cancer immunotherapy should be taken into consideration.

Dear Shubhangi Pardeshi

Today I found time to go through the syllabus. I have seen both the syllabi and suggested some of the changes in the syllabus for the Semester IV.

I am attaching the syllabus in which I have made some changes in the titles of Units as well as in the contents. You can see this and discuss with other colleagues to accept it as it is. Otherwise you can take this as a suggestive one. There is a scope for adding a list of reference books at the bottom. You can add the books for which copies are available at your library.

I hope this communication will be helpful to you in finalizing the syllabus.

To,  
Dear Mrs.Rani Chavan,  
Assistant Professor  
Shivchhatrapati College,  
Aurangabad.

The suggestions for the course titled " Bioinstrumentation and Research Methodology" M.Sc. Second Year syllabus according to me are as follows:

- 1.The syllabus is interminable within approx. 96 hours per semester.
2. The course has detailed topics in molecular biology which are not in regard with the present title of the course. ( viz. Bioinstrumentation and Research Methodology)
3. Additionally, equal focus should be on Research methodology.
4. Only main types of given techniques should be included in the syllabus to avoid overlong syllabus.
5. The demand of industry should be taken in consideration while designing syllabus to get placements for students.

The above suggestions are as per my knowledge and expertise, please discuss with other experts as well before finalizing.

Regards,  
Principal  
Dr. Chandrakant Suryawashi,

**Subject Expert's feedback on syllabus for the academic year 2022-23.**

I have gone through the syllabus of B. Sc. Microbiology CBS pattern. It is well designed and it is according to need of hour . As we know students must have the knowledge and skills so that it will be easy to get job after completion of the course.....this syllabus full fills nearly most such requirements and skills so that will be very helpful to students.

All basic techniques are covered in theory as well as in practical.As a Experties I recommend this syllabus for UG students.

पाली बुध्दीझम अभ्यासक्रमाचा अभिप्राय

बी.ए.प्रथम वर्ष (Sem.1&2)

विद्यार्थ्यांच्या बुद्धिमत्ता व नैतिक विकासाच्या दृष्टीने महत्त्वपूर्ण असा अभ्यासक्रम आहे.या अभ्यासक्रमातून विद्यार्थ्यांना सामाजिक मूल्यांची जाणीव होते.भारताचे संविधान, महामंगल सुत, जातक, धम्मपद, महापरिनिब्बानसुत, चरियापिटक, थेरगाथा,थेरीगाथा,बौध्द स्थळे इ.अभ्यास क्रमातील घटकांमध्ये तथागतांचे मौलिक उपदेश संग्रहित आहेत.महापरिनिब्बान सुतामध्ये 'सत अपरिहानिय धम्म',शिल पालनाचे गुण,अंगुलिमाल सुत इ.घटक हे योग्य उपदेश मिळाल्यास जीवन कसे परिवर्तित होते याचे उत्तम उदाहरण आहे.

बी.ए.द्वितीय वर्ष (Sem.3 &4):

या अभ्यासक्रमात सुध्दा सुतनिपात, थेरीगाथा, धम्मपद, दीघनिकाय, इ.घटक अंतर्भूत आहेत. हे सर्व पाठ्य घटक नैतिक उपदेशाच्या दृष्टीने महत्त्वपूर्ण आहे

बी.ए. तिसरे वर्ष (Sem.5 &6)

या अभ्यासक्रमात बुध्दीस्ट आर्ट, आधुनिक बौध्द विचारवंत, विनयपिटक, अभिधम्मपिटकाचा काही भाग इ.अभ्यासक्रमातील हे सर्व पाठ्य घटक व्यावहारिक व नैतिक जीवनाच्या जडण घडणीला सम्यक आकार देणारे आहेत.या सर्व घटकांतून आदर्श नागरिक घडविण्याच्या दृष्टीने प्रेरणा प्राप्त होते,विश्व मैत्री भावना वृद्धिंगत होते,स्वतःवर विश्वास संपादन करण्यास प्रेरित केल्या जाते,विद्यार्थ्यांच्या मनाला विज्ञानवादी,मानवतावादी बनविल्या जाते,देव,दैव नाकारून 'अत्त हि अत्तनो नाथो ' स्वतःच स्वताचा मालक ही स्व कर्तृत्वाची शिकवण दृढ होऊ शकते.

प्रश्न पत्रिकेचे स्वरूप कसे राहिल?हे मात्र यामध्ये दिसून येत नाही.कोणत्या पाठ्य घटकाला किती गुण याची विभागणी आवश्यक आहे.यामध्ये जास्तीत जास्त पाली-मराठी भाषांतरावर भर देणे आवश्यक आहे आणि त्या पध्दतीने अभ्यासक्रम बनविल्यास विद्यार्थ्यांच्या दृष्टीने अधिक हितकारक ठरू शकतो.

एकंदरीत बी. ए.भाग 1,भाग 2 आणि भाग 3 यामधील सहाही सत्रांचा अभ्यासक्रम विद्यार्थ्यांचे हित दृष्टी समोर ठेऊन करण्यात आल्याचे दिसून येते.

### B A History Syllabus feedback Review of Curriculum

Syllabi are a key feature of every academic course, documents that serve multiple purposes. Most often, syllabi are seen as contracts between students and the instructor and as records of what courses cover and how student outcomes and performance are evaluated for accountability purposes. Dr. Babasaheb Ambedkar Marathwada University prepared the syllabus by constituting a syllabus improvement committee for the syllabus in undergraduate (subject History). In this course it is necessary to include the following points:

- 1) Programme Outcomes (PO's)
- 2) Program Specific Outcomes (PSOs)
- 3) Learning Objective
- 4) Learning Outcomes

B. A. Ist sem. Paper First Named **History of Marathas** (1630AD to 1707AD.) in this Paper it is necessary to include the following points:

- Chapter II<sup>nd</sup> Shivaji & Dakshin Digvijay, Invasions of Akbar in Maharashtra
- Chapter IV<sup>th</sup> Shivaji's religious Policy, Revenue Administration

B. A. II<sup>nd</sup> sem. Paper First Named **History of Marathas** (1707AD to 1818 AD.) in this Paper it is necessary to include the following points:

- Chapter IV<sup>th</sup> Social Condition in Maratha Period, Literary & Cultural Development in During Period (1630 AD to 1818 AD.)

I Suggest the BOS Committee of Dr. BAMU, Aurangabad please See the Syllabus of MPSC (History) and Make a Draft of Curriculum Undergraduate Level.

### Feedback on Syllabus of Political Science T.Y.B.A

While studying the curriculum of the university, it was found that the curriculum is perfect considering the current global and national situation. Paper No. 109 which is based on Indian Political Thinkers is helpful to create Conceptual background among the students. paper no. 110 Western Political thought will be useful to understand different thoughts of western political thinkers..

Considering the entire curriculum, it is suggested that the subject of international politics should include the issues related to the changed international situation after the corona era in the curriculum.

विषय :- राज्यशास्त्र विषयाच्या बीए द्वितीय वर्षाच्या अभ्यासक्रमाच्या अभिप्राया बाबत ...

अभिप्राय देणारा:- प्रा.डॉ.बापूराव विठ्ठलराव आंधळे (राज्यशास्त्र विभाग)

कै. रमेश वरपूडकर महाविद्यालय सोनपेट,

जि. परभणी मो. ८८३००६६३५५

महोदय,

वरील विषयी अभिप्राय देण्यात येतो की, बीए द्वितीय वर्षाच्या राज्यशास्त्र विषयाच्या नियोजित अभ्यासक्रमामध्ये तिसरे सत्र 'भारतीय शासन आणि राजकारण' व 'आंतरराष्ट्रीय संबंध' आणि सत्र क्रमांक चार साठी 'भारतीय शासन आणि राजकारण' व आंतरराष्ट्रीय संबंध असे पेपर ठेवण्यात आले आहेत. प्रस्तुत पेपरच्या अभ्यासक्रमात भारतीय शासन आणि राजकारण या पेपर अंतर्गत भारतीय राज्यघटना निर्मिती, वैशिष्ट्ये, मूलभूत अधिकार, मार्गदर्शक तत्त्वे, राष्ट्रपती, संसद, पंतप्रधान, अंदाजपत्रक निर्मिती, सर्वोच्च न्यायालय, केंद्र राज्य संबंध, पक्ष पद्धती, निवडणूक आयोग आणि लोकशाही समोरील आव्हाने असा अभ्यासक्रम आहे.

तर आंतरराष्ट्रीय संबंध या पेपर अंतर्गत आंतरराष्ट्रीय संबंध स्वरूप व्याप्ती महत्त्व, आंतरराष्ट्रीय संबंधाचे विविध दृष्टिकोन, परराष्ट्र धोरण, राष्ट्रीय हित, राष्ट्रीय सत्ता, सत्ता समतोल, सामूहिक सुरक्षा, युनायटेड नेशन्स, तणाव शैथिल्य, आंतरराष्ट्रीय पातळीवरील महत्त्वपूर्ण विषय, विभागीय संघटना आणि गुटनिरपेक्ष चळवळ असा अभ्यासक्रम आहे.

प्रस्तुत विषयांमध्ये बीए द्वितीय वर्षाच्या अनुषंगाने दोन्ही पेपरमधील अभ्यासक्रम महत्त्वपूर्ण आहे. परंतु सदरील विषयाच्या अभ्यासक्रमामध्ये येणाऱ्या काळाचा विचार करून राज्यशास्त्र विषयाचा अभ्यासक या नात्याने मला काही बदल अभिप्राय नोंदवावा वाटतो. यामध्ये सत्र क्रमांक तीन मधील भारतीय शासन आणि राजकारण या पेपरमधील प्रकरण चार व पाच वगळून त्या ऐवजी भारतीय नागरिकत्वासंबंधीच्या तरतुदी आणि मताधिकारासंबंधीच्या तरतुदी यांचा समावेश करावा याच पेपरच्या चौथ्या सत्रामध्ये अभ्यासक्रमातील केंद्र राज्य संबंध हे प्रकरण वगळून त्या ऐवजी राज्यघटनेची मूलभूत चौकट यासंबंधीची माहिती समाविष्ट करण्यात यावी. जेणेकरून भारतीय नागरिक हा अधिक सक्षम व सजग होईल. आणि त्याचा फायदा भारतीय लोकशाहीला अधिक सक्षम करण्यासाठी होईल.

याच वर्षातील आंतरराष्ट्रीय संबंध या पेपरच्या तिसऱ्या सत्रामधील अभ्यासक्रम जशाचे तसा ठेवून चौथ्या सत्रातील तणाव शैथिल्य, गुटनिरपेक्ष चळवळ हे दोन्ही प्रकाराने वगळून त्याऐवजी नवीन संकल्पना जसे की जागतिकरण किंवा पर्यावरणवाद आणि नवीन आंतरराष्ट्रीय रचना या संदर्भाची माहिती देणारे प्रकरण समाविष्ट केली तर त्याचा उपयोग येणाऱ्या काळात विद्यार्थ्यांना अधिक चांगल्या प्रकारे होईल असे वाटते

### About feedback on syllabus

Dattatray Sawant hdattatray@vsnl.net

Wed, Dec 14, 9:58

This course is essential for creating social and political values in the students.  
 Useful for explaining Indian and western political ideologies among students.  
 It is very important from a social point of view.  
 It is a study sequence that gives detailed knowledge about the Constitution of India.  
 It seems necessary to raise the issue of relevance of the Indian Constitution include in this syllabus.

सदर अभ्यासक्रम हा विद्यार्थ्यांमध्ये सामाजिक व राजकीय मूल्य निर्मितीसाठी आवश्यक आहे. विद्यार्थ्यांमध्ये भारतीय व western राजकीय विचारधारा समजावून देण्यासाठी उपयोगी पडतो. सामाजिक दृष्टिकोनातून तो अत्यंत महत्त्वाचा आहे. भारतीय संविधानाविषयी सविस्तर ज्ञान देणारा अभ्यास क्रम आहे. भारतीय संविधानाचे प्रस्तुतता हा मुद्दा या अभ्यासक्रमात नव्याने माडणे आवश्यक वाटते. डॉ. दत्तात्रय साँदागर सावंत, विभाग प्रमुख, राज्यशास्त्र विभाग कला, वाणिज्य व विज्ञान महाविद्यालय लांजा जिल्हा रत्नागिरी

BA Economics Syllabus Feedback feedback Review of Curriculum

I have observed the syllabus of F.Y.B.A Microeconomics and macroeconomics. In view of students and teachers the syllabus is good. It tries to include most theories of microeconomics and macroeconomics. However, I could see some limitations in this syllabus. These limitations may be taken into account before introducing to the students.

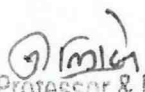

- 1) The **case studies and field visits** can be added in the syllabus, on which assignments may be given to students. So students will **gain practical knowledge** about economic theories, and they will understand these theories practically.
- 2) In the unit 1 of sem I, basic tools (equation, functions, curves, graph, etc.) of economics can be added.
- 3) Movement and shifts in the demand curve and supply curve can be added.
- 4) In the unit 4 of Sem I concept of market failure can be added
- 5) In sem II, Unit 2 Break-even point analysis can be added.
- 6) In the unit 3 (sem II) market structure, wastages and excess capacity under monopolistic competition can be added with realistic examples..
- 7) In the unit 3 (sem II) market structure, cartel and price leadership can be added in the oligopoly.

There are some suggestions for **F.Y.B.A Macroeconomics** as follows.

- 1) In the sem II unit I Velocity of money theory can be added.
- 2) In the sem II unit I Process of credit creation by the commercial banks can be added.
- 3) In the sem II, Functions of Commercial Bank and progress of commercial bank can be added.

BA Economics Syllabus Feedback feedback Review of Curriculum

I have observed the syllabus of .B.A SY & TY optional subject. In view of students and teachers the syllabus is good. It tries to include most theories of all subjects. However, I could see some limitations in this syllabus. These limitations may be taken into account before introducing to the students.

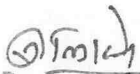

▪ **Following are the recommendations for B.A.II Yr. Economics syllabus to take into consideration while implementing revision of syllabus**

1. Case studies must be included in the syllabus so that students will get acquainted with the practical knowledge and relevance of the topic in the present context.
2. In the paper Development Economics development theories of Indian Thinkers can be included.
3. Recent Policies can be included in papers like Public Economics.
4. Recent challenges in front of Indian Economic Development can be incorporated in the syllabus.

▪ **Following are the recommendations for B.A.III Yr. Economics syllabus to take into consideration while implementing revision of syllabus**

1. Practical components can be included in the syllabus.
2. Paper on Banking and Finance can be included.
3. The syllabus of competitive examinations (like UPSC, MPSC, and IBPS etc.) can be included in some sub-points of units.
4. Papers like Cooperative Development, Industrial Relations, Foreign Trade, Global Finance etc. can be included as optional papers.

**Feedback on Syllabus**

|   |  | Strongly Agree | Agree | Neutral | Disagree |
|---|--|----------------|-------|---------|----------|
| 1 | Whether the Current syllabus addresses the local needs of the society. |                | √     |         |          |
| 2 | Whether it meets the applied aspects related to the industry.          |                |       | √       |          |
| 3 | Whether the curriculum is based on entrepreneurship development skill  | √              |       |         |          |
| 4 | Whether it promotes Environmental awareness.                           |                | √     |         |          |
| 5 | Whether it improves overall personality of the students.               |                | √     |         |          |

**Suggestion:**

1. Credit should be mentioned in the syllabus.
2. Although the syllabus is of less components, it should be comprehensive so that the students get complete knowledge of that component.
3. Every five years the syllabus should be revised according to base of current time.

**Comments Of Subject Experts On The Syllabus**

❖ **Compulsory English-**

1. The entire syllabus is completely comprehensible to students but inclusion from modern literature may help students to learn modern world and its representation.
2. By detailed and keen observation of syllabus I strongly recommend that in compulsory English, practice oriented syllabus can be prescribed.
3. In compulsory English inclusion of female writers maybe possible.

❖ **Optional/SL /Additional English-**

1. For optional English course, we can include Indian female authors as well as European too.
2. For the preparation of different competitive examinations, English for grooming can be included for special students.
3. In additional English, listening skill may be prescribed.
4. Different activities like role playing, describing and daily communicated English can be a part of syllabus.

● **Recommendations-**

1. For the better understanding of the students, the syllabus can be reduced to 10%.
2. In special/optional subjects, Nobel winning authors maybe included.
3. Female authors have not been included in all subjects so please do the needful.

Thank you.

My opinion and suggestions on the syllabus of Compulsory English and English Literature of undergraduate classes of Dr Babasaheb Ambedkar Marathwada University are as follows:

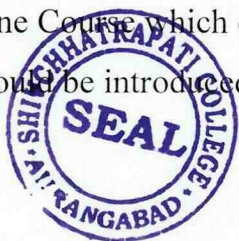

**Compulsory English :**

i. As mentioned in the core values the syllabus encourages the cultural understanding and introduces intellectual aspects of life to the students. Through different forms of literature the intricacies of English language are introduced. In internal assessment part power point presentation is also introduced. It will definitely enhance the IT and presentation skills of students. The Grammar portion is apt.

ii. The Spoken English part is left untouched. I suggest introducing books on Spoken English which includes Conversation in different contexts and some part of phonetics. The study of IPA symbols, word transcription and Word Stress can help students to know correct pronunciation of English words. With the knowledge of pronunciation they can try to minimize their mother tongue influence on pronunciation.

iii. New Education Policy recommends skill enhancement. A separate part in the syllabus of each semester entitled "Communication Skill" can be introduced.

iv. Every year One Course which can expose the students to English Language and Communication should be introduced.

## English Literature :

i. Literature is the manifestation of human intellect in the best form of language. Different life experiences from all part of the world are presented to the readers by well known writers. In addition to cultural understanding, English writers present the use of English Language for creative purpose. In the syllabus of English Literature of Dr. Babasaheb Ambedkar University students are introduced to some master pieces and some dramas of Shakespeare. Almost all the forms of literature with study of background study of different ages are introduced. The syllabus definitely helps the students to develop their understanding of English literature.

ii) If we consider the study of English Literature from professional point of view, we need to link the study of literature to language. Literature is creative use of language. Therefore I think a part in the syllabus based on creative writing should be introduced. Secondly, the students of literature can try their hand in the area of journalism where developed spoken and written form of language is demanded. Another part containing certain topics from journalism should be introduced.

Dear Madam, All the syllabus of Botany from semester First to Six are well designed. If possible, reduce some of the syllabus of Algae, fungi, bryophytes, pteridophytes, gymnosperms and angiosperms and introduce the unit of Cell Biology, Genetics, Cytogenetics and Molecular Biology in the syllabus for Semester First to Fourth.
