

MATH TEACHER (MIDDLE SCHOOL)

JOB DESCRIPTION

We are seeking a part-time middle school math teacher who is willing to teach a Catholic, liberal arts curriculum while integrating the Magisterial teaching and traditions of the Catholic Church. Candidates should be qualified to teach mathematics to 8th grade students, with the occasional flexibility for periods of independent study for particularly gifted students.

QUALIFICATIONS

Candidates should have at least a Bachelor's degree in Mathematics Education or a related field. Experience as an educator is preferred. All candidates must be practicing Catholics and be willing to sign an Oath of Fidelity to the magisterial teachings of the Church. Please send a cover letter, resume, and three professional references to Andy Follaco at afollaco@johnboscoschools.org
