Deep in the forest or even in your own garden exists a world of fairies, elves and gnomes. Ask them to come forward and then sit and wait patiently, keeping your gaze soft as you observe. Through his eyes you are able to follow how he first encountered nature spirits and elemental beings and he encourages the reader to get out into nature and experience them for themselves. Blog at WordPress. Comments RSS. Just like we have guardian angels and spirit guides looking out for us, Mother Earth has elementals who tend to her and help protect her. Anyone wishing to do the same will find this book very informative. Javascript is not enabled in your browser. My idea is to offer an insight into the process of gradually exploring a world unknown to modern human culture, yet of basic importance for the life of the planet. As a result, the original version of the book Nature Spirits and Elemental Beings was born. But instead of improving them, I decided to let them be as they are and write a commentary on how I do perceive that specific aspect of Earth consciousness today, after having 15 years of experience in communicating with the fairy world. As a result of tuning in to plants, trees, and animals, and illustrating the disrupted flow of energies within the landscape, the true impact of human culture upon the harmony of the natural world is evocatively revealed. Learn how to enable JavaScript on your browser. Have you ever seen twinkling lights dance across the room? It is also recommended to avoid asking Nature Spirits for specific guidance or help. After a while, I realised that there was a purpose behind all these experiences. They represent a new type of Gaia consciousness that knows the Christ experience and has been taught how to communicate with human beings and, when the proper moment arrives, also to co-operate with us. It can be hard to wrap your head around the fact that these Nature Spirits really do exist. He has developed this further into earth lithopuncture, which aims at healing disturbed landscapes and power points. By continuing to use this website, you agree to their use. My primary interest in nature spirits arose from ecological awareness: how could we human beings restore our pristine relationship with the home planet, if we do not know its consciousness? I read again my original text to see where its weak points were. Discover the extraordinary island of Nus Tarian, in Indonesia, where everyday reality contains terrifying, inexplicable, and miraculous phenomena. Product Details About the Author.
