Greetings to our friends and colleagues in the Great Commission!

In Revelation 5:9, the heavenly beings sing to Jesus: “You are worthy...because you were slain, and with your blood you purchased for God persons from every tribe and language and people and nation” (NIV).

The words “He Is Worthy!” ring clearly in AGWM’s work around the world. God’s sovereignty and creative power are on display as we look at all He brought us through in 2021. We understand you faced countless pressures this year, and it has been a challenging time for AGWM as well. We are so grateful to God for His faithful provision through the sacrificial generosity of individuals, churches, and districts/networks. The timeliness of AGWM’s 2022 theme is evident as we proclaim around the world that “He Is Worthy!”

As we present our *2022 Missions Resource Catalog*, we are grateful so many of you have discovered the benefits of church-wide missions events. Large or small, God is using these events to advance His kingdom, bringing missionaries in contact with the sending church. As the people in your church hear missionaries’ miraculous God-stories and sense their burning passion for lost people, we pray their commitment to His global mission will be renewed. The products in this catalog—from prayer maps to theme bracelets—have been prepared with the people of your church in mind. Not only will they perfectly supplement your 2022 missions events, but they will cultivate missions awareness in your congregation all year long.

Sandie and I are deeply grateful for your dedication as we work together to establish the Church among all peoples everywhere. Thank you!

So all can hear,

Greg Mundis
AGWM Executive Director

AGWM

©2022 Assemblies of God World Missions
 Springfield, MO 65802-1894

Because of who Jesus is and what He accomplished, He is infinitely deserving of all glory, praise and honor in heaven and on earth. He alone is worthy of His reward, which is the justification of those who call on His name (*Isaiah 53:11*).

HE IS WORTHY is this year's AGWM missions theme. God has provided all people freedom from spiritual darkness through the death and resurrection of His Son. **HE IS WORTHY** is the good news to be proclaimed around the world! **HE IS WORTHY** because through Christ's sacrifice He has purchased people from every tribe and language and people (*Revelation 5:9*).

The AGWM team has prepared a variety of materials that communicate this theme to children, youth and adults. Churches—both small and large—will find items to inform and inspire their congregations and enhance missions conventions, services, and small groups. Banners in print and digital formats, bulletin covers, placemats, a children's activity book, and Holy Spirit-inspired songs all emphasize this year's theme to tell the marvelous story of missions. In addition, we are pleased to make the entire line of **LIVE DEAD** publications available to churches and individuals. These excellent materials reinforce AGWM's vision to plant the Church among all people everywhere!

In the last 20 years, the number of Assemblies of God missionaries assigned to countries with the least access to the gospel has more than tripled. Great days of reaching, planting, training and serving lie before us! Remember, Jesus' Great Commission (Matthew 28:16-20) was not given to just a small group of specifically called people. It is for all of us. The good news is ours to share because **HE IS WORTHY**.

Thank you for giving AGWM the privilege of serving you as we unite in God's global mission!

*Establishing the Church among all peoples everywhere—because **HE IS WORTHY!***

Banner Installation and Care

Banners are one of the easiest types of signage to install. Use cords, strings or bungees to attach the corner grommets to stationary objects, such as poles. You can also use screws and washers to install your banners to rigid backgrounds, such as wood or concrete, or you can use zip ties or string to fasten them to fences or between posts.

To care for your banners, regularly clean them with warm water and allow them to air dry before storing. To easily store your banners, roll them up and keep them in a dry area at room temperature. Any wrinkles in your banners should come out within a couple of hours in the sun or heat.

Communicate the missions theme with a large, visible video banner.

Music is a powerful way to communicate. This year we have two inspiring new songs, written by up-and-coming writers Lisa Brunson, Mitch Wong, Richie Fike, and Travis Ryan. Arranged by J. Daniel Smith, **YOU ARE WORTHY** demonstrates what Revelation 5:9 (NIV) says, *“You are worthy... because you were slain, and with your blood you purchased for God persons from every tribe and language and people and nation.”*

“You Are Worthy” and **“Whatever It Takes”** echo God’s love for the lost.

May this Scripture-inspired music bring a new level of missions awareness to your church.

"I wanted to do a Missions Week at my church. Unfortunately, I didn't have any resources! I knew I wanted quality material from a Pentecostal perspective. I remembered vividly the Missionaries Stories some of my pastors had shared and how they encouraged my faith. I called the Assemblies of God World Missions Department for help and I'm so glad I did!

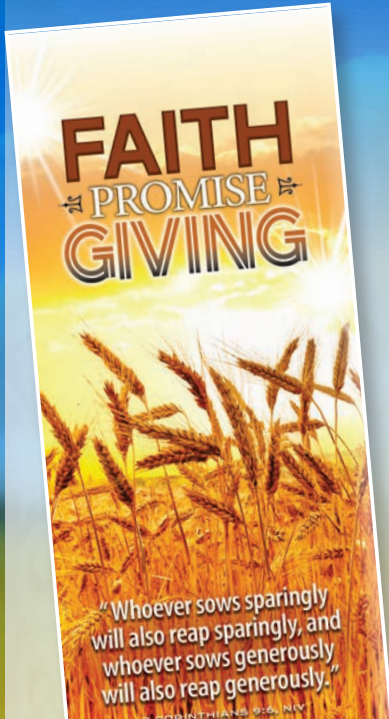

Everyone went above and beyond to help me. The materials were amazing — exactly what I wanted. The WorldView magazines are beautiful and the photography is breathtaking. The stories will touch and encourage your heart.

Need resources? Call AGWM! You won't regret it!"

LIVE | DEAD

Teams Planting Churches Among Unreached Peoples

LIVE | DEAD is committed to taking the church where it does not exist. We are committed to making a difference in the statistic that 40% of the world lives without access to Christ. LIVE | DEAD's strategy to execute this vision is to plant churches among unreached people groups through multi-national teams. Whatever our engagement, our goal is churches.

The Live | Dead Journal 718-203 | \$8.99

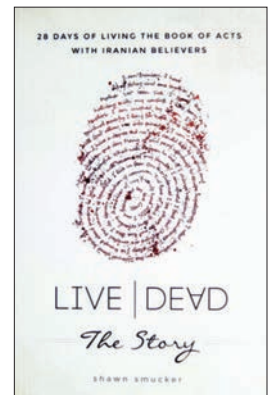

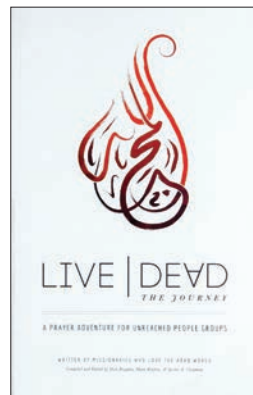

This journal of 30 daily meditations examines character-based missions among unreached people groups (UPGs). Each day includes an informed way to pray for an East African UPG and a challenge to live and die for Jesus so that He might be made famous among all peoples.

Live | Dead The Journey 719-501 | \$8.99

In these pages you will join the journey of workers in the Arab world. See how Christ is being formed in them as they walk in obedience to Him, and read stories of how they model Live Dead values.

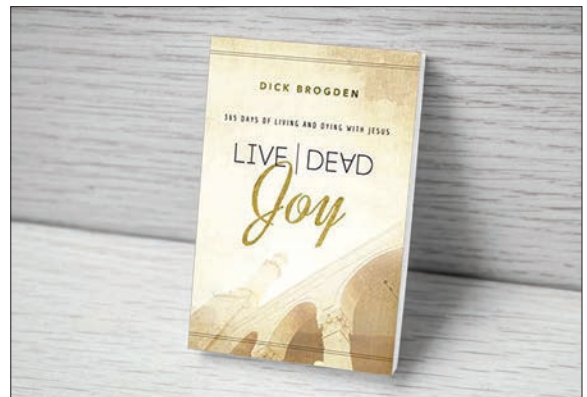

Live | Dead The Story 719-504 | \$8.99

Discover true stories and more through the pages of this 28-day peek into the lives of Iranian believers. Journey into the heart of Iran, and discover that the early church of Acts is alive and moving.

Live | Dead Joy 719-506 | \$12.99

Written in a deeply personal style that provides a fresh perspective on the disciplines of the Christian life, each one of these 365 devotions is based on a suggested Bible reading. This devotional will put you on the path to a life of deeper faith and stronger dedication to Christ.

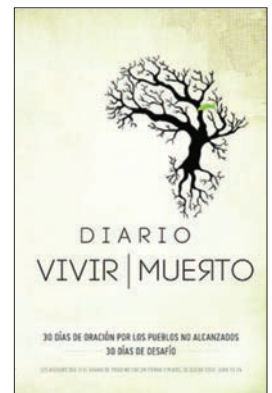

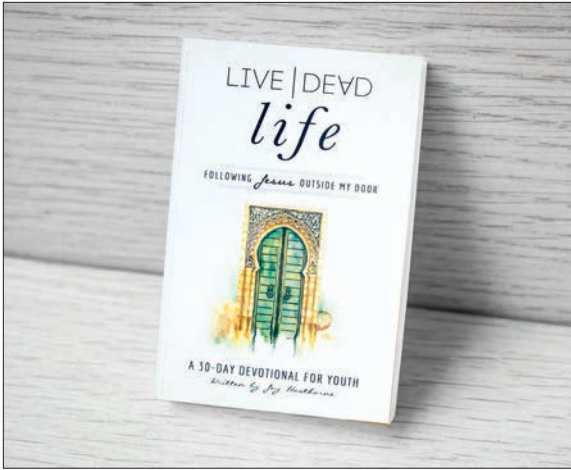

The Live | Dead Journal: Her Heart Speaks 718-200 | \$8.99

The Live Dead Journal: Her Heart Speaks contains the real, raw, and surprisingly human stories of many women who daily choose to "die to self." They have left home, country, family and friends to live with others in hard places so Jesus can be made known.

Diario: Vivir Muerto 718-204 | \$8.99

Este diario está diseñado para ser un viaje de oración de 30 días. Cada día incluirá información sobre un pueblo todavía no evangelizado y una reflexión sobre lo que significa vivir muerto. Sin embargo, en este diario te pedimos que consideres a los que no solamente están perdidos, sino a los que también no han sido evangelizados y que no están involucrados. Tú orarás todos los días por los que no tienen la Biblia en su idioma, ni iglesia, ni misioneros, ni creyentes ni ningún acceso a Jesucristo. Es inconveniente evangelizarlos. Se toma sangre, sudor y lágrimas para mostrarles el amor de Jesucristo.

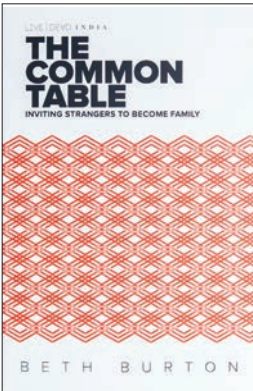

Live | Dead Life 719-502 | \$8.99

Join the author for a 30-day study of abiding in Jesus and the values that help us live dead. Through these pages, learn how to make Jesus known wherever you are and wherever His love is resisted.

***Our author wrote this book for her peers—for young people—but readers of any age are welcome.

Live | Dead India: The Common Table 719-507 | \$8.99

The Common Table: Inviting Strangers to Become Family is an invitation to a way of life. Author Beth Burton shares her story and the stories of Live Dead India teams as they open their tables and their lives to unreached that surround them. This six-week journey through India as seen through the eyes friends who call India home will transform your life and relationships.

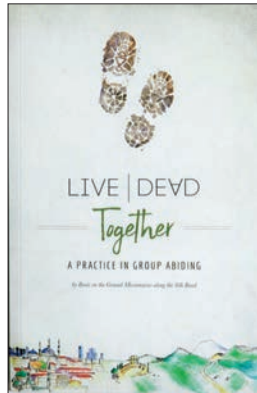

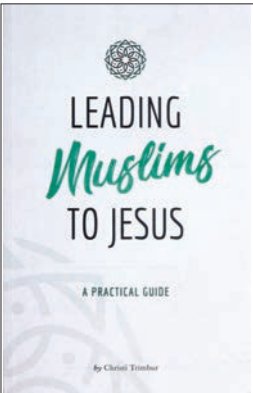

This Gospel 719-505 | \$8.99

This Gospel is a collection of missions sermons preached by Dick Brogden. They are gathered in these pages in the hope that, as you read them, you will be encouraged to love Jesus, to align with His purposes in all the earth, and to be willing to do whatever it takes for His honor.

Leading Muslims to Jesus 719-508 | \$8.99

In order that they may learn about His great love, God both sends us to Muslim lands, and He brings Muslims to our lands. This book is a practical guide geared to help believers lead Muslims to Jesus, no matter where they live. Drawing on her experience in the Arab world, the author gives simple, doable advice on how we can lovingly invite Muslims to be freed from sin and assured of their heavenly home.

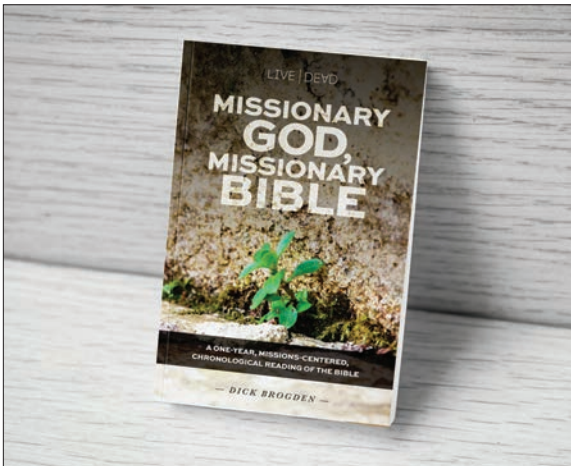

Live | Dead Together 719-503 | \$12.99

Abiding has always been about drawing near to Jesus both alone and in community. Live Dead Together was born to reinvigorate and shape our practices of gathering together to meet with God and one another.

As a guide in cultivating group abiding, Live Dead Together is about waiting in God's presence as a body of believers, reading, reflecting, discussing, learning, and, most of all, actively responding to His Word. This book is a tool designed to grow in each of us the vibrant, Christ-like character and tangible spiritual practices necessary to reach the hundreds of unreached people groups along the Silk Road who currently have no access to the good news of Jesus.

Missionary God, Missionary Bible 719-514 | \$12.99

Missionary God, Missionary Bible is a one-year devotional based on a chronological reading of the Bible. Each day author Dick Brogden builds the case and the message is reinforced: He who is holy delights to be our God. We are to be God's holy people that He might dwell among us. His glorious presence will wholly bless us in order that all nations might be likewise blessed. Neither God nor His Bible lets us underemphasize how central all nations are to His overall plan. Each day includes a Scripture reading, a devotional connecting the reading to God's great missionary plan, and an unreached people group to pray for.

AFRICA
TABERNACLE EVANGELISM

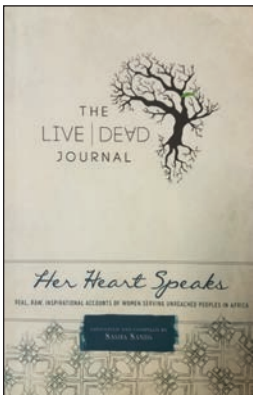

The Live Dead Journal

To LIVE DEAD is to live life wholly for Jesus. To die to self, knowing God will do a greater work through you. To announce the life of God among those who are unreached. This journal, in 30-day meditations, examines character-based missions among those unengaged by the gospel. Each day includes an informed way to pray for an unreached people in East Africa and a challenge to live and die for Jesus in order that He might be made famous among all peoples of Earth.

English paperback 718-203 | \$8.99

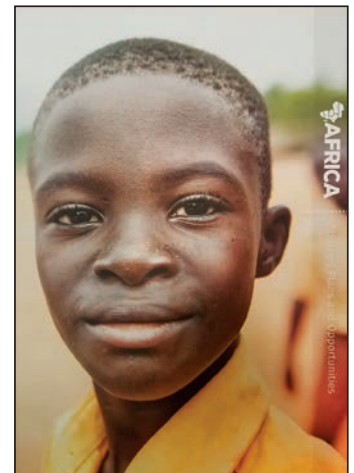

Spanish paperback 718-204 | \$8.99

The Live Dead Journal: Her Heart Speaks

The Live Dead Journal: Her Heart Speaks contains stories of many women who daily choose to "die to self" leaving home, country, family and friends to live with others in hard places so Jesus can be made known. The accounts you will read are real, raw and surprisingly human. All of these women would quickly tell you they are not special, superhuman or unique. They simply took Jesus at His word when He said, "Go into all the world and preach the gospel," no strings attached.
