### From The Race Director:

6,503 finishers in the 15K!!! That's about 1,500 more finishers than in 1989. This makes River Run the largest single race in Florida and the largest 15K in the Nation. I can only thank our fine sponsors, the thousands of volunteers and of course you. Mark March 9, 1991 on your calendar. That's the date for River Run XIV.

Doug Alred

Some would call this  
murder on the muscles,  
torture on the feet,  
cruelty to the lungs,  
and way too early  
to get up on a Saturday.

You probably think it's fun.

Good for you. And all the other runners in Jacksonville's 1990 River Run. Three cheers for everyone with the guts and determination to make it to the finish line. From Publix. Where shopping is a pleasure.

*"We don't want to promise you the most enjoyable car buying experience you've ever had. We'd rather deliver it."*

Selling a luxury car like the Infiniti Q45 sedan or M30 coupe is as serious a commitment as buying one. Just as you expect a pleasurable and lasting relationship with the vehicle, you should expect a lasting relationship with your dealer.

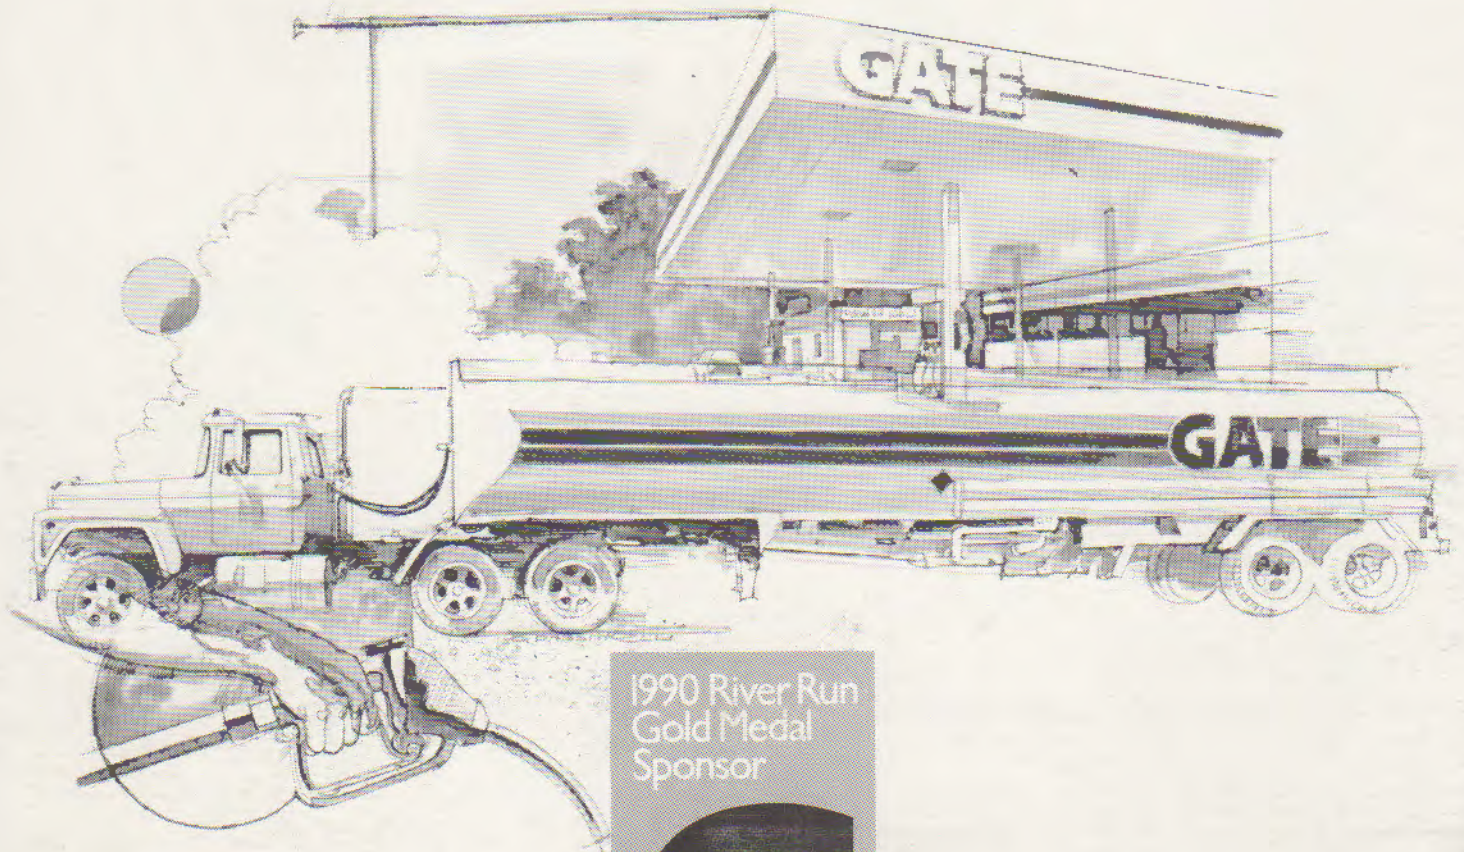

Which on our part means taking the time at delivery to carefully answer any questions you might have about the operation of your new Infiniti. It means providing quick, courteous service when the need arises and extends to programs such as 24-hour roadside assistance, should problems arise when you travel.

It's all part of an innovative way to sell cars we call the Infiniti Total Ownership Experience. We'd like to tell you more about it. Please stop by at your convenience for additional information or a test drive of the new Infiniti Q45 luxury sedan or M30 sports coupe. Thank you.
