Mr. Choate,

The Department has received a permit transfer form for Permit No. ARR001380 – Frank Thompson Transport, Inc. to Delek Logistics Transportation, LLC. In accordance with Department policy, new permittees must be in Good Standing with the Arkansas Secretary of State as well as the state of origin. At this time, Delek Logistics Transportation, LLC is not listed with the Arkansas Secretary of State. If this is the legal name you wish to use, you must register with the Arkansas Secretary of State before the review of the transfer can continue.

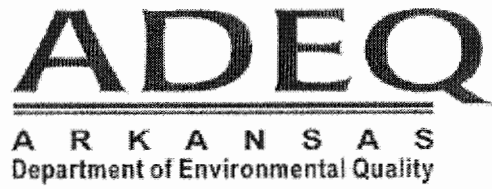

I did find the similar names of “Delek Logistics Operating, LLC” and “Delek Transportation, LLC” listed, which are both in Good Standing in Arkansas but that originate in Delaware. If one of these or another legal name is to be used, you must provide an updated NOI with the updated legal name as well as proof of Good Standing in Delaware if the corporation originates there.

Please respond with the corrections within 14 days from the date of this email. Failure to submit the required information may result in the application being placed in an inactive status.

If you have any questions, please let me know.

Thank you,

Gina,

I have received a permit transfer form for Frank Thompson Transportation (ARR001380). Are there any enforcement issues that would prevent the approval of this transfer?

Thanks!
