Foreword

As we think of the school day from 8:30 to 3:30, we remember the things we've shared with classmates during regular days of studying, tests, and deadlines. But for most AHS students, the school day did not end at 3:30. Extra time was spent in anxious moments of sports and quieter moments in drama, music, and organizations.

Both times of each day were important. Each of us participated in the part offered between 8:30 and 3:30, but who can say which time was really more important to us? Few of us will forget the time spent in activities or what we learned in that time. This is why the staff of the 1971 CUBETTE will present the aspects of both these valuable times, 8:30-3:30, plus.

The year began with wild enthusiasm during the football season. Many winless seasons had preceded, but this one provided the reality of the hoped for Homecoming victory, and ended as the best season of 11-man football at

AHS. The basketball season was also outstanding with a 16-6 regular season, and second place in both the district and conference tournaments.

The year saw two new activities. The Literary Vanguard was created, providing a time for concentration on each member's work as well as well known writers. Girl's track was also started with a large number of participants.

The school building and schedule were changed. The library was converted to a modernized media-center, providing a pleasant atmosphere for the students. Modular scheduling was also introduced. At first it was mass confusion, but resulted in an accepted, tailored schedule.

As we then looked forward, the year looming ahead seemed endless. But now as we look back, we realize it sped by. Let the 1971 CUBETTE help you recapture and relive each unique day from 8:30 to 3:30, plus.

Dedication

The 1971 Cubette is dedicated to David Lamar Barnes, a member of the class of '71, who left this life on July 23, 1970.

Dave was a part of Alcester High for only one brief year. But during that year, he was a friend to all, as well as an active part of our school. Sports, studies, and everything he did was characterized by determination and dedication. With his short life on earth, Dave gave of himself more than most of us ever do.

Although Dave is no longer with us, the memory of him and his life among us is. This memory continues to inspire us to strive to do our best, and to look toward the "upward call of God."

This annual is dedicated to Dave because of his contributions to AHS, and his enthusiasm about life, which we were privileged to share with him for a little while.

Dave participated in many activities, such as the junior class play.

Student Council and Administration

Student Council Sponsors Ice Cream Social

The Alcester student council consisted of one boy and girl from each the freshman and sophomore classes, two boys and one girl from the junior class, and three boys and one girl from the senior class. The council was led by President Clark Wilson and assisted by Mr. Person, advisor. They met monthly to discuss various subjects and ideas.

Some of the duties that the student council strove to carry out were to help provide an environment of co-operation between faculty and students in all co-curricular activities, to develop ideals of school spirit, to promote the practice of good citizenship, and to work for the general welfare of the school.

Student council members were chosen from each class at the beginning of the year. The group planned and organized the Homecoming Sweetheart activities and held an ice cream social. They carried out several other activities and helped with the school picnic.

Student council members Arlo Lykken and Jeff Sogn help set up the "Big Toe Jam Band" before the Sweetheart dance.

Miss Irresistible Ramona Jurgensen and Mr. Irresistible Jim Heunink were chosen at Boy's Hush Day and Girl's Hush Day sponsored by the student council.

Student council members Ralph Rasmussen, David VanBallegooyen, Arlo Lykken, Doris Israel, Marji Anderson, Mr. Person, Linda Rogness, Peggy Newman, Regan Hommandberg, Steve Sigman, Clark

Wilson, and Jeff Sogn sponsored an ice cream social after a home football game.

New Annexations

Among the people who are most involved with determining the quality of education received at AHS are the members of the school board. They are involved with the most integral steps toward providing a good learning atmosphere but are also confronted with all the problems that hinder those steps. Long hours have been given by this dedicated group of people to solve the problems faced by the school district.

Some of the annual duties of the school board are hiring teachers and other personnel for the district, planning the budget, and levying taxes. They are concerned with the formulating of school policy and the organization of curriculum.

This year they purchased a tract of land for a possible future sight for a new elementary building. Another noted improvement was the new instructional material center and the introduction of modular scheduling. Both of these advancements have helped to increase the flexibility needed for education.

School board president, Jay Clark, and Roger Anderson inspect the newly remodeled library.

School board members: 1st R.: Jerry Eilers, Rodney Schempp, Gordon Crawford, Richard Kirsch. 2nd R.: Don Larson, Roger An-

derson, Charles Hall, Dick Merrick, and Jay Clark discuss school policies at one of their monthly meetings.

Mrs. Elsie Aaen—English I and III, Librarian.
 Mr. Robert Abraham—Algebra I, Guidance Counselor.
 Mr. Darwin Brown—Bookkeeping, Drivers' Education, General Business, Athletics.

Three Teachers Join Staff

Superintendent Richard Kirsch and Principal Robert Person discuss a coming event. In addition to serving as principal, Mr. Person also teaches business law and mechanical drawing.

From 8:30 to 3:30 teachers make use of their knowledge by instructing students. They not only teach class; they also supervise study halls and occasionally give out detention slips. The faculty helps its students attain their educations through sharing what they have learned by advising co-curricular activities, as well as teaching classes.

Three new teachers, Miss Suzanne Haynie, Mr. Darwin Brown, and Mrs. Marie Lykken, joined the staff at AHS this year. Miss Haynie taught chemistry, physics, and physical science; Mr. Brown taught bookkeeping, general business, driver's education, and athletics; and Mrs. Lykken was the vocal music director. Several practice teachers also helped the faculty during different periods throughout the year.

Teachers give their students new insights to different areas of education. Explaining, disciplining, and guiding are only a basis for their job. They have a big responsibility, and their job is not an easy one. Teachers make up an important part of our educational system. Day after day they are faced with many problems which need to be solved. In our expanding world of knowledge they help students to find many ideas that will be useful to them throughout their lives. They learn basic knowledge from the faculty staff, which helps them in school and in their daily lives.

Mrs. Virginia Ericson—Home Economics, Art.
Miss Suzanne Haynie—Physical Science, Chemistry, Physics.
Mr. Douglas Johnson—English II, III, and IV.
Mr. Glenn Kroger—Biology, Athletics.
Mrs. Marie Lykken—Vocal Music.

New Faces Appear on Staff

There are many other people that contribute to the operation of AHS. They provide needed services that contribute to the atmosphere and quality of the education we receive. These people are: the cooks, custodians, bus drivers and office help.

The hot lunch program at AHS was prepared by the lunchroom cooks. They carefully planned and prepared each meal. A lot of hard work and effort was put into each meal.

The custodians' jobs were varied, time-consuming and exhausting. They weren't seen too much during school but they were there, and played an important part. Mr. Sebesta completed his first year at AHS and Mrs. Solberg completed her fourth year.

The office help consisted of Mr. Larson and Mrs. Lingert. Mr. Larson was business manager. He kept books and took care of the financial matters. Mrs. Lingert was secretary. She took care of the files, typed up report cards and numerous other things.

Early in the morning, regardless of the weather, the bus drivers got the rural students to school. Their job had a big responsibility, and they were very important to the school system.

Don Larson and Marchi Lingert worked in the school office.

Seniors Have Only Just Begun

Along with numerous elective courses the 41 members of the class of 1971 occupied the hours from 8:30 to 3:30 by studying English IV and American government. They also participated in the various co-curricular activities.

In April the class presented the play "Our Town" after many hours of hard work. Erik-Paul Sallmen joined the cast to play the part of the stage manager.

On their class trip to Omaha the seniors had an unprecedented experience when the bus broke down before they were five miles out of town. Although not pleasant at the time, it was made up for by the enjoyment they had on the rest of the excursion, so now they can remember it with a smile.

At the end of the year, the graduates chose yellow and white, and the yellow rose as their colors and flower. As they left AHS, they had mixed emotions about the achievement behind them, and the challenge ahead of them. Their commencement marked the end of their secondary education, but only the beginning of the life ahead of them.

Juniors' World Becomes More Diversified

The fifty-two members of the junior class were kept busy throughout the year. Their participation and responsibilities increased with this added year of education.

They presented "Stars In Their Eyes" as their first class play. They worked many hours preparing for this new experience.

This was the year for choosing and ordering class rings. They were proudly displayed by all the class members.

The largest responsibility of the junior year was preparing for the Junior-Senior Prom. An entire week of work was spent changing the auditorium into "A Walk Down Love Street." The funds needed for prom were accumulated by the annual sale of magazines and the operation of the concession stand at all home basketball games.

Two required courses, English III and American History, were included the junior schedule. Algebra II, German I, agriculture III, chemistry, bookkeeping, business law, home economics, mechanical drawing, art and shorthand were offered as elective courses. Many juniors also participated in co-curricular activities.

A whole week's work was destroyed in one hour when the juniors tore the prom decorations. Here Debbie Sundstrom, Vernon McBride, Becky Wetrosky, Wendy Stubbs and Doris Israel work at it.

Sophomores Study Speech

In their second year at AHS, the sophomores found themselves studying English under Mr. Johnson. During the entire first semester the class studied speech. They dealt with critical thinking, the voice mechanism, and stage fright, and everyone gave speeches to inform, convince, and sell.

They covered parliamentary procedure by holding model class meetings. Panel discussions were also held on a variety of subjects. The video-tape machine proved to be a valuable asset, helping the sophomores see how they could improve their techniques. The second semester was devoted to literature and grammar.

All sophomores took biology and physical education, as well as English. Other classes they could be involved in from 8:30-3:30 included typing I, personal typing, geometry, general business, and mechanical drawing.

Besides participating in the regular activities after 3:30, the sophomores had the special responsibility of decorating for commencement. They also worked selling magazines to build up their class treasury.

Fifty-one Freshmen Begin at AHS

In the fall of 1970 fifty-one freshmen entered the world of AHS. They quickly adapted to the high school way of life.

Freshmen took the Lorge-Thorndike Intelligence test and Iowa Tests of Educational Development in October. In February they took the Kuder General Interest survey.

The freshman's schedule included three required courses; English I, physical science and physical education, and two of the following electives: Home Economics I, Agriculture I, general business, drivers education, algebra I and math. They also found time to participate in many of the co-curricular activities offered.

New Band Uniforms Are Purchased

Band members proudly wore their new uniforms this year. Band students helped raise money for the uniforms by selling magazines. The rest of the money was raised through various activities and donations.

For the second year, the band was under the direction of Mr. Gary Swenson. Throughout the year, they were invited to march at various places. They took part in the activities of Dakota Days at USD and Blue and White Days at DWU.

The band presented a special half time performance at Alcester's Homecoming game. They also took part in the Veteran's Day and Memorial Day programs, and they participated in two concerts held February 29 and May 13.

On February 16, volunteering members were sent to a band clinic held at Vermillion. The clinic consisted of two morning sessions, an afternoon program and a concert that night.

The band received a good rating at the regional large group contest. The numbers they performed were "Toccata For Band" and "Totem Pole".

Many students tried out for the glee clubs and the mixed chorus this year. The girl's glee club and boy's glee club consisted of all those who wanted to be members. The mixed chorus was comprised of a smaller number of selected members from each section.

Under the direction of Mrs. Marie Lykken, both glee clubs and the mixed chorus began working and planning, at the beginning of the year, for the Christmas concert which was held on December 18.

All three groups attended the regional contest held at Yankton on April 3. Each group sang two numbers. The girl's glee club sang "Now Let Me Fly" and "Eucaristica". The boy's glee club sang "Frostiana" and "Give Me Your Tired, Your Poor", and the mixed chorus sang "O Be Joyful" and "Ching-a Ring-a Chaw". The girl's glee club received an excellent rating, and the boy's glee club and mixed chorus received good ratings.

The girl's glee club met every Monday and Wednesday for the last three mods of the day, and the boy's glee club met for the first three mods on Tuesdays and Thursdays. The mixed chorus met for the last three mods on Fridays.

A pops concert was presented on May 13 in which all three groups participated.

Declam Students Learn New Techniques

At various times between 8:30 and 3:30, and also after school, many students could be found practicing their declam pieces. Under the supervision of Mrs. Elsie Aaen and Mr. Douglas Johnson, the twenty-five members of the declam team practiced diligently.

On October 20 an elimination contest was held. Each of the twenty-five members of the team read their pieces, and the top three people in each of the four categories, poetry, oratory, dramatic, and humorous were chosen. These twelve people then competed against one another in the local contest on October 22. Four finalists were then chosen to go to the regional contest.

The top four who were chosen were: Kathy Rogness, poetry division; Pam Merrick, humorous division; Allan Saugstad, oratory division; and Jolene Wetrosky, dramatic division. Jolene Wetrosky received an excellent rating at the regional contest, and each of the other three students received a good rating.

Local winners were Kathy Rogness, poetry division; Allan Saugstad, oratory division; and Jolene Wetrosky, dramatic division. Pam Merrick won the humorous division.

German and Literary Clubs are Active

With a membership of everyone in German I & II, the German Club had many interesting activities. Highlights at their monthly meetings were slides of Germany shown by Gary McKellips and Mr. and Mrs. Ray Rasmussen. In December they sang carols in English and in German at Morningside Manor Retirement Home.

The German Club entertained at other school activities with "Rambunctious Reinholt" skits featuring Gary McCormick and Ralph Rasmussen. Gary also served as president; Jeff Sogn as vice president; Karla Sommervold, secretary; Jean Hultgren, treasurer; and Mr. Schnabel, advisor.

The second semester of the year saw the beginning of a new activity for AHS—a literary club known as the Literary Vanguard. Under the leadership of Mr. Johnson, the group met several times for organization. They decided not to have officers, but to remain as informal as possible.

The members of the club wanted to stimulate an interest in, and broaden their knowledge of, literature. They also hoped to improve their writing and speaking by constructively critizing each other's writings and to annually print a collection of their own writings. These writings came from each person's quota of at least three original works per nine-week period. The club met monthly to talk about their writings and other literature that was suited to their purposes.

Members of the newly formed Literary Vanguard were Rodney Thormodsgaard, Wendy Stubbs, Vernon McBride, Becky Wetrosky, Mike Reppe, Jean Hultgren, Allan Saugstad, Janice Finnie, Larry Israel, and Karen Severson. Mr. Johnson served as advisor for the club.

In December the German Club went Christmas caroling at the Morningside Manor. Members of the club were 1st R. Jean Hultgren, Carol Waddell, Peggy Peterson, Wendy Stubbs, Sandy Harlow. 2nd R. Karla Sommervold, Kathy Rogness, Lavonne Lundberg, Janice

Finnie, Shari Wahl, Karen Albers, Sydelle Numsen, Dawn Johnson, Craig Brenneise. 3rd R. Gary McCormick, Allan Saugstad, Jeff Sogn, Mr. Schabel, and Ralph Rasmussen. Advisor for the German Club was Mr. Schabel.

FHA Presents Skit at State Meeting

Learning, doing, and fun filled the hours that FHA'ers spent on their activities. With their program of work planned around the National Program of Work and the State Projects, the Alcester chapter carried out many activities.

Some of this year's special events included swap night and a pizza party at Christmas. Donald Rounds, state highway director, spoke at Daddy-Date Night held in November. A Mother-Daughter Banquet was featured at the April meeting.

At the State FHA Meeting held in Huron on October 3, the Alcester delegates helped Carla Sundstrom present her state officer's project report and also the state financial report. The Alcester chapter also attended the regional meeting in Lennox in April 15 where Debbie Sundstrom was installed as the Region IV Parliamentarian and Mrs. Charles Sundstrom received honorary membership in the Region IV Association. A Round Robin Meeting held in Tyndall was also attended.

Several freshmen girls earned their junior homemaking degrees by carrying out various projects, such as articles for the State FHA Newsletter, helping with a chapter activity, and planning a project for National FHA Week.

FFA Completes Several Projects

Postmaster Marvin Westin presents a stamp commemorating America's sheep growers to FFA president, Dave Limoges, while Mr. Bultsma looks on.

For the members of the Future Farmers of America, special occasions such as the Father-Son Banquet and the National and State Conventions highlighted the year. This year, the representatives from Alcester to the National Convention in Kansas City were Eldean Lykken and Richard Green. Also, many members took part in judging contests in the area.

The FFA was involved in various fund-raising activities throughout the year. They repaired the concession stand and operated it at all the home football games. They also sold citrus fruit during the Christmas season. A special project of theirs was helping the athletic department of AHS repair the damaged athletic equipment.

This year, the Alcester Chapter of FFA held meetings once every month. They took part in many activities such as, a roller-skating party with members of FHA. Mr. Don Bultsma acted as advisor throughout the year.

The FFA members were involved in learning the techniques used in agriculture, a vocation very important to this area. They tried to strengthen America by promoting the unity of local levels, the community and the school.

1970 Cubette Wins All-State Rating

The task of the Cubette staff was to create a memorable yearbook from a huge assortment of material that would depict the people, the events and highlights of AHS as they really were; all centered around the theme "8:30-3:30 Plus". Many things temporarily stood in the way of production, such as, delinquent stories, last minute corrections and deadlines that always came too soon.

Editor Carla Sundstrom and Co-editor Debbie Sundstrom had the job of planning the yearbook. The rest of the staff consisted of seven copy writers, three typists, four business managers, two photographers and three art editors. The staff worked many long hours to capture the last- ing "times" of 1970-71 at AHS.

Several staff members and their advisor, Mr. Sorensen, attended the annual press conference at Brookings in the fall of 1970. There the 1969-70 Cubette received an all-state rating. Staff members attended different work shops and gathered material they found that would be useful to them in putting out this edition of the Cubette.

The Dakota staff put many long and difficult hours into preparing the monthly paper covering school activities. The Dakota contained editorials, sports results, stories about special occasions and a few senior profiles each month.

The purpose of the Dakota was to inform the student body of recent school news, but it was also an activity that helped develop a sense of promptness and accuracy of reporting.

Co-editors for the Dakota were Colleen Fickbohm and Janice Finnie.

In the fall, several of the staff members and advisor, Mr. Melvin Ptak, attended the annual press conference in Brookings. They received an excellent rating on the paper for the previous year. Several new ideas to help produce a better school paper were learned and put to use.

Carla Buum, Robin Braastad, Sharon Danielson, and Joni Eilers were B-team cheerleaders.

Cheerleaders

One of the co-curricular activities that showed a lot of school spirit was being an active member of pep club. Pep club members supported the team by being at as many games as possible and cheering them on. Enthusiasm and school spirit were expressed through pep club.

At the beginning of the year, the pep club officers were in charge of selling booster buttons. Two different styles were chosen. One style was for homecoming only and the other one was for the entire 1970-71 school year. The profit made went into the pep club treasury.

Pep club also planned for a mascot for home games. A special committee made the "Cub". For each game or pep rally a name was drawn to determine who would wear the mascot out-fit.

Cheerleaders were chosen to lead team supporters in yells. The A-team cheerleaders were chosen in the spring of 1970 by the student body and the B-team cheerleaders were selected in the fall of 1970 by the pep club. They aroused interest in the games and worked for good school spirit.

A-Club Members Revise Their Constitution

Twenty-eight members made up this year's A-Club. To become a member of the organization, one must have excelled in at least one sport and have received a gold letter. A letter was given to anyone who fulfilled the requirements of a sport for a particular season. Letters are given in every sport and the manager also receives a gold letter. Blue letters were worn by those who lettered four times in any one sport and those chosen All-Conference members. These let-

ters represented the ambition to excel in sports and also pride in their school.

Among projects that the A-Club chose for the year were revision of the constitution and working on the track and field record board. They were led by their elected officers: Don Jervik, president; Gary Kruse, vice-president; and Gary McKellips, secretary-treasurer. Advisors to the club were Mr. Siemonsma, Mr. Kroger, and Mr. Brown.

Homecoming Victory Highlights Season

The Cubs' long-awaited victory finally came on Homecoming, 1970. After going through 60 winless games in 7 long years, the team pulled through with a triumphant 31-0 victory over Augustana Academy of Canton. The following Monday school did not start until 10:00 when a victory celebration was held.

The Cubs also overcame Parker, Elk Point, and Harrisburg, making 1970 a record for the most victories since Alcester entered 11-man football competition.

Don Jervik, Gary Kruse, and Dave Limoges were chosen All-Conference, and Dave Duncan, Clark Wilson, and Dave Peterson had Honorable Men-

tions. "Ace of the Week" went to Dave Peterson, who rushed 147 yards in the Elk Point game; Clark Wilson, who completed 7 of 8 passes for 230 yards and 4 touchdowns against Augustana Academy; and Gary Kruse who made 3 of those touchdowns.

Overall, Dave Peterson rushed 414 of the season total of 758 yards rushing; and Gary Kruse and Don Jervik accounted for nearly all of the 887 yards gained from quarterback Clark Wilson's passes. Defensively, Dave Limoges contributed 89 tackles to the season total of 430.

With many returning lettermen, the season next year promises to be even more successful.

Freshman Track Team: 1st R. Ken Berg, Charles Erickson, Tom Johnson, Kent Hongslo. 2nd R. Tim Winquist, Doug Reppe, Brad Kruse, Roger Wennblom.

The freshman boys were offered the chance to improve their athletic ability all year round. At the beginning of the school year they gained knowledge of football. They learned the importance of working together as a team. They played against the freshman teams of Hawarden, Centerville, Elk Point and Scotland. The season was completed with a record of zero wins and seven losses. They were coached by Mr. Brown.

During the basketball season the freshman boys were under the leadership and coaching of Mr. Kroger. They proved basketball to be their speciality. They lost three games and won seven. They lost to Parker and Hudson once, and to Canton in the finals of the Lennox Invitational, placing second. The Canton game was close and showed the great determination of the players. Towns that were defeated by the freshman team of AHS were Parker once, Hudson once, Wankonda twice and Elk Point twice.

Many freshman boys also participated in track. Their competition consisted mostly of other area freshman teams. Their training was held with the varsity track members. The freshman track coach was Mr. Kroger.

The freshman boys have the responsibility of taking over the varsity teams in the next few years. The experience they gain during freshman competition is a valuable asset in helping them prepare for this. If they lose, they learn the areas they need to be stronger in. In order to improve they must get experience. In order to get experience they have to play actual games. The freshman teams provide this opportunity.

B-Team Displays Enthusiastic Effort

This year the B-team was composed mainly of sophomores and juniors. They met up with some difficulty because the teams they played were usually much taller. But they had an average season, ending the year with a total of 7 wins and 10 losses. The team was coached by Mr. Larry Siemonsma. It was a year for the development of new skills and improvement of those already obtained.

There were several close games throughout the season. Alcester's B-team managed to beat Harrisburg with a score of 48 to 44 in overtime. They beat Elk Point by the slim margin of 50 to 49. One game where there was quite a difference in scoring was when Alcester out-shot Viborg 52 to 18. Many of the games were hard fought but the enthusiasm and energy displayed by the team members made the entire season worthwhile.

Cubs Complete Successful Season

The Cubs had a successful 1970-71 season. Coached by Mr. Darwin Brown, the Alcester Cubs' A-basketball squad completed the season with a record of 16 wins, 6 losses and second place in the District 22 Tournament.

The Cubs also placed second in the Big Eight Conference Tournament played January 7th, 8th, and 9th. The final game was an exciting contest between the Cubs and the Lennox Orioles, where the Cubs were defeated by only 1 point.

The A-team consisted of 14 players. They spent many hours practicing and working hard to put forth their best efforts for a good season.

Gary Kruse, a junior, headed the statistics by leading in the most field goals, best field goal percentage, most free throws attempted, and most free throws made. Kruse made an average of 21.56 points per game with a total of 469 points for the 1970-71 season.

Don Jervik, a senior, was a close second to Kruse in most of the categories. Don was said to be one of the quickest players in the area. He was the second leading scorer with an average of 17.58 points per game.

The senior members of the team included Gary McKellips, Clark Wilson, Don Jervik and Dave Peterson. With returning lettermen, the Cubs are looking forward to another successful season.

Cross-Country Team Attends Eight Meets

Cross Country Team: 1st R. Steve Sigman, Lynn Osterkamp, Steve Heiman. 2nd R. Dave Van-Engen, Bruce Johnson, Kirk Johnson, Richard Green, Gaylon Baker.

The major qualifications of a member of the cross-country team are speed and endurance. At the meets, the distances run are either 2 miles or 2.2 miles. The team with the lowest number of points wins. Each team can have up to 7 members running but the first 4 placing are considered the team.

This year the cross-country team competed in 8 meets. At the State Cross-Country Meet, Steve Sigman finished 23rd and Steve Heiman placed 100th of the 148 participants. At the Conference Meet, Steve Sigman finished 23rd of the 52 participants. Other meets attended included invitationals at Lennox, Elk Point and Vermillion. The lettermen this year were Steve Sigman and Steve Heiman. The team was coached by Mr. Glenn Kroger.

Steve Sigman placed fourth in the conference.

Girl's Track Is Introduced at AHS

Mr. Darwin Brown coached the first year of girl's track at AHS. Thirty-two girls signed up hoping to prove their athletic ability on the cinders.

The first track meet was a dual with Hudson. The Alcester girls showed a lot of desire, but failed to win. At this meet the girls set the first school records.

Several girls took part in the track meet at Hurley. There the girls showed a lot of improvement and broke several of their first school records. They also saw in which areas they needed to be stronger and gained the experience of competing against larger and more experienced schools.

Duals with Wakonda and Westfield were also held. A few girls went to Tyndall hoping to score for Alcester, but the competition proved somewhat too stiff and they failed to score any points.

The regional track meet was held at Lennox. Several girls participated hoping to do well enough to be eligible for the South Dakota Track Meet. As it turned out, nobody placed high enough to become eligible, although they did place fairly well. That track meet also proved to be the last chance of the season for any girl to letter.

It was decided that girls, just as the boys, have to earn seven points to earn a letter. Only major or larger track meets count toward the scoring. No one had enough points to letter, but they found out what track is like and learned that to be in sports one must have to be dedicated and want to participate.

School Life

Homecoming Is Memorable Event

People get excited at homecomings. That's exactly what happened this year. Coronation was the first turn of the planned homecoming activities of 1970. Master of ceremonies, Gary Kruse, announced the names of the advancing senior candidates and underclassmen attendants. The senior candidates were: Dawn Johnson, Jean Hultgren, Shari Wahl, Don Jervik, Gary McKellips and Dave Peterson. Shari Wahl and Dave Peterson were announced as the AHS 1970 Homecoming Royalty. They were robed and crowned and then several skits and musical numbers were presented in their honor by the classes.

Everyone's school spirit was strengthened as they were led in a rousing pep rally out beside the traditional burning "A". After many winless football seasons, school and public interest had not dropped but grown to such a height that everyone felt it was impossible to do anything except win . . . and they did! The school song took on a new meaning as touchdown after touchdown was made. A dance followed with music provided by "The Cold Rolled Steel String Band."

A lot of worry, a lot of time, and a lot of school spirit made Homecoming 1970 a lasting memory.

Sweetheart Coronation Is "Something Pretty"

The theme for the 1971 Sweetheart Coronation, "Something Pretty," set the mood for an exciting evening. As a few members of the band played the processional, the candidates and their escorts proceeded to the stage. The candidates for queen were: Jean Hultgren, Dawn Johnson, Pam Merrick, Karla Sommervold and Jolene Wetrosky. Their escorts were: Gary McKellips, Clark Wilson, Jeff Sogn, Dave Peterson and Don Jervik, respectively.

A few tense moments passed before Mike Reppe, Master of Ceremonies, announced Dawn Johnson as Sweetheart

Queen. She was crowned by student Body President Clark Wilson. After the queen and her attendants had been seated, Kathy Jensen presented the traditional box of Valentine candy to the queen from the student body.

The queen, attendants, and the audience were then entertained by several vocal and instrumental numbers, a few humorous skits and a musical reading. After the program there was a dance with music provided by the "Big Toe Jam Band". A large crowd stayed for the dance and helped to make Sweetheart a time to remember.

On Saturday evening, May 8, 1971, the junior class invited the seniors to take "A Walk Down Love Street" at the Alcester community auditorium. The juniors prepared the entertainment and decorations. The walk was led by Mistress of Ceremonies Becky Wetrosky.

Following the dinner Craig Brenneise gave the welcome and Sydelle Numsen gave the acceptance. The history of the senior class' four years at AHS was read by Gary McKellips. Mike Reppe then prophecized the future lives of the seniors. The sophomore waiters and waitresses entertained with the song "Traces". Then Rev. Hoyt was the main speaker and presented a talk about love. The junior's entertainment was a sextet consisting of Karen Albers, Wendy Stubbs, Lavonne Lundberg, Sandy Harlow, Peggy Peterson and Kathy Briggle that sang "These Are a Few of My Favorite Things" and a poem read by Doris Israel.

After the banquet a dance was held from 9:00 to 12:00 p.m. Following the dance, guests were invited to attend the show, "The Baby Maker" in Hawarden.

Breakfast was served by the juniors' parents at the auditorium immediately following the show.

It took a lot of work to prepare for the annual Junior-Senior Banquet and many things were included in that evening. But to every junior and senior that evening is a very special one, a pleasant reminder of AHS.

Juniors Perform

On November 12 and 13 the juniors put on the humorous play "Stars In Their Eyes" written by Ruth and Nathan Hale, under the direction of Mrs. Aaen. It was about a family who moved from Rainbow Falls to California with the intent of crashing into the movies. The family included: Papa Kelton . . . employed as a milkman while awaiting his big break . . . but so far it's only been milk bottles; Mama Kelton, an aspiring playwright with ideas, ambition, and 3 effervescent daughters who with their friends proceed to keep the whole place in turmoil; Beatrice, who was cut out for the movies but apparently cut wrong . . . she can't even get into a mob scene; Lindy . . . the little one of the family who succeeds in getting the whole family practically booted out of their tired apartment and into a tent; and Julie, the eldest daughter and the only really sensible one of the entire family.

The 3-act play depicted the adventures, misadventures and struggles of the Kelton clan . . . a down-to-earth play about a down-to-earth family.

Lower Right: Gertie floors him again.

"Our Town" Presented

Thornton Wilder's well-known play "Our Town" was the seniors' last presentation on stage. Directed by Mr. Douglas Johnson, the play was performed before the public on April first and second.

Many people have become familiar with this play in an English course, and seeing it enacted made it more alive and moving for the entire audience. The large cast called for made it possible for nearly all seniors to have parts; the others were involved in the production of the play in other ways. Main characters included Erik-Paul Sallmén as the Stage Manager, David Duncan as Dr. Gibbs, Darla Wilkens as Mrs. Gibbs, Allan Saugstad as Mr. Webb, Brenda Johnson as Mrs. Webb, Gary McKellips as George Gibbs, Jolene Wetrosky as Emily Webb, and Don Jervik as Simon Stimson.

"Our Town" portrays a small New England town at the turn of the century in daily life, in love and marriage, and in death. The various subjects touched upon were such ordinary occurrences as choir practice, housework, school, baseball, the weather, the town drunk, and several other areas of life. One important event is George and Emily's falling in love and marrying.

When Emily dies and joins those in the cemetery, she is not content. She returns to her past for one day to see how human beings overlook the important aspects of life; they never really take the time to look at one another.

One-Act Play Festival Presented

On Monday, December 14, 1970 a festival of one-act plays was sponsored by the speech department. The three plays that were presented were "Eh?", "The Storm", and "The Widow's Plight" or "Virtue Victorious".

"Eh?" by William Fisher was a comedy dealing with the problems of courtship. "The Storm" by Donald Payton was a dramatic play with a macabre ending. The Widow's Plight" or "Virtue Victorious" by Helliwell and M. H. Willoughby was a melodrama in which the good guy was victorious.

Becky Wetrosky, Carol Waddell, and Shari Wahl were the student directors. With the help of Mr. Johnson, they each had charge of one play.

Behind the scenes several committees also helped in the preparation of the festival of plays. The make-up committee, program and ticket committee, property committee, and publicity committee all did their parts in preparing for the plays.

Jean Hultgren, Wendy Stubbs, Ramona Jurgensen, and Lorrie Wetrosky, prepared the set.

"The Widow's Plight" or "Virtue Victorious" by Louise Helliwell and Marion H. Willoughby was performed by Don Jervik, Allan Saug-

stad, Shari Wahl, Carla Sundstrom, Brenda Johnson, Sandy Harlow, Mike Reppe, Gary McKellips, and Jolene Wetrosky.

Library Is Remodeled and Modernized

Many new books were added to the library this year. The newly installed book racks and the remarking of all the books made it much easier for students to find what they were looking for. The students used the library to explore new areas, find answers to problems and just enjoy the valuable information found there.

The library staff was comprised of Mrs. Aaen and seventeen student librarians. The many duties of the librarians included: checking in and out books and magazines, repairing books and cataloging them properly. They also assisted students in finding various sources of information to use in their school work.

A paperback library was also at the disposal of the students. It was open on Mondays, Wednesdays and Fridays, supervised by Mr. Johnson.

Librarians Charlotte Keizer and Cathy Briggle return the reserved books to their shelves.

Briggle, Eldon Saugstad, Naomi Hammitt, Doris Israel, Charlotte Keizer, Valorie Hagen and Sharon Danielson.

Many Deserving Students Receive Awards

Gary Kruse (right) was chosen as a member of the All-Conference basketball team. He also was a member of the third All-State team. Don Jervik was chosen as a member of the honorable mention All-Conference team.

Sandy Harlow's award for winning the annual Lincoln-Union essay contest was a trip to Washington, D.C. Her winning essay was entitled "Rural Electric Cooperatives Benefit Farmer, Businessman, and Community."

Forty-One Seniors Receive Their Diplomas

United States Congressman Frank Denholm addressed the forty-one graduating seniors.

The commencement exercises for the graduating class of 1971 were held on Friday, May 28th at the Alcester Community Building, 8:00 p.m. The 41 seniors advanced toward the stage trying to keep in step to "Pomp and Circumstance", played by the band.

Reverend Milo Sheldon gave the invocation. The salutatorian address was given by Sharon Wahl. Rhonda Kleinhans played a piano solo, followed by the valedictory address by Carla Sundstrom.

Special awards and trophies were presented to several juniors and seniors for their efforts in various fields of school activity. The awards and recipients were as follows: Minnie Larson Award, Carol Waddell; Hammitt Music Award, Cindy Schempp; Scholastic Awards, Carla Sundstrom and Shari Wahl; and the Bob Johnson Award, Don Jervik.

The main address of the evening was given by U. S. Representative Frank Denholm. His talk was followed by a number by the brass ensemble.

Superintendent Richard Kirsch presented the class and Jay Clark, President of the Board of Education, awarded the diplomas.

The commencement exercises were closed with the benediction by Reverend Milo Sheldon and the recessional by the band.

The evening marked the end of the seniors' high school career but with their chosen motto "We've Only Just Begun", they are anticipating their future.

Sharon Wahl was selected as the salutatorian while Carla Sundstrom was named the valedictorian.

Carol Waddell was the junior chosen to receive the Minnie Larson Award.

All the members of the senior class joined their efforts to produce Thornton Wilder's play, "Our Town".

Hooray! Let's go home! The time has come to leave AHS for the last time in the 1970-71 school year. Most of us spent a great deal of time here—our regular school days filled with hard work and also the time that we spent in co-curricular activities working, learning and just having fun. This CUBETTE records a time that is already in the past. But we hope that it will help you remember these times at AHS.
