Tracy Nowlin & DJG Madison Win Guymon Pioneer Days

By Tanya Randall

Tracy Nowlin and her gritty, little mare DJG Madison (“Dolly Jo”) captured the Guymon Pioneer Days Rodeo Championship in the Panhandle of Oklahoma by the narrowest of margins. The 2016 Prairie Circuit Finals Rodeo Champion and 14-time International Finals Rodeo qualifier edged newly crowned RFD-TV’s The American’s Champion Barrel Racer Hailey Kinsel and her tough mare DM Sissy Hayday by 2/100ths of a second in the two-run average.

“I thought I needed to be a .3 on my second run to win,” laughed Nowlin, who wanted to thank her family for their support. “I was surprised. It couldn’t have been any closer.”

Nowlin picked up \$4,830 for the victory. She and Dolly Jo were fifth in the first round on Friday morning slack with a 17.59 and came back to place third in the second round after making their run of 17.41 on Sunday afternoon.

“The first run, the alley was still a little muddy,” recalled Nowlin, who does custom Indian beading. “I tried to ease her in there, but only made it half way before she took off. She really likes to a long run to the first barrel. On the second run, I let her go from the back, so she was much happier with me. Both of her runs, she worked really good.”

Ironically, it was Nowlin’s second championship at Guymon, even though it was her first time to attend the pro rodeo.

“They had a junior rodeo out there when I was 11,” laughed the 45-year-old. “I won the all-around. I hadn’t been out there since.”

She said as a single mom it was hard to justify the trip clear across the state from Nowata, Okla., which is closer to

the northeastern corner of the state. Luckily, Dolly Jo justified the trip this year.

Bred by Donald and Janice Guthrie of Nowata, the 11-year-old brown mare is by Royal Blue Chew Chew, a stakes-winning son of Royal Quick Dash, out of the double-bred Streakin Six mare Run Madison. Nowlin bought the mare off Facebook after searching for a calf-horse for her son Ty, now 17, over two years ago.

“She’d been turned out for three years,” she said. “The guy didn’t have any calves, so he let me take her home. After roping on her, I knew she wouldn’t work for my son.”

Supposedly the mare had been started on barrels, but after Nowlin took her through if Dolly Jo knew much about the barrels it was little more than the pattern.

“I showed her a few things and then decided I was going to take her back,” she said. “I could have used another barrel horse, but what I really needed was a horse for my son. That night, I couldn’t sleep. You know that feeling you get when you know you’re about to make a big mistake? I rode her again the next morning and asked my mom to come out and watch. It wasn’t great, but it was a nice high lope through.”

Not long afterwards, she started taking her to the jackpots and by May had entered her first pro rodeo.

Cloverdale Rodeo Kicks off next week

The beloved May Long weekend tradition, the Cloverdale Rodeo and Country Fair, returns on May 19th until May 22nd. There are only 10 days left to get your best Cowboy and Cowgirl gear on and head to the grounds for an action-packed weekend of family fun. Canada is celebrating its 150th birthday so visitors can look forward to fireworks, more competitions, more food, and more live entertainment for all.

The best national and international athletes in the world of rodeo are ready to compete for a total of \$328,000 in cash prizes as the Cloverdale Invitational Rodeo will feature four rough stock rodeo events: Bareback, Saddle Bronc, Bull Riding, and Ladies Barrel Racing.

There are new additions to this year's Rodeo as well. Two specialty performers – Vancouver based and BCCMA nominated, female vocalists, The Heels, and trick riders Hearts of the West will be making their debut.

Families will have a blast in the Country Fair with the Envision Financial Kidz Zone, ConeZone and Agri Zone. S&R Sawmills West Coast Lumberjack Show, the BC Country Music Association Pavilion, sixth annual World Freestyle Round-Up Skateboarding Competition, B.C.'s largest travelling Midway, and the beautiful Art Knapp Outdoor Living Pavilion are must stop attractions for visitors of all ages.

The Longhorn Saloon, open daily from 4pm to 2am to the 19+ crowds, is excited to present performances by Ettinger & Big 50 and the Chris Buck Band all weekend. For one night only, on Sunday May 22nd, fans will be thrilled to welcome 2017 Juno nominated country singing star, Aaron Pritchett. From 9:30pm-11:00pm, Aaron will be rocking the stage with such anthems as "Hold My Beer" and hits off his newest album The Score.

38th Annual Triangle Spring Sale Makes History with \$7,000 Average

The Triangle Spring Sale, held Sat. April 29, achieved a net sales average of \$7,000 per head, marking a historical record in the company's 38-year history. Buyers traveled from 17 states amid heavy regional rainfall, to purchase 200 head for an 85-percent sales completion (less those withdrawn) and reach a lofty top 10 average of \$24,100.

The one-day sale was held in Shawnee's Heart of Oklahoma Expo Center and began with demonstrations, followed by a multiple-session sale. Strong sales generated a top 50 average of \$13,500, and led to 37 new additions to Triangle's "Top \$10,000 Club," now numbering 118 head from two sales in 2017. Triangle Sales' owner, Jim Ware established the "Top \$10,000 Club" in 2015 to designate

horses selling for more than \$10,000.

Helping to shape the Spring Sale's impressive net average was a \$9,200 average on 59 geldings sold under saddle, reflective of the increasing demand for quality, performance-based horses, particularly those ready to ride. The demand has prompted steady gains seen in recent sales. Triangle's Winter Sale sold 81 horses for more than \$10,000; the 2017 Spring Sale's \$7,000 average is up from a \$5,750 average in 2016.

Averages for the Spring Sale by session:

Cutting Horse Session

National Cutting Horse Association (NCHA) Money Earners, \$13,300; Yearlings, 2 & 3-Year Old Prospects, \$7,500; Broodmares, \$9,800

Select Reining Session

National Reining Horse Association (NRHA) Money Earners, \$14,000

Shawnee Session

Ranch Geldings and Mares, \$5,700; Ranch Prospects, \$4,100
The high seller overall and high selling cutting horse was lot 94, GS The Iceman (Smart Little Lena by Cruel Jewel x Lenas Jewel Bars), which went for \$50,000. Michelle Moore of Pawnee, Okla., was the consigning agent for the 2008 sorrel gelding. Second to this sale was \$34,000 for lot 37, Scooters Stylish Oak (High Brow Cat by Scooters Stylish Oak by Docs Stylish Oak), a 2007 sorrel mare consigned by Meredith Ann Murray of Texarkana, Texas.

Next was DB Mates Brow (High Brow Cat x Mates Little Cokette by Smart Mate), a 2009 sorrel gelding consigned by Dan and Nancy Burkes of Gold Canyon, Minn., which sold for \$30,000. And the fourth high seller and top selling reining horse lot, was number 104, Hesa Shiny Nickle (Shiners Nickle x King Bars Doc O Lena by King Bars Surprise). Cannon Quarter Horses, based in Waxahachie, Texas, sold the 2013 bay gelding.

Two \$20,000 sales rounded out the top five. One was a 2010 red roan gelding consigned by Benjie Neely of Lyons, Ga. Neely consigned Smart Freckled Trona (Mr Peppys Freckles x Smart Little Trona by Smart Little Lena) as lot 54. Also at \$20,000 was the highest selling ranch horse, Ms Whiskey Lady (Paddys Irish Whiskey x La Jolla by Streakin La Jolla). Flag Ranch LLC, based in Purcell consigned the mare in the Shawnee Session as lot 139.

Upcoming Triangle sales will offer a live cattle option in addition to the mechanical cow, and those sales will also continue to incorporate special sessions into their traditional line up.

The Summer Sale is scheduled for Aug. 11-12 and will feature a special reining session, "The Reining Kind!" The Fall Sale is slated for Oct. 27-29, which will include the second Triangle Future Fortunes Select Sale.

"I told my mom my goal was to win the circuit, because I had never been to Florida," she laughed. "We missed it the first year, but won the circuit finals last year."

Nowlin and Dolly Jo won the first round at the RAM National Circuit Finals Rodeo in Kissimmee, Fla., but unfortunately a slip turning a barrel resulted a costly penalty to keep her from advancing beyond the second round.

"I was more disappointed for my mare," she said. "I wanted her to get the recognition."

Nowlin, who grew up in a rodeo family—her brother is three-time IPRA World Champion Calf Roper Terry Postrach, Jr., said she plans on going to her closer circuit rodeos and sneaking off to a few of the bigger ones. She'll also go to the open rodeos with her son.

"Everyone talks about going to the NFR, but I just don't think that's in the cards for me," said Nowlin, who is currently ranked 23rd in the WPRA World Standings with \$21,257 won at 13 rodeos. "It would have to take over my whole life. I don't think I'd like spending that much time in the truck and I love my time with my family."

"Funny, looking back when I bought (Dolly Jo) I was just hopeful that she'd be nice enough to go to the open rodeos. I never dreamed she'd be what she is."

Shumate and Easy Goin Guy Slam Competition

By Hope Sickler

Crystal Shumate and Easy Goin Guy "Egg" slammed the competition this past weekend in Swainsboro, Georgia at the No Bull Grand Slam. With more added money than most other races across the country, Jeff Robinson's No Bull events are the "crème de la crème" and Shumate considers this win very special!

"This is the first No Bull that I have won. I have won some checks in the go-rounds and in the average, but I hadn't ever won one. This win is very special to me as I don't get to go much due to my job, and I believe that "Egg" truly deserved this win," explained Shumate. "Jeff (Robinson) is so accommodating and his staff is super helpful. They go out of their way to help their contestants. I love the No Bull Barrel Races because they are tough and they pay like a slot machine. I am very thankful that No Bull Barrel Races, along with the World Barrel Racing League Barrel Races, are in the south east."

Easy Goin Guy "Egg" is by BHR Frenchies Socks and out of Holland Lady by Holland Ease. Shumate and her fiancé Derek Piel raised him from a baby, and Piel broke and trained him.

"I was in nursing school during his futurity year and Derek kept asking me to ride him and I finally did. His style just really fits me and I never gave him back!"

Shumate spends most of her time devoted to her job as a registered nurse in the operating room at the VA Hospital but goes to as many barrel races when her work schedule allows.

"It is very rewarding taking care of our veterans. I absolutely love my job and what I do," explained Shumate.

With a slow start to the weekend, Shumate and "Egg" finally got on the same page and blazed the cloverleaf pattern in 14.493-seconds to win the finals of the No Bull Grand Slam. Jamie Cagle aboard Victorious Dash was hot on their heels with a 14.494 to

"Derek sent me a text when I was getting ready to run and told me to go for it, so I did! I sent "Egg" in there as hard as I could and whipped more than normal but it paid off because I only won by one-one thousandth of a second! I didn't even look at the time, I just heard everyone screaming, so I knew it must have been fast."

Dustin Angelle & JL Jamaican Me Rich Save The Best for Last at Josey Ranch Reunion

By Tanya Randall

Dustin Angelle and the talented 5-year-old gelding JL Jamaican Me Rich ("Richie") topped the prestigious Josey Reunion, held May 5-7 at R.E. and Martha Josey's picturesque ranch in Karnack, Texas. The 24-year-old barrel racer from St. Gabriel, La., pocketed \$2,623 and numerous other prizes, including a year's use of a gooseneck trailer, courtesy of Big Tex, and a trophy saddle from Circle Y.

"Richie is very exciting to ride," Angelle said of his equine partner. "He's very, very energetic. He does have a personality. He's into everything all the time. He will find something to play with, something to pick with. He drinks Propel water before every barrel race. He loves Propel water!"

Angelle's client Karen Ardoin gets the blame for Richie's drinking habit. The gelding snatched the Strawberry Kiwi flavored drink out of her hands and has been partaking in his pre-race hooch ever since.

Angelle has been running Richie for about three months for the gelding's new owners Ray and Suzanne Hill of Southwestern Farms in Kirbyville, Texas. The Hills bought the 2016 Diamonds & Dirt Futurity Champion from Dave and Lori Zabel, who purchased him as a 2-year-old at the Jud Little Production Sale under the advisement of the gelding's trainer Jolene Montgomery.

Frenchmans Guy mare Frenchmans Lana, a full sister to leading broodmare SX Frenchmans Vanilla, one of the all-time great futurity horses. Richie, himself, ran out more than \$97,000 as a 4-year-old futurity horse.

The plan for Angelle is to further season Richie for one of the Hill's granddaughters—Savannah and Sophie Palmore. Richie definitely encountered some new experiences at the Josey Reunion.

"The first go-round didn't go like we wanted it to go," explained Angelle. "Richie was a little green to that setup. He's never really run in big outdoor pens. I was hoping to be able to run earlier on before it got dark and they had to turn the lights on. We had to run at night and he was lost. He ended up running a half-second off just because he was young and being a colt."

They came back and finished second in the second round with a 16.024. Abby Phillips of Marshall, Texas, and Crown Ta Fame had the fastest time of the event, a 15.813, to win the second round and left only seven of the more than 420 head of horses in the 1D.

In the Sunday's 84-head Finals, which is run slowest to fastest, Angelle and Richie were the last pair to run. Although Phillips and Crown Ta Fame had outrun them in the second round, they had qualified the day before with a 16.138, thus leaving Angelle and Richie as the final competitors.

"It was very nerve wracking, a lot of pressure built up," he said. "It also helped too, because I knew what had to be run. It helps you prepare, knowing what you have to do. I don't mind the pressure. I feel like I run better under pressure, so it didn't bother me that much. It was very exciting knowing that I was the last person to be able to run."

The pair saved their best run for last, with a nearly flawless run of 15.983 in the Finals. Their only bobble was a slight catch in the ground on the second barrel that left Richie rocking it as he maintained his footing.

he was 19, grew up in a horse family. His father trained racehorses and his mother ran barrels. He attended his first of many Josey Clinics when he was 12 and has attended nearly a dozen Reunion barrel races.

Angelle first gained national attention when he tied for the 2016 American Semifinals Rodeo Championship with Ivy Conrado. That victory helped drive his training business with a full barn of horses year-round. He said the win helped him get better bred horses in his barn.

"They're not always easier to train, but you tend to win more with the high-quality horses that are bred for barrel racing," he said. "I feel that riding a well-bred horse does tend to make the job a bit easier. I think the winning I've done the last couple of years has helped my business. I stay busy."

Angelle wanted to thank his sponsor Nutrena Feeds, his veterinarian Clay Espey, Richie's trainer Jolene Montgomery and Southwestern Farms for all their support.

Moore Wins Very First Futurity at Yellow Rose Futurity

By Hope Sickler

Pouce Coupe, British Columbia, cowgirl Chelsea Moore won her first ever futurity this past weekend aboard a 2012 brown gelding named "Leroy". They lit up the scoreboards at the 2nd annual Yellow Rose Futurity and Derby held in Claresholm, Alberta, placing 6th in the first round and winning the second round. Their two stellar runs landed them right in the middle of the winner's circle to win the futurity!

"This was the first time that I have really won anything in the futurity world and I have to admit, it has me wanting to go to a few more," laughed Moore. "I know I have an extremely talented colt but I am more concerned about keeping him together and loving his job, than anything else."

"Leroy" is unregistered due to a "long list of things" that led to not getting it done, but he is by Blackgold Jack who is by Dash Ta Fame and out of daughter of Easy Rumbo.

"Ironically, my mom and I just bought Blackgold Jack a few months ago. I trained and futuried Leroy's mother years ago and when this colt was born on our ranch, we knew we needed to own him," Moore explained.

Moore explained that "Leroy" has been a "special" horse since day 1. After 30 days of riding as an early 3-year-old, "Leroy" sustained a wire-cut on his front foot that nearly cut half of his foot off. He was off for over a year and when he finally came back sound, Moore describes him as a natural on the barrel pattern since day 1.

"I've never rode a colt that can do the things that he can. He is probably the most stressful colt that I have ever trained because he is incredibly talented and I am scared that I will mess him up!" Deciding to enter the Yellow Rose Futurity and Derby was a tough decision for Moore as she has never been a huge fan of the futurities, but after a superb first showing at his very first jackpot, Moore figured why not.

"I decided about a week before to put my big-girl panties on and pay the late fees and enter. Apparently, it was an excellent choice," kidded Moore. "I knew if I just eased him through two runs and let him do his job and didn't get in a panic, he would be a player. I had no idea he would clock with some of the toughest rodeo horses in Canada. He went in both days all business and I couldn't be prouder of him!"

Stellar Win for Grad

Krystal Grad and Judge Spice "Stella" topped the derby at the 2nd annual Yellow Rose Futurity and Derby held in Claresholm, Alberta. The 6-year-old daughter of Judge Cash and out of a daughter of Jet Spice was bought from NFR qualifier Shelley Murphy as a yearling and when she thinks back on it, Grad believes it was truly meant to be!

"I only had so much money and she was a bit more than I had, but I thought 'what the heck, why not try', so I made an offer and to my surprise, Shelley accepted," explained Grad. "I will forever be grateful for that!"

Grad started "Stella" late, due to training outside horses and always putting her own personal horses on the back-burner.

"I finally got her on the pattern last July as a 5-year-old, and we

had only broke her that past winter/spring! Thankfully she is a quick learner. It seemed like everything I taught her, she just did it and did it fast! She is probably the lightest, most broke, quickest-fastest horse that I have ever owned!"

The win at Yellow Rose was not only Grads first derby win but the first time she had really won an "event" of any kind, and the previous weekend, Grad and "Stella" won their first rodeo.

"I have won more money on "Stella" since January, then I have in my whole life x3! She is a true blessing from God and I just absolutely adore her and wish that I could have a big bubble that she could live in so that I knew she was forever safe. She is as much my child as my own flesh and blood; she is very dear to my heart," Grad said.

Grad and "Stella" placed 4th in the first round of the Yellow Rose Derby, won the second round and won the average with their total time on two of 32.179-seconds!

"I am still so elated and happy about the win at Yellow Rose. She has completely exceeded my expectations and I am so blessed to be able to ride her. I am very anxious to see what the future holds for her and I and will never take her for granted."

The Yellow Rose Futurity and Derby is a favorite event of Grad's because of the equal payout in the derby as in the futurity.

"I love the equal payout and think it is fantastic that we get to run at so much money! The warm-up race the evening before is probably my favorite part of the entire event. It is a benefit race for a special cause and every year the cause is different. This year it was for the Canadian Lung Association and they raised over \$5,500! It is so cool to be a part of something so big and something that benefits other people," concluded Grad.

“Classic” by Mike Morrison
Triple M (Mike Morrison Ministries)

Are you happy? Maybe I should ask if you want to be happy because if you look around, you'll see lots of negative, miserable people. Some act as though it makes them special to dwell on any imperfect thing in their lives.

Yet, the Bible talks a lot about joy. God wants us to be happy and fulfilled. “The joy of the Lord is your strength,” Nehemiah 8:10. “A merry heart doth good like medicine,” Proverbs 17:22. These are just two Scriptures that show how a good attitude might affect our health. Scientific research also shows that happy people also live longer.

Abraham Lincoln said, “People are about as happy as they choose to be.” I know of a fine young man who grew up in a “fractured” home environment who said, “Happiness is a state of mind.”

If you seek guidance from the Lord and choose to follow His will and plans for your life, you'll be happy and have great contentment in your life.

This world's pleasures are fleeting and leave an emptiness. Call on

Jesus to come into your life. Turn your life over to Him and let Him direct you in all your ways. Talk to Him every day and tell Him your hopes, dreams and fears and you'll feel His protection and provision over you like a “security” blanket.

Some people try to appear important by name dropping all the important people they know. What a waste of time! The most important person we can know is Jesus and that HE died and rose from the dead so we can have a glorious eternity. Pray and read your Bible and BE HAPPY!! There's plenty to be happy about!
