MEDIA KIT

Adam4Adam is the world's largest gay, bisexual, trans and queer+ community with over 11 million members since its inception in 2003. It is the only free social network available on both desktop and mobile app.

About.

With 16 years in the dating industry, more than 11 million users around the world, and being 100% free, it's no wonder that Adam4Adam is one of the top gay, bisexual, trans and queer+ social network.

With a constant media-driven debate reminding the LGBTQ+ people of inequities on almost daily basis, the community is paying more attention to brands that appear to be allies.

Our different digital platforms—desktop website, mobile website, iOS app, Android app—reach an unrivaled audience in terms of quality and scale. Here is your opportunity to speak to, and support the LGBTQ+ people around the world and get your message seen.

Our users.

Adam4Adam has always been known as a highly inclusive gay, bisexual, trans and queer+ social network catering to a broad demographic. We've always attracted a wide range of people of all types, backgrounds, and origins.

App banner ads.

Optimize your budget and conversion by reaching your potential clientele using the geolocation feature of their mobile.

Specifications.

FILE FORMAT - JPG, GIF, TIFF, PNG

RESOLUTION - 72 DPI

ANIMATION - 5 LOOPS, 45 SECONDS

RESTRICTION - NO FLASH ANIMATION

Mobile Broadcast Messages.

Are you a club, a restaurant or a retail business seeking new clientele nearby? Or maybe a global business or an eCom store that you want to promote? Geo-targeting on the app allows you to target your future customers in their neighborhood, in a specific country or globally. **Two options are available:**

1. Simple-text based ads

Upon opening the app, all users in the selected area will receive a pop-up message to inform them about an offer, an event, or an important information.

Specifications.

TITLE - 45 CHARACTERS

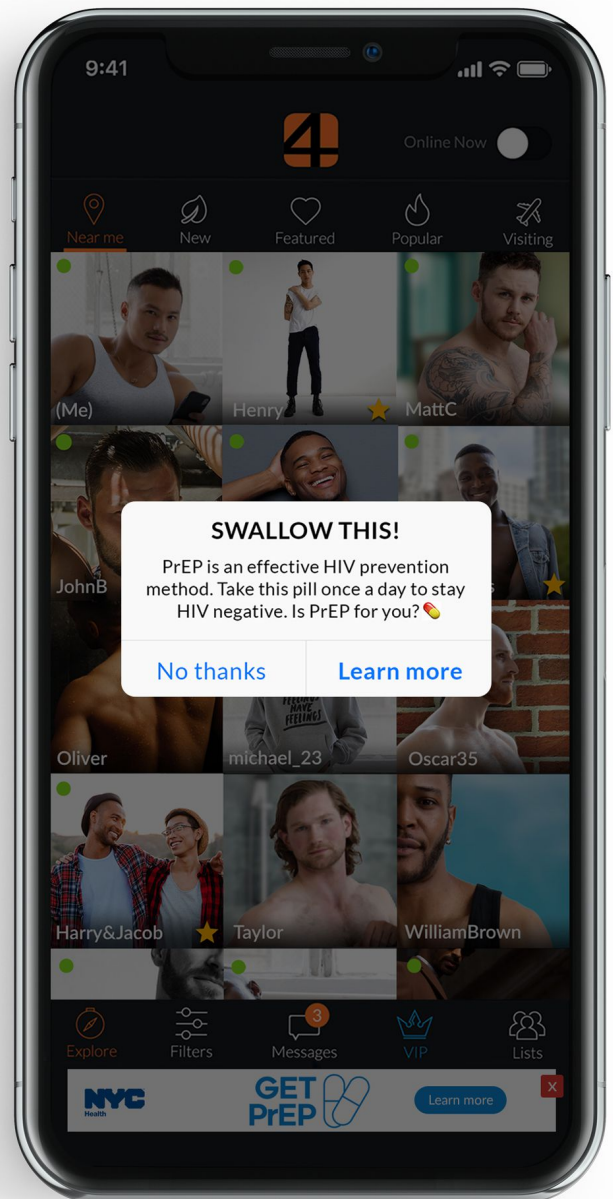

BODY OF TEXT - 350 CHARACTERS

RESTRICTION - LINKS TO MOBILE OPTIMIZED LANDING PAGE

DURATION - 24H

2. Interstitial ads

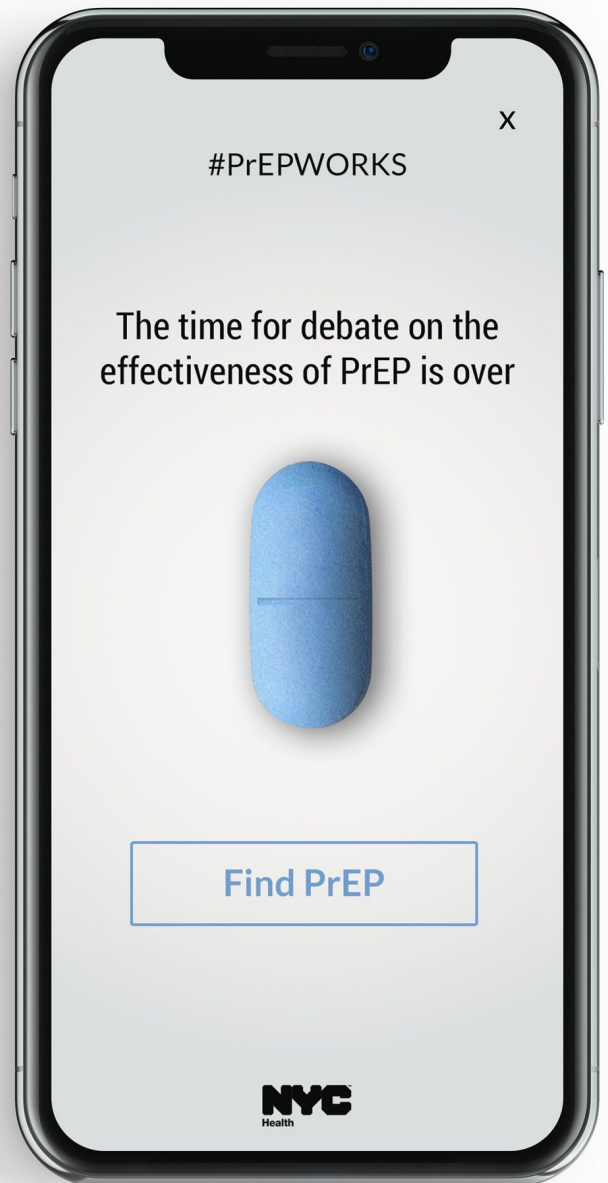

This product allows advertisers to customize their ad entirely and reach their potential clients using their brand's identity and design. Upon opening the app, all users in the selected area will receive a full-screen pop-up ad. Adam4Adam also offers design services, contact your representative for more information.

Specifications.

 **RESTRICTION - LINKS TO MOBILE OPTIMIZED LANDING PAGES**

 **DURATION - 24H**

 **RESOLUTION - 320X480 / 72 DPI**

Desktop and mobile pop-up ads.

One of the most converting type of ads on Adam4Adam are the pop-ups. Pop-ups appear whenever someone in a selected area opens the app or signs in on the website, either on desktop or mobile.

Specifications.

FILE FORMAT - JPG, GIF, TIFF, PNG

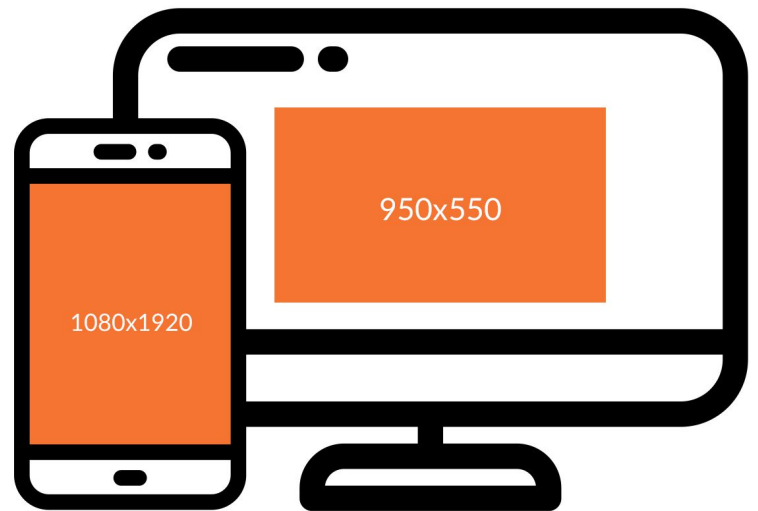

RESOLUTION - 72 DPI

ANIMATION - 5 LOOPS, 45 SECONDS

RESTRICTION - NO FLASH ANIMATION

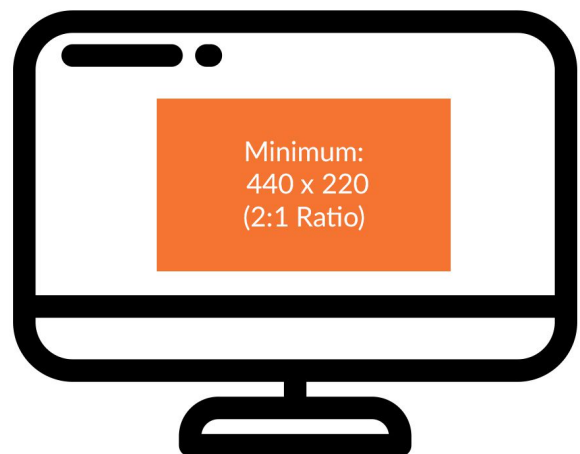

Social media ads.

It is now possible to advertise on Adam4Adam social media and blog though please keep in mind that we cannot target a specific audience or geolocation on both. Prices are per unit or they can be sold as packages as well.
