our files

8 November 1948.

MEMORANDUM FOR THE RECORD:

Following brief on THEODORE SHULZE obtained from Colonel
A. J. D. Biddle:

Subject is stepson of Colonel Biddle.

Age 26 years.

Trained as mining engineer and has had practical experience in deep ground mining.

Adventurous.

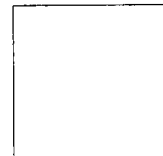

Wealthy in own right.

Through contact with Polish miners, developed acquaintance that led to joining Polish Army in 1939 as Lieutenant. Fought with them through 1939-1940 campaign until Dunkerque. Remained underground in France with Free French.

Joined French forces in Africa as tank lieutenant with General LeClerq. Fought with French up through Africa from south. Then joined US forces in Africa. With French and U. S. forces, received wounds which caused loss of one eye and severe leg wounds which may eventually lead to loss of one leg.

Hospitalized in England by US and discharged 98% disability. At own request, and through Colonel Biddle, returned to French forces (2d French Armored Div.) for European invasion. Is holder of a low numbered DeGaulle "Croix de Lorraine".

Remained in France after war and has retained close liaison with DeGaulle supporters.

16 December 1948

Col. A. D. Mead, Jr., ID, reference activities of Mr. Waldeman;
Eugene Thomas; operations of [redacted]

Col. White advised there was no monitored report of General Marras'
visit in U.S.

[redacted]

General Bolling, ID, reference FBI proposal covering alien inter-
rogations, etc. Army does not like the plan and has an over-all
plan they wish to submit.
Talked with Mr. Kirkpatrick about the paper and it was suggested
he talk with [redacted] concerning certain phases of the
plan and also it would be a good idea to talk with Mr. Houston,
General Counsel.

[redacted] reference request for assignment of [redacted]

Mr. Wisner, OPC, reference invitation to lunch with [redacted]
queried line of conversation to be followed regarding p.w.
DD stated it would be satisfactory to discuss matter [redacted]

[redacted] reference distribution of all material from China
to ORE. Will check to determine that dissemination is being made.

Mr. DeLoach, FBI, reference appointment with DD on 17 December to
discuss alien interrogation.

Mr.
Col. Sterling, OO, reference call from [redacted] ID, concerning
visit from Frank W. Levacher, Hotel National, 592 - 7th Ave., NYC.
Has visa expiring 21 December—probably Italian visa. En route
to South America; has fine letter of recommendation from Arnold
H Miller, 120 Broadway. Suggested Mr. Hunt check with Miller --
subject may be of some use to us.

Lunched in office.

~~TOP SECRET~~

21 DECEMBER 1948

Mr. Houston reference Agency comments on proposed espionage act, as requested by Bureau of Budget.

Col. White, FBIB, advised there would be no report on General Marras today. DD requested FBIB to discontinue reports on Gen. Marras' visit; and advised that Gen. Marras had expressed appreciation for the very fine reports furnished.

[redacted] was requested to obtain a copy of Army Special Regulations 600-38-1.

[redacted] reference provision for comint to cover our needs.

Col. Mead, ID, reference instructions to the field on responsibility of CIA. Deputy Director suggested that he cite our directive from NSC which applies to foreign area. Col. Mead mentioned particularly Panama; and was referred in connection therewith to two drafts of memos prepared by Col. ~~Lasch~~, one of which we concurred in, addressed to ComGenC.Z., but which we did not believe had been sent. *Col. Treacy*

Col. Babbitt reference desire of Lt. Col. Scott, Civil Affairs Div (Passport), to be assigned to CIA. Col. Babbitt will determine if any available billets. Subject spent several years in Germany on civil affairs matters and the setting up of the military government.

Col. Splean (?), AIR War College, Maxwell Field, concerning request by Col. Lessig on [redacted] for speaker for 3 January on "Introduction to the Scientific Factors of Strategic Intelligence". Request had not been handled due to [redacted] reassignment. DD advised he would check into request and would advise decision but in meantime to request [redacted] to forward request to this office for record purposes. Discussed matter with Col. Babbitt and it was agreed time too short to handle request; that it probably could be handled at a later date.

[redacted] informed and requested to forward [redacted] request to DD.

Col. Splean (?) also queried if it were possible to obtain a backlog of material published by CIA in connection with a particular study covering USSR and Satellites. DD stated that such request would have to be made through JCS.

22 December 1948

With Director, [] and []

Checked status of application of Maj. Donald Charles Pence, Retd.-- on duty FBIB pool pending final security clearance. Checked with I&S and was informed that full security clearance had been granted this date and Personnel so advised. Col. White, FBIB, advised of clearance in order that steps may be taken to complete personnel action on promotion to higher grade.

Col. Babbitt reference unclassified background information on communist activity in Latin and South America.

[] reference space for [] representative. Suggested he prepare as matter of record the position maintained in all discussions with [] representatives on subject of space and liaison. DD will append comments and desired action. [] to advise [] of decision ~~that~~ that we cannot provide office space but will offer protection for files until adequate space located. []

I&S advised full security clearance granted on Eleanor Rattigan and Personnel Branch so informed.

[] reference request (personal note) from Col. Lessig of Air War College for speaker for 3 January to lecture on "Introduction to Scientific Factors of Strategic Intelligence." [] will advise Air Staff that time element prohibits CIA from complying with request but that at a later date, will be glad to furnish speaker for subject.

General Todd reference news article on intelligence estimate of Soviet intentions. Mr Blum, OSD, had discussed subject with Gen. Todd, who refuted charges of time lag by supplying full information regarding complete and quick collaboration on estimate. Col. Wood, Aide to SecDefense, had suggested an intelligence briefing of S/D once a month. Gen. Todd thought better than an intelligence briefing be presented under sponsorship of CIA about once a month to the NSC--at the beginning of the meeting, which would give members additional background information for subjects on agenda. Col. Wood will call DCI.

[redacted] reference photographic pass [redacted]
[redacted] pass will not be renewed.

[redacted] reference list of colonels and lieutenant colonels on
duty having 30 years service -- [redacted] and [redacted]
[redacted] -- both of whom stated they did not desire to be
recommended for retirement at this time.

Mr. Carey reference threatened suit by [redacted]
both former FBIB employees.

Mr. Houston reference case of [redacted] which OPC had referred to
General Counsel with request to obtain entry to U.S. for subject and
wife.

The DD stated: "The director is insistent that we must have the
same details in connection with subject case as were indicated
as necessary by the Joint Intelligence Objectives Agency before
we can take any action regarding the entry of subject and his wife.
In addition to this information, it will be necessary for OPC
to provide information pertaining to the project involved in the
use of the subject. As a matter of procedure, it might be well to
inform OPC that these are necessary requirements before the agency
can take action with regard to the entry or use of a foreigner."

Half holiday.

30 December 1948

General Wright in Seattle and Portland (Multnomah Hotel).

Had a trial run of news film for Director and immediate staff.

[redacted] extended invitation to open house for Friday 31 December,
3 - 4 p.m. - 2305 L Bldg. - on behalf of his branch.

Mr. Carey called DCI to ask if DD was going to accompany [redacted]
to Honolulu. The Admiral said "no, but that General Wright
would see [redacted] in L.A."

[redacted] called on General Wright -- DCI talked with
him in absence of DD.

DCI approved temporary security waiver for Col. Geo. L. King, USA, Retd,
for 60 day period, beginning 12 January 1949, for duty with OPC.

DCI approved designation of Col. Pruden as Acting Deputy Assistant
Director for SO to permit his handling certain administrative
matters for [redacted] This particularly necessary in
view of [redacted] absence on leave for 30 days.
DCI asked [redacted] to "send up a paper to make it legal."

ADSO's memo of 30 December recommending that reorganization be effected
after return of [redacted] from South America - returned to SO
with DCI note: "no action".

Col. Shannon submitted to DCI new delegations of authority; new
instructions on Project Review Committee; and charts of the
reorganization. Charts were approved by DCI and effective date
of 1 January 1949.

~~TOP SECRET~~

~~TOP SECRET~~

12/31/48

Deputy Director in Portland, Oregon.

DCI signed temporary security waiver for Lt. Col. Albert Blazier Seitz as consultant to OPC for 60-day period.

Reference proposed legislation for 100 visas, Mr. Pforzheimer received call from Fisher Howe, State, saying the SecState should be included in legislation so they would have certain control over visas. It was DCI's understanding that Mr. Lovett, Actg SecState had agreed to the 100 visas "without any strings".

With reference to "Higher Classification of CIA Exploitation of Soviet Russian Language Material", DCI approved following recommendations by I&S, which had been concurred in by OO, ORE and OCD:

- (1) The Bibliography of Russian Periodicals -- to remain unclassified;
- (2) Periodical Abstracts (general series) be discontinued and replaced by separate extracts, classified according to source, with CONFIDENTIAL as minimum classification;
- (3) Periodical Abstracts (scientific series) be upgraded to SECRET.
- (4) Translation and Information reports be classified individually with CONFIDENTIAL as minimum classification.
- (5) OO be directed to survey the problem of procurement of Soviet publications from points of view of security of sources, and classify information extracted from such sources in accordance with results of the survey.

Mr. Helms, OSO, called to say he had a voluminous report on but that it did not add anything to the report which DCI had.
