This was followed by important remarks from the chair and the report was adopted as follows:

REPORT OF BOARD ON CHRISTIAN LITERATURE

Report No. 1

Your Board on Christian Literature submits the following report:

The seventy-fifth anniversary of our Publishing House finds it one of the outstanding agencies of the Church and one of its most effective instruments for providing and distributing among our people the very best expression of Christian thought. During these seventy-five years the house has had a marvelous growth and has become one of the very best publishing institutions in the country.

We had before us our senior publishing agent, Dr. A. J. Lamar. We had before us for consideration the annual report of our publishing agents, Lamar & Whitmore, from which we quote the following:

"We have made still further improvements in our Sunday School literature without any additional cost.

"The Christian Advocate continues to show a considerable loss to the House. The only remedy for this is in securing a larger increase in the number of subscribers. We have earnestly, and in many ways, tried to do this, but hitherto have not succeeded.

"The Cokesbury Press has issued many valuable books during the year by authors of national and international reputation, which have met with a gratifying reception from the reading public. Your Publishing House now ranks among the leading publishers of religious and devotional books, not only in our own country, but in the world.

"We have compared the prices at which books and Sunday School literature are sold by us with those charged by other houses, and we find that our prices are appreciably lower on almost every item. We invite your own investigation of the truth of this statement, which can be easily made by simply taking any book published by another house and comparing it and its prices with a similar book published by us.

"The total sales for the past year were \$1,931,298.05, and the net profits on sales amounted to \$150,361.53.

"We express to our preachers and people our deep and sincere appreciation of their continued loyal support which has made possible and prosperity of the House and its present fine standing in the financial world.

"Reviewing the year's work, the Book Committee has found itself justified in appropriating the sum of \$100,000 for the benefit of claimants on the Conference funds. This is \$40,000 increase over the appropriations for the first year of the last quadrennium."

These statements show that our publishing interests are in a healthful and flourishing condition.

We urge upon all our people the fact that the Christian Advocate is the general organ of the Church. It belongs to the whole Church. Through it the Church speaks, and it should receive the support of the whole church membership.

We had before us Dr. E. V. Cole, the editor of our Conference organ, who stated that this publication had been published during the year closing in October at a profit of \$1,700 rather than a loss, as has been in previous years. This was not due to an increase in circulation, but rather to collections and income from advertising.

We recommend that the second Sunday in January be observed as Good Literature Day in all our Churches and that special emphasis be placed upon the circulation of our general and Conference organs. Where this is not possible, we suggest that same Sunday as near that time as possible be used for that purpose.

Respectfully submitted,

J. M. WYNNE, Chairman.

J. L. OLIVER, Secretary.

Budget—The Commission on Budget read Report No. 1, which was adopted and reads:

COMMISSION ON BUDGET

Report No. 1

The following apportionments have been approved by the Commission on Budget for the ensuing year:

		Scale
Board of Christian Education.....	\$ 35,850.00	.357250
Board of Finance.....	30,000.00	.298954
Board of Missions.....	20,000.00	.199303
Hospital	10,000.00	.099652
Board Lay Activities.....	500.00	.004983
Entertainment, Conference	1,500.00	.014947
San Antonio Rescue Home.....	2,500.00	.024911
Total	\$100,350.00	1.000000
General Conference Apportionment	74,380.00	
Grand Total	\$174,730.00	

The total amount for Conference Work has been decreased \$19,030. The General Work has been decreased, by action of the General Conference, \$6,053, making a combined decrease over last year of \$25,053.

The Board of Finance is left the same as last year.

Conference entertainment has been decreased \$1,000.

Church Extension has been decreased \$5,000, being allowed no money for this next year.

Board of Missions has been decreased \$2,000.

San Antonio Rescue Home has been decreased \$750.

Supperannate Home Work has not been allowed any apportionment for next year, a cut of \$2,500.

The new Board of Christian Education, by merger of the Epworth League, Sunday School and Education Boards, absorbed the work of these Boards. Last year these three Boards were allowed \$43,600. The Budget Commission has decreased the new Board \$7,750.

The Hospital Board is again granted \$10,000 in keeping with Conference action of 1928, being a part of the \$125,000 voted to be raised in four years.

The Commission on Budget had a very trying task this year. Representatives from the various boards were present, and in addition representative laymen and ministers of the Conference. These, together with a vote of the Commission on Benevolences, were of the opinion that a decrease in apportionments should be made. After prayerful consideration, the above apportionments were voted unanimously, the chair not voting. We urge upon this Conference to accept these apportionments as the very best that can be done, and we believe will be for the best interest of the Church. The amounts, it is understood, are for one year, with the exception of the Hospital, which apportionment was granted two years ago by Conference vote for a period of four years.

A. & M. College—Rev. Jesse Thompson gave the report of our work at A. & M. College.

Special Order—As designated on the previous day the hour having arrived to devote to "Spiritual Life" as requested by the last General Conference, Bishop Hay read the hymn, "Faith of Our Fathers," which was sung as the Conference stood, followed by an address on the importance of the Spiritual life. This was followed by a large number giving testimony of Spiritual awakenings in life and fervor for increased Christian growth. The Conference concluded the hour by singing "He Leadeth Me."

Spiritual Life—The report of the special committee on Spiritual Life was read and adopted as follows:

RESOLUTION ON SPIRITUAL LIFE

Among the many fine things done by our recent General Conference none was of greater importance than the strong deliverance in favor of an advance movement in the Spiritual life of the Church. From the beginning Methodism has had the firm conviction that "the only hope for the world's salvation is the Gospel of Jesus Christ proclaimed and experienced in the power of the Holy Spirit." Our Gospel is not in word only, but in demonstration of the Spirit and power. We do well to hear and heed these words of Stanley Jones—"We have inherited from those early Christian Centuries a vocabulary of power, but not the fact of power." The fact of power must be obtained by each man and each generation; it cannot be inherited. It is a gift, the gift of God which He alone can bestow upon "the upright heart and pure."

Our need to place a fresh emphasis on these time-honored and tested truths is greater today than in any period of our history. The

conditions of spiritual life remain unchanged. When Christ is exalted above all private interests, and his will rules in our hearts, then the way of the Lord is made clear and the channels of power are opened. This revaluation of all that goes to make our faith precious must be made by individuals, to be sure, but not less by the Church as a whole. All the Church must unite in the glorious enterprise of preparing the way of the Lord. We all, doubtless, see our needs. We must seek and find the willingness to meet the conditions which will supply these needs.

"The need is great. The world is filled with unrest. The conflict between the Spiritual and material concerns of life is intense. In pagan lands social and political upheavals cry aloud in testifying that men are without God and without hope. In Christian lands a ceaseless rush for wealth and pleasure likewise testifies that men are drifting from the one foundation."

"The challenge of our times is for experience. The hungry souls of men cry out for a real experience that can fill the heart with joy and peace and power to live. The demand must be met by the victorious life, which has ever been the witness to our sonship."

To the ushering in of this greatly-to-be-desired end we call upon all of our people to wait before God in prayer. We will make progress on our knees, for prayer will lead us to triumphant victory.

"The first call is to the ministry. A praying ministry will awaken and lead a praying people. Let the pulpit ring out with the call to prayer—prayer that will awaken prayer, prayer for purity of heart, prayer for mightier faith, prayer that intercedes for all men."

"Let there be a revival of the message of the Cross. The Cross is the center of our Gospel. A bloodless Gospel means a lifeless Church. Faith must be grounded in the life given for us, upon Jesus Christ, whose cross is the power of God unto salvation. And this must be followed by the crucified life. Men must turn their hearts from getting to giving. The power of the Holy Spirit abides only in a sacrificial Church. Where ministers and members are chiefly concerned for their own material well-being there can be no Spiritual power. The call is for a self-denying crusade for the salvation of sinful men."

Urge our pastors in arranging for their meetings to see to it that our revival services are arranged at such periods that sufficient time can be had for the holding of a real revival.

We urge all our people to take part in a campaign of personal evangelism. "The world cannot be won by the sole efforts of the ordained ministry. The work is personal. Fathers and mothers must lead their children to Christ, not merely getting them to join the Church, but pressing upon them the personal question of a personal faith."

We suggest that all of our meetings of every character be made evangelistic. Our District Conferences should especially be made seasons of prayer and of great Spiritual power.

We suggest further that looking to the accomplishment of the very desirable end of deepening of the Spiritual life of the Church, that as early in the new year as possible two Conferences on Spiritual Life be held, to be attended by our preachers, and presided over by our Bishop. One of these Conferences to be held in Fort Worth and the other in Waco, the details of these meetings, as well as other suggestions in our program, to be worked out by the Commission on Spiritual Life appointed at the Conference.

Lay Activity—Judge H. C. Shropshire read the report of the Board of Lay Activities, which was adopted, viz:

REPORT OF BOARD OF LAY ACTIVITIES

Your Conference Board of Lay Activities submits its annual report as follows:

General Conference Legislation

The last General Conference made some changes in the program of work and the organization of the Board of Lay Activities to which we direct your attention:

1. The scope of work is enlarged to include (training of Church officers) in co-operation with the Board of Christian Education.
2. The Charge and Church Lay Leaders and the Chairman of the Stewardship Committee are made members of the Quarterly Conference, being elected by the Quarterly Conference.
3. The District and Associate District Lay Leaders are members of the District Conference.

4. The District Board of Lay Activities is required to meet with the District Stewards in the interest of the benevolences and to plan the lay work for the year.

5. The Board of Stewards is made responsible for the work of Lay Activities in the Charge and the local Church under the direction of the pastor and lay leaders.

Stewardship

We recommend that the program of Stewardship Education be continued along the line used during the past quadrennium; Stewardship Revivals, sermons, Lay Programs, or Stewardship, Stewardship Pageants, the distribution of literature and Stewardship study classes in pastor's schools, Standard Training Schools and in organized Bible Classes in the Sunday School.

The Benevolences

According to the instructions of the General Conference, the Board of Lay Activities will continue its efforts to promote full payment of all benevolences, "but under the direction of the Commission on Benevolences." Success has attended our work in this regard in the past and we urge the entire lay organization, including the Board of Stewards of each Church, to co-operate earnestly in the plan outlined and adopted for this work. We must go forward in this endeavor until all our people are informed concerning the great causes represented in the benevolence dollar and gladly bring their offerings as an act of worship and an investment in the extension of the Kingdom of Christ.

Men's Work

We urge our pastors and lay leaders and especially the Board of Stewards to study carefully the needs of the men in the local congregation for Spiritual culture and development, and to co-operate in the plans that shall be worked out by the General Board of Lay Activities in co-operation with the Board of Christian Education for the inspiration and enlistment of the men of the churches.

The Methodist Layman

We recommend the Methodist Layman not only as an official organ of the Lay Board, but also as a religious magazine for the men of the Church and in particular for the members of the Boards of Stewards. This paper will prove to be invaluable to the Stewards in their new responsibility. We pledge ourselves to secure a wide circulation of this paper and set as our goal a subscription from each Lay Leader and each member of the Board of Stewards, or at least as many as 100 subscribers from each Presiding Elder's district.

Laymen's Day

We concur in the plan of the General Board for the observance of "Laymen's Day" using as the theme for the day, "The Way to Spiritual Power," and we ask the Conference to designate for this purpose the second Sunday in June, June 14, 1931. We pledge our best efforts to secure on this day a service conducted by Laymen in every Church in the Conference.

Spiritual Life

The Laymen wish to assume their part in the program of the observance of the nineteenth anniversary of Pentecost, and to this end we pledge the Lay organization to co-operate with the Bishop, the Presiding Elders and our Pastors to bring about a higher Spiritual life in all the Churches in our country.

Leadership

We earnestly plead for the sympathy, encouragement and leadership of our Presiding Elders and Pastors in inspiring and training the lay organization for its task. We have only one desire and that is to serve as best we can in advancing the work of our great Church and the cause of Christ.

In Appreciation

We wish to report our sincere love and esteem for our Bishop, Presiding Elders and Pastors and pledge to each of them our loyal support in all their labors for our beloved Church.

Greetings—Fraternal greetings were received by telegram from State Baptist Convention being held at Amarillo.

Hospital—Judge W. Erskine Williams read the report of the Hospital Board, which was spoken to by Dr. C. Q. Smith and Mr. W. H. Bagley, and also read an interesting communication from Mr. E. A. Landreth, and the report, after several added comments, was adopted as follows:

HOSPITAL BOARD

We, your Hospital Board, have had before us the report of the Commissioner-Superintendent and of the Board of Trustees of the Methodist Hospital, Fort Worth, Texas, covering the receipts and expenditures and business of your hospital from November 1, 1929, to November 1, 1930, and we submit the following report:

Since the last meeting of this Conference, our dream of nine years has come true in the opening of our great hospital at Fort Worth. The first patient was received at 7:30 a. m. March 3rd, and the first operation was performed immediately thereafter on this patient.

Over 25,000 visitors attended the formal opening of the hospital February 27-March 2, 1930.

Over 1,200 patients have been admitted, 180 babies have been born, over 600 operations have been performed, and there has not been a case of hospital infection.

Over \$10,000 worth of charity and free service has been given to the unfortunate, sick and suffering.

Your School of Nursing is now running in full swing. There are 200 doctors on the staff, and the hospital has been fully and unconditionally approved by the American College of Surgeons.

Eminent physicians and surgeons from over America, Canada and several foreign countries, including inspectors from the College of Medicine and College of Surgeons, have visited your hospital. Without exception they have pronounced it one of the best in America. Your magnificent building, ten stories high and covering a city block, has the most modern equipment and furnishings.

You have as highly trained and as efficient and courteous personnel as can be found in any great hospital. There are now thirty fine young women from your best homes in your School of Nursing.

Despite the financial depression, we have collected on building pledges, since your last annual Conference, \$152,523. This makes the total collected since you began, nine years ago, \$886,051. Of this amount Fort Worth has paid \$638,823 and the Conference outside Fort Worth \$247,227.

There remains on our books uncollected pledges amounting to \$254,512, divided about equally between the city of Fort Worth and the Conference. This does not include, however, a balance of \$85,463 of the \$120,000 promised by this Conference at Ranger two years ago to be raised in four years. With this the outstanding pledges unpaid amount to \$339,976.

Your hospital enterprise now represents in assets \$1,598,890. The total indebtedness on all accounts is \$476,888. Practically all of this is at 6% interest per annum, covering thirteen years amortized maturities. This leaves a net worth of \$864,038. This is the largest equity the M. E. Church, South, holds in any single building anywhere.

During the last quadrennium your hospital enterprise has been brought from a seemingly hopeless condition to a finished and efficiently operating institution, almost second to none in the world.

This splendid achievement has been due largely to the liberal support of the city of Fort Worth, whose citizens are back of the hospital. They rightly expect and pray that this Conference will meet its part of the agreement made and renewed from year to year with the citizens of Fort Worth.

The books of the hospital are regularly audited by the certified public accountants firm of Pitner & Adams, and are reported kept accurately and correctly.

We had before us the annual report of the General Hospital Board, prepared by Dr. C. C. Jarrell, its general secretary, and we find from this report that no department of the work of the Church has made such outstanding progress as has the hospital enterprise.

By consent of the General Hospital Board, your Conference Board, through your Commissioner-Superintendent, made overtures to the Hospital Board of the Northwest Texas Conference of our Church in session at Sweetwater on November 13. Your Commissioner-Superintendent reported back to your Hospital Board on November 14 that the Northwest Texas Conference Hospital Board agreed to recommend to their Conference that they become a patronizing Conference of the Methodist Hospital, Fort Worth, Texas; and that all Golden Cross money raised in the Northwest Texas Conference be remitted to the Methodist Hospital, Fort Worth, Texas, for the purpose of paying for service rendered to that territory. The said Board further agreed to

recommend that your Commissioner-Superintendent be invited into said territory to secure funds for your hospital. We believe this will result in our mutual advantage.

We make the following recommendations:

First: This Conference in annual session at Ranger two years ago agreed to raise \$30,000 a year for four years, \$10,000 of this per year by assessment (now apportionment) and \$20,000 a year the balance per year in cash offerings. Fort Worth more than met its counterpledge made at that time. We, therefore, recommend a more vigorous campaign for the collection of the amount past due, and that to become due, on this four-year pledge, that amount being stated above.

Second: We ask for the same period given last year, namely, for the month of May, for the special Hospital and Golden Cross Campaign.

Third: We recommend the following as members of the Board of Trustees for the period of three years: Leon Gross, E. A. Landreth, H. H. Simmons, W. H. McCullough, C. O. Shugart and J. H. Barwise. And we recommend the election of T. Edgar Neal as Trustee to take the place of Dr. C. H. Booth, resigned, whose term expires in 1932.

Fourth: We wish to express in the highest degree possible our appreciation of the work of Dr. C. Q. Smith, your Hospital Commissioner-Superintendent and Golden Cross Director, and request that he be reappointed to this most important place. He has accomplished the great work which has been performed, not only because of his ability and efficiency, but because of his prayers which have been answered by our Heavenly Father.

Fifth: Above everything else, we, your Hospital Board ask this Conference to remember the hospital daily in your prayers.

Respectfully submitted,

T. S. OGLE, President.

T. WESLEY HOOK, Secretary.

Vote of Thanks—F. E. Singleton moved a vote of thanks to Mr. E. A. Landreth and others who had done such noble work on the Hospital enterprise, the vote unanimous by rising vote.

Leave of Absence—C. Q. Smith was granted leave of absence.

Memorial Session—Hubert C. Smith moved that the Memorial Session of the Conference be held Sunday afternoon at 2 o'clock at the close of which the appointments were to be read and it was so ordered.

Missions—Dr. O. E. Goddard addressed the Conference on our World Parish work.

Resolution—Dr. J. W. Bergin read the following resolution which was adopted:

Whereas we believe this will hearten our people and bring back to our Annual Conference next fall more money and a happier Church;

Motion—On motion of J. I. Patterson a telegram of sympathy and love was ordered sent to Bishop Cannon who is ill in Washington.

Greetings—J. T. Bloodworth moved to send greetings to the W. C. T. U. convention in session in Houston and it was ordered.

Christian Education—W. W. Ward read the report of the Board of Christian Education which was spoken to by Dr. O. F. Sensabaugh and Dr. King Vivian and adopted as follows:

REPORT BOARD CHRISTIAN EDUCATION

Under the direction of Dr. W. M. Alexander, representing the General Board of Christian Education, your Conference Board of Christian Education has been set up. The work formerly carried on by the Epworth League, Sunday School and Education Boards has been transferred to the New Board, and will be protected and forwarded in the best manner possible. Many problems confront us and can be solved only through time. An Executive Committee will carry on the work during this year of transition and we hope it will make proper adjustments before next Conference.

We express appreciation for the magnificent work achieved by the young people of our church through the Leagues and Sunday Schools. It is the purpose of this Board to conserve all that they have done and planned, and to give every assistance to their work in the future. To that end, an Executive Secretary and an Extensive Secretary has been appointed to carry on the work formerly done by the new Board. In addition to the chosen Secretaries, volunteer workers will give needed assistance in every District. The Summer Assemblies, Institutes, and other phases of their work will be carried on even in a larger way.

The Special Days formerly sponsored by the Merged Boards will receive proper attention through the year. These are the Epworth League Anniversary Day, Sunday School Day and College Day. A special committee will have charge of forwarding those days. Offerings for League Anniversary Day are to be sent to the League Conference Treasurer, Mr. J. C. Kuhlmann, Holland, Texas. Both the offering for Sunday School Day and the Fourth Sunday Missions Day are to be sent Rev. G. A. Schlueter, 2616 University, Ft. Worth, Texas. A monthly paper will be issued carrying items of interest of all religious educational work sponsored by this Board.

Southern Methodist University, Southwestern University, Texas Woman's College, Weatherford Junior College, Western Methodist Assembly, Wesley Bible Chait, and A. M. Work all had representatives before us. Their verbal and written reports were gratifying. Progress is being made, but all of them are in need of more funds for endowment.

A committee was appointed to confer with Bishop Hay looking toward the creation of a Special Commission to study the work and conditions of our schools and colleges in Texas, and with a view of coordinating their work.

We endorse the action of the General Conference giving S. M. U. and every University authority to organize and put on the campaign for a million dollars each to endow our schools of Theology.

The treasurer's report will be placed in the Journal. The merging of the Boards forces a delay in reporting at this time.

Leave of Absence—J. T. Gardner was granted leave of absence.

Temperance and Social Service—M. A. Turner read the report on Temperance and Social Service and after added remarks by Dr. Atticus Webb it was adopted and reads:

BOARD OF TEMPERANCE AND SOCIAL SERVICE

The Board of Temperance and Social Service desire to offer the following report:

Through the tears, prayers and heroic faith and effort of the Church of God the cause of temperance and prohibition marched across the years with a conqueror's tread to her day of glorious victory, when by the expressed will of the people incorporated in legislative enactment and constitutional guarantees, the legalized liquor traffic in the United States was out-lawed.

But prohibition came to us at a time in the world's history when no law of reform and civic righteousness could have a fair trial. In this trying time of post-war reconstruction when the general morale of the country was broken down and a crime wave sweeping our nation, of necessity it was exceedingly difficult to enforce the Volstead Act, or any other law of like nature.

It is a source of joy to witness the wholesome effect prohibition has had upon the moral, social and economic life of the nation. And we especially rejoice in the new awakening which has come to the forces of temperance and prohibition all over the land, and in the special effort now being put forth by our Government for law enforcement. Prohibition is still a moral issue, and the Church must continue to face responsibility in the matter.

A paper from the North Texas Conference, written by Dr. Bradford, and adopted by that Conference was laid before us and it was voted that it is the sense of this Board that we are in accord with the truths set forth in that paper. Some one could do much good in the publishing and distribution of this paper.

Favored with the presence and council of Dr. A. D. Porter, a member of the General Board, who outlined to us the purposes and plans of the General Board, to the effect that through the Conference and District Boards, and local church committees, a plan of education should be carried out that would reach our entire constituency.

This means that the Conference Board shall become active in carrying out this program and that the Presiding Elders shall see to it that the District Boards are formed and the local committees appointed according to the Discipline, and that they function in carrying out this plan under the Conference Board. It is the purpose of the General Board that our Boards shall co-operate with the agencies of other churches and temperance organizations in a united campaign in behalf of our Nations dry policy.

The Board expresses its endorsement of the Anti-Saloon League of Texas and its most efficient leadership, in the person of Judge W. Erskine Williams, its President; and Rev. Atticus Webb, its Superintendent, both of whom are members of this Conference. In this connection we recommend that re-appointment of Dr. Atticus Webb as superintendent of the Anti Saloon League of Texas.

We extend the same cordial endorsement to the Woman's Christian Temperance Union and rejoice in its gain of over seven hundred thousand new members in the last three years. We urge our people not to be misled by the attacks made upon these organizations. The intent of these attacks are solely for the purpose of weakening the morale of our forces by assaulting our leaders.

The Anti Saloon League is entirely dependent for its strength upon the support the churches give it and therefore, we should open our pulpits to the League and encourage our people to contribute to it.

We also had under consideration the San Antonio Mission and Training School, and were delighted with the report made by its Superintendent, Mrs. Culbertson. For the coming year we recommend an appropriation for this Home of \$2,500.00.

We urge co-operation and support to our Good Will Industries within the bounds of our Conference. This is one of the most worthy institutions of our church.

We regret the revival of the lynching spirit manifest this past year and call our people to do all within their power to allay friction between the two races. We can never countenance violence. We must forever uphold the majesty of law.

We urge our State Legislature not to weaken our Anti Race Track Gambling Law or other Anti Gambling laws.

We call attention to the utterances of our Bishops in the Episcopal address of the last General Conference concerning the industrial problems of our country and we suggest that we carry out the spirit of that statement in throwing ourselves into the breach whenever and wherever possible for the good of all, that the spirit of the Golden Rule may prevail and that the church as a "Peace Maker" may be called a child of God. We deplore present conditions which bring about the unemployment situation and call upon the church to cooperate with the Government and all other legitimate and proper agencies for remedying this situation.

We request the Conference to wire greetings to the National Convention of the Women's Christian Temperance Union at Houston, Texas.

Respectfully submitted,

M. A. TURNER, Chairman.
W. E. FISHER, Secretary.

Orphanage—The report on Orphanage was read by J. Fred Patterson and spoken to by Geo. W. Barcus. Dr. F. P. Culver moved to re-commit the report at the request of the chair after which Dr. A. D. Porter moved to amend the report rather than to re-commit, and the amendment was accepted with the adoption of the report as follows:

REPORT OF ORPHANAGE BOARD

Dear Brethren:

We your Orphanage Board submit the following report:

One of the most sacred trusts that has been committed to the church is the care of the orphan child.

There are now in our home 406 children. 127 of these have been received from the territory embraced by the Central Texas Conference.

The health of the children is excellent, and there has not been a death in the home in four years.

The auditor's report shows that conditions at the orphanage are satisfactory and encouraging with net assets of \$884,223.48, a net increase for the year of \$18,972.90.

We recommend that the month of December be observed as Orphanage month, and since the office of Field Secretary has been discontinued, we urge that the pastors and church leaders present this cause to every Methodist and friend to the orphan child in the bounds of our Conference, and give their usual loyal co-operation.

We request that the Central Texas Conference accept as its apportionment the amount of \$32,000.00 which is not an increase in the askings of last year.

We further recommend that the pastors use the utmost discretion in recommending for admission in to the Home, children with one or both parents living.

We urge that the laws providing for punishment of child deserters may be so amended that their wages may be directed to those caring for their children.

We wish to commend most heartily, the faithful and efficient management of the Home.

We recommend the appointment of W. T. Gray as an assistant to the Home as Religious Education Director.

Respectfully submitted,

D. A. CHISHOLM, President.

J. FRED PATTERSON, Secretary.

Spiritual Life—The Spiritual Life Committee nominated three additional as requested at a former session and they are P. E. Riley, V. H. Fisher and W. W. Ward.

Motion—Dr. Culver moved that the committee set up to study the plan of re-apportionments of the benevolencies would consist of eleven rather than nine, the motion prevailed with the following named: J. N. Rentfro, L. I. Griffith, H. N. Peters, J. B. Pace, G. E. Kincannon, A. W. Hall, S. J. Rucker, Gid J. Bryan, C. N. Morton, R. W. Nation and T. Wesley Hook.

Conference Benevolence—F. E. Singleton read report on Conference Benevolence which was adopted and reads:

REPORT OF CONFERENCE COMMISSION ON BENEVOLENCES

The Conference Commission on Benevolences provided for in paragraph 340 of the new Discipline met November 5, 1930, and organized by electing the following officers:

Bishop Sam R. Hay—Chairman, ex-officio.

J. W. W. Shuler—Vice-Chairman.

F. E. Singleton—Secretary-Treasurer

We had before us Dr. J. E. Crawford, the representative of the General Commission on Benevolences, who explained the new financial plan.

We note:

1. The word "assessment" has been eliminated from the Discipline and the word "apportionment" substituted therefor.

2. The apportionment for General Work has been reduced from \$2,130,000 to \$2,000,000, with an optional item of \$40,000 for the assemblies at Mt. Sequoyah and Lake Junaluska.

3. A voluntary kingdom extension offering of \$1,200,000 has been authorized to meet the additional needs for missions, education, Church extension, and hospitals.

4. No full-time salaried workers are to be employed but the regular existing agencies of the Church are to be utilized in the cultivation program in behalf of the General and Conference Work and the Voluntary Kingdom Extension Offering.

5. While the District Stewards' Meetings, the District Missionary Institutes, the District Conferences, and the Fourth Round of Quarterly Conferences are to be observed as periods of emphasis, there is to be only one intensive cultivation program, which is to be January and February, or such other time as the Annual Conference may direct.

6. At the District Stewards' Meeting, to which the pastors and lay leaders are to be invited, the new financial plan is to be presented, and free literature and pledge cards for use in securing the regular apportionments ordered, and plans made for the every member canvass for the apportionments as early as possible.

7. The study book to be used during the intensive period of cultivation is to cover the work represented in the regular apportionments and the Voluntary Kingdom Extension Offering.

8. The Voluntary Kingdom Extension Offering is to be taken at the close of the intensive cultivation period, but any church which chooses to do so may combine this offering with the regular apportionments and prorate the results of the returns on the combined askings.

We believe this new plan is a distinct forward step, worthy of our best efforts as members of the Commission and as an Annual Conference. We pledge our hearty cooperation in the united movement to secure our regular apportionments in full and to reach our Voluntary Kingdom Extension goal of \$44,061. We recommend the months of January and February be designated as the time for the intensive period of cultivation in the Central Texas Conference.

FRANK E. SINGLETON, Secretary.

Missions—Geo. F. Kornegay read the report of the Board of Missions which was adopted and reads:

BOARD OF MISSIONS

Our Mission charges held successful revivals, resulting in many conversions and additions to the membership of the church.

Our Mid-year meeting held at Itasca in May centered around the Rural Church problem and Bishop Moore said of this meeting that it was the greatest of its kind he ever attended.

Evangelism

The Board through its committee cooperating with the Conference Spiritual Life Commission will endeavor to promote a great evangelistic movement among our people.

It is the purpose of the Board to emphasize evangelism and the spiritual life in the program of the mid-year meeting.

Your Board recommends the following as evangelists: John M. Neal, General Evangelist; Adrian C. Jones, Evangelist for Brownwood District; G. C. Davis, Local preacher Evangelist; B. W. Kramer, Goodwill Institute, Ft. Worth.

Doctor O. E. Goodard was before us representing the General Board of Missions, explaining the relation of the Board to the new financial plan. He also urged the importance of annuities and bequests as a source of permanent revenue. Our Board earnestly requests that he give to the church at large in pamphlet form the address made to our Conference.

New Financial Plan

This Board pledges co-operation with the General and Conference Commissions on Benevolences to make the new financial plan a success. We call attention that the District Missionary Institutes, as one of the regular agencies of the church, are to be utilized in the interest not only of missions, but of the entire financial program for General and Conference work and the voluntary Kingdom Extension offering. The dates of these Institutes have been fixed as follows:

Missionary Institutes

Fort Worth	January 5	Cleburne	January 12
Weatherford	January 6	Waxahachie	January 13
Cisco	January 7	Corsicana	January 14
Brownwood	January 8	Waco	January 15
Georgetown	January 9	Gatesville	January 16

We urge our pastors to emphasize the importance of a wide circulation for the Missionary Voice.

We commend the splendid work of the Goodwill Industry at Fort Worth under the superintendency of Rev. B. W. Kramer, and recommend that his report be printed in the Journal.

Appropriations

Your Board has confronted the most difficult situation in making the appropriations that it has faced in at least a dozen years. The amount available for distribution was approximately less than one-third than last year.

The Board has followed the policy of giving prior consideration to the charges that pay less than one thousand dollars. This has meant that the reductions have come chiefly from scaling the askings from those charges that pay more than one thousand dollars.

We recommend the following appropriations to the several mission charges:

Epworth League—The final report of the Epworth League Board was read and adopted:

REPORT OF EPWORTH LEAGUE BOARD

There are 186 Senior and 79 Hi-League Chapters now effective in this Conference. There are 19 Epworth League Unions, three of which are Hi-League Unions.

During the year 18 Epworth League Institutes have been conducted, two of them being specialization institutes in spiritual leadership, which were conducted at Belton and Southwestern University.

At these institutes there were awarded 685 units of credit on the Christian Culture Course. With the 57 units received by representatives of our Conference at the Mt. Sequoyah Assembly, 120 units at the Hi-League Assembly, and 300 units at the Senior Assembly, the total for the year, exclusive of home work credits, is 1162 units of credit.

The Senior Epworth League Assembly was conducted at Texas Womans College, Fort Worth, and for the second time, a Hi-League Assembly was held at the same place. The general tone and spirit of the meetings were of the very finest, and each delegate in both assemblies who registered for credit received credit.

The chapters in the Conference pledged \$4,989.20 to the Conference Budget, which includes the Conference expense work and the missionary offerings. Of this amount \$3,977.85, or 79%, was paid, and of this fund there was remitted to the Central Office the sum of \$2,610.66 for the mission special. Our Conference ranks sixth in the church as to the amount remitted for the Epworth League Missionary special.

The Treasurer, Mr. Leon Parkman, reports an income during the year (including amount on hand at beginning of the year) of \$2,942.76, and expenditures of \$2,758, leaving a balance of \$184.76. However, there is an outstanding obligation of \$300.00 which must be met from the appropriation received.

In this final report of the Epworth League Board, it is interesting to note the growth of the Epworth League Conference during the past twelve years. Twelve years ago there were 93 chapters, now there are 301; then there were raised for missions and conference work in one year \$759.00—now the annual contribution is more than five thousand dollars; at that time the total amount of money raised in the Conference by the Epworth Leagues was \$4,705.00 and today it is nearly sixteen thousand dollars per year.

Much of this great progress is due to the faithful and efficient work of the Field Secretary, Rev. J. D. F. Williams.

It is gratifying that the New Board of Christian Education, into which the work of the Epworth League Board is being merged, is carefully planning to conserve and utilize the interest, the enthusiasm, and service of the young life of our Conference which have heretofore been fostered by the Epworth League.

Respectfully submitted,

H. C. BOWMAN, Acting Chairman.
J. M. BOND, Secretary.

Board of Finance—C. N. Morton read the report of the Board of Finance and it was adopted as follows:

REPORT OF THE CONFERENCE BOARD OF FINANCE

Your Board of Finance submits the following as its report:

We had with us in one of our sessions, Dr. Luther E. Todd, General Secretary of the Board of Finance, and heard his report of the growth of the Superannuate Endowment fund. Our enthusiasm

was somewhat dampened, when we learned that our own conference which has next to the largest number of claimants of any conference in the connection, has next to the lowest standing in the percentage paid on its quota of this worthy fund. At the suggestion of Dr. Todd and in line with a request of the late General Conference, we are asking that this conference designate the month of April of the ensuing conference year as a time when special emphasis shall be given to Superannuate Endowment and that the Presiding Elders, in planning programs for their respective District Conferences, give opportunity for the Director of Superannuate Endowment, or his chosen representative to speak in behalf of this cause.

Your Board will have approximately one third less money at its disposal this year than last year, and is under necessity of making drastic reductions in appropriations that were already far too meager. In view of the fact our funds are so short and the needs so pressing, neither the Board nor the claimants have had time to make adjustments to the change in the law and the further fact that Dr. Todd informs that many of the conferences are defering for another year putting into operation the new law governing the distribution of our funds the Board voted unanimously to appropriate its funds at this session of the conference on the basis of need rather than years of service.

The following claimants have died during the year: Rev. J. M. McCarter, Rev. C. Rowland and Mrs. J. J. Calloway.

We now have on our list, including those preachers who have been superannuated at this conference, 65 superannuates, 63 widows of superannuates and 2 orphans, making a total of 130 claimants in all.

The following claims have been waived in favor of the more needy claimants: Rev. Horace Bishop, Rev. A. T. Culbertson, Rev. B. A. Evans, Rev. W. H. Vaughan, Mrs. J. W. Adkison, Mrs. C. E. Brown, Mrs. G. F. Campbell, Mrs. E. V. Cox, Mrs. J. W. Downs, Mrs. G. W. Graves, Mrs. B. H. Kenedy, Mrs. J. C. Mayhew, Mrs. N. M. McLaughlin, Mrs. W. H. Mathews, Mrs. Jno. R. Nelson, Mrs. F. P. Ray and Mrs. N. W. Turner. The Board deeply appreciates this unselfish generosity.

We have received for distribution this year the following funds:

From the Publishing house, Nashville, Tenn.....	\$ 4,566.70
From the General Board of Finance	3,618.72
From the Conference Treasurer	18,000.00
.....
Making a total of approximately	\$26,185.42

After a careful and prayerful consideration of each individual case we have made the following appropriations to the claimants.

Sunday School—T. E. Bowman read the final report of the Sunday School which adopted as read:

REPORT OF SUNDAY SCHOOL BOARD

We have experienced growth and progress in our work of religious education this year.

The Dual Extension work has made marked progress, under the leadership of Bro. Bruce Meadow Cox. The people in our rural territories know and appreciate the advantages of this work and are being greatly benefited thereby. We are happy to report that this department of our work has more than financed itself.

In the Elementary and Adolescent Departments, there has been excellent work done, under the efficient leadership of Mrs. R. O. Sory and Mrs. A. W. Hall, who have given there time and labor without pay.

Every district in the Conference has a complete district organization and there have been held ten district institutes and twenty-four group institutes. Practically all our Sunday Schools use our own literature.

During the year 45 Standard Training Schools were conducted with an enrollment of 2,661 and 2,243 credits. One Standard Training Class and about 40 Junior Schools were held. Some credits were earned in our Pastors' Schools and in the Summer Leadership Schools, while some were taken by correspondence and supervised study. Quite a large number were taken in colleges and universities. The total number of standard credits is 4,250. The following awards were issued; 93 Diplomas, 85 Blue Seals, 45 Gold Seals, 7 Bible Diplomas, 4 Red Seals, 2 Missionary Certificates and 2 Diplomas in Religious Education.

There were held 16 Approved Cokesbury Schools, 26 One-Teacher Schools and 13 Local Classes, with a total of 480 Cokesbury credits.

The total number of leadership training credits for the year is 4,730.

The general budget has received from all sources \$4,078.57 and has disbursed \$4,571.24, leaving a deficit of \$492.67. This is the first time this department of our work has shown a deficit and it would have had a balance to its credit had the Sunday School Day offerings and our Conference Fund paid as much as last year.

However the Dual Extension department shows a balance of approximately \$1,200.00 which means that the new Board of Christian Education will receive approximately \$750.00.

As this is our last year as a Sunday School Board, we have no recommendations to make. But wish to record our faith for greater things in the field of Religious Education, in the days ahead. We also express to the Conference and especially to the members of the New Board of Christian Education our desire to help in any and every way we can in this work.

T. E. BOWMAN, Chairman.
D. A. CHISHOLM, Secretary.

Spiritual State—P. T. Stanford read the report on the Spiritual State of the Church and it was adopted:

THE SPIRITUAL STATE OF THE CHURCH

Your Committee rejoiced to note the deep spiritual atmosphere which prevails at the present session of the Annual Conference. We note with joy that throughout the Conference the reports received on as to members profession of faith indicate a definite upward trend in the spiritual life of the Church.

While mindful of progress in this direction we are deeply conscious of the fact that the one supreme need of both minister and laity is a new and fresh baptism of the Holy Spirit.

Our people are restless. The world with its empty allurements claiming the major portion of our time, money and talent.

Many of our people are seeking recreation and satisfaction in amusements which are questionable if not positively harmful. The card table, the dance, the indecent motion pictures, bathing revues and other worldly amusements crowd to the background the fervent spiritual experience.

The thing, in our judgment we most need is the deepening of the religious experience of our own people; the revival of family religion in the homes of our church members; and a very definite effort by

personal pastoral and mass evangelism to bring to Christ the multitudes who as yet have not been reached for our Lord and Saviour.

We therefore urge upon all alike to a new dedication and consecration of heart and life in order that we may make way for a baptism of the Holy Spirit in a manner such as we have not heretofore experienced.

Respectfully submitted,

P. T. STANFORD, Chairman.
Mrs. J. D. SMOOT, Secretary.

Christian Literature—Report No. 2 on Christian Literature was read by J. L. Oliver and after added remarks by F. L. Turner the report was adopted as read:

REPORT ON CHRISTIAN LITERATURE NO. 2

Dear Brethren:

Your Board on Christian Literature submit the following as report No. 2:

Since submitting our first report we have given further consideration to our Conference organ and other periodicals and publications.

In these days when the lines are forming for another fight in behalf of a sober nation we feel that our Texas Advocate has an important function to perform. We commend the editor for his stand on prohibition and for his declared purpose not to let up, and would even welcome a more militant and aggressive stand on the issue, that the Advocate may serve, as in other days, as a powerful instrument for rallying the forces of righteousness in this state. We urge the very great importance of giving it a wider circulation among all our people.

We recommend Rev. J. F. Isbell to the Bishop for appointment as field representative for the Advocate during the coming year with W. B. Gilleland, Assistant.

We call attention to recent improvements made in the Missionary Voice. It is now in a class by itself in the field of religious journalism and should have a place in every Methodist home. We urge all our pastors present it to their congregations and seek to increase its circulation.

It is a matter of regret that in many sections of the church, song books of inferior quality are widely used. We register as our belief, that our own books are the best for our people. They have been prepared with the specific needs of our people in mind, and our pastors' should, so far as possible, see that they are used.

A communication from the Department of Tracts of our publishing House has been before us. We are pleased that during the last fiscal year more than half a million tracts were distributed. A wide variety of these tracts has been prepared, and may be had by any pastor simply for the asking.

Respectfully submitted,

J. M. WYNNE, President.
J. L. OLIVER, Secretary.

Board of Church Extension—J. J. Creed read report on Church Extension and it was adopted viz:

REPORT OF BOARD OF CHURCH EXTENSION

Your Board of Church Extensions has labored under the disability of having more applications and less money than ever before. Many of our churches are in great distress because of indebtedness. We desire to sound a distinct note of warning abainst launching extravagant and

unbusinesslike building enterprises which are serious embarrassments in every phase of the church program. We also record our regret that by action of the conference, no assessment for church extension has been allowed for the ensuing year, thus eliminating the only means at our command for furnishing desired relief to the churches in need.

The officers elected by the new board for the next quadrennium are as follows: T. H. Burton, President; S. G. Thompson, Vice President; J. J. Creed, Secretary and E. M. Wisdom, Treasurer.

Superannuate Homes—J. S. Cook read the report of Superannuate Homes which was a report of the Trustees and it was accepted as follows:

THE BOARD OF TRUSTEES, SUPERANNUATE HOMES

The material interests of our homes for superannuates have been well administered during the past year, under the direction of Dr. W. B. Andrews, Agent. (The Board recommends that he be reappointed as Agent for the coming year.)

There are at present eighteen homes, with a value of approximately \$53,000.00. Two new homes have been added during the past year.

For twenty-five years this Board, acting under authority, as it assumed, from the Annual Conference, has secured homes and other property, and when advisable have sold properties, being careful always to use the money derived from such sales, in other homes, according to the trust clause of the Discipline. Recently a Title Guaranty Company defeated the sale of two vacant lots in Fort Worth, ordered sold at last year's meeting of the Board. The objection urged by the Title Company is that this Board of Trustees cannot dispose of property without an order from the annual conference. While we do not think this objection is legally valid, it has served to obstruct the work of the Board, and in order that the difficulty may not arise again, it is recommended that in the adoption of this report, the Annual Conference shall thereby ratify and confirm all deeds and other records of transfer heretofore executed by this Board, and that this Board is expressly given the authority to sell or otherwise dispose of property held by them in trust for the Conference Claimants Homes, when in their judgment it is found advisable. Provided always that the proceeds from such transactions shall be reinvested in other Conference Claimants Property according to the Trust Clause of the Discipline of the M. E. Church, South.

We remind the Conference that both our Superannuates and our Superannuate Homes have been the victims of tragic reductions in normal incomes, by the admittedly unavoidable action of this Conference. To this, there can be no complaint, but we do seek a remedy in order that these great interests may not suffer beyond the bounds of reason. For the coming year, we can but look to the generosity of local congregations for the funds to maintain and improve the Superannuate Homes properties and to provide a small measure of relief for our Superannuates in these days of dire need.

In the past it has been all but impossible for the Agent to secure the consent of pastors to come before the local congregations. It is most earnestly recommended that our Pastors take these causes upon their hearts, and see to it that our Agent has at least one opportunity during the year to present them to congregations that might be interested.

In the communities where these homes exist, it is especially true that there is a very definite sympathy, and can easily be capitalized, without hurt to the local program, if only the Agent may come and present the matter to them. It is further recommended that in these

places, the Pastor take the matter of the local Superannuate to his Board of Stewards and other church organizations, in order to more definitely place their needs before the local congregation.

Respectfully submitted,
GEO. W. SHEARER, President.
J. S. COOK, Secretary.

Sympathy—J. F. Clark moved that a telegram of sympathy be sent J. W. Cowan who is in the hospital at Temple, and such sympathetic messages were ordered sent to Prof. C. F. Webb and I. F. Harris.

Records—J. F. Clark read the report on District Conference records which was adopted as follows:

REPORT OF THE COMMITTEE ON DISTRICT CONFERENCE RECORDS

Nine of the ten district conference records were examined by us, and found to be neatly and correctly kept.

The Brownwood District Conference Record was not before the Committee.

A few of the records presented to your Committee were not signed by the Secretaries.

We commend the several district secretaries for their careful and efficient manner in which they have entered the minutes on their records.

We make special mention of the Waco District Record, which has been indexed. This was of much help to the Committee in making its Report.

We suggest such an Index for each District Record.

Respectfully submitted,
H. B. CLARK, President.
J. F. CLARK, Secretary.

Collection—W. H. Coleman requested an offering for the postmaster B. S. Crow which totaled \$46.60.

Adjournment—The Conference stood adjourned until Sunday afternoon with the benediction pronounced by Dr. Horace Bishop.

SUNDAY AFTERNOON—FINAL SESSION

Opening—As ordered on the previous day the Memorial Session met promptly at 2 o'clock with Dr. Horace Bishop presiding, "O Love that will not let me go" was sung and the Scripture Lesson was read by S. A. Ashburn. Dr. Bishop resigned the chair to Rev. M. K. Little. Dr. Bishop led in prayer.

Minutes—The minutes of Saturday afternoon were read and approved

Question 14—What preachers have died during the year? was answered J. M. McCarter, C. Rowland and Alonzo Monk, Jr.

Memoirs—Dr. Little read memoir of C. Rowland and verbally spoke of J. M. McCarter whose memoir had not been prepared.

MEMOIRS**CORNELIUS ROWLAND**

Cornelius Rowland was born in North Carolina in 1850, and died in Fort Worth, Texas, May 22, 1930. He was converted and joined the Methodist Church when a young man. He entered the ministry at the age of twenty-seven in Williamson County, Texas.

He was admitted on trial in the old Northwest Texas Conference in March, 1879. He served the following pastoral charges: Cowhouse, three years; Moffett, two years; Witt, two years; Springtown, three years; Peaster, three years; Smithfield, one year; Godley, one year, Cleburne Circuit, two years; Alvarado, two years, and Riverside, three years.

He was placed on the superannuate roll thirty-six years ago, moving to Polytechnic, where he lived in his own home, until God called him to the home above.

He did evangelistic work for twenty years, during the summers, in his home state of North Carolina. He made as many as twenty consecutive trips, preaching 200 times in five months. When 80 years of age he preached nine weeks returning in last November, which was his last active work. His mind was clear and active up to the last, when he died in the bosom of his family and the circle of his family, as only a Christian can die.

He is survived by his four children, three sons and one daughter: Leonard, J. C.; L. W. and Mrs. Loma Hildebrand, all of Fort Worth. Also ten grandchildren and two great grandchildren.

Brother Rowland was looked upon as a man pure and clean of heart, lip and life. He was deeply pious, humble, and unusually enthusiastic for a man of his strength. His native ability was very marked, having retained his original personality, which is so often destroyed by the attrition of education. Hundreds were saved under his ministry, and many family altars established in his pastoral charges. His type is fast passing away. Let us cherish his memory.

M. K. LITTLE.

Dr. E. B. Hawk read memoir of Alonzo Monk, Jr.

REV. ALONZO MONK, Jr.

The subject of this sketch was one of the best known among the younger men in the ministry of Methodism. He was the third child born to Dr. Alonzo Monk and his wife Mrs. Bettie Carl Monk, in Camden, Arkansas, February 21, 1881. His father was one of the great pulpiteers of Methodism in his day and in the circle of the home the very best influences operated. At the age of thirteen he entered the Webb School at Bell Buckle, Tennessee. From this institution he went to Vanderbilt University where he was recognized as one of the brilliant minds in the student body. He graduated not only in the academic courses, but held his degree of Bachelor of Divinity. Before his college days were finished he was known as one of the gifted young ministers in his church. He had done much religious work while in school, having served as assistant pastor of Monroe Street, Nashville, and as pastor at Waverly Place. In addition to this he had served one year in the Louisiana Conference.

In 1908 he was admitted into the Northwest Texas Conference and appointed to Morgan Station. The following year the conference was divided and Brother Monk was re-assigned to his work, which was now in the bounds of the Central Texas Conference. In this conference he held his membership throughout his subsequent ministry.

During the years to follow he served Anglin Street in Cleburne,

Hamilton, Gatesville, Arlington, First Church Corsicana, Mineral Wells, and one year as city missionary for Fort Worth. In the latter field he laid the foundation for two of the vigorous churches of the city—Highland Park and Hemphill Heights.

Brother Monk was always possessed with a passion for evangelism. No year passed while he was in the regular itineracy in which he was not repeatedly in revival work. He was never happier than when seeking to win men and women who had lost their way spiritually. At the end of his second year at Mineral Wells he was appointed general evangelist. Some of his friends sought to dissuade him, but he felt God calling him into this difficult and needy field. He would council with his friends, but prayer was his one final resort in the decisions of his life. In the few years spent as an evangelist he had come to be recognized as one of the most effective men in this group of special workers. Calls for his service had increased each year, and at the time of his death few men among the evangelists were in greater demand.

In his preaching, his emphasis was always on the great fundamentals of the faith. He saw Christ and his church in their relation to the eternal divine plan. In the Son of God dwelt all the fullness of the Godhead bodily, he was the redeemer from all sin and the perfection of Christian character was to be obtained through him. Some felt at times that he was to severe in the standards for conduct which he upheld. But he never preached a life for another which he himself did not seek to live. He lived separate and apart from the world. He knew nothing of compromise for himself and he felt that under God he must lead the church to the same lofty heights. His appeal to and interest in young people made for him a large place in the League activities of his conference. For years he helped to direct the conference programs and was often the inspirational speaker.

In 1908 he was married to Miss Mary Smith, daughter of Mr. and Mrs. S. C. Smith of Big Spring, Texas. To them were born two children, Mary Smith, who since her father's death has followed him to the home above and James, a noble son, now in school at Fort Worth. The companion of his early ministry passed away in 1925. Later he married Miss Eudora Dickason, daughter of Dr. E. E. Dickason of Brownsville, Texas. In addition to his wife and son, he is survived by his sister, Mrs. Gid J. Bryan of Olney, Texas; and two brothers, Carl Monk, lawyer of McAlester, Oklahoma, and Rev. Marion S. Monk of Monroe, Louisiana.

His death came after a brief illness in the Methodist Hospital at Fort Worth, Texas on the evening of July 28, 1930. The funeral services were held in the First Methodist Church which building was started by his father some twenty years ago. The writer was assisted in the services by Rev. J. W. Upchurch, founder of the Berachah Home at Arlington, Texas, to which institution Brother Monk had rendered exceptional service. The great auditorium was filled with friends who felt keenly their loss and the loss the church had sustained in the going of this man of God. In death he was triumphant. He seemed to be privileged to look beyond the veil and with radiant face he went out to join a group who with glorified bodies and spirits serve God with gladness of heart through endless ages.

EUGENE B. HAWK.

As is the custom of this Conference the memoirs of the wives of preachers were read as follows: Mrs. J. W. Shuler by Dr. L. L. Evans:

MRS. J. W. W. SHULER

Mrs. Mary Catherine Shuler, wife of the Rev. J. W. W. Shuler, was the fifth in the family of twelve children which came into the home of her parents Felix and Elizabeth Ketron. She was born in Russell County, Virginia, December 5, 1861, and passed to her eternal reward from her parsonage home in Mart, Texas, at 5:45 o'clock, Sunday afternoon, June 29, 1930. She was united in matrimony to Rev. J. W. W. Shuler, July 6, 1897, and had she lived but one week more, she would have reached the thirty-third anniversary of their wedding. She was converted in childhood, and united with the Church, to which she was an ornament all the days of her life. She came to the end of her earthly journey without previous illness or weakness, for suddenly, quietly, triumphantly, she crossed to the other side. The day of her departure she had gone about her usual duties with that painstaking care that characterized all that she did, attending Sunday School and Church, and looking after all the details of her home. To the Sunday School Class, of which she was a member, she had made a talk that morning which greatly impressed her hearers, first because she did not often speak in public, and second because of her earnestness and the spiritual power with which she spoke. Following a short auto ride which she and Brother Shuler had that afternoon, as she sat in her room listening as he read to her, suddenly she was not, for God took her.

When she came into the home of Brother Shuler as a bride she also came as a true mother to his six children. Indeed she always claimed these children as her own, and from the one who was less than two years old on up to the oldest she gave to them all the riches of the love of her heart, the unflinching kindness of one who made their best interest her own joy, and the sympathetic guidance which means so much in the life of the growing child. In turn they loved her as their own mother, and felt a deep sense of personal loss in her death. Two daughters were born to her, Mrs. W. Duke Pittman, and Miss Edna Shuler, both now living in Mexia. The older children whom she mothered and loved are the Rev. R. P. Shuler, D. D., Pastor of Trinity Church, Los Angeles, California; the Rev. P. L. Shuler, Pastor of our Church at Mount Calm, Texas; Mr. W. A. Shuler, Paris, Texas; Mrs. Clarence C. Burns, Lebanon, Virginia; Miss Rose Mary Shuler, New Brunswick, New Jersey; and Mrs. Harry Lee Kidd, of Mexia, Texas.

Mrs. Shuler was a great Christian. Genuinely good, fully consecrated, faithful in all things, the Christian graces became her as a beautiful garment. So naturally did these graces belong to her, that one could not think of her apart from them. No itinerant minister ever had a better or a truer help-mate. Endowed as she was with a fine mind, possessed of a very clear judgment, she was wise in counsel, and helpful in all forms of her husband's work. Discreet, sympathetic, loving, she never returned the harsh answer, or had to explain the hasty or ill-timed word. Her innate modesty forbade her ever placing herself prominently in the lead in the work of the Church or community, but with unselfish abandon she threw herself into her task, not caring for honors or distinction, fully content if only the Master's will were done and His cause promoted. It was in her home that she shone to the greatest advantage. Out from under her care and direction have gone eight children who do well their part in life. To her must be given due share of credit for the fact that the Shuler name is not only a house-hold word in Methodist circles, but is known, respected and honored throughout the Nation.

With her her husband and his work came first. With charming

grace and gracious hospitality she presided over her home making it a choice place for her husband and family, and a genuine delight for the fortunate guest who came that way. She was loved by the congregations to which her husband ministered, and many who have known her throughout the years rise up and call her blessed. She believed in prayer—not as a theory—but as a matter of constant practice. Her Bible was her companion, her comfort, and her source of unfailing inspiration. In all things she did well. Of her it may truly be said, she made the most of her life. Her memory will not soon be forgotten. Her influence abides to bless the world.

Beside her husband and the immediate family, she is survived by five brothers and four sisters: John W.; George; Edward; and Robert Ketron, of Lebanon, Virginia; and James Ketron, of Kingsport, Tennessee; Mrs. Robert Crabtree, of Benham, Virginia; Mrs. W. W. Gilmer and Mrs. William Ferguson, of Lebanon, Virginia; and Mrs. Thomas Gibson, of Copper Creek, Virginia. Beside her sisters and brothers there are twenty-two grand children. Her husband, her brothers and sisters, her children and grand-children, all were deeply embraced in her love and affection. But her heart was too large for these alone. Her sympathies would not allow her to exclude any whom she truly came to know and appreciate.

As an itinerant minister's wife she entered into the joys and sorrows of the congregations her husband ministered to on the Lebanon Circuit, Emory Circuit, Wythville Circuit, and the Graham Station, all in Virginia; the Harriman District, in Tennessee; the Big Stone Gap Station in Virginia; and the Bramwell Station in West Virginia. In the Central Texas Conference: Morgan, Hubbard, Gatesville, Cleburne District, Graham, Ennis, Coleman, and Mart.

The funeral services were conducted in our Church at Mart by her Presiding Elder, Rev. P. E. Riley, assisted by Rev. L. L. Evans and Rev. J. Frank Luker, pastors in Waco, and Rev. E. M. Wisdom, pastor at Hubbard. In addition to these the pastors of the Presbyterian and Baptist Churches in Mart, the Rev. Mr. Campbell, and the Rev. Mr. Blaylock, also had part. Her body was laid to rest in the cemetery at Mexia, where the committal service was conducted by the Rev. J. G. Putman.

P. E. RILEY.

Mrs. C. O. Hightower by Rev. T. E. Bowman.

MRS. C. O. HIGHTOWER

Miss Gertrude Florence Bridges was the daughter of a Local Preacher in our Church. She was born January 17, 1892, in Comanche, Texas. She and her brother, Mr. J. E. Bridges, were the only children of Rev. and Mrs. C. C. Bridges. Her father passed away thirty-four years ago. Gertrude, as she was familiarly known, was converted at the age of nine years, and all of her life was a consecrated, useful Christian. On November 2, 1913 she was happily married to the Rev. C. O. Hightower who was just entering the Ministry. The week following their marriage Brother Hightower was admitted into the Conference which was held in Temple, Texas, November 5, 1913. They went as bride and groom to the Stephenville Circuit, their first Charge. Through the years Sister Hightower went uncomplaining to every Charge to which they were sent, always giving encouragement and inspiration to her husband and their parishioners.

To this union three children were born: Laura Francis, Maurice and Clarine. For a little over thirty eight years Sister Hightower was a pilgrim here. During this pilgrimage she touched and blessed many lives. This pilgrimage came to an unexpected end on the morning of

March 5, 1930, following a serious operation in the Sanitarium at Ballinger, Texas. Amid the tears and sobs of her loved ones and many friends who had gathered there, her pure, heroic soul went home.

Sister Hightower had all the characteristics of a good woman as set forth in Proverbs 31:10-30. She was modest and retiring, but always constant and faithful and true in every relation of life. She exhibited, so unmistakably, the fruits of the Spirit that all who knew her believed that she was a genuine Christian. She loved the Church and gave to it the firstfruits of her loyalty and service. Her favorite line of work was with young people, and in this field she did a great work. Her unflinching faith in Christ made her at all times hopeful and optimistic. She had that "charity" that thinketh no evil, and that never indulged in harsh and unkind criticism. Her home life was little short of the ideal. Her husband safely trusted in her, and the trust and confidence of her children were complete. Her going cast a heavy gloom over the Church at Bronte of which her husband was Pastor. Her body was laid to rest in the cemetery at Carbon, Texas, in the midst of many friends who had gathered from several churches that Brother and Sister Hightower had served. The last rites were in the hands of Dr. W. H. Coleman, Rev. G. W. Shearer, Rev. J. W. Holt, Rev. W. E. Anderson, Rev. Z. L. Howell, Rev. R. D. DeWeese, Pastor of the Baptist Church at Bronte, and the writer. We do not know why this noble woman was taken just when life's busy tasks were fairly begun, but we shall know some day when the smoke of battle has cleared she will greet her loved ones and friends again.

T. E. BOWMAN.

Additional remarks were many by a large number of the brethren in tender and fitting words. All reports were adopted.

Chair Resigned—Rev. M. K. Little resigned the chair to Bishop Sam R. Hay.

Besides these, each church is entitled to one delegate for every one hundred members, or two-thirds fraction thereof, to be elected by the Church Conference, provided that every church shall have at least one delegate.

2. The Presiding Elders are a standing committee to nominate all the boards and regular standing committees at each session of the Conference.

3. The Presiding Elders are required by Conference resolutions to send to the Statistical Secretary of the Conference, immediately after the meeting of their respective boards of District Stewards, a copy of the apportionments made on each charge, and these apportionments are to be recorded by the Statistical Secretary as the official apportionments against the several charges of the Conference.

4. The Conference shall elect a Statistical Secretary and an assistant Statistical Secretary who shall serve till the close of the Conference following. The Conference shall also elect two assistant Statistical Secretaries for each of the several districts. The two District Assistant Statistical Secretaries for each district shall be nominated as follows: The Statistical Secretary shall nominate one man and upon his election he shall nominate the second man. It shall be the duty of the District Assistant Statistical Secretaries to collect the statistical reports from the preachers in charge within the several districts and see that such reports are properly edited, properly entered upon the sheets provided for that purpose and to turn the finished sheets over to the Statistical Secretary in the evening of the second day of the Conference session.
