## *Welcome to our Total and Complete Red Angus Dispersal ...*

Frey Angus Ranch has been raising registered Angus cattle for nearly 70 years. In 1989, a red female was born at the ranch from Angus parents. This female is responsible for all but one female being offered in this dispersal. They all go back to Freys Missie 276X, Reg. #398827, an exceptional female in her own right, tracing four times to Ankonian Dynamo through QLC Target twice and Sayre Patriot twice. The progeny of this great female were sired by some of the best sires the breed had to offer in the past 25-plus years. In recent years, we made investments in exceptional sires such as Red RRAR Detour 6Z, SLA Big Time 351A and, most recently, TKP Cinch 6274.

The expansion of our Angus females in numbers and the challenges of promoting two breeds of cattle have led us to the decision to disperse the Red Angus herd. This Red Angus herd of cattle is too good to not be promoted to their fullest extent. We feel that we cannot do two breeds the justice they deserve. Although we had both local and national success in showing a number of championship individuals and pens of three at the National Western Stock Show in Denver with both breeds, we feel it is necessary that we concentrate on one breed as time allows.

We had planned this dispersal sale prior to breeding season with the purchase of TKP Cinch 6274 from Pieper Red Angus. This decision was made after calving females to his sire, PIE Cinch 4126. The decision to seek out the source of this great breeding bull with the purchase of 6274 will provide rewards to the many females that carry his service. He shows as much promise as any red or black bull used on this ranch.

If we had another 25 years to develop another cowherd through a cow such as Lot 1, or many other cows for that matter, and bulls such as TKP Cinch 6274, the results could be unlimited.

That opportunity beholds those that wish to seek that opportunity. We have tried to aid those interested by a complete and total dispersal of our Red Angus herd, including all saleable females, 2017 calf crop, herd sires, embryos and semen inventory.

The footnotes provide service dates for breeding, calving due dates and sex of calves to be expected, as well as the most current EPDs and individual performance information. The health and soundness of this herd is second to none.

The cattle will sell in catalog order with complete videos of all cattle selling on our website and with DVAuction.com.

Please do not hesitate to call if we can be of any assistance.

## TERMS:

The terms of the sale are cash or check payable at the sale facility unless satisfactory credit arrangements have been made prior to the sale. The right of property shall not pass until after settlement is made. All settlements must be made with the clerks of the sale before cattle will be released.

## LUNCH:

A complimentary beef lunch will be served at noon on sale day. Food and refreshments will also be served the day and evening prior to the sale.

## TERMS & CONDITIONS:

The sale will be conducted according to the sale Terms and Conditions recommended by the Red Angus Association of America. The Terms and Conditions are available online at:  
<http://redangus.org/marketing/sale-planner/sale-terms-conditions>

## ACCIDENTS:

Every precaution will be exercised to protect the safety and comfort of those attending the sale. Neither the owners, auctioneer or any sale staff assume any responsibility in this matter and disclaim any liability, legal or otherwise, in the event or accident or loss of property.

## LIABILITY:

All persons attending this sale do so at their own risk, and sellers assume no liability, legal or otherwise, for any accidents occurring in, on or about the premises. We are not responsible for any typographical errors. Any errors discovered in the catalog will be corrected by announcements from the auction block at sale time, and such corrections will take precedence over the printed material in the catalog.
