The Bipot bet

BETTING MADE EASY!

What is it? To win a Bipot you must predict the winner or second-placed horse in all of the six consecutive races designated in the racecard as Bipot races.

Why would I take one? In a Pick 6, you have to predict six consecutive winners, whereas in the Bipot your selection can win or come second. In the Place Accumulator your selection can finish anywhere in the top three, but you must do that over seven consecutive races. The Bipot gives you an 'in-between' alternative.

What's it cost? Your straight line Bipot will cost you R1 but must be taken six times to satisfy the minimum bet requirement. You may include more than one horse in any of the races i.e. a Permutation.

Costs:

Straight line = R1 (take six times)

Easy permutation: 2 horses in each leg = R64

Tip: if you want to cut down the cost of your permutation, use Fractional betting e.g. R64 permutation taken for R25 will give you 39.06% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Bipot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

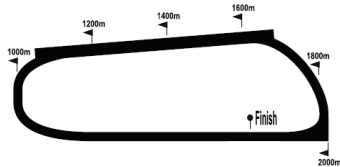

CAPE RACING

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

It could get close between the first three selections. 6 EASY MONEY as well as 2 BLUE HOLLY were both easy winners in their last start and with the 2.5kg sex allowance, they should be competitive here again especially at Hollywoodbets Durbanville which will suit their style of running. 1 SPEEDING BULLET was a little disappointing in his last start and has top weight to shoulder. In saying that, he does drop back to five furlongs and a bounce back to prior form can be expected. 3 CAPTAIN ARROW has yet to win a race and therefore only has 57kgs to carry. He should show more improvement to finish in the quartet here. (Devon Pretorius: 6-2-1-3)

The Pick 6 bet

BETTING MADE EASY!

What is it? In every race card there will be 6 consecutive races designated as the 'Pick 6' races. Your task is to predict the winners of all of those races.

Why would I take one? The Pick 6 is the BIG ONE. This is the one to catch. Lots of money to be made on this bet. Predicting 6 consecutive winners is never easy but is well worth a flutter, often returning a dividend many times bigger than the Jackpot.

What's it cost? Your straight line (1 horse in each leg) Pick 6 will cost you R1, but you need to take it 6 times to meet the minimum bet requirement of R6. To increase your chances of winning it is advisable to include more than one horse in any of the races i.e. a Permutation.

Costs:

Straight line (1 horse in each leg) = R1 (take 6 times)

Easy permutation: 2 horses in each leg = R64

Easy permutation: 3 horses in each leg = R729

Tip: If you want to cut down the cost of your Pick 6 permutation, use Fractional Betting. e.g. a R729 permutation taken for R60 will give you 8.23% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Pick 6 bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

First time runners rule in the Pick 6... If a horse that has not raced before wins a leg of the Pick 6, the first horse to finish of those in the race that has raced before will also qualify as a winner in the Pick 6.

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

<p>5 KYOMAI raced against tougher in his last start where he took off late despite being green as well as not having a clear run. With luck in running he should be the horse to beat here. 4 SEE YOU IN A BIT is another runner who impressed with a fast-finishing 400m in her last start when she ran on late to finish fourth over track and trip. With a 3kg allowance and drawn much better, she'll be doing her best work late. 3 AVIGNON actually finished ahead of See You In A Bit in her last start and should be considered for quartets as well as 1 WOMAN'S WORLD who should appreciate the step up in trip as well as meeting a weaker field than what she has previously faced. PREVIEW				
3 APPLE CATCHER should be a massive runner here despite having top weight to carry. Second in both starts and still capable of more improvement. The second on debut behind Touch Of Grace, who has subsequently come out to win two in a row, was impressive and multiple runners have come from that formline and win. 8 ON BOARD is back against her own sex after not disgracing herself against the boys where there have been two winners from that recent formline. She is the biggest danger. 4 ELECTRIC FEELS, 9 AMETHYSTIC as well as 7 LOVE RULES should fight out the minor placings in the quartet. (Devon Pretorius: 3-8-4-9)

<p>2 MISTY CLIFFS certainly caught the eye when running on well, despite the widest of draws, to finish in the quartet in her last start. Now from barrier 3 in a small field, she should be a huge runner. 5 BO KAAP is making her debut but is impeccably well bred with the dam producing multiple stakes winners. She could be a horse to follow. 1 SIMPLY BEAUTIFUL is one of the more consistent runners in the race and should give another good account of herself here. 4 GIFT FROM HEAVEN is the value bet for the day with 56kgs to shoulder and the drop in distance. If she goes to the front she could be hard to catch and cause an upset. (Devon Pretorius: 3-5-1-4)</p>			

The Quartet bet

BETTING MADE EASY!

What is it? To have a winning Quartet bet you have to predict the first 4 horses past the post in the exact order.

Why would I take one? You fancy 4 horses in the race that you think can win or place. You could take the 3 you most fancy as a Trifecta, but, it's a case of risk and reward. Predicting 4 finishing positions is more difficult than predicting 3 - but the dividend is correspondingly higher!

What's it cost? Your 4-horse 'straight line' Quartet will cost R1 - but you must make it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can 'box' your 4 horses, or more.

- 4 horses 'straight line' = R1 (take 6 times)
- 4 horses 'boxed' = R24
- 5 horses 'boxed' = R120

Tip: Use Fractional Betting to cut down the cost e.g. take this R120 boxed Quartet for R60 and you will get 50% of the bet.

* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Quartet on. For a simple 'straight line' Quartet, give your horse number for 'first' followed by your horse numbers for 'second', 'third' and 'fourth'. If you're boxing, simply call your numbers and specify that you want them boxed. End off by stating the amount you wish to spend - 'Full Unit', or a lesser 'Fractional' rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

1 KELP FOREST has improved with every run and his best effort was over 1600m in his last start where he moved up to challenge and was outrun in the closing stages. He meets a much weaker field here and should be very close to a banker. 4 FINAL EDITION finished behind the first selection in that run and was running on well late. Expect more improvement from him. 8 HAWK CIRCLE probably has his best chance to win a race here but he has been the first selection on so many occasions before where he has disappointed. Don't leave out! 3 RAINBOW COLOURS should be good enough to finish in the back end of the quartet in a weak field (Devon Pretorius: 1-4-8-3)

The Trifecta bet

BETTING MADE EASY!

What is it? To Win a Trifecta, you have to predict the first 3 horses past the post in the exact order.

Why would I take one? All indicators are that there are 3 outstanding horses in the race. You could take the 3 as a boxed Swinger, but the Trifecta dividend invariably pays out much more than all three individual Swinger dividends combined! More risk, more reward!

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Trifecta on. For a simple 'straight line' Trifecta, give your horse number for 'first' followed by your horse numbers for 'second' and for 'third'. If you're boxing, simply call your numbers and specify that you want them

boxed. End off by stating the amount you wish to spend - 'Full Unit', or a lesser 'Fractional' rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

What's it cost? Your 3-horse 'straight line' Trifecta will cost R1 - but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can 'box' your 3 horses, or more than 3 horses.

3 horses 'straight line' = R1 (take 6 times)
3 horses 'boxed' = R6
4 horses 'boxed' = R24
5 horses 'boxed' = R60

* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

6 BROADWAY GIRL as well as 5 BYE BYE BOMBSHELL are both the class horses in the race and will have to deal with the top weight of 61,5kgs as well as 62kgs respectively over the mile trip. This could give a runner like 1 BETTY BOOP, who is in hot form at the moment, a chance to strike with only 54kgs to carry. 7 VERONICA MARS as well as 2 FLEETING are both consistent sorts and seem to take a liking to Hollywoodbets Durbanville. Open race (Devon Pretorius: 6-5-7-1)

END RACE									
RESULT:									
PREVIEW									
1 HUNTING TRIP with the drop back in trip to five furlongs should be able to turn the tables on stable companion 9 DISTINCTION who wasn't disgraced when finishing third and ahead of the former mentioned in their last start. 5 ENEMY TERRITORY should enter the fray after an impressive victory in only her second start but now meets a much more competitive field. She only has 52kgs to carry but it will be interesting to see how she copes in a Class B in only her third start. 2 MISS MARGUERITE meets weaker than what she has recently raced against and is capable of a bold showing. (Devon Pretorius: 1-9-5-2)									

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

PREVIEW

Open and competitive race where a case can be made for every runner. 4 BEERENBERG is unbeaten at Hollywoodbets Durbanville and now drops back in trip to arguably his best distance. The opposite can be said for 7 SILVER FALCON who has his first run after a slight break and is over a distance short of his best. However, he has raced against quality horses like Quasiforsure and Silvano's Dasher who have been in hot form this season. 2 BARZALONA wasn't disgraced when running third in his last start and has probably got his merit rating down to a winnable mark. 9 DANCE VARIETY off a light weight should be able to make the frame. Go Wide! (Devon Pretorius: 4-7-2-9)

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

PREVIEW

3 FLY TO RIO narrowly missed out in her last start when finishing second by half a length. She is the most consistent runner in the field and should go close if not one better. 9 AXL is also in good form and has had one start at Durbanville for one win. If he can beat the draw he will fight out the finish. 11 TUSCAN GOLD might not have the best Hollywoodbets Durbanville form, but he has been able to finish in the quartet in three of his last four starts. Also has a wide draw to contend with. 4 KIMBALL O'HARA has been gelded and has raced against the likes of Trompie as well as At My Command who are leagues above this field. If he doesn't need the run, it wouldn't be surprising to see him be involved. (Devon Pretorius: 3-9-11-4)
