

## U.S. Immigration and Customs Enforcement

The information in this letter is important. Please read it completely. You must follow the instructions below to finish your immigration processing. It is very important that you report to the ICE Field Office and show up at your immigration court date. If you do not follow these instructions, you may be removed from the United States.

### Right to Apply for Asylum

You have the right to apply for asylum and other protections that would allow you to stay in the United States. You will have the chance to tell your story to an Immigration Judge. The Judge will decide if you can stay in the United States.

### Report to ICE for Processing

The form *Reporting to ICE after Release into the United States* discusses how to schedule an appointment for a reporting date at a U.S. Immigration and Customs Enforcement (ICE) Field Office near you. If you aren't sure which office to contact from the list on the back of the form, you can call 1-888-351-4024 and you will be told the closest office location.

You can bring an attorney or someone to help you at the appointment. The purpose of this appointment is to gather additional information from you so that you can finish your immigration processing. If you do not report as requested, you may be removed.

When you report to the ICE Field Office:

- An officer will ask you for some information and get your fingerprints.
- you will get instructions about what to do next;
- you will get more information on how to find legal help and other resources; and
- you will get documents to help you find housing, services, education, and work.

### Report to Your Immigration

HearingThe Form I-862 (Notice to Appear) has the information that the government will use to discuss your case at your immigration court hearing. It includes: 1) your immigration charges and 2) the date, time, and address of the Immigration Court where you need to show up.

### Change of Address

It is very important that you tell ICE **AND** the Immigration Court if you change your address so we can mail any updates to your new address. In your packet are instructions on how to change your address with both ICE and the Immigration Court.

## FREE Legal Help

Many groups and attorneys provide FREE LEGAL HELP. In your packet is a letter about Legal Resources. It provides the names, phone numbers, and website links of several groups that may be able to help you.

If you have any questions about reporting, you can call the ICE at 1-888-351-4024 where they have operators who can help in several languages.

# Reporting to ICE after Release into the United States

U.S. Customs and Border Protection (CBP) releases some people with instructions to report to U.S. Immigration and Customs Enforcement (ICE) for continued processing. This document explains the general process you may encounter when reporting to ICE. It is not intended to provide legal advice or replace the information included in the forms referenced below. You need to review ALL your paperwork and understand your reporting obligations.

## Step 1. Read and Review Your Forms

### Form I-385 Request to Report

### DHS Form PD G-56 "Call-in Letter"

Noncitizen's Name:

DHS Form PD G-56, or Call-in Letter, states that you are required to check-in with ICE officer. Your PD G-56 instructs you to report to your local ICE Office within 60 days of arrival into the United States.

Subject ID:

On the back of this sheet is a list of offices, but you are encouraged to call 1-888-351-4024 to confirm the closest location for you to report.

Country of Birth:

CBP provided you a form with your personal information, fingerprint, and picture. The second page of this form instructs you to report to the ICE office nearest your destination within 60 days.

## Step 2. Report to the ICE Field Office and to Immigration Court

### WHERE AND WHEN DO YOU REPORT?

#### Reporting to ICE

**Check-In Appointment.** The middle section of your Form PD G-56 (see below) provides information about how to report to ICE. ICE recommends that you schedule your appointment online by visiting [www.ice.gov/check-in](http://www.ice.gov/check-in). You will need to use the **Subject ID** and **Country of Birth** entered on your I-385 form. You can call the following toll-free number for assistance: **1-888-351-4024**.

ICE will review your case and may require you to appear before an immigration court.

You may receive a Notice to Appear (NTA) in immigration court.

#### Reporting for Immigration Court

**Court Hearing.** You may receive information by mail from the immigration court which will include a court address, room number, date, and time for your appearance in front of an Immigration Judge. You can call the Executive Office of Immigration Review (EOIR) at **1-800-898-7180** if you are unsure of your next court date.

Please present this notice to your local ICE office upon request

OFFICE LOCATION	ICE Field Offices are listed on the attached document entitled "ICE Field Offices." Please call 1-888-351-4024 if you need assistance in locating or reporting to your local ICE office.
DEADLINE	You must report your local ICE office within 60 days of release.
REQUEST	ICE Deportation Officer for continued processing and consideration for enrollment in ATD.
REASON FOR APPOINTMENT	You have been released in the discretion of U.S. Customs and Border Protection in the United States and are now required to contact your local ICE Field Office to complete processing.  Contacting ICE will ensure that DHS has your address and contact information up to date. Once you contact ICE for the first time, ICE will evaluate how you can meet the continuing filing requirements which may include in-person reporting. Failure to contact the local ICE office may lead to you being taken into custody or placed on additional forms of supervision or monitoring.
BRING WITH YOU	Identification document (birth certificate, government-issued identity documents such as a driver's license or cedula) and all immigration documents.

FAILURE TO CONTACT THE LOCAL ICE OFFICE AS INSTRUCTED MAY RESULT IN YOUR ARREST AND/OR A LOSS OF THE RIGHT TO ANY POSSIBLE RELIEF. THANK YOU FOR YOUR COOPERATION.

If you fail to appear for your immigration court hearing, you may be ordered removed from the United States in your absence.

## Step 3. Comply with the Conditions of Your Release

### YOU MUST COMPLY WITH THE CONDITIONS OF YOUR RELEASE

You must review and comply with all conditions of your release, including reporting to the ICE office within 60 days.

It is important to notify ICE and the immigration court of any change in address. If ICE and the immigration court do not have your current address, you may not receive important information about your case and may be detained and/or ordered removed from the United States. You must notify ICE and the Immigration court separately.

To schedule your ICE check-in appointment, please visit [www.ice.gov/check-in](http://www.ice.gov/check-in). You will need to use the Subject ID and Country of Birth entered on your I-385 form. You may also contact the appropriate ICE Field Office using the contact information on the back of this flyer.

**QUESTIONS?** If you are unsure about the closest ICE reporting office, or you have trouble connecting with the Field Office, including access to an interpreter, you may call ICE toll-free at **1-888-351-4024**.
