LUCIS TRUST LIBRARY
120 WALL STREET, 24TH FLOOR
NEW YORK, NEW YORK 10005

TELEPHONE (212) 292-0707

Rules for Borrowing:

The Lucis Trust Library is available to all interested in this special service. It contains a complete selection of the books of Alice A. Bailey, as well as books on the occult, philosophy, religion, astrology, and other related subjects. The library is open Monday through Friday from 9:00 a.m. to 4:30 p.m. (except holidays). Books may also be borrowed through the mail.

A library application form must be filled out before books can be borrowed. Properly print your informations using a blue or black pen, no pencil. Please do not ask us for library applications for your friends. If they are interested, suggest that they write to us themselves.

Two books may be borrowed at a time and kept for four weeks. The due date stamped in the back of each book represents the regular four week loan period, plus one week to allow for mailing to you. When returning materials, place them in the mail on or before the stamped date. (We will expect them here one week later.) Books or tapes may be renewed for two additional weeks on hearing from you by mail, phone or e-mail. (Borrowers renewing by mail are not sent an acknowledgement of the renewal.)

Library books or tapes should not be lent to others.

Reference books (marked "REF" in catalogue) may not be taken from the library.

All the Alice A. Bailey books are available on audio cassette. Only one set may be borrowed at a time, and regular library books and cassettes cannot be borrowed at the same time.

Two video programs produced by the Lucis Trust are available for sale by Lucis Productions at this address, or by loan through the Lucis Trust Library. These are the programs – "The Wesak Festival: Moon of the Buddha" and "Twelve Spiritual Festivals".

We appreciate very much your adherence to due dates. We depend on your responsible care of these often fragile books, and their return so others may use them too. We will contact you in the case of excessively overdue materials, but much prefer your voluntary cooperation.

THE LIFE OF A LIBRARY DEPENDS ON ITS CIRCULATION. PLEASE DO YOUR PART BY RETURNING BOOKS AND TAPES ON TIME.

Borrowing by Mail

Books and tapes are sent only within the United States, Puerto Rico and Canada. We do not mail to military or diplomatic addresses or any overseas addresses.

Please use the Library Book Request form whenever possible when requesting books or tapes (tape requests on reverse side of the form). Include the title and author's name as they appear in the catalogue, and please also fill in your name and address.

Occasionally, all books requested will be unavailable. Substitutions will be made unless you specify otherwise.

How to Return Library Books and Tapes by Mail

The due date stamped in the back of the books is the date that the books should be placed in the mail for return to the library.

Wrapping: For the protection of the books, save all of the original wrapping for returning the books. If you must use other wrapping, be sure the books are well protected (see wrapping suggestions on back of Book Request form.) Packages are subjected to very rough treatment in the mail. CAREFUL WRAPPING GREATLY EXTENDS THE LIFE OF BOOKS AND TAPES.

Postage: Books or tapes sent within the United States and Puerto Rico (although not Canada) may be sent by Library Book Rate, an inexpensive rate used by mail-order libraries. Be sure to mark the package "LIBRARY BOOKS" or "LIBRARY TAPES". Use regular postage stamps (not air mail) in the same amount as was on the original package sent to you.

The form for your next book or tape request can be included inside your return package at no additional cost.

If you are eligible and wish us to mail your tapes "FREE FOR THE BLIND", please let us know.

All of the books of Alice A. Bailey are available in Braille through the mail from

The Theosophical Book Association for the Blind
Krotona 54
Ojai, CA 93023

Library Book Donations

Donations of books to the library are welcome. However, prior to sending any books, please give us a list of the ones you wish to donate, indicating whether they are hardcover or paperback, and we will then let you know which books would be suitable for our collection.

THE LIBRARY IS NOT ENDOWED. IT IS MAINTAINED SOLELY THROUGH
VOLUNTARY CONTRIBUTIONS.

YOUR SUPPORT IS APPRECIATED.

TWELVE SPIRITUAL FESTIVALS

(Twelve 28 minute VHS video programs)

The *Twelve Spiritual Festivals* have as their purpose group meditation as a service to humanity. The ageless wisdom teaches that the twelve spiritual Festivals which occur each month at the time of the full moon are a time of maximum energy flow and opportunity for spiritual contact. The moon itself has no influence on the work; it merely indicates a free and unimpeded alignment between our planet and the sun, the solar center, the energy source for all life on earth. As such times humanity can make a definite approach to God, the Creator, the center of life and intelligence. Anyone who wishes to be of service through taking part in this meditation work is welcome to do so.

Each 28 minute program features an original narration on each of the zodiacal signs and complemented by lovely scenes of nature which were video-taped in New York, New Jersey, Pennsylvania, Florida and Oregon. The opening and closing theme music is "Lotus Land" by early twentieth century British composer and esotericist, Cyril Scott. Additional music has been composed especially for this series by Craig Richey, a musician/composer in New York City.

THE WESAK FESTIVAL: MOON OF THE BUDDHA

(One 48 minute VHS program)

Starting in Myanmar (Burma) and ending in a Tibetan valley near Mt. Kailas in the Himalayas, Buddhist celebrations of the great Eastern spiritual festival of Wesak are shown. To many, Wesak represents the moment of greatest enlightenment of the spiritual year and its esoteric significance offers insight for people everywhere. THE GREAT INVOCATION

From the point of Light within the Mind of God
Let light stream forth into the minds of men.
Let Light descend on Earth.

From the point of Love within the Heart of God
Let love stream forth into the hearts of men.
May Christ return to Earth.

From the centre where the Will of God is known
Let purpose guide the little wills of men—
The purpose which the Masters know and serve.

From the centre which we call the race of men
Let the Plan of Love and Light work out.
And may it seal the door where evil dwells.

Let Light and Love and Power restore the Plan on Earth

“The above Invocation or Prayer does not belong to any person or group but to all Humanity. The beauty and the strength of this Invocation lies in its simplicity, and in its expression of certain central truths which all men, innately and normally, accept—the truth of the existence of a basic Intelligence to Whom we vaguely give the name of God; the truth that behind all outer seeming, the motivating power of the universe is Love; the truth that a great Individuality came to earth, called by Christians, the Christ, and embodied that love so that we could understand; the truth that both love and intelligence are effects of what is called the Will of God; and finally the self-evident truth that only through humanity itself can the Divine Plan work out.”
