

## BUDGERIGARS

PRIZES: Unless otherwise stated the prizes in each class are, FIRST, 10/-; SECOND, 4/-; THIRD, Card.

**WITHDRAWAL OF ENTRY.**—Every bird entered must be exhibited unless a certificate signed by the owner is lodged with the Society prior to the date of the Show, stating that the bird is unable to compete on one of the following grounds:

- (i) The bird has died.
- (ii) The bird is unfit for exhibition due to injury or disease.
- (iii) The bird has become ineligible for the class entered.
- (iv) Some other cause which the Council or Secretary of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than £5 for every bird not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

Entries must be made on forms supplied by the Society, and will only be received subject to the Rules and Regulations of the Society.

Exhibits must be bona fide property of the exhibitor at time of entry.

No bird may be entered in more than one class, and birds entered in wrong classes will not be judged, and the entry fees will be forfeited.

Budgerigars, Canaries, Finches and other Cage Birds must be delivered to the Superintendent at the Pigeon Pavilion on the Show Grounds not later than 9 p.m. on Wednesday, 16th September. Country and Interstate exhibitors may make arrangements with the Society to receive their birds and return them after the Show.

All birds will be benched by Stewards only.

Exhibitors must provide "standard" cages for their birds. Gummed labels to be affixed thereto will be supplied by the Society, and no addition must be made to these labels by exhibitors. In the event of an exhibitor adding to the information included on the label by the Society, the bird to whose cage this label is attached will be disqualified.

No bird suffering from any disease will be allowed to be exhibited.

Judging will be commenced at 9 a.m. on Thursday, 17th September, and, with the exception of those engaged by the Society, no person will be admitted to the Pavilion until judging is completed. The Pavilion will be open to the public from 9 a.m. until 9 p.m. on Friday, 18th September, and Saturday, 19th September.

During the Show the birds will be in the custody of the Society, and must not be touched or handled by the owner or any person, on any pretence whatever, without the permission of the Superintendent.

Exhibitors will not be permitted to remove their birds before 9 p.m. on Saturday, 19th September.

The Society will arrange for a competent person to feed and otherwise attend to the birds, and caretakers will be on duty in the Pavilion night and day during the currency of the Show.

Selling prices of all birds may be displayed on cages. Cards will be supplied free on application to the Superintendent, who will place them on the cages if requested by exhibitors who are unable to attend in person.

The greatest care will be taken of the exhibits, but the Society will not be responsible for any accident, mistake, loss or damage, from whatever cause arising, the exhibits being at the sole risk of the exhibitor. In case of the death of any exhibit, the same shall be certified by the Veterinary Surgeon or his deputy.

Exhibitors of birds which are protected or kept under permit, must produce their permit when called upon to do so. The Society does not accept any responsibility in this matter. Entries can only be accepted on this condition.

Birds that have been tampered with or improperly dealt with in any way shall be disqualified, and entry fees paid shall be forfeited. The exhibitor shall also be liable to disqualification, and, if a member, to expulsion from the Society.

The Council reserves the right to reject at any time any entry or prohibit any person or bird from competing in any class.

Unless authorised by the Society no live stock will be permitted to enter the Grounds other than those entered for exhibition.

2. A wine merchant shall mean any person, association, or company buying wine.

3. A wine grower shall mean any wine grower owning or occupying a vineyard, and manufacturing wine from grapes grown in such vineyard, or from grapes purchased for the purpose of wine-making.

4. Exhibitors may either be members or non-members of the Society.

5. Exhibitors will be allowed up to three entries in any one class. Each wine sample to consist of quart (reputed) bottles as stated in each class. Exhibitors entering the same wine in more than one class must supply the full number of sample bottles for each entry.

6. All wines will be judged on points.

7. The judge may award prizes on the basis of First, Second, Third, Very Highly Commended, Highly Commended and Commended, but prize money will only be allocated for first and second awards.

7 (a). The judge shall have power, at his discretion, to transfer exhibits from one class to another when it is obvious that the exhibitor has made an error in making his entry.

9. No person will be allowed to inspect an entry form after reception by the Secretary, until the Judges' awards have been made public.

10. After the close of entries, no person will be permitted access to the exhibits, except the Judges, Stewards, Secretary, and Staff, until the awards have been made.

15. All exhibits to become the property of the Society.

16. Exhibits must represent stocks as set out on the entry form and be the bona fide property of the exhibitor at the time of entry.

17. All wine exhibits must be the sole produce of Australian grapes and free from any foreign substance. The Society reserves the right to have any exhibit inspected and/or analysed by one or more persons appointed for that purpose.

MOWING - YEAR AFTER YEAR**

**SEMI-MOUNTED DESIGN  
WITH TWO CASTOR WHEELS  
FOR ACCURATE TRAILING**

**5', 6' or 7' PRECISION-MADE  
CUTTER BARS FULLY MACHINED  
AND LINED**

**506  
P.T.O.  
MOWER**

Here's quality down to the last detail in the best mower value ever built. The semi-mounted 506 is a balanced mower designed to team with today's faster tractors, to cut a clean swath and to do it faster and last longer, too. **Two** wheels, not one, assure true trailing and automatic control of cutting height — even on irregular or hilly land. Check the welded, channel-steel frame, the safety slip clutch on the p.t.o. shaft, the universal hitch that suits **your** tractor, the safety release in the frame, the simple tilt adjustment and the oil-bath roller chain drive and you'll know why the M.F. 506 outsells every other mower made.

This is no "pruned-down-to-price" building . . . it's a top quality unit, fabricated from heavy channel with angle steel bracing and ties — all of at least 1/4" thickness for extra strength and protection against damage. See how you get more money in stacking space, too. No other steel Haybarn has a roof pitch so high or free of internal members. You get storage capacity right to the roof.

The building is fully complete, right down to the last nut, bolt and nail, and erection is extremely easy.

Standard sizes are 60 ft. x 20 ft. and 60 ft. x 30 ft. — with 14 ft. wall height to eaves. Prices (S.O.R.) are £355 and £430 respectively.

In classes where the varieties are specified such varieties only are eligible for competition.

Red-grained wheats are not eligible to compete in the following Classes.

# TWO ENGINES IN ONE-

that's just about what Nuffield  
Independent Power Take-Off\*  
adds up to!

(P.T.O. and hydraulics  
can now be disengaged  
before or after tractor  
transmission)

\*  
**I

Now you can start the Nuffield Universal Tractor, stop it, engage any gear without interruption to the independent P.T.O. or hydraulics operation. And by the same token, you can stop and start the P.T.O. or hydraulics without interfering with the tractor movement in any way! Everything is completely independent—it's almost like two engines in one! Two separately controlled clutches are the secret—one engaging the independent P.T.O. drive and the other the tractor drive. This two-in-one power means you can operate balers, combine harvesters, orchard sprayers, mowers, forage harvesters, rotovators and others with new profit-making ease and efficiency! I.P.T.O. eliminates the need for separate power units on most driven implements. Let us give you the full story on this and all the other great Nuffield Universal features to-day—it can help you tremendously!

The Show opens at 9.15 a.m. each day and closes at 4 p.m. on Thursday, 17th September; 7 p.m. Friday, 18th September to Friday, 25th September and 5 p.m. Saturday, 26th September.

Exhibitors are invited to return 1st, 2nd and 3rd prize winning dogs the day after they have been judged. Benches will be provided and exhibitors will be required to comply with the regulations. Please advise Dog Superintendent of the bench number of the dog or dogs you intend to return.

**PRIZES:** Unless otherwise stated the prizes in each class are:

FIRST, £1; SECOND, 10/-.

First, second and third prize cards in each class at the discretion of the judge.

Inscribed ribbons will be issued in the judging rings as an indication to the spectators of the judge's awards—blue for first, red for second and white for third.

**WITHDRAWAL OF ENTRY.**—Every animal entered must be exhibited unless a certificate, signed by the owner, is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.

Kennel Control Council Challenge Certificates, with inscribed blue ribbons, are offered at this Show, one for each sex of every breed, at the discretion of the judge. On application to and confirmation by the Kennel Control Council, any dog which wins not fewer than four Challenge Certificates, under not fewer than four different judges at different Shows, and gains a total of 100 points shall, on approval being obtained from the K.C.C., be known as a K.C.C. Champion.

Points shall be allotted as follow:—

(a) Each Challenge Certificate winner—10 points, plus 1 point for every dog and bitch six months of age or over entered in an ordinary class for the breed; (b) 25 points for each winner in the following groups, provided that no exhibit shall receive more than a total, in all, of 25 points at any one Show: Group 1, Toys; Group 2, Sporting Terriers; Group 3, Gundogs; Group 4, Hounds; Group 5, Sheep and Cattle Dogs; Group 6, Non-Sporting.

**EXHIBITS BENCHED AT SHOW.**—All exhibits must be benched whilst being exhibited. Times of benching are listed at top of this page. Intending exhibitors are warned not to make an entry unless they are prepared strictly to observe this condition.

**REMOVAL OF EXHIBITS.**—Exhibits may be removed from the Show after it closes. Times of closing are listed at top of this page.

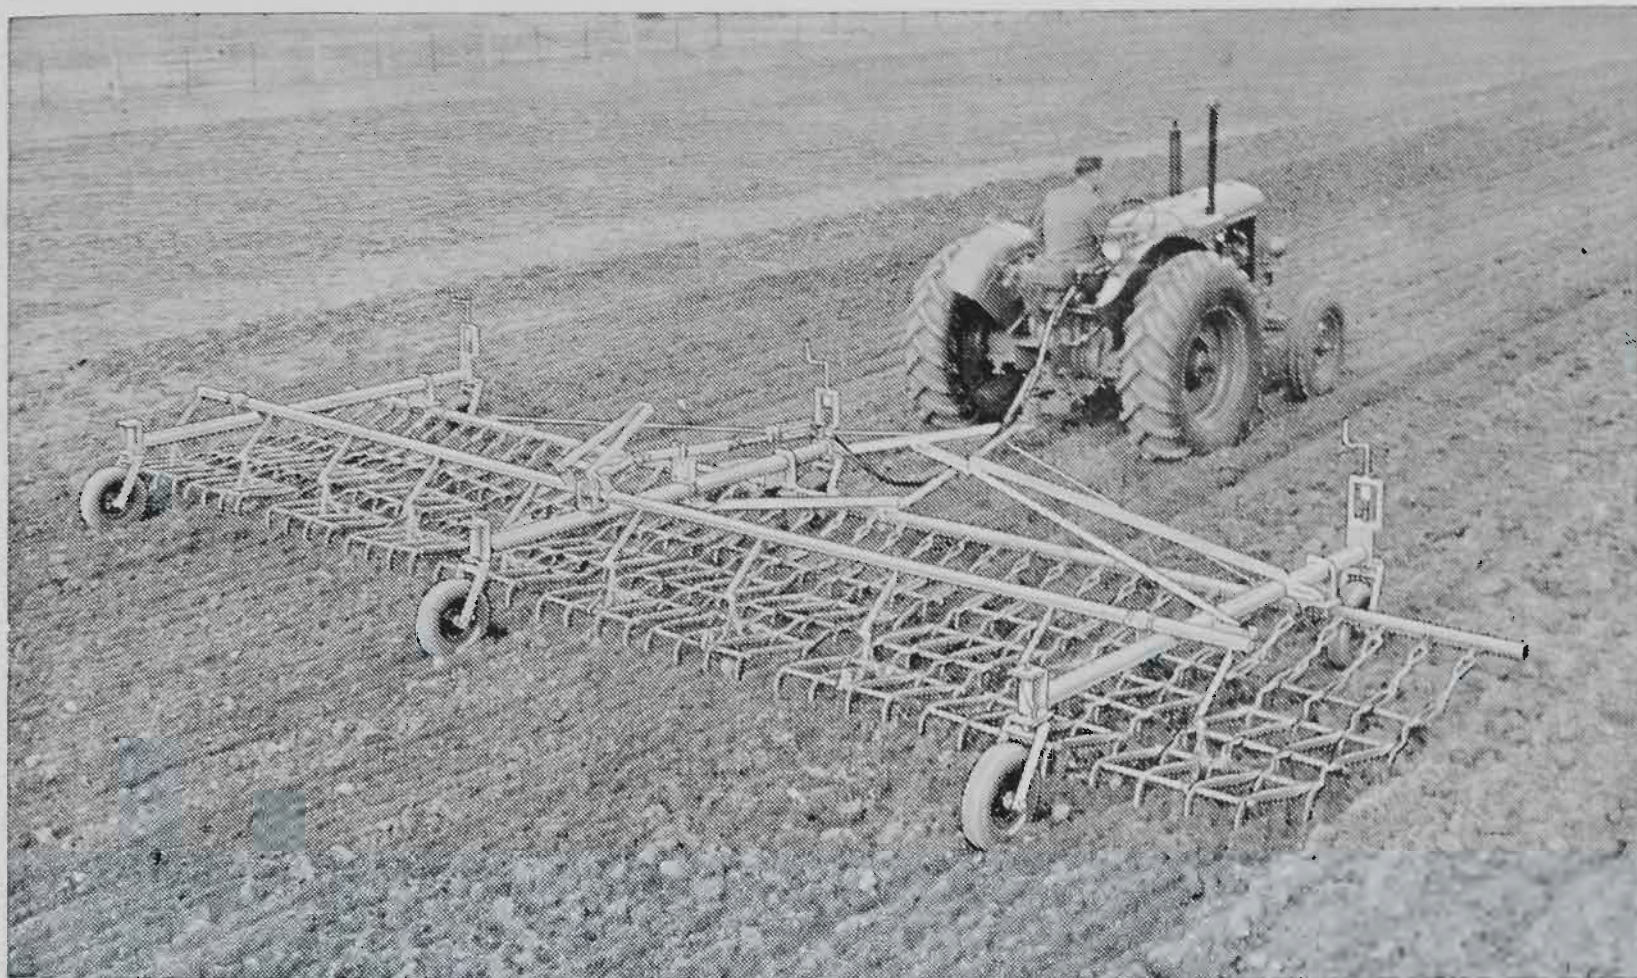

**BENCHING.**—Only exhibits in the one ownership will be benched together.

As straw is not provided, Exhibitors are advised to provide suitable Bench Rugs for their exhibits.

Every dog must be provided with a suitable collar and chain or a lead, but they must be benched with chains of metal. No cages may be used for dogs other than those provided or approved by the Society, and nothing which will effect the view of the public may be added to the cages. Not more than one exhibit may occupy any one bench or cage. A dog may not be so placed on the bench or in a cage as to be away from the view of the public. The position of exhibit numbers on benches or cages may not be altered.

**UNDER NO CIRCUMSTANCES ARE EXHIBITORS PERMITTED TO SIT ON THE BENCHES.**

Folding seats are on hire in the Dog Pavilion at 1/- per day.

## Whoever heard of HYDRAULIC HARROWING?

Hydraulics and Harrows just don't seem to go together — but now Shearer bring you the TRASHPORTER, a hydraulically operated overcarriage to which you simply attach your harrow sections and standard beam as supplied by the harrow makers. By operating the ram, the harrow sections are lifted and dropped without any effort on your part. This means you can harrow your paddocks without getting out of your tractor seat — and when you want to move into another paddock, you simply throw the Transport Arm into position, unhook your ram, "fix" the rear wheels, hook on to the end hitch and drive off through gates, across country. Dirty paddocks are no worry, either. One flip of the ram lifts the sections and the rubbish falls out . . . another flip, and they're back at work. The TRASHPORTER is self-contained, too — all ready to use with standard 8 or 10 section harrows.

## SPECIAL PRIZES

**EXHIBIT NUMBERS.**—These will be posted to exhibitors before the Show. When dogs are being judged the handler must wear the exhibit number of only the dog being handled.

**VETERINARY INSPECTION.**—No dog will be admitted to the Show until submitted to veterinary examination and its exhibit number is stamped "Pass to Ring". Examinations will take place between 8.15 a.m. and 9.15 a.m. each day.

**JUDGING.**—Judging will commence punctually at 9.30 a.m. on each day. In the case of Special Prizes in which Challenge Certificate winners from each breed are required to meet, the awards will be made on the last day of the Show.

In view of the need to expedite judging, exhibitors will be held wholly responsible for having their dogs in the judging rings immediately they are required for judging. After the Judge's Steward has given word to the judge to proceed with the judging of a competition, no other exhibit may enter the judging ring until after that competition has been completed. Exhibits which are not brought promptly to the rings when called, and exhibits, the owners or handlers of which omit to obey the orders of the Stewards, or are wearing more than one exhibit number, may be refused admission to the rings.

**EXERCISING EXHIBITS.**—Exhibits may be exercised during the luncheon adjournment.

Dogs must not be allowed off leads at any time whilst on the Showgrounds; neither will they be permitted on the lawns nor near the flower beds.

Except as stated herein, no exhibit may be absent from its bench unless for the purpose of being judged.

**FREE RETURN.**—Certificates for the free return by train of unsold dogs brought to the Show by train will be issued on application to the Superintendent (N.S.W. Railways charge 25% on freight costs).

**DISPLAY OF ADVERTISING.**—Exhibitors will be permitted to display approved advertising material on the benches and cages allotted their exhibits. The display must be executed attractively, not in handwriting, and shall be removed promptly if deemed undesirable. It shall not go beyond the following: (1) A space not exceeding 2 ft. wide by 8 in. deep at the back of the bench; (2) The name, address and telephone number of the Kennel or exhibitor, or both; (3) The name of the exhibit; (4) A stud card stating the name of the exhibit, pedigree and stud fee; (5) Suitable words offering dogs and/or puppies for sale, but not actually naming any dog or puppy which is not exhibited, and not quoting any prices; (6) A photograph of the dog exhibited; (7) General decorative material other than announcements; (8) A statement of wins at other fixtures and prize cards or ribbons won at other fixtures shall not be permitted.

**LOCKERS.**—A limited number of lockers, with keys, will be available for the use of exhibitors at a small charge for one day's use. Reservations and payments to be made to the Dog Superintendent on arrival at the Show.

**OWNER'S RISK.**—The Society will be most anxious for the care and safety of dogs sent for exhibition, or any other property entrusted to it, but it must be understood distinctly by exhibitors, and all other persons, that the Society will not be responsible for the loss, detention of or damage to any dog or other property, whether arising from accident, or other cause whatever, or from any act or omission of itself, its officers, agents, servants, or others.

Unless authorised by the Society no live stock will be permitted to enter the Grounds other than those entered for exhibition.
