

Agenda Item 7
Meeting of 10/6/10

RESOLUTION 10-12768

A RESOLUTION APPROVING A SIGN PERMIT APPLICATION AND A RIGHT-OF-WAY PERMIT APPLICATION FOR INSTALLATION AND MAINTENANCE OF AN INFORMATION SIGN BY THE NAPLES PLAYERS, INC., AT THE SUGDEN PLAZA; AUTHORIZING THE CITY MANAGER TO PROCESS THE APPLICATIONS; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, Naples Players, Inc., have submitted Sign Permit Application 10-2872 and Right-of-Way Permit Application 2010-108 for installation and operation of an information sign in the public right-of-way within the Sugden Plaza; and

WHEREAS, the dimensions, color and location of the proposed sign are shown on attachments to the sign permit application; and

WHEREAS, the Use Agreement with the Naples Players executed November 30, 1994 and the Code of Ordinances require City Council approval of the Sign Permit Application and Right-of-Way Permit Application; and

WHEREAS, the Community Redevelopment Agency Advisory Board (CRAAB) has reviewed the proposed sign installation at its meeting of August 23, 2010, and recommended approval by a vote of 3 to 1; and

WHEREAS, the City staff have reviewed the permit applications pursuant to the above references with conditions included on the attachments to the applications and have determined that permit approvals are in the City's best interest and recommends City Council approval.

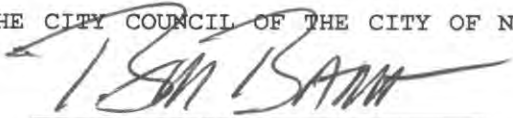

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF NAPLES, FLORIDA:

Section 1. That Sign Permit Application 10-2872 and Right-of-Way Permit Application 2010-108 for installation and maintenance of an information sign by the Naples Players, Inc., at the Sugden Plaza, with conditions, are hereby approved, copies of which are on file in the City Clerk's office.

Section 2. That the City Manager is hereby authorized to execute and process the permit applications.

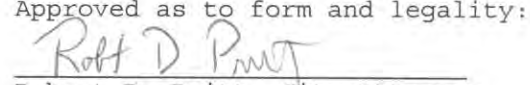

Section 3. That this resolution shall take effect immediately upon adoption.

PASSED IN OPEN AND REGULAR SESSION OF THE CITY COUNCIL OF THE CITY OF NAPLES, FLORIDA, THIS 6TH DAY OF OCTOBER 2010.

Bill Barnett, Mayor

NOTES: The following are **Standard Conditions For Approval** to perform work within the City, to use and/or maintain the City's Public Right Of Way (ROW) consistent with City of Naples Code of Ordinances, Resolutions, applicable Florida Statutes and City Policies.

2010-108

STANDARD PERMIT CONDITIONS

1. Permits are required for all work performed in any right-of-way or easements within the City of Naples provided for public use and a responsibility of the City.
2. When permitted facilities are placed within a public right-of-way or easement, the installation is for permissive use only and placing of facilities shall not operate to create or vest any property right in the associated right-of-way or easement in the owner/agent/permittee. Furthermore, the owner/agent/permittee shall be responsible for operation and maintenance of such facilities if and until such time as the City of Naples decides to accept such operation and maintenance.
3. All materials and equipment placed in the City's Public ROW shall be subject to inspection and approval by the **City's Public Works Department's assignee**.
4. Request for inspection to the City of Naples shall be made 72 hours prior to commencing work-requiring inspection - **call 213-5000**.
5. During the construction, the Contractor/Permittee shall comply with the State of Florida Manual of Uniform Minimum Standards for Design, Construction and Maintenance for Streets and Highways' and the 'Manual on Uniform Traffic Control Devices' (MUTCD) and with all other governing operating/maintenance/safety regulations.
6. The City of Naples shall be relieved of all responsibility from damage or liability of damage of any nature arising from work authorized under this permit.
7. Any crossing of existing pavement shall be by jacking and boring at a minimum depth of twenty-four inches (24"), unless otherwise authorized by the Public Works Department's assignee.
8. All overhead installations shall conform to clearance standards of the City and all underground crossing installations shall be placed a minimum depth of twenty-four inches (24") below the pavement and/or a minimum depth of twenty-four inches (24") below the roadside swale invert. Primary cable (voltage exceeding 500 volts) will have minimum thirty-six inch (36") cover. The Public Works Department's assignee reserves the right to allow exceptions subject to mitigating construction.
9. Immediately following work, and/or concurrent with permitted work, as may be required, replacement of sod and/or grassing shall be required for any disturbed right-of-way.
10. All property disturbed by authorization of this permit shall be restored better than or equal to its original condition and to the satisfaction of the Public Works Department's assignee.
11. Whenever necessary for the construction, repair, maintenance, improvement, alteration or relocation of said right-of-way or easement, as determined by the City's assignee, any or all poles, wires, pipes, culverts, cables, sod, landscaping, driveways, sprinklers, or other facilities and appurtenances authorized, shall be removed from said right-of-way or easement, or re-set or re-located thereon, as required and so notified by the City's assignee, and at the expense of the permittee, his successor or assigns. The minimum notice of the requirement for non-emergency removal is ten (10) days; for emergency removal, the City reserves the right to remove improvements without notice.

2010-108

RECEIVED AUG 26 2010

12. Where the owner/agent/permittee or his successor or assign is notified of a need for construction, repair, maintenance, improvement, alteration of or relocation within the right-of-way or easement and no action is taken by the responsible party within the time frame specified by the City's assignee, the City shall cause the permitted work to be altered, relocated, or removed, with the total expense being borne by the permittee or the responsible party.
13. Applicant shall remain obligated to obtain necessary rights of entry for construction and maintenance where required right-of-way for private and/or public use has not been dedicated and accepted by the City of Naples.
14. The Permittee shall assume all responsibilities and liabilities for any and all damage from permitted work.
15. **The Permittee shall provide, install and maintain a 'maintenance of traffic' plan (MOT) as set forth in FDOT/MUTCD specifications. The MOT shall be subject of submittal/review/approval monitoring by the City of Naples.**
16. Permittee shall assure 'NO-CUTS' notice, utility identification and locates for all utilities, to include water service, sewer service, electrical service and irrigation system and cable service and applicant shall remain responsible for locating any and all utilities both aerial and underground.
17. **Number to call for Utility Location Notification: 'NO CUTS' 1-800-542-0088. (This number applies to: FPL, UTS, SPRINT, and CABLEVISION AND CITY WATER/SEWER).**
18. Due to safety concerns, the permittee shall immediately notify the **Public Works Department, @ 213-5000** of any vehicle crashes, property damage, personal injury or questionable activities so as to ensure that the City is aware of operational characteristics and can implement changes as necessary.
19. Permittee shall be responsible to coordinate removal of City landscaping with **City of Naples, Community Services Department Operations Director @ 213-7120**. Restoration of City landscaping shall also be subject of coordination with and approval of the Community Services Operations Director.
20. City reserves the right to undertake changes, modifications and/or terminate permitted activities without risk or liability of any kind, and the Permittee shall remain responsible and liable for resulting conditions from any and all actions of the City in terminating any and all segments of the work.

- 21. Public right-of-way shall be subject of daily 'housekeeping' so as to maintain safe surfaces and safe right-of-way or continuation of existing right-of-way uses to include vehicular, biking, pedestrian, and others.
- 22. Work within the roadway swale shall be subject of elevation controls to assure no blockage of drainage.
- 23. The proposed permitted facilities must maintain a 5-foot horizontal and 18 inch vertical clearance from all utility facilities.
- 24. Permittee must coordinate all work with the **City's Utilities Department at (239) 213-4720.**
- 25. City Personnel must verify the proposed construction route prior to Construction.
- 26. Two prints of the proposed work covering details of this installation shall be made a part of this permit.
- 27. If a pavement is cut, it shall be immediately restored as per City Code and warranted for one year.
- 28. Provide 24 Hour Notice to Police, Fire, and EMS at **(239) 213-4844**
- 29. Other Conditions: ATTACHED SPECIAL CONDITIONS

**SPECIAL CONDITIONS OF R/W PERMIT #2010-108
FOR APPROVAL OF THE
NAPLES PLAYERS SIGN AT THE SUGDEN PLAZA
August 27, 2010**

SUBJECT: The following are Special Conditions for approval of the installation and operation of an information sign by the Naples Players at the Sugden Plaza pursuant to sign permit application #10-2872. These special conditions along with the standard permit conditions shall serve to place the permittee on notice of their responsibilities and liabilities:

SPECIAL RIGHT-OF-WAY PERMIT CONDITIONS:

1. Subject to approval is pursuant to both the City-Naples Players Use Agreement and current 'D' Downtown zoning.
2. Proposed sign and sign location are as shown on the permit attachment.
3. Placement of the sign shall not interfere with public/private access, shall not constrain use of public/private facilities and shall not create a sight constraint for drivers and/or pedestrians.
4. The permittee shall remain responsible and liable for any and all impacts of the subject signage in the public right-of-way, particularly as it may relate to operation, maintenance and repair of public and private utilities. This responsibility shall include the requirement for relocation/removal upon notice of the City due to pending City improvements, utility installations, maintenance and/or repair work.
5. Where the permittee or his successor or assign is notified of a need for sign removal/relocation due to utility construction, repair, maintenance, improvement, alteration or utility relocation within the right-of-way and no action is taken within the time frame specified by the City's assignee, the City shall cause the permitted sign to be altered, relocated, or removed at no risk to the City.
6. This approval is for temporary use of the right-of-way for information signing and as such this approval is permissive and may be subject to reconsideration by the City at any time.
7. This approval is not intended to supersede any Naples Code requirement and the permittee shall comply with all applicable code & building requirements.
8. The City of Naples shall be relieved of any and all responsibility from damage or liability of damage of any nature arising from work authorized under this permit.
9. By accepting this permit, the permittee recognizes that there are no vested rights to signage in the public right-of-way and agrees to abide by all permit conditions.

For purposes of right-of-way coordination, the City's assignee can be contacted at telephone number 213-5004/fax number 213-5004.
