

San Diego, Cal. March 29th 1900.

Thursday 9 o'clock A.M.

Regular Meeting:

The Board was called to order in regular form there being present Commissioners Whitson, Cassidy and Davis.

Upon motion the following bills were read and approved.

Claim #7672,	\$142.50	Oldtown Bridge.
7634,	\$ 75.00	Storse.
	\$ 45.00	"

The unread minutes of previous meetings were read and approved.

The Secretary was directed to address a communication to the Common Council, stating that the piling under the bridge at the approach of the National City Dyke were in serious need of repairs: and the bridge in its present condition is dangerous to travel over. The Board recommend that the Council grant them authority to repair said bridge at an expense of not to exceed \$50⁰⁰.

The Secretary was directed to address a communication to the Common Council stating that it is the wish of the property owners along the line of the Cemetery road on W. Street to have a Fire Hydrant placed there instead of the Standpipe just authorized; they claiming that they have no fire or police protection and that the substitution of Fire Hydrant for Standpipe is but just.

We respectfully recommend the change.

In accordance with an advertisement calling for bids to be delivered to this Board at 9 o'clock A.M. to repair the City's Gasoline Engine, the following bid was received.

Bidder	Cert. Check	Amt. of Bid.
Standard Iron Works	\$15.00	\$85.00

There being but one bid received, upon motion being duly seconded the contract for repairing said Gasoline Engine was awarded to the Standard Iron Works at their bid. Commissioners Cassidy, Whitson and Davis voting Aye.

The Supt. of Streets was directed to hire a carpenter to house the City Gasoline Engine. Have the work done in a good substantial manner.

Street
Sweepings
Sold to
Payne Browne

In accordance with an advertisement stating that the Board would upon the 29th day of March 1900, at 9 o'clock A.M. sell at public auction to the highest bidder for cash; (but not to sell for less than \$200.) all sweepings of the paved streets for a period of one year. The payment therefor to be made quarterly in advance.

In accordance therewith the said sweepings were sold to Payne Browne for \$200.00. Contract to begin April 1st 1900.

Upon motion being duly seconded and by a unanimous Aye vote the following resolution was adopted.

Be It Resolved, By the Board of Public Works of the City of San Diego, California, as follows:

That whereas, it is hereby determined to be necessary by the said Board of Public Works for the preservation of the public health of the said City of San Diego, California, to maintain a quarantine at the Southwest corner of India & D Streets in the said City of San Diego, California; and

Whereas, it is hereby determined to be necessary by the said Board of Public Works to incur certain indebtedness for the purchase of certain goods, wares, and merchandise for the persons in quarantine in said place.

Health Dept.
authorized to
expend for
quarantined
people \$60⁰⁰

Therefore, Be It Resolved, By the Board of Public Works of the City of San Diego, California, that this Board purchase for the Health Officer of the said City of San Diego, for the use of the persons in quarantine all such goods, wares, and merchandise as may be necessary for the sustenance and maintenance of the said persons in quarantine; provided, that the cost of the same shall not exceed the sum of sixty dollars. And the Secretary of the said Board of Public Works is hereby authorized and directed to draw a requisition for such supplies as may be necessary, as aforesaid.

adjourned.

No further business the Board adjourned till 2 P.M.

Saturday.

Attest:-

F. H. Dixon,
Secretary.

W. J. Davis,

President.

San Diego Cal., March 31st 1900.

Saturday 2. A.M.

Adjourned Meeting:

The Board met in regular form there being present Commissioners Cassidy, Whitson and Davis.

Mr. N. G. Denton upon motion being duly seconded was granted permission to move some dirt from in front of lot 5 of Block 176 on 14th Street and place the same in front of lots 5 and 6 of block 176 on "G" Street.
Commissioners Cassidy, Whitson and Davis voting Aye.

In accordance with Ordinance #725 from the Common Council directing the Board of Public Works to advertise for bids for the lighting of the Streets, Avenues and Parks of the City of San Diego; and before awarding the contract, or entering into such contract to refer the bids to the Common Council, and not to award said contract, or enter into such contract unless further authorized by the Common Council; but shall reject any and all bids unless the Common Council shall, within twenty days after said bids shall have been so referred to it, further authorize said board.

In accordance with the provisions of said Ordinance #725, the Board of Public Works did advertise for said and received a bid at the hour of 10 o'clock A.M. on Tuesday the 20th day of March 1900, the San Diego Gas and Electric Light Company being the only bidder. The said bid was transmitted to the Common Council in compliance with the directions contained in Ordinance #725; and thereafter the Common Council did on the 20th day of March 1900, pass Ordinance #731, which was approved by the Mayor of said City of San Diego, on the 30th day of March 1900, authorizing and directing the Board of Public Works of said City to accept the said bid of the San Diego Gas and Electric Light Company, for lighting the Streets, Avenues and Parks of the said City of San Diego with electric lights for a period of one year, beginning on the first day of April 1900, at \$1459⁰⁰ per month.

Therefore in accordance with the foregoing it was moved by Commissioner Whitson and seconded by Commissioner Cassidy that the bid of the San Diego Gas and Electric Light Company of \$1459⁰⁰ per month be accepted, and a contract for one year beginning April 1st 1900 for said lighting of said Streets, Avenues and Parks, be entered into.

Commissioners Whitson, Cassidy and Davis, voting Aye.

San Diego, Cal. May 21st 1900.

Monday 9. A.M.

Call Meeting:-Appoint
Supt. of Streets

Pursuant to Art. 5, Chap. 1, Sec. 2, of the Charter of the City of San Diego, California, the call for the meeting was made by the President, for the purpose of electing a Supt. of Streets to fill the place made vacant by the absence from the State of Supt. of Streets Axel Osburn.

The meeting was called together in regular form there being present Commissioners Whitson, Cassidy and Davis.

Minutes

The reading of the minutes of the previous meetings was dispensed with.

Applicants

Applications from the following applicants, for the position of Superintendent of Streets of the City of San Diego, Cal., were read and ordered placed on file:- Viz:-

S. W. Hackett,
J. Frank Ovet,
A. Goodbody.

Ballots
prepared

The ballots having been prepared, it was decided upon motion being duly seconded to proceed to vote upon the applicants.

Elected

The Secretary was directed to collect the ballots and announce the result, which was as follows
S. W. Hackett 111, = 3.

Mr. Hackett, having received the unanimous vote of the Board was declared appointed Superintendent of Streets of the City of San Diego, California.

Bond of
\$5000.-
required.

Upon motion being duly seconded the Secretary was directed to notify Mr. Hackett of his appointment and that he be required to file a bond in the sum of \$5000.- which shall be acceptable to the Board, after which he will assume the duties of his office.

Adjourned.

No further business the Board adjourned.

Attest:-

A. H. Dixon,
Secretary.

H. J. Davis, President.

San Diego, Cal., May 24th 1900.

Thursday 9. AM.

Regular Meeting:-

The meeting was called in regular form there being present
Commissioners Cassidy and Davis.
" Whitson.

W. J. Davis, presented his credentials of re-appointment as Commissioner of the Board of Public Works of the City of San Diego, California and filed his bond on May 8th 1900. (This notation was omitted by error.)

The minutes of May 17th and 21st were read and approved.

Supt. of Streets reports the water pipe at 16th & K., which connects with the water trough, rusted out. Property owner there commenced the construction of new sidewalk, and under which the pipe is laid.

The Supt. of Streets was directed to lay a new pipe there before sidewalk is relayed.

The Secretary was directed to notify the Common Council that the contract for furnishing the Fire Department with Hay and Grain will expire on April 30th 1900: and recommend that the supply of hay and grain be purchased in the open market for the next two months.

Mr. Geo. P. Hall, Horticultural Commissioner, in a communication to the Mayor, asks to kindly find a way by which the use of the City's teams and men may be had for a day to plow up a strip of ground around the Nesmith Block, for the purpose of transferring this Block into a Park for the use of the City.

The same was referred to the Board of Public Works, by the Mayor; and the Supt. of Streets was instructed by said Board to comply, by plowing and leveling off said ground.

Mr. J. M. Dodge, petitions to have the gas lights around the Plaza lighted on concert evenings.

Arthur Julian was allowed 50¢ per night to do said work, which was accepted.

Ordinance No. 758, providing for the sale of certain personal property belonging to the City of San Diego, California.

This property being a horse, harness and wagon, purchased for the Health Department in the caring for Smallpox patients.

The Secretary was directed to advertise in accordance with said ordinance.

Ordinance No. 756, authorizing and directing the Board of Public Works of the City of San Diego, California, to advertise for bids and let a contract for the furnishing of plans and specifications to the City of San Diego, California, for an engine house, and also to advertise for bids and let a contract for the erection of said engine house on Golden Hill of said City.

The Secretary was directed to advertise in accordance with the provisions of said ordinance.

Ordinance No. 759, providing for the elevation and raise of the India Street Bridge in the City of San Diego, California.

The Supt. of Streets was directed to comply with the provisions of said ordinance.

Ordinance No. 760, authorizing the Board of Public Works of the City of San Diego, California, to advertise for bids and purchase a bicycle for the use of the Police Department of the said City of San Diego, California, provided, that the expense thereof shall not exceed the sum of forty-five Dollars.

The Secretary was directed to advertise accordingly.

Mr. John Woolgast has filed a bond in the sum of \$500. with Messrs. H. B. Hakes and L. B. Hakes as sureties, for special permission to use powder or other explosive material for the purpose of blasting on lot A, Block 239, Horton's, the same being on First Street, between Hawthorne and Grape Streets.

Joint Resolution No. 1238.

Be It Resolved, By the Common Council of the City of San Diego as follows:

That permission be, and the same is hereby given and granted to D. C. Reed to construct a frame building on the East one-half (1/2) of Lots "G" and "H" in Block 19 of Horton's Addition to the City of San Diego, California, fronting on Seventh Street, the expense thereof not to exceed the sum of One Thousand (\$1,000.00) Dollars.

The Secretary was directed to issue a permit in accordance with the terms of said resolution.

The painting of the iron work of the Old Town Bridge, having been completed in accordance with the terms of the contract, the same was this day approved.

Joint Resolution No. 1239.

Be It Resolved, By the Common Council of the City of San Diego,
as follows:

That the City Engineer of the City of San Diego, California, be, and he is hereby authorized and requested to prepare and furnish to this Common Council a survey of a right of way for a wagon-road fifty (50) feet in width in the City of San Diego, California, commencing on the Cañon road in Pueblo Lot numbered 197; thence running across Pueblo Lots 191 and 190 and connecting with the wagon-road between Pueblo Lot numbered 183 and Pueblo Lot numbered 190, and also an estimate of the cost of grading a wagon-road over such right of way twenty-four (24) feet in width.

Clerk's Certificate Attached.

Referred to the City Engineer with instructions to comply.

Joint Resolution No. 1240.

Be It Resolved, By the Common Council of the City of San Diego,
as follows:

That the Board of Public Works of the City of San Diego, California, be, and said Board of Public Works is hereby authorized and directed to grade the east one-half ($\frac{1}{2}$) of the intersection of Date and Birch Streets to the official grade; said work to be done with the street force of the said City of San Diego.

Clerk's Certificate Attached.

The Supt. of Streets notified in accordance with the provisions of said resolution.

There being no further business the Board took a recess until Saturday at 9 o'clock AM.

Attest:

A. H. Dixon,

Secretary.

M. J. Davis, President.

San Diego, Cal., May 26th 1900.

Saturday 9 AM.

Adjourned Meeting:-

Present Commissioners Cassidy, Whitson and Davis.

Regular Meeting:-

The Board met in regular session there being present
Commissioners Cassidy, Whitson and Davis.

The minutes of the last regular meeting were read
and approved.

The following preamble and resolution was introduced: Viz:-

Whereas, the proposal of Messrs. Edward Turner Lockyer and Wm
Stulhman, made on the 13th day of July 1899, of \$100.- for the grading of a 16 foot
(in width) roadway, over, along, and upon the right-of-way over the Soledad
Valley, San Diego, Cal. the exact point to be located by stakes set
by the City Engineer and in accordance with specifications therefor
on file in the office of the Board of Public Works of said City,
has been held over on account of title to a certain right-of-way
within said tract not being secured, and

Whereas, said Lockyer and Stulhman have grown tired
of waiting for the award of said contract and do not feel that said
proposal shall be binding upon them for all time to come, and as
they wish to be released from said proposal and have their
Certified Check of \$50⁰⁰ returned to them, therefore

Be It Resolved, By the Board of Public Works
of the City of San Diego, as follows:

That the proposal of Messrs. Edward Turner Lockyer
and Wm Stulhman for the grading of a roadway in Soledad Valley,
for \$100.- made on July 13th 1899, be and the same is hereby rescinded;
and the certified check of \$50⁰⁰ accompanying said proposal be
returned.

The reading of the minutes of the last regular meeting was dispensed with.

A communication was received from the City Engineer stating that the house recently built on lot R. of Block 204 Horton's Addition, S.W. cor. 5th and Cedar Streets, encroaches upon Cedar Street to the extent of 20 inches.

Said communication was referred to the President of the Board of Public Works (W. J. Davis) to investigate and report to this Board at his earliest convenience.

The following communication was received from Common Council: viz:-

Joint Resolution # 1251.

Be It Resolved, By the Common Council of the City of San Diego, as follows:-

Whereas, numerous complaints have been made of and concerning the bad and impassable condition of the road, crossing the San Diego river, at or near the County Hospital, on account of the deep sand;

Therefore, Be It Resolved, That the sum of \$20.00 be and the same is hereby appropriated to be used and expended immediately to brush said road bed with brush and material growing in the immediate vicinity of said crossing and road, under the direction of the Superintendent of Streets of San Diego City; and

Be It Further Resolved, That said road bed be not injured or disturbed within 30 feet from the center thereof by persons hauling and taking sand therefrom.

That the Superintendent of Streets be requested to notify all persons digging and hauling sand from said road bed and near it, to desist and refrain therefrom, under penalty of what may fall thereon.

Attest:

A. H. Dixon, Sec.

W. J. Davis,

President

San Diego, Cal., Aug. 9th 1900.

Thursday 9 o'clock A.M.

Regular Meeting:-

The meeting was called in regular form there being present Commissioners Cassidy, Whitson and Davis.

The reading of the minutes was dispensed with.

In a communication of the 7th inst. the residents on 7th from 5th to J. St. petition to have said street between said points sprinkled.

The same was referred to the Supt. of Streets.

The City Engineer reports the sidewalk constructed by Joseph Kelly on the East side of India Street from the N line of "G" to the South line of "A" is having been done in accordance with specifications and the elevation and alinement correctly done.

The Secretary was directed to notify the Coronada R.R. Co. that a large stone has fallen off from their train at or near 33rd Street and blocks the Street.

also: Notify the Common Council that the Board have purchased 3 Slusser Wheeled Scrapers No. 1. @ \$50⁰⁰ per scraper.

also: Address the Common Council for authority to purchase \$25⁰⁰ worth of postage stamps for City's use.

also: Recommend to the Common Council that they authorize this Board to enter into a contract with the San Diego Electric R.R. Co. to sprinkle the streets traversed by their Street car lines, (except the bitumous paved streets) with salt water. Said Electric R.R. Co. agree to sprinkle with salt water said streets @ 50⁰⁰ per 1000 lineal feet, satisfactory to the Board of Public Works.

also, notify J. A. Sheriff 1419. E. Street, San Diego, to place a concrete sidewalk on L St. bet 5th & 6th Streets the same being lot "A" Block 139. Hortons.

The Secretary was directed to address the following communication to the Common Council. - Viz:-

"In accordance with ordinance #792, directing the Board of Public Works to advertise for bids and let a contract for furnishing water for the irrigating of the 'New Town Plaza' in accordance with specifications to be prepared by the said board.

we have to state that we have prepared said specifications in accordance with the system of the San Diego Water Co. in use at the said Park; and advertised for and received bids accordingly, with the following results.

The "San Diego Water Co." bid 20¢ per 1000 gallons.

The "United Water Supply Co." " 12¢ " " "

We awarded the contract to the United Water Supply Co.,

We have had said contract prepared in accordance with the specifications, and the United Water Supply Co. refused to enter into it, for the reason that they would be compelled to place an extra section of pipe 500 feet long to the opposite side of the Park to comply with the specifications, the placing of which is entirely useless and the expense is not warranted.

The "San Diego Water Co." connect their main with the Park on India street as well as on Columbia Street with a one inch pipe, having two meters, one for each service; the specifications were prepared in accordance with this plan.

The "United Water Supply Co." have connected their main with the "G" Street side of the Park with a two inch pipe through a 1 1/2 inch meter, which in turn is connected with the 3/4 inch service pipes through all portions of the Park.

We therefore recommend to your Honorable Body that you pass the herewith accompanying ordinance authorizing the accepting of the said service proposed by the United Water Supply Co. in lieu of that which is called for by the specifications and directing said Board to enter into a contract accordingly."

The Secretary was directed to address the following to the City Attorney: Viz:-

"Kindly prepare a contract between the City of San Diego and Dwin Co., of San Diego, Cal. for Hay, grain etc, in accordance with the proposal herewith enclosed, with the following additions, Viz:-

14 Tons Red Oats @ \$26⁰⁰/₁₀₀ per ton.

(This being the price bid by the competitive bidders on Red Oats) Dwin Co., not bidding on Red Oats. Having omitted by error. also Dwin Co., propose to deliver barley up to October 12th as needed by the City after which time to deliver the balance of the barley contracted for in lump, or by monthly requirements as the City may elect, the City to reserve the right to take whole barley at a deduction from the proposal of \$1.25 per ton for rolling, the said whole barley to be sacked at the expense of Dwin Co."

The following entitled ordinance was received from the Honorable Common Council this day: Viz:-

Ordinance No 811.

An ordinance authorizing and directing the Board of Public Works of the City of San Diego, California, to advertise for bids and let a contract for the furnishing of the labor and salt water for the purpose of sprinkling the streets in the said City of San Diego, California.

The foregoing Ordinance was ordered on file and the Secretary was directed to advertise for bids in accordance therewith and in accordance with the specifications adapted therefor August 23rd 1900.

The following resolution having been prepared, was read, and upon motion being duly seconded was adopted by the following vote:- Viz:-

Commissioners Cassidy, Whitson ^{and} Davis voting Aye.

The resolution is as follows:- Viz:-

Be It Resolved, By the Board of Public Works of the City of San Diego, California, as follows:

That the Street Superintendent of the City of San Diego, California, be, and he is hereby directed and instructed to serve a notice in writing upon Benjamin Clendenen to remove the obstruction consisting of fences and a frame building kept and maintained by the said Benjamin Clendenen in the alley in Block 36 of Whitney's Addition and the fence in Main Street in the City of San Diego, California; said obstructions to be removed within ten (10) days from and after the service of said notice upon the said Benjamin Clendenen, and the said Street Superintendent be, and he is hereby authorized and directed, that if the said Benjamin Clendenen shall fail, neglect or refuse to remove the said obstructions within the said time, to remove the same and haul the same to the material yard of said City and deposit the same

therein. Such notice shall be given by the said Superintendent of Streets in pursuance of Section 3 of Ordinance No 26 of the ordinance of the said City of San Diego, California, entitled, "An ordinance for the prevention of offences against the peace and good order of the City of San Diego", approved November 8th, 1886.

Notice prepared

Supt. of Sts.

to serve.

In accordance with the foregoing resolution and under authority of the Board of Public Works, the following notice was prepared for the Superintendent of Streets to serve upon the persons maintaining obstructions in the Alley in Block 36 of Whitney's Addition in the City of San Diego, California: Viz:-

Notice.

To Benjamin Clendenen

You are hereby notified to remove the obstructions consisting of fences and frame buildings owned by you, constructed and now existing and being in the alley in Block 36 of Whitney's Addition in the City of San Diego, California, and of which you now have charge and possession. And you are further notified that unless said obstructions are removed within ten (10) days after the service of this notice upon you, I will remove the same, and after publication for a period of three (3) days in the City official newspaper, to wit, the San Diego Union and Daily Bee, of the time and place of sale thereof, I will sell the same at public Auction to the highest bidder. You are hereby notified that unless said fences and frame building constituting said obstructions in said alley, are removed within said time, that it will be considered a violation of Ordinance No 26 of the ordinances of the City of San Diego, approved November 8th, 1886, and that proceedings will be commenced against you for the violation of said ordinance pursuant to the terms of which this notice is hereby given.

Respectfully,

"S. W. Hackett"

Superintendent of Streets of the
City of San Diego, California.

We hereby join in the above and foregoing notice, and direct you to remove the said obstructions within the time above specified.

"W. J. Davis

Andrew Cassidy

W. W. Whitson"

Members of the Board of Public Works
of the City of San Diego, California."

Served 12 M. Sept. 8-1900.
Removed Oct 24-1900.

In accordance with the application of John Engelbrecht for an extension of 20 days time within which to complete his contract for grading ^{between Old Down The Jolla} ~~on the~~ ~~road~~ ~~along~~, he was upon motion being duly seconded granted 20 days additional time to do said work.

Commissioners Cassidy, Whitson ^{and} Davis, voting Aye.

Supt. of Streets S. W. Hackett calls attention to the unsafe condition of the north side of the "H" Street Bridge, also the National Dyke Bridge, both need replanking, the first will require about 2232 feet of lumber and the latter 4464 feet of 3x12-24 pine and about 2 kegs of spikes.

The Secretary was directed to address a communication to the Common Council recommending the above named bridges be repaired.

Supt. of Streets S. W. Hackett files a statement showing the cost of placing the India Street bridge in repair to have been \$60⁹⁷/_x

In accordance with an advertisement calling for bids for the furnishing the City with blacksmith supplies for a term of one year beginning Sept. 10th 1900, and as Messrs McKemie, Flint ^{and} Winsby are the lowest bidders, it was upon motion being duly seconded decided to award the contract for the furnishing of said supplies to them by the following vote.

Commissioners Cassidy, Whitson ^{and} Davis, voting Aye.

Upon motion the Board took a recess until 2 o'clock.

A. H. Dixon.

Regular Meeting:-

Present

The Board met in regular session there being present Commissioners Cassidy, Whitson and Davis.

Minutes

The unread minutes of the previous meetings were read and approved.

The following preamble was offered, read and adopted by a unanimous aye vote. Viz:-

Whereas, the City Attorney has, by a written opinion on file with this Board, informed this Board that its action in accepting the following bids for Fire Hose, ^{was illegal.} viz:-

Fire Hose

Hawley Hardware Co., 250 feet Patrol @ 80^c

awards

Boston Woven Hose Co., 500 " Bay State @ 80^c

rejected.

Bowers Rubber Hose Co., 500 " Victor Jacket @ 80^c

McKenzie, Flint & Winsby 250 " Eureka @ 100^c

and awarding contracts therefor was illegal and void, for the reasons stated in said opinion, therefore,

Be It Resolved, By the Board of Public Works of the City of San Diego, as follows:-

That the action of this Board in pretending to accept said bids and award said contracts, be, and the same is hereby rescinded, and that each and all of said bids be and they are hereby rejected.

From the Common Council was received the following ordinances: Viz:-

Ordinance #813.

Supply water

Newtown Park

An ordinance authorizing and directing the Board of Public Works of the City of San Diego, California to enter into a contract with the United Water Supply Co., for the purchase of water for the irrigating of the Newtown Plaza in the said City of San Diego, California.

Contract.

The foregoing Ordinance is in lieu of Ordinance No. 792. The contract with the United Water Supply Co., was ordered prepared and executed.

Secretary was directed to have a contract prepared in accordance with Ordinance #813.

Ordinance No. 816.

An ordinance authorizing and directing the Board of Public Works of the City of San Diego, California, to purchase lumber and spikes for the use of said Board of Public Works in the repairing of bridges in said city.

Expense not to exceed \$150.-

Filed.

The following resolution was read and approved.

Be It Resolved by the Board of Public Works of the City of San Diego, as follows:

That the Street Superintendent of the said City of San Diego, California, be, and he is hereby directed and instructed to serve a notice in writing on M. German, to remove those certain obstructions consisting of a fence and a frame building used as a barn, kept and maintained by the said M. German on that certain public street in Brooks Addition in the said City of San Diego, known as Evans Place between Fifth and Sixth streets in said city of San Diego, California, said obstruction to be removed within ten days from and after the service of said notice upon the said M. German, and that the said Superintendent be, and he is hereby authorized and directed to remove the same, if the said M. German shall fail, neglect, or refuse to remove said obstruction within the said time, and said Superintendent is further directed to remove said obstructions and haul the same to the material yard of said city and deposit the same therein.

Said notice shall be given by the Superintendent of Streets in pursuance of Section 3 of Ordinance No. 26 of the ordinances of the said City of San Diego, California, entitled "An ordinance for the prevention of offences against the peace and good order of the City of San Diego," approved November 8th, 1886.

In pursuance to the foregoing resolution the following notice was prepared for the Superintendent of Streets to serve.

Notice.

To M. German:-

You are hereby notified to remove the obstructions consisting of a fence and frame building owned by you, and of which you now have charge and possession, constructed and now existing and being on that certain Street known as

Evans Place between Fifth and Sixth streets on that certain portion of Evans Place continuous to Lot 1 of Block 5 of Brooks Addition in the said City of San Diego, California.

And you are further notified that unless the said obstructions are removed within ten days after the service of this notice upon you, I will remove the same, and after publication for a period of three days in the City official newspaper of said City, to-wit: The San Diego Union and Daily Bee, of the time and place of sale thereof, I will sell the same at public auction to the highest bidder.

You are hereby further notified that unless said fence and frame building, consisting of said obstructions in said alley are removed within said time, that it will be considered a violation of Ordinance No. 26 of the Ordinances of the said City of San Diego, approved November 8th 1886, and that proceedings will be commenced against you for the violation of said ordinance, pursuant to the terms of which this notice is hereby given.

Respectfully,

S. W. Hackett.

Superintendent of Streets of the City of San Diego, California.

We hereby join in the above and foregoing notice and direct you to remove the said obstructions within the time above specified.

W. J. Davis,
Andrew Cassidy,
W. W. Whitson.

Members of the Board of Public Works of the City of San Diego, California.

Grading of
the "Eureka
Lemon Tract"
Old Town to La
Jolla" was
approved.

Contract No. 224, for grading a wagon road in Eureka Lemon Tract by John Engelbrek, has been completed; and the City Engineer has approved and accepted the work of grading said road, in accordance therewith it was moved and seconded that the following resolution be adopted: viz:-

Be It Resolved, By the Board of Public Works of the City of San Diego, as follows:-

That the work of grading a roadway in Eureka Lemon Tract by John Engelbrek, contractor, be, and the same is hereby approved and accepted.

Commissioners Cassidy Whitson ^{and} Davis, voting Aye.

The contract between the City and Messrs. McKenzie, Flint and Winsby for the furnishing the City with blacksmith supplies for the term of one year beginning Sept. 10th 1900, having been executed: and the bond therefor in the sum of \$200. for the faithful performance of said contract with J. S. Johnstone and E. Winsby as sureties having been presented. It was moved and duly seconded that said bond be accepted and approved.

Commissioners Cassidy, Whitson and Davis voting Aye.

J. D. Palmer complains in a communication to this Board, under date of June 21st 1900, that telegraph & telephone poles in various portions of the City do not conform with the ordinance regulating the erection thereof. Said communication was referred to the Supt. of Streets, who in turn suggests that the matter be referred to the City Attorney.

The Secretary was thereupon instructed to transmit all papers in relation thereto to the City Attorney with a request that he furnish a written opinion thereon.

The City Attorney submits his written opinion in regard to the same, and winds up said opinion with a suggestion that it would be advisable to recommend to the Common Council the adoption of another ordinance on this subject.

Said opinion was ordered on file.

The Secretary was directed to secure the services of a plumber and have a gas stove set up in the office of the police headquarters: also to advertise for bids for the construction of an Engine House on Golden Hill in accordance with the specifications prepared by the Chief of the Fire Department, and which are on file in the office of the Board.

Upon motion being duly seconded and by a unanimous Aye vote of the Board A. B. Cairnes, Chief of the Fire Department was appointed Supt. of Construction of said Engine House.

A communication was this day received from Joseph B. Smith petitioning this Board to allow a bill of \$44⁸⁸ presented to him for lumber furnished for the building "A" culvert in 32nd Street, was read and ordered placed on file, and the Secretary instructed to refer the matter to the Common Council with a recommendation that the claim be paid by the City.

The following communication was received from the Mayor and ordered placed on file. Viz:-

"Mayor's Office, San Diego, Cal., September 27th 1900.

To the Honorable Board of Public Works
of the City of San Diego, Cal.

Gentlemen:-

In view of economy and the very limited amount of work required of the office of the City Engineer, I recommend that the services of one of the men employed in that office be dispensed with. I would further recommend that the married men be given the preference.

Very truly,

Edwin M. Cappa,

Mayor of the City of San Diego, Cal."

In accordance with the above recommendation the services of W^m Rumsey, are hereby dispensed with and he is hereby dismissed from the services of the City of San Diego, Cal., from and after October 1st 1900.

Commissioners Cassidy, Whitson & Davis, voting Aye.

The Secretary was directed to address a communication to the Common Council, referring the claim S. D. Elec. Ry. Co., of \$581.⁰⁰ for sprinkling the streets traversed by their car lines, (with Salt Water, the agreement between the Board and the S. D. Elec. Ry. Co. being to thoroughly wet down a street, and the compensation therefor to be 50¢ for each 1000 lineal feet so wetted, ^(payment) subject to the action of the Common Council)

Ordinance #745 directing the Board of Public Works to place a culvert at the southeast corner of 4th and K Streets and authorizing the purchase of lumber and material at an expense not to exceed \$90.⁰⁰ has been considered by the Supt. of Streets, and he reports that said lumber has been figured at \$16.⁰⁰ per M and that he is unable to procure any lumber at a less figure than \$20.⁰⁰ per M, therefore he recommends that an ordinance be drawn authorizing an expense not to exceed \$130.⁰⁰ to do said work.

In view of the said recommendation the Secretary was directed to refer back to the Common Council said ordinance #745, with a recommendation that they appropriate the sum of \$130.⁰⁰ to do said work.

Adjourned.

J. H. Dixon, Secretary.

J. J. Davis,

President.

San Diego, Cal., Oct. 4th 1900.

Thursday 9. A.M.

Regular Meeting:-

The meeting was called in usual form there being
 present Commissioners Cassidy ^{and} Davis.
 absent " Whitson.

The reading of the minutes of the previous meeting was dispensed with.

The following resolution was offered and upon motion being duly seconded the same was adopted by the following vote. Viz:-
 Commissioners Cassidy ^{and} Davis voting Aye.
 " Whitson being absent.

The resolution is as follows:-

Be It Resolved, By the Board of Public Works of the City of San Diego, as follows:

That the Street Superintendent of the said City of San Diego, California, be, and he is hereby directed and instructed to serve a notice in writing on A. L. Ross to remove that certain obstruction consisting of a dwelling house kept and maintained by the said A. L. Ross on Cedar Street between Fourth and Fifth Streets in the said city of San Diego, California, said obstruction being on that certain of said Cedar street lying immediately north of and adjoining Lot L. of Block 204, Hortons Addition to said City, said obstruction to be removed within thirty days from and after the service of said notice upon the said A. L. Ross.

Said notice shall be given by the Superintendent of Streets in pursuance of Section 3 of Ordinance No 26, of the ordinances of the said City of San Diego, California, entitled "An Ordinance for the prevention of offences against the peace and good order of the City of San Diego," approved November 8th, 1886.

In accordance with the foregoing resolution the following notice was prepared for the Superintendent of Streets with instructions to serve the same upon A. L. Ross.

"Notice.

To. A. L. Ross:.

You are hereby notified to remove the

obstruction consisting of a dwelling house owned by you, and of which you now have charge and possession, constructed and now being on that certain street known as Cedar Street between 4th & 5th Streets, being on that certain portion of said Cedar Street lying immediately north of and adjoining Lot L of Block 204 of Horton's Addition to said City of San Diego, California.

And you are further notified that unless the said obstruction is removed within thirty days after the service of this notice upon you, proceedings will be instituted to remove the same.

You are further notified that unless said dwelling constituting said obstruction in said street is removed within said time, that it will be considered a violation of Ordinance No. 26 of the ordinances of the said City of San Diego, approved November 8th, 1886, and that proceedings will be commenced against you for the violation of said ordinance, pursuant to the terms of which this notice is hereby given.

Served on A. L. Rose
Oct. 6th 1900 at 11:50 AM.

Respectfully,

Superintendent of Streets of the
City of San Diego, California"

Communication from the City Clerk.

"San Diego, Cal. Oct. 2nd 1900.

To the Board of Public Works,
City.

Gentlemen:-

You are herewith notified that the Common Council of the City of San Diego, California, granted the following petitions, at the meeting of the said Council held October 1st, 1900:

Petition of S. E. Bailey for a permit for building and for improvements on a certain frame building on lot K in block 34, Horton's Addition; granted by two-thirds vote.

Petition of H. M. Landis for permission to take two loads of earth from the Public Library site.

Petition of J. W. Braun & Co., for permission to put in a bituminous rock approach to the sidewalk on the south side of "J" street, 90 feet from the corner of Fifth street.

Petition of Mrs. D. G. Heath for permission to construct concrete sidewalk, curb and gutter on "H" street in front of lots 38 and 39, block 8, Kimball's addition.

(Seal)

Respectfully,

Geo. D. Goldman, City Clerk.
By H. W. Vincent, Deputy."

Communication from the City Engineer.

To the Hon. Board of Public Works.

Gentlemen.

I hereby ^{appoint} Mr. Irving Hubon as general assistant in my office at the fixed salary of \$65⁰⁰ per month, subject to approval of your honorable body.

Respectfully,

L. J. Davids,
City Engineer."

Filed.

R. M. Burney, makes application for a position on the Streets.

Filed.

The Bond of Charlie Nagle in the sum of \$100.- with Arthur Cosgrove & W. J. Bailey as sureties for the faithful performance of the contract for repairing the bituminous paved streets was approved.

Commissioners Cassidy & Davis, voting Aye.
" Whitson being Absent.

The communication of Sept 28th 1900, from the Board of Public Works, to the Common Council, transmitting the claim of the S. D. Elec. Ry. Co. for street sprinkling during August, 1900, was referred back to the Board of Public Works by the Common Council Oct. 1st 1900.

In accordance with an advertisement calling for bids to be delivered at the office of this Board at the hour of 9 o'clock A.M. for the construction of an Engine House upon lots 7 & 8, of block No. 63, Culverwell & Daggart's addition to the said City of San Diego, the following bid was received: viz:-

Cassidy & Moore Check \$75⁰⁰ bid \$1494⁰⁰

As Cassidy & Moore were the only bidders, it was moved & duly seconded that the contract be awarded to them.

An Ordinance authorizing and directing the Board of Public
Works of the City of San Diego, California, to purchase a horse for the use of
the Fire Department of said City.

Expense not to exceed \$150⁰⁰/₁₀₀

Filed.

Ordinance No. 823.

An Ordinance authorizing and directing the Board of Public
Works of the City of San Diego, California, to purchase material to be used in
replanking and to replank the "R" Street bridge in the City of San Diego,
California.

Expense not to exceed \$210⁰⁰/₁₀₀.

Filed.

The following communication was received from City Engineer
Davids: Viz:-

"San Diego, Cal., Oct. 11th 1900.

The Honorable Board of Public Works.
Gentlemen:-

Mr. Hubon informs me that he has opportunity for employ-
ment more to his advantage than would be that of assistant in this office.
I therefore withdraw his appointment and substitute the name of
Mr. Valle Wilkenson, subject to the approval by your honorable Board

Replank

"R" St. Bridge

Subject to

Board of

Public Works

Appointment

Mr. Wilkenson is industrious, capable and experienced in the work required.

Respectfully,

L. J. Davis,
City Engineer"

Upon motion being duly seconded and by a unanimous Aye vote the foregoing communication was laid on the table.

Secretary was instructed to petition the Common Council for authority to purchase \$25.00 worth postage stamps for the use of City Departments.

A communication was received from the Auditing Committee stating that claim 8614 for supplies purchased from Ferris and Ferris was illegal. One of the members of said firm being a member of the Common Council.

Also referring back claim 8626, for the reason it was not acted on by the Board. Said claim was for sprinkling done by the S. D. Elec. Ry. Co. \$145.00
Filed.

The contract and Bonds having been prepared, for the construction of an Engine House on Golden Hill, for Messrs Cassidy & Moore, Contractors and J. H. Cassidy, for Cassidy & Moore having procured John M. Wood & Fred Thomas as bondsmen in the sum of \$500. for the faithful performance of the contract and for \$750.00 for protection to laborers etc.,

It was moved and duly seconded that said bonds be approved.

Commissioners Cassidy, Whitson and Davis voting Aye.

The City Attorney was asked for his opinion as to whether or not Engineer may be permitted to hire chainmen by the day or when needed and pay them for their services at the rate of \$65.00 per Mo. also whether it is mandatory upon the Board to keep a certain number of employes in the Engineers department.

There being no further business the Board adjourned.

Attest:

J. H. Dixon,

Secretary

L. J. Davis, President.

San Diego, Cal., Oct. 18th 1900.

Thursday 9. A.M.

Regular Meeting:-

Present

The Board met in regular session there being present Commissioners Cassidy, Whitson ^{and} Davis.

Minutes dispensed with.

The reading of the minutes was dispensed with.

Permission to cut

dead trees from Park

Permission was granted to Mr. Lowe to take out some of the dead Cypress trees from the City Park, under the supervision of the Superintendent of Parks without expense to City.

Adv. Sale of

Horse.

The Secretary was directed to advertise for sale one of the old Fire Engine Horses.

Notify the

U. W. S. Co.,

put in Culvert

at Arctic.

The Secretary was directed to address a communication to the United Water Supply Co., notifying them that complaint had been filed by several tax-payers and members of the City Council that when laying their water pipe on Arctic and "H" Streets, said water pipe was laid across a culvert thereby obstructing and rendering said culvert useless: and for them to replace said culvert at their earliest convenience.

R. R. Co. to

have trains

stop at Station

in Eureka Lemon Tract.

Also to notify the Agent of the Santa Fe Co., that complaint has been made from members of the City Council that the trains still stop, to take on and let off passengers, at the temporary station known as "Atwood" in the Eureka Lemon Tract, which is about 1/3 of a mile below the present crossing and Station, this forces the passengers to retrace their steps back, in order to get off the R. R. Track, as the right-of-way has been fenced by the Company.

The following Joint Resolution was received from the Common Council and ordered on file.

Joint Resolution No. 1272.

Thursday 9. AM.

Regular Meeting:-

The Board met in regular form there being present Commissioners Cassidy, Whitson ^{and} Davis.

The reading of the minutes of the last regular meeting was dispensed with.

A communication was received from A. E. Babcock, stating that the crossing under the Coronado R.R. Track had rotted out and the same belonged to the City
Referred to Supt. of Streets.

Waldo S. Waterman, Mgr. of the S. D. & Cuyamaca & Eastern Ry. Co., asks that a culvert be placed under the R.R. track at 12th St.
Same was referred to the City Engr. for estimate of cost with plans and specifications.

In accordance therewith the Engineer reports under date of Nov. 7th 1900, as follows:-

Excavating and Back-filling of trench 70 cu. yds.	\$ 17.50
2200 ft. B.M. of 2" Redwood Plank	44.00
Labor and Spikes on Culvert.	16.50
<u>Total.</u>	<u>\$78.00</u>

The foregoing communications were ordered referred to the Common Council with a recommendation that the said culvert be ordered in.

From the Common Council was received the following
Ordinance No. 840.

An ordinance providing for the payment to the West Coast Lumber Company of the sum of \$44.88 for lumber furnished for a culvert.
Filed.

In accordance with an advertisement calling for bids to be delivered at the office of the Board of Public Works of the City of San Diego California, at 9 o'clock AM, November 8th 1900, the following bids were received for the purchase of Fire Hose for the use of the Fire Department of said City in accordance with the above mentioned notice: Viz:

Fire Hose	Bidders	Spec of Hose	Amt. per foot.	Cert. Check
	McKenzie, Blink & Winsby	250 ft. Solid woven	\$1 ⁰⁰	\$12 ⁵⁰
	Hawley Hardware Co.,	250 " Jacket maximum	80 ⁺	10 ⁰⁰
	R. S. Chapman	500 " "	80 ⁺	20 ⁰⁰
	Manhattan Rubber Mfg. Co.	500 " "	75 ⁺	25 ⁰⁰
	" " " "	500 " (Solid woven)	70 ⁺ "marked Jacket"	25 ⁰⁰

M. R. Mfg Co. bid was not considered as it was not in accordance with the specifications. The bid of the Manhattan Rubber Mfg. Co. for 500 ft. of Jacket Hose at 70⁺ per ft.

The same being market "Jacket" Hose, while in reality it was "Solid woven" Hose. And therefore was not in accordance with the specifications and was therefore not considered.

Upon motion being duly seconded and by the following vote contracts were awarded as follows for Fire Hose for said Fire Department.

Contracts awarded.	Bidders	Spec of Hose	Amt. per foot.
	McKenzie, Blink & Winsby	250 ft. Solid woven Hose	@ \$1 ⁰⁰ per foot.
	Hawley Hardware Co.,	250 ft. Jacket "max Gun"	@ 80 ⁺ " "
	R. S. Chapman	500 ft. Jacket	@ 80 ⁺ " "
	Manhattan Rubber Mfg. Co.,	500 ft. "	@ 75 ⁺ " "

Commissioner Cassidy voting Aye.
 " Whitson " Aye.
 " Davis " Aye.

Check to Char. Kelly The certified check of Char. Kelly, which accompanied his bid on Fire Hoses was ordered returned. \$12⁵⁰
 Same was returned in person.

Ms. Claims were approved Upon motion being duly seconded and by a unanimous Aye vote of the Board, the following bills were ordered approved:-

Insurance of City Hall.

The Secretary was directed to address a communication to the Common Council recommending that they authorize the insurance of our equity and the contents of the New City Hall, commencing January 1st 1901.

Comm. fr. the Mayor etc.

A communication was received from the Mayor, notifying the heads of departments to comply with Sec. 13. Art. X, of the Charter of the City of San Diego, relative to filing reports during the month of January.

The same was ordered on file.

Comm. fr. St. Supt. referred to Council.

The following communication was received from Supt of Streets Hackett and was referred to the Common Council with a recommendation that it be referred to the Street Committee for investigation:

The Communication is as follows:-

San Diego, Cal., Dec 13th 1900.

To the Honorable Board of Public Works
Gentlemen:-

Complaints have been made by Mr. Heark of a mud hole at the S.W. Cor. of First & Kalmia Sts. This is caused, as near as I can ascertain, by drain pipes running across First St. from Lots E. & F. Block 278, Horton's Adm. and are said to be drain pipes from the basements or cellars of the houses on the above lots. This mud hole is as bad, or worse, in the summer than winter, and I think the surplus water runs in while irrigating around the houses. I would like to be directed how to abate this nuisance.

Most Respectfully,

A. W. Hackett.

Supt.

The following communication was received from the City Clerk.

Viz:-

San Diego, Cal. Dec. 19th, 1900.

To the Honorable Board of Public Works,
City.

Gentlemen:-

You are herewith notified that the Common Council, on the 18th day of December, 1900, granted the petition of Geo. Journey for permission to use about ten acres of ground in the "Howard Tract" of the City Park, for the season, for the purpose of raising thereon a crop of grain; he agreeing to pay \$1.50 per acre for the use of said land, and further agreeing not to injure any of the trees.

Respectfully,

Geo. D. Goldman, City Clerk.

By H. W. Vincent, Deputy"

Filed.

Mr E. A. Lockyer was granted an extension of time, within which to complete his contract in grading the Sorrento Valley Road from Dec. 22nd to February 1st 1901, by the following vote, Commissioners Cassidy, Whitson and Davis voting Aye.

The City Attorney has submitted an opinion under date of Dec. 12th 1900, in regards the protest of A. V. Capps, et als, dated May 24th 1900, relative to the City Engineer making surveys for private parties and charging therefor thereby depriving the Civil Engineers of this City of their means of livelihood.

The summing up of said opinion is as follows:

"The City Engineer has the power to do surveying for parties and to charge therefor the fees prescribed by ordinance."

Said opinion was ordered placed on file.

Filed.

The following resolution was received from the Common Council, viz:-

Joint Resolution No. 1286.

Whereas, Eleventh Street in Pacific Beach has been plowed up between Grand Avenue and Idaho Street and left in such condition that it is unsafe for travel and would be almost absolutely ruined in case of rain; therefore,

Be It Resolved, By the Common Council of the City of San Diego, as follows:

That the Board of Public Works of the City of San Diego, be and said Board is hereby authorized and directed to cause said Eleventh street between Grand Avenue and Idaho street in Pacific Beach to be put in good condition for travel at once.

Clerks certificate attached.

The same was referred to the Superintendent of Streets with instructions to comply.

The following ordinance was received from the Common Council, viz:-

Ordinance No. 855.

An Ordinance authorizing and directing the Board of Public Works of the City of San Diego, California, to purchase lumber and to construct, with the Street force of said city, three culverts across National Avenue at the intersection thereof with Twenty-seventh street, Twenty-eighth street, and Twenty-ninth street.

The same was referred to the Superintendent of Streets with instructions to comply.

The claim of Dr. Magee for \$1000 for services rendered in attending Chas Ames, City Hostler, who was kicked in the head by one of the Citys Horses while performing his work as City Hostler, was referred to the City Attorney to ascertain if said bill ~~was~~ ^{is} a legal claim against the City.

The City Attorney, in open session, at the regular meeting of this Board held this day, instructed said board to reject said claim as the same was not a legal claim against the City.

In accordance with said opinion and instructions the said claim was rejected.

Thursday 9 AM.

Regular Meeting:

The board met in regular session there being present Commissioners Cassidy & Whitson absent " Davis.

The reading of the minutes was dispensed with.

Supt. of Streets Hackett reports that he has repaired the "B" Street Flume at a cost of \$49.99 which is in accordance with Ord. 841. Also calls attention to the culvert crossing "D" St. at 20th St. the same being full of sand and the lumber rotten. The said culvert is so near level that it is impossible to keep it clean. This should be attended to as the water that collects on the South Side of "D" Street now runs over the sidewalk and on to private property and cannot be turned down "D" Street. Also that he desires a new blade for the road-grader, which will cost about \$13.⁰⁰ and will have to be procured at the factory.

The Secretary was directed to address a communication to the Common Council recommending the foregoing: also to petition to the Common Council for authority to purchase \$25.⁰⁰ worth of postage stamps for the use of the departments of the City Government.

No further business the Board adjourned.

The Secretary was instructed to advertise in accordance with the provisions of said ordinance.

In accordance with an advertisement calling for bids to be delivered at this office this day for crosswalking Logan and National avenues in accordance with the provisions as contained in Ordinance No. 870.

The City Engineer suggests that the said crosswalks should be laid to conform to the present surface of the streets instead of the official grade as said grade may be from six to ten inches below said surface, thereby making the crosswalks useless; also if said crosswalks are constructed at the intersections of the streets in accordance with the provisions of said ordinance they will fall short of the benefits they are intended for; viz: access to, and exit from, the street cars in stormy weather.

In view of this, all bids for the construction of said crosswalks were ordered returned unopened and the matter of crosswalking said streets was ordered referred back to the Common Council, with a copy of the objections raised thereto by the City Engineer, and, ^{recommend} that another ordinance be adopted embodying the recommendations of the City Engineer.

In accordance with a request from this board the City Engineer made and submitted an estimate for the paving and guttering of Witherby Street from 3rd to 4th. Said estimate was ordered on file.

No further business the Board adjourned.

all for bids.

In accordance with advertisements calling for bids to be delivered at this office at the hour of 10 o'clock A.M. for Stationery, Coal, Horses Disposal of St Sweepings and constructing a road on Point Loma; bids were received as follows to wit:

Stationery.

contract to

Bidders	Check	Amount.
M. A. Wertheimer & Co.,	\$25 ⁰⁰	List

As Wertheimer & Co., being the only bidder and as their bid is substantially the same as last year, it was upon motion being duly seconded decided to award the Contract to them.

Commissioners Whitson and Davis voting Aye.

Horses.

all bids

taken

under consid.

ation

Bidders	Check	Amount.
A. Levi	\$15.00	\$225.00
J. W. Bates	\$15.00	\$210.00
Chas Kelly	\$15.00	\$225.00

All of said bids were taken under consideration.

Road to Point Loma.

contract to

Bidders	Check	Amount.
Goodbody & Roemer,	\$35 ⁰⁰	\$700.00
Engelbrot & Nelson,	\$35 ⁰⁰	\$635.00

Engelbrot & Nelson being the lowest bidders were upon motion being duly seconded awarded the contract for the construction of said road by the following vote;

Commissioners Whitson and Davis voting Aye.

all bids

rejected.

Coal.

Bidders	Checks	Amount.
S. D. Coml. & Milling Co.,	\$200.00	\$13.00
Pac. Wood & Coal Co.,	210.00	\$13.50

Rejected: Commissioners Whitson & Davis voting Aye.

Street Sweepings:

Bidders	Check	per. month	Amount.
A. J. Copley.	\$60 ⁰⁰		\$100.00
J. W. Wheeler.	5.00	" "	80.00

Bids on
St. Sweepings
referred to
Council.

The Secretary was directed notify the Council of the result of the advertisement to care for the Street Sweepings, and explain that the party that agreed to bid \$50.00 was under the impression that he could enter into a contract at once with the City without the formality of advertising for bids. It was his intention to sign up a contract the following day to deliver a stated amount of manure to his parties per day; after learning that it was necessary to advertise for bids he was not in a position to bid said amount as his parties had contracted with other parties to deliver said manure, therefore there was no bid of \$50⁰⁰.

We believe, however, that the bid of Mr. Wheeler of \$80.00 is a good one as it saves the City at least \$40.00 per. mo., therefore we recommend that you authorize its acceptance.

Recus
Saturday

Upon motion the Board adjourned until Saturday at 10 o'clock A.M.

Thursday 10 AM

Regular Meeting:-

The Board met in regular session there being commissioners present. Cassidy, Whitson and Davis.

The unread minutes of the previous meetings were read and approved.

The Supt of Sewers was allowed to rebuild 4 Stephen Plush Tanks at an expense not to exceed \$4⁰⁰ each.

The horses that were taken from A. Levi on five days trial with privilege of buying at \$25⁰⁰ were returned to said A. Levi and upon motion being duly seconded all bids for horses were rejected by the following vote. Viz:-
Commissioners Cassidy, Whitson and Davis voting Aye.

The Secretary was directed to re-advertise for bids for horses making the bids returnable April 4th 1901.

A communication was received from G. N. Gilbert regarding the care of the road from Pacific Beach Race Track to Sorrento Store, The City allowing \$9⁰⁰ per month for the keeping of said road in repair.

Mr. Gilbert complains that the road is in a terrible condition and he estimates that it will take six horses and three men ten days to place the road in condition so it can be taken care of in accordance with the provisions of Ordinance #889.

Said communication was referred to the Common Council with a recommendation that Mr. Gilbert be allowed to do said work, as he can do it much more cheaply than the City.

In accordance with an advertisement calling for bids to be delivered at this office at 10 o'clock AM. on Thursday the 21st day of March 1901. for Dump Wagons, Dump Carts, Scrapers, Blows and Graders.

The following bids were received. Viz:-

The following ordinance was received from the Common Council. Viz:-

Ordinance No. 893.

An ordinance authorizing and directing the Board of Public Works of the City of San Diego, California, to make certain improvements upon the City Hall in the said City of San Diego, California.

Placing sign of City Hall and Flag pole on building. Cost not to exceed \$30.00.

Wm. O. Nelson of the firm Engelbret & Nelson was granted permission to block on "A" Street between 7th & 14th Streets, He having filed a bond therefor in the sum of \$500. with Ed Wiscott and Frank S. Ecker as sureties.

The said bond was approved. Commissioners Cassidy, Whitson & Davis voting Aye.

In accordance with the action of this Board in awarding to W. McKenzie Flint & Winsby on February 28th 1901, the contract for furnishing the City with 1000 ft. of 2 1/2" rubber lined Jacket Fire Hose at 69¢ per foot: and the further action of said Board of entering into an agreement therefore on March 16th 1901: and as the said W. McKenzie, Flint and Winsby have furnished a bond in the sum of \$200. (which is in accordance with the requirements as contained in said agreement) with Geo. W. McKenzie & E. Vincent Surr as sureties, therefore

Be It Resolved, By the Board of Public Works of the City of San Diego, as follows:

That the said bond be and it is hereby approved.

Commissioner	Cassidy	voting	Aye.
"	Whitson	"	Aye.
"	Davis	"	Aye.

The agreement between the City and Engelbret & Nelson for the construction of a roadway 20 feet in width in said City of San Diego, California, over that portion of the survey for the "Point Loma Road" in the City of San Diego, California, made by the City Engineer of said City in the month of January, 1901, having been entered into: and the Bond therefore, with Ed. Wiscott & Joseph Schachmayer as sureties, in the sum of \$250⁰⁰ for the faithful performance of said work: and the Bond for the protection of materialmen, labor etc, with same sureties in the sum of \$350⁰⁰ having been executed, therefore

Be It Resolved, By the Board of Public Works of the City of San Diego, as follows:-

That the said Bonds of Engelbret & Nelson as described above, be and they are hereby approved.

Saturday 10. A.M.

Special Meeting:-

The Board met in usual form there being Commissioners present Cassidy, Stokes and Davis present.

The reading of the minutes was dispensed with.

The Secretary was directed to address a communication to the Common Council stating that "It being an urgent necessity that we place another pumping plant in operation at once. In order to do this we must purchase a gasoline engine immediately. We cannot wait for the action of the Council to authorize the same and follow the usual method of advertising therefor; but must place same in operation at the earliest possible moment. We have therefor arranged for the purchase from Stone Bros. Co., "The West Coast Automatic Gasoline Engine" 10 horse power, capable of pumping 800,000 gallons of water every 24 hours, and agreeing to pay \$500.00, for same. Said engine will be delivered ready for operation Thursday.

We respectfully recommend that you ratify our action in so doing."

Upon motion being duly seconded and by a unanimous Aye vote of the Board, it was decided to purchase from Stone Bros. Co., "The West Coast" Automatic Gasoline Engine, 10 horse power, capable of pumping 800,000 gallons of water every 24 hours and to pay therefor \$500. Subject to said claim being ratified by the Common Council.

The Secretary was directed to recommend to the Common Council that the Ladies Home, the Kings Daughters Home, and the Public Library at La Jolla be supplied with water free.

The Bonds of L. B. Mathews and William H. Bradley, in the sum of \$1000. each, with Dr. A. H. Hooker & Leroy A. Wright and Mrs. J. Bradley & W. R. Rogers respectively were read and upon motion being duly seconded, were ordered approved. Cassidy Stokes & Davis Voting Aye.

J. H. Davis,

President.

San Diego, Cal., August 8th 1901.

Thursday 10 AM.

Regular Meeting:-

The Board met in usual form there being present Commissioners Cassidy, Stokes ^{and} Davis.

The reading of the minutes was dispensed with.

The following Joint Resolution was received from the Common Council: Viz:-

Joint Resolution No 1337.

Whereas The City of San Diego, California, contains about 47,000 acres of land, with many settlements outside of the city proper, and a great number of lemon and orange groves that stand in need of more water than has been heretofore furnished; and

Whereas, Complaints have been made that a part of the old water pipe lines are in a bad condition, and may not be of sufficient strength to stand the pressure that will be caused by the filling of the University Heights reservoir in the near future, as well as the inadequacy of the pipes to supply water to the outlying districts; therefore,

Be It Resolved, By the Common Council of the City of San Diego, as follows:

That the Board of Public Works of the said city be and said Board is hereby authorized and directed to cause the Superintendent of Water Works and the City Engineer of the City of San Diego to make immediate and careful examination of all the pipes of the entire water system and carefully note the condition thereof including meters - and the necessity of meters throughout the city; and that the said Superintendent of Water Works and City Engineer report in writing the result of such examination to the Board of Public Works with any recommendations they may think proper, to secure to the people of this city a first class service from the water department.

That the Board of Public Works transmit said report and recommendations, together with any recommendations they may deem proper to make, to this Common Council, so that the Common Council may have before them the necessary facts and data to enable them to provide means for such needed improvements, repairs or extensions to said water system out of any money now in the treasury, or whether it will be necessary to submit a

Crude Oil

etc. were

rejected

Re-Advertise

In accordance with an advertisement calling for bids to be delivered at 10 o'clock A.M. on Monday August 12th 1901, for the furnishing of crude oil, gasoline & distillate; and as the Board held same over until their regular meeting to open at said time. and upon advice of the City attorney referring to Sec. 17. Chap. 1. Art. V. of the Charter of the City of San Diego. they find that said bids must be opened at the hour specified in the notice; therefore it was moved and duly seconded ^{the} that said bids be rejected and the Secretary be instructed to re-advertise for bids; making them returnable on Tuesday, August 27th 1901, at 10 o'clock A.M.

Commissioners, Cassidy, Hakes ^{and} Davis voting Aye.

Bond

approved.

W.M. Jounkin filed his bond in the sum of \$1000. with W.M. Herbert & R.M. Powers as sureties. Said bond was upon motion being duly seconded, approved, by the following vote: Viz. Commissioners Cassidy, Hakes ^{and} Davis. voting Aye.

Engine

House

Bids

In accordance with an advertisement calling for bids to be delivered at 10 o'clock a.m. on Thursday the 15th day of August, 1901. for the completion of the Golden Hill Engine House, the following bids were received: Viz:-

Bidders.	Checks	Amount.
E. Schulte.	\$45.-	\$888.00
Henry Derwin.	\$45.-	\$890.00
✓ Solon Bryan.	\$45.-	\$862.50

It was moved and seconded that the contract be awarded to Solon Bryan, he being the lowest bidder. Commissioners Cassidy, Hakes and Davis voting Aye.

The following resolution was adopted by the following vote: Viz. Commissioners Cassidy, Hakes ^{and} Davis. voting Aye.

Be It Resolved, By the Board of Public Works of the City of San Diego, California, as follows:

That whereas there is now a case of small pox in the City of San Diego, California, and whereas

It is hereby determined to be necessary by the said Board of Public Works for the preservation of the public health of the said City of San Diego, to maintain a pest-house in the said City of San Diego and to employ a physician to care for the said case of small pox and the said pest-house; and in order to efficiently maintain the said pest-house,

And Whereas, it is hereby determined to be necessary to cause the person affected with the said disease of small pox to be removed to said pest-house and kept there for such period of time as the Board of Health of said City may determine, and whereas the Board of Health of said City has caused said person so affected with small pox and those persons exposed to such disease to be removed to said pest-house.

And Whereas, it is hereby determined to be necessary by the said Board of Public Works to incur certain indebtedness for the purchase of certain wares, goods, and merchandise for the proper care of said person so affected with the said small pox; and those persons so exposed.

Therefore Be It Resolved, By the Board of Public Works that the employment by the Board of Health of said City of Chester L. Magee, a physician of good standing in the City of San Diego (to render medical services for, and attend the said person so affected by the said small pox) be and is hereby ratified and confirmed, and that his compensation be and same is hereby fixed at ten (10) dollars per day for each and every day in which he is actually and necessarily engaged in rendering medical services for the said person so affected with the said small pox; that the Health Officer of said City be and he is hereby empowered to employ a man to wait upon the persons at said pest-house, and to work in and about said pest-house whose compensation shall be, ^{and is hereby} fixed at \$2⁰⁰ per day, for each and every day in which he is actually engaged in such work at said pest-house, and that there be purchased by the said Board of Public Works, for the use of the Health Department of said City in caring for the said person or persons so affected with the said small pox and all persons in quarantine at said pest-house so exposed to said disease, and all goods, wares, and merchandise which the said

Small Pox
Resolution
adopted.

Board of Health: may deem absolutely necessary in properly caring for the person or persons so affected by the said small pox, or any such persons in quarantine, provided that the expense of the same shall not exceed the sum of \$150.- and that the action of the Health Officer of said city in causing the said persons to be removed to the said pest house and the expense incurred in so removing them be and the same is hereby ratified and approved.

Auditors Certificate Attached.

Communication

from

City Engineer

Engineer:

The following communication was received from the City

San Diego, Sept 16th, 1901.

The Hon. Board of Public Works,
of the City of San Diego, Cal.

Gentlemen: Section 1 of Ordinance No. 349, being "An Ordinance providing specifications for the grading of streets in the City of San Diego, Cal. xxx" provides that "in case the number of cubic yards of ~~exc~~ cut exceed the number of cubic yards of fill, said City Engineer shall designate in said estimate the point or points where such excess of earth shall be deposited, provided that such excess earth shall not be deposited in any place other than upon the public streets of said city, unless under the direction of the Board of Public Works of said City."

Fifteenth street, from the north line of "N" street to the south line of "D" street, an estimate for the grading of which was submitted to the Hon. Common Council on the 22d day of July 1901, will require the removal of 14307⁹⁸ cu. yds. of excavation, and embankments aggregating 6428⁴⁹ cu. yds.

The excess of cut in this case amounts to 7878⁹⁴ cu. yds. of which only a small portion, amounting to about 1500 cu. yds. can be economically deposited upon the public streets of the City.

In the estimate to be prepared and kept on file in the office of the City Engineer, as provided in said Ordinance No. 349, Block No. 50 of Sherman's Addition to the City of San Diego, Cal. and blocks Nos. 10 and 11 of Culverwell Taggart's addition to the City of San Diego, Cal., have been named as the points upon which shall be deposited the excess earth that cannot be economically deposited upon the public streets of the City.

It is respectfully asked that acting under the provisions of said Ordinance No. 349, the action of this office be approved by your Hon. Body.

Respectfully,
S. A. D. Hemecourt,

City Engineer of the City of San Diego, Cal.

Filed:

Approved

Upon a motion being duly seconded, the action of the City Engineer

was approved.

From
Chief of Fire
Department

A communication was received from the Chief of the Fire Department stating that the woodwork on the Golden Hill Fire Engine House was nearing completion, and asking that the Board petition the Common Council for an appropriation of twenty-five dollars for the painting of the building.

Acting
Additional Appropriation for G.H. Fire H.

The Secretary was directed to address a communication to the Council recommending that an additional transfer of seventy-five dollars be made from the Fire & Department Fund to the Public Building Fund, to be used in the painting and completion of the Golden Hill Fire Engine House.

A communication, relating to street sweeping brooms, from the Phoenix Steel Wire Broom & Brush Co., of Chicago, was received and ordered filed.

A communication from the Alcatraz Co., of Carpenters' local, stating they had some 6 inch cast pipe & fittings, that they would like to sell, was read and ordered filed.

F. L. Woods
Pipe Line.

The Supt. of Water Works, in a communication to the Board, requested that the City Engineer be instructed to locate a point on the pipe line supplying the reservoir on the F. L. Woods ranch, for the purpose of determining the feasibility of placing a windmill to furnish water to said reservoir.

Engineer
Instructed.

Upon a motion being duly seconded, the request was granted and the Secretary instructed to notify the City Engineer to do said work.

Attest,

Harry Stark,
Acting Secretary.

N. J. Davis
President

San Diego, Calif Sept 26, 1901

Thursday 10 a.m.

Regular Meeting.

The meeting was called in regular form, there being present Commissioners Cassidy, Hakes and Davis.

The minutes of the meetings of Sept 12th and 17th, 1901, were read and approved.

Mr. E. B. Stewart, agent of the Santa Fe R. R. Co., appeared before the Board, and stated that the rules of the R. R. company required that in the purchase of supplies a contract must be entered into, and requested that the City enter into a contract for supplying the water used by the company, and also asked that the rate of 20 cents per thousand gallons be reduced, if possible.

The matter was referred to the City Attorney's office.

The Secretary was instructed to notify the Supt of Streets to have the driveway on Arctic street between R and D streets sprinkled.

The report of the inspection of the Point Loma pumping plant boiler was read and ordered filed.

A communication was received from Henry Hecker, calling the attention of the Board to condition of D street between 13th and 14th.

Referred to the Supt of Streets, with instructions to do what he could to remedy the cause of complaint.

A communication was received from F. H. Dixon, Secretary of the Board, requesting that his leave of absence be extended to October 15, 1901.

On motion duly seconded and by a unanimous aye vote, the request was granted.

A communication was received from U. H. Julian, Supt of Sewers, requesting a thirty days leave of absence, dating from Oct 5, 1901.

On motion duly seconded and by a unanimous aye vote the request was granted.

Application for Position: An application was received from Stephen L. Tichenor for a position in the Water Department.
Filed

The following communication was received from Supt of Streets S. W. Hackett:
San Diego, Cal. Sept. 26th, 1901.
To the Hon. Board of Public Works:
Gentlemen: By ordinance #977 the Common Council granted permission to the Street department to purchase \$200 worth of lumber. We have used that amount on the following work: B street flume, 2965 ft.; D and 16th St bridge, 3209 ft.; 16th and Logan, 1012 ft.; I and 14th bridges, 2046 ft.; J and 14th, 768 ft.; making a total of 10000 ft. We shall require several thousand feet more to repair the S, F, and H. St bridges. I would ask that we be granted permission to purchase what lumber it will require to make these repairs. Respectfully,
S. W. Hackett, Supt of Streets.

Request Council: The Secretary was instructed to address a communication to the Council recommending that the Street Department be allowed to purchase the lumber required.

Request for additional help in Water office: A communication was received from Supt. Alverson and Chief Clerk Hodge of the Water Department, showing the amount of work that had to be performed in the office, stating that the present force was inadequate and requesting the appointment of a permanent additional clerk.

Address: The Secretary was directed to address a communication to the Council recommending that the Board be authorized to employ an additional clerk in the office of the Water Department at a salary of \$60 per month. And also recommending that the salary of the position now held by Mr. Yountkin, be increased from \$55⁰⁰ per month to \$60⁰⁰ per month.

The following Joint Resolution was received from the Common Council:

Joint Resolution #1348.
Be it resolved by the Common Council of the City of San Diego as follows:
That John M. Karroll be, and he is hereby authorized and empowered to construct a sewer in Robinson Avenue in the City of San Diego, Calif, from the alley between Third and Fourth streets to the alley between Fourth and Fifth streets, said sewer to be constructed in accordance with the plans and specifications to be prepared by the Board of Public Works of the City of San Diego, California, and to the satisfaction and under the supervision of the said Board of Public Works, and to become a part of the sewer system of said City of San Diego.

John M. Karroll
authorized to

Purchase sewer
in future.

And be it further resolved that at some future time the said City of San Diego purchase said sewer, and pay the costs of the construction of the same.

Clark's certificate attached.

Filed:

The following ordinance was received from the Common Council:

The following communications were received:

San Diego, Cal. Oct 18, 1901

To the Honorable Board of Public Works,
City of San Diego.

Gentlemen:

Instructions
to St Supt. You are herewith notified that at a meeting of the Board of Delegates held on the 7th day of October, 1901, a motion was passed that the Street Supt. be instructed to investigate the condition of Oak street between Front and Union streets, and report thereon at the earliest possible moment.

Respectfully

Geo D. Goldman, City Clerk
By H. W. Vincent, Deputy.

Referred to Supt of Streets, with instructions to comply.

San Diego, Cal. Oct. 8, 1901.

To the Honorable Board of Public Works,
City of San Diego.

Gentlemen:

You are herewith notified that at the meeting of the Common Council of this city held October 7th, 1901, a message was received from the Mayor recommending that the pay of the driver of the street sweeper be increased to and fixed at the sum of \$60.⁰⁰ per month. The Board of Aldermen ordered that this matter be referred to your Honorable Body for a recommendation thereon, in accordance with the provisions of Sec 6, of Chapter 1 of Article 5 of the City Charter. Enclosed herewith is the message of the Mayor above referred to, together with an ordinance in said matter, which ordinance was transmitted to the Council by the Mayor with his message. You will kindly return said papers to the City Clerk's office when you are through with them.

Respectfully,

Geo D. Goldman, City Clerk.
By H.W. Vincent, Deputy.

The following is the Mayor's message above referred to:

San Diego, California, Oct 7, 1901.

To the Honorable Common Council
of the City of San Diego, Cal.

Gentlemen:

Communica-
tion from
Mayor

I would most respectfully recommend to your Honorable Body that Ordinance No. 675, approved December 11th, 1899, be amended, raising the compensation of the driver of the street sweeper, in this city, from \$50 to \$60 per month.

I find upon investigation that this work is all done at night and that the driver of the sweeper works until certain sections of the streets are cleaned every night, regardless of the number of hours required to do this work.

The machines require considerable looking after during the day time, new brooms have to be put in, etc.

I consider the care and labor of the driver of the sweeper is much more than a driver of a sprinkler or dirt wagon has to perform. If this meets with the approval of your Honorable Body, I would most respectfully recommend the adoption of the accompanying ordinance.

Respectfully

Frank P. Fiary

Mayor of the City of San Diego, California.

On motion duly seconded and by a unanimous aye vote, the communications were ordered filed.

The following communication was received from the City Engineer:

San Diego, Cal. Oct 8, 1901.

To the Honorable Board of Public Works

San Diego, California

Gentlemen:

I have this day named Mr. M. Runney as assistant engineer in the office, and Messrs. James T. Lee and K. A. Fortner, chairman, and respectively request that their appointment be confirmed.

Respectfully

H. A. Altman, City Engineer.

On motion duly recorded and by a unanimous vote, the action of the Engineer was confirmed.

Application for position filed.
Also C. Powell, in a communication to the Board, made application for a position in the Water Department.

The following communication was received from the ~~San Diego~~ ^{San Diego} Board of Public Works:

To the Hon. Board of Public Works.

San Diego, Cal Oct 3, 1901.

Gentlemen:
The meeting of the City Working Committee, this date, the Secretary was notified to recommend to you Mr. Powell, and that you fix a price, not exceeding \$3.00 per day each, which shall be paid for hire of living teams and vehicles used by the City officials when engaged in City business.

Yours truly

Wm. R. Vinton, Secy.

On motion duly recorded and by a unanimous vote, it was decided that hereafter the price to be paid by the City for the hire of living teams and vehicles used by the City officials, when engaged in City business, shall not exceed the sum of \$3.00 per day for each team and vehicle employed. Commences Monday and thence to the next day.

On motion duly recorded and by a unanimous vote, it was decided that hereafter additional clerks in the office of the Water Department.

The Board proceeded to ballot: First ballot, 4.00 Runney received 5 votes; Second ballot, 4.00 Runney received 5 votes.

Mr. Runney was declared appointed Clerk in the office of the Water Department for a term of 60 days. There being no further business the Board adjourned.

Comm. from
Mrs. Van Horne.
Survey notes

In accordance with the action of this Board on Oct. 17th in referring the communication of Mrs. Minerva Van Horne of Oct. 16th to the City Engineer with instructions to investigate the notes & maps of surveys relative to La Jolla and see what they can be had for, the following was received.

San Diego Cal. Oct. 29th 1901.

Mr. G. A. d'Alencourt, City Eng.
City.

Dear Sir:-

Enclosed please find list of the notes and maps I wish to submit to the City.

At one time my father refused an offer from the City of \$2000.- for these same notes, etc., and in order to dispose of the whole lot (including the La Jolla notes, etc.) will offer them to the City for the sum of eight hundred dollars (\$800.-) each."

List attached.

Set price
La Jolla notes etc.

The Secretary was directed to address Mrs. Van Horne a communication asking what she will take for the Survey notes & Maps of La Jolla.

make survey

The City Engr. was directed to make a survey for the Water Dept to ascertain changes required, between the East End of the submerged Plume and the Auxiliary Pumping Plant No. 1.

Engineer
recommends
put cast iron
pipe x marsh
and
any wooden
pipe on
higher levels
Rec. to Council

The City Engr. in a communication of even date herewith states that "It will be injudicious to lay a 'Wire Wound Wooden Pipe' through the Salt marsh flats, on account of rapid corrosion of the wire that will take place destroying completely the life of the pipe: and also recommends that cast iron pipe be substituted on that part of the line crossing the salt marsh flat (a distance of about 3500. ft.): also that any style of wooden pipe for the high ground be allowed to be used." The Secretary was directed to send said communication to the Common Council with a communication from the Board endorsing the same.

Blacksmith
supplies

Special Meeting:-

The meeting was called in regular form there being Commissioners present Cassidy, Stokes and Davis.

The Secretary was directed to address a communication to the Common Council recommending that they instruct the City Engineer to locate the most practical and economical route to connect the County Road with Lemon Grove.

The City Engineer makes application to this board to retain the present extra force now engaged in his department making surveys, recommended and authorized by the Honorable Common Council, for a period not to exceed 60 days from January 1st 1902.

The Secretary was directed to petition the Mayor to make said recommendation to the Honorable Common Council.

Upon Motion being duly seconded and by a unanimous Aye vote the following preamble and resolution was adopted. Viz:-

Whereas, the City of San Diego, California, voted bonds in the sum of \$600,000.- for the purchase of the water distributing plants of the S. D. Water Co., and the So. Cal. Mtn. Water Co., and

Whereas, said bonds were sold and the transfer of said aforesaid properties were acquired by the said City of San Diego, California, on July 31st 1901, thereby adding \$600,000.- of additional properties to said City, and by virtue of Art. 5, Chap. 1. of the Charter of the City of San Diego, California, the responsibilities of the Board of Public Works, of said City are increased accordingly.

Whereas, the increased responsibilities assumed by this board requires the attention of the greater portion of the time of each member of said board to properly transact the business necessary in the handling of these additional \$600,000.- of acquisitions, and

Whereas, the said board feel that they should receive a just compensation in return for the services and the responsibilities assumed, therefore

Be It Resolved, By the Board of Public Works of the City of San Diego as follows:-

That it is the sense of this board that

Locate road
to
Lemon Grove.

Recommend

Comm. to City Atty

The Secretary was instructed to address the following communication to the City Attorney. Viz:-

San Diego, Cal. Jan 10th 1902.

H. C. Doolittle,
City Attorney,
San Diego, Cal.,

Dear Sir:-

Your opinion in relation to the legality of the bid of Solon Bryan for the construction of a 28" wood pipe line in El Cajon Avenue was duly received.

After having duly considered the advisability of re-advertising for bids for the construction of a 28" wood pipe line in El Cajon Avenue, and the impossibility of preparing a set of specifications that will not bar competition; we have decided by a unanimous Aye vote to award Solon Bryan the contract for doing said work; and we respectfully ask you to prepare the contract in accordance with the specifications therefor. We have instructed the City Engineer to render you any assistance required in carrying out the wishes of this Board.

In arriving at this conclusion we find that each and every manufacturer of pipe (be they manufacturers of wood or iron

pipe) construct their pipe upon different methods, and should a special line be expressly built as per special specifications the City would of necessity be compelled to pay extra for the patterns and moulds to suit these particular special specifications. We believe, as a matter of economy, that we should invite competition, and we are of the opinion that the specifications as adopted by this board do invite competition. We also find that the City of Washington D.C. in their government specifications for iron pipe had this identical idea in view; also did the City of Seattle, Wash. which recently let a contract involving over \$1,000,000.— for some 12 miles of 42" wood pipe.

We beg to call your attention to paragraph 14 of the specifications in the contract for the "D" street Cast Iron Pipe recently laid by W. Kenzie, Alvin Winsby, in which the same principal applies.

Respectfully Submitted.

 " Davis " "

Engineer
 prepare
 specifications
 as per the
 suggestions
 City Attorney

The City Engineer was directed to prepare specifications for
 Wooden Pipe and Iron Pipe in accordance with the suggestions as set
 forth by the City Attorney in relation to the interpretation of the
 City Charter; and the Secretary was directed to re-advertise for bids as
 soon as the said specifications were approved and adopted by the
 Board.

Labor Application

A. H. Graham, makes application for a position as laborer.
 Decd.

Communication
 to Council to
 discontinue the
 Elevator.

The Secretary was directed to address a communication to the
 Hon. Common Council stating that as a matter of economy would
 recommend that the elevator be discontinued except on meeting nights
 of the Common Council. There being so many repairs that it is deemed
 an expensive luxury. Janitors can find plenty of work around the
 building to occupy their attention.

Protect
 against
 moving the
 electric lights
 fr. State & C.

A petition was received signed by 31 property owners protest-
 ing against the changing or removing of the electric light from State
 and "C" Streets to State and "B" Streets.

The Secretary was directed to send a communication
 to the Common Council recommending that the lights be not
 removed.

Engineer to
 prepare
 specifications
 and estimate
 for Cast Iron
 pipe Pt. Home
 Council to Council
 accordingly

In accordance with instructions from this Board the
 City Engineer has prepared an estimate on C. I. Pipe and finds
 that the construction of the line from Old Town to Pt. Home Military
 Reservation can be constructed wholly of Cast Iron Pipe at a
 cost about the same as a wood pipe line on account of the raise of the
 price of lumber, steel wire and other material entering into the construction of
 wood pipe. Therefore the Secretary was instructed to address a Commu-
 nication to the Common Council recommending an ordinance be adopted
 authorizing the construction of 10,800 ft. of 4" C. I. Pipe and 12,883 ft.
 of 6" C. I. Pipe at a cost of not to exceed \$18,500.- which is in
 accordance with the estimate of the City Engineer.

Adjourned.

Ordinance No. 1089.

An ordinance directing the Board of Public Works of the City of San Diego, California, to advertise for bids and let a contract for lighting the streets, avenues and parks of said city, with electric lights, for a period of one year, beginning on the first day of April, 1902.

Be It Ordained, By the Common Council of the City of San Diego, as

follows:

Section 1. That the Board of Public Works of the City of San Diego, California, be and said Board is hereby instructed and directed, immediately after the approval of this ordinance, to advertise for at least ten days for bids and let a contract to the lowest responsible bidder, for lighting the streets, avenues and parks of said City of San Diego with electric lights, for a period of one year, beginning on the 1st day of April, 1902, and ending on the 31st day of March, 1903.

The said notice and advertisement shall call for bids, naming the price per month, per arc lamp, for fifty-eight arc lamps of two thousand candle power each, to be placed upon towers within said City, located and described as follows, viz:-

One iron tower, 125 feet high, located at the intersection of Fourth and Cedar Streets, upon which tower there shall be placed four of such arc lamps:

One iron tower, 125 feet high, located at the intersection of A and India Streets, upon which tower there shall be placed four of such arc lamps;

One iron tower, 125 feet high, located at the intersection of "B" and Twelfth Streets, upon which tower there shall be placed four of such arc lamps;

One iron tower, 125 feet high, located at the intersection of Thirteenth and "H" Streets, upon which there shall be placed four of such arc lamps;

One iron tower, 125 feet high, located at the intersection of Twentyfirst and "J" Streets, upon which there shall be placed four of such arc lamps;

One iron tower, 125 feet high, located at the intersection of Twenty-eighth Street and National Avenue, upon which there shall be placed four of such arc lamps:

One iron tower, 125 feet high, located at the intersection of Beardsley Street and Milton Avenue, upon which there shall be placed four of such arc lamps:

One iron tower, 125 feet high, located at the intersection of Third and Juniper Streets, upon which there shall be four of such arc lamps:

Said poles and arms to be constructed and erected in a manner similar to the poles and arms now in use by the San Diego Gas and Electric Light Company in lighting the said City of San Diego with electric lights; provided, that the light at the intersection of Eighth and "E" Streets shall be suspended on a wire in the center of the intersection of the said eighth Street and "E" Street at least 25 feet above the ground.

Said notice and advertisement shall also call for bids naming the price per month, per light, for sixteen (16) incandescent electric lights to be placed on the iron posts in front of the City Hall, six of said incandescent lights to be placed on the iron posts on Fifth Street, and Ten of said incandescent lights to be placed on the iron posts on "G" Street.

All lights to be run on what is known as the "Moon Schedule" except the said incandescent lights, which shall be lighted on every night until twelve o'clock midnight.

Said notice and advertisement shall also require all bidders to name terms and conditions upon which additional lights to those above mentioned will be supplied during said time, and that the successful bidder, upon entering into a contract, will be required to give a bond to said city in the sum of at least five thousand dollars, with two or more sureties, for the performance and also for the protection of the said City against all damages

costs, or expensed on account of damage to person or property, or for the use or infringement of any patents, or upon any account whatever. Provided, that said Board of Public Works, before awarding the contract, or entering into such a contract, shall refer any and all bids received pursuant to said advertisement, to this Common Council, and said Board shall not award said contract, or enter into such a contract, unless further authorized by this Common Council, but shall reject any and all bids received unless this Common Council shall, within twenty days after said bid or bids shall have been so referred to it, authorize the awarding of said contract, and the execution of a contract therefor.

Section 2. That this ordinance shall take effect and be in force from and after its passage and approval.

Section 3. That the City Clerk of the said City of San Diego, be, and he is hereby authorized and directed, immediately after the approval of this ordinance, to publish, or cause the same to be published once in the City official newspaper of said City, to-wit: the San Diego Union and Daily Bee.

City Clerk and Auditor's Certificate Attached.

Approved February 25th 1902.

The Secretary was directed to prepare an advertisement in accordance with the foregoing ordinance.

Ordinance No. 1090.

An Ordinance Establishing the Water Rates in the City of San Diego, California, for the Year Beginning July First 1902, and ending June 30th, 1903.

Be it ordained, by the Common Council of the City of San Diego, as follows:

Section 1. That the rates and compensation to be collected for water furnished by the City of San Diego, California, to the inhabitants thereof for family, private, and all other purposes for the year commencing July 1st, 1902, and ending June 30th, 1903, are hereby fixed as follows, to-wit:

BATHS AND CLOSETS.

1. Bath tubs in private residences, 25 cents each per month.
2. Bath tubs, public, \$1.25 each per month.
3. Water closets in business houses, \$1.00 per month for each water closet, and 25 cents per month for each urinal in said business houses.
4. Water closets in private residences, 25 cents per month for each water closet.
5. Water closets, public, \$2.00 each per month, and for each urinal, 50 cents per month.

BUSINESS HOUSES, OFFICES, ETC.

6. Barber shops, single chair, 75 cents per month; each additional chair, 25 cents per month.
7. Business offices, 75 cents per month.
8. Rooms in second and third stories occupied as offices, for each room, per month, 20 cents.
9. Dental rooms, \$2.00 per month.
10. Drug stores, \$3.00 per month.
11. Photograph galleries, \$5.00 per month.
12. Stores and business houses employing not to exceed 3 persons; \$1.00 per month, and for each additional person, 15 cents per month.
13. Warehouses, \$3.00 per month.

FAMILIES.

14. Dwellings, tenements, flats and other apartments, the same being occupied by not more than three persons, \$1.00 per month, and for each additional person, 15 cents per month.

HOTELS, RESTAURANTS, ETC.

15. Boarding-houses, in addition to family rates, 15 cents per month for each person.
16. Coffee houses, open day and night, \$3.50 per month.
17. Hotels, in addition to family rates, 15 cents per month for each bed.

The keepers of hotels, lodging-houses and boarding-houses shall furnish to the Board of Public Works of said City (under oath if required) a correct list of the number of persons in his or their families, and the number of lodgers.

18. Lodging-houses, in addition to family rates, 10 cents per month for each bed.
19. Restaurants and eating houses, \$2.50 per month.
20. Saloons, \$3.50 per month.

IRRIGATION.

21. For water to be used for irrigating one-half acre and under one acre, 8 cents per 1,000 gallons; for one acre and under two acres, 6 cents per 1,000 gallons; for two acres or more, 4 cents per 1,000 gallons; to be measured by meter, to be placed at the expense of the party to whom the water is furnished, for which a charge of \$5.00 shall be made, such acreage to include town lots where there is a sufficient number of lots in one body or tract collectively, to make one-half acre or more; provided, that where meter rates are charged for irrigation under this section, no extra charge shall be made for domestic, family or household use; and provided further, that the rates herein specified shall apply only to the irrigation of lands cultivated for the purpose of making a profit or livelihood, and not to irrigation for ornamental purposes; provided, further, that no person, company or corporation shall be entitled to the above rates for irrigation unless the above quantities of land are actually being cultivated and irrigated; provided, also, that the rate for water furnished for the irrigation of cemeteries shall be 4 cents per 1,000 gallons.

22. Irrigation of lawns, trees, shrubbery, etc., 1 cent per month for each and every month in the year, for every front foot, including the irrigation of sidewalks in front of the lot, provided, that said rate of 1 cent per month for every front foot shall not apply to acre property, or to any property except to town lots.

And provided further, that said rate of 1 cent per month for every front foot shall not apply to acreage property, or to any property except to town lots not considered as acreage.

LIVERIES, ETC.

23. Feed yards, \$5.00 per month.
24. Horse and carriage, 35 cents per month, and 20 cents per month for each additional horse.

25. Livery, stables, including carriage washing, for each horse, 35 cents per month.

26. Horses, mules, and cows, each 20 cents per month.

METER RATES.

27. The rate for water furnished to consumers through meters, except as otherwise herein provided, is fixed as follows: 20 cents per 1,000 gallons.

28. Where water is furnished for steam engines, gas machines or works, wash houses (Chinese or otherwise), or for any other purpose whatever, and no compensation is herein fixed therefor, and satisfactory rates cannot be agreed upon, meter rates shall be charged for the water so furnished, to be measured by a meter.

The said City shall be entitled to collect a minimum rate of \$1.00 per month where water is furnished, at meter rates, and an additional minimum sum of 25 cents for each additional occupied house and each occupied flat supplied with water through the same meter.

Provided that such minimum charge shall entitle the consumer to, use no more than 5,000 gallons per month for one house or flat and 1,250 gallons more for each additional house or flat.

That said City shall be entitled to collect a minimum meter rate of \$1.00 per month where water is furnished at meter rates for each meter supplying any business block or business building, and 25 cents for each additional ground floor store or business room or place, in any business block or business building, supplied from the same meter, when occupied. Provided that such minimum charge shall entitle the consumer to use no more than 5,000 gallons per month for one business block, and 1,250 gallons more for each additional store or business room.

29. Water shall be furnished and delivered by meter measurement to shipping lying alongside of any of the wharves on the water front, where water pipes of mains are laid, upon application being made therefor, at the following rates: 75 cents per 100 cubic feet, or \$1.00 per 1,000 gallons. Water shall be supplied and delivered to water supply boats at any of the wharves on the water front above mentioned, for the purpose of supplying shipping in the bay of San Diego, upon application being made therefor, at the rate of 37½ cents per 100 cubic feet, or 50 cents per 1,000 gallons. No water boat, furnishing and supply water to the shipping lying at anchor within the limits of the waters of the city of San Diego, shall charge a rate to exceed \$3.00 per 1,000 gallons.

MISCELLANEOUS.

30. Bakeries, for each 25 barrels of flour, \$2.00 per month.

31. Water for hydraulic elevators and motors in hotels and stores, 6½ cents per 1,000 gallons, to be measured by meter to be placed and connected at the expense of the party to whom water is furnished, for which a charge of \$5.00 shall be made.

32. No charge shall be made for any pipe or fire apparatus connected with the mains where such apparatus is used only in case of fire. If any person shall at any time use such fire apparatus for other than fire purposes, the said Board of Public Works shall have the right to charge and collect from such person the sum of \$50 for said fire apparatus connection for said year.

33. Horse-shoeing only, \$1.50 per month.

34. Soda fountains, 50 cents per month each; each jet 50 cents per month; each tumbler washer, 50 cents per month.

35. Persons slacking lime, 15 cents per barrel; and cement, 15 cents per barrel; for wetting brick, 15 cents per 1,000.

36. Wagon and blacksmith shops, including horse-shoeing, \$2.50 per month.

37. Breweries, 12 cents per 1,000 gallons.

38. That water furnished to all charitable institutions, such as "The Helping Hand," "King's Daughters' Boarding Club," "Seamans' Rest," and "Children's Home," shall be \$1.00 per annum; provided, that if water is wasted by any such institution, meter rates shall thereafter be charged. Provided, that this provision shall not apply to hospitals and sanitariums.

GENERAL PROVISIONS.

Section 2. Any water rate payer shall have the right to demand a meter and to pay a meter rate upon tendering the said Board of Public Works the sum of \$5.00 for placing and connecting the meter with the supply pipe of such water rate payer; upon such demand or payment or the tender of such sum by any water rate payer, it shall be the duty of the said Board of Public Works to furnish, place, and maintain a meter; provided, that any rate payer who has heretofore paid for placing and maintaining a meter shall not be obliged to pay an additional sum therefor.

The said Board of Public Works shall have the right, at any time, to place a meter on the service pipe of any water consumer and charge meter rates for water used through it; provided, that such meter shall be placed and maintained at the expense of the said City.

Shutlights

Water Rates

Upon demand of any consumer and the payment or tender of payment of the sum of three (\$3) dollars, the said Board of Public Works shall place and maintain on the said consumer's supply pipe an air valve, in connection with the meter, of the latest and most improved pattern.

Section 3. The use of water through standing irrigators, automatic sprinklers, and through hose not held in the hand, for irrigating lawns, gardens and ornamental shrubbery, is hereby prohibited, during the months of July, August, September, October and November, 1902, and May and June, 1903, except between the hours of six and eight in the morning and five and eight in the evening; and in case of a violation of this rule, the water may be shut off of the consumer, or consumers, so violating, and not turned on again until a fine of \$1.00 is paid for the first offense, and double this amount for each subsequent offense; the said fine to be collected by the said Board of Public Works; provided, that this section shall not apply to water furnished at meter rates to those who irrigate for the purposes of profit or livelihood.

Section 4. That all flat rate payers must pay their water bills for the current month on or before the 20th day of each month; that all meter rate payers shall pay their water bills on or before the 20th day of each month for water furnished for the preceding month; that the said Board of Public Works be, and said Board of Public Works is hereby authorized and directed, to shut off the water from the premises unless such bills are so paid; and not to turn the same on again until the payment of all arrearages and amounts due, and the sum of one dollar for turning on the water; that no water tap or service pipe connected with said system of water works shall be placed nearer than two feet from any sewer pipe ditch in said city.

Section 5. Any employe of the Water Department of said City, when directed by the said Board of Public Works, under this ordinance, shall be allowed free access to make personal examination of the premises of any applicant for or consumer of water for the purpose of designating the rate established and for the inspection of water pipes and apparatus.

Section 6. If said City shall, for twelve or more consecutive hours in the same month, fail to supply water to said consumers, then a reduction shall be made from the rates herein fixed and allowed said person, company, or corporation, for the time of the failure to supply said water; said reduction to be made only for the time of the failure so to supply, and in the same proportion that the number of days in which the failure to supply bears to the total number of days contained in the month during which said failure to supply water occurs.

Section 7. When water is furnished by meter, the meter shall be read at monthly intervals or as near monthly intervals as the ordinary course of business will permit.

Section 8. That all water rates shall be paid by the owners of the property upon which water is used, or upon a written guarantee to be signed by the owner of the property that the water furnished upon said property shall be paid for at the rates fixed by this ordinance; that in the event that the owner of the property refuses to agree to pay for the water and refuses to execute such guarantee, then the said Board of Public Works shall have the right to demand, as security for the payment of the monthly water bills when the same is not paid in advance, a sum sufficient to pay the water bill for

water used on said property for any month during the year.

Section 9. That this ordinance shall take effect and be in force from and after its passage and approval.

Section 10. That the City Clerk of the said City of San Diego, be, and he is hereby authorized and directed, immediately after the approval of this ordinance, to publish or cause the same to be published three (3) times in the City official newspaper of said City, to-wit: the San Diego Union and Daily Bee.

Passed and adopted by the Board of Delegates of the City of San Diego, California, this 24th day of February, 1902, and signed in open session thereof by the President of said Board February 24th, 1902.

W. H. C. ECKER,

President of the Board of Delegates of the City of San Diego, California.

Passed and adopted by the Board of Aldermen of the City of San Diego, California, this 24th day of February, 1902, and signed in open session thereof, by the President of said Board, February 24th, 1902.

DAN F. JONES,

President of the Board of Aldermen of the City of San Diego, California.

I hereby approve the foregoing Ordinance this 25th day of February, 1902.

FRANK P. FRARY,

Mayor of the City of San Diego, California.

Attest:

CAROL D. GOLDMAN, City Clerk.

Water Rates

Said Ordinance No 1090 was ordered placed on file.

Ordinance No. 1092.

An ordinance providing for the construction of a water pipe line on Twenty-second Street in the City of San Diego, California, from "H" Street to "J" Street.

Be It Ordained, By the Common Council of the City of San Diego, as follows:

Section 1. That the Board of Public Works of the City of San Diego, California, be, and said Board of Public Works is hereby authorized and directed to lay a two (2") inch water pipe on Twenty-second Street, connecting the six (6") inch water pipe on "H" Street with the six (6") inch water pipe on "J" Street; provided, that the expense thereof shall not exceed the sum of \$113.20. Said work to be done according to specifications to be prepared by the said Board of Public Works.

Section 2. That this ordinance shall take effect and be in force from and after its passage and approval.

Auditor ^{and} Clerks Certificate Attached.

Adopted February 25th 1902.

Supt. of Water Works Department was directed to comply with the provisions of the foregoing ordinance.

Ordinance No. 1093.

An ordinance providing for the sale of a ten-horse power gasoline Engine and the purchase of a new sixteen-horse power gasoline engine for the use of the water Department of the City of San Diego, California.

Be It Ordained, By the Common Council of the City of San Diego, as follows:

Section 1. That the Board of Public Works of the City of San Diego, California, be, and said Board of Public Works is hereby authorized and directed to sell at public auction, to the highest bidder for cash, one ten-horse power gasoline engine, (Sterne Bros. make), after publishing a notice for five days in the city official newspaper of said city, the same being unfit for the use of said City; provided that the said Sterne Bros. engine shall not be sold for less than \$475.

Section 2. That the said Board of Public Works be and said Board of Public Works is hereby authorized and directed, to advertise for bids and let a contract for the furnishing and supplying to the said city of San Diego one sixteen-horse power gasoline engine for the use of the Water Department of the City of San Diego, California; provided, that the expense thereof shall not exceed the sum of \$700.00.

Section 3. That this ordinance shall take effect and be in force from and after its passage and approval.

Ordinance No. 1096.

An Ordinance granting permission to K. O. Sessions to use and occupy certain portions of the City Park in the City of San Diego, California, for the purpose of growing trees, shrubbery, etc., thereon, and for the developing and cultivation of said City Park, for a period not exceeding five (5) years.

Be It Ordained, By the Common Council of the City of San Diego,

as follows:

K. O. Sessions
granted
5 years use
portion of
City Park

Section 1. That K. O. Sessions have and she is hereby given permission to use and occupy, for a term not exceeding five (5) years, the following described portion of the City Park in the City of San Diego, California, described as follows, to-wit:

Beginning at a point on the north line of the said City Park 200 feet east from the corner common to said Park and Pueblo Lots 1122, 1123 and 1124; thence running east along the north line of the said City Park 900 feet; thence south 1550 feet; thence west 900 feet; thence north 200 feet distant and parallel with the west line of the said City Park 1550 feet to the point of beginning, containing 32.02 acres, for the purpose of growing trees, shrubbery, and plants thereon, and for the development and cultivation of the said City Park upon the following conditions and limitations, to-wit:

First-- That the said K. O. Sessions shall only use said land for the cultivation of ornamental trees, shrubbery, plants, palms, and flowers.

Second-- That the said K. O. Sessions will annually care for the 1000 trees now growing upon the land that have been planted during the past ten years for the City, and will also furnish annually to said City 300 trees in crows or boxes to be used by the said City in park, street, plaza, or school ground planting.

Third-- That the said City shall be at no expense for fencing, or for placing water pipes, or furnishing water on said land.

Fourth-- That said ground shall be at all

times open for public park purposes to the public (on foot).

Fifth-- That the said City shall have the right at any time to lay out driveways, roads, or boulevards through said land in use, upon giving the said K. O. Sessions sixty (60) days notice to remove all plants, trees, shrubs, and flowers necessary for the construction and use of said driveways, roads, and boulevards.

Sixth-- That should the said City at any time repeal this ordinance, the said K. O. Sessions shall have the right to remove all plants and trees, other than those set out for the City, and all improvements, such as fencing, piping, and nursery houses.

Seventh-- That said K. O. Sessions shall have the right to cultivate and grow upon said land, in addition to the plants and trees furnished as aforesaid to the City, plants and cut flowers for sale.

Section 2. That a failure to comply with any of the above conditions shall work a forfeiture of the rights and privileges thereby granted.

Section 3. That the Common Council reserves the right to repeal, amend, or modify this ordinance at any time, in the event of such action by the said Common Council, the said K. O. Sessions shall be entitled to a reasonable notice not exceeding six months to remove from said property all plants and trees other than those set out for the City, and all improvements, such as fencing, piping, and nursery houses.

Section 4. That said land and improvements made thereon in accordance with the provisions of this ordinance shall be at all times under the control and supervision of the Board of Public Works of said City, whose duty it shall be to see that the conditions and limitations contained herein are enforced and complied with by the said K. O. Sessions.

Section 5. That the rights and privileges granted hereby to the said K. O. Sessions shall not be transferred or assigned.

Section 6. That this ordinance shall take effect and be in force from and after its passage and approval.

Section 2. That this ordinance shall take effect and be in force from and after its passage and approval.

Auditor's ^{and} Clerks Certificate Attached.

Approved March 4th 1902.

Said ordinance was ordered placed on file.

The following joint resolution was received from the Honorable Common Council. Viz:-

Joint Resolution No. 1389.

Whereas, The City of San Diego, California, through its Board of Public Works, entered into a contract with Solon Bryan on the 21st day of January, 1902, wherein and whereby said Solon Bryan agreed to furnish all labor and material necessary for the construction and to construct a water pipe line on "J" street in the City of San Diego, California, from Sixteenth Street to Seventeenth Street, and on Seventeenth Street from "I" Street to "J" Street; and

Whereas, the said Solon Bryan has asked that the time for the completion of said contract be extended for ninety (90) days; and

Whereas, the said Board of Public Works of said City has recommended to this Common Council that the time for the completion of said contract be extended for ninety (90) days; and

Whereas, the said Solon Bryan entered into a contract with the said City of San Diego, through its said Board of Public Works, on the 7th day of February, 1902, wherein and whereby he agreed to furnish all labor and material necessary for the construction and to construct a water pipe line on Twenty-fifth Street in the City of San Diego, California, from "B" Street to the South line of the City Park, and in the said City Park where the said Twenty-fifth Street adjoins the said City Park, and adjacent thereto, as set forth in said contract; and

Whereas, the said Solon Bryan has petitioned the said Board of Public Works of said City for an extension of time for ninety (90) days within which to complete said contract; and

Whereas, the said Board of Public Works has recommended to this Common Council that said extension of time be granted,

Therefore, Be It Resolved, By the Common Council of the City of San Diego, as follows:

That the time within which the said contracts are, and each of them is, to be completed, as specified and set forth therein, be and the same is hereby extended for ninety (90) days from and after the date of the completion thereof as set forth

90 days
granted to
Solon Bryan
on his
contracts.

Crude Oil & Distillate contracts executed & Bonds approved. The agreements between Wyman Guendike Co. and the City of San Diego for the furnishing said City of San Diego with 168,000 gallons of Crude Oil and 18,000 gallons of Distillate were this day executed and, therefor in the sum of \$150,000 each with W. Flewelyn and George M. McKengie as sureties on each, were approved.

Upon Motion being duly seconded the following resolution was offered: Vis:

Be It Resolved, By the Commissioners of the Board of Public Works of the City of San Diego, as follows:

That the Commissioners of the Board of Public Works of the City of San Diego, California, hereby determines, declares, and finds that the remains of the building, its appurtenances and contents which stands at the northeast corner of "H" and Arctic Streets in the said City of San Diego, are in a condition to endanger, and do endanger the persons and property in the immediate vicinity thereof, by reason of the fact that the said building, appurtenances, and contents are on fire, and have been on fire since the 25th day of February, 1902, and the said building, appurtenances, and contents are hereby condemned by the said Board of Public Works, and all parties owning or having any interest in said property so condemned, or any part thereof, are hereby notified, and Required to remove said building, appurtenances, and contents, or to wholly extinguish said fire within two (2) days from the service of this Resolution and Notice.

And all such owners and parties having any interest in said property are further notified hereby that unless said fire is wholly extinguished, or said building removed so as to entirely abate said danger within the time fixed in this Resolution and Notice, then the said Board of Public Works will at once cause the removal of said building appurtenances and contents at the cost and expense of such owners and said claimants.

The Secretary of the Board of Public Works is hereby authorized and directed to serve a copy of the above and foregoing Resolution and Notice upon each one of the parties owning or claiming any interest in said property so condemned, and also upon all insurance companies carrying any insurance upon said building, or any part or portion thereof, and to post a copy of said Notice in some conspicuous place upon the said property so condemned."

Ordinance No. 1099.

An Ordinance Prescribing Certain Regulations for the Laying of Sidewalks and Curbs in the City of San Diego, California.

Be it ordained, by the Common Council of the City of San Diego, as follows:

Section 1. That it shall be and is hereby declared to be unlawful for any person to lay or put in place any sidewalk or curb in or upon any street in the City of San Diego, California, without first obtaining permission so to do from the Common Council of the said City of San Diego. Any person desiring to construct a sidewalk or curb upon any street in the City of San Diego, California, shall make application in writing to the said Common Council of said City for permission so to do; said application shall state the place where said sidewalk or curb is to be laid, and the number of feet of said sidewalk or curb to be constructed. Said applicant shall deposit with the Board of Public Works of said City the sum of \$10.00 for each fifty feet of sidewalk, and the sum of \$10.00 for each fifty feet of curb which he desires to construct, as security for the removal of all debris and surplus material from the street in said City when said sidewalk or curb has been constructed, and that said sidewalk and curb will be laid to the official grade of said street.

When said application has been granted by the said Common Council and said sum so deposited with the said Board of Public Works, said Board of Public Works shall issue a permit for the construction of said sidewalk or curb, and shall immediately notify the City Engineer of said City of the issuance of such permit, and thereafter the said City Engineer shall set the grade stakes for the construction of such sidewalk and curb, which stakes shall be to the official grade of said street; and thereafter said sidewalk and curb shall be laid and constructed according to said grade stakes and according to the official grade of said street, and not otherwise.

After said sidewalk and curb shall have been so constructed, the City Engineer shall survey said sidewalk and curb for the purpose of ascertaining whether said sidewalk and curb has been laid to the official grade of said street, and according to the stakes set therefor. If the said City Engineer shall find that the said sidewalk and curb has been laid to the official grade of said street, he shall issue to the person for whom the said sidewalk and curb has been laid a certificate in writing certifying that fact, but he shall not issue any certificate if he finds that said sidewalk and curb has not been laid to the official grade of said street; when the said City Engineer issues such certificate, the said Board of Public Works shall thereafter return said deposit, provided, that said surplus materials and debris has been removed from said street upon which said sidewalk and curb has been so constructed. If the said City Engineer shall find that the said sidewalk and curb has not been laid to the official grade of said street, he shall immediately notify the said Board of Public Works of that fact, and said deposit shall not be returned until said sidewalk and curb has been laid to the official grade of said street, and a certificate issued to that effect by the said City Engineer.

The said City Engineer shall charge the regular fees for making such survey and setting such stakes as prescribed by the ordinances of this City, except that no extra fees shall be charged for checking up work after the completion thereof. This ordinance shall not apply to work done under a contract by the Superintendent of Streets under the general street law of the State or California.

Section 2. That any person who shall violate any of the provisions of this ordinance shall be deemed guilty of a misdemeanor, and, upon conviction thereof, shall be punished by a fine not exceeding the sum of \$100.00, or by imprisonment in the city jail of said City for a period not exceeding fifty days, or by both such fine and imprisonment.

Section 3. That this ordinance shall take effect and be in force from and after its passage and approval.

Section 4. That the City Clerk of the said City of San Diego, be, and he is hereby authorized and directed, immediately after the approval of this ordinance, to publish, or cause the same to be published, once in the city official newspaper of said City, to-wit: the San Diego Union and Daily Bee.

Passed and adopted by the Board of Delegates of the City of San Diego, California, this 17th day of March, 1902, and signed in open session thereof by the President of said Board, March 17th, 1902.

W. H. C. ECKER,
President of the Board of Delegates of the City of San Diego, California.

Passed and adopted by the Board of Aldermen of the City of San Diego, California, this 17th day of March, 1902, and signed in open session thereof by the President of said Board, March 17th, 1902.

DAN F. JONES,
President of the Board of Aldermen of the City of San Diego, California.

I hereby approve the foregoing Ordinance this 18th day of March, 1902.

Minutes

The minutes of last regular meeting were read and approved.

The following Joint Resolution from the Honorable Common Council was received and ordered placed on file. Viz:-

Joint Resolution No. 1394.

Whereas, the City of San Diego, California, through its Board of Public Works, entered into a contract with Solon Bryan on the 29th day of January, 1902, wherein and whereby the said Solon Bryan agreed to furnish all the labor and material necessary for the construction and to construct a twenty-eight (28") inch wooden water pipe line eight hundred feet (800ft) in length on El Cajon Avenue (formerly University Boulevard) from the east line of Arizona Street to the center line of Louisiana Street, in the City of San Diego, California; and

Extension
of
60 days
time on
Contract.
Solon Bryan

Whereas, the said Solon Bryan has asked that the time for the completion of said contract be extended ninety (90) days, for the reason that the steel bands for the wood pipe cannot be obtained on the coast and must be shipped from the East; and
Whereas, the said Board of Public Works of said City has recommended to this Common Council that the time for the completion of said contract be extended ninety (90) days

Therefore, Be It Resolved, By the Common Council of the City of San Diego, as follows:

That the time within which the said contract was to be completed, as specified and set forth therein, be and the same is hereby extended for sixty (60) days from and after the date of the completion thereof as set forth in said contract.

Ordinance No. 1108.

An Ordinance Authorizing and Directing the Board of Public Works of the City of San Diego, California, to accept the bid of and enter into a contract with the San Diego Gas and Electric Light Company for lighting the Streets, Avenues, and Parks of the said City of San Diego with Electric Lights for a period of one year, Beginning on the First day of April, 1902.

Be It Ordained, By the Common Council of the City of San Diego, as follows:

Section 1. Whereas, the Common Council of the City of San Diego, California, by Ordinance No. 1089, of the ordinances of the said City of San Diego, approved on the 25th day of February, 1902, authorized and directed the Board of Public Works of said City to advertise for bids for lighting the Streets, avenues, and parks of said City with electric lights for a period of one year, beginning on the first day of April 1902, and ending on the 31st day of March, 1903; and

Whereas, the said Board of Public Works, pursuant to said ordinance, caused a notice calling for bids to be published, as above called for in said Ordinance No. 1089, in the city official newspaper of said City for the time and in the manner provided for in said Ordinance; and

Whereas, pursuant to said notice, the San Diego Gas and Electric Light Company on the 24th day of March, 1902, filed with the said Board of Public Works its Bid for lighting the streets, avenues, and parks of said City with electric lights for a period of one year, commencing on the first day of April, 1902, at and for the following sums, to-wit:

170 arc lamps of 2000 candle power each, 58 of which shall be located upon the bidders towers as specified and called for in the notice calling for proposals for public lighting, and 112 of which shall be placed on iron arms 22 feet in length extended from wooden poles 27 feet high with one such lamp on each of said arms, as specified and called for in said notice.

All of said lights to be run on what is known as "moon schedule", all for the sum of nine dollars and fifty cents (\$9.50) per lamp per month, making a total of sixteen hundred and fifteen dollars (\$1615.00) per month payable monthly, for all of said lights.

Said bidder shall supply additional lights to those above mentioned and of the same candle power to be run on same schedule, upon the following terms and conditions:

On towers and masts of not less than three lamps on each tower or mast located within one mile from the intersection of Fifth and F. Streets for \$9.50 per lamp per month, payable monthly, and 25% additional for an additional mile or fraction

Authority
to
let contract
lighting City

of a mile beyond said mile limit; a single lamp of similar candle power upon poles or mast arms to be run on the aforesaid schedule, will be furnished at \$9⁵⁰ per lamp per month, provided the same be placed at no greater distance than two blocks from the present line, and 10% additional for each 1000 feet or fraction thereof beyond said limit of two blocks.

Also 16 incandescent electric lights to be placed on the iron posts in front of the City Hall; six of said incandescent lights to be placed on the iron posts on Fifth Street, and ten of said incandescent lights to be placed on the iron posts on G Street, all of said incandescent lights to be lighted on every night until twelve o'clock midnight for the sum of one dollar and twenty five cents (\$1.25) per light per month or a total of twenty dollars (\$20⁰⁰) per month for all of said sixteen incandescent lights, payable monthly.

And Whereas, the said San Diego Gas and Electric Light Company was the lowest responsible bidder; and

Whereas, the bid of said Company was the only bid made for furnishing said lights; and

Whereas, said Company has complied with the provisions of said Ordinance No. 1089, hereinbefore referred to, and the notice calling for proposals for public lighting pursuant thereto; and

Whereas, said bid has been referred to the Common Council of said City, as provided by the terms of said Ordinance No. 1089 hereinbefore referred to, for approval,

Now, Therefore, Be It Further Ordained, By the Common Council of the City of San Diego, as follows:

That the said Board of Public Works of said City be and said Board of Public Works is hereby authorized and directed to accept the said bid of and enter into a contract with the said San Diego Gas and Electric Light Company for lighting the streets, avenues, and parks of said City with electric lights for a period of one year, beginning on the first day of April, 1902, and ending on the 31st day of March, 1903, for the sum of money mentioned in said bid, and upon the terms and conditions specified in said Ordinance No. 1089, hereinbefore referred to.

Section 2. That this ordinance shall take effect and be in force from and after its passage and approval.

Dated March 24th 1902.

Auditors Certificate Attached.

McKenzie Flint
and Winsby
apply for 90 days
extension of time,
furnishing
C.I. Pipe.

Under date of April 19th Messrs. McKenzie, Flint & Winsby make application for 90 days extension of time on their contract for furnishing Cast Iron Water Pipe for 5th Street and Point Loma Lines.

The Board did upon said day direct the Secretary to address the following communication to the Common Council: Viz:-

"In relation thereto will say that the notice calling for bids for furnishing said pipe provided for the delivery of said pipe at San Diego, to commence on or before the 21st day of April, 1902, and completed on or before the 7th day of June 1902. Proposals in accordance with said notice were received on March 6th 1902.

McKenzie, Flint & Winsby were the lowest bidders, and they were thereupon, at said time, awarded the contract for furnishing said pipe at their proposal. The contract therefor, was however, not actually executed until March 15th 1902.

Board
Recommend
30 days.

In view of the foregoing facts, we are of the opinion that 30 days should be sufficient time within which to comply.

We would therefore recommend that they be allowed 30 days additional time within which to complete their contract."

Suit
threatened

James C. Wadham Attorney for Mrs. Webb who resides at 16th Street and Logan Avenue notifies this Board under date of April 21st 1902, that he will institute two suits and prosecute the same, for failure of the City to remove the obstructions and permit the water to flow in its natural channel.

Supt. of
Streets to
make repairs

Said communication was ordered placed on file and the Supt. of Streets directed to make the necessary repairs to protect said property.

Certificate
from City Engr.
laying 5th St.
pipe line.

The City Engineer files a certificate certifying that the work of laying the cast iron water pipe in Fifth Street 1286 feet South, from the South line of University Avenue has been completed according to the terms of the contract made Feb'y 24th 1902, with McKenzie, Flint & Winsby.

Rec. Common Council Adv. Stationery
 The Secretary was directed to recommend to the Common Council that they authorize the Board to advertise for bids for furnishing the City with Stationery.

The following ordinance was received from the Honorable Common Council: Viz:-

Ordinance No. 1120.

An Ordinance Prescribing Certain Regulations for the Laying of Sidewalks and Curbs in the City of San Diego, California.

Be it ordained, by the Common Council of the City of San Diego, as follows:

Section 1. That it shall be and is hereby declared to be unlawful for any person to lay or put in place any sidewalk or curb in or upon any street in the City of San Diego, California, without first obtaining permission so to do from the Board of Public Works of said city. Any person desiring to construct a sidewalk or curb upon any street in the said City of San Diego shall make application in writing to the said Board of Public Works for permission so to do; said application shall state the place where said sidewalk or curb is to be laid, and the number of feet of said sidewalk or curb to be constructed.

Said applicant shall deposit with the said Board of Public Works the sum of ten dollars (\$10.00) for each one hundred (100) feet of sidewalk and curb, or fractional part thereof where the applicant desires to construct both a sidewalk and curb at the same time in front of the same property, or ten dollars (\$10.00) for each one hundred (100) feet of sidewalk, or fractional part thereof, where the applicant desires to construct a sidewalk, without constructing a curb at the same time in front of the same property, or ten dollars (\$10.00) for each one hundred (100) feet of curb, or fractional part thereof, where the applicant does not desire to construct a sidewalk at the same time in front of the same property, as security for the removal of all debris and surplus material from the street in said City when said sidewalk or curb has been constructed, and also as security that said sidewalk and curb shall be laid to the official grade of said street.

Upon said application being made and said sum being so deposited with the said Board of Public Works, the said Board of Public Works shall issue a permit to the applicant for the construction of the work described in the application, and shall immediately notify the City Engineer of said City of the issuance of such permit, and thereafter the said City Engineer shall set the grade stakes for the construction of the said work, which stakes shall be to the official grade of said street; and thereafter said work shall be constructed according to the said grade stakes and according to the official grade of said street, and according to the specifications prescribed for doing such work by the ordinances of said City in force at the time such work is done, and not otherwise.

After said work shall have been so constructed, the said City Engineer shall survey the same for the purpose of ascertaining whether said work has been constructed to the official grade of said street, and according to the stakes set therefor. If the said City Engineer shall find that the said work has been constructed according to the official grade of said street, he shall issue, to the person for whom the said work has been constructed, a certificate in writing certifying that fact, but he shall not issue any certificate if he finds that the said work has not been constructed according to the official grade of said street; when the said City Engineer issues such certificate, the said Board of Public Works shall thereafter return said deposit, provided, that said surplus materials and debris have been removed from said street upon which said work has been so constructed. If the said City Engineer shall find that the said work has not been constructed according to the official grade of said street, he shall immediately notify the said Board of Public Works of that fact, and said deposit shall not be returned until said work has been constructed according to the official grade of said street, and a certificate issued to that effect by the said City Engineer.

Provided, however, that no permit shall be issued by the said Board of Public Works for the construction of bituminous rock or asphalt sidewalks or wooden curbs; nor shall a permit be issued by said Board of Public Works for the construction of a concrete or other sidewalk or curb after a resolution of intention has been passed by the Common Council of said City to sidewalk or curb the portion of the street upon which the applicant desires to construct such sidewalk or curb, without special permission having been first had and obtained from the Common Council of said City.

The said City Engineer shall charge the regular fees for making such survey and setting such stakes as prescribed by the ordinances of this City, except that no extra fees shall be charged for checking up work after the completion thereof. This ordinance shall not apply to work done under a contract by the Superintendent of Streets under the general street law of the State of California, where an assessment is to be levied therefor.

Section 2. That Ordinance No. 1099, and all ordinances or parts of ordinances of said City in conflict herewith be and the same are hereby repealed.

Section 3. That any person who shall violate any of the provisions of this ordinance shall be deemed guilty of a misdemeanor, and, upon conviction thereof, shall be punished by a fine not exceeding the sum of one hundred dollars (\$100.00), or by imprisonment in the City jail of said City for a period of not exceeding fifty (50) days, or by both such fine and imprisonment.

Section 4. That this ordinance shall take effect and be in force from and after its passage and approval.

Section 5. That the City Clerk of the said City of San Diego, be, and he is hereby authorized and directed, immediately after the approval of this ordinance, to publish or cause the same to be published once in the City official newspaper of said City, to-wit: the San Diego Union and Daily Bee.

Passed and adopted by the Board of Delegates of the City of San Diego, California, this 5th day of May, 1902, and signed in open session thereof by the President of said Board, May 5th, 1902.

M. W. JENKS,
President of the Board of Delegates of the City of San Diego, California.

Passed and adopted by the Board of Aldermen of the City of San Diego, California, this 5th day of May, 1902, and signed in open session thereof by the President of said Board, May 5th, 1902.

M. J. PERRIN,
President of the Board of Aldermen of the City of San Diego, California.

I hereby approve the foregoing Ordinance this 6th day of May, 1902.

FRANK P. FRARY,
Mayor of the City of San Diego, California.

Special Meeting:-

The Board met in special Session there being Commissioners Cassidy and Davis present. Hakes, absent.

The Secretary called the meeting in pursuance to the following order, viz:-

"I, W. J. Davis, President of the Board of Public Works of the City of San Diego, California, good cause appearing to me therefor, do hereby call a special meeting of your Honorable Body for the 26th day of May, A. D. 1902, at the hour of four o'clock P.M. thereof, at your usual and accustomed place of meeting in the office of the said Board on the second floor of that building known as the "City Hall", situated on the southwest corner of Fifth and "G" Streets in said City.

The purpose for which said special meeting is called is to consider and act upon the bills of McKenzie, Flint & Winsby for \$3994.06 for water pipe furnished to the said City of San Diego, under a contract with the said City.

Frank H. Dixon, Secretary of the Board of Public Works is hereby directed and instructed to serve, or cause to be served, notices in writing of this call upon each and every one of the members of this Board; said notices to contain a statement of the time, place, and purpose of said special meeting."

In pursuance with the foregoing order the Secretary served the following notice, viz:-

"Pursuant to instructions received by me this day from Honorable W. J. Davis, President of the Board of Public Works of the City of San Diego, California, I hereby notify you that he, the said President of said Board, has this day called a special meeting of your Honorable Body for the 26th day of May, 1902, at the hour of four o'clock P.M. thereof, at your usual and accustomed place of meeting in the office of said Board on the second floor of that building known as the "City Hall", situated on the southwest corner of Fifth and "G" Streets in said City.

The purpose for which said special meeting is called is to consider and act upon the bills of McKenzie, Flint & Winsby for \$3994.06, for water pipe furnished to the said City of San Diego under a contract with said City.

And you are hereby notified that your

presence is desired at the time and place and for the purpose above mentioned." Served on Comrs. Cassidy & Davis 10. AM. May 26-1902, left notice at E. C. Stakes place business #1008 D. Street @ 10 30 AM. May 26-1902.

It was moved and seconded that the claim of McKenzie, Flint and Winsby for \$3994.00 be allowed less 25% in accordance with the terms of their contract with the City of San Diego, California, dated March 15th 1902.

Joint Resolution No. 1413.

Be It Resolved, By the Common Council of the City of San Diego,
as follows:

That permission be and is hereby granted to Grace B. Hatch
to construct a sewer running on Fourth Street from Juniper to Kalmia
streets in the City of San Diego, California, at her own expense, and without any
expense whatever to the said City of San Diego; the said City of San Diego to
acquire said sewer when the Board of Public Works of said City and the
Common Council of said City shall deem it advisable; provided,
that the same is constructed according to the specifications to be
prepared by the City Engineer of said City, and be laid according to the
grade stakes to be set by him, and under the supervision of the Superintend-
ent of sewers of said City.

Joint Resolution No. 1415.

Be It Resolved, By the Common Council of the City of San Diego,
as follows:

That permission be and is hereby granted to H. W. Putnam
to grade, at his own expense, to the official grade thereof, that portion
of Third Street, and the side walks thereof, in the City of San Diego,
California, east of the center line thereof in front of lots A. B. & C. in
Block 285, of Horton's Addition in said City; provided, that when
said grading shall have been so performed, the City Engineer of said
City shall issue a certificate setting forth the number of cubic
yards of cutting and filling made by the H. W. Putnam in said
grading, and certifying that the same is done to the established
grade of the said Third Street and to the center line thereof; and
thereafter, the said H. W. Putnam shall file the said certificate with
the Superintendent of Streets of said City, which certificate, the said
Superintendent of Streets shall record in a book kept for that purpose
in his office, and thereafter when the said Common Council orders the
grading of said street, or any portion thereof, including the said portion in
front of said lots, the said H. W. Putnam, or his successors in interest, shall
be entitled to credit on the assessment on said lots fronting on said
street for the grading thereof to the amount of cubic yards of cutting
and filling set forth in his said certificate.

3rd St.

Joint Resolution No. 1416.

Whereas, the City of San Diego, California, through its Board of Public Works entered into a contract with Solon Bryan on the 29th day of January, 1902, wherein and whereby the said Solon Bryan agreed to furnish all the labor and material necessary for the construction and to construct a twenty-eight (28") inch wooden water pipe line eight hundred (800) feet in length on El Cajon Avenue (formerly University Boulevard) from the east line of Arizona Street to the center line of Louisiana Street, in the City of San Diego, California; and

Solon Bryan
granted 30
days extension

Whereas, the said Solon Bryan has been granted an extension of sixty (60) days time for the completion of said contract, viz: to the 10th day of June, 1902; and

Whereas, the said Solon Bryan has asked that the time for the completion of said contract be extended thirty (30) days from the said 10th day of June, 1902, i. e. to the 10th day of July, 1902; and

Whereas, the said Board of Public Works has recommended that the time for the completion of the said contract be extended to the 10th day of July, 1902.

Therefore, Be It Resolved, By the Common Council of the City of San Diego, as follows:

That the time within which the said contract was to have been completed, as specified and set forth therein, be and the same is extended to July 10th 1902.

Clerks Certificate Attached.

Joint Resolution # 1420.

Be It Resolved, By the Common Council of the City of San Diego, as follows:

That permission be, and is hereby granted and given to M. G. Henzie, Flint + Wimsley to construct, erect and maintain on Block One hundred Eighteen (118), in Horton's addition, in the City of San Diego, Calif., one or more tanks for the storage of oil. Said tanks to be cylindrical in form, and to be constructed of steel, and of a capacity not to exceed fifty thousand (50,000) barrels each.

adopted June 16th 02.

Joint Resolution # 1421

Be It Resolved, By the Common Council of the City of San Diego, as follows:

Whereas, the City of San Diego, California, through its Board of Public Works entered into a contract with Solon Bryan on the 25th day of April, 1902, wherein and whereby the said Solon Bryan agreed to furnish all the labor and material (except the material furnished by the said City of San Diego, as in said contract specified) for the construction of a water pipe line running from the intersection of Riley and Jefferson Streets in Old Town to the north line of the United States Military reservation in said City;

And Whereas said contract provides that said work shall be completed on the 30th day of June, 1902; and

Whereas Solon Bryan has asked that the time for the completion of said contract be extended thirty (30) days from the said 30th day of June, 1902, viz. to the 30th day of July, 1902; and

Whereas said Board of Public Works has recommended that the time for the completion of said contract be extended to the 30th day of July, 1902.

Therefore, Be it resolved, by the Common Council of the City of San Diego, as follows:

That the time within which the said contract was to have been completed, as specified and set forth therein, be, and the same is hereby extended to the 30th day of July, 1902.

Joint Resolution # 1422

Be It Resolved, By the Common Council of the City of San Diego, as follows:

Whereas the City of San Diego, Calif., through its Board of Public Works, entered into a contract with Solon Bryan on the 25th day of April 1902, and wherein and whereby the said Solon Bryan agreed to furnish all the labor and material (except the material to be furnished by the City of San Diego, as therein specified,

necessary for the construction and to construct a water pipe line on upper Fifth street in said city of San Diego, commencing at a point one thousand two hundred ninety-four (1294) feet south of the south line of University

30 days extension of time

to Solon Bryan

to complete

Upper Fifth

st. pipe line

avenue and extending southerly to the south line of Upas street; and Whereas, said contract provided that said work should be completed on the 30th day of June, 1902, and

Whereas the said Solon Bryan has asked that the time for the completion of said contract be extended thirty (30) days from the said 30th day of June, 1902, viz. to the 30th day of July; and

Whereas the said Board of Public Works has recommended that the time for the completion of said contract be extended to the 30th day of July, 1902;

Therefore, Be it resolved by the Common Council of the City of San Diego, as follows:

That the time within which the said contract was to have been completed as specified and set forth therein, be, and the same is hereby extended to the 30th day of July, 1902.

S. D. Light Company

The Secretary was directed to address the following letter to the San Diego Gas and Electric Light Co.,
"There has been numerous complaints of late in regard to the poor lights furnished by you to the City. Kindly look into this matter and remedy the same at your earliest convenience and oblige."

The following wishes of the Joint Water Committee are set forth in a communication received this day from the City Clerk:
viz:—

San Diego, Cal., July 2nd 1902.

To the Honorable Board of Public Works,
City.

Gentlemen:

You are hereby notified that at the meeting of the Common Council held June 30th, 1902, the following Joint Resolution was adopted:

Joint Resolution No. 1426.

Be It Resolved, By the Common Council of the City of San Diego, as follows:

That the Joint Water Committee of this Common Council, be and it is hereby authorized to investigate fully the character of the land which the City is contemplating acquiring in Mission Valley and make all necessary tests, by digging wells, surveying, etc., for the purpose of ascertaining whether such land is water bearing land, and for the purpose of procuring an accurate description of the land which the city is desirous of acquiring; provided, that such work be done by the employees of said city.

Requesting
Supt Water Works
& Engr. to
assist & to
furnish men
& material
for 6 Wells
Mission Valley

In accordance with the provisions of said resolution the Joint Water Committee held a meeting Thursday, July 1st 1902, and decided to make a thorough test of the character of the soil, and the depth of the sand in Lot 35, Rancho Mission. In order to make this test complete and satisfactory the Committee desired that your Honorable Body furnish the City Engineer and Superintendent of the Water System with men, teams and material

necessary to sink a number of wells, not less than 6 in. all on said lot, so that they may make a detailed report to the Committee.

Respectfully,

Geo. D. Goldman, City Clerk.

By H. W. Vincent, Deputy.

referred to
apt for
estimate of
cost.

Filed. Referred to the Supt. of Water Works Department with instructions to furnish this Board with an estimated cost of the construction of said work.

Complaint
about "meter"

James W. Cornack of 833-13th St. complains that some six months ago a meter was set at their place and since it was put in we cannot hardly draw water at all. Referred to Supt. of Water Dept. instructions to investigate.

apt. to
report next
meeting in
and relaying
pipe.

A communication addressed to the Common Council was received this day, in relation to the taking up of a two inch water pipe and relaying said line with a four inch pipe, and extending the same on 22nd St. north and south from C between B & D Streets.

The said communication was referred to the Supt. of the Water Dept. to report to this Board the result of his findings at its next regular meeting. Also to return enclosed petitions.

Claim as
Rent of
at where
ft. Streets
was dirt.

G. C. Arnold, Administrator of the estate of J. W. Montgomery desires rent in the sum of \$10.- per mo. for Lots G. & H Block 40. New Town, on N. W. Cor. G. & Front Streets, the same having been used during the past two years by the Street Department to store dirt and rock upon.

The same was taken under consideration.

Murtha
claim for \$165.-
rejected.

Mrs. A. D. Murtha files a claim for rent of No 11 over P.L. 1104 & 1105 being lots 1 & 2 of 1104 & 1 of 1105 at \$5. per mo. each from August 1st 1901 to July 1st 1902. or 11 mos @ \$15.- per mo. \$165.-

Upon motion being duly seconded said claim was rejected.

Cassidy, Stokes & Davis, voting Aye.

The Secretary was directed to return all certified checks of unsuccessful bidders.

Water Department with instructions to comply.

The Supt. under date of 9th '02 makes the following report: Viz:-

"I found the distance to be 1339 feet across two ravines. At the end of said proposed line are 3 houses. The estimated cost to dig ditch lay the pipe and back fill is	\$36.00
2" gate and Sundries	5.00
Total,	\$41.00

We have on hand 823 feet of 2" second hand pipe requiring us to purchase 516 feet at 16 ³⁵	\$84.36
Total outlay	\$125.36

I have been informed that in the course of a few months we will be taking up several hundred feet of pipe. I await further instructions."

The Secretary was directed to address a communication to the Common Council embodying said foregoing letter.

The Supt of the water works in replying to the complaint of James & Mrs. M. Cormack #833-13 St. that since the meter was placed they were unable to draw water. "I had the meter taken out and pipe connected up and convinced them that the fault was in their own water pipes."

Filed.

In reply to the instructions received from this Board to furnish an estimate of the construction of 6 wells in Lot 35, Rancho Mission so that a thorough test of the soil and the depth of the sand might be had, the Supt of the water works has this to say:

"Your favor of July 3rd informing us that the Joint Water department has decided to make a test of the character of the soil, and the depth of the sand in Lot 35 Rancho Mission and in order to comply with their request you ask that we furnish your board at the next regular meeting the estimated cost of six wells. We beg leave to report that we have given this matter the attention required and while we must admit that it depends entirely upon the condition we may find the soil we feel safe in estimating the cost not to exceed \$155.00 or on an average of \$26.- per well."

Filed.

The Supt. of the Water Dept. reports that he has completed the laying of 260' of 2" water pipe from 1st St. on Brooks Ave. and the expense thereof has not exceeded the sum of \$30.- allowed by ordinance #1157.

Dated July 9th 1902.

Supt of Water Dept.

Comm. to Council

Report from Supt of Water Dept.

Supt of Water Dept.

The following communication was this day received from the Supt. of the Water Works Department: Viz:-

San Diego, Cal. July 9th 1902.

To the Honorable Board of Public Works,
Gentlemen:-

Your favor dated July 3rd '02. enclosing petition from residents on C & 22nd Sts. asking for a 4" pipe in place of the 1" & 2" now in use has been recd. and your request to look into this matter and report my findings to your body at the next regular meeting.

In response I will say that I have carefully examined the premises and report as follows

The petitioners from ignorance, or some other good reason, fail to report the facts. It is a fact that a 2" tap is connected with the 8" Kalemien main on 25th Street, thence a 2" pipe running west on alley north of D. Street to 24th Street, thence North on 24th to C thence West on C 75' all 2" pipe, thence West on C 203' with 1" pipe, thence West on C with 2" pipe to 10' East of Center of 22nd Street, thence South with 2" pipe on 22nd Street 150' more or less. I also find 2 - 1" taps running North on 23 to B Street, one of which serves 3 City flush tanks as well as one consumer both of said 1" taps were tapped into the 1" main on C Street. I also found 8 lawn sprinklers with a fair pressure running at one time, but most of them East of the section of 1" Main on C Street. I found 2 - $\frac{3}{4}$ " service pipes running North from C Street supplying 3 houses, also 1 - $\frac{3}{4}$ " service on South West Corner of C & 22nd and 1. on North East Corner of 22nd Street also 1, $\frac{3}{4}$ " tap on end of 2" pipe bet C & D on 22 Street. in fact there is 2 - 1" taps and 9, $\frac{3}{4}$ " taps drawing from the 1" Main on C bet 23 & 24 Streets. I also find a very excessive use of water on this line and invariably both those paying a flat rate.

I must admit that a 4" pipe would supply more water than a 2" but I feel confident that a 2" pipe with improvements that I am now making and with meters on those who are wasting water that ~~none~~ will complain of the service. I have taken up the 203' of 1" main on C bet 23 & 24 Streets and laid a 2" instead. I am now extending the 2" Main on 22 - 220' South to a 4" Cast Iron main on D and 22 which will materially increase the flow and pressure. I would also suggest an extension on 24th of a 2" Main to B Street which will supply the shortage to one or two consumers, as well as the flush tanks at present we are short of meters, but as soon as they arrive, they will be placed where the most waste is noted, for further explanation of the situation see map which is attached hereto."

A communication from E. J. Lewis, dated July 16th 1902, in relation to Fire Insurance, was read and ordered placed on file.

Comm. to Joint Water Committee Wells, M. V.	The Secretary was directed to address a communication to the Hon. Joint Water Committee in reply to their communication of July 2 nd and embrace in said reply to communication of the Supt of the Water Works Department as set forth on page 360, this book, for their consideration
Solon Bryan 30 days extra time at home Contract.	Solon Bryan petitions for 30 days additional time within which to complete his contract in the construction of a Water Pipe Line between Old Town and the U.S. Military Reservation, San Diego, Calif. The Secretary was directed to make said recommendation to the Common Council.
Relation to proposed adjustment claim Poor Farm for water.	District Attorney Lewis appeared in behalf of the Board of Supervisors, for the purpose of arriving at a settlement of the City's claim against the County for water used at the County Poor Farm. The proposition from Mr. Lewis was that all claims be cut in two. Your Board agreeing to allow for water used by the County Poor Farm at the rate of 10 [¢] per 1000 gallons, or 1/2 of said claims. The Secretary was directed to state ^{that} the Board after duly considering the proposition of the Honorable Board of Supervisors, agrees, as a compromise, to recommend to the Honorable Common Council of the City of San Diego, California with the consent of the Honorable Board of Supervisors, that the claims of the City of San Diego against the County Poor Farm, for furnishing water, be ordered accepted at the rate of 12 [¢] per 1000 gallons.
Relation reduction water rate Ref. to City Atty.	The Damery at Pacific Beach makes application to the Superintendent of the Water Works Department for a reduction in the rates charged them for water. The Secretary was directed to address a communication to the City Attorney asking him to look into the ordinances regulating the water rates of the City of San Diego and inform us as to our power in the premises.
Supt Parks allowed Man & Team fr. St. Dept.	The Supt. of Parks was granted permission to call upon the Street Department for a Man & Team for use in cultivating the Park. Also Tom Feigh was appointed to help the Supt. in said work.
Stamps.	A communication was sent to the Honorable Common Council for \$50. worth of postage for use in City Government.

Joint Resolution No 439.

Whereas, The City of San Diego, through its Board of Public Works, entered into a contract with Solon Bryan on the 25th day of April, 1902, wherein and whereby, the said Solon Bryan agreed to furnish the labor and material (except that to be furnished by the City of San Diego) for the construction and to construct a water pipe line from the intersection of Riley and Jefferson Streets in Old Town to the United States Military Reservation before the 30th day of June, 1902; and

Whereas, the said City of San Diego has already granted an extension of time for the completion of said pipe line to the 30th day of July, 1902; and

Whereas, the said Solon Bryan has asked that the time for the completion of said contract be extended to the 30th day of August, 1902; and

Whereas, the said Board of Public Works of said City has recommended to this Common Council that said request be granted, and that the time for the completion of said contract be extended to the 30th day of August, 1902

Therefore, Be It Resolved, By the Common Council of the City of San Diego, as follows:

That the time within which said contract was to be completed as specified as specified and set forth therein, be and the same is hereby extended for thirty days from and after the 30th day of July, 1902, viz: to the 30th day of August, 1902.

San Diego, Cal., Aug 7th 1902.

Thursday 10 AM.

Regular Meeting:-

The meeting was called in usual form there being Commissioners Cassidy, Staked and Davis.

The reading of the minutes was dispensed with.

The City Attorney was called in at the meeting and was asked to address a communication to D. R. M. Powers, Pres. A. D. Gas and Elec. Light Co., stating that numerous complaints, both verbal and written, have been received relative to the poor service of lights; and that the terms of the contract must be complied with.

The Secretary was directed to address a communication to the Common Council of the City of San Diego, Cal., that at a regular meeting of this Board held July 17th 1902, District Attorney Lewis appeared in behalf of the Honorable Board of Supervisors for the purpose of arriving at a settlement of the City's claim against the County for water used at the County Poor Farm. The proposition from Mr. Lewis was that all claims be cut in two, or at the rate of Ten Cents per One Thousand Gallons.

This Board after duly considering the proposition of the Honorable Board of Supervisors agree, as a compromise with the consent of the Board of Supervisors, to recommend to your Honorable Body, that the claims of the City of San Diego against the County for water furnished the County Poor Farm, be ordered accepted at the rate of 12[¢] per 1000 Gallons.

At a meeting of the Board of Supervisors held this day the proposition of this Board was accepted and upon presentation of claims for water used by said Poor Farm they will be ordered paid at the rate of 12[¢] per 1000 Gallons.

We respectfully recommend that your Honorable Body authorize us to accept payment for water furnished said Poor Farm, at said rate.

Henry LeFranc of San Jose, Cal., files claim for Prof W across Lot 2. P. L. 1104, Mission Valley, for use of flume, July 20 - '01, to Aug 20th '02, 13 Mra. at 5⁰⁰ per Mc = \$65⁰⁰.

Upon Motion said claim was rejected.

Present

Streetlight Complaints.

Common Council Board of Supervisors will accept 12[¢] Rate.

claim for out of Ref. H. rejected.

Upon Motion the following resolution was adopted. Viz:-

Whereas, J. W. Barnes, has subdivided the south seven hundred and four and fifty hundredths (S. 704.50) feet of Pueblo Lot 1260 in the City of San Diego, State of California, and laid the same out into town lots for the purpose of selling the same (he being the proprietor thereof), and has made an accurate map and plat thereof; and

Whereas, pursuant to Section 21 of Article 10 of the Charter of the City of San Diego, he has presented the same to the Board of Public Works of said City; and

Whereas, the map of said land, so subdivided into blocks and lots with streets, conforms to the surrounding surveys,

Therefore, Be It Resolved, By the Board of Public Works of the City of San Diego that it be and is hereby found and determined that said map and the survey of said land conforms to the surrounding surveys, and the same is hereby allowed and approved, and that the Secretary of this Board be and he is hereby directed for and on behalf, and as the act and deed of said Board, to make the said endorsement upon said map and to affix his name thereto, Viz:-

City of San Diego,
County of San Diego, } ss.
State of California

The Board of Public Works of the City of San Diego, California hereby finds and determines that this map conforms to the surrounding surveys, and hereby allows and adopts the subdivision shown on this map as "South La Jolla".

Dr. Master
petition
for a
reduction
Water rates.

At a regular meeting of the Board held Aug 21-02, a communication was received from N. C. Masteller, 2nd Lieut. Artillery Corps, Dr. Mr., as follows:

"I have the honor to address you in relation to obtaining a reduction in the water rate for the U. S. Government for water used at Fort Rosecrans, California and at San Diego Barracks. The average amount used for the last year approximately 400,000 gallons per month and this is being charged for at straight meter rates (viz: 20 cts per 1000 Gals) and our monthly bill is thus made about \$80.00.

I would respectfully request your honorable body to recommend to the City Council that our rate be reduced to correspond to that of other large water using concerns.

I think we should in justice have a reduction of nearly half and trust you may give this matter your early attention.

Filed.

Referred to Council for their consideration

The following Joint Resolution was received from the Hon. Common Council, viz:

Joint Resolution No. 1448.

Be It Resolved, By the Common Council of the City of San Diego, as follows:

Water claim

against County

The following Communications were received from the Supt. of the Water Dept and ordered placed on file. Viz:-

One in relation to investigating the 2" Water Pipe Line in the Howard Tract, City Park.

One in relation to cleaning the Reservoir and repairing the Pump House at Point Loma.

One in relation to repairing Water Department Work Shop in the City Park.

One in relation to Fire Hydrant in vicinity of 23rd & B. Sts.

One in relation to the laying of a 2" main for D. W. Frew in Roseville.

One in relation to placing a Public Watering Trough at La Jolla.

One in relation to renewing the main bet. Govt. Dyke & Mogens with not less than 10" C. I. Pipe.

One in relation to making tests of water bearing sands in Lot 35, Ex-Mission Rancho, San Diego, Cal.

A Communication was received from Geo. P. Hall in relation to the water service on 14th St bet. H & D. Sts. through a 1" Main.

The same was ordered on file.

The Secretary was directed to address the following Communications to the Hon. Common Council: Viz:-

"At a regular meeting of the Board of Public Works held this day the following was received from the office of the Quartermaster's Department, San Diego, Barracks, California: Viz:-

I have the honor to address you in relation to obtaining a reduction in the water rate for the U. S. Government for water used at Fort Rosecrans, California and at San Diego Barracks.

The average amount used for the last year approximates 400,000 gallons per month and this is being charged for at straight meter rates (viz: 20 cts. per 1000 gals.) and our monthly bill is thus made about \$80.00.

I would respectfully request your honorable body to recommend to the City Council that our rate be reduced to correspond to that of other large water using concerns.

I think we should in justice have a reduction of nearly half and trust you may give this matter your early attention. Thanking you for the same, I am, Yours respectfully, K. C. Masteller, 2nd Lieut Art. Corps. U. S. Ar."

We respectfully submit the foregoing for your consideration."

The Supt. of the Water Dept. reports under date of Aug. 27th 1902, that during the present month he entered into an agreement with the La Jolla & Pacific Beach people in regard to the time for using water. All worked well for a time; but several days ago complaints came from the

See Page 380.

Pac. Beach
 people using
 water in
 violation of
 agreement.

water consumers at La Jolla that they were not receiving sufficient water, in fact hardly any at all, and a watch was placed on the line at once with the result that seven persons were detected using water in violation with their agreement. The Supt. immediately caused the water to be shut off and to be so cut off until they paid a fine of \$1.00 each for said violation of agreement.

Rec. pass
 ordinance

He would respectfully recommend that the herewith enclosed ordinance be adopted which imposed a fine for anyone at Pacific Beach using water between the hours of 8. P.M. to 6 A.M.

To Common Council.

Break in
 water Pipe

The Supt. of the Water Works Department reports that no less than four large breaks in the 8 in. Kalemien pipe have been repaired and the total loss of water during this month cannot be less than 4,000,000 gallons.

The pipe is very old and should be renewed with not less than 10" Cast Iron, especially that portion lying between the East side of the foot Dyke & Moreno.

We respectfully recommend that the necessary steps be taken to place said portion of the system in first class condition at the earliest possible moment.

To Common Council:

Fountain

"Joint Resolution directing us to place a public Fountain on the La Jolla Boulevard Survey at the N. E. Cor. P. L. 1260, providing such trough is furnished to the City free of charge, was referred to the Supt. of the Water Works Department July 16th 1902.

The Supt. replies that he has not complied with the directions for the reason that no one has appeared to furnish the watering trough."

Relation to
 its Ex. Mission
 water.

The City was directed to transmit to the Common Council a copy of the report made by the Supt. of the Water Works Dept. in relation to the tests made in Lot 55. Ex. Mission Rancho, of water-bearing sands, together with the map accompanying said report and the samples of the sand taken therefrom.

To Common Council.

The Secretary was directed to take verbal bids for the making of some small order books for use in the Water Department & Board of Works.

The following Joint Resolution No. 1456. was received from the Honorable Common Council. Viz:-

Joint Resolution # 1456.

Be It Resolved By the Common Council of the City of San Diego, as follows:

That the Board of Public Works of the City of San Diego, be and hereby authorized to purchase \$25⁰⁰ worth of postage stamps for use of the various departments of the City Government.

Filed: Secretary authorized to make the purchase of said stamps.

The following Ordinances were received from the Honorable Common Council. Viz:-

Ordinance No. 1198.

An ordinance providing for the paving of Witherby Street in the City of San Diego, California.

Be It Ordained, By the Common Council of the City of San Diego, as follows:

Ordinance No. 1198.

An Ordinance Providing for the paving of Witherby Street in the City of San Diego, California.

Be it ordained, by the Common Council of the City of San Diego, as follows:

Section 1. That the Board of Public Works of the City of San Diego, California, be, and said Board of Public Works is hereby authorized and directed to advertise for bids and let a contract for the paving of that portion of the "Plaza" in block Forty-two (42) of Horton's addition in the City of San Diego, California, known as "Witherby Street," from the north curb line thereof to the south curb line thereof, and from the west line of Fourth street to the east line of Third street. Said Witherby street to be paved with asphalt two (2) inches thick placed on the natural earth, except that portion of the said Witherby street extending from south curb line thereof, north for a distance of five (5) feet, and running the full length thereof from the said west line of Fourth street to the said east line of Third street, which shall be paved as a gutter with a base of asphalt concrete four (4) inches thick and with an asphalt wearing surface two (2) inches thick placed on top of such asphalt concrete base.

Said work to be done according to specifications to be prepared by the said Board of Public Works; provided, that no contract shall be awarded by the said Board of Public Works for doing said work until a sum equal to at least one-half of the amount bid by the lowest responsible bidder shall be paid into the City Treasury of said City to the credit of the Street Fund thereof by the owners of the property abutting upon the said Witherby street; and provided, further, that the expense thereof to the said city shall not exceed the sum of \$450.00.

Section 2. That this ordinance shall take effect and be in force from and after its passage and approval.

Section 3. That the City Clerk of the said City of San Diego, be, and he is hereby authorized and directed, immediately after the approval of this ordinance, to publish or cause the same to be published once in the city official newspaper of said City, to-wit; the San Diego Union and Daily Bee.

Passed and adopted by the Board of Delegates of the City of San Diego, California, this 20th day of October, 1902, and signed in open session thereof by the President of said Board October 20th, 1902.

M. W. JENKS,
President of the Board of Delegates of the City of San Diego, California.

Passed and adopted by the Board of Aldermen of the City of San Diego, California, this 20th day of October, 1902, and signed in open session thereof by the President of said Board November 3rd, 1902.

M. J. PERRIN,
President of the Board of Aldermen of the City of San Diego, California.

That the specifications for the paving of Witherby Street as prepared by the City Engineer be and they are hereby approved and adopted.

The following communication was received from the City Engineer: Viz:-

San Diego, Cal., Nov. 17th, 1902.

Hon. Board of Public Works,
San Diego, California.

In accordance with verbal instructions, I have the honor to report as follows upon the proposed "First Street Addition":

Report of
City Engr.
First St.
Addition

First Street, through the Fifth Street Addition to the City of San Diego, California, has a width of 80 feet, according to the Map of the proposed First Street Addition the width of First Street is placed at 50 feet, making a difference of 30 feet, in the alignment of the East line of First Street. Instead of continuing through the addition it comes to an end

at a point 175 feet north of the South line of the Addition.

Stockton Street, which is a well defined Street in Fifth Street Addition is not continued through the proposed First Street Addition.

Section 21 of Article X of the City Charter provided that xxx no subdivision of any such tract shall be permitted that does not conform to the surrounding and general survey of the City.

Respectfully,

G. A. d'Hemecourt.

City Engineer."

map 5th St
Addition
Approved. The Map of the said "First Street Addition" not conforming to the surrounding and general survey of the City, was ordered rejected and not approved. Commissioners Cassidy and Davis, voting Aye.

A. H. Dixon,
Secretary.

San Diego, Cal., Nov. 29th 1902.

Saturday 10 AM

Regular Meeting

Present Commissioners Laseidy ^{and} Davis.

Thursday being a legal holiday (Thanksgiving day) the regular meeting was adjourned over until Friday 10 AM. There being no quorum the Secretary adjourned over till Saturday 10 AM.

The unread minutes of previous meeting were read and approved.

The petition of A. G. Goodrich for remedy of grade at 19th and N. Streets, having been referred to the City Engineer on Nov 20th for a Statement of facts and in accordance therewith the City Engineer under date of November 29th 1902 replies as follows.

The contract for the grading of 19th Street required that the work end at the North line of N Street. This has caused a perpendicular bank to be left at the North line of the Street, varying in height from 76/100 feet to 3.29/100 feet.

At the East line of 19th Street the tracks of the San Diego, Cuyamaca and Eastern R.R. and of the Coronado Belt R.R. are 2.45/100 feet above the grade elevation at the N.E. corner of 19th and N and at the West line of 19th Street the said tracks are on an average 93/100 of a foot above the grade elevation at the N.W. corner of 19th and "N".

The Secretary was directed to recommend to the Common Council that the embankment at intersection of 19th & N Streets be graded down and the R.R. Co. directed to place a culvert under their tracks to care for the water.

The Secretary was directed to address the following communication to the Hon. Common Council. Viz:-

"We respectfully recommend that you repeal Ordinance #1201, approved Nov. 11th 1902, authorizing an expenditure of not to exceed \$1,000.- for furnishing materials in the placing and construction of a six inch C. I. water pipe line, commencing at the East end of the six inch C. I. water pipe line at the intersection of "D" Street & 12th Street, thence running east to the intersection of said "D" Street with 14th Street, thence running North along said 14th Street to the North line of "C" Street; also for furnishing and placing two double nozzle fire hydrants one at S. E. corner of the intersection of "D" and 14th Streets and

back.

The other at the S.W. Corner of the intersection of C & 14th Streets.

The Board under date of November 17th, 1902, recommended that the matter be referred back to themselves as they had a plan whereby 1/3 of the cost of same could be saved and still attain the same results.

The Common Council under date of November 20th 1902, referred said matter back for said recommendation.

The Supt. of the Water Department recommends as follows:

"The construction of a six-inch pipe line on "C" Street from 14th to 15th and placing a 6" double nozzle fire hydrant at S.E. corner of 14th and C. Streets, and of extending the 4" pipe on 13th Street between D & E Streets to the north line of "E" Street, and placing a 4" single nozzle fire hydrant at the N.E. Corner of 13th & "E" Streets."

The City Engineer submits an estimate in accordance with said recommendation of \$626.86 and we recommend that an ordinance be adopted in accordance with said recommendation and estimate,

The following Ordinance #1213, was received from the Common Council: Ordinance #1213.

Providing for the purchase of 5000 ft. of Cast Iron Pipe for the use of the City of San Diego, California

Said pipe to be placed where the Cast Iron Pipe now laid stops and the Kalmrein Pipe commences, and thence along the present water pipe line towards Pacific Beach.

Said material to be furnished according to specifications to be prepared by the said Board of Public Works.

Expense therefore not to exceed \$10,000.-

Approved Nov. 20th 1902.

The Secretary was directed to refer the same to the City Engineer and direct him to prepare plans and Specifications for the advertising for said pipe; and after said plans and specifications are prepared to advertise for proposals for furnishing said pipe.

Benj. Judkins makes application for work on Streets.
Filed.

Jolon Bryan filed a bond in the sum of \$500.- to blast the old tank house, Sewer Gate House out, that is located at foot of "G" Street in the Bay.

Sureties Geo. W. Burnett & A. E. Dodson.

The same was ordered approved. Cassidy & Davis voting Aye.

E. A. Lockyer, in a communication dated Nov. 27-'02. states that

Request to
accept Road
Torrento

The contract made with the City two years ago, this December, to construct the road in Torrento and keep the same in repair for two years, is about to expire, would ask that you come out and examine the road and accept it. The road starts at my place and proceeds East to the dividing line between the City and County.

Secretary directed to notify Supt. of Streets

Ordinance #1226.

Provide for the grading of the North East Corner of the Intersection of 19th and H Streets; also the San Diego Cuyamaca and Eastern Ry. Co., and the Coronado R. R. Co., are directed to place a culvert under their tracks. Expense for grading not to exceed \$50.-

Filed.
Secretary directed to notify Supt. of Streets and also the R.R. Cos to comply.

Monthly bills ✓ The regular monthly Claims were read and approved.

In accordance with an advertisement calling for bids to be delivered at the office of this Board at 10 o'clock A.M. on Thursday the 4th day of December 1902, for the paving of Witherby Street in accordance with the plans and specifications on file in the office of the Board, the following bid was received: Viz:-

Bid ✓ J. Frank Over Certf Check \$45.- Bid \$847.75

In accordance with Ordinance #1198, authorizing said advertisement 1/2 of the amount of the proposal for doing said work must be deposited in the City Treasury to the credit of the Street Fund before awarding said contract.

Notify the property owners ✓ The bid for paving said Witherby Street between 3rd & 4th Streets was therefore held over until one-half of said proposal shall have been deposited, provided, however, that said proposal be acted upon on or before December 9th as per notice. Which is in accordance with the provisions of the Charter regulating the awarding of contracts.

Supt. Sts. ✓ Letter ✓ Garrettson Investment Co., complain that that the N.W. corner of 20th M. St. is above his sidewalk about a foot and desires to have a water way cut across 20th St. or put in a culvert.
Referred to the Supt. of Streets.

Supt. Sts. ✓ Inspect the ✓ The Supt. of Streets was directed to investigate the Roberts Road that was graded by E. P. Lockyer and report his findings to this board.

The following communication was received from S. L. Roberts, through his Attorney W. J. Mossholder. Vizi-
San Diego, California, December 4th 1902
To the Honorable, the Board of Public Works
of the City of San Diego:
Gentlemen:-

L. Roberts
dedicates photo.

I hereby offer to dedicate to the Public all of the west half of the Southwest quarter of the Southeast quarter of pueblo lot E in the City of San Diego, County of San Diego, State of California, except that portion of said west half included in blocks one and two as shown and delineated by the plat and map of said tract made by S. L. Roberts, ^(Grand) County Surveyor, in November, 1902, which map is presented herewith.

1902

S. L. Roberts.

By W. J. Woodholder, his attorney."

Regular Meeting:-

Present, Commissioners, Cassidy, Stokes and Davis.

The unread minutes of the previous meetings were read and approved.

Upon Motion being duly seconded and by a unanimous Aye vote of the Board the Secretary was directed to notify Mr. Bancroft owner of the property fronting on Fifth Street between "A" & "B" Streets to at once repair the pavement on the East side of said Street between said points or the City will be compelled to do so at the expense of the property fronting on same.

Commissioners, Cassidy, Stokes and Davis voting Aye.

A communication was this day received from J. Mills Boal, La Jolla, dated December 10th '02. which reads as follows: to-wit:

"To the Hon. Board of Public Works,
San Diego, California.

Gentlemen:

I expect to close the road through Lot No. 1258, where it crosses the railroad track near the Southwest corner of Pueblo No. 1259, and hereby notify you thereof, in order that you may make arrangements for opening a street on the west side of the track. I am willing to give the City a right of way through the Pueblo, but want the road confined to the right of way, and to not cross the railroad track on my land.

(Signed) J. Mills Boal."

Engineer instructed to make a survey of above right of way.

Mr. Boal, also files a Map for the approval of this Board, of South La Jolla (Boal Subdivision) Surveyed by W.M. Rumsey, Licensed Surveyor.

The same was referred to the City Engineer to see if it conforms to the surrounding and general surveys of the City.

The Map of Manassas and Schillers Sub-division of Pueblo Lot No. 209, having been referred to the City Engineer to ascertain whether or not there was a clerical error in Noting the Widths of the Streets. The City Engineer reports as follows:

1. On September 25th 1869, there was filed in the office of the County Recorder of the County of San Diego, California, a map bearing the title of "Map of Sub-division of Pueblo Lot No. 209,

for Manasse and Schiller, Surveyed by James Pascoe, County Surveyor, San Diego, Cal.
May 1869.

2. Upon this map is the following memorandum: Explanation. Streets are 80 feet wide, except Main Street which is 100 ft. Blocks 200x300 feet and Lots 50x100, except external fractions.

Manasse &

Schiller

Addition

to

Rosville.

Scale 150 feet to the inch.

3. Pueblo Lot No. 209 should measure from North to South twenty-six hundred forty (2640) feet, but on the map herein referred to, the measurement, by scale, is 2730 feet, being in excess of the correct measurement by 90 feet.

4. The width of all streets as given in the Explanation, agrees with that shown by scale on the map, that is, 80 feet for all streets except "Main Street", which is 100 feet wide.

5. If the streets are taken at 80 feet and the Blocks at 200x300 feet, the Addition will cover more ground than the actual area of the Pueblo Lot of which it is a sub-division.

6. If, on the other hand, both the widths given in the Explanation, and shown by scale are ignored and a width of 70 feet is adopted for all streets in this addition, excepting Main Street, then this addition will not extend beyond the limits of Pueblo Lot No. 209 but covers exactly the area embraced within the limits of said Pueblo Lot No. 209.

7. The opinion is here advanced that the placing of the width of all streets, with the one exception of that of Main Street, at 80 feet is a clerical error on the map, and that the intention was to have made all the streets, with the exception of Main Street 70 ft. wide.
Filed.

Refer

same to

see next page #

The Secretary was directed to refer said matter to the City Attorney, recommending change of from 80 ft. to 70 ft. wide.

Upon Motion being duly seconded the following was adopted. Viz:-

Whereas L. S. Roberts, has subdivided the $W \frac{1}{2}$ of the $S. W. \frac{1}{4}$ of the $S. E. \frac{1}{4}$ of Pueblo Lot E, in the City of San Diego, State of California and laid the same into town lots for the purpose of selling the same (he being the proprietor thereof) and has made an accurate map and Plat thereof; and

Roberts

Sub-division

Approved

Whereas, pursuant to Section 21 of Art. 10 of the Charter of the City of San Diego, he has presented the same to the Board of Public Works of said City; and

Whereas, the map of said land, so subdivided into blocks and lots with streets, conform to the surrounding surveys,

Therefore, Be It Resolved, By the Board of Public Works of the City of San Diego, that it be and is hereby found and determined that said map and the survey of said lands conform to the surrounding surveys, and the same is hereby allowed and approved

and that the Secretary of this Board be and he is hereby directed for and on behalf and as the act and deed of said Board, to make the said endorsement upon said map and to affix his name thereto.

City of San Diego,
County of San Diego, } ss.
State of California)

The Board of Public Works of the City of San Diego, California hereby finds and determines that this map conforms to the surrounding surveys, and hereby allows and adopts the subdivision shown on this map as Roberts' Sub-division.

Board of Public Works, of the
City of San Diego, California
By A. H. Dixon, Secretary.

Commissioner Cassidy voting Aye.
" Stokes " "
" Davis " "

✓ The Secretary was directed to transmit same to the Common Council.

The following communication of even date herewith was received from the City Engineer, Viz:-

"Your Hon. Body is now advertising for the furnishing of 5000 ft. of 10" cast-iron pipe, bids for which are to be submitted to you on the 27th day of this month.

This pipe is to be laid on the Pacific Beach and La Jolla line across the San Diego River and the low flats north of the river, where it will be subjected to a static pressure of over 400 ft. In view of this fact, it is important that the pipe furnished the City of San Diego, should be the best obtainable under modern methods of manufacture.

The pipe should be accepted only after the most rigid inspection both at the foundry and at the point of delivery, has been demonstrated that it is of the standard required.

I respectfully suggest that your Hon. Body recommend to the Hon. Common Council that an Inspector be employed to inspect and test this pipe at the place of manufacture, at a cost not to exceed \$75⁰⁰.

The Secretary was directed to recommend to the Common Council that the Board be authorized to employ an inspector on said pipe.

Commissioners Cassidy, Stokes and Davis voting Aye.

A communication dated December 6th '02. was received from the City Engineer relative to Roberts' Sub-division; Viz:-

California, referred to this office by your Honorable Body, I have the honor to report that the above named sub-division, as shown by the map prepared by S. L. Ward, County Surveyor, under date of November 1902, conforms to the surrounding surveys of the City, as required by Sec. 21 of Art X of the Charter of the City of San Diego, California.

The following Communication under date of Dec. 10th 1902, was received from the City Engineer. Viz:-

"Joint Resolution No. 1309 provides "That the City Engineer of the City of San Diego, California, be and he is hereby authorized and directed to survey and stake out the boundary lines of the public park located in the townsite of La Jolla Park in the City of San Diego, California and designated on the map thereof as La Jolla Park 58."

Joint Resolution No 1464 provides, "That the City Engineer of the City of San Diego, California, be and he is hereby authorized and directed to ascertain and report to this Common Council at his earliest convenience whether Professor Gustav Schulz, who is reported to be excavating over one of the caves at La Jolla Park, is making said excavation on his own property or in Lane Street in said La Jolla Park."

La Jolla Park was sub-divided in January 1887, by Mr. M. G. Wheeler, City Engineer; the alignment adopted for the principal streets being a system of irregular curves. In such a system it is extremely difficult if not impossible, to retrace correctly the original street lines, without reference to the original field notes. There are no notes of this survey in this office; the only data available being contained on a copy of the Map of La Jolla Park, filed in the office of the County Recorder. This map is drawn on a scale of Two Hundred Feet to the Inch and does not show any measurements of either angles or distances.

Without the original Field Notes of the Survey of La Jolla Park it will not be possible for this office to comply with the requirements of the Joint Resolution above mentioned.

These field notes are in the possession of Mrs. Van Horn and can no doubt be secured from her.

It is respectfully suggested that this matter be referred to the Hon. Common Council with a recommendation from your Hon. Body that the necessary steps be taken to enable the City to become the owner of these Field Notes."

These notes having been made during the term of M. G. Wheeler as City Engineer, the matter was referred to the City Attorney Cassidy, Stokes and Davis voting Aye.

Communication
from City Engr.
relative to
La Jolla
Notes.

Referred to
City Attorney

The following communications were received from Dept. of the Water Department. Fig:

I am glad in receipt of your favor of Nov 12th 02 directing me angle nipple fire hydrant to be placed on the N. E. Corner of Beek and Ninth Streets and connect the same with the City water main providing however the expense shall not exceed the sum of \$40.00. In reply will say that it is not possible to place said fire hydrant for the sum named. \$40.00. I herewith submit items of expense covering the placing of said fire hydrants.

- One angle nipple four inch fire hydrant \$25.00
- One 4" gate
- One 4" see
- One 4" see
- One 4" see
- 17 feet 4" cast iron pipe @ 50¢
- 50 lbs lead @ 25¢ 2.50
- Flashing 1" Gate Cap 1" ang pipe 2.50
- Locking and lagging pipe and incidentals 3.25
- Total \$59.50

I await your pleasure.

Dated Dec. 10-02.

The Secretary was directed to transmit the same to the Council for instructions.

December 10-02.

I am in receipt of your favor of Nov 20, directing the purchase of two six-inch double nipple fire hydrants with gates, and place one hydrant and gate at the North East Corner of Twenty-fifth and A Streets, expense not to exceed \$89.00, and one hydrant and gate at the Northwest corner of Twenty-fifth and G Streets, not to exceed \$81.00 Total \$170.00.

In reply must say that the above work has been done in accordance with your directions, the expense at Twenty-fifth and A Street was \$87.50 and at Twenty-fifth and G Street \$78.90 Total \$166.75 at \$325 less than the amount allowed.

An accordance with a verbal call for bids for repairs to be made in the Bank office, the following were received:

- M. C. Gallagher \$117.00
- Rooney and Moore 108.75
- Geo. R. Workman 97.00

Geo. R. Workman being the lowest bidder was awarded the work. Rooney, Moore and Davis setting type.

The reading of the minutes of the last regular meeting was dispensed with.

The following communication was received from the City Engineer

San Diego, Cal., Dec. 17th 1902.

To Hon. Board of Public Works.
San Diego, Cal.

Gentlemen:

Referring to your communication of December 11th 1902, regarding the Map of South La Jolla (Boal Sub-division) I have the honor to report that this sub-division, as shown by said Map, conforms to the requirement of the Charter contained in section No. 21, of Art. X.

Your attention is respectfully called to the following:-

On the 4th day of August 1902, the Hon. Common Council approved a Map of the South 704 feet of Tracto Lot No. 1260, being a Map of a sub-division named "South La Jolla" and by the provisions of Ordinance No. 1171, approved August 5th 1902, accepted the streets, roads, alleys and highways shown on said Map.

There will accordingly be two sub-divisions adjoining each other having practically the same name.

The map accompanying your communication is returned herewith.

Respectfully,

G. A. d'Hemecourt, City Engineer."

city approved. The following communication from the Supt. of Streets dated Dec. 27-'02.

As per your orders I have examined the road built by Mr. Lockyear at the end of Sorrento Valley as per ordinance #838, and find that it has been finished according to his contract with the City. Filed:-

I have the honor to report that the Cross-walks, as per ordinances #1192 & 1214 at 22 & X: also those ordered at 8 & D as per ordinance 1219, have been finished; also the culvert at 13 & X as per ordinance 1227, and the Bulkhead at the North West side of 15 & A St. have all been completed as per ordinance 1225. Filed:-

Ordinance No. 1231.

An Ordinance Accepting Certain Streets and Alleys in the West Half of the Southwest Quarter of the Southeast Quarter of Pueblo Lot E, in the City of San Diego, California.

The same being S. L. Roberts sub-division of said Pueblo Lot E.

Filed:-

Ordinance No. 1232.

An Ordinance Providing for the Construction of Cross-walks by the San Diego Electric Railway Company over its Right of Way in certain portions of the City of San Diego, Cal. Filed:-

The following communication was received from the Supt. of the Water Department: - Viz:-
San Diego, Cal., Dec 27, 1902.

To the Hon. the Board of Public Works,

Gentlemen:-

In the matter of the Petition signed by Messrs. Skinner, Mellus, Holcomb, Hopkins, McHeran, Chase and Lake, for the laying of a water pipe on "M" Street from 30th eastward to 32nd Street which was referred to me for investigation, I beg leave to report as follows. I repaired to the place, and found the distance to be about 1,400 feet over which they request pipe to be laid. I found but one house on the South side of the Street (Mellus) who is about 600 feet from 30th Street main and the only one without water. Chase, Holcomb, 400 & 900 feet away from 30th Street main are now supplied from that main by

individual pipes. Hopkins has a well and has been supplying Mellus, and others, with water, but Holcomb has notified Mellus that he cannot furnish him longer with water, hence the petition. In talking with some of the petitioners who now have water from 30th Street, they thought a 4" pipe should be laid and they would take up their present pipes and attach on to the proposed 4" pipe. Skinner who is the most Easterly petitioner is now about as near to the "K" Street main as he would be at end of proposed main, a 4" Cast Iron main would cost not less than \$300.- and if said main was laid we would obtain one more consumer. I was informed that two of the petitioners did not live or own property on "M" Street and would not be benefited by said main. It would seem from what I could learn that the petition was born in sympathy for Mellus. I called at the Mellus house but failed to arouse anyone. A much cheaper way could be employed to give Mellus water than to grant the petition prayed for. I would not recommend the laying of any main on "M" Street at the present time.

The form of the bond of W. S. Chapman for the placing of a boiler on Fire Engine #2, not having been approved by the City Attorney, said bond was held over until the next regular meeting for approval.

Upon Motion being duly seconded the following preamble and resolution was adopted: Vig-

"Whereas, the City of San Diego, California, did on the 19th day of March, 1873, enter into a contract with the San Diego Water Company to erect and maintain buildings, machinery, pumping and hoisting works with tank or tanks, reservoir or reservoirs upon the City Park lands and to keep said buildings, machinery, reservoirs etc., in good order and repair for a term of 50 years from said March 19th 1873, and

Whereas, the San Diego Water Company did erect buildings in accordance with said agreement and have maintained said buildings in said City Park for more than 25 years, and

Whereas, the San Diego Water Company did on the first day of August, 1901, transfer all of its right, title and interest to said buildings and in said agreement to the City of San Diego upon said date, and

Whereas, by virtue of the sale of the San Diego Water Distributing System and belongings to the City of San Diego, upon August 1st 1901, the City becomes the owner of said agreement, and

Whereas, the Blacksmith department is in urgent need of much more room on account of the extra amount of

that is necessary to be done for the Water Department, and to procure said room it will necessitate the renting of more space, and

Whereas, the Street Department is now called upon to pay more rent for storage room purposes and as the location referred to in the 1400 acre City Park is more central and convenient and does away with the necessity of paying rent, therefore

Be It Resolved, By the Board of Public Works of the City of San Diego, as follows:-

That in the interest of economy, better quarters, more central and conveniently located, we recommend to the Honorable Common Council that they authorize this board to enlarge and repair the barn and material rooms formerly used by the San Diego Water Company of the City of San Diego, located in the 1400 acre City Park in the City of San Diego, California, in accordance with plans and specifications to be prepared by the Board of Public Works, provided the expense thereof shall not exceed the sum of \$800.-

Opinion of City Attorney
La Jolla
field notes.

The City Attorney under date of January 23rd 1903, renders an opinion in relation to the original field notes of the survey of La Jolla Park, ^{presumed to be} owned by M. G. Wheeler, C. E. Said opinion sums up as follows:

"If, therefore, it is the desire of your Honorable Body that the City should acquire these field notes, we would suggest that a recommendation to that effect be sent to the Common Council with an ordinance providing for the purchase thereof."

Filed.

Opinion of City Attorney
Manasse Schiller
b. division
osville.

The City Attorney under date of January 27th 1903, submits his opinion in relation to the map of Manasse and Schiller's Sub-division of Pueblo Lot No. 209. The owner of said map and sub-division, Mr. Schiller, claims to have discovered an error in the width of the streets, which error is verified by the report of the City Engineer. The City Attorney sums up his opinion as follows:

"In order to have the question finally settled, we would suggest that the question should be submitted to the Court in some form, either upon agreed state of facts, or otherwise, and the judgment obtained to that end."

Filed.

R. S. Chapman

14 & 16, Fremont

D. F.

Commissioner Lassidy, Stokes and Davis voting Aye. The Secretary was directed to address the Common Council and state. In accordance with the provisions of Ordinance No. 1263, directing this board to have Westgate place Street Signs in sidewalk upon one corner of each block paved with bituminous pavement. We have directed said Westgate to place said Street Signs on the N. W. Corner of each ^{street block on} bituminous paved streets.

Recommend

The Secretary was directed to recommend to the Common Council that sidewalk Street Signs be placed on the N. E. Corner of each Street paved with bituminous rock.

Rept. of
Supt. Water Dept.

The Annual Report of Supt. of Water Department was received and ordered placed on file.

Communication

from the
Federated
Trades Union

The San Diego County Federated Trades and Labor Council filed the following Communication: Viz:-

"Believing that it is in the interest of the public weal, and the furtherance of good citizenship that the workingman, wherever employed, is entitled to at least such a fair and living wage that he may surround himself with the common decencies of life, and be enabled to give to his family a modicum of education and refinement, we, therefore, beg leave to submit to your Honorable Board, that you have it in your power to add materially to the comfort and happiness of the working class, by requiring that all work of whatsoever

nature, that passes through your hands be done under trade union regulations where possible.

Surely it would seem to be well within the province of a public body to see to it that good wages are the just right of the workman. There, if anywhere, the interests of the workers ought to be conserved, and a broad-gauged and liberal policy pursued.

Every trade and class of business practically, is now organized in our city, - and 1500 trade unionists in solid phalanx will anxiously await your decision, and hope to be gratified by seeing your body, at an early day, pass a resolution enforcing this requirement on all city business and purchases, so far as possible.

A. C. Ferris, Pres.

A. P. Carpenter, Sec.

~~Ordered placed on file, and the sense of said foregoing resolution ordered complied with so far as is possible.~~

There being no further business the board adjourned until Tuesday 10 A.M.

Attest:-

2" water pipe

F. W. Fegan, petitions for a 2" water main to be laid on J Street 275' towards 24th from 25th St., to supply water to the house that he is now building on lots 11 & 12 of Block 10

Referred to
Supt.

Kimball's Addition

The same was referred to the Supt. of the Water Department.

Communication
City Atty
relative to
move house
from street

A communication was received from the City Attorney in relation to the removal of a house in Palm Street, which matter was referred to him sometime ago.

He suggests the adoption of a resolution that he has prepared and have the same served by the Secretary.

The same was ordered on file.

The following resolution was offered; Viz:-

Order to
serve for
removal
house from
4th & Palm

Be It Resolved, By the Board of Public Works of the City of San Diego, as follows:

That Mrs. Mary L. Hand the owner and occupant of the house situated in Palm street, immediately west of the intersection of Fourth street and Palm street in the City of San Diego, California and she is hereby notified, directed, and ordered to move her house out of and off of Palm Street within sixty days from the date hereof.

And it is further resolved that a certified

copy of this Resolution be served forthwith upon said Mary L. Hanchett by the Secretary of this Board.

Upon Motion the foregoing resolution was adopted by the following vote.

Commissioners Cassidy, Hakes & Davis voting Aye.

Communications from Mr. Joseph A. Flint, relative to the petition from Fletcher et al., for a 3" or 4" water main on 24th Street between C & D Streets; and another from E. Guadagnini et al. for a main on D. Street from 25th to 26th Streets.

Supt. Flint recommends that the petitions prayed for be denied that upon the completion of the B Street grading water could be secured from that source at a much less expense.

Upon motion the petitions were denied and the report of Supt. Flint was adopted.

Commissioners, Cassidy, Davis and Hakes voting Aye.

Supt. Flint reports as follows upon the petition of Messrs Schmidt and Dula, referred to him May 28th '03, for 3350' of 3" Water Pipe to be laid on Main St. Pacific Beach through Fortuna Park on Pescadero Street.

That the cost of same will be not less than \$1675.- That would suggest the matter be deferred until the pipes are enlarged, which we expect in the near future.

Upon motion the petition was denied. Commissioners Cassidy, Davis and Hakes voting Aye.

The Supt. of the Water Department was authorized to make whatever other arrangement he may deem advisable, without cost to the City.

The following Ordinances were received from the Honorable Common Council: viz:

Minutes read and approved.

Upon motion being duly seconded and by a unanimous
aye vote the Secretary was directed to recommend to the Honorable
Street Committee and the Common Council that Ordinance #1278,

which permits Cement Contractors to file a bond as a guarantee
that they will clean up, within five days after the completion of
said work, all debris and leave the Street in good condition and to
the satisfaction of the Superintendent of Streets; also recommend
that an ordinance be adopted requiring a deposit to be made with
the Board of Public Works of \$5⁰⁰ Cash for each sidewalk permit
for 50 ft or fraction thereof. Said \$5⁰⁰ Cash to remain on deposit
until all debris has been cleaned up to the satisfaction of the
Superintendent of Streets; and until a certificate has been furnished
by the City Engineer that the same is laid to the official grade.
Should the Contractor fail to remove said debris within 15 days after
the completion of said work, and leave the street clean and in a
good condition as it was before said work was done by said
contractor, then the Superintendent of Streets shall order said
deposit to be turned into the City Treasury to be placed to the
credit of the Street Fund and the Street Department shall
then remove said debris and put said street in condition.

All debris must be removed before the City Engineer
shall check up said sidewalk as to grade.

No deposit shall be refunded until the Superintendent
of Streets has signed a clearance and the City Engineer has
filed his certificate as to grade.

Ordinance No. 1392.

An Ordinance Temporarily Delaying Work on the Brewery Road in the City of San Diego, California.

Whereas, the Common Council of the City of San Diego, on the 25th day of February, 1903, adopted Ordinance No. 1201 wherein and where provision was made for the grading of a road commencing at the southwest line of the intersection of Main Street and Thirty second Street, and running thence to a point near the San Diego Brewery, with the Street force of said City and whereas, pursuant to said ordinance, the work of grading said road has been commenced and is now being performed thereon; and

Whereas, at the present time the public health and comfort of said City and of the inhabitants thereof, demand that the graded and paved streets of said City in and around the business portion thereof, be sprinkled and

Lay off
Force that
are grading
Brewery Road.

placed in better condition, which work must be done by the Street force of said City, therefore,

Be It Ordained, By the Common Council of said City as follows:

Section 1. That the Board of Public Works of said City be and said Board is hereby requested and directed to temporarily postpone the grading and construction of the said road to the Brewery until it shall receive further instructions relative thereto, from this Common Council.

Section 2. That this ordinance shall take effect and be in force from and after its passage and approval.

Adopted July 26-03. Clerk's Certificate Attached.

The Supt. of Streets was instructed to suspend work on said Brewery Road Friday evening July 31st 1903.

A communication was received from Chief of Police A. A. Thomas, that an old wooden drop door in sidewalk front of #519 "Rosemont House" 5th Street is in dangerous condition.

The Secretary was instructed to notify J. J. Higgins the owner of the above property that the same must be put in condition at once.

The following communication was received from the Joint Street Committee, and ordered on file: Viz:-
San Diego Cal., July 25th 1903.

To the Board of Public Works
City.

Gentlemen:-

The Joint Street Committee requests your Honorable Body to make an estimate of the cost of constructing an addition to the City Blacksmith shop located at the City Stables of sufficient room to accommodate a blacksmith and helper in addition to those now employed, and report the result of your investigation to the Committee prior to the Council meeting on Monday evening July 27th 1903, in order that the Committee ^{may} make a report and recommendation in said matter to the Common Council at that time."

Yours,

The Secretary was directed to recommend to the Common Council that they proceed to acquire the Rights of Way for the continuation of the India Street Road from its present terminus, on through to Old Down and from the Dyke near Stardip Slaughterhouse to the road graded by John Engelbroet and from Moreno to the road graded by Goodbody and Roemer in Sorrento Valley.

Joint Resolution No. 1581.

Be It Resolved, By the Common Council of the City of San Diego, as follows:

That the Board of Public Works of the City of San Diego, California, be and said Board is hereby authorized and directed to remove all stones placed above the official grade of all the graded and paved streets in said City at the edge of the return, and just outside of the curb line of the

intersection of the streets where the same are placed in such a position as to interfere with the free use of the said streets; said work to be done by the Street Force of said City.

Clerk Certificate attached.

Referred to the Supt of Streets with instructions to comply.
Ordinance No. 1411.

An Ordinance providing for the payment of claims of the City Engineer's office in the City of San Diego, California.

Be It Ordained, By the Common Council of the City of San Diego, as follows:

Section 1. That claims numbered 5507, 5519, 5527, 5535, 5543 and 5614, for the sum of \$53.67 be and they are hereby allowed for supplies for the City Engineer's Office in the City of San Diego, California, used in getting up estimates, making drawings, maps, blue-prints, etc., for the sewer and water systems contemplated to be constructed, and that the Board of Public Works of said City be and said Board is hereby authorized to purchase additional supplies of the same character for the same work, provided the expense thereof shall not exceed the sum of fifty dollars.

Section 2. That this ordinance shall take effect and be in force from and after its passage and approval.

Adopted Sept. 22-'03.

Filed.

Ordinance No. 1414.

An Ordinance providing for sprinkling and rolling "A" Street in the City of San Diego, California.

Be It Ordained by the Common Council of the City of San Diego, as follows:

Section 1. That the Board of Public Works of the City of San Diego, California, be and is hereby authorized and directed to sprinkle with water and roll with the steam road roller "A" street from the east line of Eighth street to the west line of Twenty-fifth street from curb line to curb line. Said work to be done with the Street force of said City; provided the expense therefor shall not exceed the sum of \$150.

Section 2. That this ordinance shall take effect and be in force from and after its passage and approval.

Adopted Sept 22-'03.

Roll & Sprink
A Street

Be It Ordained, By the Common Council of the City of San Diego, as follows:

Section 1. That the Board of Public Works of the City of San Diego, California, be and said Board of Public Works is hereby authorized and directed to employ an Engineer, for a period of one month, for the steam road roller in the City of San Diego, California, whose compensation shall be and is hereby fixed at ninety dollars (\$90.00) per month.

Section 2. That this ordinance shall take effect and be in force from and after its passage and approval.

Adopted Sept 22nd '03.

Filed. Supt. of Streets was authorized to secure an Engineer in accordance with the provisions of the foregoing ordinance.

Communications.

From City Engineer, Sept 24th '03. appointing J. Anderson, Asst. Engineer, J. A. Mc Auliffe and Geo. H. Lambert Chairman.

Authority, Ordinance No 1412.

Upon Motion being duly seconded said appointments were confirmed.

Commissioners Cassidy, Stokes and Davis, voting Aye.

The Janitor was directed to repair the basement stairs himself or if impossible, then have same done.

Supt of Water Department, Joseph A. Alink returns communication of Quartermaster at Fort Rosecrans under date of Sept 2nd '03 which was referred to him for a report, in relation to the extra amount of water consumed by the Government quarters at Fort Rosecrans and as to whether or not a rebate or reduction should be allowed.

The Supt. reports that it was about 4000 feet beyond our meters where the break was and the fact of our Reservoir being 4' 11" of water in the morning and emptied at 3 P.M. he feels confident that the amount of water as registered passed through the meters into the 6" pipe of the Government. He can see no reason why any part of the said bill should be rebated.

The communication was ordered placed on file. Upon Motion the request of the Quartermaster at Fort Rosecrans for a reduction on his water bill was denied.

Commissioners Cassidy, Stokes and Davis voting Aye.

The Secretary was instructed to notify the Quartermaster at Fort Rosecrans accordingly.

Supt. of Water Department reports that the expense of taking up and cost of laying 8" Kalmrein pipe from Mud flats at Old Down to La Jolla pipe line running north from Pacific Beach to be \$903.65

Filed.

Complainant and Electric Light Co. are giving to the residents on Florence Hill and asks that the Board investigate the matter.

The Secretary was directed to transmit a copy of said complaint to the Common Council and state that we have repeatedly notified the Gas Co., but have received no relief: we are not getting what we pay for and ask for instructions.

Present Cassidy Stokes and Davis.

The reading of the minutes was dispensed with.

E. W. Dering filed a bond in the sum of \$2000.- with J. R. Siefert & E. E. Shaffer as sureties.

The same was ordered approved.

Commissioners Cassidy & Davis & Stokes voting Aye.

The Secretary was directed to notify the Common Council that the Board had insured the Hay in the City Stables (about \$2500.00) for \$1000.- the said amount being placed for one year, the premium being \$15.00. Recommend their approval of same.

The Board recommend to the Honorable Common Council that they repeal Ordinance No. 1222, approved December 2nd 1902, directing the Board of Public Works to advertise for bids and let a contract for the furnishing of all labor and material necessary for the construction of a six inch Cast Iron water pipe on C Street from 14th to 15th streets and placing a six inch double nozzle fire hydrant at the S.E. Cor. of the intersection of 14th & C streets and to extend the 4" C. I. water pipe line on 13th Street bet. D & E Streets and to extend the 4" C. I. to the N. line of E. Street and to place a 6" nozzle fire hydrant at the N.E. Cor. of the intersection of 13th & E. Streets. The material to be furnished to include 466 linear feet of 6" C. I. pipe, 46 linear ft. of 4" C. I. pipe, 1-6" J. 1-4" J. one 6" plug 1-4" single nozzle fire hydrant 1-6" double nozzle fire hydrant, 1-4" gate, 1-6" gate, and all the hemp, lead and other necessary material for the completion of the work.

The estimated expense will be about \$62688.

In lieu of Ordinance # 1222, the Board recommend that an ordinance be adopted allowing the said work to be done by the Water Department Force, as the said force will do the work better, cheaper and with better satisfaction to all concerned.

The following communication was addressed to the Honorable Common Council: Viz:-

" January 29th 1903, the City of San Diego entered into a contract with Christian Froelich to furnish to the City 416 lengths of 10" C. I. pipe. Said pipe has been received in accordance with the terms of the contract, laid by the City and paid for.

The Santa Fe R.R. Co. over charged Mr. Froelich

for freight on the said 416 lengths of 10" C. I. pipe to the extent of \$323.97 which amount Mr. Froelich duly filed his claim for with the said R. R. Co. and thereafter on the 8th day of October, 1903 the said R. R. Co. notified Mr. Froelich that they will pay his claim of \$323.97 upon his securing from the Board of Public Works of San Diego, to whom the shipment was consigned, an assignment.

The Board therefore recommends that you direct by ordinance, that the proper assignment be made for Mr. Froelich to secure the said \$323.97 over paid for freight in the shipping of said pipe.

The following Ordinance was received from the Honorable Common Council: Viz:-

Ordinance No. 1418.

An Ordinance providing for the purchase of material for the use of the Street Department of the City of San Diego, California, and providing for the repair of D Street in said City.

Be It Ordained, By The Common Council of the City of San Diego, as follows:

Section 1. That the Board of Public Works of the City of San Diego, California, be and said Board of Public Works is hereby authorized and directed to purchase, for the use of the Street Department of said City, five thousand (5000) feet of lumber to replank the bridge at Thirty-third and Main Streets on the National City Road, and also to repair the top of the B-Street flume, provided the expense thereof shall not exceed the sum of one hundred and fifteen dollars (\$115.00); also to purchase ten thousand (10,000) pounds of asphalt to finish repairing the paved streets in said City, provided that the expense thereof shall not exceed the sum of one hundred dollars (\$100).

Section 2. That this ordinance shall take effect and be in force from and after its passage and approval.

Joint Resolution No. 1587.

Be It Resolved, By the Common Council of the City of San Diego, as follows:

That the City Engineer of the City of San Diego, California, be and he is hereby authorized and directed to furnish to this Common Council a careful estimate of the number of cubic yards of excavation and the number of cubic yards of embankment necessary to bring that portion of Hawthorne Street in the City of San Diego, from the west line of the City Park to the eastern shore line of the Bay of San Diego, and the sidewalks thereof, including all intersections of streets between said points, and the sidewalk of such intersections, to its official grade and cross section, except that portion of said Hawthorne Street and intersections of streets between said points, as are required by law to be kept in order or repair by any person or company having railroad tracks thereon, and also excepting that portion of the said Hawthorne Street and the said intersections of streets between said points, which have already been graded to the official grade thereof; which estimate shall be made in duplicate one copy of which shall be kept on file in the office of the said City Engineer, and shall be, during office hours, accessible for inspection to any person who may desire to inspect the same.

That the said estimate of the said City Engineer shall include plans and specifications for an estimate of the cost of all culverts which it may be necessary to construct in doing said work.

That the Superintendent of Streets of said city be and he is hereby authorized and directed to furnish to this Common Council with the description of the places

where the surplus dirt, to be removed in doing said work, shall be placed and deposited.

Thursday 10 am.

Regular Meeting:-

Present Commissioners Cassidy, Davis and Hakes.

The reading of the minutes was dispensed with.

The following ordinances were received from the Honorable Common Council: Viz:-

Ordinance No. 1423.

An ordinance providing for the release of rebate for freight on Water Pipe.

Whereas, on the 29th day of January, 1902, the City of San Diego entered into a contract with Christian Froelich for supplying said City with four hundred and sixteen lengths of water pipe, said pipe to be delivered to said City f. o. b. cars at San Diego, and

Whereas, the Santa Fe Railroad Company overcharged the said Christian Froelich for freight to the extent of three hundred and twenty-three and ninety-seven one-hundredths dollars, and

Whereas, the said Christian Froelich has fully complied with said contract and has made a demand upon said Santa Fe Railroad Company for said rebate, but said Company has refused to pay said rebate until it shall obtain from the Board of Public Works of said City its written consent so to do, as said pipe was consigned to said Board when shipped, and

Whereas, said City has no interest in said rebate and said Common Council desires to authorize said Board to give its written consent to the payment of said rebate by said Railroad Company to said Christian Froelich.

Therefore, Be It Ordained, By the Common Council of the City of San Diego, as follows.

Section 1. That the said Board of Public Works be and is hereby authorized and directed for and on behalf, in the name and as the act and deed of said City, to execute whatever papers that may be deemed necessary to authorize the said Christian Froelich to collect said rebate.

Section 2. That this ordinance shall take effect and be in force from and after its passage and approval.
Approved Oct 19-03.

and the Board would execute the same upon their receipt.

Ordinance No. 1424.

An Ordinance approving and adopting the plans and specifications for the construction of bridges and the construction of certain extensions and improvements of the System of water works and of the System of Sewers, in the City of San Diego, California.

Be It Ordained, By the Common Council of the City of San Diego as follows:

Section, 1. That it be and is hereby determined by the Common Council, the legislative branch of the City of San Diego, California, that the plans and specifications for the construction of two bridges on "B" Street in the City of San Diego, California, and the plans and specifications for the construction of certain extensions and improvements of the system of water works, and for the construction of certain extensions and improvements of the system of water works, and for the construction of certain extensions and improvements of the system of sewers in the said City, made by G. O. de Henne court, City Engineer of said City of San Diego, and pursuant to instructions from the Common Council, and by him presented to said Common Council, be and the same is hereby approved, and that said bridges, and said extensions and improvements of said system of water works and said extensions and improvements of said system of Sewers, shall be constructed in accordance therewith, which plans and specifications of said bridges are now on file in the office of the City Clerk of the said City of San Diego, indorsed as follows: Document No. 4187, Filed Oct. 3, 1903.

Geo. D. Goldman, City Clerk By H. W. Vincent, Deputy. Communication from City Engineer, transmitting specifications for Trestle Bridge on "B" Street - one between 27th & 28th Streets and one between 28th and 29th Streets and which plans and specifications for the construction of the said extensions and improvements of said system of water works and for the construction of said extensions and improvements of said system of Sewers, are on file in the office of said City Clerk, indorsed as follows: "Plans and Specifications for the construction of certain improvements and extensions for the system of water works and certain improvements and extensions of the system of sewers of the City of San Diego, California".

That the said plans and specifications for the construction of said bridges and plans and specifications for the construction of said extensions and improvements of said system of water works, and for the construction of said extensions and improvements of said system of sewers, shall after approval of this ordinance be filed in the office of the Board of Public Works of the City of San Diego, and approved

The claim is for \$25⁰⁰.

Filed.

Ordinance No. 1428

An ordinance providing for certain work to be done in the grading of Hawthorn Street in the City of San Diego, California.

Be It Ordained, By the Common Council of the City of San Diego, as follows:

Section 1. That the Board of Public Works of the City of San Diego, California, be and it is hereby authorized and directed to cause about seventy-five hundred cubic yards of earth to be removed from block two hundred and forty-nine of Horton's Addition in the City of San Diego, California, and filled in on Hawthorn Street in said City between Second and Third Streets. Said work to be done by the Street Force of said City, and

That said Board of Public Works be and is hereby authorized and directed to have constructed across said Hawthorn Street, between Second and Third Streets, with the Street Force of said City, board culverts of sufficient size to carry off the surplus water. Said work to be done according to specifications to be prepared by said Board of Public Works, provided the expense of the said culvert does not exceed the sum of One hundred dollars.

Section 2. That this ordinance shall take effect and be in force from and after its passage and approval.

Approved ^{Oct. 26th} 1903.

Referred to the Supt. of Streets with instructions to comply.

Ordinance No. 1430.

An ordinance providing for the use by the United States Government of the Road Oiler owned by the City of San Diego, California.

Approved October 26th 1903.

Filed.

The Secretary was directed to address Capt. C. H. Rupp Constructing Quartermaster U.S.A. the following communication.

"In accordance with the provisions of ordinance #1430 adopted by the Common Council of the City of San Diego, California and approved by the Mayor of said City on the 27th day of October, 1903, you may upon application to the Street Superintendent of said City, have the use of the Road Oiler."

Communication from the Street Superintendent stating that he had completed the Lemon Grove and also filled in a 20 ft. wide driveway on A bet 16th & 18th Streets, as directed by Ordinance No. 1425.

Filed.

The Secretary was directed to address the following communication to the Honorable Common Council.

"We herewith enclose for your consideration a communication to this board from the Superintendent

of the Water Department together with a list of supplies needed by the said department for a period of six months.

The furnishing of said list is in compliance with Joint Resolution #1567 from your Honorable Body.

We re-iterate our former recommendation that all supplies be purchased in the open market, for we are then sure that there will be no dead stock on hand as is the case with all previous contracts, some of this stock may not be used in years and some may never be used. It is impossible to foretell the requirements of this system and as the Superintendent truthfully says "water" can be purchased at the same price in lots of "ten" as in lots of "One hundred" and the same condition occurs elsewhere.

We therefore recommend that all supplies be purchased in the open market."

J. A. Martin petitions for an increase in salary from \$80. to \$100. per month.
Filed.

On Dec 7th 1903, the Common Council adopted the following ordinances relating to the repairs of the Water Distributing System which were this day referred to the Supt. of the Water Department for investigation and report.

Ordinance # 1447.

That the Board of Public Works of the City of San Diego, California, be and it is hereby authorized and directed to purchase one hundred feet of four inch cast iron water pipe and to cause the same to be laid from the west end of the four inch water pipe line on said Walnut Avenue (where the present four inch water pipe ends) to the corner of Second Street and Walnut Avenue, and to purchase and put in place one single nozzle Fire Hydrant at the South East

corner of Second Street and Walnut Avenue, and to connect the same with the said water pipe line when so constructed. Also to purchase six hundred and seventy feet of four inch cast iron water pipe and to cause the same to be laid from the west end of the four inch water pipe line on said Walnut Avenue, thence along Third Street to Brooks Avenue, and to purchase and put in place one single nozzle fire hydrant at the South East corner of Brooks Avenue and Third Street, and to connect the same with the said water pipe line when so constructed; provided, that the expense of all of said work shall not exceed the sum of \$400.00."

Ordinance # 1454.

That the Board of Public Works of the City of San Diego, California, be and it is hereby authorized and directed to place, maintain, and connect with the water mains of said City a fire hydrant at the intersection of Fourteenth Street with "M" Street in the City of San Diego, California, provided, that the expense thereof shall not exceed the sum of \$40.00."

Ordinance # 1455.

That the Board of Public Works of the City of San Diego, California, be and it is hereby authorized and directed to place, maintain, and connect with the water mains of said City a fire hydrant at the intersection of Arctic Street and Beech Street in said City; provided, that the expense thereof shall not exceed the sum of \$40.00."

Ordinance # 1451.

That the Board of Public Works of the City of San Diego, be and said Board is hereby authorized and directed to have the blankets owned by the City of San Diego, in the City Jail washed & thoroughly cleaned, provided the expense thereof shall not exceed the sum of five dollars."

Bell Tower

"The Chief of the Fire Department came before the Board and stated that he had been to see several Contractors relative to removing the bell tower from its present location and storing it in the material yard. The best figures that he could obtain were \$25⁰⁰ Cash and the wooden tower. Or \$50.- Cash and the City take the tower."

As the tower or the lumber contained in the same is of no use or value to the City, the Secretary was directed to recommend to the Common Council that they authorize the Board to remove the bell to the material yard and pay therefor \$25⁰⁰ and the old tower.

Woodfordwork AssessorsPartridgetake his place.

City Auditor and Tax Collector Titus addressed the board desiring the services of J. S. Woodford for about three months to work in the Assessors Office in preparing the Assessment Rolls commencing January 1st 1904.

Upon motion being duly seconded J. S. Woodford was given a leave of absence for 3 months and L. W. Partridge was appointed to fill his place during his absence. Cassidy & Haker voting Aye.

Plaza toSalvationArmySunday AM's

A petition from Miss L. C. Sullivan, Captain of the Salvation Army, was received, asking permission to hold meetings between 11 & 12 AM. Sundays on the Plaza. The said petition was granted provided the Plaza is not otherwise engaged.

Blast Bondsapproved.

W. D. Goodbody filed a bond in the sum of \$500.- with Stephen Brown & C. H. Chadwick as sureties, to blast on 6th Street between C. and D. Streets.

E. Bartlett Webster filed a bond in the sum of \$500.- with Anna B. Webster & Mary W. Kraemer as sureties, to blast on E. & A Streets between 24 & 25th Streets.

Both bonds were approved and ordered on file.

Supt. Flint of Water Department files a report relative to the necessity of Fire Hydrants on uper 5th the scarcity of which is complained of by J. W. Sefton.

The recommendation is as follows:

"I would recommend the installing of a single nozzle Fire Hydrant at the S. E. Cor. of 5th and Laurel Streets at an expense not to exceed the sum of \$48.48; also a Fire Hydrant at the S. W. Cor. of 5th & Nutmeg, a single nozzle 4" pipe to cost \$62.73 and a double nozzle 6" pipe to cost not to exceed the sum of \$76.47, the outlet from the main being 6". I would prefer the installing of a double nozzle Hydrant."

The Secretary was directed to transmit a copy of said recommendation to the Common Council with a recommendation that a single and double nozzle Fire Hydrant be installed in accordance with the recommendation of the Supt. of the Water Department.

The following communication was received from Supt. Flint Viz:-

"I am in receipt of your favor of Dec 12th 1903, informing me of the adoption of Ordinances Nos. 1447, 1454 & 1455, relating to the repairs of the "Water Distributing System," which, on December 10th, was referred to me by your Hon. Body for investigation and report.

Ordinance No. 1454 directs that "you shall place, maintain and connect with the water mains of said city, a fire hydrant at the intersection of Fourteenth Street with M Street in the City of San Diego, provided the expense thereof shall not exceed the sum of \$40.00"

In reply I must say that it is not possible to install even a four inch single nozzle fire hydrant to any main nearest any curb for that sum. For instance:

1 - 4" single fire hydrant, actual cost	\$25.00
1 - 4" brass-lined gate,	" " 8.00
1 - 4" cast iron tee	" " 5.00
17' - 4" " " pipe	" " 7.48
Lead yarn, gate cap \$3.00, Plumbing, wagon \$2.00	5.00
Blacksmithing, 50' labor, \$4 ²⁵ hauling \$1 ⁰⁰	5.75
Total,	\$56.23

But this is not the only obstacle which prevents the placing of said fire hydrant at that point. I find the nearest water mains to Fourteenth & M Streets to be as follows:

From 4" Cast Iron Main at Twelfth and L Streets to the N. E. Cor. of Fourteenth and M Streets distant 907 feet.

From 4" Cast Iron Main at 14th & N Sts. to N. E. Cor. 14th & M. distant 727 ft.
 From 12" " " " " 16th & M. to S. E. Cor. 14th & M. " 725 ft.

The last being the shortest & best route, as well as the best water supply. I estimate that it will cost to lay a 4" Cast iron pipe from 16th & M Sts. to 14th & M. Sts, distant 725 feet the sum of \$438.00

Placing 1- 4" Cast-iron fire hydrant, as estimated above 56.23
 \$494.23

Ordinance No. 1445 requires a fire hydrant at the intersection of Arctic and Beech, providing the cost does not exceed the sum of \$40.00. I find a 12" cast-iron main within 17 ft of the curb. It requires a 12"x4" clamp which will cost \$5.00

1- 4" Single nozzle hydrant with gates, etc. 56.23
 \$61.23

The cost being in excess of the amount allowed, the hydrant could not be installed.

I wish to add that the petitioners could be as well served at some other point in placing the hydrant, than at 14th & M Streets, and at considerable less expense to the city.

The Secretary was directed to refer said communication to the Honorable Common Council for their consideration.

The following resolutions were received from the Honorable Common Council: Viz:-

Joint Resolution #1663.

Be It Resolved, By the Common Council of the City of San Diego, as follows:

Whereas, certain parts of 7th Street between "D" and "H" Streets is in need of being graded, and the gutters in places are filled up and cannot be put in condition to carry off the storm water, without such work being done thereon, and

Whereas, there still remain on said street, between said points, street car ties and rails, which should be removed; now

Therefore, Be It Resolved, by the Common Council of the City of San Diego,

That the Board of Public Works order and direct the Street Superintendent to use the street force to forthwith put said street in proper condition by re-grading the same at such points and places where needed, fix up the gutters and remove all street car ties and rails found thereon between said points.

Approved January 25-1904
