Dear Swimmers, Coaches, Families, Volunteers and Guests:

WELCOME TO THE 2016 SUBURBAN SWIM LEAGUE CHAMPIONSHIPS!

The Executive Board of the Suburban Swim League (SSL) welcomes you and your family to the 51st Annual Championship Swim Meet at Sierra College. This is a culmination of our summer swim season with all eight SSL teams represented. This weekend we gather to renew our friendships and our traditions of sportsmanship, participation, achievement and competition. We will cheer for all of our athletes as they push themselves to their best!

For the past three months, all of the practice, hard work and sacrifice have been leading up to this final event - the Championship Meet of the season. We hope the swimmers, coaches and parents have enjoyed this wonderful season. This weekend is often when swimmers set their personal best times in the season. It has become a memorable event for everyone involved.

The Executive Board would like to thank the coaches for spending countless hours on the pool decks in the sun hours teaching and training their swimmers and instilling the league's philosophies of spirited competition and true sportsmanship. We also thank all of the parent volunteers for each team that made our 2016 dual meet season a success, and who will ensure the same at the Championship meet. Participating in the SSL is not only a commitment for the swimmers, but it is a commitment for the families.

I would like to recognize and thank the League Representatives that served on the Executive Board of the SLL for their dedication, commitment and hard work throughout the year: Anthony Chavez, EDH (Past President), John Platt EDH, Molly Scholes, GBG (Secretary), Ernie Dillard BB (Vice President), Brad Clark CG (Treasurer), Dennis Rogers FSO, Josh Brown LBD, and Bob Kott SS --with a special thank you to our Commissioner of Records, Brian Hansen GBG. Many long hours were spent during the season and off season to ensure that the duties required to run the league were completed. This executive team will be on the deck the entire meet so if you see them give them a high five!

A note to the swimmer: this weekend is about YOU! We have gathered to watch you strive, compete and achieve! We are here to witness those magic moments for each of you - a personal best time; qualifying for your first event final; winning your first medal; or making a new friend at the always fun ready bench. Swim with passion! Show off your pride and sportsmanship and have fun. This is your time to shine.

Swimmers to the blocks...

2016 Suburban Swim League Championships About the Suburban Swim League

Mission and Purpose

The **Suburban Swim League** is a summer recreational swimming league. The mission of the SSL is to promote recreational competitive swimming in its member club communities; to govern, coordinate, and administer activities and operations of the **SSL**; to facilitate the mission of member clubs to provide a wholesome, recreational-competitive swim program in their communities; to sanction and provide for annual league championship competitions; and to provide for the prompt and equitable resolution of grievances between member clubs.

League Philosophy

The **SSL** places the importance of recreational swimming and participation above the element of competition. Though competition is an important element of a swim meet, the **SSL** believes that all swimmers should participate regardless of individual proficiency, thus enabling the maximum number of swimmers to enjoy a well-rounded, recreational program.

Advocacy

The **SSL** advocates recreational swimming as a lifetime sport that is part of a fit, healthy lifestyle.

Equal Opportunity

The **SSL** shall provide an equal opportunity for athletes', coaches, administrators, and officials to participate in amateur, recreational swimming competitions without discrimination on the basis of race, color, religion, sex, or age, provided that swimmers meet age requirements as set forth in the **SSL's** bylaws, policies, and procedures

USA Swimming

The **SSL** observes the rules of USA Swimming except where set forth in the organizations bylaws, policies, and procedures.

2016 Suburban Swim League Championships

History of the Suburban Swim League

During the summer of 1966 there were a number of teams swimming in the Sacramento area without league affiliation. Some of these teams were newly formed, while others had been in existence for a number of years. After a successful Championship meet involving three of these teams that summer, representatives from the College Greens, El Dorado Hills, Foothill, Park Terrace, and Parkway teams met to discuss the formation of a new Sacramento area league. In the spring of 1967, a set of Bylaws was drawn up, meet procedures set, and on April 17, 1967 the Suburban Swimming and Diving League was officially formed. Of the five founding teams, three (CG, EDH, and PT) remain in the Suburban Swim League; two of these teams College Greens and El Dorado Hills, have been members of the league continuously since its inception in 1967.

The first Championship Meet was held at College Greens on the second weekend in August, 1967. The League received considerable assistance from the Rosemont Swim Team (in the Sacramento League) and the Sacramento YMCA Swim Team (in the Capitol League). Don Cumley, the Rosemont Coach was the Meet Referee. Much of the success of this first Championship Meet was due to the efforts of the Meet Director, Gloria Zielke of College Greens.

Over the next dozen years, the SSL went through a number of changes. New teams joined the league, some of the original teams left (temporarily for FF and PT). Sometime in the mid-seventies, 'Diving' was dropped from the league name; there were never any official diving competitions held although the Foothill Flyers did have a diving team for a couple years in the sixties. Hosting Championships was rotated among the teams in the league until 1979. They were usually held in six lane pools, the normal configuration for most facilities.

Through most of the seventies, 'Place Judges' were assigned to determine the winner of races because the mechanical watches available at that time were only readable and accurate to tenths of a second. When electronic watches, accurate to hundredths of a second became readily available, time became the sole criteria for placement and Place Judges were no longer needed (but the need for attentive timers became even more important).

With the addition of the Highlanders in 1973, the league had grown to nine teams (two teams, Elk Grove and Rio Linda, swam as a single team in dual meets and separately at Championships). That year, due to the large number of teams (and only six lane pools to swim in), the league tried swimming in two divisions, with separate divisional Championships. It was not very popular with a number of teams so the divisional structure was dropped the following year. In 1974, Park Terrace took a leave of absence that lasted eight years.

In 1979, the Championship meet was held at Sierra College for the first time. The facilities at the College, including a 10 lane pool and 6 lane warm-up pool, permanent spectator seating with space to add additional seating, expansive grounds for team areas, and an air-conditioned office for the use of the league reps was a big improvement over previous sites. Most importantly, 10 lanes meant that there would be 10 finalists who received medals for their efforts. That year, there were only five teams in the SSL. Each team was able to enter two relays (the 'A' and 'B' relays swam at the same time).

In 1980, the Carmichael Beavers joined the SSL. Amador dropped in 1981 and in 1982 Park Terrace returned. The league remained very stable between 1982 and 1987 with six teams (CB, CG, EDH, FF, HD, and PT). Each team swam 10 league meets during the season, meeting each other team twice (home and away). The meets were shorter in length; two or three were swum Wednesday evenings.

Loomis Basin and Folsom joined the league in 1988. To accommodate the additional spectators at the College, the Loomis team parents brought in bleachers (and then took home the hardware; LBD won

Championships for the next three years). There were over 1000 swimmers entered in 1988; as a result the meet was expanded to three days, with the IM qualifying heats being swum on Friday evening.

A number of significant changes took place in 1989; the freestyle events (in both Dual meets and Championships) were split into two distances; a swimmer was only allowed to swim in one of the two in a single meet. The rationale was that all Dual meets always had second heats in freestyle; why not make these second heats into scored events. Also, the 15-18 age groups was split into 15-16 and 17-18 groups to provide for more equitable competition and thus encourage the 15 year old swimmers to stick around a bit longer. The 15-18 group was retained only for the relay events. The result was an increase in the number of events from 73 to 95; with most of the extra time added on Saturday. Except for changes to the numbering sequence, the order of events has remained the same since 1989.

1989 was also the first year that a computerized scoring system was used. Seeding had previously been done by hand by sorting the lane slips and then typing the program. The new system provided all seeding, printed listings for the program and the official's use, and handled all scoring. Times were taken in the normal manner (three watches and a recorder), and were manually input to the system.

In 1991, the Colorado timing system (three buttons and a backup/recorder) was first used. Times were much improved over previous years as the main source of error with manual timing is with the start. However, the timers were not very happy as they no longer had watches and thus had no idea of the official time. This problem was solved in 1992 with the addition of a display board at the end of the pool. The first year it was used, the SSL had a ten lane display board; subsequently, we have had a single line display that cycles through each swimmer's time in their order of finish. This display has been a crowd pleaser ever since.

In 1993, the SSL welcomed a new team, the Sierra Sharks. Sierra was the result of a split of the El Dorado Hills team along with a number of new swimmers from the Shingle Springs area. With nine teams swimming, there were over 1100 entrants at Championships that year. The Carmichael Beavers left the SSL in 1994 (they are now in the Nor-Cal League), and the Foothill Flyers left the SSL in 2001. In 2002, we welcomed the Broadstone Barracudas to the Suburban Swim League. The Highlander Dolphins left the SSL in 2004.

With participation continuing to increase, flyover starts were introduced in 2005 and were an immediate success, shortening the length of prelims significantly on Saturday and Sunday. In 2006, the League purchased a new league record board for permanent display at Sierra College as well as a Sierra College record board to mark our 28th year at Sierra College and our 40th Annual Championship meet. With team's ranging in size from 150 to 350 swimmers, the League introduced the President's award in 2006 to recognize the team with the best points per splash ratio.

The Granite Bay Gators joined the SSL in 2011, returning the league to 8 teams. Granite Bay, like the Sierra Sharks, was formed by splitting from a larger club, the Roseville Sugar Bears. The Gators swam for several years in the Valley Foothill Competitive Athletic League prior to joining the SSL.

In 2013 the SSL Treasurer, John Shelby (PT) and the Sacramento law firm of Weintraub Tobin brought the league through the incorporation process and then applied for and received non-profit status through the IRS. The Suburban Swim League, INC is now a 501C3 corporation.

2016 Suburban Swim League Championships General Rules

Please read the following information. Our host, Sierra College, has asked us to pass on this information. We ask you to familiarize yourself and follow these rules for your safety, protection of the facilities, and for an enjoyable swim meet. Our opportunity to utilize the college facilities is dependent on our ability to be respectful guests.

- Setup is allowed after 1:00 p.m., Friday, July 22th. Sierra College has requested that tent stakes not be used to secure pop-up tents, etc. to avoid damage to irrigation system.
- Event parking valid in lots A through G and lot N. Do not park in lots H, I or K or in designated staff parking areas (except lots A1 and A2). Overnight camping is not permitted. Families must display an official SSL Event Parking Permit on the dashboard or purchase daily permits from the Sierra College kiosks. Cars that do not display the appropriate permit will be ticketed. Cars parking in designated staff areas (except lots A1 and A2) will be ticketed.
- Please secure your valuables at all times.
- No overnight camping.
- No motor homes on the main campus. Motor home parking is available across the street (Rocklin Road) in the overnight parking lot.
- No alcoholic beverages.
- No dogs or pets (exception guide dogs).
- No skates or skateboards.
- All trash must be placed completely inside the dumpsters. Do not place overflow trash around the base of the dumpsters. Trash that will not fit in the dumpsters must be taken home.
- The archery range to the north of the pool and tennis courts is strictly off limits.
- **No photography will be allowed from behind the starting blocks. This is in accordance with USA Swimming.**

2016 Suburban Swim League Championships Policy For Self Elimination

310. SELF ELIMINATION

In league championship meet competition:

- (1) Any swimmer failing to compete in a preliminary heat shall not be penalized.
- (2) Any swimmer who has qualified for a Final Event heat, including the Consolation Final, and who wishes to withdraw from that heat MUST provide notice to the Meet Referee no later than 60 minutes from the scheduled start of the heat. The swimmer must provide notification only of the decision to withdraw, and is not obligated to provide a reason for the decision to withdraw.
- (3) Any swimmer who has qualified for a Final Event heat, including a Consolation Final, and who fails to provide proper notification of intent to withdraw shall be barred from further competition for the remainder of the meet, including relay events.
- (4) Once a swimmer has notified the Meet Referee of his/her intent to withdraw from a Final Event heat, the swimmer is considered to be scratched from the heat and the decision may not be reversed.
- (5) The Meet Referee may grant waivers of disqualification for failing to provide notice of withdrawal in the event that the swimmer's non-participation is due to illness or injury. The Referee's decision to grant such a waiver is subject to protest.
- (6) Alternates for individual event finals, including the consolation final, are not subject to disqualification if the referee determines that the alternate could not be properly notified in advance of the event.

311. ALTERNATES AND EVENT FINALS

Section 1. Alternates will be used to replace event finalists who do not show for their event final. The first alternate (11th overall in prelims) will be the first swimmer selected. The second alternate (12th overall) will be the second swimmer selected. The third alternate (13th overall) will be the third swimmer selected, and so on, until all lanes in the event final are filled.

Section 2. Event finalists must be present behind the blocks when the Starter commands the heat to step up onto the blocks. Event finalists who are not present at the command to step up will be immediately assigned a false start for delay of the meet.

Section 3. The Referee will allow 30 seconds for the event finalist to step up on the blocks. If the event finalist fails to step up on the blocks within 30 seconds after the command to step up, the Referee will disqualify the event finalist and insert event alternates in the order established above in Section 1.

Section 4. A disqualified event finalist may be subject to further disciplinary action per Paragraph 310, above.

Section 5. Once the Referee has disqualified the event finalist and directed that the alternate be inserted into the heat, the event finalist may not be re-instated to the heat.

312. ALTERNATES AND CONSOLATION FINALS

Section 1. Alternates will be used to replace consolation finalists who have been advanced to the event final or do not show for their consolation final. The first alternate (21st overall in prelims) will be the first swimmer selected. The second alternate (22nd overall) will be the second swimmer selected. No alternates beyond the 22nd overall finisher will be selected even if open lanes exist in the consolation final heat.

Section 2. Consolation finalists must be present behind the blocks when the Starter commands the heat to step up onto the blocks. Consolation finalists who are not present at the command to step up will be immediately assigned a false start for delay of the meet.

Section 3. The Referee will allow 30 seconds for the consolation finalist to step up on the blocks. If the consolation finalist fails to step up on the blocks within 30 seconds after the command to step up, the Referee will disqualify the consolation finalist and insert event alternates in the order established above in Section 1.

Section 4. A disqualified consolation finalist may be subject to further disciplinary action per Paragraph 310, above.

Section 1. Once the Referee has disqualified the consolation finalist and directed that the alternate be inserted into the heat, the consolation finalist may not be re-instated to the heat.

313. ELIMINATION FOR CAUSE

Section 1. Swimmers eliminated for cause, i.e. misconduct, horseplay, disobedience to Officials, arguing with Officials, etc. will not be permitted to compete for the remainder of that Meet.

Section 2. The Meet Referee is the sole authority during league championship meet competitions to eliminate a swimmer for cause.

Section 3. A Referee's decision to eliminate a swimmer for cause is subject to protest by the affected Member Club. If the SSL Executive Board upholds the Meet Referees' decision, the athlete may be suspended for the following meet at the discretion of the Executive Bboard.

2016 Suburban Swim League Championships Information For New Families

Championships are the **BIG** weekend in the Suburban Swim League. “Champs” is different from the dual-meet format used by clubs during the regular season in several ways. First, all teams in the SSL compete against each other for points. Second, athletes may enter all events, with the exception that they may only enter one of the freestyle events. Champs is a “prelims-finals” meet, which means that all entered athletes compete in preliminary heats for placements in the event finals. Points are awarded based on the order of finish in event finals.

Due to the large number of entrants, the Meet is run over two and one half days. Take a look at the Schedule of Events (inside front cover) to get an idea as to what’s happening and when. Keep in mind that times shown are estimated. Swimmers participate in a series of qualifying heats (as many as 12 or more) in each stroke; the fastest ten swimmers in each age group advance to finals. The finals are run after the qualifying heats have been completed; all lanes in all final events are scored. The relay events are held after the individual finals on Saturday and Sunday, and the presentation of team and individual awards follows the Free Relays on Sunday afternoon. A description of the team and individual awards may be found preceding the seeding listings. At a minimum, your child will swim in a qualifying heat for each of the strokes in which he/she is entered. If your swimmer finishes in the top ten in a stroke, he or she will also swim in the finals for that stroke. Your swimmer(s) may also swim on one or both of your club’s relay teams. This Program lists the qualifying heat seeding for ALL entrants; you can use it along with the Schedule of Events to get a fairly good idea of what times during the day your child will be swimming.

Each team has an assigned Team Area; this is where your swimmer(s) should spend much of their time. Swimmers should move from their team area to the Ready Area about 30 minutes before their heat is to swim. Swimmers are required to check in at their team’s designated area prior to reporting to the Ready Bench. Swimmers will receive their event assignment in the form of Event-Heat-Lane prior to reporting to the Ready Bench. Your club will have volunteers to help younger age groups move to the Ready Bench. Parents are NOT permitted in the Ready Bench or behind the starting blocks unless serving as an assigned shift volunteer. The Suburban Swim League is a guest at Sierra College; please ensure that your children conduct themselves as guests. They should not be off in the trees and brush North and East of the pool area, and should not wander off amongst the classrooms to the West. With the recent construction activity, rattle snakes have been spotted in the area. Poison Oak is common in the un-landscaped areas of the campus. The Archery Range is off limits and we have cordoned off planted areas with plastic tape; please make sure that your children know that these areas are off limits. Please take care of the campus. We have enjoyed a long relationship with Sierra College because of the care we have shown with the facilities.

It can get especially hot over Championship weekend; be sure to bring and drink lots of liquids (if you run out, the Sierra College snack bar has a variety of drinks available). There is a First Aid station manned by a volunteer from each team located just outside the office next to the warm up (deep) pool. Smoking is not allowed in the pool area. Please refrain from smoking inside the pool area or in the stands, and in any other areas that are occupied by bare bodies and feet. Bring and use sunscreen, especially on your swimmers.

We anticipate over 1,500 swimmers and most likely another 2000 parents and spectators. Please pick up all trash in your team area and in the stands before you leave for the day. After the awards have been presented on Sunday, stick around a bit longer and lend a hand with the pool area clean-up and equipment take-down (the timing system, shade tarps, display board, etc.).

2016 Suburban Swim League Championships Volunteer Information

It takes approximately 950 volunteers to operate a successful Championship Meet. The SSL would like to thank all of our volunteers. Your commitment and effort allows all of our swimmers and families to have a memorable experience.

Below is a summary of the various volunteer positions, including a brief description of responsibilities, as well as information regarding location to report for shifts.

Announcers: During preliminary heats, responsible for announcing the names and clubs of the swimmers, by lane, in each heat. For event finals (not consolation races), the Announcers introduce each swimmer in descending order of lanes, ending with the fastest qualifier. Two announcers are assigned to events in the main pool. No announcers are used for events held in the dive pool. Announcers meet at the Ops Desk at the main pool when reporting for shifts.

Clerks of the Course: Clerks of the Course work closely with the Deck Referee and Starter. Clerks are responsible for ensuring that the correct swimmer is present in the correct lane and for the correct event/heat. Two clerks are assigned to each shift. Two additional clerks are required to support 100-yard relay events. Clerks meet at the Ops Desk at the main pool when reporting for shifts.

Colorado: The Colorado team operates the Colorado timing consoles used to capture race results. Volunteers must be experienced Colorado operators and certified by their clubs. Two volunteers are assigned to Colorado for both the main and dive pools. Colorado operators meet at the assigned Colorado station when reporting for shifts.

Computer Operations: The Ops team manages the Meet Manager software that manages the 1,500 athletes, 5,000+ individual entries, and all race results. Volunteers must be experienced computer operators and certified by their clubs. Two volunteers assist the Commissioner of Records each shift, with a third volunteer added when the dive pool is used for competition. Operators meet in the Ops office behind the Ops Desk at the main pool.

Deck Referee: This position requires volunteers to be certified by the SSL or their club. The Deck Referee is appointed by the SSL Executive Board and is responsible for all aspects of the swimming competition. One Deck Referee is assigned to each pool. Deck Referees meet at the Ops Desk at the Main Pool when reporting for shifts.

Deck Pass Control: Responsible for checking that all persons desiring admittance to the area behind the blocks have SSL-issued deck passes. Persons without deck passes are not permitted behind the blocks. Volunteers are positioned at both entrances to the blocks area. Volunteers should meet at the Ops Desk at the main pool when reporting for shifts.

First Aid: First aid volunteers support the aid station. Two volunteers are assigned to each shift. Volunteers meet at the aid station when reporting for shifts.

Hospitality: Responsible for distributing refreshments and light snacks to meet officials and volunteers working behind the blocks and on-deck. Six volunteers are assigned to each shift. Volunteers meet at the hospitality station just outside the northwest entrance to the pool (across from the main ready bench).

Inspection: SSL League Reps are primarily responsible for inspecting club areas to ensure all equipment has been removed and trash has been placed in the appropriate container.

Meet Referee: This position requires volunteers to be certified by the SSL or their club. The Meet Referee is responsible for auditing and signing all DQ slips. The Meet Referee is the swimmer's advocate and checks to see that all slips conform to the SSL standard. The Meet Referee backs up the Deck Referee as needed. One Meet Referee is assigned to each pool. Referees meet at the Ops Desk at the Main Pool when reporting for shifts.

Ready Bench: Ready bench volunteers help seat swimmers in the proper heats and lanes prior to sending the swimmers to the ready area behind the blocks. The SSL operates a main pool ready bench with generally ten volunteers and a dive pool ready bench with six volunteers. Note that all swimmers are required to check in and obtain their Event-Heat-Lane assignment, written on the arm in format H-L, prior to reporting to the SSL ready benches. Clubs are responsible for operating their own team check in and staging areas. Volunteers meet at the appropriate ready bench at the scheduled times.

Recall Starter: This position requires volunteers to be certified by the SSL or their club. The Recall Starter assists the Starter. The Recall Starter is responsible for observing the start of each race and signaling a recall when a false start occurs that is not identified by the Starter. One recall starter is assigned to each pool. Starters meet at the Ops Desk at the Main Pool when reporting for shifts.

Ribbons: The ribbons team prepares ribbons and medals earned by swimmers during the meet. Volunteers meet at the ribbons desk when reporting for shifts.

Runners: Runners carry important information from the Ops Desk to meet officials around the deck. Runners also carry DQ slips from Stroke and Turn judging stations to the Ops Desk. Three volunteers are assigned to the main pool (two during freestyle). Two volunteers are assigned to dive pool events. Runners meet at the Ops Desk at the main pool when reporting for shifts.

Starter: This position requires volunteers to be certified by the SSL or their club. The Starter is the meet official responsible for ensuring that all swimmers have a fair start in each race. One Starter is assigned to each pool. Starters report to the Ops Desk at the Main Pool when reporting for shifts.

Stroke and Turn Judges: This position requires volunteers to be certified by the SSL or their club. Stroke and Turn judges ensure that the rules relating to the style of swimming designated for the event, including turning and finishing rules, are being observed. Stroke and Turn judges should report to the assigned judging station per the published schedule and per guidance from your club head of Stroke and Turn.

Takeoff Judges: Takeoff judges are drawn from the pool of available Stroke and Turn judges. Takeoff judges observe the touch of the incoming relay swimmer and the feet of the departing swimmer to judge whether the departing swimmer is in contact with the starting platform when the incoming swimmer touches the end of the pool. Takeoff judges meet near the edge of the dive pool closest to the Ops Desk when reporting for shifts. The SSL uses takeoff judges only on relay events.

Teardown: Volunteers are responsible for the recovery and removal of all equipment used during the meet. All trash must be picked up and placed in the appropriate receptacle. Teardown begins at the conclusion of the competition. The pool deck area must be fully recovered and restored prior to commencement of the awards ceremony. Each team provides three volunteers (minimum) to assist with teardown. Volunteers report to the main pool deck.

Timers: Timers are responsible for capturing the official finish time of each athlete. The SSL assigns three timers to each lane. Clubs may have no more than one volunteer assigned to each lane. Two volunteers serve as roaming backups when timers in lanes need breaks. Main pool timers meet at the east end of the main pool when reporting for shifts. Dive pool timers meet at the south end (far end) of the dive pool when reporting for shifts. Timers should check in with the Head Timers when reporting to pick up lane assignments.

2016 Suburban Swim League Championships Warm Up Periods

The schedule, below, shows sessions and lane assignments. Note that lanes are NOT allocated to clubs for finals warm-ups. All lanes are available to all swimmers for warm-up during these periods.

<u>Day/Session</u>	<u>Time</u>	<u>Club</u>	<u>Main Pool</u>	<u>Dive Pool</u>	<u>Notes:</u>	
Friday:						
IM Prelims	3:00 PM to 3:15 PM	EDH	1-5	1-2		
		PT	6-10	3-4		
	3:15 PM to 3:30 PM	FSO		5-6		
		FSO	1-3			
		GBG	6-10	1-2		
	3:30 PM to 3:45 PM	CG	4-5	4-6		
		LBD	1-5			
		BB	6-10			
		SS		1-6		
	Saturday:					
IM Finalists:	7:30 AM to 7:45 AM				All lanes open to all IM finalists	
Back/Free Finalists	2:15 PM to 2:45 PM				All lanes open to all finalists	
Sunday:						
Breast prelims	7:00 AM to 7:15 AM	LBD	1-5			
		BB	6-10			
		SS		1-6		
	7:15AM to 7:30 AM	PT	1-5	1-2		
		FSO	6-10	3-4		
		EDH		5-6		
	7:30 AM to 7:45 AM	EDH	1-5			
		GBG	6-10	1-2		
		CG		4-6		
	Sunday:					
	Breast/Fly Finalists	12:30PM to 1:00 PM				All lanes open to all finalists

Swimmers may use the diving pool to warm-up during the meet whenever the dive pool is not being used for competition. It is ONLY for the use of those swimmers who wish to warm-up immediately before their event.

The dive pool will be used for Long Free prelims and all prelims for ages 13 and older in backstroke, breast stroke and butterfly. The dive pool will be closed to warm-ups during this time.

No diving is allowed in the warm-up pool! We do not want anyone diving onto and injuring themselves or another swimmer that is already warming up in the pool. When entering the warm-up pool you must look and make sure that no one is in the way and that the immediate pool area is clear. Once the immediate pool area is clear, you may enter the pool by stepping into the pool feet first. **Diving into the warm-up pool will not be allowed. The league will have a no tolerance policy on this issue. Disciplinary action may include being scratched from the swim meet!**

2016 Suburban Swim League Championships Opening Ceremonies and Team Cheers

Opening Ceremonies for the 2015 League Championship Meet will begin with the Team Spirit Cheers at 6:45 on Saturday morning. Teams will enter the pool area from the four different entry gates and assemble in their designated team area around the main pool, as follows:

- A. SS and GBG will assemble in order outside the NW gate (where ready benches used to be). SS will enter first and position on the North side of the pool (where the coaches sit) GBG will be second and stay in the NW corner.
- B. FSO and BB will assemble in order at the new ready bench location (south entrance). FSO will enter first and position behind the blocks in the main pool. BB will remain in the SW corner of the pool.
- C. PT, and LBD will assemble in team order outside the SE gate. LBD will enter first to the South side of the pool. PT will stay in the SE corner.
- D. CG and EDH will assemble outside the NE gate (near EDH team area and tennis courts), with CG entering first and to the East side of the pool. EDH will stay in the NE corner.

A map of the pool area appears on the following page and shows the entry points and cheer locations assigned to each club. Cheers will begin with the 2016 Championships host team, College Greens, and will proceed in the following order (clock-wise around the pool deck):

1. College Greens Gators
2. Park Terrace Penguins
3. Loomis Basin Dolphins
4. Broadstone Barracudas
5. Folsom Sea Otters
6. Granite Bay Gators
7. Sierra Sharks
8. El Dorado Hills Taz

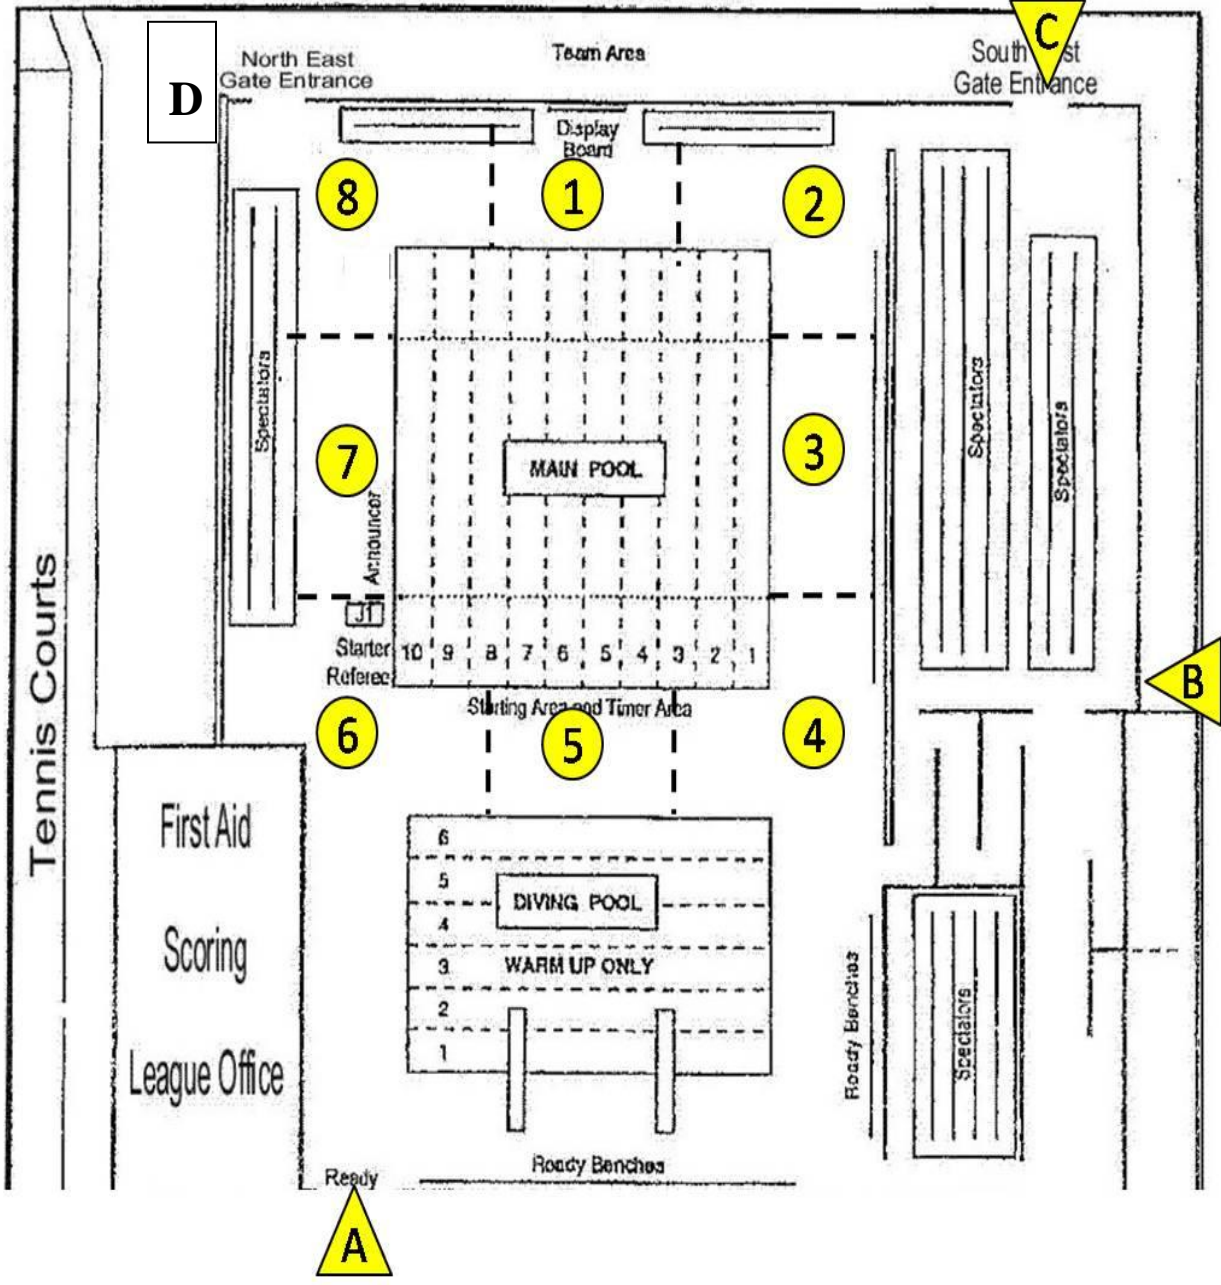

Opening Ceremonies Events:

6:30 AM	Teams assemble in designated areas
6:45 AM	Teams enter the pool area and take assigned positions for the cheers
7:00 AM	Welcome and Opening Remarks Presentation of the Challenge Cup Singing of the National Anthem Team Cheers

2016 Suburban Swim League Championships Coaching Staff Seating Areas

The diagram below shows assigned seating areas for club coaching staff. The assigned areas are along the north edge of the main pool next to the meet operations and announcer tables.

Coaches are respectfully asked to keep the edge of the pool clear for meet officials.

Sierra College Pool Area

2016 Suburban Swim League Championships Dive Pool Qualifying Events

The SSL will increase use of the dive pool for qualifying events. This measure is adopted to better utilize available resources so that the meet is kept to a reasonable length. Per the published event schedule and timeline (inside front cover), the following prelims will be held in the dive pool:

- Saturday
 - Backstroke qualifying for swimmers age 13+
 - Long Freestyle qualifying for all swimmers
- Sunday
 - Breaststroke qualifying for swimmers age 13+
 - Butterfly qualifying for all swimmers age 13+

The dive pool will be closed for warm-ups during all periods when the pool is being used for competition.

Dive pool events will utilize a separate ready bench, located near the main pool ready bench. See the map for location of each ready bench.

Please note the schedule (inside front cover) and be mindful of check in times for older age group qualifying.

2016 Suburban Swim League Championships Ready Bench

Overview

Swimmers will receive heat and lane assignments from their own team Ready Bench area. This assignment will be written on their left hand/arm in the format EVENT – HEAT – LANE. For example, a swimmer checking in who is assigned to Event 3, Heat 7, Lane 5, will be marked 3-7-5. When called, they will proceed directly to the Ready Bench area. They will then be seated into rows of chairs that will be organized by heat and lane number. Heats will then move to the poolside benches and progress around the pool as they have during past years.

- Ready bench procedures will apply to 6 & under; 7-8, 9-10, 11-12 and 13-14 age groups. The 15-16 and 17-18 age groups should also check into ready bench to get their heat and lane assignments, however, there will be more flexibility in dealing with these age groups. **Note:** Based on past years, many of the older age swimmers do not use the Ready Bench. However, we will still staff the ready bench for the few older swimmers that still use the check in procedure. *Note to 15-18 swimmers, please do NOT congregate behind the lane blocks until your event.
- **Older swimmers that do not get to the blocks on time will be scratched.**

Note: Generally the 13-14's have up to 8 heats (80 swimmers) per event and the 15-16's have around six heats (60 swimmers) per event. We need the 13-14's to use the ready bench. We also need to encourage the 15-18's to use the ready bench so that we do not have a large number of swimmers milling around behind the blocks.

Procedure for Individual Events

- Swimmers will check in at the **Ready Bench** for individual events with **Event-Heat-Lane** information written on their hand.
- Event, Heat and Lane numbers will already have been written on the left hand/arm of 6 & under, 7-8, 9-10 and 11-12 swimmers.
- Swimmers will then be seated by heat and lane number.
 - There will be 6 rows (or more depending on available space) of 10 chairs in the Ready Bench area.
 - Each row represents a heat. (row 1 = heat 1 and so on)
 - Chairs in each row will be numbered 1 through 10 corresponding with a lane number. No. 10 being closest to the pool.)
 - After heat 1 (row 1) leaves the ready bench seating area to enter the pool area, heat 7 will be seated in the now vacated row. As heat 2 enters the pool area, heat 8 would be seated in the vacated row two, and so on.
- Once in the pool area, swimmers will move along the benches as they have in past years. However, this year we will reduce the number of heats moving along these poolside benches to 6 heats.
- Swimmers will then leave the poolside benches to stand behind the blocks. We should strive to have 2 heats behind the blocks at all times to keep the meet moving (but not more than 2 as it gets very congested)

2016 Suburban Swim League Championships Ready Bench Markings and Relay Procedure

All Swimmers

Please write the LAST NAME in ALL CAPS on the LEFT shoulder. This helps the Clerks/Ready Bench identify the swimmers more easily.

RELAYS/FINALS

All teams are required to send parents escorts to the Ready Bench for all finalists and Relays teams as follows:

Finals Events:

Send ONE parent per boy/girl age group to walk to the Ready Bench, seat them in the Ready Bench and stay with them until their event is called to the blocks. The parent will escort the swimmer to the blocks and then can leave to watch the event.

Relays:

Send TWO parents per boy/girl age group to walk to the Ready Bench, seat them in the Ready Bench and stay with them until their event is called to the blocks. One parent will escort the swimmers to the blocks and the other parent will walk to the turn side of the pool (for 25 yard relays), then can leave to watch the event.

2016 Suburban Swim League Championships Summary of Entries and Athletes

Athletes

2016 Suburban Swim League Championships Seeding of Swimmers for Qualifying Heats

Overview

The process of assigning swimmers to heats and lanes in qualifying heats is called seeding. Swimmers are seeded based on their official entry times for each event that they enter. The official entry time for a swimmer is the fastest official time performed by that swimmer at that stroke and distance during the qualifying period for Championships. The qualifying period for Champs is May 10 through the date on which teams must submit entries to the SSL Commissioner of Records, the Monday before the final dual meet. In 2015, the submission date was July 13. Official times are those that conform to governing SSL and USA Swimming rules.

Seeding involves ranking the official times for all swimmers entered into each event. The swimmer with the fastest entry time is ranked #1. Swimmers are seeded slowest to fastest. The SSL uses the practice of circle seeding the fastest three heats. The table below illustrates how circle seeding works.

Ten Lane Seeding Method for Qualifying Heats

<u>Lane #</u>	<u>10</u>	<u>9</u>	<u>8</u>	<u>7</u>	<u>6</u>	<u>5</u>	<u>4</u>	<u>3</u>	<u>2</u>	<u>1</u>
Heat 1	50	48	46	44	42	41	43	45	47	49
Heat 2	40	38	36	34	32	31	33	35	37	39
Heat 3	30	24	18	12	6	3	9	15	21	27
Heat 4	29	23	17	11	5	2	8	14	20	26
Heat 5	28	22	16	10	4	1	7	13	19	25

The basic idea is to seed the fastest swimmers into the later heats and the smoother water of the center lanes; the top ranked swimmer will be in lane #5 of the last heat for their age group. The last three heats are seeded as a single group of 30 swimmers. The ten fastest swimmers from each set of qualifying heats in each age group will advance to the event final and be seeded for the finals in the following manner:

Ten Lane Seeding Method for Finals

<u>Lane #</u>	<u>10</u>	<u>9</u>	<u>8</u>	<u>7</u>	<u>6</u>	<u>5</u>	<u>4</u>	<u>3</u>	<u>2</u>	<u>1</u>
Heat 1	10	8	6	4	2	1	3	5	7	9

This method is also used to seed the 'A' and 'B' Medley and Free Relay events into lanes 2-9 based upon each team's relay entry time. There are no qualifying heats held for the relay events; each team is allowed one 'A' and one 'B' relay team in each age-group, the lane assignments listed in this program are for the final relay events. Only the results of the 'A' relay team are included in the scoring; the 'B' relays are not scored.

2016 Suburban Swim League Championships Colorado Timing System

Overview

The Suburban Swim League uses semi-automatic timing to capture all times. This method is called semi-automatic because the time starts automatically at the start, but is manually captured at the finish.

The Colorado System consists of a computer, a starting horn and strobe light, a set of three push-button plunger switches per lane, and the display board. The horn and strobe light signal the start; clocking of all swimmers begins simultaneously. The three timers on each lane use the buttons to manually stop clocking in their lane when the swimmer touches. The three times obtained on each lane are printed at the computer console and sent on with the lane slip to the scorers. When two of the three buttons agree, that is considered the official time. When no buttons agree, the intermediate time (middle time) of the three is the official time. The official time will be displayed on the board. One timer on each lane will also use a stopwatch to manually time the swimmers; the stopwatch time will be recorded as a backup time on the swimmer's lane slip.

Instructions to Timers

1. Please listen carefully to the briefing provided by your shift head timer.
2. Lean over the edge of the pool at the finish to clearly see the touch.
3. Press the timing system switch when the swimmer touches. Do NOT anticipate the touch. Backup timers will also stop their watch at the swimmer's touch.
4. If you do not understand a legal finish, please ask your head timer!
5. Disqualify yourself if you feel that you missed the touch. Inform the Head Timer of the miss and have the recorder indicate your switch number on the lane slip.
6. The backup stopwatch timer (all timers when manual timing is being used) must always watch the strobe light that signals the start. Check your watch after the start of the race to make sure that it is running. If you miss the start of the race, immediately notify the head timer for a back up watch.
7. Be aware of the length of the race (50 or 100 yards – 2 or 4 lengths of the pool).
8. Backup timers should NOT clear their watch until the Meet Referee blows his whistle.
9. Be fair to the swimmers.
10. Be courteous to the swimmers. Help younger swimmers to exit the pool if needed.

The length of the meet is highly dependent upon the speed and efficiency of the timers and the backup. Please move as quickly as possible without sacrifice to accuracy and neatness.

2016 Suburban Swim League Championships Individual and Team Awards

- Ribbons will be awarded to all finishers in each preliminary heat.
- Medals will be awarded to each individual (1st through 10th place) finalist.
- Ribbons will be awarded to each Consolation Finalist (1st through 10th place).
- Medals will be awarded to each member of every relay, both A & B relays
- Trophies will be awarded to the top three individual high point girls and boys in each age-group (individual points may be earned in only one age-group).
- The overall high point girl and boy will each receive a trophy. Swimmers receiving this award are not eligible for the age-group high point trophy above.

Team Awards

- **Gloria E. Zielke Championship Trophy:** Awarded to the League Champion (high-point team)
- The SSL will award trophies to the runner up and third place team based on points scored.
- Team trophies will be awarded to the regular season dual meet champion, runner up, and third place team based on winning percentage. Ties will be broken based on total points scored during the season.
- Sportsmanship: The SSL will present a perpetual trophy to the SSL club recognized for exceptional sportsmanship over the course of the season
- President's Award: Awarded by the SSL to recognize the team with the highest "splash efficiency", in other words, the highest ratio of points earned to splashes
- Under 10 Excellence Award: The SSL will recognize the team scoring the highest number of points among swimmers age 10 and below.

Event Scoring -- Points Awarded

Place in Finals	1st	2nd	3rd	4th	5th	6th	7 th	8th	9 th	10th
