## Very Junior Golf User Friendly

- » The goal for The University Club is to grow the game of golf beginning with the junior golf program. We currently have juniors ranging from age 6 to 16. From beginners to experienced junior golfers we can assist in elevating his or her game to the level he or she desires. During the summer months we offer the LSU Tiger Chuck Winstead Junior Golf Camp.
- » The four practice holes at The University Club add an element of opportunity that no other golf course in the area can provide. The practice holes may accommodate juniors for a quick four holes before heading home or may present a junior with a golf shot that may only be replicated on the golf course.
- » Another advantage for your junior golfer is the Chuck Winstead Golf Academy. Andrew Lanaham is the lead instructor and works with many juniors on a regular basis. Expanding the game of golf is our priority with the benefit of our juniors learning the game with experienced instructors and the state of the art facility.

# One of the Finest Practice Facilities

- » The practice range is one of the largest and well groomed, and very seldom shows wear and tear because of its tremendous size.
- » We use Titleist NXT non-stripe range balls, and rotate them often. The four practice holes, 1 par 3, 2 par 4's, and 1 par five, only add to your golf experience at The University Club.
- » We have two large practice putting greens, along with a great chipping green with bunkers.
