Guide for the WOP Application

Your first screen

This is a previous step to have access to the online application of the WOP Master's Programme

Read carefully the 3 ways of accessing. If you are not a Spanish citizen, most probably you will have to create a user and password. So, please click on the 3rd option "OFFICE user"

The screenshot shows the login page for the WOP application. At the top, there is a header for 'UNIVERSITAT ID VALÈNCIA' with a search bar and language settings. Below the header, the page asks 'What form of access would you like to choose?' and lists three options: 'Digital certificate', 'Generic university user (university staff and students)', and 'OFFICE user'. The 'OFFICE user' option is highlighted in blue. Below the options, there are three bullet points providing details for each access method. At the bottom, there is a prompt to 'Select the access method through which you would like to enter the OFFICE.' and a contact email address: entreu@uv.es. The URL at the bottom of the browser window is https://webnec.uv.es/ty/Entreu/Webl/Accesso/SF11.kn?idForm=WOP_5T12&idForm=WOP_5T12#.

Your second screen (when creating an OFFICE user)

The screenshot shows the 'entred' web application interface. At the top, there is a navigation bar with 'entred' and 'El meu loc personal'. Below this, a search bar contains 'Verification of documents'. The main content area asks 'What form of access would you like to choose?' and lists three options: 'Digital certificate', 'Generic university user (university staff and students)', and 'OFFICE user'. The 'OFFICE user' option is expanded, showing a form with a photo of a padlock and a person's ID card. The form includes a description: 'Enables to access the OFFICE using a username and a password', followed by 'Username' and 'Password' input fields, an 'Access' button, and two links: 'Retrieve password' and 'Applying for access'. An orange callout bubble points to the 'Applying for access' link with the text: 'Click on "Applying for access" to create an account'. At the bottom, there is a small disclaimer about digital certificates.
