	TOTAL	100.0%

*In Copper Oxide

Sulphur Fineness: Not less than 93: Passing No. 325 USS Sieve

CAUTION: KEEP OUT OF REACH OF CHILDREN

DIRECTIONS: SULPHENE with Copper is useful in the control of Thrips, Velvetbean Caterpillars (peanut worm), Climbing Cutworms, Red Spiders, and Mites. Also aids in the control of Leaf Spot.

Apply at the rate of 20 lbs. per acre for early season control and up to 10 lbs. per acre later in the season. Make first application just as soon as the peanuts are up and REPEAT at weekly intervals. Do not apply within two weeks of expected harvest. FIELDS WHERE PEANUTS HAVE BEEN GROWN IN EITHER OF THE TWO PRECEDING YEARS will probably have a much earlier infection. It may be necessary to dust such fields two or three additional times. This product may be applied with conventional ground equipment or by aircraft.

CAUTION: Harmful if swallowed. Harmful vapor and dust may be absorbed through the skin causing irritation of skin and eyes. Avoid inhaling or getting into eyes. Avoid skin contact. Avoid contamination of food and feed products. Keep clothing free from residues. Use respirator and goggles. Wash with soap and water after exposure.

Do not feed treated forage to dairy animals or animals being finished for slaughter. Paper containers should be buried or burned. Stay well away from smoke.

This product is toxic to fish, birds and other wildlife. Birds feeding on treated areas may be killed. Keep out of any body of water. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

This product is toxic to bees and should not be applied when bees are actively visiting the area.

ANTIDOTE: INTERNAL: Give one tablespoon of salt in a glass of water and repeat until vomit is clear.

EXTERNAL: Wash with soap and water.

NOTICE TO BUYER: Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
