

3'n 1 is a New Type MOTEL and HOSPITAL cleaner especially formulated to disinfect or control staph and salmonella germs in normal cleaning.

This powerful odorless deodorizer leaves a fresh clean aroma—no medicinal smell. Recommended for floors, walls, bathrooms, lavatories, showers, furniture, and all surfaces requiring cleaning, disinfecting or deodorizing.

DIRECTIONS

For cleaning and disinfecting bathrooms, floors, walls, woodwork. Use 2 ounces per gallon of water.

For heavy cleaning 3 to 4 ounces per gallon of water.

Regular use will help reduce bacteria and odors.

Simplifies cleaning and disinfecting with its combination detergent and sanitation action.

U.S.D.A. Reg. No.

ACTIVE INGREDIENTS

6.20

n-Alkyl (C₁₄ - 50%, C₁₂ - 40%, C₁₆ - 10%)
dimethyl benzyl ammonium chloride, Sodium
carbonate, Tetrasodium Salt of ethylenediamine
triacetic acid.

INERT INGREDIENTS

93.80%

Water, Nonyl phenoxy polyethoxy ethanol and
Essential oils.

●
CAUTION

Avoid contamination of foodstuffs. The undiluted
sanitizer is a strong disinfectant and may cause irri-
tation or be harmful if swallowed.

Avoid contact with skin and eyes. In case of contact,
flush with plenty of water. If irritation persists, get
medical attention.
