WHAT'S AHEAD ? Local Predictions For Coming Year

Looking ahead for the coming 12 months of a brand new year, the Mid Island Herald Staff presents the following forecast for the mid-Island Community:

POLITICS: Political events which began to take shape during 1953 will develop in the new year. Lewis N. Waters of Syosset, a civil engineer who for many years was president of his local school board and more recently served as a councilman and acting supervisor, will take office on the first day 1954 as the Supervisor of the Town of Oyster Bay. He will succeed Charles E. Ransom, who retired after serving two years, and will benefit by a pay increase for supervisors which becomes effective in the new year.

As Waters moves up to the position of chairman of the Town Board, his former position as Councilman will be filled by James "Happy" Norman of Bethpage. It will mark the first time in recent years that a Bethpage resident has held an important elective township position.

With the new year, the Town Board is expected to appoint a brand new town official in the person of a comptroller—a new job provided in the 1954 budget. He will handle much of the fiscal details which in the past have been part of the work of the Oyster Bay Supervisor.

And the new year, besides bringing \$1,000 pay increase for the elected town officials, will also find Highway Superintendent John R. Blandt of Hicksville with a new deputy in the person of Thomas R. Pynchon of East Norwich, formerly with the county public works dept.

The new year may also see the selection of a new Township Republican leader. Howard T. Hogan of Farmingdale, prominently mentioned for Supreme Court appointment by the Governor, may vacate the leadership position after serving less than a year. Strongest contender to succeed Hogan appears to be Ransom. Although County Clerk Ernest Francke of Hicksville would not be adverse to taking control, other top GOP executives are just as keen for the position themselves. Ground lost in the Hicksville area to the Democrats in 1953 have syphoned off some of Francke's political glamor, according to informed sources.

The year 1954 will also see the Democrats sharply focus their attention on Oyster Bay Township as the area in which they believe they can make the greatest gains. Election of county, state and congressional candidates in the fall will see a campaign following the pattern of last October.

GOVERNMENT: Homeowners in the Hicksville area will continue their efforts to get a vote on incorporation in 1954. First attention will be upon the possibility of rearranging certain points of Judge Cyril Brown's order of late December upholding the decision of Supervisor Ransom. If rearrangement fails, Home Rule proponents are pledged to a new petition drive, greatly encouraged in their plans by the community opinion.

The new year will see Hicksville lavished with—and taxed for—all kinds of public improvements. More parking fields will be developed with a site on the south end of Broadway near Old Country Rd next scheduled for recommendation as a off-street car park.

There will be a lot of newspaper headlines about Hicksville R.R. grade crossing elimination but little actual achievement is anticipated. Efforts will be focused upon obtaining designation of the local crossings as warranting prime consideration with a view to getting plans and cost developed.

Herald Set Record This Month

The Mid-Island HERALD, our community newspaper, published a total of 152 pages during the month of December, an all-time local record. The 152 pages appeared in nine twice-weekly editions of which distribution was over 56,000 copies. While today's issue is dated Jan. 1, it was printed in December, to make the grand total for the month 168 pages.

HICKSVILLE—The ruling of County Judge Charles E. Ransom that this community rule is "so close" to the minimum amount owners may seek the opportunity to re-found the petition of over 6,000 property required.

Receipt of a copy of the memorandum late last week as filed by Judge Brown with his order, affirming the decision of Supervisor Ransom, revealed that he considered the petition based upon the 1952-53 assessment total as correct. This was in sharp disagreement with Ransom who sought to apply the higher 1951-54 assessment total.

With signatures on the consent petition representing \$13,092,893, the proponents had an excess of \$584,306 to the good. "Acceptable withdrawals" filed up to Aug. 19 amounted to \$453,951, still leaving the petitions with an excess of \$130,355.

However, the Judge subtracted \$335,050 for Ampere Electronic Corp. which he ruled as "invalid" and \$5,150 for Schwinge Corp. for the same reason, making the petition \$110,000 short.

The Home Rule Committee noted today, however, that \$5,150 was apparently already deducted as a "withdrawal", making the petition short by only \$104,850. Further, the Judge, without apparent explanation, had not allowed for \$84,270 represented as "withdrawals" or "reinstatements" by people who signed, withdrew, then sought to reinstate their assessment.

SHORT ONLY \$20,425

If allowed this \$84,270, the petition thus remains only \$20,425 short of the required \$12,506,587 or one third of \$37,525,768. With such a slim margin between the right to a referendum and the prospect of starting afresh with a new petition, the Home Rule Committee hopes they can offer further convincing arguments.

HICKSVILLE—The ruling of County Judge Cyril J. Brown who agreed with Supervisor Charles E. Ransom that this community may not decide by ballot on the question of home rule is "so close" to the minimum amount of valuation required that the Committee of home owners may seek the opportunity to reargue the appeal, it was indicated today. Judge Brown found the petition of over 6,000 property owners was short \$110,000 of the \$12 1/2 million required.

Receipt of a copy of the memorandum late last week as filed by Judge Brown with his order affirming the decision of Supervisor Ransom, revealed that he considered the petition based upon the 1952-53 assessment total as correct. This was in sharp disagreement with Ransom who sought to apply the higher 1951-54 assessment total.

Bethpage Girl Winner Of Coloring Contest

Winners in the Christmas Story Coloring Contest sponsored by the Mid-Island Herald in cooperation with the Bank of Hicksville received their prize awards on Wednesday morning. The many excellent entries submitted by

hundreds of mid-Island children up to 11 years of age made the task of selection of the top winners difficult for the judges.

First award, \$10 in cash, went to eleven year old Joan Phillips of 500 Farm Edge Road East, Bethpage.

Second award, \$7.50 in cash, to Suzanne Charbonnet, age 7 1/2, of 59 Briggs St., Hicksville.

Third award, \$5.00 in cash, to Diane Wharton, age 10, of 175 Lee Ave., Hicksville.

The photograph of the winners receiving their prizes for the best sets of six colored panels of the Christmas story published in the Herald prior to the holiday, will appear in an early issue.

Judges of the contest were Rev. Edward H. Stummel, pastor of Trinity Lutheran Church in Hicksville; Miss Irene Stoffel, talented artist and designer, of 130 Newbridge Rd., Hicksville, and Fred J. Noeth, editor of the Herald.

Honorable mention went to the following: Patricia Groff, 49 Admiral Lane; Bill and Don Barron, 94 Winter Lane; Tom Solimone, 8 St. Elm St.; Rosa Szendy, 5 Walnut Lane; Arleen Agnes-Schwenmer, 51 Blueberry Lane; Richard Bankosky, 35 Malone St.; Diane Starling, 15 Hucker Ave. (Continued on Page 6)

Lawyers Elect Judge Carman

FARMINGDALE — Willis B. Carman has been elected president of the South Shore Lawyers Assoc and will take office at an installation affair on Jan. 27 at the India House, North Bellmore. County Executive A. Holly Patterson will conduct the installation of officers. Judge Carman is attorney for the Hicksville Home Rule Committee.

Look Back As 1953 Fades Out

With 1954 about to make its bow, it's time to turn back the pages of the Mid Island Herald to Jan. 1, 1953, to present some of the past year's events.

JANUARY — Herbert F. Cavanaugh takes over as principal of the New Fork Lane Grade School . . . Hicksville School Board orders night bus for junior high . . . Flames gut Zirk barn, gobble up yule trees . . . Town to fence his-

toric Jericho pond . . . Bethpage to vote on spending \$1,000,000 for new elementary school . . . Dorothy Gums bride Jan. 11 of John Emms . . . Burning roast calls firemen to home of Blanche McVickers at Cottage Blvd. . . Flu epidemic hits adults . . . C.D. auxiliary police resign as group in protest over county police. . .

FEBRUARY — Mr. and Mrs. John Leckie of Nicholai St., Hicks-

ville, mark 25th wedding anniversary . . . Landng site sought for helicopter mail . . . Adolph G. Soininen appointed to school board . . . Firemen plan to celebrate department's 69th Anniversary with open house on Feb. 14 . . . Teachers' pay scale up \$300 . . . Bethpage postoffice site chosen . . . Civic Council protests joint Levitt Hall district proposal. . .

MARCH — Hickville PBC wins third Alliance flag on Alcock's 32 points . . . Dutch Lane School on Mar. 22 . . . Record breaking 3190 registered voters, half expected to turnout for vote on new high school . . . Organize Hicksville Chamber of Commerce. . .

APRIL — Temporary dam erected to hold off flood waters behind Tip Top Lane homes off Lee Ave. . . New four million dollar high school approved as 1677 vote—1228 yes, 854 no . . . Hickville Kiwanis Club to send 20 boys to camp . . . Old Country School Dedication, Apr. 19 . . . Plainview Vamps expect delivery of two new fire trucks. . .

MAY — Total Hickville assessed valuation may hit \$48,000,000 . . . Break Ground on May 2 for Lutheran School at Hicksville . . . Tea at Library opens Independent Art Exhibit . . . JULY — 1331 children report for Summer Playtime . . . Two hurt as big gas main ignites on South Broadway at Somerset.

Dear Jean:

We hear the old folks at Jones Institute get a real nice present for the holidays. . . An anchor fence has been put around the entire place. Now the problem is this: is the fence to keep the old folks in the property or to keep the rest of the world out of the poor house? Wait till I hear about this!!! . . . The decision of county Judge CYRIL J. BROWN on the Hickville incorporation vote appeal was regarded as so significant, from the standpoint of law, that it was published in full in the Law Journal last week. . .

BERNARD A. GEED of 67 Underhill Ave., Hicksville, who was listed in the Dec. 29 Herald as the driver of a truck which ran into an abutment on Dec. 24, according to police reports, called the Herald to say that he was "not even present" when the accident occurred. He said the driver was HERMAN TUCKER of 240 Old Country Rd., who was taken to the hospital with a cut forehead. GEED reports that he was driving TUCKER home and that the latter decided to go off for a ride in the truck which he did without Mr. GEED's permission, leaving the latter stranded on John St., in Westbury.

We have been getting increasing complaints that certain local barns are not too fuzzy about the age of some of their customers. . . Basket Lane, Hicksville, broke into the New York Daily News on Monday. A stolen truck was involved in the theft of 80,000 pounds of coffee. It carried the following legend: "Video Carriers Inc., 27 Basket Lane, Hicksville, L. I." . . . Happy birthday to SAM WEISS who celebrates the day on New Year's Eve. Sam got a big thrill out of a greeting card from his granddaughter across the sea in Europe. SHIRLEY POPE of Link Lane, Hicksville, is prominently mentioned for the steno job at Levittown Hall in Hicksville when the two townships take it over, today. She was among the official objectors to the home rule vote. One good turn deserves another? . . . Headline in local newspaper EIGHT YEARS AGO THIS WEEK: "Progress on Grade Elimination forecast; State program listed six local crossings." That was the first week of January, 1946. . .

Hicksville . . . 1100 start savings accounts as Central Savings Opens . . . Dutch Lane playground increases from 218 to 310 in one day . . . Two local Churches, First Reformed and Parkway Community to merge Oct. 1 . . . Hickville Night held at Ebbets Field . . . Residence present big Hickville Home Rule vote petition to Supervisor. . .

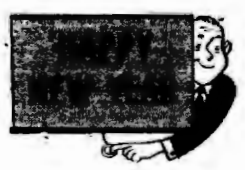

AUGUST — Post office seeks bids for Plainview branch . . . Jericho School tax declines 2c . . . Publication of Herald twice weekly hailed with enthusiasm . . . Vote on Home Rule by end of October, proponents hope hearing set for Sept. 17 . . . Mary Haughey becomes bride of Army man, to live in New Mexico . . . Mr. and Mrs. William E. Koutensky celebrate Silver Wedding Anniversary on Aug. 22 . . . Going back to school, students will find 73 new faces in Hickville faculty; 5,000 pupils expected . . . Frost winds up summer reading program at library in Hickville. . .

SEPTEMBER — Lack of parking drives business out of town, survey of local shoppers proves . . . School Bell Rings Sept. 9 . . . All previous attendance records shattered at 25th Annual Firemen's Labor Day Parade . . . Huge water storage tank going up on rear of Water District property on Bethpage Rd . . . Mabel R. Farley, principal of High School,

suffers fracture of leg in accident; misses first day of school first time in 25 years . . . Knights of Pythias seek local Charter . . . 900 enroll for adult education (Continued on Page 6)

HILLSLIDE TERRACE HAPPENINGS: Parties And Visits For Holiday

By BETTY MOGAVERO
Hicksville 4-8771
Hello all! I'll be with you folks whenever I get enough community news together to form a column, so if any Hillside Terrace folks have a little item you might want entered in your column, because it is your column, you may call me and I'll be happy to submit it for you. Nothing is too trivial or too small as we are all interested in anything about our neighbors. I'm hoping it will result in all of us learning a little more about each other and becoming closer because we are neighbors.

Happy Birthday greetings to Johnny Archer, who was seven December 29 and to Donald Giles whose birthday was Dec. 28, to Michael Markowitz who will be 10 on Jan. 10, and to his father, Bob who will celebrate Jan. 6 . . . however he "ain't" talking but says he's 21 plus.

Mr. and Mrs. Charles Romeo celebrated their 15th anniversary Dec. 26. They live at 26 Haverford Rd. . . Capt. Thomas Thompson of the U.S. Army and his wife, Stella will mark their 12th anniversary Jan. 7. Congratulations Tom and Stella . . . Speaking of the Thompsons, their very good friends, Mr. and Mrs. Lyon of Plattsburg, N. Y. (Stella's home town) are visiting with them for the holidays.

Dr. and Mrs. Jack Weber are spending the holidays with Betty's folks in Cleveland, Ohio . . . Trudy and Carl Arnold of Wellesley Lane will be leaving for Westchester to ring out the old and ring in the new with Trudy's parents.

Betty and Oz Sinini's holiday was brightened by a timely visit from Betty's mother, Mrs. Frances Mallard of Chicago. Hazel Ericason flew in from Warrington, Fla., to be with her son, Reginald Smith and his family. She hadn't seen

her granddaughter, Melissa since she was two months old. While off the subject of visiting relatives, Mr. and Mrs. Scalora had a very pleasant visit with their relatives from York, Pennsylvania.

The Mogaveros are pretty happy too. Sam's younger brother, A/Sc Jack Mogavero who is with the U.S. Air Force, has just returned from Germany where he has been stationed for the past two years. He will be here until Jan. 17 so the family has cause to be joyful.

TO MARK 1954 WITH PARTY'S
Mr. and Mrs. Clifford Danielson of Haverford Rd. will hold a New Year's Eve party in their home. Some of the guests will include Mr. and Mrs. Hardy, Mr. and Mrs. David Kormines, Mr. and Mrs. Stricknoff, Mr. and Mrs. Coyle and Mr. and Mrs. Simisi. Cliff and Jane will also celebrate Jane's birthday on New Year's Day. She will be 29, she said. Happy Birthday Jane and many of them . . . Mr. and Mrs. Weisman are holding a New Year's party at their home on Hunter Lane. Mr. and Mrs. I. Skolnick and Mr. and Mrs. Jargulo will be there to help them greet the New Year.

Mr. and Mrs. Starsky of 70 Vassar Lane will also give a party New Year's Eve. Attending will

be Mr. and Mrs. Fred Newman, and Mr. and Mrs. Higgins, all of Vassar Lane.
And last but not least, let us not forget our Civic Assoc. Our president, George Walsh has announced that the next regular meeting will be on Jan. 18 at 8 P.

Mr. at the Elm St. School. The three winners of the best decorated houses will be announced then. Let's have a good turn-out.
To close may I add mine and my family's best wishes for the coming year. May we all know peace, prosperity and happiness.

Robert Andrews and Miss Marie Rottkamp
Mr. and Mrs. Joseph M. Rottkamp of Carman Ave., Hicksville, have made known the engagement of their daughter, Marie to Robert Andrews, son of Mr. and Mrs. John Andrews of 4 Franklin Ave., Hicksville.

Both are graduates of Hicksville High School. Miss Rottkamp in the class of 1952 and her fiance in the class of 1951. Since graduation she has been employed with the Metropolitan Life Insurance Co. in Levittown.

Mr. Andrews is in service with the U.S. Army and is stationed at Camp Chaffee, Arkansas.

Water districts. (c) Ordinances, rules and regulations: The town board shall have the power to amend from time to time ordinances, rules and regulations for the operation of the water district and the use of water therein, and in addition to the remedies provided in section one hundred thirty-five of the enforcement thereof or for the punishment of violators, the town board may enforce compliance with such ordinances, rules and regulations by cutting off the supply of water.

(d) Water rates. The town board shall establish from time to time the water rates to be paid by consumers and may provide for the payment of said water charges in advance. The board may provide that a discount shall be allowed for prompt payment of water rates within the time required by the board for the payment thereof. Such water charges shall be a lien upon the real property upon which or in connection with which the water was used.

(e) Penalties. The town board may provide by ordinance or resolution that unpaid water charges in arrears for thirty days or longer shall be subject to a penalty not exceeding ten per centum of the amount due, and may further provide for cutting off the supply of water if such water charges are not paid within sixty days from the date due.

(f) Fire hose or appliances or fire extinguishers. Any person who shall willfully or maliciously displace, remove, injure, or destroys:

10. Any person who shall without authority of the corporation owning the same open any fire-hydrant except for the purpose of extinguishing a fire, or who shall wantonly injure or impair the same, or who shall willfully or maliciously displace, remove, injure or destroy any fire hose or appliances or fire extinguishers, shall be guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of ten dollars or by imprisonment in a county jail for the term of ten days; and it shall be the duty of all policemen, deputy sheriffs or constables to arrest any person found violating this subdivision.

Section 1432. UNLAWFUL INTERFERENCE WITH WATER METERS, WATER SERVICE PIPES AND THEIR CONNECTIONS

A person who, willfully, with intent to injure or defraud:

1. Breaks or defaces, or causes to be broken or defaced the seal of a water meter;

2. Obstructs, alters, injures or prevents, or causes to be obstructed, altered, injured or prevented, the action of any such meter or other instrument used to measure or register the quantity of water supplied to or consumed by any person, corporation or company; or

3. Makes or causes to be made any connection by means of pipe, conduit or otherwise with the water main or service pipe of any person, corporation or company, furnishing water to consumers, in such manner as to take water from said main or service pipe without its passing through the meter or other instrument provided for registering or measuring the amount or quantity of water taken from said main or service pipe; or

4. Makes any connection or re-connection with the water main or

service pipe of any person, corporation or company furnishing water to consumers, or turns on or off, or in any manner interferes with any water, stopcock or other appliance belonging to said person, corporation or company, without obtaining from such person, corporation or company a written permit to make such connection or re-connection or to burn or otherwise interfere with said water, stopcock or other appliance; or

5. Prevents, by the erection of any device or construction, or by any other means, free access to any such meter by the person, company or corporation furnishing such water; or interferes, obstructs or prevents, by any means, the reading or inspection of such meter, is guilty of a misdemeanor.

GENERAL INFORMATION FOR WATER CONSUMERS

1. The rules and regulations of the Board of Water Commissioners and these Ordinances are part of the contract for water supply; therefore, you should read them carefully and preserve them for reference.

2. All installations, repairs and additions to the water supply system must be performed by plumbers duly licensed by the Plainview Water District. A list of licensed plumbers may be found at the Administration Building of the Plainview Water District.

3. All meter readers and inspectors employed by the District are to be given immediate access to the water supply system on any premises. All meter readers and inspectors will carry with them proper identification; however, if you have any doubt as to their identity, they should be required to identify your meter number. In addition, you may call the District office for further identification. Telephone number: Hicksville 3-6469.

4. Persons desiring to discontinue water service are required to give at least ten days written notice prior to the expiration of any quarter-annual period. Failure to do so will render the consumer liable for the minimum water charge for the succeeding period.

5. The owners of real property are liable for the rents and water charges for all water consumed thereon. These rents and charges become a lien upon the property in the event that they are not paid promptly. Water shall not be kept running when it is not in actual use. Such action is deemed to be waste and will subject the consumer to the penalties provided in the Ordinances of the Plainview Water District.

6. The District assumes no responsibility for the freezing of mains or water supply systems or for leakages occurring therein nor will it assume any liability for damages resulting therefrom.

7. All consumers are asked to promptly notify the office of the Plainview Water District of any change of ownership or address to which bills are to be sent.

8. No refund or overcharges resulting from errors in billing will be made unless the error is called to the attention of the District at the time of payment.

9. The District will pay a \$25.00 reward for information leading to the arrest and conviction of any person damaging any fire-hydrant, main, meter or other property, willfully causing the waste of water within the District.

10. Consumers and property owners are requested not to build fences or to plant shrubbery or to place any other obstruction directly above any water service lines located on their property. In the event that repairs are required, the damages and cost of removal of

such fences, plants, shrubbery or other obstructions must be born by the consumer.

11. All regular meetings of the board are open to the public.

12. Due to the high pressure normally existing in the pipe lines and mains of the Plainview Water District, it is recommended that all premises be equipped with pressure regulator valves. The District assumes no responsibility or liability for damages or injury that may result from changes of pressure within the water system.

13. Suggestions for the improvement of the facilities or the service of the District are welcome.

ORDINANCES OF THE PLAINVIEW WATER DISTRICT

The Board of Water Commissioners of the Plainview Water District, Town of Oyster Bay, County of Nassau, State of New York, at a regular meeting held on the 28th day of December, 1963, upon due notice, a majority of said Board being present and voting, in order to provide for the regulation of the affairs of the Plainview Water District, the management of its business, the preservation of good order, business, health, safety and welfare of the inhabitants of the Plainview Water District, does hereby ordain and enact the following ordinances by unanimous vote:

Yuletide Dance Was Great Fun

PLAINVIEW—"Wasn't the Christmas Dance fun? Hope we have one every year," a Plainview Teen Age Club member commented as the holiday affair held Friday evening, Dec. 18, came to an end.
Decoration by Donna Schellhammer, Donnie Rojas, Johnny Peterson, Eileen Kalfur and Barbara Clark were elaborate. A canopy of crepe multi-colored paper covered the ceiling and created the proper festive touch for the dance. Adding the seasonal emphasis was a decorated Christmas tree.
On the refreshment list were cakes, soda of all flavors, potato chips, pop corn and candy. Responsible for all the goodies were Corinne Santamaria, Lucille Pasio, Al Cilento and Dickie Savers, members of the Refreshment Committee.
Chaperones for the dance were: Mrs. Francis McLoughlin, Gwyn Rees and Alfred Cilento.
Tony Purner, Ginny Woodward and Eddie McLaughlin were the contest winners.
Because of the holidays no meetings will be held until Jan. 8 at 7:30 at the Manetto Hill School. A roller skating party is planned for Friday evening, Jan. 15.

Legion Santa Visits Shut Ins

PLAINVIEW—More than 600 local youngsters were the guests of the Plainview Post No. 1812, American Legion, at the first annual Christmas party held at the Manetto Hill School.
Under the direction of chairman Joseph Arnea who was assisted by members of the post and the Ladies Auxiliary, a program of Yule Tide cartoons was presented as well as a song fest featuring many of the more popular Christmas carols.
Preceding his visit to the school, Santa (portrayed by John Marzopoli) made a tour of the entire village making numerous stops to call on 18 shut-in and sick children unable to attend the gala affair.
Following the program at the school, Santa, accompanied by Commander Al Schupp, Harry Yates, Gus Maggio, Ernie Zarza and Dr. Edward Tracey visited Meadowbrook and Nassau Hospitals, Nassau County Sanatorium and St. Giles, St. Christopher's and St. Mary's homes, where more than 400 additional stockings and gifts were presented to the youngsters. Another 250 gifts were given to the Salvation Army.

Jewish Centre Meets On Jan 5

PLAINVIEW—The next regular monthly meeting of the Jewish Community Center here will be held on Jan. 5, at the Manetto Hill School at 8:30 P.M.
Mrs. Solomon Newborn, coloratura soprano formally with the Young Peoples Opera who has studied with the New York College of Music, will sing a number of Jewish and Israeli songs, accompanied by Mrs. Edgar Rothstein at the piano to commemorate Jewish Music Month.
President Mrs. Sam Iser will open the meeting. She will discuss further plans for the card and mah-jongh party to be held on Jan. 20.
ANNOUNCE ENGAGEMENT
Mr. and Mrs. Andrew Bunn, Sr. of 537 Potter Blvd., Brightwater, announce the engagement of their daughter, Virginia A. to Alfred E. Hartmaier, Jr., son of the senior Mr. and Mrs. Hartmaier of 127 Tenth St., Hicksville.
A May wedding is planned.

WEEKEND VISITOR
August W. Rieck, who is stationed with the U.S. Coast Guard at Cape May, N. J., spent the Christmas weekend with his fiancée, Miss Rose E. Sharratt and parents, Mr. and Mrs. Charles Sharratt of Centre St., Hicksville. Mr. Rieck is the son of Mr. and Mrs. Harry Rieck of Preston, Maryland.

Fond Farewell

With the establishment of the Joint Hall District, Levitt and Sons are pulling out of Long Island pretty completely. As far as is known, the only active Levitt operation in these parts will be the Levittown Tribune. There is little propagandizing to be done to further Levitt aims, so the future status of the Levitt-owned paper is a bit up in the air. Levitt is gone to new fields to conquer in Pennsylvania, and we have every hope that we will have no more interference in our civic and political affairs from him.

Give The Devil His Due

Let's give the devil his due. There is no doubt that Levitt & Sons produced houses by mass production methods and reduced the cost by a considerable amount. They introduced great competition among the builders of Long Island, and that was good. However, along with all the good there has been unfortunately quite a bit of bad. First of all, Levitt was responsible for creating a new and large community, but he ignored many of the problems brought about by his creation. Schools were completely neglected. During a single summer vacation several thousand children came into the area with no provisions for their schooling. Levitt said it was up to the people. Sure, but how much can be done by a brand new community in two months time. Most of us recall how the schools were terribly overcrowded for more than a year until new schools could be built.

Unwanted interference in community affairs was another bad Levitt habit. As long as he could, the interference was from the back room through some of our neighbors. But when his aims were not achieved, he came out into the open. The Pool Hall District is one of the results.

How About Pennsylvania?

This is a good time to inquire about Levitt's tactics in Levittown, Pa. Does he continue his interfering ways there? For one answer we can look at a recent copy of the Levittown (Pa.) Advance. It says "He (Levitt) singled out Duke Sloan (a local resident) as the primary target of his 20-minute tirade and said, 'If I lived in Levittown, I would personally make sure to run him out'. We also have it from Sloan that some of Levitt's representatives gave him friendly warnings to stop "complaining". When the friendly warnings were ignored, Levitt's men went to Sloan's employer to try to induce him to fire Sloan.

Grave Concern

Mr. Sloan tells us that a number of people are gravely concerned with Levitt's actions and the long term consequences of these actions without some concerted opposition. It would seem that we are not unique in our problems with Levitt.

The Legionnaire

Christmas has come and gone and a wonderful experience it was for the Mangels. We certainly hope that people everywhere had a joyous holiday.

Naturally when we start out with a Christmas thought the next item must be the 1963 American Legion Christmas Party. A party that each year, if it does not increase in size, at least does so in variety and enthusiasm. In the past we've made an attempt to count and report the "house" but on Sunday we gave up and merely report that it was jammed as usual. And if there is any idea that it wasn't an enjoyable affair ask any of the (seemed like a thousand) children present.

The Committee, headed by Bill Arvidson and including Jim Carter and Jack Mulholland came up with a well organized party. Running true to Legion form volunteers from the party Miss Gay Smith, Jack Williams and others stepped in just at the right time to lend a hand and keep things running smoothly. Don't know why, but this seems to be S.O.P. at most Post affairs. In line with this incidentally, Bill Arvidson personally requested us to acknowledge the assistance of all you good folk who gave so generously of your time, cakes etc.

To get the party off on the right foot the little ladies and gentlemen (and they were both) were treated to movies through the courtesy of Ernie Beinnercher. Later, with Jim Carter as MC and providing the song sheets, the entire assembly sang several of the better known Christmas Carols. Mickey Watson was at the piano joined later by Jack McKenna on guitar.

Then to the strains of Jingle Bells Santa (Walt Schlichting) Claus arrived and dug into 250 chocolate bars, 200 pieces of gum and 144 stockings filled with whistles, yo-yo's, rocket guns, puzzles and

The Cleary Oral School For The Deaf had another great Christmas party and to be very truthful, the credit goes to Mrs. Ruth Donilli of Bethpage who does wonders in such a short span of 12 months. On Saturday afternoon, Bill Danda, Commissioner Strembel, Fred Kastner and Hal Cooley travelled by Bus to the St. Mary's Home in Syosset where they took in hand 36 children and brought them to an AMVET Christmas party. Through the kindness of the Board of Fire Commissioners and the Firemen of Company 2, the kiddies were given the thrill of a life time seeing the fire trucks, hearing sirens, looking at many trophies the Department won. Our great thanks to such good men as Whitey Dyckman, Eddie Lauritsen, Pete Mailik and Harry Czeziel who acted as guides.

At 7:30 P.M. we went to Farmingdale Sanatorium where we played host to 65 veterans. The show that we wanted to put on failed to come, but with our own talent in the forms of Bill Corcoran, Mal Gertzen and Jim Surlless, we can say all went well. On Sunday afternoon, Dec. 20 the post had all the children of the post at the big affair. Santa Claus handed out gifts and there was ice cream, cake, candy, soda etc. It is at this time I would like to thank again the Fire Commissioners, Fire Co. 2, Drakes Bakerie, E & H Dance Studio, Jan

SECTION 4.1 TEMPORARY HYDRANT PERMITS—CLASS B
In all cases where buildings or other structures are in the process of construction and no water is to be required for mixing cement or concrete, the District may issue temporary hydrant permit, Class B, which shall entitle the holder thereof to the right to affix a reduction valve or valves to a fire hydrant or hydrants designated by the Board of Commissioners.
The fee for a temporary hydrant permit, Class B, shall be \$1.50 per building or structure, but shall not be less than \$10.00.
SECTION 4.2 TEMPORARY HYDRANT PERMITS—CLASS C
In all cases where water is sought to be taken from a hydrant or any other source within the Plainview Water District, a permit may be issued therefor upon the payment of a permit fee of \$5.00. If water so taken is to be used for spraying farms or gardens, an additional charge of 25 cents per acre shall be made.
SECTION 4.3 EXPIRATION AND RENEWAL OF TEMPORARY PERMITS
All temporary permits shall expire one year from the date of issuance thereof except that Class A and Class B permits may be renewed without additional charge upon application to the District at least two days prior to the expiration thereof.
SECTION 4.10 TEMPORARY METERS TO BE REMOVED WHEN NOT IN USE
All meters, reduction valves or other connections attached to fire hydrants in accordance with the temporary permits issued by the District are to be removed at the conclusion of each day's work and no other obstruction thereto shall be permitted at any time.
SECTION 4.11 PLUMBERS PERMITS AND PERFORMANCE BONDS
Plumbers permits will be issued to persons who establish their qualifications to the satisfaction of the Board and upon payment of the fee of \$2.00. Every plumber shall file with the Board a performance bond in the penal sum of \$1,000.00 for each one hundred homes or fraction thereof in which he shall make installations, repairs or improvements in any twelve month period. Such bond shall be placed with one or more sureties acceptable to the Board and shall be conditioned that the licensee will pay to the District the amount of all fines or other expenses imposed by the Board in connection with the performance of the work of the licensee upon any facility owned by or which at any time in the future may be owned by the District, and further conditioned that the licensee will indemnify and save the District, the Board and the employees thereof harmless from liabilities and all damages and injuries incurred by the District or shall from an installation, repair, extension or use of the facilities of the District performed by him, and further conditioned that the licensee will replace and restore to the satisfaction and approval of the appropriate government authority all streets and pavement removed by the licensee in connection with the work performed by him. Such performance bond is to cover and insure the District against defective material or workmanship of such installations, repairs or improvements for a period of one year from the date of inspection by the Plainview Water District as herein provided.
SECTION 4.12 RESTORATION OF DISCONTINUED SERVICE
Whenever it shall become necessary for the District to turn off or to turn on the water supply of any consumer, a minimum service charge of \$2.00 for turning off and \$2.00 for turning on shall be made, except that no service charge shall be made for inspecting or testing of meters reported and found to be not functioning. In the event that a meter shall be found to be out of order which has not been repaired, a minimum charge of \$2.00 for testing will be made.

arate and distinct stop cocks and meters must be provided for each building or premises.
SECTION 5.2 WATER TO BE MET-TERED
Except as otherwise provided herein, all water service shall be rendered and supplied through meters of standard type approved and furnished by the Plainview Water District and shall be of such size as the Board shall deem proper. The Board reserves the right to grant permits upon application for the installation of temporary service at a flat rate for such service or to require that a meter be installed.
SECTION 5.3 PLUMBERS TO BE REGISTERED
No person shall make any attachment to or connection with the pipes or mains of the District or make any repairs, additions, extensions or alterations to the facilities of the District unless he is an authorized employee of the District or a plumber duly registered with the Board. The issuance of permits to plumbers shall be at the discretion of the Board and may be established by ordinance.
SECTION 5.4 TAPPING TO BE REPRESENTATIVE
All tapping of the District and setting of meters shall be performed by an authorized employee of the District or by such other person as the Board shall designate.
No plumber or other person shall, without specific authorization by the Board, tap or otherwise connect, disconnect or repair any pipe, valve or other appurtenances to any facility of the District, except that a duly registered plumber may make installations and repairs of water lines and appurtenances on the consumer's side of the meter, provided that the said installation or repair shall in all respects comply with the specifications and requirements as may be established by these Ordinances and by the Board of Commissioners.
Where a person other than an employee or officer of the District shall be authorized by the Board to tap mains and install or set water meters, he shall post a surety performance bond covering his workmanship and material in an amount that shall be satisfactory to the Board.
SECTION 5.5 INSPECTION OF NEW INSTALLATION AND EXTENSIONS
No water shall be introduced into private pipe lines upon any premises until and unless the same shall have been inspected and approved, and, if there be a meter on the premises, until the said meter shall have been officially sealed by the District.
SECTION 5.6 NEW INSTALLATIONS AND UNDERGROUND METER PITS
Except where authorized by regulation of the Board of Water Commissioners, meters for permanent installation shall be installed in underground meter pits located upon the exterior of the premises.
The underground meter pits, meter riser cover, corporation stop, curb stop, copper setter and/or ring style valves, meter and curb box shall be supplied by the District at the expense of the consumer or the premises and shall conform in all respects to the requirements and specifications established by the Board of Commissioners and by these ordinances.
Except as otherwise provided in these ordinances the installations shall be made by the consumer at his own expense and shall conform in all respects to the requirements and specifications established by the Board of Commissioners or by these ordinances.
SECTION 5.7 ACCESS TO METERS
All meters shall be set in an accessible manner in a place approved by the Board and shall not be obstructed in any manner that will interfere with the prompt reading, repairing, testing or inspecting thereof.
SECTION 5.8 ENTRY UPON PREMISES
The Board of Commissioners, its authorized employees or agents are authorized to come upon the premises of the consumer at all times for the purpose of reading, inspecting, repairing, maintaining or removing or testing the water facilities, meters and appurtenances through which water of the District is supplied.
SECTION 5.9 SETTING OF METERS
Meters shall be set with the inlet and the outlet in a horizontal plane with the register on top.
No outlet through which water may be taken may be installed in

LEGAL NOTICE
any line between the main and the meter.
SECTION 5.10 STOP VALVE IN BUILDINGS
A stop valve shall be installed within the building at the closest practicable point where the service line enters the building. Wherever the meter shall be located within the building, the stop valve shall be located on the inlet side of the meter.
SECTION 5.11 PROTECTION OF METERS
No hot water lines or other units capable of producing heat shall be located within one foot of the meter.
No red or white lead or joint compound shall be used on joints between the main and the meter.
A wire gauze disc shall be placed in the union between the meter and the service pipe leading from the main.
SECTION 5.12 DRAINAGE
All installations must be equipped with a stop and waste cock located inside the building wall on the outlet side of the meter, and the pipes shall be so sloped and arranged as to permit all water to be drained therefrom.
SECTION 5.13 LEAKAGES
Sealings in any line or appurtenance through which District water is supplied shall be repaired immediately.
SECTION 5.14 REPAIR AND REPLACEMENT OF METERS
Meters shall not be tampered with or disturbed by any unauthorized person.
In the event that any meter fails to register or otherwise becomes out of order, the consumer shall notify the District immediately.
All repair or replacement of meters will be made by an authorized employee or agent of the District, and the cost thereof will be charged to the consumer.
All meters which in the opinion of the Board have become unsuitable for further use shall be replaced by another meter at the expense of the consumer.
SECTION 5.15 SERVICE PIPES, FITTINGS AND MAINS—DEAD ENDS PROHIBITED
Service pipes, fittings, corporation stops, curb stops, curb boxes and meters shall be of such size, make and construction as the District shall deem proper. Service pipes of less than two inches in diameter shall be of pure seamless copper tubing with bronze fittings and shall be made and approved by the Board. All copper tubing shall be of the following dimensions and gauge:

Outside Dimensions	Gauge (BWG)
1-1/8 inch	16
1-3/8 inch	16
1-5/8 inch	15

Service pipes 4 inches in diameter or larger shall be of Universal cast iron pipe, except as otherwise hereinafter provided, and shall be connected to a tee in the main with a gate valve and a box close to the main.
Service pipes between one and four inches in diameter may be of copper pipe or Universal cast iron pipe or of galvanized wrought iron pipe with fittings of the same material as the pipe in each case, or they may be lined with, or coated with some other non-corrosive material. They shall be connected to the main by a tee or other proper fitting authorized by the Board of Commissioners.
Lead goosenecks shall not be used.
Service pipes of less than one and one-half inches shall have an inverted key type curb cock and service box, and service pipes between one and one-half inches and two inches shall have a gate key type valve installed outside the property line of the premises.
All distribution pipes shall be of a quality and weight suitable for service under a pressure equivalent to at least (330) feet head of water.
All water mains hereafter installed shall be of the Plainview Water District shall be of at least six inches I.D.
All water mains shall be constructed and installed in such manner as to permit a free flow of water through them at all times. The use of "dead end" lines is prohibited.
SECTION 5.16 PROXIMITY OF MAIN TO SEWAGE AND DRAIN TRENCH
No water main or service pipe shall be laid in a sewer or drain trench, nor will any sewer or drain be permitted in any water main or service pipe trench. No water main will be permitted to pass over

Fond Farewell

With the establishment of the Joint Hall District, Levitt and Sons are pulling out of Long Island pretty completely. As far as is known, the only active Levitt operation in these parts will be the Levittown Tribune. There is little propagandizing to be done to further Levitt aims, so the future status of the Levitt-owned paper is a bit up in the air. Levitt is gone to new fields to conquer in Pennsylvania, and we have every hope that we will have no more interference in our civic and political affairs from him.

Give The Devil His Due

Let's give the devil his due. There is no doubt that Levitt & Sons produced houses by mass production methods and reduced the cost by a considerable amount. They introduced great competition among the builders of Long Island, and that was good. However, along with all the good there has been unfortunately quite a bit of bad. First of all, Levitt was responsible for creating a new and large community, but he ignored many of the problems brought about by his creation. Schools were completely neglected. During a single summer vacation several thousand children came into the area with no provisions for their schooling. Levitt said it was up to the people. Sure, but how much can be done by a brand new community in two months time. Most of us recall how the schools were terribly overcrowded for more than a year until new schools could be built.

Unwarranted interference in community affairs was another bad Levitt habit. As long as he could, the interference was from the back room through some of our neighbors. But when his aims were not achieved, he came out into the open. The Pool Hall District is one of the results.

How About Pennsylvania?

This is a good time to inquire about Levitt's tactics in Levittown, Pa. Does he continue his interfering ways there? For one answer we can look at a recent copy of the Levittown (Pa.) Advance. It says "He (Levitt) singled out Duke Sloan (a local resident) as the primary target of his 20-minute tirade and said, 'If I lived in Levittown, I would personally make sure to run him out!'. We also have it from Sloan that some of Levitt's representatives gave him friendly warnings to stop "complaining". When the friendly warnings were ignored, Levitt's men went to Sloan's employer to try to induce him to fire Sloan.

Grave Concerns

Mr. Sloan tells us that a number of people are gravely concerned with Levitt's actions and the long term consequences of these actions without some concerted opposition. It would seem that we are not unique in our problems with Levitt.

The Legionnaire

Charles Wagner Post No. 421, American Legion

Christmas has come and gone and a wonderful experience it was for the Mungals. We certainly hope that people everywhere had a joyous holiday.

Naturally when we start out with a Christmas thought the next item must be the 1953 American Legion Christmas Party. A party that each year, if it does not increase in size, at least does so in variety and enthusiasm. In the past we've made an attempt to count and report the "house" but on Sunday we gave up and merely report that it was jammed as usual. And if there is any idea that it wasn't an enjoyable affair ask any of the (seemed like a thousand) children present.

The Committee, headed by BNI Arvidson and including Jim Carter and Jack Mulholland came up with a well organized party. Running true to Legion form volunteers from the party like, Guy Smith, Jack Williams and others stepped in just at the right time to lend a hand and keep things running smoothly. Don't know why, but this seems to be S.O.P. at most Post affairs. In line with this incidentally, Bill Arvidson personally requested us to acknowledge the assistance of all you good folk who gave so generously of your time, cakes, etc. To set the party off on the right foot the little ladies and gentlemen (and they were too) were treated to movies through the courtesy of Ernie Reischer. Later, with Jim Carter m.c.'ing and providing the song sheets, the entire assembly sang several of the better known Christmas Carols. Mickey Watson was at the piano joined later by Jack McKenna on guitar.

Then to the strains of Jingle Bells Santa (Walt Schlichting) Claus arrived and dug into 250 chocolate bars, 200 pieces of gum and 144 stockings filled with whistles, yo-yo's, rocket guns puzzles and

hard candy to the delight of all the youngsters there. In fact, one little lad, at the urging of Jack Williams, even managed seconds—much to the embarrassment of Muriel Arvidson.

Jim Carter took pictures a group of children sang Silent Night and for the rest of the afternoon men and pop had coffee and cake while the offsprings played and consumed a huge amount of soda, ice cream and cake. Artie Blesch put in a hard afternoon behind the stick and most folks quietly stole away between 5 and 6 P.M.

You know we are forever in trouble over omission of names but our face reached the purple stage when we learned Al Barlow, who introduced and pushed from the floor the Welfare Fund plan, failed to get credit as a committee member in our last column. The needle he gave us was sterilized however and he didn't even mention we skipped him in the Gifts for the Yanks listing along with Jim Carter and Bill Arvidson.

And on Gifts for the Yanks thought you'd like to know that in addition to the regular visit to Farmingdale Sanitarium with gifts for the vets there and the donations to the County and State Funds, this year and for the first time 12 veterans at Jones Institute were remembered by the American Legion. Although its not iron clad, the Post intends to continue Christmas throughout the year at Jones Institute.

Henry Bruegel tells us he'd like to see some more bonds redeemed. Bond holders, please note... Bill Arvidson attended 5-1st meeting of Executive at the Post and signed up as a Committeeman... And on scouting—A Legion team being recruited to help the annual Boy Scout Drive set for Jan. 31... Last shuffleboard offer finalized as Commander Barnett anxious to hear of another... Muscular Dystrophy forwarded usual donation... And now, as overworked as the expression may seem, a well intended

The Cleary Oral School For The Deaf had another great Christmas party and to be very truthful, the credit goes to Mrs. Ruth Donilli of Bethpage who does wonders in such a short span of 12 months. On Saturday afternoon, Bill Danda, Commander Strembel, Fred Kastner and Hal Cooley travelled by Bus to the St. Mary's Home in Syosset where they took in hand 36 children and brought them to an AMVET Christmas party. Through the kindness of the Board of Fire Commissioners and the Firemen of Company 2, the kiddies were given the thrill of a life time seeing the fire trucks, hearing sirens, looking at the many trophies the Department won. Our great thanks to such swell men as Whitey Dyckman, Eddie Lauritzen, Pete Malik and Harry Czecl who acted as guides.

At 7:30 P.M. we went to Farmingdale Sanitarium where we played host to 65 veterans. The show that we wanted to put on failed to come, but with our own talent in the forms of Bill Corcoran, Mal Gerzen and Jim Surless, we can say all went well. On Sunday afternoon, Dec. 20 the post had all the children of the post at the big affair. Santa Claus handed out gifts and there was ice cream, cake, candy, soda etc. It is at this time I would like to thank again the Fire Commissioners, Fire Co. 2, Drake's Bakerie, E & H Dance Studio, Jane

BILLY JOHNDRO with Santa at the Amvets Christmas Party. At least 150 kiddies were present to receive gifts.

and Jerry Ventricolquist, Helen Schneider, Helen Grey, Ellen Swicicki, Enama Maxey, Tessie Rumens, John Swicicki, Fred Blackley and all the others I have mentioned in part of this column.

BITS OF NEWS HERE AND THERE: Sorry to hear that AMVET Kennedy's Mom has been ill. Tom Hogan and Tony Schumacher on the ill list. Visiting the boys on a short visit was "Wolf" Aracil home to see the Mrs. and Baby from Camp where he is with the Paratroopers Jim Palmer now released from service and Joan the gal with the wonderful voice. Before I close this column please let me say thanks to all you wonderful people who sent this columnist hundreds of cards. Your kindness is some thing I shall long remember.

So for now This is JIMMY COOLEY.

LEGAL NOTICE

Consent Form (4)
To be filed by the Board of Commissioners and constitute an agreement to comply with and be bound by the ordinances, rules, and regulations of the Plainview Water District and amendments thereto. Such applications shall also constitute a consent by the applicant and consumer for all commissioners, agents, officers or employees of the District to enter upon any property owned or leased by the applicant or consumer for the purpose of installing, inspecting, repairing or removing any or all meters, valves, pipes or other property of the Plainview Water District located thereon or for the purpose of examining, inspecting or testing the plumbing facilities on such property and the manner in which the water or services of the District are being used.

Section 2.2 APPLICANTS ARRANGEMENTS TO BE PAID
No application for the use or installation of water or of the facilities of the Plainview Water District will be approved nor will any permit or license be granted, nor will any contract be entered into with any person until all charges or arrearages due from such person to the District shall have been paid.

Section 2.3 FEES, DEPOSITS AND INSTALLATION CHARGES TO BE PAID IN ADVANCE
Applications or contracts for the use or installation of water or water facilities of the District shall not be acted upon, approved or accepted by the Board of Commissioners until and unless the full amount of all fees, deposits and installation charges, as the same shall from time to time be fixed by these Ordinances or by the Board of Commissioners for the use of such water or water facilities, shall have been paid to the District.

Section 2.4 TEMPORARY OR EXTRAORDINARY SERVICE PERMITS
Applications for temporary service or for service of an extraordinary nature will be accepted. Written applications will be issued, and temporary or extraordinary water service will be supplied provided it does not interfere with the use of water for fire protection and for general purposes. Applicants requiring temporary or extraordinary water service shall reimburse the District for all expenses incurred by the District in connection with providing the said temporary or extraordinary service.

ARTICLE III BILLING

Section 3.1 BILLS PAYABLE AT DISTRICT
All bills for water or water facilities used, or services performed by the District shall be paid to the District at its business office, Plainview, Town of Oyster Bay, Nassau County, New York. Bills checks in payment of bills shall be received subject to collection.

Section 3.2 NEW SERVICE PRO-RATED
All bills are payable in accordance with the classification of the applicable service classification.
For new service installed at any time during the billing period, the minimum charge and the amount of water allowed thereunder will be pro-rated according to the number of days during which the billing period after service has been made available.

Section 3.3 DISCONTINUED SERVICE NOT PRO-RATED
No allowance will be made upon discontinuance of service for the unexpired portion of any quarter-year period. Any consumers wishing to discontinue the use of water shall give written notice thereof to the District at least ten days prior to the expiration of the current quarter-year period. In the event that he shall fail to give such notice, he shall be liable for the full rental for all ensuing periods until such notice shall be given and the service discontinued.
Section 3.4 BILLS TO BE RENDERED AND PAID QUARTER-ANNUALLY
Meters will be read quarter-annually and consumers will be billed quarter-annually on or about the first days of March, June, September and December in each year.
No bills will be rendered or payment accepted for less than the minimum charge except as provided for new consumers.

Section 3.5 PENALTIES FOR NON-PAYMENT AND ARREARAGES
All bills are due and payable when rendered. A penalty of ten (10%) per cent of the amount due shall be added to all unpaid water and service charges which are in arrears for thirty days or longer.

LEGAL NOTICE

If such water within sixty days from the due date, the water supply will be cut off and discontinued. Such water supply shall not be resumed or turned on until all charges and penalties are paid and an additional service charge of \$4.00 shall have been paid.
All water service charges by the District shall be a lien upon the real property in connection with which such water or services were used.

ARTICLE IV DEPOSITS, FEES, RATES AND MINIMUM CHARGES AND DEPOSITS TO BE PREPAID

No person or corporation shall take water of the District or otherwise utilize the facilities of the District for any purpose without the permission of the District obtained upon written application and upon payment of all fees, charges and deposits required in connection therewith.

Section 4.1 FEES, CHARGES AND DEPOSITS TO BE PREPAID
The following water rents, rates and charges for service through metered connections within the Plainview Water District are hereby established:

(a) For all water consumed in any quarter year period not in excess of fifty thousand (50,000) gallons the rate shall be fifty-five (55) cents per one thousand (1,000) gallons of water consumed.

(b) For all water consumed in any quarter year period in excess of fifty thousand (50,000) gallons, but not in excess of seventy-five (75,000) gallons, the rate shall be fifty (50) cents per one thousand (1,000) gallons of water consumed.

(c) For all water consumed in any quarter year period in excess of seventy-five (75,000) gallons, but not in excess of one hundred thousand (100,000) gallons, the rate shall be forty-five (45) cents per one thousand (1,000) gallons of water consumed.

(d) For all water consumed in any quarter year period in excess of one hundred thousand (100,000) gallons, but not in excess of five hundred thousand (500,000) gallons, the rate shall be forty (40) cents per one thousand (1,000) gallons of water consumed.

(e) For all water consumed in any quarter year period in excess of five hundred thousand (500,000) gallons, the rate shall be thirty (30) cents per one thousand (1,000) gallons of water consumed.

Section 4.3 MINIMUM QUARTERLY CHARGE
In the event that the amount of water consumed in any quarter period shall not exceed seven thousand and three hundred (7,300) gallons, there shall be a minimum charge of \$4.00 for that quarter year period.

Section 4.4 RATES OUTSIDE OF DISTRICT
The Board may establish a different or other rate for any water or service furnished outside the geographical limits of the Plainview Water District.

Section 4.5 NEW INSTALLATION CHARGE
An installation charge of \$83.00 shall be made for each premises into which water shall be introduced for permanent consumption. This charge shall include the following materials and services which shall be furnished by the District:

- (a) Water meter and setting thereof.
- (b) Asbestos meter pit and meter pit cover.
- (c) Extension service box and rod.
- (d) Corporation stop.
- (e) Curb stop.
- (f) Ring style valves.
- (g) Tap and inspection of facilities.

The asbestos meter pit, ring style valves, curb stop, extension service box and rod shall be set by the applicant or consumer at his own expense.

Section 4.6 TEMPORARY HYDRANT PERMITS—CLASS A
All water used for mixing concrete or cement for the construction of buildings and roads and all water used for irrigating land shall be metered. In such cases the meters may, with the consent and the approval of the Board of Commissioners, be affixed to a designated hydrant or hydrants. The fee for each temporary hydrant permit, Class A, shall be \$5.00. In addition thereto, the applicant shall deposit with the District the sum of \$40.00 for each meter as a security against damage or destruction to the meter or hy-

LEGAL NOTICE

drant for each meter shall be rendered and the charge shall conform to the rate established for water consumption in the Plainview Water District for permanent installation and service.

Section 4.7 TEMPORARY HYDRANT PERMITS—CLASS B
In all cases where buildings or other structures are in the process of construction and no water is to be required for mixing cement or concrete, the District may issue a temporary hydrant permit, Class B, which shall entitle the holder thereof to the right to affix a reduction valve or valves to a fire hydrant or hydrants designated by the Board of Commissioners.

The fee for a temporary hydrant permit, Class B, shall be \$1.50 per building or structure, but shall not be less than \$10.00.

Section 4.8 TEMPORARY HYDRANT PERMITS—CLASS C
In all cases where water is sought to be taken from a hydrant or any other source within the Plainview Water District, a permit may be issued therefor upon the payment of a permit fee of \$5.00. If water so taken is to be used for spraying lawns or gardens, an additional charge of 25 cents per acre shall be made.

Section 4.9 EXPIRATION AND RENEWAL OF TEMPORARY PERMITS
All temporary permits shall expire one year from the date of issue thereof except that Class A and Class B temporary permits may be renewed without additional charge upon application to the District at least two days prior to the expiration thereof.

Section 4.10 TEMPORARY METERS AND VALVES TO BE REMOVED WHEN NOT IN USE
All meters, reduction valves or other connections attached to fire hydrants in accordance with the temporary permits issued by the District are to be removed at the conclusion of each day's work and no other obstruction thereto shall be permitted at any time.

Section 4.11 PLUMBERS PERMITS AND PERFORMANCE BONDS
Plumbers permits will be issued to persons who establish their qualifications to the satisfaction of the Board and upon payment of the fee of \$2.00. Every plumber shall file with the Board a performance bond in the penal sum of \$1,000.00 for each one hundred homes or fraction thereof in which he shall make installations, repairs and improvements in a two (2) month period. Such bond shall be placed with one or more sureties acceptable to the Board and shall be conditioned that the licensee will perform the work in connection with the performance of the work of the licensee upon any facility owned by or which at any time in the future may be owned by the District, and further conditioned that the licensee will indemnify and save the District, the Board and the employees thereof harmless from liabilities and all damages and injuries resulting directly or indirectly from an installation, repair, extension or use of the facilities of the District performed by him, and that in the event of any such damage or injury he will replace and restore to the satisfaction and approval of the appropriate government authority all streets and pavement removed by the licensee in connection with the work performed by him. Such performance bond is to cover and insure the District against defective material or workmanship of such installations, repairs or improvements for the period of one year from the date of inspection by the Plainview Water District as herein provided.

Section 4.12 RESTORATION OF DISCONTINUED SERVICE
Whenever it shall become necessary for the District to turn off or to turn on the water supply of any consumer, a minimum service charge of \$2.00 for turning off and \$2.00 for turning on shall be made, except that no service charge shall be made for inspecting or testing of meters reported and found to be not functioning. In the event that a meter shall be found to be out of order which has been reported, an additional charge of \$2.00 for testing will be made.

ARTICLE V INSTALLATIONS
Section 5.1 WATER NOT TO BE SUBMITTED
No more than one premise or building shall be supplied through approval of the Board, nor may water be submitted to more than one permanent installation except

LEGAL NOTICE

arate and distinct stop cocks and meters must be provided for each building or premises.
Section 5.2 WATER TO BE METERED
Except as otherwise provided herein, all water service shall be rendered and supplied through meters of a make and type approved and furnished by the Plainview Water District and shall be of such size as the Board shall deem proper. The Board reserves the right to grant permits upon application for the installation of lenient service at a flat rate for such service or to require that a meter be installed.

Section 5.3 PLUMBERS TO BE REGISTERED
No person shall make any attachment to or connection with the pipes or mains of the District or make any repairs, additions, expansions or alterations to the facilities of the District unless he is an authorized employee of the District or a plumber duly registered with the Board. The issuance of permits to plumbers shall be at the discretion of the Board and may be revoked at any time.

Section 5.4 TAPPING TO BE PERFORMED BY DISTRICT REPRESENTATIVE
All tapping of the District and setting of meters shall be performed by an authorized employee of the District or by such other person as the Board shall designate.

No plumber or other person shall, without the express authorization by the Board, tap or otherwise connect, disconnect or repair any pipe, valve or other appurtenances to any facility of the District, except that a duly registered plumber may make such connections and repairs of water lines and appurtenances on the consumer's side of the meter, provided that the said installation or repair shall be at the discretion of the Board and the conditions and requirements as may be established by these Ordinances and by the Board of Commissioners.

Where a person other than an employee or officer of the District shall be authorized by the Board to tap mains and install or set water meters, he shall post a surety performance bond covering his workmanship and material in an amount that shall be satisfactory to the Board.

Section 5.5 INSPECTION OF NEW INSTALLATION AND EXTENSIONS
No water shall be introduced into private pipe lines upon any premises until and unless the same shall have been inspected and approved, and if there be a meter on the premises, until the said meter has been officially sealed by the District.

Except where authorized by resolution of the Board of Water Commissioners, all meters for permanent installation shall be installed in underground meter pits located upon the exterior of the premises.

The underground meter pits, meter pit cover, corporation stop, curb stop, copper setter and/or ring style valves, meter and curb box shall be supplied by the District at the expense of the consumer or owner of the premises and shall conform in all respects to the requirements and specifications established by the Board of Commissioners and by these ordinances.

Except as otherwise provided in these ordinances the installations shall be made by the consumer at his own expense and shall conform in all respects to the requirements and specifications established by the Board of Commissioners or by these ordinances.

Section 5.7 ACCESS TO METERS
All meters shall be set in an accessible manner in a place approved by the Board and shall not be obstructed in any manner that will interfere with the prompt reading, repairing, testing or inspecting thereof.

Section 5.8 ENTRY UPON PREMISES
The Board of Commissioners, its authorized employees and agents are authorized to come upon the premises of the consumer at all times for the purpose of reading, inspecting, repairing, maintaining or removing or testing the water facilities, meters and appurtenances through which water of the District is supplied.

Section 5.9 SETTING OF METERS
Meters shall be set with the inlet and the outlet in a horizontal plane with the register on top. The outlet shall be installed in

LEGAL NOTICE

any line between the main and the meter.
Section 5.10 STOP VALVE IN BUILDINGS
A stop valve shall be installed within the building at the closest practicable point where the service line enters the building. Wherever the meter shall be located within the building, the stop valve shall be located on the inlet side of the meter.

Section 5.11 PROTECTION OF METERS
No hot water lines or other units capable of producing heat shall be located within one foot of the meter.
No red or white lead or joint compound shall be used on joints between the main and the meter.
A wire gauze disc shall be placed in the union between the meter and the service pipe leading from the main.

Section 5.12 DRAINAGE
All installations must be equipped with a stop and waste cock located inside the building wall on the outlet side of the meter, and the pipes shall be so sloped and arranged as to permit all water to be drained therefrom.

Section 5.13 LEAKAGES
All leaks in any line or appurtenance through which District water is supplied shall be repaired immediately.

Section 5.14 REPAIR AND REPLACEMENT OF METERS
Meters shall not be tampered with or disturbed by any unauthorized person.
In the event that any meter fails to register or otherwise becomes out of order, the consumer shall notify the District immediately.

All repair or replacement of meters will be made by an authorized employee or agent of the District, and the cost thereof will be charged to the consumer.

All meters which in the opinion of the Board have become unsuitable for further use shall be replaced by another meter as the expense of the consumer.

Section 5.15 SERVICE PIPES FITTINGS AND MAINS—DEAD ENDS PROHIBITED
Service pipes, fittings, corporation stop, curb stops, copper boxes and meters shall be of such size, make and construction as the District shall deem proper. Service pipes of less than two inches in diameter shall be of pure seamless copper tubing with bronze fittings of a type and make approved by the Board. All copper tubing shall be of the following dimensions and gauge:

Outside Dimensions	Gauge (BWG)
7/8 inch	16
1-1/8 inches	18
1-3/8 inches	20
1-7/8 inches	25

Service pipes 4 inches in diameter or larger shall be of Universal cast iron pipe, except as otherwise hereinafter provided, and shall be connected to a tee in the main with a gate valve and a box close to the main.

Service pipes between one and four inches in diameter may be of copper pipe or Universal cast iron pipe or of galvanized wrought iron pipe with fittings of the same material as the pipe in each case, or they may be lined with lead or some other non-corrosive material. They shall be connected to the main by a tee or other proper fitting authorized by the Board of Commissioners.

Lead goosenecks shall not be used.
Service pipes of less than one and one-half inches shall have an inverted key type curb cock and service box, and service pipes between one and one-half inches and two inches shall have a gate key type valve installed outside the property line of the premises.

All distribution pipes shall be of a quality and weight suitable for service under a pressure equivalent to at least (350) feet head of water.

All water mains hereafter installed within the Plainview Water District shall be of at least six inches I.D.

All water mains shall be constructed and installed in such manner as to permit a free flow of water through them at all times. The use of "dead end" lines is prohibited.

Section 5.16 PROXIMITY OF MAINS TO SEWAGE AND DRAIN
No water main or service pipe shall be laid in a sewer or drain trench, nor will any sewer or drain be permitted in any water main or service pipe trench. No water main will be permitted to cross within

HICKSVILLE BOWING
Note Local Stray Dog Problem

By MARGE KERN
 Hicksville 4-1336
 Santa's visit to the community was a huge success. He arrived Christmas Day along with his elves and distributed presents to children along Cliff Drive, Cedar St., and all the side streets along the way. Santa would especially like to thank his driver, W. Jean-son, who gave his time and truck to make the visits possible, and also everyone else who pitched in to help.

I hope all my neighbors enjoyed their holiday and I wish every one of my readers a healthy and happy New Year.
 The houses in our community are certainly decorated and look lovely. It is a pleasure to drive around and see them.

STRAY DOG PROBLEM
 At the last Civic meeting Dec. 15 there was a discussion about the many stray dogs running loose in our area. A leashed dog does not get into trouble, so how about leashing your pet, dog owners? The

strays are littering lawns and ruining shrubs, besides scaring small children playing out of doors. Our children are not even safe from dogs in their own yards. Before the town board takes action on this situation, let's solve it ourselves by curbing and leashing our pets.

Now for the bright and cheery side of the news: The Bifalcos of Cliff Drive celebrated their 12th wedding anniversary Dec. 12. Congratulations folks.

Marking their birthdays recently were: Bea Lombardi, Dec. 22; Anthony Tocerino, a year old on Dec. 16; Jo Ann Vignati, six on Christmas Day, who celebrated the occasion Dec. 28 with the following playmates as guests: Jean Corrieri, Pat Weirzbowski, Candy Kane, Sharon Rizzi, Michael Sweeney, and Donna Lombardi.

CIVICS URGE BETTER ATTENDANCE
 The Civic organization would like to see more people out to the meetings in 1954. Jan. 19 is the date of the next meeting at 8 P.M. in the East St. School.

Being home owner presents problems which may be brought to the meeting as the organization can help solve many. Come out to these meetings and see what is going on around you.

Just a little reminder about disposal of Christmas trees. The sanitation men will pick them up so please give it to them, don't throw them in an empty lot for children to burn.

CELEBRATE BIRTHDAY
 Tom Priest, son of Mr. and Mrs. James Priest, was four years old Dec. 22 and celebrated Dec. 19 at his home at 1 Juniper St. Enjoying the games and birthday cake with him were: Ginny McKernan, Buster Sluder, Stephen and Mark Zeltmann, Louis Ammato, Catherine Brennan, Jackie Rausch, Maureen and Bill Mashburn, and Bill Boumeister.

ELFRIEDE KIKS
 Mr. and Mrs. H. W. Kiks of 95 Burns Ave., Hicksville, announce the engagement of their daughter, Elfriede to A. J. Henry P. Hinck, Jr., son of the late Mr. and Mrs. Hinck, Sr. who resided at 16 Maiden Lane, Lynbrook.

Miss Kiks is a graduate of Hicksville High School and also is a student at Juilliard School of Music and Manes Music College. She is employed with the New York Telephone Co.

Her fiance, who was graduated from Lynbrook High School and Hofstra College, is stationed in California.
 No date has been set for the wedding.

CELEBRATES BIRTHDAY
 Arthur F. Noeth celebrated his 8th birthday on Monday at the home of his parents, Mr. and Mrs. Fred J. Noeth, Twinlawns Ave., Hicksville. Guests during the day to enjoy coffee, cake and ice-cream were Mr. and Mrs. Robert Bogart and son Eugene, Mrs. Martha Martino, Ann Emptying, Arthur's sister, Lynda, and Louis Martino.
 Guests who helped celebrate on Christmas night were Mr. and Mrs. George Barr of Floral Park, Mrs. Ruth Hanson, Mrs. Ella Hempstead and William Moss of East Orange, N. J.

Home Bureau Meets Jan 5

The next meeting of the Eastern Chapter of the League of Women Voters will be held in the home of Mrs. Theodore Stahlich, 592 Broad Drive, Wantagh, Tuesday, Jan. 5th at 8:30 P.M.

Members planning to attend the meeting are asked to bring their Christmas cards. The group will use the cards to make scrap books for the Crippled Children's Hospital in Richmond, Va. The hospital is the sorority's national philanthropy.

Any former members of the sorority wishing to join the local chapter may contact Mrs. James Sturtevant at 47 Lexington Ave., Bethpage.

Mr. and Mrs. Edward Ghannelli of Lenox Ave., Hicksville, entertained on Saturday evening at their home. Guests included, Mr. and Mrs. Dick Rennie, Mr. and Mrs. Edgar Strong, Mr. and Mrs. Joseph Lynch, Jr., Alfred Ghannelli, Mr. and Mrs. Frank Zembraskie and Mr. and Mrs. Fred J. Noeth.

Scheduled for early release after serving two years in the Marine Corps is Marine Cpl. Robert F. Heitman, son of Frederick J. Heitman of Hollis, and husband of the former Miss Alice Benson of Hicksville.

HER 4th BIRTHDAY
A pink birthday cake lighted with enough pink candles to announce that she was four years old was cut Dec. 19 by Andrea, daughter of Mr. and Mrs. Vincent Braun of 158 Third St., Hicksville, at a party held in the basement recreation room of the Braun home. Andrea received many pretty gifts.

Her guests included: Nancy and Anita Lee, Diane Dunbar, Eleanor Heuer, Thomas and Patrick Skelly, Naquette LeCarpentier, Thomas, Charles, Judy and Cathy Saurer, Andrea's sisters, Cynthia and Beverly and her brother, Vincent, Jr. Mr. and Mrs. William Braun of Halsey Ave., Hicksville, called to wish their granddaughter many happy returns of the day.

Alumnae Association To Meet On Tuesday

The next meeting of the Eastern Chapter of the League of Women Voters will be held in the home of Mrs. Theodore Stahlich, 592 Broad Drive, Wantagh, Tuesday, Jan. 5th at 8:30 P.M.

Members planning to attend the meeting are asked to bring their Christmas cards. The group will use the cards to make scrap books for the Crippled Children's Hospital in Richmond, Va. The hospital is the sorority's national philanthropy.

Any former members of the sorority wishing to join the local chapter may contact Mrs. James Sturtevant at 47 Lexington Ave., Bethpage.

Miss Gladys Gilde, daughter of Mr. and Mrs. Fred Gilde of 171 Second St., Hicksville, is vacationing over the holiday season after a busy autumn in New York where she is studying at the Traphagen School of Fashion, majoring this year in Costume Design and Illustration.

P-T A TO MEET
"Fresh Variable Winds", the second in a series of three plays on the subject of child psychology, will be presented by the Arena Theatre Players at a meeting of the Dutch Lane P-T A Tuesday, Jan. 5, at 8:15 P.M. The play will be under the direction of Donald Wallace of Levittown.

Following the play, William Glaser, psychologist for Hicksville School District, will conduct a question and answer period on the topic "Understanding Our Children." For all parents of the Dutch Lane School, Hicksville, this will be a very interesting and informative evening.

New Neighbors on Prose St., Hicksville, are Mr. and Mrs. Joseph Szarynski and daughter, formerly of Hollis; Mr. and Mrs. Frank Cochran and three children, formerly of Ridgewood, Queens; Mr. and Mrs. Richard Collins and daughter, formerly of Brooklyn; and Mr. and Mrs. John Weber, and daughter, formerly of Corona, L. I.

Miss Schuessler To Become Bride

The engagement of Margaret Schuessler, daughter of Mr. and Mrs. Joseph Schuessler of 28 Island Pl., Flushing, and the late Mr. Schuessler, to Stephen B. Birchell, son of Mr. and Mrs. Stephen J. Birchell of 266 Plainview Rd., Hicksville, has just been made known by Mrs. Schuessler.

Both were graduated in 1953 from Hicksville High School. Miss Schuessler is employed by the Long Island National Bank and her fiance is employed by his father.

No date has been set for the wedding.

New residents of Cornell Ave., Hicksville, include Mr. and Mrs. Arthur Salatto and daughter; Mr. and Mrs. Mac Rothenberg and three children; Mr. and Mrs. Thomas Lemmo and son; Mr. and Mrs. Joseph Mascioli, formerly of Flushing, and Mr. and Mrs. Alden Sager and daughter.

Shirley VanCise Is Show Queen
 HICKSVILLE — Carol Patrek, Barbara Ceden and Rosemary Moran were the winners of the Essay Contest sponsored by Teen Canteen it was made known at a gala Christmas Dance Saturday evening in Levittown Hall, here. Carol received \$25, Barbara \$10 and Rosemary \$5. They wrote on "What I Would Most Like in a Teen Age Recreation Program." Prizes were presented by Mrs. Edward Kist. More than 130 teen-agers attended the dance. Greens were used to decorate the hall with bright colors introduced by means of large colored balloons which represented Christmas ornaments. Tables were arranged about the hall set with white doilies and brightened with greenery and balloons. Shirley Van Cise was crowned Snow Queen and installed as a silver throne by Eddie Hulsken, chairman of the Teen Age Recreation Committee. Her crown was made by Marie Levy and her white taffeta cape was made by Mrs. John Dempsey for the Teen Canteen. Jacqueline Dempsey pleased everyone with her singing of "Ave Maria." Impromptu singing by different students and by quartets of the members added to the occasion. Mr. and Mrs. DeHann of the Youth Council of Farmingdale came as observers and since there was a shortage of chaperones, kindly consented to remain throughout the dance. The music was provided by Johnny Milling and his three piece orchestra. The "Bunny Hop" proved one of the most popular dances of the evening. The members wish to thank the Candlelight Order of Kings Daughters who made the cookies and cakes served during the refreshments period. St. Ignatius Church or the tables, the Susan Joy Shop, Town and Country and A&P for contributions, and Dolly Caser who was in charge of refreshments. A gift was presented to Edward Kist in appreciation of his efforts in behalf of Teen Canteen. Chaperones were Mr. and Mrs. John Dempsey and Mr. and Mrs. Kist.

PFC Eugene F. Teton of 93 Duffy Ave., Hicksville, is spending the Christmas holidays at home and will then proceed to Band School Marine Base Camp in Lejeune, North Carolina, for specialized training in field music. He enlisted in the U.S. Marine 11th Rifle Co. Feb. 9, 1953 and completed his "boot" training at Parris Island, S. C.

 Under no circumstances will any excavation containing water mains, appurtenances or facilities belonging to the District or through which District water is to pass, be backfilled or covered until and unless such work has been inspected by a duly authorized employee or officer of the District and a certificate authorizing such backfilling shall be issued by the District for the specific excavation concerned.
Section 5.23 NOTICE OF COMPLETION.
 The consumer, applicant or owner shall file with the District a written report of the completion of all attachments, connections, alterations and extensions of water pipe lines and appurtenances within twenty-four hours after such completion, specifying the approved location and type of attachment, connection, alteration or extension.
Section 5.24 INSPECTION AND APPROVAL OF NEW INSTALLATIONS.
 Except as hereinafter provided, no curb stop shall be opened and no water shall be introduced into or permitted to run into any premises after a new connection with the street mains has been made or new extension or attachment has been made unless and until the pipe lines, extensions and attachments have been inspected and approved by the District and a certificate of such approval shall have been issued by the District.
 In any occupied premises where in the introduction of water shall have been authorized or approved by the Board and which shall not have been disconnected or cut off

by the District, it is hereby ordered that the water be cut off or disconnected where, under conditions or attachments are made provided, however, that the District shall be notified of such water connections or attachments within twenty-four hours of the making thereof. The District reserves the right, however, to require that the consumer remove any attachments or extensions which do not meet the requirements or specifications established by these Ordinances and by the Board of Commissioners.
Section 5.25 LIABILITY FOR DAMAGES.
 The District, its officers and employees assume no responsibility or liability for any damages, injuries or leakages that may result from an increase or decrease of pressure or discontinuance of the supply of water and said supply may be cut off, discontinued or pressure increased or decreased at any time without notice to the consumer.
Section 5.26 REMOVAL OF DEFECTIVE INSTALLATIONS.
 Whenever it shall be found that a service installation has been made in any manner other than that approved by the Board, the District may remove and the service discontinued. Water shall not again be introduced into the premises until the service installation is properly made and approved, and all expenses, charges and deposits paid by the consumer or owner of the premises.
ARTICLE VI TAMPERING WITH MAINS, HYDRANTS AND FACILITIES.
Section 6.1 CANCELLATION OR SUSPENSION OF PERMITS.
 All permits issued by the Plainview Water District for the consumption or use of water and the use of the facilities of the District are subject to cancellation, revocation or suspension by the Board of Commissioners without notice. In the event of such cancellation, revocation or suspension, the District may enter upon any property wherein any of its facilities or property shall be located and in its discretion remove the same therefrom.
Section 6.2 OPENING OF HYDRANTS.
 No person shall open or interfere with any fire hydrant or draw water therefrom without the consent and approval of the Board of Commissioners. In such event, the District or its authorized assistants may open or direct the opening of any fire hydrant in the event of a fire or for fire drill or tournament purposes. Whenever a hydrant has been used, the Fire Department shall promptly notify the District of that fact.
Section 6.3 RESTORATION OR DISCONTINUANCE OF SERVICE.
 In the event that the supply of water to any premises shall be turned off for any reason, it shall not be turned on thereafter without the written consent and approval of the Board. In such event, the water may be turned on only by a duly authorized representative of the District after all charges, fees and penalties have been paid.
Section 6.4 PENALTY FOR VIOLATION OF USE—PENALTY FOR FAILURE OR REFUSAL TO COMPLY.
 In the event of an emergency or whenever in the opinion of the Board of Commissioners the water pressure or the supply of the water shall be reduced or is likely to be reduced so that the general welfare, health or safety is affected or is likely to be affected, the Commissioners may order and direct such curtailment of the use of water or facilities of the District as they may deem necessary. Notice of such order or direction curtailing the use of water may be given personally by any officer or employee of the District or by mail. Publication of such order or direction in the official newspaper of the District on one occasion shall be deemed due notice to all consumers of the District.
 In the event that any consumer

is in violation of any of the provisions of such order or direction after any such order or direction has been provided, he shall be liable to a penalty in the sum of \$50.00 for each violation, payable to the District, and the water supply furnished to any such violating consumer shall be discontinued until such penalty together with all other charges, fees and deposits shall have been paid.
Section 6.5 ELECTRICAL GROUNDING PROHIBITED.
 No person shall use the water system pipes or appurtenances as an electrical ground.
Section 6.6 VIOLATION OF ORDINANCES.
 In the event that any person shall violate the terms and provisions of these Ordinances or amendments thereto or of the directions or requirements of the Board relating to the use or supply of water, he shall be liable to the District for a penalty of \$50.00 for each violation. In the event that such person shall be a consumer, all service to him shall be cut off and discontinued and shall not be restored until such penalty together with all other costs, charges and deposits shall have been paid.
ARTICLE VII AMENDMENTS AND EFFECTIVE DATE.
Section 7.1 AMENDMENTS.
 The right is reserved to change or amend these ordinances at any time in a manner provided by law.
Section 7.2 REVOCATION OF PREVIOUS ORDINANCES.
 All ordinances heretofore enacted by the Plainview Water District are hereby revoked.
 All rules, regulations, resolutions, orders and directions heretofore issued by the Board of Commissioners are hereby revoked, cancelled and annulled insofar as they shall be inconsistent with any of the within ordinances.
Section 7.3 EFFECTIVE DATE.
 The foregoing ordinances of the Plainview Water District duly adopted by the Board of Commissioners of the District on the 28 day of Dec., 1953, are effective and in force immediately upon their adoption.

Really Is Season Of Birthdays

By DOROTHY BROWN
Hicksville 4912

Instead of saying this is the Holiday Season, it might easily be called the Birthday Season. The first most important birthday of all is the birth of Christ, who came on earth to the world from sin, celebrated by us as Christmas Day.

The second birthday is the first day of the New Year when we all start the resolutions made while still inspired by the Christmas Spirit that we believe will make the new year a better one for their fellow men or themselves. The third birthday is the one on which we as an individual are born and many of these fall during this season, and are often overshadowed by the preceding two days which seem more important to the world in general if not to the boy and girl.

Two days before Christmas, John Schmidt Jr. of Woodvine Drive celebrated his ninth birth-

day with a family party. George Hicks Jr. of Greenfield Lane had his first birthday party on Saturday following Christmas, with relatives and Godparents.

Looking for some scenic ride? Our houses are almost 100 per cent well decorated. Many people have outdone themselves to give the development the cheery atmosphere of the season. Have had comments that people were surprised to see so many well lighted houses in a group for the first year where we did not have any contest between houses. It has been suggested in another year that a contest between developments as a whole be started instead of having one neighbor compete against another.

Bits of lumber here and plaster board there arrived at 8 Greenbriar Lane. They have built a lovely recreation room in the cellar. This was decorated for Christmas with a Yuletide Log in the false fireplace and a large tree. Mr. and Mrs. Raymond Reilly entertained 28 for turkey dinner with all the fixings in this room. These included Mr. and Mrs. Robert Hopkins and family of Northbranch, upper New York; Mr. and Mrs. Daniel Coleman and family of Elmhurst, Mr. and Mrs. Kenneth Coleman of Valley Stream, Mr. and Mrs. Carl Edwards and family of Levittown, Mr. and Mrs. Arthur Reilly of Jamaica, and Mr. and Mrs. Arthur Reilly Jr. and family of Springfield Gardens. Believed this was one of the largest family gatherings among those entertaining for the past holiday here.

ATTENTION DRIVERS AND PARENTS

Please drive slow through the development. Santa Claus has left a lot of new bicycles and velocipedes to the good boys and girls in the development. These children are riding around many of them unsteadily still with the new vehicle. As parents we should instruct the children in the following rules of road safety:

1. Two wheel bikes should ride on right hand side of street and follow road signs and signals, the same as an auto driver.
2. Two bikes should never ride abreast or weave back and forth.
3. Don't ride at night unless necessary and bike is equipped. (a head light and rear reflector are compulsory; reflector tape on handle bars and rear fender is useful.)
4. Small autos, tricycles, and scooter drivers should stay on side walks and watch out for pedestrians.
5. All types of children's vehicles and large toys should be kept off the sidewalk when not in use. This is a public way for people to walk on.

Lets have a safe New Year, a happy and prosperous New Year to All.

What's Ahead ?

(Continued from Page 1)

The coming year will also see the town board's plan for the town board, provision for booster in various special districts, particularly in Bethpage. The elaboration of the township "drainage district" plan will also see a brand new tax, estimated at about 10 cents per \$100. However, increasing assessment for the various mid-island district will continue to help ease the burden for the individual property owner.

Hicksville Park and Parking District will blossom forth with a couple of employees to maintain park areas set aside by various developers and in particular the 7-acre tract "given" to the District by Levitt & Sons. The area runs west from Levittown Parkway between Arrow and Abbot Lanes.

SCHOOLS: New school construction will become an even greater matter for discussion and voting in 1954. Hicksville will break ground, early in the year, for the new high school on Newbridge Rd and will submit proposals to the voters to (1) enlarge the four elementary schools opened a year ago, (2) purchase property for two and possible three more small schools, and (3) convert the present high school—increasing its size at the same time—to junior high use.

BUSINESS: We predict that 1954 will see construction actually get started on the multi-million dollar Mid-Island Shopping Plaza on North Broadway, Hicksville. Watch for ground breaking about April. In addition to this major project of 70 or more stores, another 50 new stores will open for business in Hicksville, Plainview and Bethpage. Employment and income will continue at approximately the same high level as during 1953 for mid-island residents.

ALSO IN PROSPECT: Heated contests for local school board election in May. Henry Brengel may not run again. . . Real efforts to provide Hicksville with volunteer ambulance service are due. . . Considerable discussion about formation of a Hicksville Community Chest. . . Formation of another Republican club in the Hicksville area. . . Arnold Jeanson will be elected Hicksville Fire Chief. . .

BECOMES ENGAGED

Seek Christmas Card Pictures

BETHPAGE—Mrs. James Sturtevant of 47 Lexington Ave., is asking that local people send her cut out pictures from used Christmas cards. These are to be packaged by the Levittown Almshouse group of Kappa Delta Sorority for the Maryknoll Mission. She asks that these be left with her or mailed to her before Jan. 5.

North Bethpage Civics Elect Feuss

By DOROTHY GUELPA

Bob Feuss was elected president of the North Bethpage Civic Assoc. at the monthly meeting on Wednesday, Dec. 16, in the clubhouse, Cherry Ave. and Stewart.

Others elected include: 1st vice president, Edward Schreiber; 2nd vice president, Joseph Klipp; secretary, Virginia Feuss; financial secretary, Jill Manaloris and treasurer, Catherine Laws. Named to the executive committee were Dan Marzano, Bill Benintendi and Jack Strong, a trustee.

The officers will be installed at the monthly meeting, Jan. 20 with the installation party set for some time in January, the date to be announced later.

Santa Claus made a late but welcomed visit to the children of Bethpage at the annual party which was held Sunday, Dec. 27. Mae Strong, chairman of the party, recently opened the piggy bank which had been kept all year to use for the party. This enabled the committee composed of Jill Manaloris, Bob and Virginia Feuss, Jack Strong and Gladys Oliveri to complete the party plans. Refreshments were served.

BOARD CANDIDATE
Noting the great interest of William Benintendi in school affairs, Howard Grandjean of the North Bethpage Civic Assoc. suggested that he become a candidate for the school board. Backed by the association, Mr. Benintendi has announced his candidacy to the membership.

HOLY NAME ELECTS

president of the Holy Name Society of St. Martin's Church at the Dec. 15 meeting. Giles Goss was elected vice president, George Lee, Treasurer; Jack O'Donnell, recording secretary; Joseph Doherty, corresponding secretary; Phil Fazio, marshal; Michael Fogarty, diocesan delegate and Michael Colliton, alternate. The society presented Father Hartigan with a check towards the school building fund.

TO HEAR HISTORIAN

Paul Bailey will be the speaker at the next meeting of the Bethpage Parent-Teacher Association on Thursday, Jan. 7, at 8:15 P.M. in the Broadway School Auditorium. His topic will be "The History of Long Island." He will bring in local county, town and community history. Mr. Bailey is well known for his background of Island History. He is President of the Suffolk County Historical Society and a collector of rare Long Island books, pamphlets, and Americana.

Bailey's Long Island History, published in 1949 by the Lewis Historical Publishing Co., New York, is being used in schools, colleges and libraries.

The Sportlight

By HOWARD FINNEGAN

THE CRYSTAL BALL FOR 1954

Oyster Bay will win the North Shore Athletic League Eastern Division Basketball race with an 8-2 record, while Sea Cliff and Farmingdale will be tied for second with 7-3 records. Hicksville High will have an interesting campaign but far from dramatic as the last where a 43-33 victory ended Oyster Bay's 43-game reign or as pulse pounding as the 48-47 loss to Sea Cliff which barred a title. The '54 Comets will achieve a good target if they hit 5 and 5.

Continually increasing his power in playing scope, Stan Kellner will bull Hicksville PBC Alumni into the finals of the Nassau Alliance battle for the fourth straight year. Once there, however, the Blue and Yellow will find that its 1954 belief that it has too many players will deprive it of its fourth straight championship.

In the March showdown with West Hempstead there will be no Dick Alcock to flip in 32 points as there was in the '53 74-73 victory nor will the policy of letting players go leave such qualified performers as Tom Hartman and Jim Quinn to rush into action as was the case in the crucial one at Mineola.

Reason should overcome sentiment and next fall, Hicksville Field Club is expected to be a fond gridiron operation of the past.

Coach Bill Anderson will have Tommy Valentine returning to the mound for his Hicksville High baseball team and that alone will have the Comets well in contention for their first title since 1938. Richard Evaschuk and Ed Scott combine with Joe Pepe to give the Oranck and Black a sound working foundation.

Hicksville will also gain something from Anderson's Long Island Champion Charles Wagner American Legion Post team that won honors last summer. It will take a real push but if patient, intent work is rewarded, Anderson will have his championship.

Softball followers will realize at an hour much too late that the dropping of Botto Brothers may leave Hicksville out of the major spotlight for a great many years.

There will be a late but unsuccessful attempt to save the situation, and the result will not be altogether depressing. As a direct consequence participation and interest in the Hicksville Community Softball league will zoom.

Expect early spring rumors that the Board of Education will not stage the program this year but dismiss them. Chalk it up to the fact that people who really like and want something usually try to convince themselves it won't be their good fortune to have it again.

Program has been sound. Maintained high interest and no purpose would be served in abolishing it.

Indications are that Hicksville High can match its 1953 gridiron mark of 4 wins and 3 losses next season. Although they were not serious and of the unavoidable nature, injuries plagued the last edition of the Oranck with a little luck in that respect Coach Bill McNamara could improve what was a winning season.

Happy New Year To All!

ALONG WOODBURY ROAD:

Many Guests Here For Holiday

By MAY MALJEAN
Hicksville 3-5555

Gene and I wish to bid you a Happy New Year—each and every reader. (Even the ones that don't read us for that matter.) We want to comment on how beautifully the homes are decorated this year. The Christmas spirit has been reflected by almost every house.

As the year draws to a close, we wish to thank our readers for their splendid co-operation—sending in material, asking questions, submitting recipes, phoning in news, contributing queries, and even for their constructive criticism, at times. We hope that we can continue to assist you in the coming year. Remember—this is your column. Keep it interesting!

UNFINISHED BUSINESS
We are sending our letters to the various organizations about town asking for information on affairs of the group. This was in response to queries by readers. We'll let you know how they answer. . . We're now laying the groundwork for the forthcoming teen club. . . Hope we get enough helpers. . . We're compiling some answers to Thelma Poitras' letter in a previous column. . . Recipes we have on hand will be run as space permits. . . Also questions will be likewise.

INTERNATIONAL FLAVOR
Saw Jose Grecco in a Spanish Ballet at the Rivoli at Hempstead. . . He's superb! Mr. Grecco is married to his dancing partner, Nila Amparo. Nila and I went to school together and I remember that she was always artistically inclined. Nila was then doing ethnological dancing under the guidance of a Hindu woman. It was while touring in Spain with this seeking a partner, after the death of his internationally known partner La Argentina. The Greccos are the proud parents of a boy. We had a visit from Nila and her family last week.

SHOULD HAPPEN TO ME
I think the nicest man in Hicksville is Al Mecklenburg. (All husbands, including Gene, take note.) We were looking at Ruth's magnificent diamond ring that she received for Christmas, from hubby, Al.

As if this is not enough, he painted the entire house for her in the most beautiful shades. It is a splendid job, and Beth's hand and house now sparkle. The Mecklenburgs had a visit, Sunday, a holiday visit, that is—from Cpl. and Mrs. Charles Cunningham. Cpl. Cunningham has just returned from duty in England. Mr. and Mrs. Frank Mecklenburg were also Christmas guests.

Mr. and Mrs. George Rowohlt, of Elm St., Woodbury Manor, had a get-together for Christmas; with the following guests: Mr. and Mrs. John Wickman, and their son, Jackie, from Rosedale; Mr. and Mrs. Charles Sveys, Rosedale; Mr. and Mrs. Bernard Koyman, Bethpage; Roy Barreiro, Garden City; Miss Anne Rowohlt, New York City; and her fiancé, Norman O'Rourke; Mr. and Mrs. Bud Fischer, of Hicksville, and Joseph Ery, Hicksville. Guests of Honor at the party was Jingles, a black cocker spaniel—that Santa had left for the children. Carol and George Rowohlt will spend New Year's Holidays with Carol's mother in the city.

The Kennedy family, of Elm St., Woodbury Manor, recently returned from spending Thanksgiving at Kay Kennedy's mother's home in Norwalk, Conn. Mr. and Mrs. Thomas O'Connor, Kay's mother and dad, and her sister, Ronnie, and brother, Thomas were here for Christmas. Ronnie won a scholarship and is training as a nurse at Norwalk.

Mr. and Mrs. Thomas Maxwell, of 133 Miller Rd., had Christmas guests. Mrs. Maxwell's mother and father, Mr. and Mrs. Clarence Weaver, Mr. and Mrs. Wm. Verge, and children, Diana, Billy, and Virginia, and Mr. and Mrs. Robert Weaver were present.

We want to wish Molly Fischer, of Elm St., a very happy birthday. She celebrated Dec. 21. Her daughter was visiting her cousin's home, Mr. and Mrs. Goland, of Bay Shore, for the weekend. Mrs. Lee Gilbert, Molly's sister, came for a visit with her son Larry, and Larry stayed for three days. When Mrs. Gilbert came to pick up Larry, she brought her other son, Richard, along, and they celebrated his birthday, as he was three years old Tuesday, Dec. 29.

Mr. and Mrs. Elmer Blaser of Briggs St. have a holiday guest. Gladys' mother Mrs. Steve Bokow, is here for a visit from the windy city—Chicago. . . Mr. and Mrs. Charles Leary, of Ketcham Ave., entertained Mrs. Eva Reoch, of Brooklyn, Rosalie's mother. . . And Mr. and Mrs. Ted Marcy, of Rochester, Charlie's aunt and uncle, visited also. . . There'll be a party on New Year's eve at the Carter's, on Ketcham Ave. . . Also feteing that night will be the Michaels, of Woodbury Manor. . . Send or phone in your party to us. . . The Starlighters are having their annual get together at the home of Helen Branham, this year. . . Congratulations to Mr. and Mrs. Charles Tarantola of Briggs St. as they are the proud parents of a boy born a week before Christmas. . .

Eve Roth of Ketcham Ave. is having her mother over as she, Mrs. Helga Olson, is recuperating from a serious operation. . . Hope she's feeling better by this time. . . We want to offer our deepest sympathy to Mr. and Mrs. A. Lennano, of Elm St., Woodbury Manor, on the passing of Anthony's grandmother, Nicolina Baldi, of Queens. Mrs. Baldi was 87. She was the great-grandmother to Philip Lomenzo. . .

Baker Promoted

FORT CAMPBELL, KY.—Colonel Earl Baker, son of Mr. and Mrs. Earl P. Baker, of Kent Road, Jericho, was recently promoted to his present rank. He is now serving as an x-ray technician at the U.S. Army Hospital here.

The Long Island soldier entered the service in July, 1952, and received his basic training at Camp Pickett, Va., where he also attended a special medical training course. He later attended the Medical Field Service School for medical technicians at Fort Sam Houston, Texas.

Prior to his entrance into the army, he attended Hicksville High School and Hofstra College, and was employed by Roulstans Co. Cpl. Baker is married to the former Jean M. Knoph.

Sunday School Gives Pageant

HICKSVILLE—The same Sunday School of the Holy Trinity Episcopal Church participated in the presentation of The Nativity Pageant Monday, Dec. 28 at 8 P.M. in the Jerusalem Ave. church. Marian Schneider was assisted by John Bartels and Joseph Tracey in the direction of the event.

After the opening presentation by the pastor, the Rev. Davis S. Duncombe, the story was told by Mr. Tracey, taking the part of "Daddy" to his five children, Carol, Ulensperger, Alfred, Walters, Christine Miller, George Gianopoulos and Denise Tracey.

The part of Mary was interpreted by Patricia Armatrong and that of Joseph by Arthur Darrmann.

Escorted by the Church Choir, a Choir of Angels entered the church to sing appropriate music for the pageant. "Gloria in Excelsis" was sung by Ann Samoray, Joan Bartels, Linda Walters, Denise Deetz, Gail Strauss, and Lynn McKee. Naomi Walters, who directed the music, was also the organist.

One of the scenes depicted an angel leading the shepherds to the manger with H. Gail Breitfeller playing the role of the angel. Kenneth Foran, Robert Fish and Richard Ford as Wise Men handled their singing parts well.

At the conclusion of the pageant, all sang "Oh Come All Ye

OLD TRADITIONS and THE NEW YEAR
 THE TRADITION OF MAKING NEW YEARS RESOLUTIONS IS FIRMLY ROOTED IN AMERICA.
 AT THIS SEASON, WE ASK YOU:
 LOOK AT OUR JOBS AND RESOLVE TO WORK A LITTLE HARDER.
 LOOK AT OUR LEISURE AND RESOLVE TO DO MORE WORTHWHILE THINGS.
 CAST UP OUR ACCOUNTS AND RESOLVE TO SPEND MORE PRUDENTLY, TO SAVE MORE REGULARLY.
 FOR THE MAN STRIVING TO "DO BETTER THAN WELL," AMERICA OFFERS UNUSUAL PROMISE OF FULFILLMENT. FOR FREEDOM OF OPPORTUNITY AND REWARD FOR INDIVIDUAL EFFORT AND INITIATIVE ARE ALSO TRADITIONS IN OUR DEMOCRACY.
