**Sunday September 18, 2016 8:30 am – 1:15 pm**

**Registration and Light Breakfast: 8:30 am – 9:00 am**

**Course starts promptly at 9:00 am. There will be one 15 minute break.**

**Course Location: Young Israel of Hillcrest**

**169-07 Jewel Avenue, Flushing NY 11365**

**Course Description:** The DAYC-2 is a popular test used to identify children through 5 years 11 months with possible delays in the following domains: Cognition, Communication, Social-Emotional Development, Physical Development, and Adaptive Behavior. Each of the five domains reflects an area mandated for assessment and intervention for young children in IDEA. The DAYC-2 format allows examiners to obtain information about a child's abilities through observation, interview of caregivers, and direct assessment. This workshop will provide an overview of the test and how the results may fit into eligibility decisions. The presenters will discuss the DAYC-2's administration procedures, psychometric properties and interpretation. There will be time for questions and answers.

**Who Should Attend?** Special Educators, Psychologists and related Early Intervention and Preschool Professionals.

**Credit Information:** Course provides 4 Hrs towards NYS DOH requirements for Early Childhood Training. Approved for .4 ASHA CEUs.
